### HAD MEETING MONDAY

Royal Ambassador group of East Cisco Baptist church met Monday afternoon in the home of All games start at 8, with the Education. Student officer and for regular meeting. After a short business session and a splendid devotion, brought by Mrs. McCord, the group was ser ved with sandwiches. The recreation period followed and games of ball entertained the boys the remainder of the afternoon.

> Those present were: Don Poe James Lanham, Bill Miller, H. L. Youngblood, Max Farmer, Neal

### The newspaper field may have no cause to question its title 'Fourth Estate," but historians, for years, have been knocking themselves out to determine exactly who originated the phrase. What's more discomforting to the learned gentlemen engaged in

Origin of Phrase

'Fourth Estate'

**Not Traceable** 

historical research is the fact that they can't catalogue the event with a day and year - because they dont know exactly when the term was first used. Historians have no trouble

checking facts about the first three a wealthy Kansas farmer. estates, because these estates were classes represented in the English First Estate or Lords Spiritual (clergy), the Second Estate or Lords Temporal (nobility), and the Third Estate or (commoners).

Fourth Estate have thrown a an announcement today. monkey wrench into the wheels historical reporting.

One important clue is Thomas Carlyle's statement in The Hero as Burke, the English statesman as saying, "There were three estates in Parliament; but, in the reporter's gallery yonder, there sat Fourth Estate-more important by far than they all. It is not a The D. O. Class which is the lo- ment chairman; Betty Ann Dug- figure of speech, or witty saying;

> But the historians claim the must have more substantial proof The researchers point out that Carlyle did not say when or what occasion Burke made the remark, and no record of Burke's statement is possible that Carlyle was mistaken in giving credit to Burke.

Research indicates that Carlyle, himself, used the phrase "Fourth Estate" two years before he credited it to Burke. Carlyle in 1837 wrote, "A Fourth Estate, of able editors, springs up; increases and multiplies, irrepressible, incalcul-

Another pebble that clouds the erence to the Fourth Estate in Powell Cleaners. 1828. Macauley's essay states, "The gallery in which the reporters of the realm."

Boswell too, got into the act with his reference in Life of Johnson (1791) to "The stupendous Fourth Estate, whose world-wide embracing influences what eye can

The World Book researchers stated that if Carlyle's report of Burke's statement was correct Burke probably did originate the Ladies of the Society making term because he died in 1797. Carlyle's first mention of the "Fourth Mrs. Paul Woods, general chair- Estate" appeared in 1873.

Any way you look at the situation, the newspapers got all the Armstrong, Mrs. Bill Childers, glory, and the historians got all
