Not Neutral—Not On The Fence—A Paper With An Opinion And A Purpose

The Herald has grown with this section from strictly a ranch country. This area now consists of thriving towns and cities, supported by scientific farming and stock farming, augmented by huge oil fields, with the nation's largest known oil reserves.

Best Advertising Medium

The Herald subscription list is a splendid blend of town and rural readers, folks who can and do pay for their papers—they do not ask or want it donated to them. Many 30 and 40 year continuous subscriptions.

Hackney to Preside At Legion Convention

BURTON G. HACKNEY

Burton G. Hackney, local attorney, will be in Abilene this weekend, where a meeting of the 16th, 17th, 18th, 19th and 21st American Legion districts will hold a two-day convention. From 250 to 300 delegates from over the district are expected, and the meeting will be held in the Windsor Hotel. Mr. Hackney is the vice-commander of the 5th division, and as such will be in charge of the convention. His term expires in August, and a successor will be elected from the 17th district at that time.

Big Humble Ad Business Restored

Along the first of this month the Herald along with other weekly newspapers received a whole of an advertising schedule, that ran into real money as weekly newspapers estimate it. A few days later, as we were preparing to run the first of the series, we go a "temporary" stop order. At that time we fancied it was on account of the oil workers strike. It came as a hard blow, as the Humble Co. is about the only major oil company that patronizes the weekly papers. The other magazines and radio. But this week, the full schedule was restored, the first of the series appearing in this issue of the Herald.

We think the Humble Co. has the right idea. If they spend their money in Brownfield, Seagraves, Seminole, Denver City, Plains, etc., we people here where the oil is produced get a whack at a bit of it. But if it is spent on the big slick mags in New York, Chicago, and the big radio networks, the people here in the oil field area never get a penny of the advertising money.

Ropes Eighth Graders To Graduate Tonight

Graduation exercises for the 9th grade of the Ropes grade school will be held tonight.

Rev. Claude Northcutt, a former pastor of the Ropes Church of the Nazarene, and a teacher in the Ropes schools for two years, will be the principal speaker.

The class roll is as follows: DeLoras Ayers, Tom Berger, Ouida Burks, Frances Cain, James Collins, Harlene Crawford, Norma Ellis, Melvin Glenn, Betty Gotcher, Laverne Gotcher, Donald Gresham, Gerald Harden, Joy Vern Ivy, Barbara Jackson, Gwennelle Jones, Ronnie Jones, Joyce Lancaster, Billy Mannin, Barbara Odom, Robert Phillips, Patsy Sesebee, Ann Strickland, Barbara Sullivan, Mary Swafford, Carolyn Thompson and John D. Prescott.

R. L. Malone is sponsor of the class.

NOTICE

All boys and their sponsors who have signed up for the Junior Auto Races are to meet at 8 o'clock Tuesday night, at the Teague-Bailey shop.

Farmers Co-Op Has Annual Meeting

The annual meeting of the Farmers Cooperative Society No. 1 was held in the American Legion Hall Wednesday. Members and patrons were invited to attend and receive their dividend checks on cotton ginned with them during the 1951-52 ginning season.

Refreshments of ice cream, cake, coffee, doughnuts and cold drinks were served to approximately 125 persons.

Grady Dixon was elected new board member to take the place of R. C. Young. Other new board members are Jess Smith, Wood E. Johnson, Andrew Cooper, Ed Whitaker, James Thurman, and Bill Blackstock who was re-elected.

All Diked Out in Our Blood-Red Shirt

Come early Monday a. m., we started off the Jaycee "Rowdoyo" Week with a bang, we thought. It was the McCoy with us, when we heard from some underground source that a fine of one buck would be imposed on those in this burg that did not show some kind of western habilitation. The only thing we had that would possibly answer as "western" was our blood red shirt. Being minus the dollar, we decided to don the shirt.

So, when we appeared downtown Monday, we began to get inquiries such as "where did you get that flashy shirt?" And one guy who has spent about half his time in Oregon in the past several years, wanted to know if we were going on a deer hunt. Says he, "out there when you see a man dressed up in a red shirt, you can bet he is headed out in the forest for a deer hunt."

All we was trying to do was to "go western." Why some loud stuff is any more western than otherwise, we're not prepared to argue. But at the time we came to this man's country, there was a lot more ranching than farming. But the people dressed about alike, whether he was a cowboy or a nester's son. The only exception was that the cowboys usually wore boots, but no chaps, as there was little mesquite or high cactus here then.

But it is the style now to go western when the rodeo week comes along, and by heck we're going to dress in style or break a hamstring. Of course, in the early days when roundup and branding time came, it took all hands and the cook. So, the farmers and their sons were recruited to help in the branding operation. If they did not savvy, they soon learned.

There was very little if any trouble between the farmers and ranchmen. The only time when a suit came up in court, was when a nester's jersey bull got out in a neighboring pasture, and a lot of the calves showed up half breed the next spring. That was a long, drawn out lawsuit, and we can't remember how it was finally settled. Too long ago.

Mr. and Mrs. Ned Self and Mrs. Harvey Gage, all of Collins Department Store, will leave this weekend for Dallas for the ready-to-wear market. They will return home next Thursday.

Esquire Restaurant To Open Sunday

The new owner of the Esquire Restaurant is Wayne Lewis of Levelland, who has had quite a lot of experience in the cafe business. He is the owner of Wayne's Restaurant in Levelland. Mr. Lewis is married, and has two children, both daughters, Waynette aged 12 and Diana, aged 9. We welcome them to Brownfield.

As stated above, the cafe business is nothing new to Lewis, and after buying the Esquire some two weeks ago, he has spent all that time cleaning and redecorating. He has completely remodeled the party room, and will be able to seat 100 people in it.

The opening hours will be from 12 noon until 10 p. m., Sunday, May 25, and Mr. Lewis hopes you will call and see his new place. There will be gifts for the ladies and children.

Candidate Beckworth Here On May 26

Congressman Lindsey Beckworth of deep East Texas, is making the race for United States Senate to fill the vacancy created by the resignation of Senator Tom Connally, who decided to not be a candidate for re-election. Attorney General Price Daniel is also a candidate, and was before the decision of Connally not to run.

Mr. Beckworth will be here at 7:30 p. m., May 26th, coming direct from Levelland, Morton and Littlefield. As his schedule starts the next day, the 27th at Seminole, at 10:30 a. m., supposedly Congressman Beckworth will spend the night in Brownfield.

This promises to be a horse race, as the two men are known as relentless campaigners, but most prognosticators give Daniel the inside track, presently, at least. Beckworth is comparatively unknown outside of deep east Texas, while Daniel as Texas Attorney General, and his fight against the tideland grab, has made him a well known figure all over Texas.

C. L. Wilson Joins Son in Loan Office

Clyde L. Wilson Sr. of Lubbock will be associated with his son, Clyde Jr., in the Wilson Agency. Mr. Wilson was formerly in the insurance agency.

Wilson will be associated with his son for three or four months and then open an office of his own in Brownfield or some nearby town.

HOME ON FURLOUGH

Pfc. and Mrs. Alvin Wayne Smith arrived in Brownfield Monday morning on a 20-day furlough from the army. They are visiting her parents, Mr. and Mrs. B. W. Powell, 107 West Hill, and his grandfather, W. T. Smith, who resides on North Second Street. Pfc. Smith is stationed at Fort Hamilton, New York, and he and his wife visited here last Christmas. She is the former Miss Geraldine Powell.

Mr. and Mrs. F. L. Morgan spent the weekend with Mr. and Mrs. Mack Ross in Waco.

RECORD ATTENDANCE IS EXPECTED TONIGHT FOR RODEO OPENER

A record in attendance and in entertainment is the prediction of the Junior Chamber of Commerce for their fifth annual rodeo which opens tonight, according to Hub King, general rodeo chairman. Officially open the rodeo will be the Rodeo Parade beginning at 5 o'clock this afternoon. The parade will form at the end of East Main Street and will start at 5 o'clock sharp, according to Tess Fulfer, parade committee chairman. Participants will assemble east of the spotlight on Main street. The parade will proceed west on Main to the First National Bank corner where it will turn south for one block, then west a block, and a block north to Main. It will go on west to the rodeo grounds.

Performances will begin each night at 8 o'clock. General admission will be \$1.50 for adults and 50 cents for children under 12 years of age. Reserved seats will be \$1.75. Everyone is urged to buy reserve seats as it will avoid delay and waiting as well as provide the best location for watching the

performances. Tickets are now on sale at Griggs & Goble, Brownfield Coffee Shop and Robert L. Noble Insurance Agency. Stock for the rodeo will be furnished by Bob Estes of Baird, Texas.

Events for the rodeo performance will include calf roping, bulldogging, bareback bronc riding, wild bull riding, and a girls contest between acts such as the Moore family and the "Kagin clown."

Rodeo headquarters will be at the Brownfield Hotel. Jake Miller Orchestra from Lubbock will play for the dances at the Veterans Hall each night at the close of the performances.

A fried chicken dinner will be served to the visiting Posse members and wives by the Brownfield Sheriff's Posse following the parade at the Posse clubhouse located near the Jaycee grounds.

This year's rodeo promises action and thrills plus some of the toughest bucking stock that was ever brought to Brownfield.

FINAL PLANS FOR WELCOME WEEK at Humble service stations in this area made by I. to r., Zolus Motley, division sales promotion manager; Travis Roberts, agent; and Jack Kimbrough, district sales manager. During WELCOME WEEK, station managers will thank motorists for their friendship and for the privilege of being good neighbors.

HOUSTON.—Humble service stations in this area are busy getting ready for a big, neighborly celebration to be known as WELCOME WEEK, May 23-30.

"The purpose of Welcome Week is to give Humble station operators all over the state a chance to say, 'Thank You,' to Texas motorists for their friendship, and for the privilege of being good neighbors in the communities they serve," officials of the company said.

A lot of work has gone into planning for the week-long event. Stations have been given an extra good spring cleaning, with rest rooms coming in for particular attention.

Station managers have been inviting folks by letter and in person to stop by during the week. The campaign is being accompanied by a vigorous advertising schedule in more than 500 newspapers in the state, and all stations will wear bunting and banners to lend festiveness to the occasion.

Commencement For 1952 Graduates Friday Night

Commencement exercises for the members of the 1952 graduating class of Brownfield High School will be held tomorrow night at 8 o'clock in the high school auditorium.

The processional will be by the high school band under the direction of Fred Smith. Homer W. Haislip, minister of the First Christian Church, will bring the invocation.

Salutatory address will be by Chris Burda and a song "Now Is the Hour" will be presented. "May the Good Lord Bless and Keep You" will be sung by the high school mixed chorus.

Valedictorian of the class, Bobbie Bingham, will give the valedictory address and announcement of honors will be by Byron Rucker, principal of high school.

Presentation of the diplomas will be made by C. G. Griffith, president of the Board of Education.

Benediction will be by Jones W. Weathers, minister of the First Baptist Church.

Everyone is invited to attend the commencement exercises.

Candidate For State Senate Herald Caller

We are always pleased to have Preston Smith of Lubbock as a caller, whether he is a candidate, or just pays us a social call. He is a friendly sort of guy that is always welcome about a place. He also is a typical West Texan, and he's for this section and leaves no doubt of it. While born in Williamson county down in south central Texas, he was brought to Gaines and Dawson at such an early age that he's the same as a native.

Smith is a movie theatre man presently, and owns two or three of them in Lubbock. He is a good business man, and has many friends scattered all over the area. Several years ago he was our state representative of the old 119th, and made a good one. But he became ambitious and decided to run for Lieutenant Governor, but there were too many voters in east and south Texas, and he ran third in a field of 12 candidates. He received 115,000 votes, and led the ticket in 68 counties.

Being a graduate of Texas Tech college, he did some good work for it as well as other state colleges while in the senate. He played a good part in getting a permanent building fund started for three colleges that will provide more and better opportunities for Texas youths.

Smith is a Methodist, Mason and Kiwanis member, and always takes a leading part in putting over civic undertakings in his city. He is not afraid to express himself about political matters, state or nation, and we found Preston and the writer pretty well agree along most lines.

Mr. and Mrs. Tobey To San Antonio

Mr. and Mrs. Bob Tobey and daughter, Emily Ann, left last Friday to attend the annual meeting of managers of Retail Merchants Association, which convened in San Antonio Sunday through Tuesday.

He was to discuss "The Advantages of a Credit Guide" at one of the sessions. He is secretary of the organization for district two, which comprises all of West Texas, from Fort Worth to El Paso.

Mr. and Mrs. Tobey also planned to visit his brother, Gene, in Houston before returning home today, Thursday.

Eighth Grade Graduating Exercises Being Held at Junior High School This Afternoon

Lions Attend Meet In El Paso May 18-20

Delegates from the Brownfield Lions Club returned home Tuesday night from El Paso where they attended the district T-1 and T-2 convention, and Miss Kay Szydoski represented the club in the Lions' Queen Contest.

Men attending were Dennis Q. Lilly, who headed the delegation from Brownfield, O. R. Douglas, president-elect, Herbert Chesshir, Jack Griggs, Frank Jordan and Ed Hardin. They were accompanied by their wives and children.

Mr. and Mrs. Frank Szydoski accompanied their daughter to El Paso Sunday night after the baccalaureate program for the high school senior class, of which Kay a member.

Lightning Damages Presbyterian Church

Unofficial estimate of the damage done to the steeple and church building of the First Presbyterian Church by lightning and rain during the electrical storm early Saturday morning according to Rev. Tom Keenan, pastor, was between \$3,000 and \$4,000.

The lightning bolt which struck at about 5:30 a. m. seared a large steel rod completely into and scattered large cast stone pieces over the roof and lawn. A wall was pulled loose from a ceiling beam in the sanctuary and water damage was done to a wall in the sanctuary and assembly room. Several windows in the sanctuary were shattered.

The steeple of the church will have to be removed for repairs and several cast stones replaced. Three or four feet of the masonry will have to be rebuilt according to Rev. Keenan. The amplifiers to the church chimes were not damaged.

J. C. Cunningham, out on route 1, was in to renew for his Herald this week. Thanks a lot, J. C.

According to an eight page section of Congressional Record (not printed at government expense), we have before us speeches of several of the Hon. Connally's colleagues. In fact, it appears that about all the Senate did with their time April 16-17, was to make speeches of regret that the Hon. Tom had decided to quit while the quitting was good. The "Oh, how we'll miss you" messages came not alone from the Democratic side of the aisles, but as well from the "liberal" side of the Republican walkway. Even of octogenarian, Sen. McKeller of Tennessee wiped off his usual frowns long enough to sound off a few notes of regret. No one in Texas or out of it will maintain for a moment that Senator Connally has not made Texas a great statesman. He has, and Texas is proud of the reputation that the Senior Senator from this state has made and maintained. But Senator Connally being a wise man knows better than a lot of less informed people when to call a halt. He came to Texas just before his announcement that he would not be a candidate for re-election, and after going over the matter with his leaders, he no doubt figured that he had an uphill fight on his hands, with a possibility that he would be defeated by the aggressive young Attorney General, Price Daniel. Anyway, Senator Connally announced as soon as he returned to Washington that he would not be a candidate for re-election. This paper believes that Tom Connally did a wise thing to step down and out while the stepping was good, and without the stigma of defeat to carry with him the rest of his life.

All kinds and classes of people are growing tired and disgusted with "growing assumption of authority of governmental bureaus. The latest complaint we have comes from one of the major oil companies in a talk to the stockholders of Humble O. & R. Co., by the president, Hines H. Baker. In the talk he mentioned that within the past few years, the administration at Washington had taken over paramount rights to Texas tidelands, that had been the undisputed possession of Texas and Texas school children for more than a century. In fact, when Texas entered the union as a State and ceased to be a Republic, one of the treaty conditions was that Texas maintain possession of all its public lands in place of a cash loan. The USA at the time, was broke, and they didn't figure the lands of Texas would ever be worth a hoot anyway, and especially the tidelands. But as soon as it was discovered that liquid gold lay under the lands of the shallow shelves of the ocean, the covetous administration began to cast longing eyes on the lands. And as the oil company president so aptly states it, if we let the administration get by with this grab, no lands, no possessions will ever be safe from the greedy eyes of the bureaucratic gang at Washington.

The Herald along with perhaps other Texas papers, has before it a form letter from one, Mrs. Roberta P. Dickson, wife of Mr. Fagan Dickson, one of the leaders among the "loyal to Truman" Democrats of Texas. Of course the burden of the form letter from the good lady is aimed at Governor Allan Shivers because he refuses to say that he will abide the decision of the national convention, no matter what kind of an old spavined horse they trot out. She then makes or tried to make a point of majority rule, when really it is not always the majority rule. We have had an example of that right here in Texas for 10, these many years. About a dozen party line Republicans meet and tell the some 150,000 Republican voters of Texas whom they have picked for them to elect. But this time, the tables were turned. The Eisenhower boys and gals came in great gobs, and outvoted the old liners badly. Of course the

old standpat boys took a walk and held rump conventions, just as the Trumanites did in many instances. Then she goes on to tell us editors that if a majority don't rule we would have anarchy, or something like that. Well, the majority don't rule in lots of places, and Russia is one of them. It is estimated that some five million Russians really take part on the party affairs, the rest, some 175 million are ruled out—slaves. But a majority as well as a minority can be wrong—badly wrong. This paper figures that Gov. Shivers is a Democrat as we have known Democracy in Texas for a century. An that boy just don't want any part or share with a mixture of Democracy and Socialism. Mrs. D. says that Shivers' rule in Texas is basically wrong. But it seems right now that a majority have figured that Fagan Dickson is wrong—very wrong.

We have somewhat of a mania for reading what the "People Write" in the daily papers. Firstly, we believe that in these columns, we get a bit of the grass-root ideas from the common run of people, whose voices are not often heard in the council of the mighty. But we have seen a few attacks on the new Gilmer-Aiken school law of late, but so far none of the articles we have seen in print have told us the trouble or fault of the law. So, until some of them do elucidate, we'll just have to conclude, that although the law is costing us some extra pennies, that we are getting better schools. Right along this line, we know that although one of the things the Gilmer-Aiken law did, was to increase the pay of teachers, and if possible get better ones. Nothing bad about that. In fact, you usually pay for what you get. Then there is the Texas State Teachers Association that are giving us their dime's worth. And we might add that their conclusion of the matter hits the spot. And that is our schools have a hard time replacing teachers. Reason is, teachers are not preparing themselves for this profession as of yore. And they maintain that we should be getting 1000 more trained teachers in Texas yearly, than we are presently getting. We must remember, they conclude, that during War II, there was a terrific birth rate, and those kids are now from 6 to 11 years of age. They must have school room and teachers. In competition with the pay the teacher usually gets in the school room, the trades and professions are paying more money, and of course over a 12 months period instead of the generally accepted 9 months. During the three months vacation period, the teacher is expected to pick up another job of some kind, or live with the kinfolks. So, a blind man can see that there is not too much incentive to make a profession of teaching. But we must have schools—good ones. Much more is demanded in the way of education of any employee than was demanded even a generation ago. So, there is nothing to do but go on and pay the fiddler. In the meantime, our scholastics in Texas are increasing at the rate of 50,000 annually.

Most of us have heard the old one that Mark Twain was supposed to have originated, "everyone talks about the weather, but no one does anything about it." We believe that Twain made the above stab in connection with his article on New England weather, in which he said he had seen some 48 different kinds of weather in that section in a 24 hour period. But of late, we have come to the point that some are really trying to do something about the weather. For instance, right here in this section, we have an organization that will this year, not as some put it, "make it rain," but correctly speaking and in agreement with what the company really says, "try to produce more rain." You know that people

gather some very peculiar ideas about weather and how it works. And some we might say, get a bit superstitious, and blame man for monkeying with the Lord's possessions. But when we come right down to that, the clouds and the rain, snow and sleet, are no more the Lord's special possessions than is the earth, the rivers, forests, oceans, etc. Yet man tried to cope with them. We have heard some say that we have had less rainfall, and will get less since the atom bomb and rocket experiments started west of us. It is very true that we have had less rain, and they less snow in the New Mexico mountains, until last winter, when they had more snow than for many years, and that not too far from the exploding sites. But to cap it all, a man 'tother day was heard to say over his coffee, along with some companions, that we would have an extreme drouth for the

next seven years, since the rain increasers had started to work in this area. But did the man really watch his own logic? Here tis: If man, working to increase the rain, failed in that, the same gents could cause a seven year drouth. So, the man with the gloomy prediction, at least acknowledged that man could cause a drouth, if he couldn't increase the rainfall. Most of us believe that Jehovah created the heavens and the earth, but after he had finished His work on the sixth day, he then created mankind, and told him to take charge. Or that is the way we figure the meaning: "Multiply and replenish the earth." True, man has done a poor job in many instances, but Jehovah left it up to man to look after his own welfare. So, most of us have reached the conclusion: If you prefer to live in the Mississippi valley, you can expect from 30 to 60 inches of rainfall annual-

ly. If you prefer this section, you get from 7 to 30, with an average around 18 inches. You get less in the deserts of Arizona and California. Yes, God made the earth, but he expects man to take over without His aid on every occasion when man does a bad job of his part of the arrangements. Politically speaking—and who aint?—we are having some of the greatest mixups in the nation's history. For instance, on the Republican side, the Taft boosters are accusing the Eisenhower crowd that Dixicrats and Democrats are entering the precinct and county conventions to control matters. On the other side of the ledger, the "loyal" Democrats are accusing the "Shivercrats" as they call them, of using Texas Regulars, Dixiecrats and what have you, to outvote the "loyalists." So, the reasonable conclusion, is "whose ox

is gored?" But Governor Shivers just continues to plow his furrows, while the Trumanerats roar and slander. They are a peeved bunch, and hell has no fury in comparison with what the "Loyalists" wish the governor of Texas. But, no matter who is nominated on the Republican or Democratic ticket come July, the people as a whole will refuse to be haltered and led to the stream and be forced to drink. They are fed up on the brass collar and party names that don't mean a thing. We look for a lot of independent voting this fall. People will study the man, or woman, what they stand for and what they have advocated in the past. Then vote just like they wish.

U.S. Mail Train—1952 Version

With Uncle Sam using motor transport for mail hauling up to distances of 500 miles or more, an entirely new type of rolling U.S. Post Office equipment as shown here is coming into use.

Recently the Salt Lake-Kanab Freight Line which has a large fleet of Fruehauf trailers, has been given a mail contract from Salt Lake City to Kanab, Utah, via Richfield and return, or a total of 662 miles per day.

This line with connecting carriers serves 70 post offices, 6 counties in Utah reaching a population of 75,000. The mail goes through 365 days a year carrying approximately 15,000 lbs. per day. This train consists of a mail car mounted on a tractor unit with the regular stainless steel Fruehauf semi-trailer mounted behind.

Every night at midnight it leaves Salt Lake City, regardless of weather, and is now giving the people in that section of Utah the best service they ever had. The new method eliminates two extra handlings and saves some three hours in delivering the mail.

Turning Back the Time

By A. J. S.

To say the least, we had some "night life" in old "Brown" during the early days. In those days, "42" was a great game, and comparatively new, here at least. Aside from dances, which did not fit all of the inhabitants, there had to be other games and modes of amusement. Church affairs were far between. Wednesday night and Sunday was about all the time devoted to church affairs by adults or youth. But these "42" games could be a party affair, or a four some at some suggested place.

We remember that when the writer had a "letdown" bed at the old lumber yard building, where the State Bank now stands, there was often a game in the office, where a little pot-bellied stove was fed on yard kindling and cowchips. Fuel in those days was about the most costly thing that entered into the family budget. Anyway, Dr. J. W. Ellis would show up, and he with Mr. Hardin and the school principal (no superintendent then) Jessie D. Webb, would form three of the foursome. As the Old He didn't play, another man had to be called.

This fourth man was usually Curley Gamble. We remember one night Dr. Ellis called Curley at the Hill Hotel, and Curley wanted to know where the game was to be played. Dr. Ellis yelled into the phone, "down here at 'Hardin's Dive'." What made the thing so funny to us was that Mr. Hardin was both a moral and religious man, and the idea of his running a dive was laughable.

At times, things too, would get rather out of hand in our usually quiet little burg. This was true when the youngsters began monkeying around the old black tin building of Uncle Tom Holley's place. Uncle Tom, whose feathers were rather easily ruffled, became especially peeved if and when the juveniles threw rocks on top of his tin roof after he'd retired for the night. And like as not he would emerge from the building with a huge hog-leg in his hand, and with his favorite oath, plague-damn you, he would begin to shoot at everything that moved.

Usually the young squirts would be far removed by the time Uncle

Tokio Man in Local Hospital For 33d Day

L. A. Tuttle of Tokio today is spending his 33rd day in the local hospital after receiving burns over a large part of his body. Tuttle, who is a farmer, was building a fire around a wash pot in which he was going to render the lard of a hog he had just butchered.

Tuttle, 54, lived in Levelland before moving to Tokio three years ago. He has seven children, but only one daughter is still at home.

Mr. and Mrs. Bill Wood of Albuquerque, N. M., are here visiting Mr. and Mrs. Carouth.

Tom had emerged from his building, as the old gentleman was quite lame. But woe betide the innocent who happened to be visible. It just so happened that Casey Jones, assistant cashier of the bank, and Mumford Smith, still in high school were passing across the courthouse park from northeast to southwest. They had been calling, and knew nothing of the "rocking" of Uncle Tom's building. But they were visible, and Uncle Tom turned his fire toward them from his store front, standing about where the Griffith Variety is now located.

Casey and Mumford made a run for the bank building, now the Commerce Hotel, that was then located where the Bargain Center now stands. Unluckily for Casey Jones, there was a telephone guy wire right out in front, and he'd forgotten its location and could not see too well in the dark and while doing a record shattering sprint. Anyway, he fell about 15 feet on some pretty had caliche, and limped for many days.

As for Mumford, he veered to the left and was making it for home, in what is now the Mrs. Alie Graham home. While old Mumford sorter denied it for a number of years, his mother declared that she heard a noise out at the hen-roost, and upon investigation found Mumford hiding in there, and made him come in the house.

The question always has been, did Uncle Tom really try to hit the fast moving boys, or was he just scaring the heck out of them? Anyway, it was a long time before anyone else bothered to throw rocks on the Holley store.

Cotton Classing School At Tech

LUBBOCK.—The 1952 two-week cotton classing short course, sponsored by the Department of Textile Engineering at Texas Tech, will begin Monday, June 13.

L. E. Parsons, department head, has announced that classing instruction will be under the direction of L. O. Buchanan and the United States Department of Agriculture staff. The cotton school is conducted in the new USDA building at 2414 Ave. E in Lubbock.

The annual school is open to all interested in cotton, but is favored by cotton ginners in the Panhandle, South Plains, and West Texas. Enrollment is handled through the Extension Division of Tech, and the course is offered on both the beginning and advanced levels.

Grading and sampling of the various types of cotton will make up part of the cotton school, but emphasis will be placed on the

short staple cotton of the South Plains area. All cotton is graded on color, whether the cotton is stained or off color, the amount of foreign matter in the cotton, and the preparation of cotton for ginning. Stapling—the estimated length of cotton fibers—will also be a part of the course.

Ginners in a 40-county area have been contacted, and a class of 50 are expected to attend.

Fee for the two-week course will be \$12.50. All inquiries should be addressed to L. E. Parsons of the Textile Engineering Department, Texas Tech.

The two-day convention opened Saturday with registration and a smoker. A dance was also given.

Between 200 and 250 delegates from throughout the district which includes 15 counties, attended the convention. Highlight of the gathering was a speech by John Lee Smith of Lubbock who is a candidate for congressman-at-large.

Other officers named at the business session included Thad Patterson of Seagraves who was named commander of the district; W. O. Holley of Post as vice-commander; Roy Calcote of Lubbock, junior vice-chairman; Dale Brown of Seagraves, quartermaster; Jimmie Gamble of Lubbock, chaplain; Lawrence L. Barber, post advocate, and James H. (Cotton) Bryant of Lubbock, trustee.

Attending from Brownfield were Paul Campbell, Dr. Daniell, Cecil Hill, Charles Kersh and Bill Dugger.

Mrs. S. E. Aytes is spending a few weeks with her daughter, Mrs. O. L. Jones. Mrs. Aytes will celebrate her 90th birthday in June.

CHRYSLER SARATOGA 6-PASSENGER SEDAN

ITS NEW KIND OF HORSEPOWER IS SOMETHING TO FEEL!

With its 180 HP-V-8 engine, on 125 1/2 inches of wheelbase, many people think the Saratoga is the best Chrysler car of all.

We invite you to take the wheel and feel what happens! There's a new sense of easy power, of reserve power that makes driving a new experience.

Its revolutionary combustion chamber develops more of the power in each charge of fuel than other engines can do. One result is performance, even on non-pre-

mium fuel, such as you have never felt. Another result is new economy. It's an engine that scarcely forms carbon at all. It creates less heat. It will last much longer, stay younger on the way!

And with Chrysler full-time Power Steering*, you steer with one-fifth the usual effort... drive with five times the usual control! With Power Brakes you need up to two-thirds less foot pressure... and still stop in many feet less than other cars can do.

Yes, behind Chrysler's new engine you'll find a new kind of car. Won't you come in and feel what we mean?

*NOTE: Power Steering standard on Crown Imperial. Available, extra, on any new Chrysler.

ESA Has 'Jewel Pin' Ceremony May 13

In a formal candlelight ceremony at LaMecep Cafe Tuesday night of last week, three pledges to the Beta Sigma Phi chapter of Epsilon Sigma Alpha received "Jewel Pins" and corsages.

Miss Bernadine Grabber, president, presided at the service, and presented pins to Mr. Bill Kincaid, Mrs. W. W. Cooper and Mrs. Jim Pryor. Also a pin will be sent to Mrs. Oscar Allen, who pledged the sorority before going to California to join her husband, who is in the army.

The "altar" table was centered with an arrangement of yellow gladioli and yellow tapers burned

in crystal candle holders. A satin streamer extended from the bouquet with the letters, "ESA" in blue on gold ribbon, carrying out the colors of the sorority of blue and gold.

Dinner was served to members and pledges. The group presented a corsage of yellow carnations to Miss Grabber. She was assisted in the ceremony with Mrs. J. C. Jennings, vice president.

Those attending the dinner and ceremony were Mesdames Pryor, Jennings, Jim Yeager, Kincaid, Mary Nell Diffey, C. H. Bush Jr., Dale George, Cooper, Don Cade, Ray Hailey, and Misses Grabber, Margaret Goza, Jean Finley and Ruby Nell Hairston.

Stricklinly Speaking

By OLD HE

Here we go again. First off, we have one of those sheets taken from the Congressional Record (not published at government expense) from the Hon. Raiph W. Guinn, House of Representative member from the state of New York. In the communication, Mr. Guinn tells us that the little man from Missouri could, by taking over the steel plants as well as other strike bound industries, and grant the workers all the money they ask for, set off a depression that would make 1929 look like a midget.

Reason: The millions of people of the USA who have a little spare money to invest in the industries to create employment, would not risk their cash in any kind of enterprise, but hoard it. Secondly, leftist workers in charge of matter could sabotage and ruin a lot of the property that belongs to private individuals.

Speaking of Congressmen, we have before us a page from the Washington Post under date of May 11, an interview of a Post reporter with our congressman, George Mahon. Mahon as you are probably aware, is Chairman of the important House Military Appropriations Sub-Committee. He generally gets along pretty well with the

Pentagon folks, but when he becomes aware that they are wasting the taxpayers money, George can quickly wipe that grin off his face and get a bit hard boiled.

As is well known, our Congressman has gone along with a lot of the Tru-Deal stuff, perhaps more than some would like, but he has sat down on a lot of it with all his some 200 poundage. A picture showed George talking over some moot points with the Air Force Secretary. The article stated that Mahon was a hard worker, often up until 4 a. m., but does not drink or smoke, therefore passes up the fancy balls and cocktail parties.

Dr. George W. Cox, State Health Officer, offers the people of Texas some real fatherly advice this week on what it takes to make our folks healthy and keep them that way. Presently, he states, as much as we like to enjoy good health, as well as that of our friends and neighbors, the state is presently spending less than the cost of one package of cigarets, per capita for good health, sanitation, etc. Just 20c per capita, to be exact.

He states that if we would spend some 50 cents instead of 20 cents per capita here in Texas for better health conditions, we would be nearer on a national par, and at

the same time add greatly to the better health of our people. Many of us could take this advice literally in our own families. Sometimes we let a little ailment run on and on, thinking it will soon clear up. Maybe we wait too long, and perhaps have to stand the cost of an operation, or at least a long, costly siege in a hospital. Perhaps earlier, a few dollars would have cleared up the whole matter.

Don't mean to criticize; just correct. Last week the Jayton Chronicle showed a picture of the birth place of Gen. Ike Eisenhower, and stated it was "near" Denison. It's right in Denison, Mr. Wade; we've "seed it." It is on a corner of a residence street.

We might add that for a long time Denison has been quite a railroad town, and as we understand it, Ike's dad worked in the Katy shops at the time of the birth of his future famous son.

A news item from Kerrville tells us that new mohair is bringing from \$1.00 to \$1.25 per pound on the local market. And in the meantime, we have leshair — not mo'.

Recently a speaker at the Lions Club at Andrews took for his subject, "Let's Be People Again," and not to run the government for subsidies, doles and handouts. The Andrews News then comments:

"The people who came to west Texas, fought the Indians, drouth, outlaws, coyotes and rattlesnakes, would not have stooped so low as to take a handout from anyone. They were liberty loving, God-fearing men and women. Andrews county didn't have enough unemployed during the depression to put on a PWA program."

Terry county did, and we have one costly and absolutely useless project to show for it. Maybe half the newcomers don't even know it exists. We refer to the pedestrians underpass at Main and First, supposed to be for the safety of school children, as one was killed when the highway down First street was being built.

It has been years since we were down in the underpass, erected before the traffic lights were put up. But at that time it seemed to be used only for those who had a sudden call of nature, and the place was too filthy for a rat, much less a human.

We have heard some suggest that it might be a fair place to get out of a cyclone, or might be used as a bomb shelter—if the filth is cleaned out.

Seagraves Man Wins Infantry Award

With the 45th Infantry Div. in Korea—Pfc. Roy W. Smith, son of Mr. and Mrs. Cecil O. Smith, Seagraves, Texas, has won the Cobat Infantryman Badge, symbol of the front line fighting men, while serving in Korea with the 45th Infantry Division.

The badge shows a miniature Revolutionary War flintlock rifle mounted against a blue rectangle which is surrounded by a wreath. The Oklahoma National Guard Division left the U. S. early in 1951 and trained extensively on the Japanese Island of Hokkaido before it was committed to Korea last December.

Pfc. Smith, a weapons platoon runner in the 179th Infantry Regiment's Company E, entered the Army and joined the 45th Division in November, 1950.

Mr. and Mrs. Russell Stephens and Mr. and Mrs. Bill Williams were fishing at Possum Kingdom last weekend. They joined Mr. and L. M. Wingerder there.

ALWAYS BE CAREFUL DRIVING

White sidewalls optional at extra cost.

It gives this old familiar sign new meaning

WOULD you be interested in getting one gallon free with each tankful of gasoline you buy?

Then we can tell you this: It will certainly be worth your while to read this brief story of Buick's new Airpower carburetor.

Truth is—a skillful driver can just about double the bonus we mention, if he makes the most of what this year's ROADMASTER has to offer.

The reason you can get such a bonus traces to a pair of simple facts:

- (1) It's a mixture of gasoline and air that gives you power.
- (2) Buick engineers have come up with a four-barrel automatic carburetor that lets you use more gallons of air per gallon of fuel.

Most of the time, only two of these barrels are needed—and they feed such a thrifty mixture that you use less gasoline at 40 mph than you'd formerly use at 30.

But — when you want a quick burst of eager power — you can double the air supply as well as the gasoline feed—and come up with the highest horsepower that Buick's Fireball 8 Engine ever delivered.

Of course, any man who's buying a car as fine as a ROADMASTER wants a lot more than extra miles from a tankful of gas.

He wants the distinction of extra room, extra comfort, richer fabrics and all the other refinements that make a car truly fine.

FREE AIR

He wants to ride with solid security, confident poise and lordly silence.

And, while he may not admit it, he yearns for a car that's full of fun.

All this, we promise you, and more will be yours when you take the responsive wheel of a ROADMASTER.

How about doing that — soon?

'Cheer-Up' Gift Party Honors Mrs. Neill

Mrs. Geo. W. Neill, who has been ill for some time, was honored with a "Cheer-Up" gift party by old-timers and other friends when they met at her home, 607 East Broadway, Thursday afternoon.

Guests were greeted by her three daughters, Mrs. Ted Hardy of Brownfield, Mrs. Lillian Burnett and Mrs. Dora Dean Buice of Levelland, and her two sisters, Mrs. Joiner of Abilene and Mrs. Thompson of Houston.

Lime punch, cookies, nuts and mints were served from a lace covered table, centered with a crystal basket containing a mixed bouquet of flowers. Arrangements of roses made the entertaining rooms more attractive.

Mrs. Neill received many lovely gifts, and there were about 50 persons invited.

WSCS COMPLETES STUDY ON MONDAY

The Women's Society of Christian Service completed their study, "The Family, A Christian Concern" when they met in the Fellowship Hall of the Methodist Church Monday afternoon at 3 o'clock.

Mrs. Ernest Latham presided at the meeting. Opening prayer was led by Mrs. B. L. Thompson. Mrs. Latham announced that installation of Guild officers was to be Wednesday night at the church. The officers of the WSCS will be installed Sunday night.

Mrs. George Weiss was program leader. The opening song, "Take My Life and Let It Be" was sung and Mrs. Wayland Parker gave the devotional. On the program were Mesdames Joe Johnson, James Warren, J. H. Carpenter, Robert Baumgardner, U. D. Gorton and B. L. Thompson.

Present at the meeting were Mesdames Clyde Nixon, B. L. Thompson, D. D. Denison, Glen Harris, W. B. Downing, Jim Griffith, A. E. Proctor, Briscoe, Leo Holmes, James Warren, James Underwood, R. J. Purcell, Anna Hare, J. H. Carpenter, Cope Tolliver, Wayland Parker, U. D. Gorton, Robert Baumgardner, George Weiss, J. S. Weber, Ernest Latham, Joe Johnson, and a visitor, Mrs. Davis, sister of Mrs. Briscoe.

Marie Williams and Jack Whistler Wed

In a ceremony read in Lovington, N. M., on Friday morning, May 9, at 11 o'clock, Marie Williams and Jack Whistler were united in marriage. Vows were exchanged in the home of the Methodist minister, Rev. Ross, who officiated with the single ring ceremony.

The couple was accompanied by the bride's mother, Mrs. A. C. Stephenson of Meadow, and a friend, Mrs. J. B. Beasley.

The bride wore a white dress with blue and white accessories and she carried a bouquet of red roses. "For something old" she wore a necklace belong to her mother.

Her mother was dressed in purple, with black accessories, and

carried a bouquet of pink carnations. Mrs. Beasley wore brown with white accessories and a white carnation corsage.

After a wedding trip to Ruidosa and Carlsbad, N. M., the couple are at home at 307 Tahoka Road.

The bride's parents live at Meadow High school. She attended Draughon's Business College in Lubbock (and is employed in the bookkeeping department of the First National Bank.

Mr. and Mrs. Rex Whistler of Norman, Ok., are the bridegroom's parents, and he is a graduate of Oklahoma A&M. He is employed by the Phillips Oil Company.

PERSONAL SHOWER HONORS BRIDE

Mrs. Whistler was honored with a personal shower the night before she was married, May 8, at the home of Mrs. Jody Line, 603 Tahoka Road. Hostesses with Mrs. Line were Mrs. Dorothy Ellis and Mrs. Lewis Chambliss.

Refreshments of cold drinks and cookies were served. Those attending were the honoree, and Mesdames Joe Brown, Donald Price, Carl Stephenson, George Ashburn, Ellis, Chambliss and Line, and Misses Sue Stephenson, Murlene Wade, Wanda Swain, Louise Wade, and Lillian Cameron.

WMU PROGRAM IS HELD AT CHURCH

"The Multitudes Need Christian Homes" was the program of the Women's Missionary Union of the First Baptist Church when they met at 3:30 p. m. at the church. The Lottie Moon Circle brought the program.

The hymn "Let the Lower Lights Be Burning," was sung and Mrs. Ruth Auburg gave the devotional, "The Heavenly Pattern."

The following gave talks on "Homes Where Missionaries Were Prepared" in dialogue form with a living room setting. Mrs. B. L. McPherson, Mary Smith and Jerry Dumas represented Missionaries reminiscing about their experiences.

A piano solo, "Steal Away to Jesus," was played by Mrs. Billy Moore and Mrs. C. E. Ross discussed "Homes, A Primary Concern On a Mission Field." Mrs. R. B. Walls Jr. discussed "Making a Home Missionary Conscious" and Mrs. Auburg gave the closing devotional, "Challenge to Homes of America."

Approximately 35 women were present.

HARMONY H.D. CLUB AT HISSINGER HOME

The regular meeting of the Harmony Home Demonstration Club was held in the home of Mrs. G. E. Hissinger May 15. The opening exercise was a quiz entitled, "Women of the Bible."

The business meeting was led by Mrs. Loyce Floyd, chairman of the club. Plans were made to sponsor a Candidate Speaking on May 30 at 8 p. m., in the Primitive Baptist Church in Southwest Brownfield.

Miss Doris Mahaffey had charge of the program. She gave a very helpful demonstration on sleeves and making tailored belts.

Refreshments were served to Mesdames Floyd, D. E. Saunders, Ralph Murry, W. W. Menzel, C. E. Bartley, John Grocey, R. E. Townsen, F. O. Campbell, C. D. Reid Jr., Miss Mahaffey and the hostesses.

During the social hour Mrs. Townzen made pictures of the group. Our next meeting will be in the home of Mrs. J. W. Hogue, 309 W. Lake, June 5.

Mrs. Ralph Murry will give a book review at this meeting.

OES PAST MATRONS CLUB HAS DINNER

Mrs. W. B. Brown and Mrs. Wayland Parker were hostesses for a dinner and meeting of the Past Matrons' Club Friday evening at 5:30 o'clock at the First Presbyterian Church.

The invocation was given by Mrs. Grady Goodpasture, and Mrs. Brown welcomed the guests of honor, including the line officers of the Brownfield chapter of Order of Eastern Star No. 785.

A salad plate, hot rolls, iced tea and ice cream were served by the hostesses.

After the dinner, Mrs. Jessie G. Randa, president of the Past Matrons' Club, called the meeting to order and presided during a business session. Roll call of those present was made. Each person gave a brief resume of her plans for this summer's vacation.

The meeting closed after a few words from the following guests: Mesdames J. W. Nelson, Lewis Simmonds, W. F. McCracken, W. N. Lewis, K. B. Sadler, and Mrs. Goodpasture, district deputy grand matron.

Others attending were Mesdames Caroline Ellington, C. D. Moore, Lee Fulton, E. A. Proctor, Looe Miller, Ida Bruton, Lee Brownfield and Ione Turner.

MAIDS AND MATRONS IN FINAL MEETING

"The President Lady" by Irving Stone was reviewed by Mrs. J. M. Teague at the regular meeting of the Maids and Matrons Study Club which met Tuesday, May 20, at the Seleta Jane Brownfield clubhouse. This was the final meeting of the year.

It was announced that the bicycle tape had arrived and the club members were to start putting it on bicycles at school Wednesday and continue Thursday.

Mrs. Tom May and Mrs. Colman Williams were guests at the meeting. In the business session, Mrs. Tom May and Mrs. George Hunt were elected to associate membership.

Mrs. Lee Fulton was hostess. She served a sandwich plate and cold drinks.

Attending the meeting were Mesdames W. A. Bell, W. B. Brown, A. W. Butler, E. C. Davis, Barton Evans, Lee Fulton, Leo Holmes, Tom Keenan, Ernest L. Latham, W. F. McCracken, Looe Miller, E. O. Nelson, Money Price, J. L. Randall, Gaster Spencer, M. G. Tarpoley, J. M. Teague, F. G. White, L. M. Wingerd and R. S. Casstevens.

CELEBRATES SECOND BIRTHDAY MONDAY

A "Cowboy and Indian" party was given for Tom Sawyer Darough on his second birthday Monday afternoon at 4 o'clock at Cedar Lake. The invitations were in the shape of tepees and Indian heads were given to each child. Plate favors were tiny canoes filled with candy.

Cowboy and Indian movies were shown to Gerald Graham, Ronnie and Mercie Lindley, Brenda Hopkins, Duke and Diane McPherson, Carolyn and Linda Trimble and Biedre Darough.

'BOOK OF BOOKS' IS DISCUSSED BY ALPHA OMEGA ON MAY 13

A brief resume of the books of the Bible was given by Mrs. V. L. Patterson at the regular meeting of the Alpha Omega Study Club Tuesday afternoon of last week, when members met at Seleta Jane Brownfield clubhouse.

Refreshments of punch and cookies were served before the program by Mrs. Robert L. Noble, hostess.

A vocal solo, "The Lord's Prayer," was sung by Mrs. Wayne C. Hill, accompanied by Mrs. Truett Flache. Mrs. M. R. Paddock was program chairman for the day.

Mrs. Jake Gore, vice-president, presided during a business meeting, in the absence of Mrs. W. T. McKinney, president, who was in Dallas on business.

Attending were Mesdames Lee Brownfield, M. J. Craig Jr., Flache, A. J. Geron, Grady Goodpasture, Gore, Jack Hamilton, Tommy Hicks, Hill, Sam Teague, C. R. Lackey, Arlie Lowrimore, Sid Lowery, George O'Neal, Noble, Paddock, Patterson, Curtis Sterling and K. L. Watkins.

The meeting on May 27 will start at 2:30 p. m. at the clubhouse, and will be a dessert bridge and camasta party. Hostesses are Mesdames Flache, Geron and Teague.

HD Council Meets Tuesday, May 13

The Terry County Home Demonstration Council held its regular meeting May 13 at 2 p. m., in the Home Demonstrations Agent's office.

Mrs. Kelly Sears, council chairman, presided at the meeting. Harmony, Gomez, Needmore, Johnson, Pool, Union, Meadow and Chillis were the clubs represented to give their monthly reports. Club members read in unison the "Club Col-lect" which went something like this:

"Keep us, O God, from pettiness. Let us be large in word, in thought, in deed. Let us be done with fault finding and leave off self-seeking. May we put away all pretense and meet each other face to face without self-pity and without prejudice.

"May we never be hasty in judgment and always generous. Let us take time for all things. Make us, to grow calm, serene and gentle.

"Teach us to put in action our better impulses, straight-forward and unafraid. Grant that we may realize it is the little things that create differences; that in the big things of life we are one.

"And, O Lord, let us not forget to be kind."

Mrs. W. J. Moss, yearbook chairman, asked that each club decide what they would like to study for another year and present program suggestions to the committee by the June council. Mrs. Lee Bartlett, THDAC chairman, asked that all clubs send in "Plans of Work" to her, as she must get this report to Mrs. B. H. Rucker, district vice-president, by June 1.

Mrs. Sears discussed "Littered Highways" and "how we, as club women might help prevent the 'Litterbug' from making our public highways a dumping ground."

The council decided to pay the 4-H Girls club delegates and sponsors expenses to both the College Station camp and "4-H Roundup." The time of these meetings will be given later.

Miss Doris Mahaffey, home demonstration agent, made the following announcements. Each club should send in their district scholarship fee to Mrs. Frank Sargent,

council treasurer, and to please make the check to the council. All H. D. Clubs will have their "Book Review" before the 4-H Girls give their program. A reminder of the training school on "Family Life" which is to be held Friday, May 23, at Lamesa in the First National Bank from 10 a. m. until 3 p. m. Two delegates from each club will attend this meeting.

A demonstration on making the "Glo candle" will be given by Mrs. Moss in the agent's office June 3, at 2 p. m. Visitors are welcome.

Those attending the council meeting were Mesdames Kelly Sears, Ralph Murry, Frank Sargent, A. J. Bell, Loyce Floyd, J. M. Trussell, Earl Fox, Jim Finley, W. J. Moss, and Miss Mahaffey.

STANOLIND ENTERTAINS COMPANY EMPLOYEES

The Stanolind Oil Company honored its employees with a semi-annual barbecue and dance Friday night at the Legion Hall. Jaton from Fort Worth served the barbecue to approximately 500 persons.

The barbecue was a joint social of the Slaughter plant and the Slaughter area.

One of the highlights of the evening was the giving of a 30-year pin to H. J. McInay, who has been employed by the company for 30 years, and is now working at the Slaughter Gasoline Plant.

After the barbecue a dance was held in the Legion Hall. Bob Lamont and his orchestra of Lubbock furnished the music. During the dance novelty acts were presented by Crawford Taylor and Warren Walgreen.

MAIDS AND MATRONS TAPE BICYCLES

Members of the Maids and Matrons have been busy this week putting Reflecta-Tape on all the bicycles in town. The club is sponsoring the project with the intention of having all bicycles equipped with tape that will reflect at night when caught in the headlight beams of approaching automobiles.

The women scotch taped bikes at High School, Jessie G. Randal, and the Negro school at 9 a. m. Wednesday and today they are going to scotch tape bikes at Junior High and West Ward.

In a census taken recently, over 700 bicycles were counted. The Maids and Matrons hope to "tape" all of these.

SHOWER HONORS MRS. STAMPER

A "peddler" dropped into the pink and blue shower given for Mrs. O. B. Stamper Saturday morning, May 10, in the home of Mrs. Herman Chesshir, 1006 East Tate. The peddler was Mrs. Leonard Lang who was dressed the part and carried a suitcase of gifts. Mrs. Stamper opened the gifts and then was given the suitcase.

Approximately 18 guests called between 9:30 and 11:30 and several others sent gifts.

Hostesses were Mrs. Jack Griggs, Mrs. James Garth and Mrs. Herman Chesshir. Refreshments of coffee and nut and banana loaf were served. Pink snapdragons were placed throughout the house.

MOTHER-DAUGHTER GOES BANQUET IS HELD

The Mother-Daughter banquet of the Order of Eastern Star was given Tuesday evening at 7 o'clock. The banquet is an annual affair honoring the daughters of the members of the OES.

Piano selections were played by Mrs. Hazel Lackey. Invocation was by Mrs. Randal and Mrs. Grady Goodpasture sang a solo. The welcome to the daughters was given by Mrs. J. W. Nelson, and Miss Betty Jackson gave the response.

Donna Sue Nelson gave the welcome to the mothers and Mrs. W. F. McCracken gave the response. Readings were presented by Sally Sue Addison and Mrs. James Fitzgerald.

The colors of the Worthy Matron were carried out in the decorations and fresh garden flowers were used.

The menu consisted of tossed salad, baked ham, new potatoes, green beans, hot rolls, iced tea and pie.

HOW OLD WERE CADE AND SMITH SUNDAY?

Mr. and Mrs. L. G. Smith planned a surprise birthday party and ice cream supper for Don Cade, whose birthday was Sunday, May 18. The party was given at the Smith's new home, five miles southeast of Brownfield, Saturday night.

But employees of the bank where Don and L. G. work, surprised L. G. with gifts for his birthday, too, which was also Sunday.

Attending the delightful affair were Mr. and Mrs. Cade, Mr. and Mrs. Jimmy Rogers, Mr. and Mrs. Buford Milner, Mr. and Mrs. Ira Seaton, Mrs. C. H. Bush Jr., Ann Lilly, Frances Price, Geraldine Forbes, Kerby Sexton, Lois McBee, Billy Nell Rannels, Betty Landers, R. V. Moreman, Don Cross, Shirley Wood, Mary Chisholm, Bobby Jo Brown, Barbara Forbes, and Mr. and Mrs. Smith.

Persons reporting this party forgot to mention Don's and L. G.'s ages!

Robert Leon McMillan, son of Mr. and Mrs. Hulin Tyson McMillan of Brownfield, was born May 13, weighing 9 pounds 1 1/2 ounces. The father is a mechanic.

Mr. and Mrs. Joe B. Ellison of Plains are the parents of a daughter, Debra Kay, born May 14 weighing 7 pounds.

Born May 15, was Ralph Edward, son of Mr. and Mrs. James William Bayless, weighing 8 pounds. The father is a local jeweler.

A son, Anthony Barrett, was born to Mr. and Mrs. Pike Lalean Jordan of O'Donnell, May 15, weighing 8 pounds 10 ounces. The father is a farmer.

Danny Powers, son of Mr. and Mrs. Bill Powers, 417 South Third street, is "mighty" busy these days, working on his Soap Box Derby auto, which he will drive in the annual Soap Box Derby in Lubbock on July 19. The 12-year-old youth is sponsored by the Busy Bee Cafe here, and this will be his first time to enter the races.

However, he has two cousins, Jimmy and Dale Morgan, sons of Mr. and Mrs. E. H. Morgan of Sundown, who are also entering the races at Lubbock. Jimmy entered last year, and Danny was so enthused over the races that he decided he wanted to enter this year. His parents tried to interest him in the Junior Auto Races here, but he had already made his own plans to enter the derby at Lubbock.

Since contestants in our own Junior Auto Races are not "allowed" in the Lubbock Soap Box Derby—sure would be fun if Danny came down that hill on the big day there!

A \$35 telephone call—but it was worth every minute of it!

That is the opinion of Mrs. H. R. Goldston of Denver City, who had one of the most surprising, and nicest Mother's Day gifts we have heard about. She talked to her daughter, Mrs. John Kubec, who lives in Anchorage, Alaska, just before 3 p. m. on Mother's Day.

The telephone call was a gift from another daughter, Mrs. Harvey Moore, 811 North Second, who planned the surprise with her sister in Alaska and asked her to call here, collect. The whole family talked to the lady in the "northland!"

Mrs. Kubec (Hazel) went to Alaska five years ago May 27, and this is the first time the family has heard her voice since that time. She was employed in the post office in Anchorage until she married two years ago. The family here has not seen her husband, who is doing construction work there. Mrs. Goldston has two sons-in-law in Alaska, Jeff O'Keefe and Mack Sides, whose families live at Denver City. She also has a son living in Brownfield, Robert Goldston.

In telling about the family, Mrs. Moore said, "Mother has 14 living children, scattered around." Another daughter, Ethel, is graduating from high school in Denver City, and on a recent senior class trip she visited with her brother, Sgt. John D. Goldston, in Colorado Springs.

Mr. Goldston passed away in September, 1951.

Mrs. R. L. Bowers had an enjoyable Mother's Day, too, as her son, Lieut. (jg) Marion Bowers, called her from Palm Springs, Calif. He had been on maneuvers in the Pacific on the destroyer USS Erben, and called his mother when the ship docked. He will get to San Francisco on June 16.

New Books Now At Library

Many of the current best sellers are on the book shelves at the library in the courthouse, according to Miss Olga Fitzgerald, librarian. The library is sponsored by the Maids and Matrons Study Club and Terry County, and new readers are enjoying the facilities of the library each week. Miss Fitzgerald went to Lubbock Saturday and purchased the following books:

"The Cruel Sea" by Nicholas Monserrat; "Mr. Jones Meets the Master" by Peter Marshall; "The Devil's Advocate" by Taylor Caldwell; "The Sea" by Rachel L. Carson; "Texas, A World Within Itself" by George Seaton Perry; "Nittie" by Daphne Rooke; "The Gown of Glory" by Agnes Sligh Turnbull; "Mystery at the Jump" a Nancy Drew story by Carolyn King; "Silver Wings" by Grace L. Hill; "The Obsession of Victoria Graen" and "The Street of the City," both by Grace L. Hill.

AT THE CHURCHES

Crescent Hill Church of Christ

T. J. Finley, Minister

The chilly winds following the rain which we had over the weekend did not keep the people of this church from being in their places for the services Sunday. A good audience gathered for both services and the evening service was held earlier so that those who wished might go to the services at the high school.

The church has many things planned for the near future. It is expected that Harold Padon, missionary to Italy, will be in the states soon and will be scheduled to speak here; also the vacation Bible School begins June 2 and continues through June 13. Besides this there is to be an evening of singing given by a group of nephews from Boles Home in Quanlan, Texas. This will be in July and then in August C. E. Gaughey of Washington, D. C., will be here for a meeting. This is just a brief account of what the church is doing and planning to do. Truly this is the church at work.

PERSONAL ITEMS

Roy Holden of San Antonio and Cleve Holden of Coolidge, Ariz., came up from Coahoma, Sunday, to visit their sister, Mrs. A. E. Stricklin, and family. Cleve returned to Coahoma Sunday p. m., but his wife and other heirs of the Wolf estate are completing the settlement this week. Roy remains for a longer visit with his sister.

Mr. and Mrs. Roland A. Fargy, Austin, son of Mr. and Mrs. Fargy, 303 East Tate, were visitors here over the weekend. They left Sunday for an extended two-week tour of New Mexico, Colorado, Kansas and Oklahoma. Mr. Fargy is a linotype operator for the American Statesmen at Austin.

After a visit here with their son, Milton, and family and other relatives, the Herbert Bells left last week for their home in Marshall.

Thanks A Million!

(Editorial)

This issue of the Cub's Den will conclude another year of its publication. To some or maybe all students this will be a great relief. I would imagine it has been a nuisance, but we know you enjoyed each edition. Compared to the faithful sheep, you have read it from the blasting front to the breath-taking last page, gossip and gab. Through your undiminished interest and enthusiasm, its circulation has decreased from 40,000 to 450. And the continuous tremendous, astounding rate of increase in circulation as shown this past year, the Cub's Den of '53 will undoubtedly be rated as Texas' finest newspaper.

Seriously, on behalf of the staff of '52 I would like to express our sincere thanks to you, the student body for your marvelous cooperation. We have enjoyed so much the privilege of writing about you and your activities. We may not have presented the news in a very interesting manner, but we did the best we could. To publish a paper on time each week is not an easy task. It appears to be, but believe us it will give you a headache you will never forget. Again, thanks to you, the student body. Here we go to press again. So long and good luck to the Staff of '53.

—The Editor.

PERSONALITY OF THE WEEK

This week our personality is Mr. Handley, the D. E. teacher of BHS. He lives at 504 N. Bell and his telephone number is 198-J. Mr. Handley graduated from high school in Clifton, Texas. Then he was in the service from 1942 to 1947. He entered the Junior College in Clifton and attended there for a year and a half. He then left to go to North Texas State in Denton, Texas. In 1950 he graduated from North Texas with a BBA degree.

Mr. Handley started his teaching career by teaching one year in Bosque County Vocational School in Meridian, Texas. After this year he came to BHS as our Distributive Education or D. E. teacher.

Mr. Handley has black hair and brown eyes. His list of favorites are: food, just food (steak); color, yellow; pastime, fishing; and pet peevs, Dean Neugent and Sidney Jones.

Mr. Handley says he likes teaching just fine.

Couple of the Week

This week we have chosen a rather new and cute senior couple for our couple of the week. Although they have only gone together a month and a half, they are really hitting it off. Their song is "Be My Life Companion." In case you haven't guessed by now who the couple is, they are Wynelle Webb and Dean Murphy.

Wynelle is 5' 3", has green eyes, and brown hair. She was in chorus during her freshman and sophomore years. As a junior, she was elected class favorite. Added to her list of honors and activities is having been cheerleader for the past three years. Among her favorites are: color, blue; food, shrimp; and pastime, reading.

Dean stands 6' 1", has blue eyes and brown hair. He is a three-year football letterman. He played right tackle position. Dean has been in the student council all four years of his high school career. He was vice president last year and president this year. He was president of his sophomore class. Among Dean's list of favorites are: color, red; food, French toast and ketchup; and pastime, Wynelle.

Wynelle and Dean have plans to attend Texas Tech together next year. Good luck, Kids!

Senior Class Will

We, the 1952 graduating class of Brownfield High School, being of sound mind and body, have prepared this document as our last will and testament, and do hereby appoint the members of the Junior Class as executors of same. We request that you carry out our wishes and execute our instructions to the best of your ability.

I, Dorothy Ellen Abney, leave all my boy friends to Freda Anthony so she can have a few dates. I, Mickie Jean Absher, leave my late hours to Elizabeth White and Marilyn Willis so they won't have to go in so early. I, Chester Alton Albert, leave my ability to get along with Miss Morgan to Maxine Doss and Sarah Higdon.

I, Dorothy Marie Albert, leave my talk to Peggy Lilly and Deona Mabry. I, Sidney Mae Allen, leave my pick-up to Herbie Kendrick so he can get rid of that old Cadillac.

I, Joseph Donald Auburg, leave my woman-power to Richard Bucy and Eugene Brumley. I, Charles Earl Bartley, leave my ability to box to Ronnie Danieil.

I, Otha Dennis Beadles, leave my ability to knock the women over dead to Lanny Webb and Glenn Reid. I, Bobbie Marie Bingham, leave my good grades to Joe Brim Moore and Clancy Martin.

I, Paul Ace, Tootie, Henry Billings, leave my bashfulness to Jack Lucas and Jerry Bailey. They need it!

I, Sir Donald Ray Boyd, leave my ability to write "love notes" to Billy Cope, but please don't write them to Lady Gail. I, Doyle Earl Bradley, leave all my many girl friends in the capable hands of Gene Aven.

I, Betty Francis Butcher, leave my loud mouth to Georgia Martin and Fred Constancia so maybe they can come out of their shell and say something every once in a while.

I, Carlon Dell Brady, leave my muscles to Betty Jackson and Faye Grisson. I, Christopher Dominic Burda, leave not only my scientific mind but also my heart to Joann Short.

I, John William Burris, leave my beautiful voice to Dale Travis and Ray Latham so maybe they can sing something pretty for a change. I, Bobby Lynn Carter, leave my ability to take care of the Cubs to Joe Swan and Royce Kelly and you better take care of them or we, the 1952 Senior, will come back and beat you up.

I, Charles Byron Cabbiness, leave my bookkeeping to Shirley Rock, Johnny Montgomery, and Orville Miller cause it will take all three of them to get it balanced. I, Edward Lee Courtney, leave my horses to Earlton McCutcheon.

I, Lavada Elizabeth Durham, leave my Meadow boys to Parilee Nelson and Rena Faye Chesshir and hope they will have as much fun with them as I did. I, Robert Young Ferguson, leave my bar—bells to Fred Salmon and Wesley Price.

I, Douglas Harold Forbes, leave my ability to cook to Charlene Tuttle and Annie McKee so they can catch a husband. I, Thomas Ol Hord, leave my big feet and reclining hairline to Jo Ann Zant to do whatever she wants to with them.

I, Donald Gene Huckabee, leave Miss Dunaway to Claud Cypert and Dewey Lindley and hope you'll have better luck than I did. I, Carrie Pearl Hudson, leave my sex appeal to Cordell Green so he'll start dating the girls. I, Janet Johnson, leave my brogue to Betty Ray.

I, Donald Jones, leave my physique to Jimmy Walker. I, Mary Ann Jones, leave my

ability to tap dance to Kaye Hinkle.

I, Sidney Wayne Jones, leave my beautiful changeable hair to Tammy Yates and Velma Rackler. I, Robert Jackson Latham, leave my little feet to Joanne Shelton because she always wanted little feet.

I, Dessie LaMoine Lindsey, leave all my love to O. E. Floyd, Dale Crockett and Jimmy Warren. I, Gloria Virginia Little, leave my speedy talk to Ruth Chisholm and Barbara Britton. I, Charles Edmund "Choo-Choo" Mayfield, leave my bowed legs to Faye Thigpen.

I, Roxanne Miller, leave my ability to change my mind to Wanda Jones and Evelyn Stevens. I, Glenn Valadon Paden, leave my forwardness to Mack Hord and Johnny Cloud.

I, Leah Dale Portwood, leave my clothes to Roscoe Treadaway and hope they will fit. I, Betty Mitchell, leave my giggle to Richard Ridgeway and Jesse Warren Jr.

I, Windle Dean Murphy, leave my grin to Jammy Austin and Earl Davis so all the women will fall in love with you as they do with me.

I, Hubert Dean Neugent, leave my limited vocabulary to Billy Dumas and James Barnes. I, John Odell, leave my notebook with "Toni" carved on it to Loman Jones.

I, Geraldine Oliver, leave my figure to Deaun Harrell and Jane Anderson. I, Stanley Ray Rimer, leave my ability to drive to LaDell Moore and Kenneth Spears. Good luck, Kids!

I, Norma Ruth Rogers, leave my love of speech class to Wanda Jones and Joan Knight. I, Marlene Amaryliss "Stinky" Starnes, leave my boxing gloves to Phil Young and Adrian Hinson.

I, Howard Glenn "Digger" Swan, leave my nickname to Byron Wise and hope you make it as famous as I have made it. I, Kay Frances Szydoski, leave my Harvest Queen Title to Bessie Vandiver.

I, Vernon Bryce Wagner, leave my ability to get along with girls to Max Proffitt and Joe Sharp since they seem to need it more than anyone else.

I, Joy Lynn Walsler, leave my flirting ability to Jerry Anderson because he wanted me to. I, Wynelle Webb, leave my brother, Delwin Webb, to any single school teacher that comes along and I hope he will not be an old bachelor.

I, Sally Byrd Russau, leave my freckles to Betty Payne because I think she would look cute with freckles. I, Charles Fredaric Niccum, leave my knowledge of electronics to Doyle and Lavon Hudgens but I don't have any idea what they will use them for.

I, Charles Ray Duke, leave my adam's apple to Madelyn Thompson and Wilma Price because it is so cute. I, Ruby Blanton, leave my ability to be rowdy to Jacky Stockton and Herbie Moore, but I hope they will not get into trouble.

I, Jerrell Duane Rowden, leave my love of school to Jimmy Victory. And we, the Seniors, leave our dear and beloved sponsors to Brownfield High to carry out the traditions and we hope that they become sponsors of a class that will win the Queen's Race.

Already you, the members of the Junior Class, have proved to us how capable you actually are. It is through your plans and organization that we are so royally entertained this night, the 15th of April, nineteen hundred fifty-two, at the Junior-Senior Banquet in the Hilton Hotel, Lubbock.

We, the graduating Seniors, are now willing to part from you knowing that the leadership of Brownfield High School is being left in strong and able hands.

BREAKFAST HONORS STUDENT COUNCIL
 Mrs. J. D. Miller honored members of the student council with a breakfast at the LaMecca Cafe Tuesday morning of last week. At this breakfast, Dean Murphy, who has been president of the council this year, officially turned over the presidency of the student council to Jerry Anderson.

Plans were made for next year, and the group voted that new cheer leader uniforms would be purchased, and that the head cheer leader be made a member of the student council.

Officers of the student council for 1952-1953 include Jerry Anderson, president; Billy Thomason, vice president; and Betty DuBose, secretary.

Charles Mayfield Is Senior Personality

Charles Mayfield has been chosen for our senior personality. He is 5' 8", has blond hair and blue eyes.

"Choo Choo," as he is sometimes called, has been an outstanding classmate all through high school. In the athletic field he has received two basketball letters and three football letters. He was Freshman and Sophomore favorite. This year Charles has been vice president of the senior class.

Among his favorites are: color, blue; pastime, messing around; food, chicken; song, "My Happiness;" and subject, typing. Charles plans to attend Texas Tech after graduating from BHS. We want to wish him luck and success in the future years.

A NOTE OF THANKS

I didn't have the opportunity to tell each of you seniors how much I enjoyed the senior trip, and how nice you were to me, but I would like to say to all of you, you are wonderful. I couldn't have made a nicer trip with a nicer group. Thanks again for your kindness. Mrs. Bradley.

Ex-Cub of the Week

Doug Forbes was chosen as the ex-Cub of the Week. Doug has played two years with the Cubs and earned two letters. He played offensive right tackle and defensive left tackle. Doug is a hard worker, with all the determination in the world. We are proud of Doug and we know the Cubs will miss him next year.

FFA News

The Future Farmers of America elected new officers. They are: President, Byron Wise; vice president, Glenn Reid; treasurer, O. E. Floyd; reporter, Adrian Hinson; secretary, Ray Latham; sentinel, Claud Cypert; second vice president, John Burnett; parliamentarian, Tommy Winn; historian, Van Perry; third vice president, Dickie Green.

The following boys will go to the state convention at Texas A&M as Lone State Farmers: Ray Latham, Richard Ridgeway, Glenn Reid, Byron Wise, Dennis Beadles, Royce Kelly, Lanny Webb and Adrian Hinson.

Morgan Copeland To Graduate May 31

In giving the ones that graduate this year at Texas University, we did not mention Morgan L. Copeland. In fact, we for some reason thought he graduated at the close of the first semester.

Anyway, they may not give the law and medical student graduates at the time the names of the literary students' names are given out. Anyway, hail, and best of luck to Morgan L. Copeland—strictly a native.

He was born and reared here by his mother, his dad having died when he was a small child. He graduated from high school here, and entered the U. of T. to begin his law studies. Presently, he and his wife live in Fort Worth, Mrs. Copeland being a citizen of that city when they married.

Judy Griffin Graduates From Trinity U.

Mr. and Mrs. J. H. Griffin and their daughter, Mrs. D. A. Peachee, of Lubbock attended the baccalaureate and commencement services of their daughter, Miss Judy Griffin, who graduated from Trinity University in San Antonio. Baccalaureate services were Sunday evening, May 18, and commencement was Monday at 8 p. m. Both services were held in the Sunken Garden Theater at Brackenridge Park.

Miss Griffin has been an honor student all through college.

SIXTEEN PERSONS BUY NEW CARS PAST WEEK

Mrs. Florence Webb reported that seven new cars were sold here last week. We believe this is the lowest weekly report we have had in some time. But here they are: McDaniel Automobile Co., 1951 Buick; C. R. Davis, 1951 DeSoto. The following were all 1952 models: Alvin McMillan, Mercury; F. B. Skaggs, Buick; Leonard Hord, Pontiac; Martin & Chesshir, Oldsmobile, and Felix F. Foster, Plymouth.

THREE COUPLES OBTAIN MARRIAGE LICENSES

According to information obtained at the County Clerk's office this week, the following couples obtained licenses to wed the past week:

Robert E. Risinger and Miss Acena Bowlin; Jimmy Kirkendale and Miss Lois Gwendolyn Hicks; Leaford R. Davis and Miss Dorothy Jean Hadaway.

No divorce suits were filed.

Mr. and Mrs. George Martin were in Mineral Wells on business over the weekend.

Working Together to Save Our Soil

"While the farmer holds title to the land, actually it belongs to all the people because civilization itself rests upon the soil."

That statement made many years ago by Thomas Jefferson gives briefly the fundamental reason for the Agricultural Conservation Program, according to Riley D. Jones, chairman of the Terry County PMA committee.

According to the chairman, the ACP essentially is a means for all the people to share in the responsibility of protecting and building up the land. Through this program the Nation cooperates with the individual farmer by sharing with him the cost of essential soil and water conservation practices.

The soil and water conservation practices encouraged by the program, he explains, are those which experiments and experience have shown are most effective in controlling erosion and in making the land more productive and which are not carried out to the extent needed.

Actually the amount invested by the Nation in partnership arrangement is small, he points out. On the farms cooperating in the agricultural Conservation Program in 1950 the average assistance for conservation practices was less than \$90. The farmer added \$100 to \$200 to this, making the total investment in conservation somewhere between \$200 and \$300 per farm.

Recent studies in Michigan show that to own and operate a farm today requires an investment of \$20,000 per man and \$265 per acre. The investment for the more successful farms included in the study averaged nearly \$40,000.

Don Burda Receives Boy Scout Award

Don Burda, son of Mr. and Mrs. Floyd S. Burda, has received the "Ad Altare Dei" Boy Scout Award for his services as acolyte (altar boy) from Laurence J. Fitzsimmon, bishop of the Amarillo diocese of the Catholic Church.

Don is the second to receive this award, in this diocese, the award being the highest honor conferred by the church on Boy Scouts. His medal was presented him by the local pastor, Rev. George Buckley, SPA, pastor of St. Anthony's Church.

Mr. and Mrs. W. T. McKinney returned home Sunday night after a 10-day trip. They visited his mother, Mrs. T. E. McKinney, at Gordonville, and her mother, Mrs. J. J. Frazier, at Farmersville. Mark, John and Kenneth Frazier Jr. accompanied them to see their grandmother at Farmersville. Mr. and Mrs. McKinney also attended the Texas Association of Insurance Agents which convened in Dallas last Thursday, Friday and Saturday.

WHERE EISENHOWER STANDS

By **RAYMOND FITZCAIRN, Editor**
Americans for Eisenhower

REAL GRASS ROOTS

The national trend toward Eisenhower for President had its start among the people. Among the beginnings of this grass-roots movement was a petition poll, asking Ike to run, taken of all the voters in the borough of Bryn Athyn, Montgomery County, Pa. The result was astonishing: 78%, including Democrats, asked Eisenhower to run as the Republican candidate.

Poll at Gettysburg

Preparations are under way for a house-to-house poll of the historic town of Gettysburg and neighboring communities in Adams County. Your columnist outlined the reasons for drafting Eisenhower at the organization meeting of the Gettysburg Chapter of Americans for Eisenhower in the following address:

The Man and the Crisis

"The world comes to Gettysburg for inspiration in human leadership; for this was the soul of Lincoln. As in his time, our country must combat sinister forces that threaten human liberty not in America alone but throughout the world.

"In times of crisis men are raised up by the Divine Providence to guide the nations. Today the man who looms on the world horizon as best qualified to lead America and the world is Dwight D. Eisenhower.

A Great Statesman

"We are met tonight to petition General Eisenhower to run for the great office of President of the United States.

"This great American's statesman-

Plains Eighth Graders Commencement Tonight

Commencement exercises for the Plains eighth grade class is to be held today, May 22, at 8 p. m., in the Plains school auditorium. The following is the program for the evening:

Processional, "Pomp and Circumstance," Mrs. G. D. Anderson; Invocation, Rev. F. R. Pickens; Piano Solo, "Minuet," Dorothy Beshears; Welcome Address, Salutatorian, Velma Wilson, Vocal Solo, "In the Garden of My Heart," Paula Conwell; Class History and Prophecy, Nell Randell; Clarinet Solo, "Snuggle Time," Gail Busby; Class Will, Bobby Chambliss; Bass Solo, "Murmurs," Lanny Smith; In Appreciation, Valedictorian Norma Harvey; Clarinet Trio, "Southern Waltz," Virginia McCord, Dorothy Beshears and Paula Conwell; Presentation of Awards, Supt. G. D. Kennedy; Benediction, Rev. C. E. Strickland; Recessional, Mrs. G. D. Anderson.

ship has already been well proven by his ability to compose the differences and enlist the cooperation of other strong and able men.

"He has demonstrated his ability to stand firm against the pressure of friends, the assaults of enemies, and the cunning devices of self-seekers. He has shown genius in determining the time for important action, and calm courage in acting when the time has come. He has proved that he can discover and inspire whatever of goodwill and cooperation is in men's hearts and minds. He has revealed outstanding executive ability to lead, rather than compel, other men to work and act together for so much of a cause as they can agree upon and support in unity.

The Man to Unite Us

"His force of character is governed by patience—patience with which to await the appointed hour, the free cooperation of others, and the guidance of Almighty God.

"Eisenhower is the one man who can unite all Americans who are determined to restore our country and its government to integrity and sanity. He is the one man who can effectively enlist world cooperation and respect in our dealings with friendly nations.

"By firmness of policy, soundly based upon experience, Eisenhower can also do more to secure respect from our enemies and thereby prevent another world war than can any other living American.

"He is the man of the hour, not by his own striving or seeking, but by his wisdom and fitness for the work which the hour demands."

GMC Trucks Get Big Ordnance Order

PONTIAC, Mich. — The GMC Truck and Coach Division has announced it has been awarded by the Detroit Ordnance District an additional contract amounting to \$125,000,000 for GMC 6x6 tactical military vehicles for Army Ordnance.

The new contract brings GMC Truck's total dollar value of defense contracts, already completed or scheduled, to more than \$500,000,000, according to Roger M. Kyes, vice president of General Motors and general manager of the division.

Mrs. G. G. Gore, who has been in the local hospital since last January, was removed to her home, 104 East Main, last Thursday. Mrs. Gore suffered a stroke and was taken to the hospital, where she underwent surgery. Her condition is reported to be some improved.

To Attend Methodist Conference, Lubbock

Rev. and Mrs. Dallas D. Denison will go to Lubbock next Wednesday, May 28, where they will attend the annual Northwest Texas Conference at First Methodist Church. The conference convenes through June 1, and at the 11 o'clock service on Sunday morning, Bishop W. C. Martin of Dallas will deliver the sermon.

Appointments in the conference will be read about 2:30 o'clock Sunday afternoon.

Rev. Denison, who is chairman of the board of evangelism for the conference was in Lubbock on Monday, May 12, when plans were completed for the sessions. Bishop Martin, Robert L. Armor of Texas Mission Home and Training School, San Antonio, and Glenn Flinn, Dallas, past director of the Wesley Foundation for Texas, attended, in addition to chairmen of boards, commissions and committees.

Farmers Improving Their Homesteads

COLLEGE STATION. — Drought and cold winters of 1950 and 1951 did not discourage rural families in their farmstead improvement work. Sadie Hatfield, specialist in homestead improvement for the Texas Agricultural Extension Service, shows in her 1951 annual report that rural families in 169 counties made substantial improvements despite these obstacles.

Lawn demonstrations were established during 1951 by 397 families in 70 counties. These added to the number of similar demonstrations established in former years brings the total to 1,281.

Miss Hatfield says much credit goes to club leaders for the other work done, such as planting 16,913 shade trees, 349 windbreaks, and 47,392 shrubs, sodding 3,315 lawns and constructing 1,824 drives and walks.

How Much Is A Billion Dollars?

Gus Hansen, president of the Bell County Farm Bureau, found the answer to this one. This appeared in the Temple Telegram.

We are told our national debt is around 267 billion dollars.

I wonder how many of us realize just how much a billion dollars is.

Here is how much it is. If you started farming in the year 1 A. D. with a billion dollars, and we'll say you are a poor manager and lost \$1,000 per day for the past 1952 years, you could farm another 700 years and keep losing at the same rate before you would use one billion dollars.

In other words, it would be 2652 before you would run out of money. That's how much a billion dollars will cover.

I think we should start counting our pennies.

Tommy Watson, daughter of Mrs. Louise Watson, underwent tonsillectomy in a Lubbock hospital Thursday morning.

**REGISTERED NURSE SAYS
BIG 12 FORMULA IS BEST**

When a registered nurse with years of experience in hospitals and private homes caring for sick people recommends a medicinal product one can be certain that the product has real merit. Mrs. Fern Collins, a registered nurse who resides in San Clemente, California and recently visited in Texas had this to say about BIG 12 Iron Tonic.

"I am a registered nurse, serving many years in hospitals and on private cases, and I have seen many instances where patients, suffering from stomach trouble, nervousness, sleeplessness, loss of appetite and a general run-down condition have been greatly benefited by taking a vitamin and mineral tonic such as BIG 12. In fact I should consider BIG 12 an absolute necessity where the patient's system is deficient in Vitamins B₁, B₂, Niacin, and Iron; this is especially true in cases of iron anemia of which there are many. I have studied the BIG 12 formula carefully and BIG 12 supplies by far more iron per daily dose than any similar product I have seen and I think I am familiar with all of them. BIG 12 also supplies in the daily dose as much of the new Red Vitamin B₁₂ as a doctor usually gives in an intramuscular injection. I believe that BIG 12 Iron Tonic, supplying as it does, helpful amounts of Vitamin B₁, B₂, and Niacin in addition to Vitamin B₁₂ and with such a large Iron content is undoubtedly the best tonic a person, young or old, can take to relieve conditions caused by these deficiencies. Also, because of its pleasant taste, BIG 12 is invaluable to mothers whose children are not thriving as they should, since children will readily take BIG 12 and this is important to mothers because other similar products usually taste atrociously and have to be diluted with water to enable an

adult to take them, much less trying to get such a dose down a child. BIG 12 requires no dilution with water, in fact BIG 12 can be placed in milk without causing the milk to curdle as will be the case with other similar products."

If you or any one in your family, a grownup, or child, is suffering with stomach distress, listlessness, poor appetite, nervousness, nagging aches and pains and sleeplessness due to deficiencies of Vitamins B₁, B₂, Niacin and Iron you could not possibly do a greater favor than to purchase a bottle of BIG 12 Iron Tonic at your drug store and within a short time, often before the first bottle has been taken, you will note a decided change for the better, you'll note more energy, better appetite and a general improvement so why wait? BIG 12 is the product you have been looking for if you suffer from these deficiencies and it is as close to you as your nearest drug store. *Photograph shown is a professional model by Underwood and Underwood.

Senior (Trip) Lowdown

Well, we're back and boy did we have fun! I couldn't even begin to tell you about everything that happened or everything we saw. There aren't enough words to describe it, however, I'll try to give you a very brief, but censored lowdown.

Christ started the trip off with a bang. It seems that when both buses were ready to pull out, the president of the senior class was still in bed. A messenger was sent to "fetch" him and we were on our way. Breakfast came a little early and we didn't have much time to eat. We all took lunches to eat that first day. We were "gonna" have a picnic in the shade of some trees. Well, most of us ate on the bus 'cause where we stopped there were no trees and the only shade was a big rock. Holbrook was our destination that day. It was quite charming. There was one movie. Our courts were about 10 blocks from this thriving metropolis, however, the railroad track was very conveniently located directly behind the court. Everyone took an invigorating cold shower and went to bed that night, as most of us were very tired.

The next morning we were off to an early start. That day we saw the Petrified Forest, Grand Canyon and Cliff Dwellings. We stayed at Kanab, Utah, at a very swanky place. We had supper by candlelight and each table had a cluster of lilacs. We took hot showers that night, and slept where movie stars had slept.

The Bryce Canyon was the next highlight of our trip. Everyone agreed that it was more beautiful than the Grand Canyon, and we all hated to leave. There was a little snow there and a lot of us had wet shirts before we left. We reached Salt Lake City early that evening. Everyone got cleaned up and left in groups. I was in a group of 14 which ate supper and later went to a dance. On this particular night it seems that one or two of the girls wore heels and rubbed a few blisters, making it very hard to walk the 10 or 12 blocks back to the courts. It also seems that someone got lost, which wasn't hard, and had a time trying

COCK O' THE WALK—This five-year-old Silver Dorking rooster really has something to crow about. Not only is the Dorking one of the earliest listed of all chickens, dating back to the days of Caesar, but it is one of just three breeds of chickens which have five toes. Oh, yes—holding the Dorking is Joyce McNeely, 16, of Upper Kagle Canyon, San Fernando, Calif.

Mrs. R. M. Kendrick and Mrs. Lillie McPherson returned home Tuesday night of last week after a two weeks stay at Marlin.

Miss Donnalita Cooksey of Seagraves visited in the home of Mr. and Mrs. W. R. McDuffie Friday. She also visited with Mrs. Gene Coward.

to find the way back. We finally returned very tired and ready for bed.

The following day we saw the Mormon Temple and spent the entire morning going over the grounds and asking questions concerning their religion and origin. This tour was thoroughly enjoyed by everyone. We then went out to the Great Salt Lake and later rode around trying to find the flood. We didn't find it so we returned to the courts. Some of us took a nap in the afternoon and some took in a movie. At about 5 o'clock we got ready for supper. During this process someone left a hot iron on a certain bed which burned through two sheets and scorched a bed pad. That someone received the bill on arriving at BHS Monday morning.

As I was saying, we got ready for supper and then a group of 12 went out again. We found a very nice restaurant, but we had a little trouble with a waiter, 'cause he "didn't like Texas." There was quite a discussion, but it was all in fun and soon forgotten. After supper we all decided to go to a movie, but the girls refused to walk. Did you ever try to get 12 people in a taxi? It can be done. You should have seen the people's faces when we all got out. We took two taxis going back.

The next morning we set out for Denver, Colo. We drove over two beautiful passes and in some places the snow was about six feet deep. We arrived in Denver at 11:30 that night. Everyone grabbed a bite and went to bed.

The next day we saw the Colorado Capitol and Museum and then shopped for about an hour. We later went through another museum and left Denver at 2:30.

Early that evening, we reached Manitou Springs, where Roxanne Miller and Joe Auburg were crown-king and queen of the trip. We ate and then almost everyone went ice-skating. Those who weren't on the ice enjoyed seeing everyone fall. Mr. Webb's tumble was the main event of the evening. This explains everyone's bruises, if there were any doubts.

The next morning we all ate and then were free to do as we pleased. About half of us went horse-back riding. This explains the limps and groans. We rode for about 2 or 3 hours and then went to lunch. After lunch we went on a tour of the Garden of the Gods and the Cave of the Winds. After this tour some of us went swimming, some went horse-back riding, and some went back to the lodge.

That evening after supper we had a dance. Some of the seniors retired early; others stayed up all night. "You don't wanna" get too much sleep!"

All in all it was a wonderful trip, but as I said before, I could not even begin to tell you everything that happened. A class trip is really something for the seniors of next year to look forward to. We sure had fun!

Brownfield Teachers Have Final Meeting

The Brownfield Classroom Teachers Association met at the High School Library at 4 on May 12, for its final meeting of this school year. A program was presented to the group by Mr. Fred Smith, band director. Billy Mac Herrod played a saxophone solo, Fantasie Varie, and Lannie Webb played a baritone solo, Sounds From the Hudson. They were accompanied by Mrs. Roy Herrod.

A short business meeting followed in which plans for the coming year were discussed and committee reports were heard. The association plans to be working on a full scale by next year.

The Brownfield Classroom Teachers Association was recently organized here in the schools for both the benefit of the schools and the towns. Some of its main purposes are to elevate teaching and scholastic standards through courses of study, to acquaint the public with what the schools are doing—their methods, needs, and problems, to encourage better relations

AT THE CHURCHES

The Church of God
Rev. Otho Stegall of Fort Worth is new pastor for Church of God, and will move his wife and two children here as soon as school is out. Rev. Stegall has been doing evangelistic work the past several months. The former pastor, Rev. Jimmie Rickles, is in ill health, and had to resign the pastorate here. He and his family are now in Alabama City, Ala.

between the school and the community, and to enable the teachers of Brownfield to become more influential and active part of the town.

One definite plan which has been announced is the working out of a code of ethics for teachers. Another is a weekly radio program through which the teachers may express their ideas and opinions to the public. The association also plans to work with the civic clubs in projects and programs which will be beneficial to the town and schools.

Local Kiwanis Club Receives Charter

The Kiwanis Club, Brownfield's newest civic organization, received its charter at a banquet given at the Jessie G. Randal school cafeteria Tuesday night at 7:30 o'clock. Lewis H. Fouts of Lawton, Okla., governor of Kiwanis Texas-Oklahoma districts, was guest speaker. Master of ceremonies was Bailey G. Chaste of Sweetwater, lieutenant governor of division 12.

The club was organized two months ago under the sponsorship of the Lamesa organization. Representatives from Lamesa assisted with the presentation of the charter.

Kiwanis clubs represented at the banquet were Lubbock, Hub City, Lubbock, Sweetwater, Abilene, Big Spring, Plainview, Colorado City, San Angelo and Lamesa.

There were 116 persons present at the banquet. Officers of the new organization are Robert L. Noble, president; O. H. Allen, vice-president; B. R. (Bill) Neill, secretary; and Ralph Landers Jr., treasurer. Directors are: Bill Cope, Don Cates, Eldon Corneilles, Grady Goodpasture, Ted Ford, Dr. Frank P. Miller and Rev. James W. Weathers.

Other members are: Odell Sears, Henry J. Forbes, Thomas C. Handley, Archie L. Waddell, Vernon Maston, Erwin L. Moore, Fred E. Arnold, Charlie J. Yoast, Robert Lester Bandy, Bill Settle, Wilson E. Collins, Bob Wells, Lester Bushnell, L. G. Wilson, and J. C. Powell.

Very nice gifts were presented to the new club. Among those presented were a gavel, a song, a Kiwanis banner, a United States flag, and a Canadian flag, name badges for each member, and the Lubbock club presented the club with song books.

Draftees Leave Tuesday Morning

The following men left Brownfield Tuesday morning for America where they were inducted into the armed forces: Loyd Thomas Cunningham, Denver City; John William Duncan, Berkeley, Calif.; Robbie Bryant Hart, Levelland; W. C. Harding, Monahans; Roy Wesley Bennett, Denver City; Loyd E. Oden, Daugherty, Brownfield; Gene Loyd Gray, Brownfield; William Henry Chandler, Wolforth; Jack Franklin Jones, Brownfield; and William Earl Weaver, Levelland.

Mrs. Joyce Glick, clerk at the Selective Service local board No. 111, reported three transfers, who were left with the local group: James Monroe Batchler, Denver City; Lewis Elbert Oden, Sundown; and Noah Hernandez Solis, Meador.

Sheriff's Posse In Parade at Lubbock

Members of the Terry County Sheriff's Posse who rode in the parade in Lubbock Wednesday of last week were: Urate Snyder, Tess Fuller, High Dew, Clyde Truly, Dr. E. C. Davis, Don Ballew, V. G. Simmons, Ocie Murry, Jiggs Boen, Roy Whittington Dewey Murphy, Clyde Wilson, Dewitt Stafford, Ray Christensen, Eld Hardin, Frankie Sydzieski and Morris Russell.

The parade opened the annual ABE rodeo in Lubbock. The Vernon Santa Rosa Riding Club won first place in the parade, and there were 24 men all riding Palominos.

Approximately 12 members of the posse were present at a called meeting which was held Monday night. They met to discuss the handling of all the posesses that will attend and take part in the Brownfield Rodeo Parade, which is to be held at 5 o'clock this afternoon.

Band Director Gets Surprise Gifts

During the half-time performance at the Cub-Senior football game at Cub Stadium last Thursday night, Fred Smith, director of the high school band, was honored and students dedicated the band activities to their leader.

The performance was the same the band used when they received first place honors in marching at the Interscholastic League contest in Canyon recently. Mr. Smith was called to the press box, and Tommy Hord, president of the band this year, presented him a gift certificate worth \$100 for a tailored suit, and another gift of \$100. These gifts were from parents of band students. Completing the program, the band played the school song, then marched off the field.

In appreciation for the fine work done with the band by Mr. Smith, an attractive window, displaying trophies and pictures is at Griffith's Variety Store. C. G. Griffith, owner of the store, is president of the board of education. Among the many activities in which the band entered were the Sun Bowl parade in El Paso on New Year's Day and half-time activities during the football game; the parade celebrating Oil Progress Week in Levelland; and the winning of "sweepstakes" at the contest in Canyon.

Approximately 36 members of the high school band will attend the Texas Tech Summer Music School starting June 5 and continuing through July 2.

Directors of the band school will be Dr. D. O. Wiley, director of the Tech Concert Band and Dr. A. A. Harding of the University of Illinois. Other members of the faculty will be directors of different West Texas school bands. Mr. Smith of Brownfield will be a clarinet instructor.

A school bus will run each day from Brownfield for the students who are attending the school. Approximately 15 other band students will be attending other band schools later in the summer, Smith said.

Farmers Planting Drier Areas First

Being a bit inquisitive, we learned this week that if a farmer has a scattered bunch of farms, he went to planting those with the lesser rainfall early this week, leaving those with more abundant rainfall until later in the week. This is a wise movement.

For instance, one farmer who lives some six miles northwest of town, where they had around an inch and a half, went out to his farm in the Tokio section to plant, first, where rainfall was not quite so abundant—in fact considerably less than the home place.

In this way, he will stand a good chance to get cotton and feed up on both places, even if there is no more rain soon. However, the long range prediction is that there will be more rain this weekend.

OIL NEWS

Since our last effort along the line, two wells have been brought in here in Terry. One of them was in the Adair-Wolfcamp, in south Terry, and the other in the Wellman field. As we made no notes at the time, we have forgotten just whose land the Adair find was on, but it was a fairly good well, up to around 600 bbls. per day, and flowing.

The Wellman field addition was on some of the Seales tracts, and proved to be a fairly good well. It was spread away from the original field. In fact, the Wellman field is becoming rather extensive, and not so disappointing as the South Brownfield pool that was confined to a section or two of land. By the way, a fellow informed us recently that to sustain the fact that it is a small field, gas is becoming so weak, that some of the wells may go on pump.

One of the Yoakum county fields has extended over in Terry, and a well around 6000 feet was brought in last week that will pump some 400 barrels per day, with a small per cent of water. They just keep extending the fields in east Yoakum; not fast, but surely.

Cancer Crusade To Open on Monday

The 1952 two-week Cancer Crusade opens Monday with the mailing of letters to residents of Terry County. J. C. Powell Jr., Terry Crusade chairman, said that under the direction of Mrs. Ben Monnett, local clubs and organizations which saw the educational film on cancer will be contacted for donations. Voluntary contributions can be mailed to "Cancer" in care of the Brownfield postoffice.

The American Cancer Society, the educational leaflet explaining the Texas Cancer Crusade, the important facts about cancer, and the warning signal which the disease gives, were distributed at the time of the showing of the film. Mr. Powell emphasized that passing this life-saving information to the public is equally important as the fund raising success of the campaign. "Reaching every person with the simple truth about cancer is our chief aim. To collect voluntary contributions was the nation wide research effort, and to enlist workers for the educational and service program carried on by the Terry County unit of the American Cancer Society is the secondary objective."

The county Crusade goal this year is \$1,250. The goal for the state is \$600,000.00. The slogan for this year's crusade is "Cancer strikes one in five. Strike back! Join the Texas Chapter Crusade!" Mr. Powell states that one of the surest ways to strike back at cancer is to know the vital facts of the disease and to act promptly at the first sign of symptoms. He said, "Twenty-two million people now living will die of cancer unless present mortality rates are checked. In Texas alone more than 8,000 persons die of the disease each year. Nearly one half of these lives could be saved if everyone were aware of the early warning sign and each sought accurate treatment."

Working with Mr. Powell on the Cancer Crusade are Mrs. Wayland Parker, lay women of Terry County, Mrs. Ben Monnett, local and county organist chairman, Dr. T. L. Treadaway, medical advisor,

LSC to Hold An Award Program

Several from this section have had invitations to attend the Award program of "Save the Soil and Save Texas," to be held near Wolforth, next Tuesday, the 29th. The program will take place at the S. B. Nelson farm, on a F-M road, some 2 miles north of Wolforth, and on the west side of the highway.

Messrs. Fred Warren and Alton Strickland, who are on the invitation committee, explained that the program would start at 7 p. m., with Bill (Mr. Paymaster) Tipton, as the main speaker.
