

# The Terry County Herald

Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

### Best Advertising Medium

The Herald subscription list is a splendid blend of town and rural readers, folks who can and do pay for their papers—they do not ask or want it donated to them. Many 30 and 40 year continuous subscriptions.

The Herald has grown with this section from strictly a ranch country. This area now consists of thriving towns and cities, supported by scientific farming and stock farming, augmented by huge oil fields, with the nation's largest known oil reserves.

VOLUME 46

BROWNFIELD, TEXAS, FRIDAY, DECEMBER 1, 1950

NUMBER 19

## Pink Bollworm In This County Serious

There has been a very serious spread of the pink bollworm into new territory in central Texas and in the coastal section of Louisiana this season. This spread into new territory apparently was from some of the older quarantine area where there was an exceedingly heavy buildup of the insect this season.

Infestation of the pink bollworm in Terry county is light, however it is well that precautionary measures be continued in order to keep the infestation to the minimum. Inspection of gin trash in the county this fall revealed the presence of the worm in the county. In one of the counties adjoining this one to the south, only this week live pink bollworms were found on the cotton plants. This is very good proof of the toughness of the insect to the cold weather. Most of the other cotton insects were killed at the time of the first freeze on November 4.

The pink bollworm is a difficult insect to find, except by an experienced inspector. The reason for this is that the worm is rarely found on the outside of the cotton plant. Usually the moths lay their eggs on the under side of the boll and as soon as the tiny worm hatches, it immediately enters into the boll. Often when it burrows into the boll it is so small that it cannot be seen with the naked eye. It usually spends the entire worm or larvae stage in the boll and only comes out of the boll to pupate, or change into another form. It works chiefly in the cotton seed. It is often necessary to cut open the cotton seed in order to detect the presence of the worm. The insect usually passes the winter in the worm or larvae stage, in seed cotton, cotton seed, or in the first six inches of soil.

Farmers often ask how they can help in the control of the pink bollworm. The following recommendations will help in the control of this dreaded insect: 1. Strict adherence to the pink-bollworm quarantine regulations. As there have been large amounts of planting seed caught by the farmers in this section, he is cautioned not to sell or move or allow to be moved any planting seed out of the county. In order for planting seed to be eligible for movement outside of the county or into free territory, they must first be treated at a plant approved by the government. 2. The treating of the planting seed is a very effective method of helping in the control of this insect. Seed may be treated in one of the following manners: A. heating or sterilization. B. fumigation by Methyl Bromide, C. Kem-Gas process of delinting. 3. The removal of all cotton bolls from the plant in this section is also an effective method of helping in its control. This may be done by any of the following methods: A thorough job of hand pulling, mechanical stripping, grazing of cotton stalks by cattle or other animals. 4. Deep breaking of the land to 10 inches or more will help in their control. 5. Insecticides are less effective and offer only limited control. The most effective being 10 per cent DDT applied at the rate of 15 lbs. per acre.

Farmers who contemplate the movement of planting seed from the county should contact an inspector of the Department of Agriculture before such movement is made. Inspectors regularly visit the gins in this county. W. E. Dorsett, of the United States Department of Agriculture, Division of Pink Bollworm Control, is the inspector for this county. He is located in the Brownfield Building, and may be contacted there.

Also working with Dorsett is Guy E. Orr, district leader for several other counties, located at Lamesa.

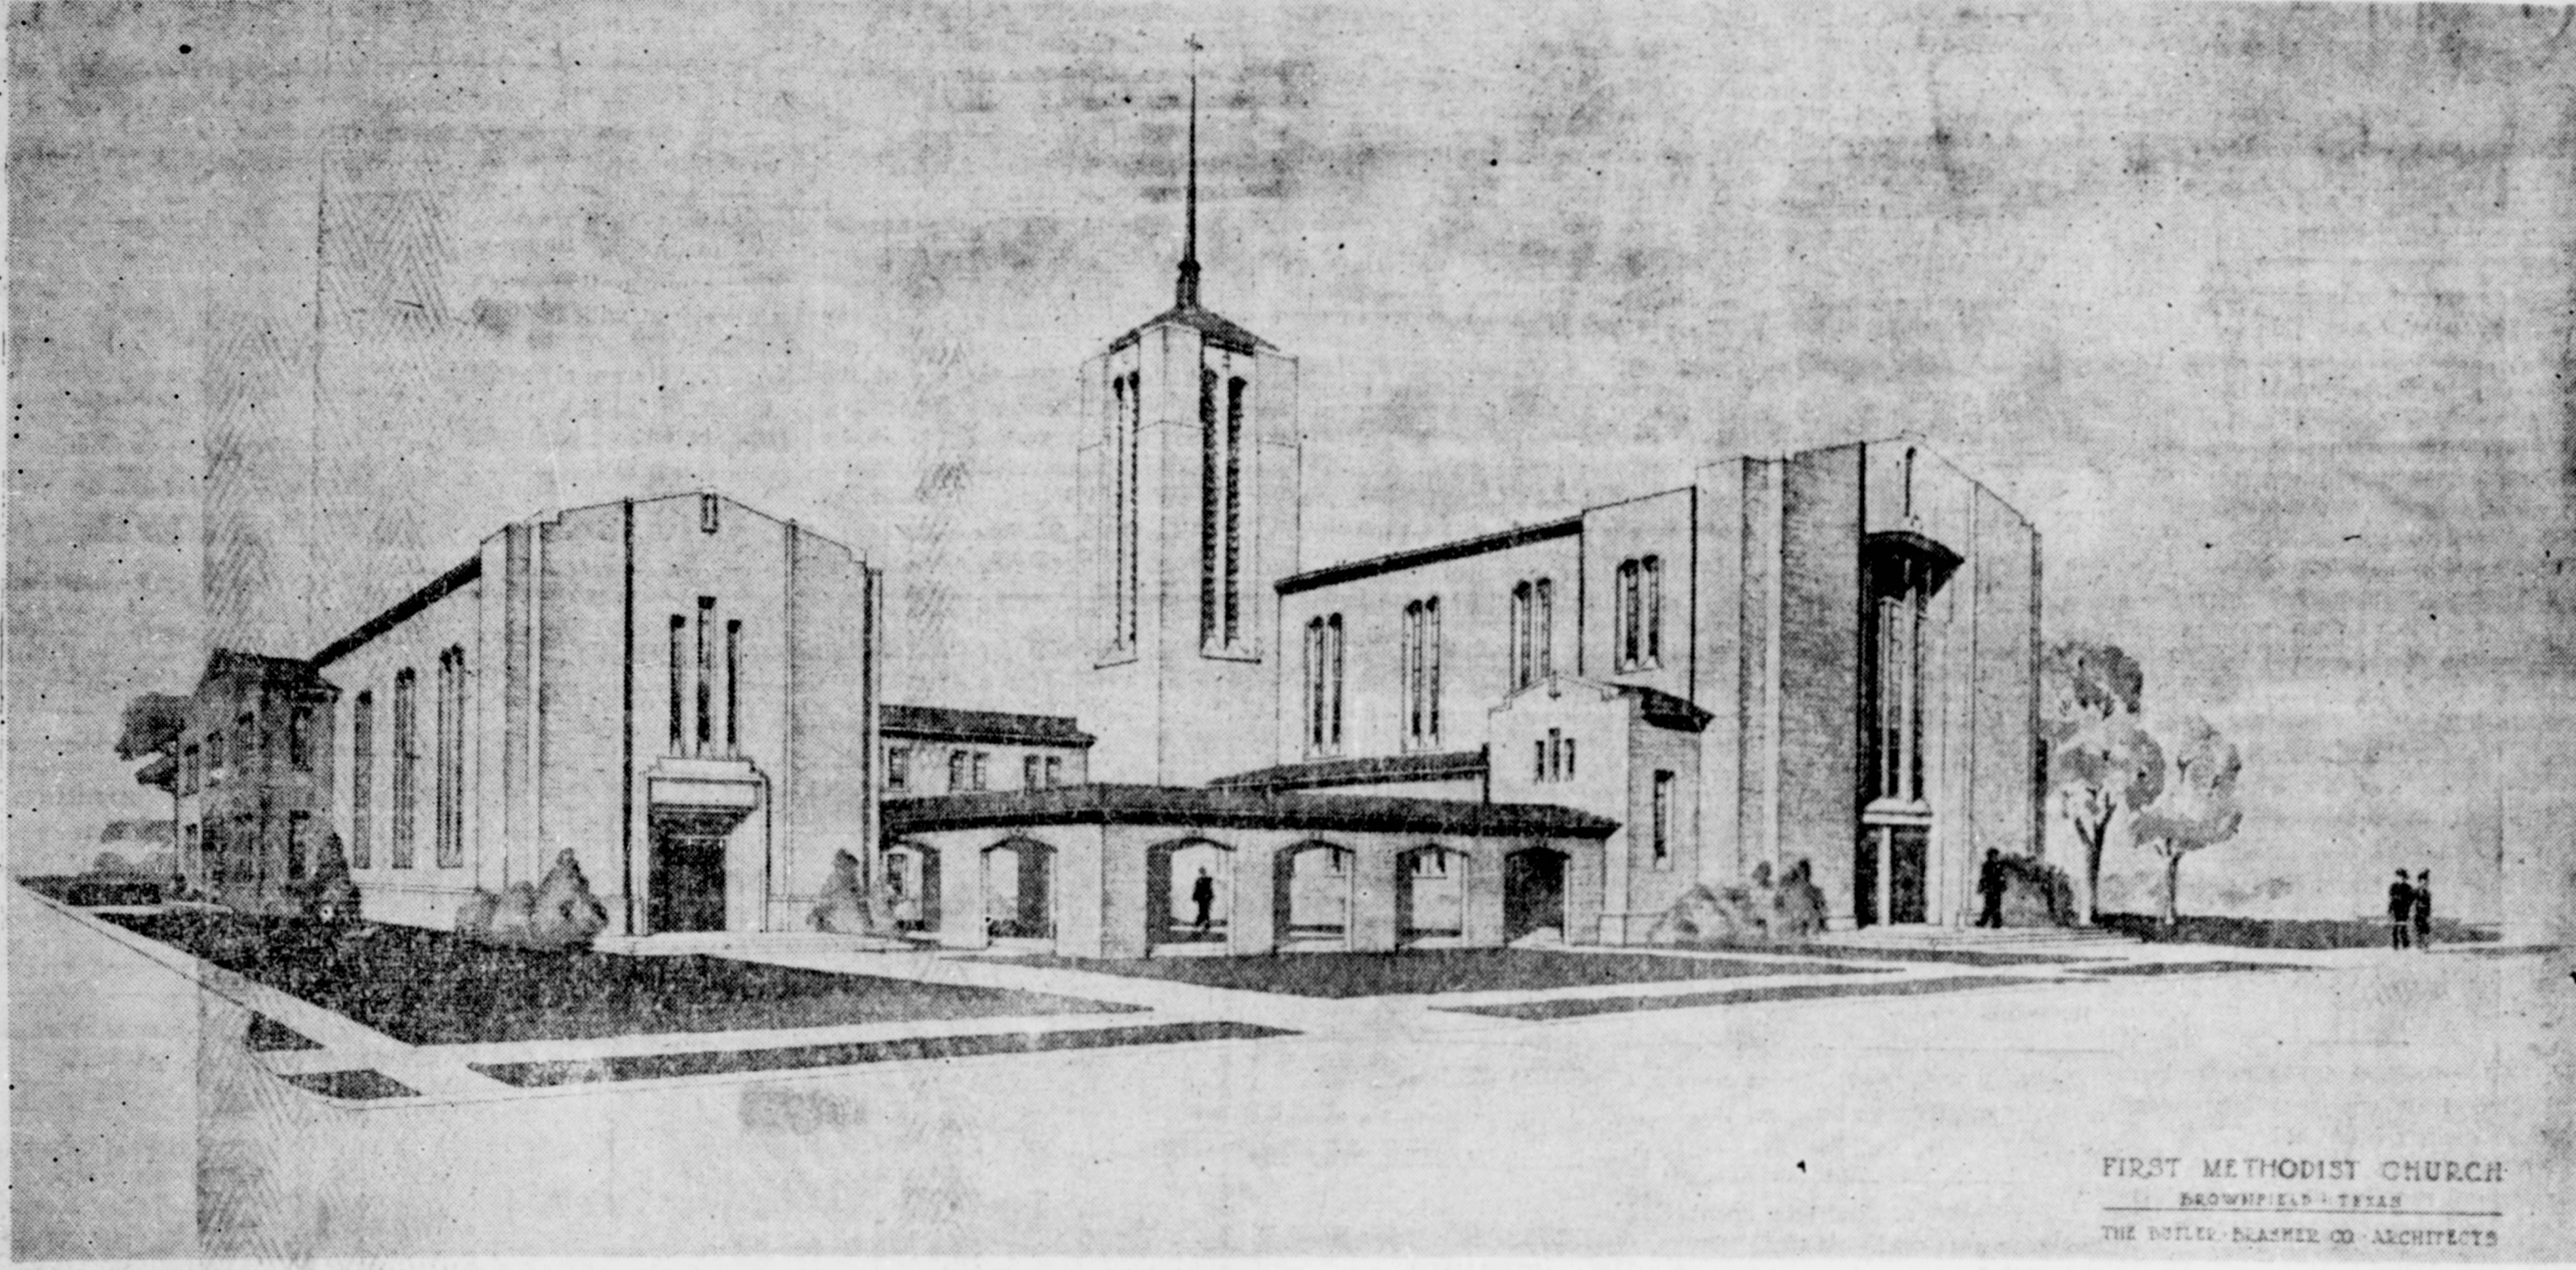

### INSPECTORS CAPTURE SIX ILLICIT STILL

The Texas Liquor Control Board inspectors in October reported the seizure of six illicit stills.

With the stills, which had a cubic capacity of 770 gallons, inspectors captured 1,410 gallons of mash and made six arrests. Forty-three gallons of moonshine liquor were destroyed.

Two stills were taken in Titus county, two in Harrison county, and two in Freestone county.

## New First Methodist Church To Be Constructed In Brownfield

FIRST METHODIST CHURCH  
BROWNFIELD, TEXAS  
THE BOYLE-BLASHIER CO. ARCHITECTS

Pictured above is the proposed new \$250,000 First Methodist church. The church will be erected on lots just east of the new Presbyterian church on East Broadway, and the members hope to begin construction sometime in 1951. General chairman of the building program is Burton G. Hackney, and R. J. Purtell is assistant chairman. Dallas D. Denison is minister of the church, which is now located on West Main street.

## RURAL PHONE MEETING SET HERE DECEMBER 4

Recently the telephone division of Rural Electrification Administration allotted \$1,837,000 to the Poka-Lambro Rural Telephone Cooperative, which comprises all of five counties and part of two other surrounding counties, for construction of telephone lines for rural people.

According to information received from V. H. Wheatley, secretary-treasurer of the organization, there will be a telephone meeting in the Terry County District court room at 7 p.m. Monday, December 4, and all interested persons are invited to attend.

Sam Allen of Lamesa will be the principal speaker and all questions concerning the new telephone program, including the type of telephones, parties, lines, rates, membership, etc., will be discussed.

To date the cooperative has received 1220 signed applications, and according to Washington instructions, 3000 applications must be turned in before actual work can begin.

The board of directors, as well as other signed members, would like to start construction as soon

as possible and fully realize that almost all rural people would like to have telephones as soon as possible, but as yet, many have not sent in their \$50.00 membership stock, which is required to receive one of the telephones.

Directors urge every one who wishes to have a rural telephone to send in his \$50.00 membership immediately so that construction can be begun. The monthly rates will be \$4.25, which includes installation and service.

Persons eligible to receive telephones under this program are asked to remember that these telephones will be four or eight party lines and if construction is completed near his home, filling a party line, and he has not applied for a telephone before that time, he may not be given service until enough other neighbors sign, to justify building another line. Therefore, persons are urged to turn in applications now, as it may be several years before another line will be put up near his home.

Counties included in the program are Terry, Lynn, Dawson, Yoakum, Garza, Hockley, Gaines,

## City Expanding In Every Direction

If you haven't already done so, take a bat's-eye view of the old burg, and see how it is expanding. Way out east and south-east where we used to hunt rabbits and prairie chickens just a few years ago, you will find homes, some real expensive, some medium and some modest in price dotting what was just the prairie. Now and then among the homes, you will find some rather expensive apartment houses, some with as much as 12 to 16 units, and others more modest.

In the north part of the city, you will find new commercial houses along Lubbock road way out past the juncture of the Level-land highway. And out in the west area a new home will be encountered occasionally, and new businesses along the Plains road. A new, modern school building in the negro section will doubtless cause a surge of pride among the dwellers out there, resulting in some new and better homes and the use of the paint brush, and a general cleanup.

Another article will tell you about the big new home addition of more than 30 homes, which presumably will be sold or rented

to new folks moving to Brownfield on account of the several oil fields that have been opened this year, and other reasons, such as bumper crops at high prices.

### A Strictly Commercial Addition

There is still another enterprise in the opposite direction from the Webb addition, and down on the Seagraves highway. Right now we are not permitted to say a great deal about this commercial section to Brownfield, but we will say this, when even the present interests that are building, or have bought sites to build sooner or later, there will be a big payroll out there that will be a great help to our city.

At the present time, streets are being laid out, with a turning park to the rear. Pit sewers will have to do presently, but the addition will be supplied with lights and power. As for water, a deep well has been put down, penetrating some 100 feet of water bearing sand, that develops some 900 gallons of water per minute.

Just a bit later we hope to be able to tell you more about this addition, and the number of lumber companies, oil field supply houses, etc. there are in this addition.

## CONSTRUCTION BEGUN ON HOUSING PROJECT

Construction began this week on a new housing development in the Webb Addition in north Brownfield. The development will be a part of the Oak Grove addition, which will cover several acres of land around Magnolia camp.

Contractor for the construction of the 34 houses in the Webb addition is C. L. Cunningham of Midland, who recently purchased the Jeter Lumber company on the Seagraves highway. Ralph Jeter, former owner of the company, remains as manager. Cunningham has been a contractor for twenty years and is credited with building more houses in Midland and Odessa last year than any other contractor.

The project is being undertaken by Cunningham, with W. T. McKinney and the Brownfield State Bank and Trust Company. McKinney, owner of the McKinney Insurance Agency and a realtor here, will be in charge of all sales.

McKinney said this week that the homes in the new addition will be handled on a "first come, first serve" basis. All of the homes will be modern frame two-bedroom houses, with garages at-

tached. They can be handled through both GI and FHA loans, he said, under the new regulation X. Each house contains 800 to 850 square feet, and the sale of every home will include all utilities, paving and sidewalks. Completion dates have been set for within the next 60 days.

Although the layout of the Webb addition will be conventional, the remainder of the Oak Grove development will be functional in design. Oak Grove, when completed, will include three separate parks, and will be completely landscaped. The complete addition will be paved and sidewalks will be laid. The new development received its name from a large grove of oaks, located in Magnolia camp. The new addition lies south and east of Magnolia camp.

In a double page announcement advertisement in this issue of the Herald, pictures show the proposed development, as well as typical homes to be built. Further information on the project may be obtained by contacting McKinney at his office just west of the Brownfield State Bank and Trust Company.

## Ready Built Houses Now Available Here

Ready built homes are now available to citizens of Brownfield and Terry county with the opening of an office at 1207 Lubbock Road by Avenger Lumber company of Lubbock.

V. E. (Pat) Patterson of Lubbock is manager of the Brownfield office.

An advertisement in this issue of the Herald advises the public of the wide selection and easy terms his office can give the customer.

Without using the parcel post sticker referred to above.

4. When you receive notice of a parcel to be called for, please bring the notice with you. Whether you live on a rural route, city delivery or get mail at the post office, always bring that notice when inquiring for a package, etc. That notice identifies the item, saves the clerk time, and possibly save wear on your own patience.

5. Out of consideration of "the line behind you," think of the little things you can do to help keep that line moving smoothly, like having your change ready and knowing the amount of insurance needed on each parcel.

6. The post office will appreciate every cooperation.

## "Dallas" Premiere To Be Held Here

The southwest premiere of "Dallas," starring Gary Cooper, will start at the Rio Theatre on Sunday, December 3, according to Sammy Jones, manager of the Jones Theatre in Brownfield.

Filed in color by Technicolor, the story is set in the Texas of post-Civil War days, where a two-fisted Southerner seeks revenge on three renegade brothers who pillaged his property during the hostilities.

Raymond Massey, Barbara Payton and Leif Erickson head the featured cast of "Dallas," which was directed by Stuart Heisler for Warner Brothers.

Said Jones, "We are honored to have been selected as one of the theatres in this area to be first in the country to show "Dallas." The picture will run December 3, 4 and 5 at the Rio.

### DOLLAR DAY SPECIALS OFFERED MONDAY

Monday, December 4, is Dollar Day in Brownfield. Several local business houses are offering special bargains to the citizens of Brownfield and Terry county on Monday.

Consult the advertisements in this issue of the Herald. Shop in your own home town with your own people.

## Many Saw New Ford At Friday Showing

Approximately 2100 persons viewed the new 1951 Fords when the car was put on display for the first time last Friday at Portwood Motor company.

The 1951 Fords, which feature Fordomatic Drive, the new automatic transmission, are still on display at the local company and the public is cordially invited to drop around and see them.

### WHAT? ANOTHER PAT PATTERSON HERE?

Well, we again have another Pat Patterson, this one being V. E. (Pat) Patterson, to go along with our V. L. (Pat) Patterson, manager of the Piggly Wiggly store here for years. The new one is the manager of the new firm here, the Avenger Lumber Co.

A few years ago we had another one that was part time Chamber of Commerce, and we believe was connected with some of the filling stations here. Anyway, the Herald welcomes the new (Pat) Patterson and family, if any, to the business interests of growing Brownfield.

## Red Tudor To Try Out The Shamrock

Along about the first part of January, several Buick agency districts are to have a joint meeting at the "swellegant" Shamrock hotel in Houston. Now the Shamrock is said to be not only one of the largest, but the best furnished hotel in the United States. Oil rich Glenn McCarthy spared nothing to make his hotel better and more modern than anything in New York or Chicago.

They say it is as modern as tomorrow. So, Buick dealers from all over the south and southwest are to gather there in January to count their blessings and have a swell time, says Red Tudor, local dealer. They will be there from as far east as Alabama, Kentucky and Tennessee.

Memphis was to have had the dealers, Tudor said, but their hotels could not round up 1500 spare hotel rooms at that time. It is strictly a stag affair. We hope Red gets back in one piece.

## Legion Auxiliary Collecting Gifts

Members of the auxiliary to Howard-Henson Post, American Legion, in Terry county have begun collecting gifts to be sent to veterans in the Veterans Hospital at Big Spring, according to information received from Mrs. Jim Miller, president.

This is a special service to the veterans which is undertaken each year by the auxiliary. Thousands of hospitalized veterans in hospitals use the gift boxes sent by auxiliaries to provide Christmas presents for their families. Their inability to go shopping is not the only hindering factor to the veterans. Being hospitalized also makes the veterans unable to afford presents for their families sometimes, also.

All persons who are interested in making some veterans' families happy at Christmas time are asked to take the packages to Mrs. Copeland at Tudor Sales company before December 6.

Some popular gifts to be sent veterans, for themselves, as well as their families, are handmade scarfs, table cloths, hankies, boxes of candy, toilet soap, dress materials, bath towels, hose, cosmetics, and other personal items for ladies, teen-age girls; socks, hankies, ties, toilet articles, stationery, pipes, pens and pencils, and other personal articles for men and boys; dolls, other toys and personal items for little girls; and shirts, ties, hankies, toys and other items for little boys.

For further information on the types of gifts to be given, persons interested in the project may contact either Mrs. Copeland or Mrs. Miller.

Mr. and Mrs. James G. Tucker of Sweetwater spent Thanksgiving with his mother, Mrs. Emma Tucker.

Matt Williams of the Tokio section in Yoakum, was over this week. He had been to an eye specialist at Grand Prairie on account of cataracts growing on them.

## Three New Businesses Will Hold Joint Formal Opening Saturday

A formal opening will be held jointly Saturday, December 2, by owners of three businesses in Brownfield. Located at 510 W. Broadway, the businesses are the E. & W. Radio Service, the Imperial Battery Company, and the Brownfield Boot & Shoe Shop.

Johnny Benson, owner of the battery shop, formerly operated his business from 501 Lubbock Road. The Brownfield company is the distribution point for Imperial batteries, both automotive and diesel, and will also repair all makes of batteries. Jerry Ellis and Ocie Wilson are owners of the E. & W. Radio Service. They will specialize in prompt and dependable service for all types of radios.

## Post Office Urges Early Mailing Of Christmas Cards And Packages

The Brownfield post office is facing the heaviest Christmas load of greeting cards and parcels in its history, according to Joe Shelton, acting postmaster.

With another Christmas season already under way, the post office is making an urgent appeal for early mailing, and is passing along a few words of advice. People who carelessly or improperly prepare their mailings or wait too long are inviting disappointment, Shelton said.

Out of state parcels should be mailed on the week beginning Monday, December 4th, and all Texas parcels should be in the mail the following week. The heaviest congestion at the parcel post windows occur from December 15 to 20. Be smart. Bring that load of parcels in before that time. Out of state Christmas cards should be on their way before December 15, and cards for local delivery should be in at least a week before Christmas.

Take a tip from your post office and:

1. Stock up right away, before the rush, on those TWO CENT stamps you will need later for unsealed greeting cards. It's

always advisable to use the three cent stamp on out of town cards, as they will be forwarded or returned if undelivered, if the envelope bears your return address.

2. Pack and tie securely. Use heavy cardboard boxes and tie with lots of heavy line. Never, never use shoe boxes, hat boxes, or similar material. Wrapping paper is not necessary on strong boxes. Never use flimsy paper that tears easily. Address plainly, on one side of parcel only, adding your return address. Parcels are not mailable without a return address. It's a good idea to put an address on a slip of paper inside the parcel. Pack fragile articles with lots of cushioning material, remembering that some of those parcels have to ride on the bottom of the stack and will have to support several hundred lbs. of weight. If you use an address label glued on, remember that it might come off; also write the address on the parcel, and it won't be a lost parcel. Insure valuable articles, but remember that the best insurance is in the way you prepare your packages.

3. Do not seal parcels, except for first class and registered mat-

Any erroneous reflection upon the standing of any individual, business or corporation will be gladly corrected if brought to the attention of the publishers.

Well, who in heck expected Phillip Murray not to be re-elected president? Or who expected that he would not accept when the offer was made as CIO president? Sorter like asking the Baron of Bonham if he was running for congress, or for speaker of the house.

By the way, the big boys in labor, seem to have lost their grip somewhat on the just dues paying boys in the union. Evidently they contributed their dollar to the political slush fund over the nation, then voted just as they pleased in the election. Even some of the closest organized union towns in the north went against the advise of the labor bosses.

While we are rearming and spending billions of dollars, and taxes are growing higher and higher, not to mention the cost of living, we believe citizens should let their congressmen know right off that they demand less foolish and useless spending.

Nothing we can think of is in need of support prices right now. Everything you eat, wear or use, is sky high and getting higher. There is absolutely no need to further buy up eggs, butter and potatoes to store away in a dry bin. This only runs the prices up higher to the consumer. Right now, the open market will care for all the support needed.

We see by the Fort Worth Star-Telegram that Editor Afton Richards of the Aspermont Star, is the fire department chief down in that burg, and that an oil boom has hit Aspermont with all four feet. These are duties along with getting out the Star and a Primitive Baptist publication.

We hope Afton and his force save all the lots, at least, and as many houses as possible. Some of these days when we pass through Aspermont on our way east, we're going to catch him out—as usual—and wear that big tin hat on to Tennessee.

Sometimes the police don't overlook the shortcomings of the higher ups and bigwigs at Washington. Last week, Mrs. Dennis Chavez, Sr., and her son, Dennis Jr., were both arrested for public drunkenness. Mrs. C. submitted and payed off, while the Junior elected to fight his case, as he was charged in addition to public drunkenness to DWI and that without a driver's license.

Senator Chavez, of New Mexico, was at the time on a sashay trip down in Central America. This column wouldn't know whether he was given too many Tom Collins or not.

The rats seem to be getting rough in Cowtown, especially in the area near the river where the floods beat down last spring. Some of these rats have been attacking children and biting them while they sleep, gnawing holes in floors for entrance.

This condition has been reported a time or two to city health authorities, but their seats evidently are too soft to leave, and nothing was done until the Star-Telegram came out with an article about conditions. The salary-slavers got awake long enough to say, "this is the first we have heard of the matter, and we'll make an investigation."

When a boy we used to hear our eldest brother, now deceased, remark: "He is not worth the powder and lead it would take to blow his brains out," in speaking of some trifling character in the community.

There seems to be a lot of that stripe still in existence.

Had a telephone call from Mrs. H. H. Rich down Wellman way recently. She wanted to talk with the "Oil Editor." Being assured that there was no such animal with this weekly sheet, she laughed and asked if this (the guy she was talking to) was Mr. Stricklin.

When she told us that she had read that we believed the trend of the Wellman oil field would drift south and east, and that the west offset of the discovery was a duster. Mrs. Rich then stated

that a driller had informed her that some kind of well would be made of the offset. That the drillers were under contract to go 12,000 feet. But they were to ease off back to the production they found around 10,000 feet.

Mrs. Rich agreed with us that she did not expect a very strong well out of this offset, and also that the trend of the field might be in the direction we stated last week. What an honor to be the "Oil Editor."

Now for just a bit of hot air and we are through with this tirade for the week ending December 2nd. Some columnist has stated that about the only unwrapped thing sold these days is a banana, and even it is unskinned.

Making a fast dollar never has intrigued us greatly. Takes too much energy, Hay, ho!

Waiting for the talk of the principal speaker at a banquet is not as boring as listening to the guy that takes 30 minutes of hawing and heming in the introduction.

Yeah, a lot of us were born on the wrong side of the tracks, and some of us should still be there, providing the people on the other side would put up with an ill-mannered stinker.

It is just as natural as falling off a log to ask the fellow we meet on the street, "what do you know?" "Pretty weather we are having?" etc. As if the other fellow didn't know it—or does he?

And that one about the failure of that popular, highly advertised patent medicine: "The 94 year old lady died after taking six bottles, but they saved the baby." Not altogether a failure after all.

### 400,000 OUTLETS SELL GAS

In addition to the 188,305 service stations which market gasoline, there are about 200,000 retail outlets for motor fuel in country stores, garages and similar establishments, it has been estimated. These assure drivers of the nation's 44 million motor vehicles a constant supply of motor fuel when they want it and where they want it.

## Win Watch Awards for 4-H Work

HANDSOME gold-filled watches were awarded club members for achieving highest rating in Texas for work in the 1950 national 4-H dairy achievement, frozen foods and leadership programs. A review of their records indicates they were active all-around 4-H'ers.

T. G. Herring, Jr. Achievement in dairy production and management has earned state honors for T. G. Herring, Jr., 19, of Crosbyton, in the 4-H Dairy Achievement program. Dairy practices and care of animals learned in the project have given him an understanding of the principles of sanitation and animal health. Young Herring also has learned the value of teamwork and sportsmanship. A 4-H'er for eight years, his unusual record includes 176 dairy exhibits and a substantial dairy income. Herring has won seven grand, eight junior, and five senior champion awards at three major shows, one of the second largest dairy shows in the world. He was high point man in dairy judging at the 4-H Club Round Up, 1950, and served as director of the Plainview Dairy shows for 1949 and 1950. Judges have named him Star Dairy Farmer of Texas, Southern Region. With two years' junior leader experience, young Herring now has part interest in his father's herd and helped to make his home a grade A dairy farm. Lederle Laboratories has provided his award.

There's no fuss or muss to serve a tasty meal on short notice in the Schmidt family of New Uim, since daughter Ruby, 15, has learned how to freeze all kinds of food. Proof that she did a first rate job is not only in the eating, but also in the fact that she won top state honors in the 4-H Frozen Foods program. The award, a handsome gold watch inscribed with her name, was presented by International Harvester, a club member for six years. Ruby is leader, has All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

Miss Curry has been a club member five years. With both her parents 4-H leaders, Carol can look back on a record of outstanding leadership herself. She has held all the offices of her 4-H Club at various times, and is now vice-chairman of her County 4-H Committee. Her leadership qualities were recognized when she was sent to the State 4-H Leadership Laboratory during 1950. A handsome gold watch appropriately inscribed was presented to each by Edward Foss Wilson, president of for six years. Ruby is leader, has

Mr. and Mrs. J. C. Jones are in Oklahoma City on business this week.

## G. I. QUESTIONS and ANSWERS

Q. My uncle, a World War II veteran, died in 1947, leaving my aunt a \$10,000 GI insurance policy paid in a lump sum. The policy also listed two contingent beneficiaries. My aunt died in 1949, before receiving the special NSLI dividend. To whom will the dividend be paid?

A. The dividend will be paid to your aunt's estate, and not to the contingent beneficiaries. When your uncle died, your aunt was vested with the right to all benefits of the policy, including the dividend—thus precluding the possibility of the dividend going to the contingent beneficiaries.

Q. I was in the army for only two months, when I was discharged for a service-connected disability. Am I eligible for VA hospital care?

A. Yes. Apply to the nearest VA regional office. Q. I am an ex-WAVE, in need of hospitalization for a nonservice-connected ailment. There are no beds available for me at the VA hospital near my home, and my physician says I am in no condition to travel long distances to another VA hospital. What can I do?

A. Contact your VA regional

## SUBMARINE MOUNTAINS FOUND

La Jolla (AP) A big mountain range under water in mid-Pacific has been found by a U. S. Navy-University of California expedition. It extends from Wake Island to Necker Island and is 1,000 miles long, 100 miles wide and 14,000 feet high.

Coral was dredged up from tops of the range at a 6,000 feet depth. Since coral grows only above 200 feet, it is assumed that the tops of the range were once above water.

The National Geographic Society says the atmosphere is so thin in Tibet's uplands that rocks get scorching hot in the sun while nearby shaded areas are freezing cold.

office. VA may authorize treatment for women war veterans in a private hospital without regard to service connection, if beds are not available in a VA hospital.

Q. Should a claim for disability compensation ever be filed by a veteran with a dishonorable discharge?

A. A veteran always has the privilege of filing a claim. In this case, to show entitlement, he would have to prove he was insane at the time he committed the act for which he was discharged dishonorably.

## Coffee Honored Mrs. Lahouricade

Mrs. John Lahouricade was complimented with a farewell coffee, given in the home of Mrs. Jim Finley, front 9 a.m. until 11 a.m. November 22. Co-hostesses were Mesdames Royal Klotfanda, Phil Gaasch, and J. T. Hoy.

Yellow chrysanthemums formed the centerpiece of the coffee table, and Mrs. Hoy and Mrs. Gaasch served rolls and coffee. About 25 guests called.

The hostess presented the honoree a lazy Susan as a farewell gift. Mr. and Mrs. Lahouricade, moved, to San Antonio, this week.

## FIRST BAPTIST CHURCH ANNOUNCES SERMON TOPICS

"Therefore They Went," will be the topic of the sermon to be given by Rev. Fred Stumpp, minister of the First Baptist church, Sunday morning, December 3.

The evening sermon topic, is "Whoever Shall Call."

## Womens Club To Sponsor Show

A "Welcome to Hollywood" show will be presented by the Alpha Delta Chapter of Beta Sigma Phi at 10 a.m. December 16 at the Lindsey theatre in Lubbock, with proceeds going to Girlstown, USA, near Whiteface, Tex.

The show will be patterned after the show of the same name conducted by Jack McIlroy in Hollywood, Calif. There will be orchids, the wishing ring, the good neighbor award, the "Thought For A Day," eldest guest, and other features, including prizes and surprises.

Letters of nomination for the good neighbor award and letters expressing the thought for a day may be mailed to Box 203 in Lubbock.

Tickets will be sold at the box office the morning of the show.

Mr. and Mrs. J. D. Mashburn and children of Stanton visited Mr. and Mrs. Bill Dugger Sunday.

## Shower Honored Miss Bradley

Miss Wynona Bradley, bride-elect of Doyle Lawrence, was complimented with a personal shower, given in the home of Mrs. C. L. Holloway, on November 10. Co-hostesses were Mesdames Cleon L. Jones, Harry W. Davis and Lloyd O. Turner.

Mrs. Holloway greeted guests at the door and presented them to the honoree and her mother, Mrs. E. Bradley. Miss Peggy Bradley, sister of the bride-elect, registered guests.

Laid with a lace cloth over green, the refreshment table featured a centerpiece of a miniature clothesline hung with miniature lingerie. The line was attached to four chaise longue, and swung over an arrangement of yellow baby mums. Carrying out the bride's chosen colors of gold and chaise longue were also carried out in satin streamers, fanning out from the centerpiece to the edges of the tables, lettered with "December 3—Nona and Doyle."

Mrs. Jones, Mrs. Davis, and Mrs. Turner served lime punch and individual cakes, nuts, and mints, to approximately 25 guests. Mrs. Holloway displayed the gifts.

## Dixons Celebrated 60th Anniversary

MR. AND MRS. S. J. DIXON

A number of friends and relatives gathered at the home of Mr. and Mrs. S. J. Dixon, 111 E. First Avenue, Hot Springs, N.M., to celebrate their 60th wedding anniversary.

S. J. Dixon and Miss Allie Wright were married at the bride's home in Young County, Texas, November 9, 1890. They resided in Texas until November, 1947, when they bought a home and moved to Hot Springs, where they still reside. They were ranchers in Yoakum county until 1906.

The Dixons have one daughter, Muriel, who is Mrs. W. B. Tudor of Brownfield. Mr. and Mrs. Tudor attended the celebration. The evening was spent in playing dominoes. Mrs. Dixon served refreshments of angel food cake and coffee.

Out of town guests, other than Mr. and Mrs. Tudor, included Mrs. R. M. Kendrick, Sr., of Brownfield. The honorees received many beautiful gifts.

## Members Making Christmas Plans

The Womens Service Guild of the First Presbyterian church met in the home of Mrs. R. E. Klotfanda at 2:30 p.m. Monday, December 27.

Plans were made to collect and mail a package of clothing and food to a German family in the British occupied zone in Germany, which the guild has adopted. The family includes two boys, ages eight and four years, and a girl, age five years. Packages of food and clothing are sent to the family several times each year by the members.

For their Christmas giving project, members planned to collect school materials, such as notebooks, pencils, pens, etc., and athletic equipment to be sent to a Presbyterian ministerial school in occupied Germany. The ministerial students have no athletic equipment and very few school supplies.

Mrs. A. M. Muldrow gave the lesson, which was Advent Tryst. Spice cake and coffee were served to Mesdames John King, James King, Muldrow, W. B. Brown, Phil Gaasch, J. M. Teague, Frank Wier, and two visitors, Mrs. Weidman and Mrs. Russell Stephens.

## ENTERTAINED WITH THANKSGIVING DINNER

Mr. and Mrs. G. I. Sims entertained his brothers and sisters with a Thanksgiving dinner last Thursday.

Present were his sister, Mrs. Cleo Brown of Houston, his brother, Lloyd Sims and family of El Paso; his sister, Mrs. S. L. Cook, and family of Amarillo; his sister, Mrs. C. F. Liles, and daughter of Odessa; and another sister, Mrs. Mike Blair, Mr. Blair, and their daughter, Mrs. Nathan Brown and Mr. Brown.

Mrs. James H. Dallas and Carole, spent the Thanksgiving holidays in San Antonio with Mrs. Dallas' sister, Mrs. John Murchison, and mother, Mrs. John G. Butler.

Mr. and Mrs. Doyle T. Clark and children of San Angelo were weekend guests of Mr. and Mrs. Pete Lackey.

Mrs. Gesta Spencer and Mrs. J. L. Randal visited in San Antonio over the Thanksgiving holidays with Mrs. S. P. Coffey.

## Miscellaneous Bridal Shower Honored Miss Wynona Bradley

Complimenting Miss Wynona Bradley bride-elect of Doyle Lawrence, a miscellaneous bridal shower was given in the home of Mrs. Leonard Lang November 22.

Co-hostesses were Mesdames Roy Collier, L. M. Pate, L. B. Forbus, Scott Dalton, Shirley Moore and Patsy Whisenant.

Mrs. Lang greeted guests at the door and presented them to the honoree and her mother, Mrs. Earl Bradley, and her sister, Miss Rudell Bradley.

All colors and flowers were used in decorations throughout the house. Yellow mums flanked a miniature bridal couple set on the mantle. Twenty-five guests registered at a table covered with white satin, with an oyrskirt of white net with a green and yellow net rufflet.

The refreshment table was covered with yellow net and was decorated with a manzanita tree set in a brown leaf-shaped bowl. At one end of the table, three tall green tapers were set in a field of gold leaves, which trailed down the sides of the cloth. Satin streamers emerged from behind the tapers, and were lettered in gold with the name of the future bridal couple. Spiced tea was served from a golden service.

## CLUB MEMBERS PLANNING PARTY

Plans for their annual Christmas party were discussed by members of the Pleasure Bridge Club Wednesday evening when they met at the Esquire Restaurant. Mrs. George Germany was hostess.

Pie and coffee were served to Mesdames Ted Hardy, Jack Hamilton, Lee Brownfield, Grady Goodpasture, Clyde Truly, Walter Hord, Mike Barrett, J. L. Cruce, J. T. Bowman, Bill Anderson and Joe Shelton.

High scorer was Mrs. Hamilton, and Mrs. Goodpasture was second high. High cuts went to Mrs. Shelton, Mrs. Goodpasture and Mrs. Hord.

## THANKSGIVING GUESTS

Guests of Mr. and Mrs. Dick Falls for Thanksgiving dinner November 23 were Mr. and Mrs. F. L. Hunter and daughters Mary Beth and Freddie Lou; Mr. and Mrs. H. H. (Bud) Patterson, Buddy, Jr., Carol ann and Linda Kay; Mr. and Mrs. Charles Yoast and Joyce; and Mrs. Minnie E. Patterson.

Guests in the Frank Wier home over the Thanksgiving weekend was Jack Gibson of Austin, former resident of Brownfield and a page

## PARTY HONORED DOUGIE MASON

Mrs. N. L. Mason honored her son, Dougie, on his eighth birthday day with a theatre party November 24.

A picnic supper was served to Pat and Mike Hamilton, Jimmy Hackney, Bernice Green, Tommy Dee Hardy, Richard Collins, Gene Case, Jerry Don Huckabee, Gene Mason and the honoree. Favors of ping pong paddles and balls were given each guest.

## ENTERTAINED WITH THANKSGIVING DINNER

Mr. and Mrs. Vic Atwood entertained with a Thanksgiving dinner at their home last Thursday.

Guests included Mr. and Mrs. Amos A. Eggen, Mr. and Mrs. Thurman Pickett and Judy, Jewell and Jimmy Pickett, Mr. and Mrs. Ed Richardson and J. W. and Bobby Nell Richardson, and Mr. and Mrs. Atwood and David Atwood.

BROWNFIELD, TEXAS

## MANY ATTEND ZONE MEETING

About 100 teachers from Baptist churches in Lamesa, Seagraves, Seminole, Tahoka, Colorado City, O'Donnell, Lubbock, Gomez, Plains and the three local churches, attended an all day meeting of elementary Sunday school workers at the First Baptist church in Brownfield Monday.

The sessions featured denominational speakers, instruction in methods of teaching children, colored movie slides, and discussions of equipment for working with the elementary group.

## CLUB MET WITH MRS. COLLINS

Mrs. Wilson Collins was hostess when Las Amigas bridge club met in her home the afternoon of November 22.

Creamed turkey, fruit cake and coffee was served to Mesdames Gordon Richardson, Frank Ballard, Burton Hackney, K. L. Watkins, Ike Bailey, A. M. Muldrow, Joe McGowan Jack Hamilton, O. L. Stice, Jack Cleveland, A. G. Morarity and R. L. Bowers. Mrs. Watkins scored high, and Mrs. Bowers was second high. Mrs. Muldrow and Mrs. Stice binged.

Mr. and Mrs. R. D. Shewmake visited in San Antonio last week.

## Recent Newlyweds Will Live In City

Miss Altie Marie Moore, daughter of Mr. and Mrs. Lee Moore of Stamford, and Howard L. Graham, son of Mr. and Mrs. C. H. Graham of Electra, were married in the Plainview Baptist church near Stamford November 26.

Rev. W. M. McFarland of Lubbock performed the double ring ceremony before an altar decorated with baskets of pastel gladiolus. Miss June Ellis, pianist, played "The Lord's Prayer" and accompanied Miss Lu Jean King when she sang "Because."

A reception was held in the home of the bride's parents following the ceremony. Mrs. Homer A. Manning of Lubbock and Mrs. Floyd Lumpkin of Aspermont presided at the serving table.

For a wedding trip, Mrs. Graham wore a navy suit with red accessories.

The couple is at home in Brownfield, where he is employed with Standard Oil company.

## MEADOW NEWS

Mr. and Mrs. Oscar Burns of Mineral Wells visited Mr. and Mrs. J. H. Gober and family on Sunday.

# Thanks, Friends!

Five years ago today, December 1, we leased the Brownfield Coffee Shop, which is now managed by Jack Slatter, and recently we leased the Esquire Restaurant, which we operate.

Since we have operated these two businesses, you have been good and faithful customers.

Therefore, we, along with Jack Slatter and the remainder of the personnel in our restaurants, want to thank you for your patronage and hope that we may continue to serve you.

Tess and Norma Fulfer

Brownfield Coffee Shop and Esquire Restaurant

## Record Year Reported By Cancer Group

San Antonio—Cancer control in Texas received its greatest boost during 1950, reports of county units of the American Cancer Society in Texas showed Wednesday, as Cancer Society delegates met in San Antonio for their fifth annual state meeting.

If the amount of literature, exhibits, club programs and the like is any indication, more than one million Texans received the American Cancer Society's message of cancer control during the past year. Mrs. Joseph M. Perkins of Eastland, state commander of the American Cancer Society, Texas Division, reported that 1,252 club programs and movie showings on cancer were held by county volunteer workers. A total of 431,089 pieces of educational literature were distributed through club meetings, county fair exhibits, and a mailing arrangement whereby anyone can just address a request to "Cancer, Care of Postmaster." This was in addition to more than one million pamphlets circulated during the annual Texas Cancer Crusade in April.

In discussing achievements at the formal business session Wednesday, Frank C. Smith of Houston, President of the Texas Division, reminded that when the Texas Division was established in 1946 there were only five clinics in Texas prepared to properly diagnose cancer. Today there are 28.

"Today there are 12 full time cancer information centers in the state, established and maintained by county units of the American Cancer Society," he added.

### MELVIN MOTE RECALLED TO ACTIVE DUTY

Maxwell Air Base, Ala., Nov. 21—Pfc. Melvin W. Mote, of Brownfield, Texas, has been recalled to active duty with the Air Force for a one year period.

Private Mote has been assigned to Shaw AFB, S. C. He is the son of Mr. and Mrs. C. L. Mote of Brownfield, and he is a graduate of Brownfield high school.

He entered the service for the first time June 21, 1949.

## PLAINS NEWS

Mr. and Mrs. L. D. Smith were in Lubbock Saturday.

Mr. and Mrs. Jim Storey spent the week end in Lubbock visiting Mrs. Storey's mother, Mrs. Miller McLaren.

Harold Forrest, Tech student, spent the Thanksgiving holiday with his mother, Mrs. Sallie Forrest.

Mrs. W. H. Hague and Mr. and Mrs. Odie Leek spent Thanksgiving in Dallas, visiting Mrs. Hague's daughter and family.

Mr. and Mrs. Troy Smith and daughter from Lubbock spent Sunday with his mother, Mrs. Cecil Courtney, and Mr. Courtney.

Mrs. S. F. Pride and Tommie spent the week end in Seymour with Mrs. Pride's daughter and family.

Suppt. and Mrs. James H. Ellis visited Mrs. Ellis' mother in Lubbock during the week end.

Mr. and Mrs. Lon Estes from Lamesa visited in the Robertson and L' homes over the week end.

Visitors in the home of their parents, Mr. and Mrs. J. H. Morris, Thanksgiving were Mr. and Mrs. Buck Morris and children.

Mr. and Mrs. LaManse and Aaron Morris from Odessa, and Mr. and Mrs. Stanford Webber of Ralls.

Mr. and Mrs. Elton Brookart from Kermit spent the Thanksgiving holidays with her mother, Mrs. Ruth O'Neal.

Laurance Ellis who is a student at Baylor U. is visiting her mother, Mrs. Thelma Ellis.

Junior Rushing and Bob McCargo, students in Sul Ross, and Helen and Payne and Virginia Price, students at Tech, spent the Thanksgiving holidays with homefolks.

Mrs. Elmer Cross and Mrs. Carl Rushing were Lubbock shoppers Saturday.

Mrs. Bernice Huckabee and Mrs. Virgil Bynum visited friends in Lubbock Sunday.

Squadron began operation at Maxwell October 25th. Designed to provide in-processing for recalled airmen and officer reservists, the squadron is commanded by Lt. Col. Samuel S. Riddle, Jr.

## Behind The Scenes

BY REYNOLDS KNIGHT

New York, Nov. 27—To the average business man the highly touted rearmament program seems to be moving at a snail's pace. That's because it takes time to get industry's wheels rolling in a new direction no matter how many billions may be appropriated for the purpose. It may be recalled that in preparation for World War II, the first big appropriations by Congress were made in May, 1940, after Hitler overran France. But it was not until mid-1942, two years later, that the war production assembly lines began running in earnest. The interim was devoted to establishment of the government agencies necessary to direct the effort, issuance of controls and regulations by them in order to assure materials, plant capacity and manpower, decisions by the Armed Forces as to types and quantities of war weapons they wanted, and finally to the inevitable period of "tooling up" that's always required in mass production industry.

One of the few instances where assembly lines already are rolling and production is mounting daily is at the Willys-Overland plant in Toledo, Ohio. This is the home of the "mighty Jeep," the one weapon of World War II whose production wasn't abandoned after V-J Day. The company made a civilian adaptation, called the Universal Jeep, and did a land office business throughout rural America and in many foreign countries—places where four-wheel drive "footing" on a motor vehicle is a big asset. The army turned to Willys-Overland early in the Korean affair, orders for close to 30,000 Jeeps have been placed so far, and the company, with both military and civilian Jeeps, station wagons and light trucks sandwiched in on the same assembly line has had a sustained rate of production since June, with no let-up indicated for the coming year.

Prices of farm products also will be higher. Retail prices for food will probably hit an all time top in mid-1951 and government price supports will probably be five per cent higher on the average next year as compared with 1950. All this prosperity will have the effect of lifting the price for U. S. farms to record peaks.

Predictions that farm values will soar next year represent the composite opinion of Federal and state farm officials who meet annually to discuss the outlook with the Department of Agriculture. Together with government banking authorities, these groups pool their respective information once a year and arrive at conclusions about the future. Only poor growing weather could mar the picture and prevent the setting up of numerous high farm prosperity records, this group says.

From Eggs to Chickens

The meat chicken business, recently a small, backyard pastime for American farmers, has grown into a billion dollar bonanza.

The growth has come mainly during the last five years. Previously, poultry producers concentrated on high egg production. Meat birds for the dinner table generally were overlooked. Fifteen years ago, only five per cent of the poultry produced commercially was for meat. Today, more than 30 per cent is destined for the platter.

Large producing centers have grown up almost overnight. Sections like the Del-Mar-Var peninsula, the Eastern shore meeting place of Delaware, Maryland and Virginia; north Georgia, and northwest Arkansas are producing millions of dollars worth of meat chickens annually. Their climate and geographic resources make them ideal for year-round production, so that the "spring chicken" is now a thing of the past.

Poultry industry leaders attribute the growth of the poultry meat business to the nation-wide Chicken-of-Tomorrow program.

New York—If you are aiming to do business with the farmer in 1951 you'll probably do well. An inside estimate is that farm output next year, assuming normal weather, will show an increase

## There Was Really No Strike Here

It began to be rumored on the streets here last week that there was a strike of brick masons on the new Piggly Wiggly building at Hill and Fifth. We later learned that the regular crew was still on the job. Here is what really happened, according to a fairly reliable source:

The contractors were desirous of running up the walls as fast as possible before the advent of so much cold weather. So, during the weekend Thanksgiving holidays, some extra masons were brought down from Lubbock.

But the boss of the union heard about the matter and came down and ordered the extra men off the job. No overtime, he said.

## To U. S. Chamber of Commerce Presidents

Puerto Rico has experienced the last few days a short period of terror of the communist style and probably inspired by communist designs. We have witnessed street shootings, prison uprisings and rioting in small scale. These shameful events have brought grief and have caused deep concern to every loyal Puerto Rican.

Your local press may have given a distorted version of these events. They may have been labeled as "Revolutionary" or as a political uprising. This is far from being a true picture of the situation.

The government of Puerto Rico is generally democratic; a gov-

ernment elected by the people with their votes at a democratic election with political rights fully guaranteed to all. Because of these circumstances, the citizens of Puerto Rico, who are at the same time citizens of the United States, enjoy the benefits of freedom as do the citizens of all democratic countries.

The unfortunate events of the last few days are the work of misled fanatics of an ill-assorted group of irresponsible individuals, moved by a misconception of ideals. Their kind is limited to a minority of 500 to 1000 individuals out of a population of over two million peaceful, law abiding citizens. Many of them have already paid with their lives for their mistaken ideal of liberty.

In justice to all Puerto Ricans, it is our earnest desire to convey to you a true picture of the situation, and we sincerely request your cooperation in passing on the information to your friends, and all other chambers, associations and similar institutions with whom you are affiliated and also give it as much publicity as possible in your various publications, hoping that by doing so you will be rendering a valuable service to a people who under no circumstances should have thrust upon them the indignity of the acts of irresponsible individuals.

Commerce and industry have not suffered in the least as a consequence of these acts. There have been no interruption of trade.

## Union Classes Will Sponsor Quartet

Members of the Union High School Homemaking class will sponsor "Pop" Echols and his Morton Melody Boys at 7 p. m. December 11 in the Union gym.

Admission to the show will be 50 cents and 25 cents. The public is cordially invited to attend. Proceeds from sale of tickets to the show will go toward purchasing a new electric sewing machine to be used by the class.

Sincerely yours,  
Fernando Rodriguez, President,  
Puerto Rico Chamber of Commerce.

## HERE'S ANOTHER

Lamesa, Texas  
Chamber of Commerce  
Brownfield, Texas

Dear Sir:  
Recently when you had your Harvest Queen Festival here in Brownfield, I bought 40 tickets to assist my good friend John Portwood, your local Ford dealer's daughter trying to be Harvest Queen, with no thought in mind in trying to win any prizes.

However, I did receive from you a \$10.00 merchandise certificate from the Fabric Mart and \$50.00 merchandise certificate from the St. Clair Variety Store, and to our complete amazement when we went to declare this merchandise each of these establishments seemed to be extremely happy that we had come to receive this merchandise and could not have treated us nicer had we paid double the price for the merchandise. This we thought extremely unusual and that these places should be commended for the spirit that they took in assisting you in this festival.

Although we are very cheery here in Lamesa thinking we have a better town than Brownfield, I can assure you that we have no merchant in town, including myself, that would have been as nice to anyone winning merchandise under these circumstances as these two firms were to us.

Power to the Harvest Festival.

## FIGHTING COCKS WORRY SINGAPORE

Singapore (P)—Smuggling of fighting cocks from Siam into Singapore is the latest headache of the Customs Department here. Cockfighting is illegal here. These Siamese death-dealing cocks, some standing nearly two feet high, with iridescent green, black and bronze plumage, may introduce poultry disease and the bloody sport here, the customs fear.

A. T. Fowler and family of Dalhart spent the Thanksgiving holidays with his parents, Mr. and Mrs. Arch Fowler.

Mrs. Ted Cole of Benomont attended the funeral of Miss Ella Howard and visited her parents, Mr. and Mrs. Lence Price, over the week end.

Earl Bradley, Wynona Bradley, Peggy Bradley, Doyle Lawrence and Travis Swink spent Thanksgiving in El Paso and Juarez.

Mr. and Mrs. L. R. Pounds and Mr. and Mrs. E. B. McBurnett, Sr. and Ann, spent Thanksgiving in Lubbock with the McBurnett's daughter, Mrs. Voris Myatt.

Yours very truly,  
J. D. McPhaul  
McPhaul Motor Co.

## How can you pass up our prices?

As we've been saying for quite a spell— "Whatever your price range—Better buy Buick."

But maybe we'd better get down to brass tacks, as to just what this suggestion means. In the lower-price field, this has been happening:

Four out of ten Buick SPECIALS—bought by people with a car to trade in—have been bought by folks who formerly drove one of the so-called "low-priced three." They found they could afford a Buick!

In the fine-car field, something even more impressive has happened:

Four out of five people who looked at a ROADMASTER and another very distinguished automobile decided in favor of ROADMASTER!

So—whatever your price range, take a look at our prices—and at what you get for your money.

What you get is the thrill of owning the greatest Buick of all time—as registered by record-breaking sales.

What you get is power and style and comfort and performance that are hard to match in any other automobile.

More specifically—you get the power-with-thrift of Buick's famous Fireball high-compression engine—a style that stands out in any company—a ride with the comfort of coil springs on every wheel—and performance that makes you feel like the head man on any highway.

Better come in today—and see what can be done about getting quick delivery.

Only BUICK has  
**Dynaflow drive\***  
and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

\*Standard on ROADMASTER, optional on extra cost on SUPER and SPECIAL models.

YOUR KEY TO GREATER VALUE

# C. L. Cunningham Co.

THESE ARE PICTURES OF SOME OF THE MANY DIFFERENT HOMES THAT WE HAVE ALREADY BUILT

Dec. 1, 1950

Dear Friends:

It is indeed a pleasure to announce that we have purchased 34 lots in the beautiful Oak Grove Addition as a start toward the development of a 350-housing unit to complete the addition and are going to build modern two-bedroom houses, with garages attached, on these lots. We have already received FHA and GI loan commitments on these houses.

We are no stranger to Brownfield or to the building business. We have done business with the Brownfield State Bank and Trust Co. the past six years, and we have been building during the past 20 years.

We feel that we should tell you some of our past building accomplishments. We built more houses in Midland last year than any other individual contractor. At the present time, we have \$800,000 worth of building in progress. When these 34 houses are completed, we plan to continue the expansion of Oak Grove Addition if the demand is sufficient.

We have purchased the Jeter Lumber Co. in order to have that convenience for the building program, as well as having a place for retail business.

For further information, call at Bill McKinney's Insurance Agency, which is handling the exclusive sale of these houses. If you act at once, you will have a choice of location, floor plan and colors.

Sincerely yours,  
C. L. CUNNINGHAM,  
Contractor.

## Another Step Forward....

The opening of the Oak Grove Addition to the City of Brownfield by Mr. W. T. McKinney and the beginning of construction on 34 houses by Mr. C. L. Cunningham is indeed a big step forward in the rapid growth of the queen city of Brownfield. But these are only the beginning, the Oak Grove Addition contains over 350 choice building lots, and building will extend to them as the demand arises.

## Destined to be Brownfield's Finest....

The Oak Grove Addition with its many attractive and unusual features is indeed destined to be Brownfield's finest medium priced residential development. Its winding streets will have paving, curbs, and gutters. Three park sites have been dedicated and will be maintained by the city. The location is ideal, being close to churches, schools, and business districts, yet far enough removed from heavy traffic and obnoxious noises and odors. The entire tract is zoned to offer maximum protection to those who buy their home here.

## And We Are Proud....

Yes, we are very proud that we have been asked to participate in this new development. We have been chosen to handle the financing of these houses. Purchase of these houses may be financed by either FHA or G.I. Loans in the maximum amount permitted by Regulation X. The service we are rendering in this connection is one of the many which we render that has made us Brownfield's leading Bank since 1950.

**Brownfield State Bank  
and Trust Company**

"Over 45 Years of Continuous Service"

**Service Office News**  
C. L. LINCOLN

**Terry County Service Officer Down Payments And Mortgage Credit On Homes**

A joint announcement by the Federal Reserve Board, the Housing and Home Finance Agency the Veterans Administration, and the Department of Agriculture, contained in Regulation X has established the amount of down payment on new homes for veterans and non-veterans, established the maximum period of loan, and the maximum amount of loan.

The new regulations do not apply to non-government aided loans on construction begun before noon of August 3, 1950, nor to loan commitments made prior to the effective date of regulations, which is October 12, 1950. Regulations do not apply to apartment buildings on-store or factory construction.

Mortgages must be paid off within a 20-year period, instead of 25 or 30-years, which is provided in some cases at the present time. Only homes costing \$7,000 or less may be paid off in 25 years. The down payments and maximum permissible loan is the same for non-government loans and Federal Housing Administration insured loans. The following is the maximum amount of permissible home loans under the regulations:

On properties having a value of \$2,500 but not more than \$5,000—permissible outstanding credit, 90 per cent of the value.

More than \$5,000 but not more than \$9,000—\$4,500 plus 65 per cent of value over \$5,000.

More than \$9,000 but not more than \$15,000—\$7,500 plus 60 per cent of value over \$9,000.

More than \$15,000 but not more than \$20,000—\$10,500 plus 20 per cent of the excess of value over

\$15,000. More than \$20,000—\$11,700 plus 10 per cent of value over \$20,000, but not less than 50 per cent of value.

**GI Overpayments To Be Collected From Schools**

The VA has set up machinery they will use in recovering "Subsistence Allowance overpayments from schools" which willfully or negligently fail to report veteran students' excessive absences, drop-outs or interruptions of training.

The machinery, authorized by Public Law 610, applies only in those cases where willful or negligent failure to inform the VA entered the picture at any time after July 13, 1950, effective date of the law. In all other cases, according to the VA, veterans still can be held liable for subsistence overpayments which they receive for periods when they should have been cut off GI training rolls.

The fact of a school's willful or negligent failure to report has to be proved at a hearing before a VA Committee on Waivers before the VA can take action to recover the overpayment from the school. Once the fact has been established, the VA can recover the money by (1) offset from amounts otherwise due the school, or (2) direct collection from the school.

An example given by the VA where the new machinery might work is where a school with a record of repeated failures to furnish information or otherwise comply with the VA regulations, again allegedly failed to report a veteran's excessive absences, discontinuances or interruptions—but first, of course, the school would have a chance to be heard before the Committee on Waivers under the law, if a veteran refunds to the VA a subsistence overpayment after the VA has recovered that amount from a

school, the VA would be required to return the amount of overpayment.

**Deferment-Delays**

Question: To whom does a man send this application for a deferment from a call to active duty?

Answer: In order to speed up the procedure he should communicate with the commander of the Military District or of the Naval District, and a member of the National Guard should submit his application to his unit commander who will forward it to the State Adjutant General.

**MEADOW NEWS**

Mr. and Mrs. Fred Ford, Mrs. R. L. Brown and Miss Mary Guber of Lubbock visited in the home of Mr. and Mrs. J. H. Guber Sunday.

Mr. and Mrs. Garland Peek of New Home visited Mr. and Mrs. J. E. Peek Thursday.

Meadow defeated Sundown in football 30 to 0 last Friday night. Mr. Leon Daffell was in Hereford on business Tuesday.

**HONESTY WINS SUSPENSION**  
Bakersfield, Calif. (AP)—The judge suspended hunter Pete Olivetti's 90-day jail sentence for shooting an illegal spike buck "in view of your honesty."

Olivetti turned himself in to game wardens and pleaded guilty. His excuse: "St thought it was a legal animal."

**RED PAPERS BANNED AS WRAPPING**

Berlin (AP)—East German Communists started selling their newspapers to West Berlin grocers and fish stores as wrapping paper to get around the western ban on their circulation.

The West Berlin city government has now asked food dealers to shun this source of paper.

### Cities To Study Traffic Problems

Citizens of Lubbock will have a definite part in solving traffic problems of that city when the Citizens' Traffic Commission begins its functions.

The commission is expected to slash accidents and traffic problems to a minimum.

Initial steps to organize the commission were taken last week when approximately 250 Lubbock and South Plains residents met with high ranking officials of the Dallas Traffic Safety Commission.

The next important step in forming the commission in Lubbock will be a meeting of a nominating committee headed by Dr. E. N. Jones, vice president of Texas Technological College, to propose an executive committee for the commission. The executive board, probably five in number, will head the Lubbock Commission and appoint the membership of about 75 citizens. Composing it will be representatives from numerous organizations— civic clubs, school and parent-teachers organizations, patriotic orders, labor unions, women's clubs, the city and county governments, and numerous others.

In addition, several hundred Lubbock citizens will be drafted into service on numerous occasions to study specific traffic problems and to make appropriate recommendations for their solution.

The leaders of the Dallas commission, a similar organization to the one Lubbock will have, expressed high hopes for the success of the Lubbock Citizens Traf-

fic Commission, and commented on the unusual enthusiasm demonstrated by the participating citizens.

Indications that other South Plains towns are also interested in forming similar traffic safety organizations was made apparent by the large number of out of town visitors at the first meeting of the Lubbock commission. Other cities represented at the meeting included Amarillo, Floydada, Pampa, Borger, Plainview, Littlefield, Levelland, Brownfield, Tahoka, Lamesa and Slaton.

#### U. S. CARBINES AID BRITISH

Singapore (AP)—British troops and security forces are using American carbines in their jungle war against Communists in Malaya.

The British bought the arms in the United States in a cash deal, but more substantial military aid may soon be forthcoming if the United States grants a British appeal for \$5,000,000 to buy equipment. British officers regard the American carbine as an "A-1 weapon" in the battle against terrorists.

The automatic carbines are equipped with magazines of 15 or 30 rounds of 30 calibre bullets. In addition to lightness, the barrels of the carbines are short, a decided asset for soldiers and police who often have to hack their way into jungle lairs of Communists.

The Jesuits are said to have perfected cultivation in Paraguay of the yerba mate, from which the drink yerba mate is made.

Herald classifieds bring results!

### To Accommodate The Christmas Shoppers

We are informed this week that on account of the anticipated heavy shopping from now until Christmas, the retail dry goods, variety stores and others, such as drug stores who handle Christmas gift merchandise, will remain open on Saturday nights until 9 o'clock.

This will include the coming Saturday night, December 2, as well as the 9th, 16th, and 23rd. Christmas comes on Monday this year. This will give the shopper who has to work during the daylight hours several hours additional each week to do their Christmas shopping.

### Board Throws Out Duval County Vote

We would advise those who have plenty time in daylight hours to do their shopping, to do so, leaving those three or four additional hours each week to the working people.

In this connection, let us stress again as we have done many times previously. Let the town ladies do their grocery shopping Friday, or very early Saturday morning in order that rural people may have a better show to shop without being crowded.

There's no necessity for those living in town to put their grocery buying off until Saturday afternoons.

### GOMEZ GOSSIP

Mr. and Mrs. Raymond Wiggins and daughter spent the weekend visiting his parents, Mr. and Mrs. C. L. Wiggins, at Lamesa.

Rev. and Mrs. T. L. Nipp and sons, Tommy and Billy, moved into the parsonage last week and he assumed his duties as pastor of the Gomez Baptist church. They also have a daughter, Miss Joan Nipp, a student at Hardin Simmons University.

Mr. and Mrs. Garvin Smyrl and children and Billy Wiggins spent the weekend in Hot Springs, New Mexico.

A very large crowd attended the Training Union Social held at Gomez Baptist church Tuesday night. Refreshments of hot chocolate and cake were served.

Mr. and Mrs. G. I. Kempson had as their guests during the holiday weekend their daughter, Miss Ruby Kempson of Morton; their sons, J. B. of Morton, Norris (Lefty) of Portales, N. M., and Mr. and Mrs. Tommie Slover and daughter and Mrs. C. W. Waters, all of Brownfield.

Mr. and Mrs. A. V. Britton and children spent Thanksgiving with her parents, Mr. and Mrs. F. L. Curry, of Wolfarth.

Mr. and Mrs. Oscar Carter and daughter and Mr. and Mrs. Max Paris, all of Lubbock, spent Thanksgiving in the home of their parents, Mr. and Mrs. Gordon

### WELLMAN STUDENT COUNCIL AT MEET

The Wellman High School student council was well represented at the student council meeting held in the Lubbock high school Monday, November 27.

Members from Wellman who attended were student council president Gene Foust, vice president J. W. Hawkins, treasurer Patsy Herman, reporter Dorothy Holloway, and representative Mary Jo Caldwell, James Willis, Max Elliott, Margie Graham, Robbie Curry, Conrad Cade and Esta Fay Beavers.

Members of the supreme court who attended were Ruth Livesay, Joe Bevers, Mr. H. B. Baldwin, and Miss Willie Mae Hines.

With information received at the meeting, Wellman members hope to have a better and more complete student government.

### MINISTER NAMED TO STATE BOARD

Fred Stumpp, minister of the First Baptist church of Brownfield, received word this week that he had been named as a member of the appropriations committee of the state board of the Texas Baptist General Convention.

The Rev. Stumpp flew to Dallas Thursday to attend a meeting of the committee. He returned home by plane Thursday night.

### CARD OF THANKS

We wish to take this means of thanking everyone for their lovely floral offerings, and their many other deeds of kindness and sympathy during the illness and the death of our loved one.

T. L. LOWE & FAMILY

### CARD OF THANKS

We wish to take this means of thanking each of you for the food, the floral offerings, and the many acts of kindness and sympathy extended during the illness and at the death of our loved one.

THE FAMILY OF MISS ELLA HOWARD

### YOKUM ELECTION HELD NOVEMBER 21

W. M. Overton, secretary of the Yoakum Production and Marketing Administration, announced this week the results of the 1951 committee election held November 21.

Newly elected members are W. L. Hibbits, county committee chairman; C. L. Schmitz, vice chairman; M. W. Luna, county committee member; R. M. McSwain, first alternate, and Paul Cobb, second alternate.

### LOTS OF INFLUENZA AND MEASLES REPORTED

The State Department of Health makes the following report on communicable diseases in Terry county for the week ending November 18th:

Gonorrhea 5, influenza 14, measles 12, pneumonia 9, and 2 cases of whooping cough. Yoakum county reported no communicable diseases.

### SERVICES HELD FOR MISS ELLA HOWARD

Funeral services were held at 2:30 p.m. Sunday for Miss Ella Howard, 66, who died early Saturday in the home of her sister, Mrs. L. P. Price, with whom she had been making her home.

Rev. Wyland Edwards, minister of the Smyer Baptist church, conducted services in the First Baptist church. He was assisted by Rev. Fred Stumpp, minister of the church, and Rev. Ed Kettler, minister of the Challis Baptist church.

Miss Howard had been a resident of Terry county since 1903. She was the daughter of the late Wm. Howard, prominent pioneer of Terry county.

Survivors include three other sisters, Mrs. Lulu Lewis, Mrs. Abbie Fisher, and Mrs. Della Huckleberry, all of Brownfield; and one brother, W. H. Howard of Brownfield.

Interment was in Brownfield cemetery, under the direction of Brownfield Funeral Home.

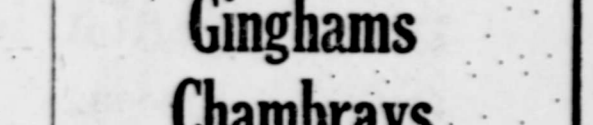

Active pallbearers were R. H. Clements, Harry Hyman, Spurgeon Carroll, Ches Gore, Charles D. Reed, Jr. and Paul Gracey.

### HEALTH, too, may be hard to hold

Yes, there's a knack and "know-how" in everything, whether it be holding babies—or holding Health. If you need help in restoring personal pep, your doctor is the man to see—without delay. Let him aid you with the improved techniques and the new medicines of today.

Whether your doctor prescribes the newest specialty, or a rare imported drug, we have it—fresh and potent—at a fair price. Be sure to bring us your prescriptions!

### Low Producing Cows Are Not Profitable

A butterfat production of more than 200 lbs. a year was necessary for a cow to be a profitable animal in the dairy herd in 1949. A. M. Meekma, assistant dairy husbandman for the Texas A. & M. Extension Service, says that the proof of this statement is shown by production records in Dairy Herd Improvement Association herds, as compiled by the USDA's Bureau of Dairy Industry over many years.

Cows that averaged 200 lbs. of butterfat in the Association herds in 1949 consumed \$131 worth of feed and returned \$121 over feed cost. Since the feed cost represents 50 to 60 per cent of the total cost of keeping a cow, the return from these cows was about \$10 less than the cost of keeping them.

In fact, Meekma says that the Bureau's DHIA analysis shows

that in most areas, a cow should produce substantially more than 200 pounds of butterfat a year to make a profit for her owner.

At higher levels of milk production, the cost of production per gallon is less. For instance, the average butterfat production for all cows enrolled in the Associations in 1949 was 359 pounds. These cows consumed \$156 worth of feed and returned \$234 over feed cost to their owners, at net income of \$78 per cow.

Meekma points out also that cows which average 600 pounds of butterfat the same year consumed \$208 worth of feed and returned \$473 over feed cost, a net income of \$265.

It is less likely to snow in very cold weather because cold air does not hold much water vapor.

All registered Labrador retrievers today are direct descendants of dogs from the kennels of the 2nd and 3rd Earls of Malmesbury.

### Santa Claus Letters NORTH POLE, UNIVERSE

Dear Santa Claus:

I am a little girl of five, and this is the first letter I've written to you. Will you please bring me these things: a stove, a doll, doll clothes (baby buggy, high chair dishes, iron, ironing board, diapers, baby bed, ice box.

Please bring my sister Alma (12) a dress and a sweater and a bracelet. Bring my sister Barbara (16) a watch, a typewriter, and a new coat. Bring my little brother Bud (3) a road grader, BB gun, a shovel, and a new coat. Bring my mother and daddy (35 and 46) a new car, two new dresses for mother, a pair of shoes, and a coat, a new suit, shoes and a coat for my daddy.

My brother and I haven't been very good this year but we would like for you to bring these things to us.

Thanks from two good friends, Buddy (3) and Kay (5) Duke

Barbara Brown.

### Santa Claus Will Be Here Dec. 11

Santa Claus, complete with sleigh and reindeer, will appear on the streets of Brownfield at 4:00 p.m., Monday, December 11, according to information received here.

The kindly old gentleman and his deer will be the main attraction in a parade to be held that afternoon.

All kiddies in the city and county are cordially invited to be on hand December 11 to talk to Santa and receive a gift from him.

### POSSE MEETS MONDAY

The Terry County Sheriff's Posse will have a regular meeting Monday, December 4, at 7:30 p.m. at the Esquire Restaurant.

Purpose of the meeting will be to elect new officers and to discuss plans for the Posse's trip to Austin for the inaugural parade. Members will also be measured for caps at the Monday night meeting.

### TOO MANY ACCIDENTS IN THE UNITED STATES

Chicago—One out of 32 persons in the United States was disabled one or more days by injuries received in home accidents during 1949.

Home injuries totaled 4,650,000, according to the 1950 addition of "Accident Facts," the statistical yearbook of the National Safety Council, and these included 120,000 permanent injuries.

The home death toll was 31,000, of which about half resulted from falls.

### Local Business Men Contribute To Fund

At a recent meeting of the local post of Veterans of Foreign Wars, members voted to donate \$150.00 to the Gonzales Warm Springs Foundation for crippled children. The members also put out containers over the city to receive donations to be used in maintaining the work being done in Texas for these polio victims.

Contributions to the foundation have also been received from the following firms and business men in Brownfield: Brownfield State Bank and Trust Company, \$50; First National Bank, \$50; Treadway-Daniell Hospital, \$25; Akers & Dallas Insurance Agency \$10; Hackney & Crawford, \$10; Primm Drug Store, \$15; Teague Bailey, \$25; Jess McWhirter, \$5; Farm & Home Appliance, \$10; Tudor Sales Company, \$50; V. L. Patterson, \$25; M. J. Craig Motor Company, \$15; Johnny Kendrick, \$10; and Portwood Motor Company, \$25.

Any person wishing to contribute to the foundation may mail or take their check to Wayne (Red) Smith at the Brownfield Chamber of Commerce office.

### Local Minister Spoke To Group

Jack Pearce, minister of the Calvary Baptist church of Brownfield, spoke to a large number of persons at services held at 11 a.m. Sunday, November 26, at Boys Ranch, near Amarillo.

The invitation to speak was made by Cal Farley, founder of the ranch, when he spoke the previous Sunday to the Brownfield Men's Sunday school class.

Others from Brownfield who attended the services were Mayor C. C. Primm, Ervin Rambo, Burton Hackney, Leonard Lang, Virgil Bynum, L. B. Forbus, Winston Dunagan, P. M. Williams, Byron Rucker C. G. Griffith and Murphy May.

Mr. and Mrs. Wayne (Red) Smith and children spent Thanksgiving with her parents, Mr. and Mrs. H. S. Bridges, at Rotan.

Davis Gomillion of Austin was a week end guest of Mr. and Mrs. Lev Hudspeth.

James Rambo of San Antonio spent the Thanksgiving week end with his parents, Mr. and Mrs. Horace Rambo.

### Clinic Being Held At SPH Unit Today

Plans have been completed by members of the South Plains Health unit here to hold a crippled children's clinic in the new building, located at the end of East Main street, today (Friday), beginning at 9 a.m.

Among the examining physicians at the clinic will be Dr. W. Compere Bason of El Paso, Dr. Edward T. Driscoll of Plainview, and Dr. W. W. Schuessler of El

Paso. Also to be present for consultation will be Miss Esther Snell of Lubbock, physio-therapist.

Any individual up to 21 years of age, having a type of disability which can be expected to improve through medical or surgical care, hospitalization, artificial appliances, or a combination of these services, is eligible to attend the clinic.

W. B. Tarwater of Amarillo visited his sister, Mrs. G. G. Gore, and family last Friday. Also visiting the Gore home was Brown and Dr. W. W. Schuessler of El Hart of Ropesville.
