CISCO, TEXAS, TUESDAY, MAY 11, 1948

NUMBER 129

PEOPLE and THINGS

By J. W. S.

MAYBE WE SHOULD have written a weather story sooner. Sunday, we called to mind that May was supposed to be the wettest month of the year. Let's all hope that it will turn out true to form.

AN ARTICLE IN one of the magazines last week offers something that's very alarming indeed. For example, the water level in the good earth is sinking, due to extensive drainage. One West Texas city was cited as having used up all of its water, and now must import it.

WE OF CISCO are very fortunate indeed. Our lake holds a beautiful supply—sufficient for several years in the event of a prolonged drought. We were glad to read the other day where our country with the U. S. Army and Navy and civic leaders are competitors relative to having them tanks so the lake can be filled to capacity.

WATER IS ONE of our city's most valuable assets. By virtue of having the lake it is not necessary for us to dig wells. Unlimited water supplies are mighty important when industrial men start looking around for places to put their factories.

RAN INTO A fellow yesterday who's mouth was open. Why? We asked. He'd just offered a woman a cigar and she took it and lighted same up and blew smoke rings. She explained it by saying that women didn't use to smoke cigarettes. And she predicts the day is not far off when women will smoke cigars.

WE DIDN'T realize that more than 50 trains of one kind or another pass through Cisco each day. But we believe it now. Our office is pretty close by, and it seems that every time we go to talk on the telephone (particularly long distance when we're paying for it) a train buzzes by.

WE'RE NOT COMPLAINING. It means business and if we didn't have trains our town would not be as nice as it is. Besides, we just read about a fellow who doesn't complain any more because he doesn't have any shoes because he knows a man who doesn't have any feet.

LATEST SMALL CAR TO SELL FOR \$545

BUFFALO, N. Y. (UP)—One of the best features of a new entrant in the small-car field, developed by the Knudson Manufacturing and Design Co., Inc. is a claim that it will travel 60 to 80 miles on a gallon of gas.

To go in reverse the drives does not have to use any gas. Instead it raises a floor board and pushes with his foot on the pavement to move the 635-pound vehicle backward.

The two-passenger automobile is a roadster type with a canvas top, much along the lines of the military jeep but smaller. Having an over-all length of 90 inches, width of 45 inches and powered by a one-cylinder, four-horsepower motor, the car has but one door—on the right side.

The automobile with the motor mounted over the rear axle, has conventional steering gear and lights. A brake and an accelerator are its only pedal controls. Moving along on 4,000x16 puncture proof tires, the machine is said to be capable of reaching 40 miles an hour speed.

Plans have been made to market the machine for \$545.00, f.o.b. Buffalo.

WHAT'S DOING

WEDNESDAY, MAY 12.
Lions Club luncheon, College Cafeteria, noon.

THURSDAY, MAY 13.
Rotary Club luncheon, College Cafeteria, noon.
The American Legion meets Thursday night, 7:30 o'clock at the Laguna Hotel.
City Softball League season opens at new park, 8 p.m.

CHILDREN TAKE OVER PICKET LINES

The children of the strikers at the Schlitz Brewing Company, in Milwaukee relieved their parents on the picket lines. They carried signs giving information on the average size of families. Their fathers, members of the CIO Brewery Workers Union, are on strike at all the Milwaukee breweries. (NEA Telephoto)

Oil Drilling Active in Putnam Area

PUTNAM, May 11. — Oil business is still pretty active around the Putnam area, both in the deep and shallow structures.

The Isenhower deep test about three or four miles Southeast of Putnam is drilling at about 3,700 feet, and expect to drill in the first of this week.

The try on the Taylor-Ramsey is down and was expected to drill in Friday or Saturday. The Texas

Eastland County Democratic Group Go Instructed

On the surface at least all was harmony at the county convention which elected delegates to the state convention to convene at Brownwood May 25.

The convention by resolution voted to send delegates to the Brownwood state convention May 25 instructed to vote as a unit, and the delegates further were instructed to "work for and support resolutions in the state convention directed toward returning to the several states the functions that have been usurped by the Federal Government."

In the same resolution, President Truman's civil rights program was directly assailed in paragraphs upholding Texas' right to require poll taxes, racial segregation, and employment free from the "so-called Fair Employment Practices program being advocated by the President and the Federal Government."

Still another resolution called for congressional passage of laws assuring states rights to their territories.

County Democratic Chairman Oscar Lyeria set the tone of the meeting when he opened it by calling for states' rights.

Delegates to the state convention nominated and chosen without dissent were:

Eastland: Mrs. H. H. Hardeman, T. M. Collier, Oscar Lyeria, Fred Brown, J. C. Allison, Jack Frost, W. B. Pickens, Earl Conner, Sr., Frank Sparks, Cyrus Frost and Mrs. Joseph M. Perkins.

Cisco: Dr. Charles C. Jones, Mrs. Charles C. Jones, W. J. Armstrong, J. J. Callaway, Mrs. J. J. Callaway, Mrs. L. H. McCrea, Carl Armstrong, J. M. Flournoy, Mrs. J. M. Flournoy, E. P. Crawford, R. L. Ponsler.

Ranger: J. J. Kelley, L. R. Pearson, Joe Nuessie, L. H. Hagaman, Mrs. M. H. Hagaman, C. B. Pruett, A. N. Larson.

Rising Star: W. E. Tyler, M. E. Shook, W. J. Herrington, Raymond Gray, Mrs. E. M. Howard.

Gorman: F. S. Perry, T. S. Ross, Henry Capers, ohn Kimball, Dr. F. E. Brannon, Miss Collie Lowe, Carbon: W. F. Collins, Ed Allison, Ray Wyatt.

Desdemona: L. E. Clark, W. A. Saint and H. H. Williams.

Vets Eligible For Increased Subsistence

World War II veterans in education and training programs are urged not to write or contact the Veterans Administration office how to qualify for increased subsistence benefits due to recent changes in rates, ceiling and number of dependents. The higher rates will be paid automatically to those G.I. Bill trainees whose existing applications with VA contain the information needed to certify them for increases authorized in legislation signed recently by President Truman.

Adjustments for disabled veterans training under the Vocational Rehabilitation Act (Public Law 16) and qualified to receive additional benefits also will be automatic.

When additional information is needed from veterans training under the G.I. Bill, the veteran will receive a form from VA asking for the necessary data. The first of these forms are already in the mail, VA said. Veteran trainees are urged to fill in the forms completely and return them promptly to VA. Adjustments will be made on the basis of the completed form. The first adjustments that possibly can be made will be in the June subsistence allowances payable on or shortly after July 1. It is more likely that most of the initial payments at the higher rates will not be made before the July subsistence checks are sent out about August 1, VA said.

The increased benefits are retroactive to April 1 in most cases. The initial payment at the adjusted rate will include all increases due from April 1, through the end of the subsistence period covered by that check.

The new law increases benefits to G.I. trainees by raising pay ceilings, establishing new criteria for computing income for productive-labor, and increasing subsistence allowances for part time school training and for combination school and job training programs, including institution-on-increased benefits to disabled veterans taking combination types of training under Public Law 16.

The higher ceilings for job trainees provide that earned income plus subsistence shall not exceed \$210 a month for a veteran with one dependent, and without dependents, \$270 for and \$290 for a veteran with more than one dependent. The previous limits were \$175 for a veteran without dependents and \$200 for a veteran with one or more dependents. In the case of veterans in job training only, no change was made in the maximum subsistence payable of \$65 a month to a veteran without dependents and \$90 to a veteran with one or more dependents.

ty Sue) Cole, pianist and J. T. Elliott, song leader.

The class voted to help support the two First Methodist teams entered in ABC soft-ball leagues. The junior team is coached by Cisco Junior College Dean R. F. Webb while Harold W. Braine heads the senior team.

J. R. Deen to Head First Methodist Men's Bible Class

At the annual election of the Goodfellows' Men's Bible Sunday, J. R. Deen was elected president. Others elected were: W. C. McDaniel, vice-president; W. P. Knight, secretary-treasurer; B. A. Butler, teacher; Mrs. Jack (Bet-

General Rains Break Long Drouth In Cisco Vicinity; Grain Can Still Benefit

Commencement for Moran Schools Set For May 21

A brief summary of Moran graduation activities which began with the junior-senior banquet May 7 and will culminate with the graduation of the senior class May 21, is given through the courtesy of Hugh W. Smith, superintendent of Moran public schools.

The baccalaureate services will be held in the high school auditorium Sunday night, May 16, Mervin Coad, of the First Christian church will deliver the sermon.

Thursday night, May 20, the eighth grade graduation will be held with Mrs. Clarence Gay, principal, in charge. A one-act play will be given by this group. Members of the class are: Earl Ayers, Martha Bratton, Lela Mae Griffiths, Carl Wood, Britt Killough, James Farmer, Burt Pettit, Kathryn Mitchell, Doris Davis, Gene Bussey Jack Burton, Kamber Knowles.

Friday night, May 21 has been set as the graduation date for the senior class. Exercises are to be held in the high school auditorium. George J. Steinman of McMurry College will give the commencement address. Wanda Edwards is valedictorian and second high honors went to Prosper Walker.

Senior class members are: Allen Bennett, Cecil Williams, Ted Montgomery, W. L. Moore, Gordon Bartee, Gene Griffith, Doris Thomas, Christine Bartee, Betty Raymond, Joyce Thames, Wanda Edwards, Patsy Weir, Doran Cline, Marvin Kays, Prosper Walker, Wade Roberts, Don Hagar, Norman McCoy, Lorene Crawford, Dot Isham Miller, Edwin Lummus, Cleveland Doyle, Kenneth Miller, Guy Thomas, Johnnie Donawho.

Moran faculty is as follows: Hugh W. Smith, Supt., F. E. Underhill, principal; M. J. Crump, Mrs. Fred Bankston, Miss Pearl Gann, Mrs. Clarence Gay, Mrs. Elmo Murphy, Miss Lela Baughman, Miss May Miller, Mrs. F. E. Underhill, Mrs. Fred Runkle.

The Junior-Senior banquet was held in the home-making rooms Friday night, May 7th. Decoration theme was "Treasure Island." The juniors had as their guests the seniors, faculty members, room mothers, and school board members and wives. Don H. Morris, president of Abilene Christian college was guest speaker.

Best Grades By Boys With Jobs

CROSS PLAINS, May 11.—The oft-asked question, "does a youth have time to work while attending school," appeared answered here this week as top-honor students were announced for Cross Plains High School seniors who are to receive diplomas the night of May 21.

With an average of 95.1 for his entire four years of high school Robert Smith, son of Mr. and Mrs. Marvin Smith, of this city, is announced as valedictorian. Salutatorian is Roger Williams, son of Mr. and Mrs. Wilbur Williams, who attained a four year average of 89.13. Both youths have had after-school and Saturday jobs throughout their entire high school careers. Smith is a printer in the office of the Cross Plains Review and fellow workmen say he possesses exceptional ability. Williams is local agent for the Abilene Reporter-News and according to the paper's circulation manager, is one of their most efficient representatives in West Texas.

After high school both Smith and Williams are planning further education, specializing in chemical engineering.

The protracted growth in the Cisco area was broken last night by general rains over the state and which gave Cisco slightly over one inch, while other adjacent sections received about the same.

A report from Desdemona north-east of Gorman states they had considerable hail the size of marbles and larger.

Eastland, Carbon, Gorman, DeLeon, Scranton, Rising Star and communities west of Cisco received around one inch and better, reports show. Putnam is said to have reported slightly better than at Cisco.

Abilene received a light shower, but radio reports raining all over Texas today, with the exception of a small spot in the El Paso area, where the sun was shining.

Eastland reports about .65 of an inch and about the same for Ranger.

The rain was heavier at Wichita Falls, Fort Worth and Dallas, while Denton received about five inches of rain.

The City Hall reports five inches of water caught in the lake, with the gauge at the dam standing at 68 feet and 6 inches.

Grain in most sections will be benefited, although it almost came too late for the Moran section, it was stated.

Corn and feed crops will be greatly benefited as will grass. Water will be replenished in pastures, most of which have government tanks that still contained water from the last rain.

Gardens will come into production rapidly now, since they are already putting on fruit, such as tomatoes, squash, beans and peas. Most gardeners report beans small tomatoes and squash already coming along.

Peanut planting will begin now and there is evidently plenty of moisture to bring them up. Most farmers plant peanuts in this area about the last of May until latter part of June.

Ciscoans were expressing thankfulness this morning that no hail accompanied the rain.

Wesley Methodist Brotherhood Elect Annual Staff

The Mens Brotherhood of Wesley Methodist Church met last night in their regular monthly meeting. The ladies of the church served a chicken dinner to all present.

After the excellent meal the election of officers for the next year was held with the following elected: Jessie Youngblood, president; A. F. Miller, vice-president; John W. Alvey, secretary-treasurer; and Stewart Slatton, program chairman.

After the election Luther Edwards, Miss Dorothy Wooten, and Miss Alene Wooten entertained the group with several musical numbers. Then Charles L. Cofer brought an interesting speech on "Minnows, Men, and Mountains."

All enjoyed the splendid program that was opened by prayer with Bruce White opening the service and Charley Joe Cooper having the closing prayer.

Those present were: George Douglas, J. O. Rice, Stewart Slatton, Clyde Smith Cecil Cooper, A. F. Miller, C. C. Cooper, Chas. L. Cofer, Jessie Youngblood, Jno. Alvey, Bruce White, C. A. Ward, L. C. Phagan, Tom Terry, Barby Smith, H. L. Youngblood, Billy Charles Miller, Charley Joe Cooper, Luther Edwards, Jerry Slatton, Larry Slatton, Kenneth Boatman, and Lewis Cooper.

ANNOUNCEMENT OF ENGAGEMENT MADE

Mr. and Mrs. A. W. Jackson of 207 west Thirteenth street announce the engagement of their daughter, Louise Jackson to Wesley Graham, son of Mr. and Mrs. J. D. Graham of Cisco. The date of the wedding will be announced later.

Gorman Holds Limelight in Eastland County As More New Wells Scheduled

Drilling continues in the Kirk field east of Gorman in the Eastland-Comanche sector, as new wells are scheduled to be drilled.

Location for a new extension to the Kirk field along the Comanche-Eastland County line has been filed by J. W. Baldwin as the No. 1 J. N. Watson, 330 feet from the north and west lines of the northwest corner of J. N. Watson tract in Wm. DeMoss survey. Permit is for 2,900 feet with rotary.

Three miles east of Gorman, in

the Kirk field, amended drilling application has been filed for the Coast Oil Corp., T. A. Kirk et al No. 1 Jack Adcock. The new application changes the fee owner's name to Della Graham and locates the test 330 feet from the north and west line of the Graham 60 acre tract in Wm. DeMoss survey.

In the old Desdemona field, east of the new Kirk pool, three and a half miles west of Desdemona, Magnolia Petroleum Company is trying for production from a deeper zone in the No. 2 J. M. Bishop, 330 feet from the south and 939 feet from the west line of Abraham Smelzer survey. It is on permit for 3,000 feet with rotary.

Locations for three new Eastland County oil tests, two of them tries for deeper production in old areas have been filed with the office of the Railroad Commission here.

On the north edge of the county, 11 miles north of Cisco, try for the Ellenburger production in the old Lecray area has been slated by Lone Star Production Co., on the No. 4 A. J. August "B" 467 feet from the north and 330 feet from the west line of section 475, SP survey. Drilling permit is for 4,200 feet with rotary.

Republicans In Texas Going To Convention

FORT WORTH, May 11.—The first special train load of Republicans to operate out of Texas to a National Convention will roll toward Philadelphia on June 18 with a minimum of 150 persons scheduled to be aboard.

Portions of the train will leave from local points throughout the state with the special train to be made up in Longview. The train will operate over the Texas & Pacific, M. P. to Memphis, Tenn., and from Memphis to Philadelphia over the Southern. The return trip will be through St. Louis.

Plans are under way for brief rallies to be staged enroute to the convention with a sight seeing trip scheduled for Washington, D. C. Hotel reservations in the Philadelphia area will be provided with the railroad tickets. Trippers may go up on the special train, attend the convention activities and then remain in the East for a vacation if they like.

Reservations on the train are now being accepted by Jim McMullen, public relations director for the Republican trip, at 921 Cherry street, Fort Worth. Only 150 reservations will be accepted due to the scarcity of hotel rooms in the convention city.

Railroad officials have announced that deluxe equipment will be used on the trip, including a diner and the latest in club cars. Planned entertainment will be provided for the trippers. The special cars will leave from Houston, San Antonio, El Paso, Fort Worth and Dallas.

Carole Pippen Awarded Medal At High School

Carole Pippen, daughter of Mr. and Mrs. Luke Pippen, a junior in Cisco high school, was awarded the first prize medal of the American Legion Auxiliary - sponsored essay contest Monday morning at the high school assembly.

The presentation was made by Mrs. Truly Carter, auxiliary chairman on Americanism.

The essay on "Our Great American Heritage-Liberty" has been sent to Austin for state competition.

Carole is an honor student head Majorjette of the Lobo band, first place state winner, the school's basket ball sweetheart, art co-editor of the high school annual and junior class favorite.

Comanche Trail Scouts Attend Eastland Meet

EASTLAND, May 11.—The meeting at Eastland Friday and Saturday, May 7 and 8, for Boy Scouts of the Northern District Comanche Trail Council, was well attended both days and splendid programs were given. The campfire was held at Ringling Lake just north of Eastland.

Following are some of the officers and committeemen attending the campfire:

Grady Pipkin of Eastland, president of Comanche Trail Council; W. B. (Buck) Pickens of Eastland, chairman of Northern District Comanche Trail Council; Arthur Merrell, Eastland, chairman Leadership Training; Gaston Dixon, Ranger, vice-chairman; of advancement; Lewis Crossley and Hugh Smith, Ranger chairman, Eastland, Committeeman; Rev. Rohre, Cisco, committeemen; Lee Cantrell, Ranger, committeemen; Mr. Bagwell, Ranger, committeeman.

Scout organizations present for Campfire and Court of Honor were:

Eagle Patrol Troop No. 6, of Eastland; Wolf Patrol Troop No. 10 of Ranger; Beaver Patrol Troop No. 101 of Cisco; Rattlesnake Patrol Troop No. 103 of Eastland.

Class B Campers
Owl Patrol Troop No. 15, Ranger; Rattlesnake Patrol Troop No. 58, Cisco; Lion Patrol Troop No. 103, Eastland; Haw Patrol Troop No. 6, Eastland.

Class C Campers
Moose Patrol Troop No. 58 of Cisco; Black Eagle Patrol Troop No. 29 of Carbon; Eagle Patrol Troop No. 15, Ranger; Eagle Patrol Troop No. 59, Cisco; Wolf Patrol Troop No. 20, Breckenridge.

Troops No. 56 and No. 18 of Breckenridge were present for Campfire but did not remain over-night.

Our Town Is Growing.

Yes, Cisco is growing and that rapidly. If one will take the trouble to drive about town and notice the new houses and those that have been repainted and repaired, it will become immediately apparent that Cisco is growing as never before.

We who have lived here through the depression and have seen values so low that it almost seems ridiculous now to think of the prices being paid for many of

these old houses. Yet there is much value in these oldtime structures. The lumber in them was good when they were built and it is still better than one can buy now. The demand for lumber has been too great since the beginning of the war and the hurried demand that exists now.

In east Cisco and west Cisco there are many new homes. On almost every street or block a new house has been set in. Many from war camps have been brought in and some of these have been remodeled to match later styles and are being made into houses that look well. There are a great number of them just moved in and are in the process of reconstruction.

Main street building has kept pace — not in actual new buildings but in remodeling, but the greatest modernizing noticeable, is in the minds of merchants. Everywhere these men are alive to building their town and they are backing up efforts to build Cisco from the standpoint of making the town the kind of town they want to live in.

We are prone to think that a few men are doing everything for Cisco — to make it alive and a more up-to-date town.

When we go to a football game — which we old-timers like so well to do, we are apt to notice and give credit only to the ball carrier. But when we stop to think we know they do not deserve all the honors. The line and blockers made it possible for them to cross the goal line.

That is the way in any town. There are ball carriers. We have to have them and they should have great honor for having the initiative and energy to take the lead. But if other businessmen did not back them up there would be little accomplished.

Take the ABC Athletic Club as

Office for Food and Feed Conservation Suggests:

A "PEACE PLATE" FOR TODAY

Save Wheat! Save Meat! Save the Peace!

TUESDAY PEACE PLATE

Watch the youngsters' eyes widen when today's egg bunburgers come to the table — bright yellow eggs piping hot in their own bun "cups."

Thrift rates high in this main dish which uses abundant eggs instead of net-so-plentiful meat.

The whole meal is designed for goodness as well as economy. The baked onions get a crumbly topping of peanut butter—and the creamy prune whip cuts cost with an evaporated milk base.

EGG BUNBURGERS

4 large round buns
Salted oil
4 eggs
Salt and pepper

Scoop out tops of buns to form cups; place on baking sheet; brush top and inside with oil; and break an egg into each "cup." Season, sprinkle with crumbs and bake in moderate oven (325°F) 20 to 25 minutes, until eggs are firm.

Serve with cheese sauce made by adding 1 cup of grated cheese to a medium white sauce and stirring till melted. Serves 4.

PRUNE WHIP

1/2 cup evaporated milk, chilled
1 1/2 tablespoons lemon juice
1 cup sweetened prune pulp

Chill milk in refrigerator tray, or by packing in ice and salt mixture; turn into a chilled bowl and whip until stiff. Fold in lemon juice and cold prune pulp. Keep cold until ready to serve, or freeze. Serves 4.

Our novel topping for the baked onions is crumbly peanut butter combined with bread crumbs. Here's the menu:

Egg Bunburger
Baked Onions, Peanut Crumb Top
New Cabbage
Orange Banana Salad
Prune Whip

FOOD TIPS: Do you serve your family plenty of milk? Or are you worried about food bills — and perhaps cutting down where you shouldn't?

Fortunately, there's a way out. You can get more for your milk dollar by making more use of evaporated milk.

Evaporated milk is cheaper than fresh in most large cities. And it's just as good for children.

At 11 cents a can for 14 1/2 ounces, evaporated milk really costs you 12 to 13 cents a quart for ready-to-use milk. Fresh milk in many cities is selling for 5 to 6 cents more than this.

If the children prefer the fresh for drinking, use the evaporated milk for cooking and in the many good dishes such as today's dessert.

GIRL CONFESSES MURDERING FATHER

Francis Korbelik, sixteen, confessed to the murder of her father after taking lie detector test in Wheaton, Ill. Sheriff Elmer Hoffman, left, and Investigator Allan Meyers conducted the test. Her father, William Korbelik, was a CIO union official. (NEA Telephoto).

an example. There are some leaders who have grabbed up the ball and asked the line to come on through with them. Furnish the money — We are justly proud of these ball carriers. All honor to them. They deserve it, but what of those 300 members? If there were no membership backing them up, there would be no park — no achievement. So let's give praise to the leaders but let's not say that only a few men are doing it all. They are the ball carriers and these other men should have praise for following through to do the backing and blocking.

So we must admit that all of our business and professional men are going forward and doing their part. Of course we must have the leadership, and we are glad we do have some leaders forging to the front. Good backing will bring out more of them.

The merchants' trades day program is another step forward to bring more business and keep what we have. Make people want to come to Cisco — made them feel that we want them — that they are appreciated, and we will continue to grow.

People are backing up the newspaper and that is well. It is surely true in every case that a "town can never be bigger than its newspaper." Boost the newspaper. It is trying to carry the ball in its game. It is trying to pay expenses and make a living just the same as every other business in

Cisco. Boost its work. Don't find fault — of course it will make errors and they stand out in black and white. It tells the story as you tell it to the editor. Some times an error gets in through the rush of trying to get to press on time and it is there for every one

Go West Young Lady If You Want To Hear Wedding Bells

Go west young lady if you want that wedding march to play for you.

Statistics show that the greatest marriage opportunities in the 48 states are offered in Nevada where single men outnumber single

women by 195 to 100, according to an article in the May issue of Cosmopolitan magazine.

Alaska offers even greater opportunities for marriage-minded maidens, with a ratio of nine single men to each single girl.

And if you want to really hit the marital jack-pot, pack your bag and go to the Far East where there are fifty American males for every American girl in Hawaii, the Philippines, Japan, Korea and China — wherever United States forces are based.

In that connection Uncle Sam stands ready to help you by providing employment in those far-flung countries, according to the article which states:

"There are nothing like Uncle Sam's outposts for opportunities. The United States government is now seeking 5,000 girls to fill jobs in the Far East. They need everything from clerk-typists to editors, writers, dieticians, personnel workers and accountants. Salaries range from \$2,770 to \$10,000 a year, with free travel, low-cost housing and free hospitalization

to see. Don't criticize, because you have made mistakes and we will all do so as long as we are humans. Help to make it the best newspaper in the best town in the state. That's what makes America great. We boost its good qualities and forget its faults. America has many faults, but we say it is the best country in the whole world and we would not live anywhere else. Do the same for our town and see only the good. Profit by mistakes but do not dwell on them. We can never grow by looking back — always forward, seeing the good and overlooking the bad.

Yes, Cisco is growing and getting to be a better town all the time. If you left Cisco where would you go? If there is a better place why don't you go there?

thrown in. The contract calls for nine months' service, and home will be a Quinset hut at approximately \$10 a month. Army chow costs about 25 cents a meal.

"For complete information on jobs in China, Japan, Korea and other points of interest in the Far East, write the Overseas Branch Office of the Secretary of War, War Department, Washington, D. C."

tioned in the article show that Wyoming has 164 available men to every 100 available women; Montana 150 to 100; Idaho 144 to 100; Arizona 118 to 100; New Mexico 117 to 100; Massachusetts 84 men to 100 women; Georgia 87 single men to every 100 available women; South Carolina 89 men to 100 women; and Washington, D. C. worst of all with only 82 available men to every 100 marriageable girls.

BANQUET AND PROGRAM SPONSORED BY OES

Honoring parents of members of the Rainbow Girls Assembly, a lovely banquet was held Friday evening in the dining room of the First Christian Church. The nice affair was sponsored by the local chapter, Order of Eastern Star. The seven colors of the Rainbow were emphasized in the decorations and appointments used and as favors, a small "Golden Pot" containing the program and menu stood at each plate.

Guests were greeted by Mrs. Selma Tableman and Mrs. Reba Steffey and were shown to the banquet table by Mrs. Stella Lisence. Invocation was offered by Mrs. Ione Fewell.

Mrs. Reba Steffey gave a short address of welcome and corsages of gardenias were presented to Mrs. Henry Anderson—the oldest member present and to Mrs. Gay-

le Bailey—the youngest member in attendance.

Dr. D. Ball was presented, and displayed interesting pictures in natural colors of local scenery, showing pictures of Lake Cisco; cacti; reptiles, lizards and wild flowers. He also showed pictures of scenes in the Rocky Mountains and the Northwest. Two vocal numbers were sung by Charles led at the piano by Miss Jane F. Hemphill of Albany accompanied by Miss Huestis. Miss Huestis favored the group with a piano selection, Claire de Lune by Debussy, which closed the program. Seventy-five people were in attendance at the banquet and enjoyed a very fine program.

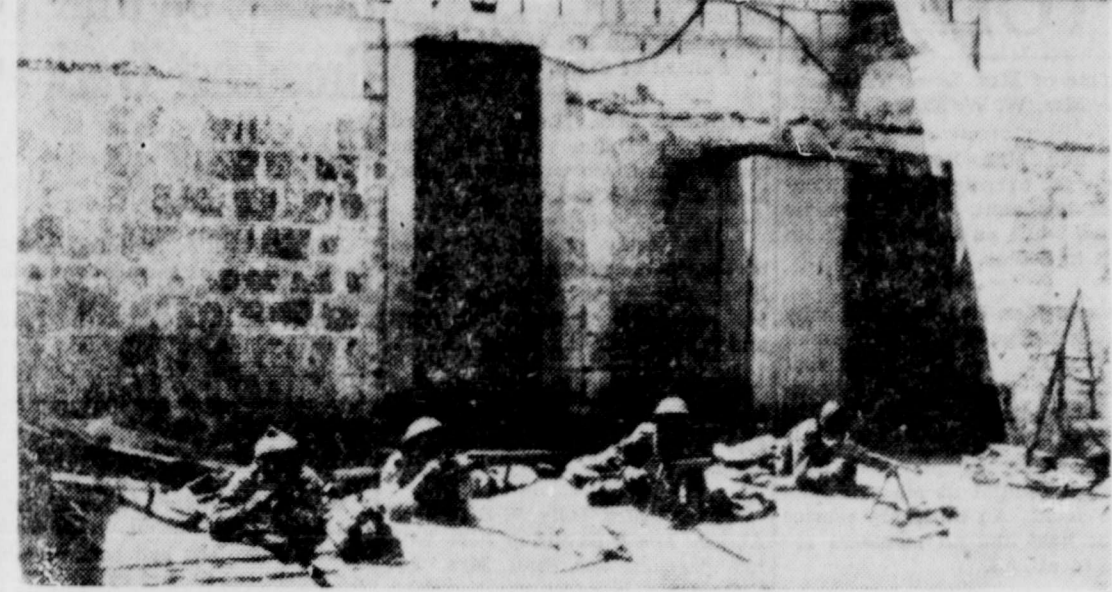

CHILD STUDY CLUB HAD FINE MEETING.

Cisco Child Study Club met Friday, May 7, at the Women's club house for the final business meeting of the club year. Mrs. Earl Mayhew was afternoon hostess and Mrs. Don Choate presided in absence of Mrs. Thomas Graves who was out of the city.

After the meeting was called to order, minutes of the last meeting and membership roll were read by Mrs. Alton Lomax. Treasurer's report was given by Mrs. Blake Stephens. Five names submitted as new members of the club, were accepted by the group and will be extended an invitation to join and become active members. They are Mrs. Gene Abbott, Mrs. Bill Huffman, Mrs. Lewis Mrs. Weldon Ussery and Mrs. Derward Morris. The club voted to subscribe to the ABC club for a year. Plans for the luncheon May 21 were made and it was voted to have the luncheon at the College Cafeteria.

At the close of the business session Mrs. Stanley Webb brought an interesting article from the Red Book, entitled "Crime Begins at Home," after which the meeting was adjourned. Refreshments were passed to Mrs. Charles Burke, Don Choate, J. H. Denton, Jr., J. C. Fletcher, Jay Garrett, J. V. Heysler,

ARABS CONTROL RAILROAD STATION

Arabs in control of the railroad station in Jerusalem, after the British abandoned it, set up this defensive position at one of the entrances to hold it against possible Haganah attack. This is one of the first pictures to reach the US after breakdown of communications in Palestine. (NEA Telephoto by Artine Kamgesian Staff Correspondent).

Jr. Jack Lauderdale, Alton Lomax, J. H. Latson, Jr., Earl Mayhew, V. C. Overall, Ralph Rider, Blake Stephens, H. H. Tompkins, Jr., and Stanley Webb.

ARTS CLUB PROGRAM DISCUSSED RADIO.

First Industrial Arts club met Thursday, May 6, at the Women's club house for regular meeting and program. Mrs. H. H. Davis was afternoon hostess and Mrs. S. H. Nance presided.

Mrs. A. J. Olson was leader of the program and presented Mrs. W. V. Gardenhire in a discussion of "Television." A radio forum was led by Mrs. E. L. Jackson in the absence of Mrs. R. W. Moore who was out of the city. Talks were made by Mrs. Ed Aycock, Mrs. R. W. Merket, Mrs. H. H. Davis and Mrs. Raby Miller who told of different phases of the radio discussing the Fine Arts pro-

grams: serials, news of the day and kiddie programs.

During the business session Mrs. J. J. Tableman was elected to active membership in the club. An invitation was read by the secretary from Putnam study club, inviting members to Putnam on May 13 to hear Dr. Ellis of Texas University. Several members plan to accept the invitation. Those present were Mrs. S. H. Nance, Mrs. Ed Aycock, Mrs. H. A. Bible, Mrs. Joe Clements, Mrs. H. H. Davis, Mrs. W. V. Gardenhire, Mrs. R. E. Grantham, Mrs. E. L. Jackson, Mrs. R. W. Merket, Mrs. Raby Miller, Mrs. B. E. Morshart, Mrs. A. J. Olson and Mrs. E. J. Poe.

Compounding Conscientious

To us, the compounding of prescriptions is a public trust... an essential health service to the community... and as such—an important function of our store. To discharge this trust... this service... faithfully, we maintain a modern prescription laboratory amply stocked with the highest quality pharmaceuticals and staffed by experienced registered pharmacists. That is why you can bring your prescriptions to us with the comforting assurance that they will receive the painstaking care that is so essential to your health.

It's a hard fight!

COSTS OF PRODUCING YOUR ELECTRIC SERVICE HAVE BEEN GOING . . . UP

BUT THE PRICE YOU PAY FOR ELECTRIC SERVICE IS STILL . . . DOWN!

The cost of producing electric service is going up...and up! Everyday necessities are taking more and more of Reddy Kilowatt's pay—but he is fighting to keep your electric service the biggest bargain in your family budget.

Fuel is up, materials are up, structures are up, new equipment is up, the average cost per man-hour worked is up; almost everything needed to provide you with electric service is up except the hire of capital. Many people—who are owners either directly or indirectly through savings accounts, insurance policies, trust funds, or similar institutions—are getting less for our use or hire of their savings.

Thus, here is one very important difference between Reddy Kilowatt's services and most other things you buy. While other costs have almost doubled since 1938, the hourly pay of Reddy Kilowatt—average cost per kilowatt-hour for residential use—has come down 17 per cent.

West Texas Utilities Company

BRIEFLY TOLD

Mr. and Mrs. H. A. Bible and daughter, Miss Renabel Bible spent Sunday in Fort Worth visiting their daughter, Mrs. Glen Arnold, a hospital patient. Mrs. Arnold, the former Miss Nanella Bible underwent appendectomy there earlier in the week. She is reported to be doing nicely and will be moved to her home in a few days.

Humble Oil Will Broadcast Track Meet May 15

Humble Oil & Refining Company will broadcast all events in the 34th Southwest Athletic Conference Track Meet, to be held at Rice Field on Saturday, May 15. Kern Tips, Ves Box, Charlie

Dallas where she spent several days on a business errand.

Mrs. K. H. Pittard returned Saturday on the Sunshine from Fort Worth where she had been receiving treatment for her eyes.

Mr. and Mrs. C. F. Pippen, Sr., of Andrews spent Monday night with his sister Mrs. T. E. Lisenbee and family. They will visit his parents Mr. and Mrs. Charlie Pippen and other relatives near Dothan while on vacation.

Mr. and Mrs. J. E. Smith enjoyed visits of three of their children in their home on Mother's day. With them were their daughters and their husbands, Mr. and Mrs. Glen Garrett and children of Fort Worth; Mr. and Mrs. Durward McClelland and children of Eden; and their son, Carroll Smith of Cisco.

Jordan, and Gene Heard, veteran announcers, will bring a complete description of the meet over seven Texas radio stations. The seven stations scheduled to carry the two-and-a-half-hour sports spectacle are KTRH, Houston; KRLD, Dallas; KABC, San Antonio; KRIO, McAllen; WTAW, College Station; KNOW, Austin; KWFT, Wichita Falls. Broadcast time is 1:45 p.m.

Events scheduled for this 34th Southwest Conference Track Meet include the field events; shot put, high jump, pole vault, broad jump, discus throw, and javelin; and the running events, 100-yard, 220-yard, and 440-yard dashes; the 880-yard, one-mile, and two-mile runs; the 120-yard high hurdles; the 220-yard low hurdles; and the 440-yard and one-mile relays. All will be described in the complete broadcast as a background for the description of happenings on the field.

Dual and triangular meets and the preliminary trials are all a preface to this meet in which official Southwest Conference track and field records will be at stake. The meet will be scored in a point system, and all schools in the Southwest Conference will have entries. It is the big day of the year for the scantily clad of Southwest Conference athletic competition, and the eyes of the crowd will be focused on the cinder paths, the jumping and vaulting pits, and the long measuring tapes of the judges in the discus,

javelin and shot put events, while radio listeners have a word picture painted for them by Humble's crew of versatile and veteran sports announcers.

TEACHERS ASSOCIATION BANQUET SET MAY 12.

The Eastland County Teachers Association will have its annual banquet at 7:30 p. m. Wednesday, May 12, in the Fellowship Room

of the First Methodist church Eastland, it was announced last week by County School Superintendent Carl Elliott. About 200 will attend.
