NUMBER 123

PEOPLE and THINGS

By J. W. S.

THE WEATHER IS one of the most interesting things a fellow can study. Before we learned to fly some ten years ago, the only time we ever noticed the weather was when it was too hot, too windy or too cold. But, getting into the study of it all, it becomes very fascinating indeed.

YOU'LL NEVER get to the point where you can predict weather with any degree of accuracy, but you'll get to where you can analyze it fairly well. For example, you are home alone some dark night and the lightning and thunder starts moving in. As a general rule, if the flashes of lightning are "cloud-to-ground" the odds are pretty good that there'll be a storm. But if the lightning is "cloud-to-cloud" it won't give you much trouble.

PILOTS OF SOME experience don't worry much about the weather. They don't like to fly in thunder storms, although planes are perfect conductors of electricity. The main trouble with storms is rough air. Hail won't bother you much. Lightning only scares you. Cold fronts—a line of cold air moving around the country—are the worst. Warm fronts are mostly clouds and rain.

KNOW A FELLOW once who flew through a typhoon in the Pacific. He ran through so much rain that he asked for submarine bonus pay when he arrived. Fog is bad, on account of its on the ground. Pilots don't like to fly over more than 150 miles of fog.

READING THE Texas Almanac, you can get the extremes in Texas weather. The highest temperature ever recorded in our state was at Seymour on Aug. 12, 1936, when the thermometer hit 120 degrees. The coldest temperature ever recorded was 23 below at Tulia in 1899 and again at Seminole in 1933.

THE MOST RAIN ever recorded at any weather station in Texas in a 24-hour period was at Taylor when 23.11 inches fell on Sept. 10 and 11, 1921. Highest wind ever recorded was 95 miles an hour at Corpus Christi in 1919. The Galveston hurricane probably had higher winds, for it blew away the gauge.

THE GALVESTON storm was the most destructive in Texas. Nobody ever knew how many people died, but it was estimated between 5,000 and 8,000. The 1900 storm left more than \$30,000,000 in damages in its wake.

THE BOOK SHOWS that Cisco's temperature averages 43 degrees in the winter and 83 in the summer, that we have a 224-day growing season, and that we get on the average 27.51 inches of rain a year. May is supposed to be the big month for rain, averaging over four and a half inches over the past 30 years.

SO, ACCORDING to the law of averages, we're supposed to get some fine rains this month.

First flight over the English Channel was by Louis Bleriot in 1909.

WHAT'S DOING

MONDAY, MAY 10.
Band Parents Association meets at 7:30 p. m., Monday at the high school in band hall for an important meeting. All members are urged to attend.
City Federation of Women's Clubs meet at 3 p. m. Monday at the Club House, 400 West 7th. All members have been urged to attend.

TUESDAY, MAY 11.
City Softball League season opens at new park, 8 p. m.

WEDNESDAY, MAY 12.
Lions Club luncheon, College Cafeteria, noon.

THURSDAY, MAY 13.
Rotary Club luncheon, College Cafeteria, noon.

MRS. "RIP VAN WINKLE"

Mrs. Clara Reynolds, of Knoxville, Tenn., can be classed as a feminine "Rip Van Winkle." She lapsed into a sleeping sickness twelve years ago and awoke for the first time recently. The only difference she noticed in the worlds of 1936 and 1948 are that the young girls seem to have more freedom and the White Pine has certainly grown. (NEA Telephoto).

Salvation Army Unit to Begin Drive For Quota of \$1,000 Monday, May 10

Charles W. Graham, chairman of the local Salvation Army Service Unit committee, announced today that the Salvation Army will conduct its annual appeal for funds May 10 through May 20. A quota of \$1,000 has been set and Mr. Graham is optimistic and stated that he felt there would be no difficulty in reaching this amount and going over the top.

The local Service Unit committee was organized recently and serving with Mr. Graham are Robert O. White, treasurer, B. A.

Olin O. Odom, Jr., Promising Young Man of Cisco

Olin O. Odom, Jr., was recently installed as finance commissioner as a member of the city commission. Born June 1, 1918, the son of a Methodist minister at Haslet, first Finance Commissioner

OLIN O. ODOM, JR.

lived in Cisco in 1932 for two years when father was pastor of the First Methodist church here. Attended T. W. C. and graduated in 1939 with a B. A. degree. Worked in two banks in Ft. Worth and was a teller in the North Fort Worth State Bank, when he joined the Air Corps as a Flying Cadet, on Feb. 8, 1942.

He married a school days sweetheart, Betty Elda Clark, on Feb. 25, 1942, and has given Cisco as legal residence since that time while in the service.

Was commissioned a 2nd lieutenant Dec. 3, 1943, and went overseas in Feb., 1944. Was a navigator with the 8th A. F. and in course of events was shot down over Germany and was a prisoner of war for 12 months in Germany. Since returning at end of war,

Regular ABC Volley-Ball Game Monday

The high-school gym will again be the scene of the regular weekly ABC volleyball session Monday night at 7:30 when the players will get in some practice games preparatory to the formation of a volleyball league, it was learned from club president Charlie Burke.

"Now that soft-ball games have already started under the lights and the official league opening scheduled for Tuesday, attention will be focused on getting the volleyball under way. Already one team has signified its intention of joining the volleyball league, with other teams ready to come into a league once more definite plans for a league are announced. The team already entered is the First National Bank squad, which held a practice session last Monday night. They will be out again tomorrow, rarin' to go and to perfect their team play against various selected teams," Mr. Burke said.

"One new-comer to the volleyball ranks tomorrow night will be Rev. G. T. Naumann, who watched last Monday's games with keen interest. It is expected that many others will be out, too, including a number of first-timers, who have been hearing many things about the good exercise, fine sportsmanship and lively competition every Monday night on the high school volleyball court. As Jimmy Durante says, 'The news gets around.'"

"The ABC Club sincerely appreciates the splendid co-operation of Cisco school and college and school-board officials that have made it possible for the club to play volleyball. The club also thanks Ciscoans for coming out to watch the games, and hopes that another large attendance will be at the games tomorrow night."

Brownwood School Repairing Supports of Auditorium

BROWNWOOD, May 8. (UP)—There'll be a minimum of activity in the new Brownwood High School auditorium until wooden supports for the balcony can be replaced with steel ones.

Even this summer's graduation exercises will not be held inside. The structure has been condemned and is closed for repairs, superintendent James D. King has announced.

The auditorium was built during the war. To save metal, the wooden trusses were put in to hold the roof and balcony. The entire building is now threatened because of the collapse of a single truss.

Superintendent King said the auditorium is "acoustically perfect and the finest school auditorium I have ever seen."

Cost of making the building unsafe with new steel supports was estimated at \$7,500.

GORMAN POOL SHOWS EXPANSION.

Completion through perforations in the Marble Falls section is to be made this weekend on the W. B. Johnson Drilling Co., No. 1 Ireland Kirpool, southeast outpost to the Kirpool in Comanche county, three miles east of Gorman. The well was drilled to 2,836 feet and casing set through the pay. Location is 345 feet from the north and 330 from the west line of the Ireland Watson 105.48 acre tract in Wm. DeMoss survey.

Location for a new east-outpost to the Kirpool has been filed by Commercial Production Company as the No. 1 J. W. Burns, 330 feet from the north and east lines of the J. W. Burns 110.61 acre tract in section 64 block 2 H&TC survey. Permit is for 3,000 feet with rotary.

Rudyard Kipling wrote of Russia as "the bear that walks like a man."

Seven towns claim to be the birthplace of Homer the great, 9th century B.C. poet.

Theodore Roosevelt became the president of the U. S. at 42 years of age.

MID-AIR CRASH KILLS THREE

Three persons were killed, and one seriously injured when two light planes collided at an altitude of eight hundred feet over residential Detroit, Michigan. This picture shows one of the planes. A Taylorcraft, which crashed in a back yard. The other plane, a BE-13 crashed into a nearby cemetery. (NEA Telephoto).

ABC Members to Put On Drive Tuesday For Goal of 300 Members For Group

With the ink hardly dry on Mayor Lee's proclamation of Tuesday as ABC day, the 225-member club has made elaborate plans for a drive to push this figure over the 300 mark, the goal set at its organization meeting last March, said secretary-treasurer Troy Powell, today.

"Present arrangements call for a meeting at the Ideal Cafe at nine o'clock Tuesday morning at which it is requested that every member get off work to be present. Following a few minutes discussing details of the drive for more members, the ABCers will make a concerted drive through the city business district to acquaint the public with the aims of the club, and to enlist the interest of Ciscoans in actively supporting the club by becoming members."

"The club has already put across its soft-ball program, which culminates in the official church and commercial leagues' opening at ABC field Tuesday night. At considerable expense, the club, with excellent co-operation of several local concerns, has given Cisco as fine a lighted ball field as exists in this area. The field will be turned over to the school board at the ceremonies Tuesday night, before the games start. Another sport that has come ahead in leaps and bounds is volleyball, a regular weekly affair at the high-school gym."

"While plans are under way for other sports that will take in practically every Ciscoan of every age, more members are needed to carry the load that will be on the club's shoulders, as new sport programs are put into effect. A program that will appeal to every father and mother in Cisco is an ABC child-health program that is now being in the formative plan, but which will make the city a healthier and practically child disease-free community."

"If you have not already joined the ABC Club, sign-up when solicited Tuesday. Now is the time! Show the club that you want to do your part to make A Better Cisco."

Three Counties Supplies Third Of Convicts

HUNTSVILLE, May 8. (UP)—Five counties have supplied one-third of all convicted criminals in the state in the last eleven years.

A study, published recently by Dr. R. C. Koeninger of Sam Houston State College in Huntsville, showed that Harris, Dallas, Bexar, El Paso and Tarrant counties have accounted for 8,751 of the 26,231 criminal convictions over the 11-year period. The survey was from 1937 to 1947, inclusive.

Dr. Koeninger explained that a close correlation between crime and population density was indicated by the results of his study. Simply, there is more crime in big cities than in smaller ones.

El Paso county averaged 8.78 convictions per each 1,000 population. Harris county had 5.83, Dallas 4.85, Tarrant 4.84 and Bexar 4.38.

Three counties—Kenedy, Loving and McMullen—showed no criminal convictions for the 11-year period.

WEEKEND AT POSSUM KINGDOM LAKE.

Mr. and Mrs. E. S. Townsend and Mr. and Mrs. E. T. Thomas spent Saturday night and Sunday at Possum Kingdom Lake. They expect to catch some big fish if the wind quiets down, Mr. Townsend said Saturday.

Humble Oil Plans \$11,837,000 For 1948 Expansion

HOUSTON, May 8. — Plans for continuing its long-range gas conservation program at a cost of \$11,837,000 during 1948 were announced in Houston today by Humble Oil & Refining Company.

New units to be constructed by Humble this year are natural gasoline plants at Conroe, Pickett, and Opelousas, La.; and gas injection plants at Sealington and Kelsey. The Sealington plant will ultimately be developed into a gasoline plant.

The new plants will process an additional 186 million cubic feet of gas daily, the company estimates. Humble spent approximately \$5,000,000 on gas conservation facilities in 1947, increasing the amount of gas conserved by about 50 million cubic feet daily to a total of 620 million cubic feet per day.

Ranger Hospital Announces Open House Wednesday

Miss Anna Bell Kinney, superintendent of the Ranger General Hospital, a county tax supported institution, announced today that National Hospital Day will be observed next Wednesday with an open house from 10 o'clock in the morning until 9 o'clock in the evening. The occasion will observe the 25th anniversary of the hospital which was opened in the spring of 1923.

In speaking of the open house, Miss Kinney who has been with the hospital for 20 years said, "This hospital belongs to the people of Eastland County and I want them to see it." She added that it is designed for the use of the people of the county and is open to all doctors.

Located on a high hill overlooking Ranger, the hospital is one of the finest in this part of the country. It has sixty bed-capacity, has recently been redecorated and has added much new equipment of the latest designs. The new equipment includes a new operating light that has brought doctors from all over the country to inspect it and a new operating table that has every innovation.

Recently a nurses home, rebuilt from an Army surplus nurses home, has been placed on the side of the hill below the hospital. It is complete in every detail and now houses some of the 22 members of the hospital staff.

Building of the home released the third floor of the hospital for use and will give an added six private rooms, two wards and a nursery.

WOW SOCIAL MONDAY EVENING AT 7:30

The Woodmen of the World, Cisco Camp No. 500 will have a social at the WOW Hall Monday evening, beginning at 7:30. Games will be played, after which refreshments will be served. Members of the Woodmen of the World and their families, and members of the Supreme Forest Woodmen Circle and their families are cordially invited to attend this social.

Farmers Paint Gloomy Picture For Grain If Rains Do Not Come at Once

"It's getting pretty dry in the Cisco farming and ranching area," said O. P. Weiser, A. H. Lockhart and Walter Agnew, long-time farmers in different sections of the farming and ranching area, Saturday.

Mr. and Mrs. O. P. Weiser, have lived about four miles south of Cisco for the past 40 years or more. Mr. Weiser was one of the first farmers in this section to begin farming with a tractor. He has retired now and rents his 320-acre farm but keeps a close tab on farming operations. They were shopping in Cisco Saturday and report things might be dry. Very little vetch has been planted and corn and other feeds need rain badly, Weiser stated.

A. H. Lockhart, another farmer still further south, reports corn and gardens looking rather well despite the lack of moisture. Sandy land can go longer in his section than in almost any place in the Cisco area. Some peanuts have been planted but most farmers wait until the latter part of May to plant. There is still moisture enough in the ground to bring peanuts up, he stated.

J. W. (Bud) Booth, up near Moran, said Saturday that grain was almost ruined for lack of rain. Unless moisture comes soon, very little grain will be harvested.

Walter Agnew, who now lives in Cisco, but who owns farm and ranch land northwest of Cisco, says grain will barely make enough for seed if it does not rain at once. Some farmers are grazing down their grain while others have already ploughed it under to plant in late feed crops if rains come in time.

MOTHER'S DAY

Today has been designated as the day when mothers all over the nation will be honored, and reverence expressed in many ways for her sweet influence and untiring work for her children and family.

Through the days and many times through the nights of her life, she has given of her love and strength to watch over her loved ones who may have been suffering from the ills of childhood. For these, children can never pay.

She is always the mainstay of her family, guiding them in the paths that lead to happiness, success and usefulness.

Mother is the one who keeps the nation in the path of rectitude and determines Christian principles practiced by the nation, because she has guided youth in its formative years.

She keeps the home in peace or turmoil, as it exists. She is the balance wheel that steadies community and nation. To Her We Owe All.

Today, children will pay her homage for her sweet virtues and will, in their own way, endeavor to bring to her some special joy that will cause her eyes to glow brighter and to add pleasure to her overworked hands. ALL HONOR TO MOTHERS.

Soft-Ball Field Formally Opened Tuesday Night

Mayor Edward Lee, soft-ball commissioner, will throw the first ball Tuesday night when the field will be formally opened and turned over to the school board with G. R. Nance to receive for the board.

Rev. Dick Crews will give a short address, representing the ministerial association, and will express the thanks of this group to the ABC Club, and will offer continued support of the club and its activities. Since the churches make the community, the club members appreciate the backing of this group which has helped to make the plan possible.

All school and college students are invited to the Tuesday night's games free as guests of the ABC Club. Ordinarily, only children under 12 years will be admitted free, it was stated.

Rev. B. L. Nance Buried At Tulia Monday Afternoon

Rev. B. L. Nance, 79, retired Methodist minister and brother of S. H. Nance of Cisco, died at 10 p. m. Friday at his home in Amarillo, according to information here Saturday. He had many friends in this area.

Funeral services were planned for 3 p. m. Monday in Amarillo, with burial at Tulia. Mr. and Mrs. S. H. Nance planned to attend.

Don't Be a Sucker.

Over \$600,000,000 a year is deliberately taken out of your pocket by the world's meanest chiselers—the phony philanthropists—according to an article in the current issue of 48 The Magazine of the Year. There are ten ways to avoid confidence men whose pleas are hidden behind false charitable enterprises, says the article. They are:

- Don't be carried away by your enthusiasm for humanitarian aims.
-Don't heed appeals by mail from unknown institutions.
-Don't fall for high-pressure telephone solicitations.
-Don't shell out to collectors who come begging for obscure charities.
-Don't be humbugged by the 'benefit' approach.
-Don't be misled by a deliberate similarity of names. The

American Volunteer Army would be neither the Salvation Army nor the Volunteers of America

"Don't pay for and don't return unordered merchandise. If you have scruples about using something not paid for, simply throw it in the wastebasket. You are under no obligation, legal or moral, to return the stuff foisted on you.

"Don't be dazzled by an imposing list of sponsors. Such lists can be faked.

"Don't give indiscriminately to tag days and street-corner collections.

"Don't send money, food or clothing to strangers in response to begging letters."

COLLEGE STUDENTS HELP BURNED-OUT FARMER

HANOVER, N. H. (UP)—Fifteen Dartmouth College students have joined professional carpenters in rebuilding the burned home of a Lebanon farmer.

They donated their services and expect to finish Thurman Martin's house by July.

A spokesman for the group, all members of Phi Gamma Delta fraternity, said they probably would be credited with points in Dartmouth's interfraternity competition system.

The youths spend their time salvaging charred materials, and helping the carpenters and also installing plumbing equipment.

Movie stars were intrigued by the fan-palm printed latex swimsuit shown above as pictured in the May issue of Cosmopolitan magazine. It was selected as one of the winners at a Cosmopolitan Male-Tested Fashion Show at the Beverly Hills Hotel, Beverly Hills, Cal. The jury included George Murphy, Walter Pidgeon, Van Johnson, Robert Ryan, James Fitzpatrick and Frank Morgan. They also approved the beach coat by Tabak of California, and three other swim suits featured in the May issue.

'College of Bishops' Sets Forth Main Points of Emphasis at Boston

Rev. Oran Stephens, superintendent of the Cisco Methodist district, who with others from this part of Texas attended the Methodist general conference at Boston submits a summary of the Episcopal address delivered at the opening of the General Conference, similar to the President's message on the State of the Union delivered before Congress, was given by Bishop G. Bromley Oxnam of the New York Area. This paper was prepared jointly by the 63 Methodist Bishops comprising the "College of Bishops" and set forth the main points of emphasis of the Methodist Church, in part as follows:

I. Freedom of the Pulpit. In an hour when Totalitarianism threatens freedom, it is imperative that we ourselves do not adopt the practices of the totalitarian threat. The totalitarian has conquered when the defender discards the civil liberties that are the essence of democracy. Methodism proposes to defend against every attempt to silence the pulpit.

II. Temperance: The Methodist Church has been and is an implacable foe of the home that provides alcohol for adult and youth in the social practices that make the cocktail the accompaniment of dinners and social gatherings. We refuse the easy argument that the use of alcoholic liquors is an individual problem. It is not solely an individual question, it is also a social question.

III. Reunion of Churches: The churches must become the Church. We believe the Lord is calling us to unite. The union of the major denominations of this country would bring together most of the Protestant membership of this country. A Church that seeks to serve a world struggling toward unity must reveal the unity to which it summons the world.

IV. The International Situation International skies are dark. Lightning flashes reveal bewildered leaders of the people whose voices are lost in the thunders of confusion. In such an hour the Church must lead. The summons must be clear, courageous, convincing.

Americans believed freedom was about to be crushed by the Nazis. They sent their sons to the battlefield that freedom might live. The armies of the Nazis were defeated, but the ideology of the Nazis was not. It must be beaten, otherwise it stands as an ever present threat to freedom. Another dynamic ideology is abroad. Regardless of its use of the term democracy, the fact is that freedom, as we know it, disappears when the Communist comes to power.

The Nazis talked of a "master race." The Communist talks of a "classless society." He proclaims that he is out for "the abolition of the exploitation of man by man. An ideology that appeals to a better ideology that has demonstrated its ability to bring better life to human beings. Dynamic democracy is a better society than dictatorship can ever build. We reject Communism class war, its fallacious economics and its false theory of social development. But we know that the only way to defeat it permanently is to use the freedom of our own democracy to establish economic justice and racial brotherhood. The most certain way to destroy dictatorship abroad is to establish democracy at home. Communism does not grow in the soil of freedom. It is Democracy—more of it, not less of it—that will win the morrow. Millions in days gone by have

entered New York harbor and looked up in reverence at the Statue of Liberty. Such light shines through the fog of contemporary pessimism. There is no fifth column as potent as the fact of liberty alive, justice practiced, brotherhood revealed. But there is no power in a slogan that does not possess reality. Communism cannot be conquered by force of arms.

V. Labor Movements:

The conflict that inevitably flows from the unrestricted play of self-interest must be eliminated. We rejoice in the large and increasing number of Christian business men who are dedicating their executive and engineering talents to the high tasks of translating the ethical ideals of Jesus into the practice of business enterprise. Such men are pioneering the way to the peaceful solution of the economic problem and to the better society. Many of the leaders of labor are prominent churchmen, but all too few churchmen see in labor a world-wide movement that means a new social order as truly as the coming of the machine meant the passing of feudalism. To be specific, dare we envision the labor through which the Christian ideal movement itself as a means may indeed become real? Millions find in labor opportunities to express ethical idealism. The Church sends its missionaries to the far corners of the earth to lay the foundations of a Christian world. What of a definite attempt to contribute to the labor movement of the world a leadership pledged to the Christ?

VI. World-Wide Church:

Our mission is a World mission, that Jesus may become the ruler of the kings of the earth. We hold only bridge-heads. The Church must become not only an occupying force, a liberating force, but a Christianizing force.

Among other than Methodist speakers before the Conference was Governor of Massachusetts, Hon. Robert F. Bradford; Dr. L. D. Newton of Atlanta, Ga. President of the Southern Baptist Convention; Right Reverend Henry Knox Sherrill, presiding Bishop of the Protestant Episcopal Church; and a large number of Fraternal delegates from all parts of the world. Saturday evening, May 1st was set aside as Youth night at which time six young people from widely separated sections of the United States spoke to the conference.

condition of his sleeping equipment.

Determine Your Own Sleep Quota This Simple Way

"I know I should get enough sleep, but how much is enough?" is a common question. Eight hours for adults is the answer frequently given, but actually the amount varies according to personal needs.

There is a simple way for each individual to determine for himself just how much sleep he needs. If he awakens each morning just before the alarm goes off, rested and ready to get up, he is getting enough sleep. If, however, he is still sound asleep when the alarm rings and finds it very hard to awaken, he either needs more sleep or better sleep.

Sometimes it is not the number of hours spent in sleeping which is important, but the benefit received from those hours of sleep. Scientists have discovered that there is more benefit in six hours of sleep on good quality bedding than in eight hours on wornout, uncomfortable bedding. So, if the alarm clock finds the sleeper still groggy and unrested, he would be wise to check both the number of hours he spends in sleep and the

Guardianship of Melda Sue Notgrass, a minor. In the County Court of Eastland County, Texas. Guardian's notice on application for authority to execute an oil, gas and mineral lease. Notice is hereby given that I, W. B. Notgrass, guardian of the estate of Melda Sue Notgrass, a minor, filed on the 7th day of May, 1948, an application in the above entitled and numbered cause for an order of the County Court of Eastland County, Texas, authorizing me, as guardian of the estate of said minor, to make an oil, gas and mineral lease upon such terms as the court may order and direct covering all of the undivided interest of said minor in the oil, gas and mineral rights in the following described lands in Eastland County, Texas, to wit: All of the East half of the Southwest quarter if Section 121, Block 3, H. & T. C. R. R. Co. Survey, containing 80 acres of land, more or less. Said application will be heard by the County Judge in the County Courtroom at the Courthouse in the Town of Eastland, Texas, at 10 o'clock, a.m., on the 20th day of May, A. D. 1948. (signed) W. B. Notgrass, guardian of the Estate of Melda Sue Notgrass, a minor. 137.

ABC Soft Ball to Open Officially Tuesday Night

Following a short program of the Cisco High School Band music and other entertainment, the official ABC Soft-Ball Leagues' program will be ushered in on Tuesday night, under the lights, with a double-header between the church-league teams of Christians and First Baptist followed by a

game between commercial league teams Royce Boyd and West Texas Utilities, club soft-ball chairman C. A. Deuschle announced today.

Ceremonies Start at 8 p.m.

While complete plans for the auspicious opening of the soft-ball season are not yet available, the Sunday Daily Press will reveal the complete details for this gala occasion which will climax an elaborate day-time program. It is expected that practically every club member will participate in a drive to acquaint Ciscoans with the aims and ideals of the ABC Club, and to enlist their active support to further the fine

athletic program fostered by the club.

When a club with such a short existence has already won the support and approval of the Junior and Senior Chamber of Commerce, all the churches, the school board, the local service clubs and many other organizations, it is expected that the public will show its appreciation of the many days of hard work and careful planning that have already made it possible for the youth of Cisco to play soft-ball on a well laid-out, adequately-lighted field.

Yes, the ABC Club has brought base-ball, the great old American game, back to Cisco, provided the lighted field, created schedules, and, it is hoped, supplied the enthusiasm that will start the ball rolling toward a most successful soft-ball season. Since soft-ball is but one of the athletic programs planned for Cisco, the extent of these other programs will depend upon the way soft-ball goes over as a major sport in this area. Let's all get behind the ABC Club and show

Child-Attacker Confesses

William Ruthes Ray, swarthy, stubborn former Air Force sergeant has confessed to the fiendish sex attack on a 9-year old Ft. Worth school girl April 8 in Fort Worth's Trinity Park. Ray has been the object of an intense search by both Army and civilian authorities since the crime was committed.

that Cisco really wants soft-ball. There will be no increase in admission price for the opening games, with the ticket cost being

the usual 15 cents, 4 cents of which Uncle Sam takes as tax. Children under 12 will be admitted free. Last year, many Ciscoans went to Eastland and other nearby communities to see soft-ball games, which for thrills, will be excelled right here at ABC Field, back of Chesley field any night either Church or Commercial league teams play. It is hoped that all Ciscoans will come out and look over the new ABC field and see their favorite teams play. And the best time to see the lighted field and watch a double-header, is next Tuesday night, when, besides seeing two exciting games between fellows you know, you will also be there to see the flag-raising, listen to the Cisco High School Band, and watch and hear other ceremonies that you will long remember. And, like many others present that night of nights, you'll say that it was an evening's entertainment worth many times the paltry admission sum of 15 cents.

Like other citizens of this good old USA, Ciscoans know that everything costs more these days—and ABC officials can say a few things along these lines, too, especially about the high cost of good lighting equipment which practically brings daylight to the

ABC Field for those night games. The admission fees for many a game will be allotted solely towards paying for the lighting equipment. Had the club not been given the advice and skilled workmanship of the West Texas Utilities Co., the lights would still be but a dream, instead of a wonderful reality.

Since the ABC Club is a non-profit organization, pledged to building better citizens for tomorrow from the youth of today, through athletics, let's all show our support for all the club's hard work, and come out, Tuesday night, and show the club that Cisco really is the little city with the big heart.

NOTICE

Until further notice I will be in my office to dispense professional services on Friday and Saturday of each week. Other days by appointment only.

Holy Rosary (Catholic).

1108 Avenue F. Mass at 9 a. m. with Father John J. Donnelly of St. Rita's church, Ranger, in charge. Sermon taken from the Gospel of the Sunday within the Octave of Ascension.

Reserve Corps May Volunteer For Active Service

FORT SAM HOUSTON, May 8—Opportunity now exists for members of the Enlisted Reserve Corps to volunteer for periods of active duty from nine to twelve months. General Thomas T. Handy, Fourth Army Commander, announced today.

Moreover, the enlisted reservist is guaranteed that the full active duty tour will be served in the Zone of the Interior and within the Army Area which he selects. Every effort will be made to have the individual serve at the post or camp of his choice, General Handy said.

Authority for commanding generals of Armies to call Enlisted Reserve Corps members to extended active duty on a voluntary basis was received at Fourth Army Headquarters this week. Active duty will be limited to

not more than twelve nor less than nine months, to include any period within these limits acceptable to both the Army Commander and the enlisted reservist. ERC members will be paid in the same manner as Regular Army personnel and promotion while on the active duty is authorized by the directive.

Current standards for enlistment in the Regular Army will govern, and physical requirements for general service must be met.

ERC members on active duty may enlist in the Regular Army in the grade to be determined by the Army Commander and not lower than authorized by War Department Pamphlet 12-16, or higher than the grade held when last discharged or released from active duty. WD Pamphlet 12-16 is the publication governing the grade authorization for enlistment based on military specialty and length of time the individual performed a specific job.

Enlistment in the regular Army may be accompanied during active duty or within twenty days after expiration of the tour. Fourth Army Headquarters stated that detailed instructions will be published later.

MODERN HOUSES CALLED JUST GOLDFISH BOWLS

STATE COLLEGE, Pa. (UP)—The average American family is living in a goldfish bowl instead of a house, Dr. Walter Couto, associate professor of sociology at Penn State, contends.

Couto said the national trend is to "minimize space by crowding several functions and several persons into one or two rooms." That, he said, results only in a "loss of respect of family members for one another and a battle ground for frustrations."

The future house, Couto believes, should have moveable walls so a person can "pull one around"

whenever he feels the need for more room.

A carillon is a set of stationary

bells tuned so as to play melodies.

CISCOANS ATTEND NIECE'S FORMAL DEBUT

Mrs. N. A. Brown and Dr. Alan Withee attended a formal presentation of a large group of debutantes at Wichita Falls last Saturday who were introduced to Wichita Falls Society by the Junior Forum. The scene was described as literally "Out of This World."

The ceremonies took place at the Woman's Forum clubhouse. Several hundred people were in attendance at the nice afternoon affair. As the young ladies came forward for introduction and made their formal bow, ethereal music was played in the background. The stage was simply but effectively decorated to create the "Out of This World" illusion and the beautiful gowns of the debutantes made them appear to "float" in a mass of clouds. The highlights of the afternoon activities was the coronation of the Junior Forum queen who had been previously selected by popular vote of the young group. Mrs. W. A. McCarty, retiring president of the Women's Forum, placed the crown on the head of Miss Betty of the House of DeShong and proclaimed her Queen of the Junior Forum.

A formal ball Saturday night honored the debutantes and their escorts and others present were parents and chaperones of the Junior Forum group.

Miss Mary Jo Deen, daughter of Dr. C. C. Deen of Wichita Falls; and niece of Mrs. Brown, was one of the 85 debutantes presented. Miss Dean is well known here and visits frequently in the home of Dr. and Mrs. N. A. Brown.

PICNIC OUTING ON TEACHER'S BIRTHDAY.

Mr. and Mrs. Carl Stroebel were hosts Wednesday evening, May 5, with a picnic party honoring their parochial school teacher, William Backus, on his birthday. Baseball and conversation were features of entertainment before the delicious picnic supper was enjoyed.

Following supper the group returned to the Stroebel's front yard where the Girls' choir of Grace Lutheran church, of which Mr. Backus is director, encircled the honoree and sang the "Happy Birthday" song. He was very much surprised when a table was placed on the porch, laden with many nice and useful gift packages for him to open; this he did and proudly displayed the gifts for all present to see. Various games were then enjoyed during the remainder of the evening.

Those present were: Mr. Backus, honoree; Mrs. Dorothy Prange, Mr. and Mrs. Ernest Reich, and Rebekah; Mr. and Mrs. Alvin Lenz, Richard and Patsy; Mr. and Mrs. Johnny Gerhardt and children, Gwenette, Gwendolyn, and John; Mr. and Mrs. Alex Zander and Glenda; Mr. and Mrs. Fred Wende, Jane, Sherry and Marlene; Mr. and Mrs. Ben Wende and Linda; Mr. and Mrs. Edwin Wende, Danny, John D. and Ellen; Mr. and Mrs. O. J. Weiser, Jerry and Harold; Mr. and Mrs. Fred Stroebel and Anita; Mrs. Marie Fricke, Wayne and Katherine; Mr. and Mrs. Paul Weiser, Mrs. R. H. Dunning, Robert and Darlene; Ben Weiser, Mr. and Mrs. Frank Ziehr, Joe D., Kathleene and Roland; Mr. and Mrs. Alvin Stroebel, Nancy and Katherine; Rev. and Mrs. G. T. Naumann, Eddie, Lois, Rachel and Teddy; Mr. and Mrs. Clarence Stroebel, Mr. and Mrs. Erwin Witt, Mr. and Mrs. L. B. Luckinger, Misses Millie Newman, Virginia Weiser, Aileen Wooten, Ruth Latham, Elaine Ziehr, Ann Zander, Doris Thomas, Norma Prange; Messrs. Ernest Prange, Melvin Witt, Fred Stroebel, Richard Ziehr, Alfred Lenz, Kenneth Witt, Fred Ziehr, Little Christiana and Carl, Jr. Stroebel, and the hosts, Mr. and Mrs. Stroebel.

BOOK REVIEW HEARD BY GROUP WEDNESDAY.

A book review and musical program was heard Wednesday when Alpha Delphin study club and a number of invited guests met at the Women's club house for the final meeting of the club year. Mrs. Charles Cofer was afternoon hostess and Mrs. W. D. Hazel presided.

After the visitors were welcomed Mrs. Hazel presented Mrs. Eugene Lankford, afternoon leader, who announced the program and introduced Mrs. E. L. Jackson who gave a review of the book, "Bright Promise" by Richard Sherman. The speaker held the close attention of her audience throughout the review which was well received. The next program number, a vocal solo, "When You're Away," by Victor Herbert, was sung by Miss Renabel Bible with piano accompaniment played by Miss Betty Lou Brogan. The group was then favored by Miss Brogan who played "Claire de Lune" by Claude Debussy.

A social hour followed the program and the group was invited to the serving table where Mrs. W. D. Hazel poured delicious punch and refreshment plates of cookies and mints were passed by Mrs. Charles Cofer and Mrs. H. N. Lyle.

SEA FIGHTERS CHANGE ARMOR - NOT HEARTS

From the inception of the Navy Department a century and a half ago American warships have vastly changed from wooden frigates and privateers to steel-hulled battleships, cruisers, and carriers, but the will to fight in defense of America has undergone no transition. The veteran USS GUERRIERE in 1812, rests in retirement in Boston, content to repose the security of her country today in such craft as the USS Alaska (dover), American version of the German pocket battleship. Construction began on the Alaska 10 days after the Pearl Harbor attack, yet she had ample time to participate in many strikes against the Japanese in World War II. (Official Navy Photograph)

MRS. J. YOUNGBLOOD HOSTESS TO YW CLUB.

Word Home Demonstration club met Thursday afternoon in the home of Mrs. Jesse Youngblood for regular meeting with Mrs. I. D. Strawn presiding. The meeting was called to order with the club prayer repeated in unison. A short business session was held with minutes of previous meeting read by Miss Willie Word, secretary.

Mrs. Ernest Schaefer was leader of the program and discussed "Work Simplification," giving several demonstrations. The recreation period was in charge of Mrs. W. C. Clements and Mrs. J. E. Whisenant. During the social hour refreshments were passed to Mrs. I. D. Strawn, Miss Alice Bacon, Mrs. Arlin Birt, Mrs. W. C. Clements,

MRS. ROY FENLEY, MRS. OMAR FENLEY, MRS. J. D. HALL, MRS. D. P. KING, MRS. J. E. SHIRLEY, MRS. ERNEST SCHAEFER, MISS WILLIE WORD, MRS. J. E. WHISENANT, MRS. JESSE YOUNGBLOOD.

Next meeting will be held in the home of Mrs. Arlin Birt.

MRS. TEE WATERS WAS HOSTESS TO YW CIRCLE.

Mrs. Tee Waters was hostess when the Young Women's Circle of First Presbyterian Auxiliary met in her home Tuesday evening for regular meeting and program. Mrs. Charles Spears presided and minutes of the last meeting and membership roll were read by Miss Marie Hunterman. Miss Willie Word, Auxiliary president, was present and requested the group to take charge of the Auxiliary

birthday program to be given soon. The group acceded to the request and decided to present a skit for the occasion.

Mrs. Yancey McCrea was leader of the evening program and was assisted by Mrs. J. P. McCracken and Mrs. Frances Monk who gave program parts.

A social hour was enjoyed at the close of the meeting and refreshments were passed to Mrs. Charles Spears, Mrs. Alan Withee, Mrs. Charles J. Kleiner, Mrs. Frances Monk, Mrs. James McCracken, Mrs. Yancey McCrea, Miss Helen Crawford, Miss Willie Word, Miss Marie Hunterman and the hostess, Mrs. Waters.

Agriculture Lands To Be Carved From Camp Bowie Site

BROWNWOOD, May 8. (AP)—Agricultural lands will be carved out of Camp Bowie, the big wartime military reservation near here, and at least 260 veterans have asked to buy twenty of the tracts.

John Sarp, manager of the surplus land disposal office of the Houston Federal Land Bank, has mailed the blanks and instructions to the applicants. The 20 tracts, all that is left out of 199 tracts originally offered to holders of higher priorities, are to be put up for sale to these veterans at fixed prices.

The plots range from 19 of an acre at \$15 to 305 acres at \$6,000. Several tracts have residences already on them, and others are on paved roads or highways. A public drawing is to be staged to determine ownership. The rest of the 120,000 acre reservation will be put up for sale at a later date, Sharp said.

Aaron Burr was vice president of the U. S. when he killed Alexander Hamilton in a duel.

Herbert Hoover headed American War relief work in Belgium during the First World War.

Sanskrit was the ancient sacred language of the learned Hindus.

BRIEFLY TOLD

Master Sgt. Ernest Winston accompanied by Mrs. Winston and their young son spent several days with his mother, Mrs. Geo. Winston the past week. Sgt. Winston who has been stationed at an Air Corps base in Fort Worth for some time, left Thursday for Hamilton Field, San Francisco. He stopped at San Jose, Calif., for a visit with his daughter and husband, Mr. and Mrs. S. W. Rowland. Mrs. Rowland will be remembered by Cisconians as the former Miss Betty Mae Winston. Mrs. Ernest Winston and son have returned to their home in Fort Worth.

Mr. and Mrs. Johnny Markham and children, Bobby and Linda, were expected to arrive Saturday from Miami, Arizona for a visit with Mr. and Mrs. Chesley Tip-ton.

Mrs. Mabel Kuykendall accompanied by her daughter and son-in-law, Mr. and Mrs. Clifford Currens and their small daughter, Karen of Dallas are here for a Mother's Day visit in the home of Mrs. Kuykendall's parents, Mr. and Mrs. J. H. Latson, Sr.

Mr. and Mrs. T. T. Bains and sons, Randolph and Walter Earl of Odessa, are spending the week-end with their parents, Mr. and Mrs. W. C. Spoon.

Mr. and Mrs. Jerome McCarty announce the marriage of their daughter, Pauline, to Elmer L. Denman of Fort Worth which was held in that city on May 5.

Mr. and Mrs. Howell Sledge and daughter, Patricia, will visit Mrs. Sledge's parents, Mr. and Mrs. Mitchell, at Eastland today.

Mr. and Mrs. W. A. Ezell are visiting in Abilene with their son and wife, Mr. and Mrs. Aubrey Ezell.

Wayne Blacklock of Munday, a student at Hardin-Simmons University, visited in the home of his aunt and uncle, Mr. and Mrs. Paul Poe, here Thursday.

Mr. and Mrs. H. Gordon accompanied by her brothers, J. E. and Sherman and Vernon Norris, all of Lubbock are visiting their parents, Mr. and Mrs. J. E. Norris.

Mrs. Anne Emmons returned to her home in Fort Worth Friday after a pleasant visit in Cisco with her aunt, Mrs. A. J. Olson.

The City Federation of Women's clubs will have a meeting of the Executive Board Monday afternoon at 3 o'clock. All officers are expected to be present.

Mr. and Mrs. Larry Philley of Dallas arrived Friday night to spend the weekend and Mother's Day here with her parents, Mr. and Mrs. Joe Clements.

Joe Tom Poe came in Friday afternoon from Waco where he is a student at Baylor University and spent the night in the home of his parents, Mr. and Mrs. Paul Poe. He left early Saturday morning for Corsicana to fill his appointments at Calvary Baptist church where he is a full time pastor.

Mrs. G. M. Stephenson has recently enjoyed a three weeks' visit with her sister-in-law, Mrs. Wiley Hittson and family in Arizona. After a few days rest here she accompanied Dr. Stephenson to San Angelo where they visited his deceased brother's family. They then went to San Antonio for a short visit with their daughter and son-in-law, Mr. and Mrs. J. L. Kreps and were accompanied home by their grandson, Joey Kreps. Master Sgt. and Mrs. Kreps are expected here for a weekend visit with her parents.

Mr. and Mrs. Billy Wright of Dallas are spending the weekend in Cisco with their parents, Mrs. F. D. Wright and Mr. and Mrs. W. C. McDaniel.

Miss Ida Mae Collins of Fort Worth is here for a weekend visit with her parents, Mr. and Mrs. J. J. Collins.

Miss Catherine Cunningham was in Dallas Tuesday where she attended a Board meeting at the Baker Hotel of National Catholic Women.

Mr. and Mrs. R. L. Shaw will spend Mother's Day at Lubbock with their son, Robert Paul Shaw, student at Texas Tech.

Mrs. Lena Chick of Fort Worth is visiting over the weekend at the Mobley hotel, a guest of A. E. Lyle.

Mrs. M. W. Olham will have as visitors today in her home, Mr. and Mrs. Dave Walker and children of Stamford and Mr. and Mrs.

LANDINGS -- THEN AND LATER

The Navy's role in the assaults of American forces on the shores and beaches of enemy territory has been indispensable throughout its history, although the invasion methods have changed radically with each conflict. Above photo of an old print depicts the landing of American forces under General Scott at Vera Cruz in 1847 — amphibious operation, Mexican War style. Below is a scene from World War II, taken nearly a century later, as Marines stormed the black beach of Iwo Jima beneath scowling Mt. Suribachi.

J. H. Evatts of Lueders, Misses Walker and Evatts are daughters of Mrs. Oldham.

R. H. Keener was expected to arrive Saturday night from Monroe, La., to join Mrs. Keener for a visit here with her father, A. E. Lyle.

Mr. and Mrs. I. D. Strawn and son, Frank Strawn, attended a Military funeral at Breckenridge Friday of their friend, Sgt. Andrew Braddy, whose body arrived from overseas. The service was held at the First Methodist Church there.

Mrs. Frank Bond was expected to come in Friday night from New York where she has been visiting her daughter and son-in-law, Mr. and Mrs. Frank Duda, the past ten days. She was called to New York by the illness of her daughter who is now reported improved.

Mr. and Mrs. E. L. Hazlewood and son will go to Coleman to join other members of the Hazlewood family in a get-together in the home of his brother and wife, Mr. and Mrs. R. N. Hazlewood. The event will honor their mother, Mrs. R. N. Hazlewood, former Ciscoan, now living at Big Spring.

Don Hawkins of Fort Worth will spend today here with his mother, Mrs. Opal Hawkins.

Mrs. W. L. Harrell is visiting at San Angelo with her daughter, Mrs. Kate Berry and family.

Misses Mary Frances and Kathleen Keough are here from Dallas for a Mother's Day visit in the home of their parents, Mr. and Mrs. E. J. Keough.
