NUMBER 123

PEOPLE and THINGS

By J. W. S.

WE HAD SOME very pretty roses on our desk Saturday, courtesy of Mrs. Shy Osborne, who is one of the Cisco Garden Club's staunchest boosters. She has a lovely flower garden at her home. She came by to report that Monday, 3 p. m., is the date for the last meeting of the year for the club.

MR. BERT PECK, the local nurseryman, will be the principal speaker. He will talk on "Control of Garden Pests." The meeting is open to the general public, and it will be held at the Woman's Club.

OUR FISHING calendar says that you won't have much luck this week-end. But maybe the calendar maker didn't know about Mr. E. G. Dameron of the tire store. He assures us that he will guarantee his fishing plugs to bring home the fish. We're going to take him up on one of these days and see how it goes.

MET UP WITH Mr. F. E. Ross, Cisco farmer, Saturday, and he and his good wife are just back from a trip to Alabama. With his brother and wife, Mr. and Mrs. J. M. Ross of Snyder, they went to Scottsboro, Ala., for a visit on the old home grounds. It was his first trip back home in 40 years.

WHILE THERE, they visited the brother's 93-year-old aunt, who has 39 grandchildren, 49 great-grandchildren and 13 great-great-grandchildren. And she's still as happy and enjoys life. They returned home Friday night and a thoroughly enjoyable trip.

SOMEBODY LEFT us the score card of a golf game played by Mr. Punk Thornton, Mr. Nick Miller, Mr. Ronald Rhodes and Mr. Norman Houston at the Ice Hour Amusement park the other night. They played 18 holes in considerably under par. Maybe they'll be sharp come city golf tournament time, huh?

We PLAYED A game at the swimming pool the other night while waiting for the picnic to start. These miniature golf courses are cleverly laid out and offer considerable recreation.

Don L. Choate Is Oil Director

Eight directors for District 7-B of the Texas Independent Producers and Royalty Owners Association have been named to serve for the 1948-49 term. V. C. Perini, Jr., Abilene vice-president of the association for District 7-B, announced Friday. Edgar Davis, Abilene, was named executive committee member. The directors follow: Don L. Choate, Cisco; F. A. D. Breckenridge; M. A. Grisham, J. C. Hunter, Jr., P. S. Kendrick, French Robertson.

MAY FELLOWSHIP DAY. Cisco Council of Church Women will observe May Fellowship day on May 7 at First Methodist church. Members will meet for covered dish luncheon at 1 o'clock and a splendid program will follow the luncheon.

WHAT'S DOING

MONDAY, MAY 3. Legion Auxiliary meets 8 p. m., for a regular meeting at the Laguna Hotel. Garden Club holds last meeting of year at 3 p. m. at Woman's Club. Jaycee Luncheon, College cafeteria, noon. Jayettes meeting, 7:30 p. m., Chamber of Commerce. TUESDAY, MAY 4. Board of directors of Chamber of Commerce, regular meeting at Chamber of Commerce building, 8 p. m. WEDNESDAY, MAY 5. Lions Club luncheon, College Cafeteria, noon. THURSDAY, MAY 6. Merchants Credit Association meets at 7:30 p. m. at the Chamber of Commerce office.

LUCKY ESCAPE

Although 12 persons were trapped on this bus when a blast and fire destroyed the vehicle in McKeesport, Pennsylvania, only two were injured. The fire spread to a nearby apartment building but the damage to it was negligible. (NEA Telephoto).

Man-Power Shortage Hinders ABC Soft-Ball Leagues Opening Date

It was learned from ABC soft ball chairman C. A. Deuschle, Saturday, that all material and equipment for lighting and completing the soft-ball field has been received, and is on the grounds. With a little more assistance from the leagues' 125 players, the leagues can officially open the soft-ball season on May 8, it was stated.

Teams already entered in the Intermediate League include: East-Side Baptist, First Baptist, Christian, Methodist and Lutheran and Presbyterian churches. The Commercial League entries are: Royce L. Boyd Construction Co., Cisco Independents, Cisco Junior College, Co-Vets, Scranton and West Texas Utilities Co. Mr. Deuschle praised the splendid co-operation given the building and lighting of the field by several local concerns. "Another very welcome factor in operation so far, has been the fine co-operation by about 40 ABC Club members, many of whom spent several hours daily on the field occupied at various tasks necessary to get the field and lighting

in shape for league play," he stated.

While it is admitted that "practice makes perfect," with soft ball it is no exception. Mr. Deuschle has requested that the league players refrain from some of their ball-playing and give a little more attention to getting the field in shape. The sooner the field is ready the sooner the league can get started, he added. He predicts the whole-hearted co-operation of the players in this matter, since the players are eager to get into competition in both the Intermediate and Commercial Leagues.

Among the projects still uncompleted, Mr. Deuschle listed the following:

Digging holes for guy-wires and miscellaneous poles. Stringing wire on lighting poles. All large poles are erected. Finishing work on grandstands. Erecting foul-line fences including digging several holes. Repairing the back-stop. Final smoothing and sanding of the field.

To some questions of "who is paying for what," Mr. Deuschle explained that not one penny of ABC funds has been expended for any skilled or unskilled work, all of which has been done voluntarily, by both soft-ball playing and non-playing club members. Their only reward is the joy of seeing the soft-ball project move ahead to the day when the words "play-ball" can resound over the field, as the official opening day arrives.

The only expenditures by the ABC Club have been for equipment and materials which the members have been unable to obtain free locally. With labor taking the lion's share of any home, commercial or industrial jobs, the big savings in cash instituted by the club in having its members do all the work, is enabling the club to get a finely constructed and well-lighted playing field for but a fraction of its cost, had the club been required to pay for the work done.

He again thanks both local concerns and club members for their wonderful support and asks for a little more of the same thing both from those who have and have not helped, so that the work so many have tried so hard to do can be completed, and a definite date set for the official opening of the ABC Soft-Ball Leagues.

City Golf Ladder to Be Formed For Both Men's and Women's Divisions

A city-wide golf ladder will be set up at the country club this week for both men and women divisions. All golfers are asked to turn in qualifying rounds of 18 holes beginning today. The ladder for position will be set up accordingly. All matches are to be 18 holes match play. Players may chal-

lenge the first or second position holder above his own.

The ladder will also be used for matching players in the coming inter-city matches.

All city golfers are invited to get their names in the pot. New golfers are especially invited to get set on the fun, it was announced Saturday.

Gloria Graham in Violin Recital Friday Night

Climaxing the homecoming of the Twentieth Century Club celebration, their Fiftieth Anniversary, held at the Library Friday afternoon, Ciscoans found a rare musical treat Friday night in the Twentieth Century presentation of Miss Gloria Graham in a violin recital at the tightly packed First Baptist church with Marjorie Poole as accompanist.

The violin artist and her accompanist came on the stage which was profuse with bouquets of roses, irises, gladiolas and other cut flowers, and were introduced by Mrs. F. E. Harrell of the club. Miss Graham presented the program which she will give in her graduation recital at Southern Methodist University this spring. She is also to appear on the program for the meeting of the State Medical Society at Houston on April 28.

The home-town violinist was ir good form and her delicacy of touch and purity of tone were magic in the minds of the audience. Pure, clear tones, rose to the clouds and into the stratosphere above and to cambic needle-point sharpness of frequency and listeners floated in the heavens easily imagining the sweet angelic voices of eternity, their triumphant sweeps that brought thrills of pathos and volume, vivers, the human breast in unison with those flying fingers of the artist.

The bow of the violin seemed to hardly kiss the strings manipulated by the educated hands that commanded them, yet clear, sweet tones of ethereal purity responded to the magic touch, proclaiming the mastery that controlled them.

But as a ball-carrying star of a football game must have the co-operation of a blocking line and backfield to make him the hero of the worshiping fans, thus did Miss Graham have the proper backing in her accompanist, Marjorie Poole, who supported her principal to seemingly perfection.

Ciscoans may not have such a musical treat again soon, one of the audience remarked.

This summer, Miss Graham will go to Paris, France, where she is one of about 200 young American artists admitted to study at Fontainebleau. The young Cisco violinist has had a remarkable career, including 3 years study in the Graduate School of Juilliard School of Music, New York, to which admission is by fellowship only, and a tour of the South Pacific with the USO during the war.

Heligoland, an island in the North Sea, was bought by Germany from England before the First World War and turned into an immense fortification and naval base.

Apocalypse is the name sometimes given to the last book of the New Testament, the Book of Revelations.

Dunns Purchase Edwards Cafe; Edwards to Retire

Mr. and Mrs. John Dunn have purchased the cafe, building and fixtures of the Edwards Cafe at 709 D Avenue, trading a farm of 240 acres southwest of Cisco on the Eastland-Baseline road.

Mr. and Mrs. Dunn have been identified with Cisco business enterprises since 1941, as Dunn's Hatchery and Feed Store, Dunn and Sage Maytag and now the Dunn Cafe where Mr. Dunn says "You will get more to eat for less money than at any other place in town."

Dunn retains his Maytag business.

Mr. and Mrs. Earl Edwards have been in Cisco in the cafe business for many years. They sold their place about two years ago and moved to Eastland but came back and repurchased the old stand. They say now they will retire for awhile, at least, and do some running about the country—a visit to California is on their itinerary for the summer.

Water Shortage Acute For Baird And TP Railroad

BAIRD, May 1.—Only heavy rains soon can stave off a water famine for both the city of Baird and the Texas Pacific railroad terminal here.

Restrictions on use of water from T&P railway's \$75,000 lake in east Baird have been imposed on locomotives, E. Crouser, assistant superintendent of the lines Rio Grande division, said today. "Engines are allowed just enough water to operate to Cisco for replenishment," Crouser said, "and westward to Abilene."

Meanwhile Bairds supply is barely adequate to the demands with prospects that the city will have to impose heavy restrictions later on or again ship water in. A leak in the settling basin that allowed water to escape has been repaired so as to help the situation, Clifton Hord, city secretary said.

The first step to insure an adequate supply of water for Baird was taken this week when a petition bearing the required number of property owning tax payers' signatures was turned over to Felix Mitchell attorney for the city, to be presented to Judge Lester Farmer. The latter is expected to announce a period for protestants to appear before creating a water district and later the commissioners court would call a bond election to issue \$300,000 for a large lake.

Crouser said that unless rain falls, the railroad's lake here would provide water for 45 days only under the conservation measures.

Colored Baseball Game on Lake Road Today

The dark Cisco Blue Flames baseball team will host this afternoon at 3 p. m. the colored Graham nine in a thrilling game, the second in a series that was intensely interesting, report fans. These colored boys have plenty of pep and a cheering crowd of local fans will put them at their best, they say.

Tickets will be 25 and 50 cents. The Blue Flame field is on the Lake Cisco highway, about one-half mile north of the business district.

Cisco Junior College Campus Being Beautified

Dean R. F. Webb of Cisco Junior College said Saturday that a lot of improvements are going on at the college to beautify the grounds and to add to the value of the college in an artistic way.

He mentioned that 500 roses were planted on the campus this winter and that practically all were growing. He states that the science classes of R. H. Huggins

EARL CONNER JR. SEEKS 91ST DISTRICT JUDGE POST

Earl Conner, Jr., Eastland attorney and former district attorney, authorizes the Daily Press to announce his candidacy for the office of District Judge of the 91st Judicial District of Texas. His announcement follows: "To The Citizens of Eastland County:

"In announcing my candidacy

EARL CONNER, JR.

for District Judge of the 91st Judicial District of Texas I desire to again express my deep appreciation for having been permitted to serve as your District Attorney for several years. The experience received in that capacity together with my experience in private practice has, I think, qualified me to hold the office of District Judge. I am 43 years old and have had 17 years experience in civil and criminal law.

"Many of you will recall that when I made my first campaign for the office of District Attorney I advocated that a public official should seek promotion after serving in the same capacity for several years. That was still my belief two years ago when I returned to the practice of civil law in order to further qualify myself for the promotion I am now seeking. I now believe that I am fully qualified to serve the citizens of this county as your District Judge. I assure you that the duties of that office will be discharged in a fair, impartial and conscientious manner.

"It will be my purpose to dispose of litigation as speedily as possible by acting promptly upon all matters presented to the court.

"In sincere appreciation of your support, I am, Sincerely yours, Earl Conner, Jr."

Brooklyn Man Asks About Sand Fleas In Monahans

MONAHANS, April 30. (UP)—Postmaster Bill Shelton says he has received an inquiry from a Brooklyn man about a "desert flea industry," reputed to have originated in Monahans.

The letter asked "when and how the industry originated, the markets for the product, how the 'trapping' is accomplished, methods of preserving and shipping the fleas an anything of that nature."

Shelton referred the letter to the Chamber of Commerce. That office looked through its industrial file, found oil production, natural gas distribution, carbon black manufacture, electric power generation and other things, but no flea industry.

The chamber said if anyone was interested in starting a flea industry, Ward county's well-known sand hills were available, with the provision that adequate stock pens be erected to keep the fleas in their natural habitat.

Oakhurst Addition Nears Completion Of Four Units For Public Housing

Steadily but surely Oakhurst addition work goes on this week and visitors can begin to get an idea as to how things are going to look on this newest of Cisco's housing project that is being feverishly pushed toward completion so that those who are awaiting the completion of the first group of houses may move in.

There are four units now under construction under FHA inspection. Unit No. 1 is a four and one-half room house and is ready for the second inspection, which means that everything is finished but the inside work.

Unit No. 2 has the walls and

ABC Volley Ball Players Meet On Monday Night

If the enthusiasm created by previous games and later discussions about the playing are any indication of the popularity of ABC volleyball, another banner crowd of both players and spectators is assured, when the regular volleyball session is held at the high school gym at 7:30 Monday evening.

It is expected that the "regulars" are in for some real competition, since a number of "first-timers" will join in the Monday night's play. Among these will be several members of the First National Bank team, which volleyball team is the league's first entry. If the names of several star players already rumored "signed" by the bank are any indication of the team's strength, the bank will give its competitors some real spirited competition.

To those who failed to get into the games last week as well as those whose entry was delayed, ABC President Charlie Burke today said that the gym doors will positively be opened by 7:30 next Monday, with every club member and his family welcomed to come to the games.

Previous games were viewed by very interested audiences, including a large number of ladies. Monday games will be viewed by an even larger audience, it is understood. Many of the players' wives and children will be there, too, as the men of the house display some of their athletic ability.

Mr. Burke would like to see more members out for this sport, which can be played all year-around, regardless of season or weather conditions, and it is a game that appeals to those to whom soft-ball is too-speedy a sport.

East Cisco Baptist Makes Progress Report Says

Pastor C. K. Roberts will begin his second year with the East Cisco Baptist church today. According to his report, the church has gone forward in almost every way. Every department of work, such as the W.M.U., the Training Union, the Sunday school, and the Brotherhood, and also the prayer-meeting, have made some gains.

"The church has had three revival meetings in the past year. There have been one hundred definite decisions for Christ in this period of time. Many of these have responded to the invitation in regular morning and evening services. The church is majoring in evangelism and stewardship.

JACK GRAVES INJURED IN BICYCLE-CAR CRASH

Little Jack Graves, age 6, son of Mr. and Mrs. Thomas Graves, was dismissed at Graham Sanitarium Saturday afternoon where he was treated for bruises, from an accident sustained rather early Saturday morning on Highway 80 in the western part of the city.

It appears that Jack was riding his bicycle along the highway and was bumped by a car driven by Don Ray McEachern, age 19. Fortunately no serious hurts were received.

frame up, and is ready for the roof and floors.

Unit No. 3 has the concrete foundations laid and is ready for the sills and floor joists.

Unit No. 4 has forms laid ready for first inspection.

Streets have been graded, gas lines laid and sewer ditch dug by Royce Boyd Construction Company, while the underbrush has been cut and was to be burned Saturday or early next week. Trees that are to be left standing have been trimmed up to aid looks and growth.

Four-foot sidewalks, curbs and gutters will be constructed as soon as Waters Bros. reach that part of the work.

Plans call for construction of 10 house units and these to be followed as rapidly as possible by other units. Forty or fifty houses may be built on this addition which was purchased from W. D. Brecheen, who already has his home on this lovely location in southwest Cisco.

Water is already on the addition and light and telephone service is to be added as rapidly as material can be secured, it was stated.

Waters Bros., Warren Waters and Cy Waters, have the contract for building these houses according to FHA specifications and inspection. Plans call for three inspections in order that houses meet proper conditions of construction.

Methodists Lag In Rural Areas Lindstrom Says

BOSTON, May 1.—Dr. David E. Lindstrom of the University of Illinois told the General Methodist Conference Friday that the roots of Methodism "are drying up in rural sections while Catholics and Baptists are planting churches in the countryside."

Dr. Lindstrom, professor of rural sociology and a lay delegate to the conference, said, "The Catholics are planting families in rural sections."

"Methodism is suffering a spiritual erosion," he said, "like soil erosion in rural America."

He said this was true in spite of the fact that 75 per cent of Methodist churches are in rural areas.

"Poorly trained ministers, low salaries, some of them \$1,000 a year, and the great number of lay preachers instead of qualified ministers" were listed by Dr. Lindstrom as the reasons for the decline of Methodism.

Bishop Arthur Moore, Atlanta, former pastor of the Travis Park Methodist Church, San Antonio, presided at the business session of the conference Friday morning.

Bishop Alexander P. Shaw, Baltimore, of the Central (Negro) Jurisdictional Conference, was elected to preside Saturday morning.

Every service points toward winning to Christ," he said.

"The church is sponsoring a well rounded athletic program. Mrs. R. E. McCord is leading the junior boys in a fine way in the R. A. work. And in her program, she is sponsoring basketball, football, and baseball. The Intermediate and young people are being directed by pastor Roberts in soft ball activities.

"The small amount of indebtedness against the church property, and the church is now well able to go forward into greater activities in Kingdom interests."

JACK GRAVES INJURED IN BICYCLE-CAR CRASH

Little Jack Graves, age 6, son of Mr. and Mrs. Thomas Graves, was dismissed at Graham Sanitarium Saturday afternoon where he was treated for bruises, from an accident sustained rather early Saturday morning on Highway 80 in the western part of the city.

Fishing Outlook Lake Brownwood Good For Weekend

BROWNWOOD, May 1.—Briefly the outlook for Lake Brownwood this weekend is good for catfish, fair on crappie, and as for black bass—maybe. Eight inches of water from re-

cent rains plus a high wind have brought muddy water into the lower end of the lake, and fishermen recommend principally

Minnow fishing for crappie and bass should be the best bet if you are not out for catfish.

Conditions for black bass may perk up during the weekend.

Good catches made last weekend include: Albert Crow of Brownwood, 38½ pound yellow cat; Elmer Bryant, Frio, 46 lb. yellow cat. Coy Evans and A. D. Edwards, 30 pounds of crappie and four channel cat at Flat Rock Camp, Shelby Nunnally, Red Duke, Othel Arnold, and Floyd Nunnally of Rising Star brought in a 33½ pound yellow cat from the Bayou side of the lake.

HORSE SENSE

By Gene Autry

MELODY RANCH, Calif., May 1—There's one thing I'm hazy about and that's the distinction between Russia and communism.

Nevertheless, I do think there's a distinction. Russia is a tangible thing, and I think our Army, Navy and Air Force can handle anything tangible.

But communism is an idea. It's a many idea. But even many ideas can't be wiped out

with atomic bombs. The only things that will beat ideas are better, saner, sounder ideas.

So if you want to lick communism, help make democracy work. Get interested in it, preach it and—above all—work at it. Let's make democracy atomic!

That is why you can bring your prescriptions to us with the comforting assurance that they will receive the painstaking care that is so essential to your health.

Four Texans Get Key Positions in Methodist Affairs

By W. L. HANKLA.

BOSTON, April 30. — Four Texans have been elected chairman of important legislative committees of the Methodist General Conference in session here.

They are: Dr. J. N. R. Score, committee on ministry, which considers all matters pertaining to the orders, grades and forms of the ministry; Ray H. Nichols, Vernon, committee on lay activities and temporal economy to which is referred all matters relating to lay activities, stewards, trustees, properties, and church finance (general and local); Hubert Johnson, superintendent of the Methodist Home in Waco, the committee on hospitals and home, and Dr. Dawson C. Bryan, Houston, the committee on evangelism which deals with all matters pertaining to evangelism and the devotional life and literature of the church.

Mrs. J. D. Bragg, St. Louis, president of the woman's division of Christian service, was elected chairman of the committee on missions and church extension.

After consideration, the decisions of these committees are brought to the conference for final legislative action and the decisions of the conference become the law of the church for ensuing quadrennium.

After the devotional service and routing announcements, the conference adjourned shortly after it had convened Thursday morning so that committees could meet and prepare the reports to be brought back to the conference Friday.

Association To Meet At Lubbock

ABILENE, April 30.—The annual meeting of the West Texas Historical Association will be held on the campus of Texas Technological college in Lubbock May 8 with President R. C. Crane on the program for the meeting of Sweetwater presiding. Those are President Crane, Dr. R. N. Richardson, president of Hardin-Simmons University; John R. Hutto, Abilene; W. C. Holden, Lubbock; Colonel M. L. Crimmins, San Antonio; Robert Earnest Lee, Jr., Wichita Falls; J. R. Webb, Albany; Oscar A. Kinchen, Lubbock; Mrs. Lee Kincaid, Abilene, and J. H. Williams, Wichita Falls.

The Association, held annually in West Texas by members interested in the history and records of this section of the state,

will convene at 9:45 a.m. with Holden, member of the Texas Tech faculty, offering greetings, followed by Hutto giving the response.

President Crane will speak on "How Quirks of Weather Have Made History in West Texas. Webb will read a letter from John C. Jacobs to Joe S. McCombs titled "From One Buffalo Hunter to Another."

A business meeting will open the afternoon session of the association with President Crane in

charge. Dr. Richardson will be a featured speaker during the afternoon, speaking on "Experiences of a West Texas Dirt Road Country Doctor." Mrs. Lee Kincaid will speak on "Rath City." The meeting will adjourn following J. H. Williams' address on "The West Texas Cowboy of Fact and Fiction."

Out-of-town visitors for the annual meeting will be guests of the Texas Technological College members of the association for luncheon at noon.

OPEN HOUSE HELD BY XXTH CENTURY CLUB.

Celebrating the fifty years of continued activity, XXth Century club held open house at the Library club rooms Friday afternoon from 3 to 6 o'clock. The rooms were made festive with vases of full blown roses and flowers in various hues.

Guests were met by a receiving line composed of Mrs. F. E. Harrell, president; Mrs. C. H. Fee, charter member and first president; Mrs. S. H. Nance, president First Industrial Arts club; Mrs. Richard Donovan, president Child Study club; Mrs. W. D. Hazel, president Alpha Delphinian club; Mrs. J. P. McCanlies, president of Cisco Garden club; Mrs. A. J. Olson, City Federation; Mrs. M. H. Hageman of Ranger, trustee of State Federation headquarters at Austin; Mrs. L. L. Blackburn of Baird, district vice president; and Mrs. Blackwell of Baird district officer of Federated Music clubs.

Mrs. H. N. Lyle, Mrs. Celia McCrea, Mrs. John Shertzer, Mrs. Alex Spears and Mrs. Sam Baugh presided at the serving table where a delicious plate of cake, nuts, cookies and mints, with a glass of frosted punch was served to each. Mrs. E. P. Crawford was in charge of registration at a table in the library. The archives and treasured pictures of former members of the club were shown in the library where Mrs. Philip Pettit and Mrs. T. J. Dean graciously gave explanations to the visitors. Mrs. C. R. Baugh, librarian, directed the visitors over the library. Others in the house party were: Mesdames Charles C. Jones, Edward Lee, J. T. Anderson, F. D. Wright, C. R. West, Miss Effie Moore and Miss Marie Winston.

The club has been successful in the organization of other clubs in Cisco and near by towns during the years and has been the faithful custodian of the Library which was organized by Frank Vernon, owner and publisher of the Cisco Round-Up. Mrs. C. H. Fee, first president of XXth Century club, has expressed some facts about the club organization and Library trust as follows:

It was in April — in '98, I do not recall the exact date; by my fire-side I was sitting, no indeed, I was NOT knitting; nor other household duties heeding but of clubs and club women I was reading. A new club in Fort Worth, many of the women I knew quite well and the truth to you I'll tell — Darius Green like, the thought came to me are these women "smarter than we?" I laid my paper down with a sigh when quickly came thought "Organize a club in Cisco—Try!"

At a dozen young matrons came to mind, no more cultured in the state could one find — Mesdames Ammerman, Winston, Butts, Reagan, I hadn't time to name them all; for just then a friend came to call. No sooner was she greeted and comfortably seated, than my plan to her I unfold — what followed is quickly told — within a week, in the home of Mrs. Winston we wended our way and the XXth Century club was born that day. And as it's first president many anxious hours I spent and many an amusing tale could

tell; but that isn't club ethics, we know quite well.

In 1900 Frank Vernon, Editor of the Cisco Round-Up and an enterprising public spirited citizen said Cisco needed and must have a public library. At that time Mr. Carnegie was establishing libraries in many Texas cities so Mr. Vernon wrote to him and asked for his requirements to get a library for Cisco. When Mr. Carnegie's letter came, Mr. Vernon took it to the business men of the town and they said Cisco could not meet the requirements. Mr. Vernon concurred in the opinion. However, Mr. Carnegie sent a check for \$250.00. This little incident I want recorded. Ben Hur by Lew Wallace, had been recently published. Mr. Vernon enjoyed it so much as did his wife. This is the first volume of "The Cisco Public Library" — we still have the book. In 1901 Mr. Vernon's health caused him to seek a more suitable climate. He asked the club to become custodian of the public library — his only stipulation was that we maintain the high standard he had set for it. We accepted the trust and have kept faith. For almost 48 years the club has maintained the library. Although there were less than 500 volumes when we accepted the responsibility, the problem of a home for it became a serious question — so difficult that the club determined at some day we would build a suitable home for the Cisco Public Library. After many years of waiting and planning the dream became a reality. The club now owns the beautiful library building with club rooms included which now houses more than 800,000 well selected books.

Approximately 150 visitors called during the hours. The celebration was climaxed by a violin concert at First Baptist church where Miss Gloria Graham, talented Cisco artist was presented in a program.

PARENTS ANNOUNCE APPROACHING RITES

Mr. and Mrs. O. C. Lomax announce the engagement and approaching marriage of their

daughter, Mayonne, to Mac Harrelson, son of Mr. and Mrs. F. J. Harrelson of Cisco. The wedding will take place on May 22 in the First Methodist church of Cisco at 8 o'clock in the evening. A reception will be held in the home of the bride's parents immediately following the ceremony.

TWO WERE HONORED AT PICNIC THURSDAY

A picnic at Lake Cisco Thursday evening was held by the Double Sextet Birthday club, honoring the birthdays of Mrs. Algie Skiles and Miss Willie Frank Walker.

Two visitors, Mrs. W. Bogard and Miss Beulah Sawyer were welcomed.

Upon arrival at the lake, members removed food from their baskets and placed it on the linen covered table in the park near the water. Invocation was offered by Mrs. C. S. Surles.

After the meal was enjoyed the group encircled the two honorees and sang the "Happy Birthday" song in their honor. A short business session was held at which several committees were appointed.

Conversation was the entertaining feature during the remainder of the evening.

Those participating in the pleasant event include the two visitors mentioned above, Mrs. Algie Skiles, Miss Walker, Mrs. W. D. Hazel, Mrs. W. F. Walker, Mrs. C. S. Surles, Mrs. Leon McPherson, Mrs. W. D. Brecheen, Mrs. Barton Philpott, Mrs. Paul Poe, Mrs. F. E. Shepard, Mrs. Mary Abbott, Mrs. Myrtle Anderson and Mrs. Mack Stephens.

ALLEN-BROWN WEDDING HELD FRIDAY NIGHT

In a candle light ceremony held at 6 p.m. Friday, April 30 in the home of the bride's mother, Mrs. C. E. Allen at 511 West Fifth st. Miss Patsy Allen became the bride of Ed Brown, son of Mr. and Mrs. Edward Brown of Cisco. Wedding vows were solemnized as the couple stood before an

archway of honeysuckle and roses.

Preceding the wedding, Teddy Triplett and Gary Howsley, nephews of the bride, entered to the soft strains of "I Love You Truly" and lighted the candles.

The bride was given in marriage by her brother-in-law, A. W. Triplett at the double-ring ceremony read by Rev. Leon Savage, minister of the Church of Christ.

Recorded music of "I Love You Truly" and "Because" were played softly during the ceremony.

The bride wore a two-piece brown and white linen dress with brown and white spectator pumps, white bag and gloves. Her corsage was of white gardenias. She carried a white Bible and for "something old and borrowed" carried a beautiful lace and linen handkerchief belonging to her grandmother, Mrs. J. M. Waters.

She was attended by Miss Bobbye Jean Tullios as maid-of-honor, who wore a floral sheer dress with black accessories and corsage of yellow roses. A. J. Whitlock was best man to the bridegroom.

A reception was held immediately following the ceremony. The three-tier wedding cake was cut by the bridal couple as their pictures were made, after which the cake was served to the guests by Mrs. C. E. Allen. Punch was poured by Mrs. Edward Brown assisted by Mrs. Vernon Howsley. Mr. and Mrs. Brown left immediately after the wedding for a trip to Monterey, Mexico. For travelling Mrs. Brown wore a yellow linen dress trimmed with brown and green with green accessories.

Upon their return they will make their home in Cisco where he is employed by Halliburton Oil Well Supplies Co.

Those present were: Mr. and Mrs. Edward Brown and daughter, Mrs. Burl G. Lasseter and son, Burl Jr., of Abilene; Mrs. C. E. Allen, mother of the bride and her mother, Mrs. J. M. Waters; Mrs. Pazitka, Mrs. Vernon

Howsley and children, Mike and left and son, Teddy Triplett; A. Gary of Smithville; Mr. and Mrs. Laird Locke and baby Cheryl Kay; Mr. and Mrs. A. W. Triplett; J. Whitlock, Miss Bobbye Jean Tullios and Rev. and Mrs. Leon Savage.

DEAN DRUG CO.

For three generations we have sold Gifts for the Graduation Classes in Cisco. What more recommendation would you ask for? (We will not be undersold).

We have Elgin Watches for Men and Ladies. Hamilton Watches for Men, Gruen, Bulova and Longines. Other brands of Watches which we have the extra part for repair when needed.

Diamond Rings, Bracelets, Necklaces, Brooches, Ear Rings, Watch Bands and Watch Chains. Most anything that you might want in Jewelry.

Let us show you what we have before buying.

DEAN DRUG CO.

Thanks to All of You--

... for your continued patience in co-operating with us almost 100% during the present rush in leasing activities. We have been delayed somewhat in getting out your orders but all abstract companies now are taxed to their production capacity. As soon as oil leasing is over, and it won't be long, we will be back again begging for business wondering why the abstract profession must be such an up and down business anyway.

Earl Bender & Company

Eastland, (Abstracting since 1923) Texas.

Gene Watson, well known Cisco an has been sick in his home at 1510 N avenue the past week. His many friends are hoping that he will soon be able to be among them.

Mr. and Mrs. Zed Kilborn visited friends in Breckenridge the latter part of the week.

Mr. and Mrs. Edward Lee went

Colors - keyed to your costume!

ROMAN STRIPE

Stockings

Color keyed—your stockings —with your costume! Fashion's newest costume color trends are perfectly interpreted in coordinated colors by Roman Stripe. Keyed to costume and accessories—styled to set off the wonderful new shoes.

Blue Veil	A misty blue-gray for blues, grays and combination blue, navy, red and gray prints.
Bazaar	Soft rose taupe for vivid prints of royal blue, chartreuse, bright green, coral; for neutrals, grays, beiges, tweed blends.
Minaret	Warm true gray for pastels, delicate orchid, mauve, lavender, stronger American beauty, pansy, violet shades; for gray and black too.
Gypsy	Soft mellow copper for Balenciaga brown, amber tones, neutrals, primitive yellows, reds, blues and greens.
Caravan	Subdued suntan for pastel cottons, light floral prints and summer hues.

You're the type ... for Roman Stripe
