## PEOPLE and THINGS

By J. W. S.

**ACCOMPANIED MR. PUNK** Thornton and Mr. Norman Houston on an inspection trip to the Cisco Country Club this morning. Plans are being made for the annual invitation golf tournament scheduled here for June 18, 19 and 20. The fairways and greens are being put in excellent condition.

**PRIZES FOR THE** tourney will be purchased in the near future. The tournament always attracts the top golfers in this region. More than 120 are expected to compete.

**AN INTERESTING** item at the clubs shop is the golf ladder. It contains the names of golfers and a sharp operator can climb to the top by challenging the man just above him. First five names on the ladder are Claude Wilson, Bill Dill, Huston, Thornton and Gene Damon. We're not mentioning who's on the bottom, but when we get our clubs polished up we're going to challenge Mr. Ellsworth Mayer.

**THE LADIES OF** the club have a ladder, too. Mrs. K. N. Greer's name tops it. Next four names are Mrs. G. C. McGowan, Mrs. C. M. Townsend, Mrs. Pete Nance and Mrs. Punk Thornton.

**READING THE** Press wanted column we see an ad for The Fixit Shop. And checking into the situation, we find that it belongs to Mr. A. L. Gleason. He is a Cisco lad, a college night student, and veteran. And his friends call his place the "Wallet and Bobble" firm. Called him up and he fixed a broken window for us.

**ONE BACK-YARD** gardner reports that all he has raised so far are plenty of chigger-bite welts. Just passed a couple of almost-forgotten old-time iron hitching posts. What a story they could tell!

## Police Chief, 87, Continues on Job After 58 Years of Enforcing Law

FRANKLIN, Neb. (UP)—E. W. Agnew, 87-year-old police chief of Franklin, claims the honor of having served as a peace officer for a longer period than any man in the United States—58 years. He is still going strong.

Agnew started his law work in 1888 at the age of 27 in Smith County, Kan., where he was constable for 10 years. He followed that with 15 years as sheriff of Smith County, six years as deputy and in 1820 another 2 years as sheriff.

Added to his Kansas service is more than 25 years as chief of police at Franklin. While holding this job, Agnew served more than 14 years as deputy sheriff in Franklin County under three sheriffs.

The slender chief still is vigorous and nimble, as has been discovered by men more than 50 years his junior.

**Still Has Temper** Agnew's friends say he is kindly family man and grandfather. He performs his somewhat unpleasant duties with courtesy when possible, but his fiery temper comes to the fore if he is not accorded the same treatment and respect.

The police chief enjoys telling of his experiences in the days of the "hoss thief" and the bank robber gangs. In his long career he

## Lions Have Double Header Program Topped Off With Talks on Gym Need

Lions heard a double-header Junior college-high school program and talks by Walter J. Hayt, O. L. Stamey, Mitford Johnson, Paul Mosley, and S. H. Nance on the salvation army funds raising drive, and the gym campaign to raise \$15,000 for the athletic equipment program.

Visitors and guests were J. E. Proctor, J. R. Deen, of Cisco and Bob Miller of Eastland, and John Speirs of New Mexico.

Program chairman, E. L. Jackson, presented Principal Carlos J. Turner, who in turn introduced the high school drum corps in special numbers.

Sutton Crofts, Jr., Bette Rowe Wilcox and Zelda Sandler gave

the first numbers while Bobbie Jean Deen gave a clarinet solo with Barbara Grist accompanying on the piano.

The Junior College Chorus gave a very interesting and humorous skit featuring the wonderful voice doctor, who gave the ladies deep manly voices, while with a wave of the hands lovely, feminine soprano voices were fostered on the boys.

Personnel of this chorus were Ken Boatman, Tommy Payne, Reese Huddleston, Jerre Westfall, Helen Hay, Norma Prange, Sue Armstrong, Bobby Fern Henley and Alton Landray.

Mr. Hayt, field representative, gave a short talk on the Salvation Army Service Unit being established in Cisco.

O. L. Stamey, president of the Junior college, talked about the needs of Cisco along the line of athletic equipment and about the campaign to begin next Tuesday. He presented two young men, who have been outstanding football stars in Cisco during the past few years, and presented them for short talks.

Mitford Johnson and Paul Mosley both talked on the needs of Cisco for a gym—a place in which all students might have a place and equipment to avail themselves of physical education—the great need of Cisco schools through past years.

S. H. Nance, a member of the Gym committee, said that the drive would tee off at a breakfast next Tuesday morning to make a whirlwind campaign to finish the drive for the \$15,000 needed for the gym. He said that Cisco had never failed on any project and did not expect to let this be the beginning of such failure.

## Howard-Payne Commencement Friday, May 21

BROWNWOOD, Tex., May 19.—One hundred and sixteen seniors will be awarded degrees from Howard Payne College at the spring commencement program Friday, May 21, at 7:30 o'clock in the L. J. Mims Auditorium.

Speaker for the occasion will be Rev. Ellis L. Carnett, pastor of the Travis Avenue Baptist church of Fort Worth. He will be awarded an honorary Doctor of Divinity degree during the program.

Other activities for the day will include a trustee luncheon and meeting, a luncheon for faculty women and wives of trustees, and the president's reception for seniors and their friends.

## P-TA Sponsoring Free Vaccination For Small Pox

The West Ward P-TA is sponsoring the health of children of pre-school age in Cisco and announces through Health Chairman, Mrs. Chuck Van Horn, that all children of pre-school age and even on up to seven years of age, may receive vaccination for small pox through Dr. W. P. Lee, city health officer, by going to his office in the Reynolds building. The state is furnishing the vaccine and he is giving his services. There is no charge.

## Switch Failure Blacks Out All Business District

Light failure, which left the business district in the dark, so to speak yesterday afternoon, put the Cisco Daily Press about two hours behind schedule in publishing and delivering the paper.

All of the linotype equipment at the Daily Press office operates from the light circuit, and was dead for the period.

E. L. Jackson, district manager of the local West Texas Utilities Co. plant, was out of town, and said this morning that he had not yet found out all the story but it seemed that the blackout was caused by a "breaker failure" which a too-large current opened automatically, but failed to close back up.

A great deal of time was spent at outside points to locate the trouble, but finally the open switch which had failed to close, was discovered in the local plant and lights were restored immediately.

## AMBASSADOR SMITH IN BERLIN

Walter Bedell Smith, right, U. S. Ambassador to Russia arrived at Tempelhof Airport after a series of talks with Soviet Foreign Minister Molotov which may lead to a showdown talk between the U. S. and Soviet Russia on the "cold war." Greeting the Ambassador are left to right: Major General George P. Hays; Mrs. Lucius D. Clay; and Major Carl Welchmen. (NEA Telephoto).

## Joe Coulter Is Airport Manager At Norman, Okla

Joe Coulter, who most Cisconians will remember as operating a year or two ago at the Cisco Municipal airport, is now airport manager of Oklahoma University Westheimer Field, at Norman, Okla.

A Norman, Oklahoma, daily paper has quite a skit about Coulter who took his A. B. Degree there before the war in 1940 and then stayed on another year for graduate work and flight training.

Coulter was flight instructor at Coleman and then advanced to Randolph and still later to Foster Field. He was appointed to his present job, Aug. 9, 1946.

## OLD SAILORS TO STICK TO BATTLESHIP TEXAS

HOUSTON, (UP)—Three "old salts" who have 91 years of service among them will spend their final active days aboard the retired battleship Texas as caretakers.

The "Big T" has been given to Texas by the U. S. Navy as a shrine. A special permanent berth has been built for her near the San Jacinto monument, a symbol of Texas independence.

Joseph M. Strickling has been named chief caretaker of the beloved battleship. He served on the ship from 1914 to 1918. Assisting him will be Johnny McKeown, chief machinist mate, USN, who has been aboard the Texas for the past 13 years of his 31 years Navy service, and Chief Boatwain E. E. Levy, who was retired last Jan. 1 after 30 years service.

## Oregon Bound

Gov. Thomas E. Dewey of New York leaves from LaGuardia Airport, New York, for Oregon, where he will try to corral that state's 12 delegates to the Republican Convention. Dewey and Harold Stassen are the only two GOP aspirants in Oregon's May 21 primary.

## C. Of C. Studies Road Expansion, Gym Building, Guard Unit Establishment

Directors of the Cisco Chamber of Commerce directed their highway committee to study plans for improvements of the road from Cisco to the Fred Manning Pressure Maintenance Plant northeast of town at their regular semi-monthly meeting Tuesday night.

The committee, after studying the proposition, will make a recommendation to the directorate.

The remainder of 10 lots purchased several months ago by the

Chamber of Commerce to provide highway right-of-way in West Cisco will be offered for sale, and directors appointed a committee to study the matter. Members of the committee are E. P. Crawford, J. B. Pratt and W. K. White.

The group planned to appraise the property and recommend to the board a plan for disposing of it.

Co-Chairman J. J. Calloway of the Community Center Committee reported on the progress of plans to raise \$15,000 to finance a combination auditorium-gymnasium for Cisco.

The progress of plans to establish a National Guard Unit here was outlined by Chairman W. K. White of the Military Affairs Committee.

Chairman Troy Powell of the Athletic Committee reported that the ABC Club now has 249 members—51 short of its goal. The membership drive is continuing. He reported that the club will have some \$400 in its treasury after paying all expenses in connection with erection of the softball field. Plans now are being made to expand recreational activities for pre-school age children, Powell told the directors.

Airhart has been a farmer all of his forty-four years, but it was in 1936 that an accident caused him to become legally blind. It has been only the last year and a half that he turned to dairying to make a living for himself, his wife and two children. This was his solution to the problem of adopting his visual limitation to his years of farming experience. Airhart began his dairy with a herd of ten cows which were loaned him by his mother. He acquired an additional six cows and pastured the sixteen-head herd on the sixty acres of land which had been given him by his father.

Airhart secured credit from a local lumberman and an eight-cow barn was built. Through the vocational rehabilitation services of the State Commission for the Blind, he was able to obtain equipment which included such necessary items as a set of mechanical milkers, a deep freeze locker, an electric water pump and a washing vat. Friends, neighbors, local business men and agencies cooperated with his dairying plan. By trading, selling and buying he has replaced his original herd of cows so that he now milks twenty-five. In order to cut feed costs he has recently acquired an additional forty acres on which he plans to raise his own feed.

He hopes eventually to increase his present daily output of six cans of milk, all of which has been contracted by a national products firm. A part-time hired hand helps with the cultivation of the small crops under Airhart's supervision. The dairyman's days are long and for a bit of relaxation he meanders to near-by river to drop a hook.

## Cisco Methodist Youth Group Takes MFY Banner At Cross Plains Rally

By JIM EWELL, MFY Staff Writer.

Methodist Youth Fellowship members and sponsors, about two hundred in number, from six West Texas counties, rallied at the small town of Cross Plains, designated site for the monthly district conference of the Methodist youth, held in the auditorium of the First Methodist church of that city, Monday night, May 17.

Youth representatives from Dublin, Eastland, Carbon, Olden, Pioneer, Putnam, Burkett, Ranger, Rising Star, Breckenridge, Cross Plains, Desdemona, and Cisco were present to attend, for them, the year's most important and high lighting event for the past eleven months—the election of new officers for the coming year. Nominating committeemen from each church represented, met secretly in the pastor's study, immediately after refreshments were served provided by the members and ladies of the church.

Soon after the serving of the refreshments, consisting of a great variety of food—sandwiches, all kinds of cookies, fruit and punch—all neatly and quietly consumed, visiting ministers from neighboring communities, led the large group in a number of "ole folk" games but too few were able to participate in the frolic and strenuous exercises, as many had consumed just too much of the refreshments offered and were not physically able to enter, while others waited about the lawn watching the window of the pastor's study where the committee was still in session. Perhaps wondering what the results would be and who would be the candidates for the coming election?

**The Meeting in General.** The meeting was called to order soon after the meeting of the nominating committees had ended, by the vice president, Mary Hollaner, acting in the absence of the conference president, Dorothy Wooten, who explained in a letter read by the vice president to the conference that she had enrolled in a Fort Worth college and was unable at the time to attend the

## McMurry Gold Star Dormitory Finished By June 1

ABILENE, Texas, May 19.—Bric-klaying of the \$300,000 Gold Star Memorial Dormitory, shown in accompanying picture, will be completed by June 1, according to Dr. Harold G. Cooke, president of McMurry College.

The structure, built in memory

GOLD STAR MEMORIAL DORMITORY.

of Methodist youth from Northwest Texas and New Mexico who died in World War II, will house 175 young men. Another building—President Hall—is of similar size and almost exactly like it and houses 150 young women at McMurry. Between the two dormitories is located the \$135,000 Iris Graham Memorial Dining Hall, completed last year.

Work on the interior of the Gold Star dormitory will begin within a few days and should be completed some time before the opening of the fall term next September. It will provide adequate accommodations for men students of the college, Dr. Cooke added.

## HIS FIRST MOVIE PLEAS.

CHAMPAIGN, Ill. (UP)—Isaac Phares, 86, whose lifelong poor eyesight was remedied by an operation, has seen his first movie. He said he likes them and plans to become a regular fan.

meeting as she could not leave her studies. The secretary-treasurer, Mary Beth Tunnell, then read the minutes of the preceding meeting held at Eastland, stressing the importance of the next meeting to be held at Cross Plains, as it was the election month for new officers.

The conference then unanimously voted to send all four officers to the state encampment this summer at Georgetown.

Members from each church were then counted. Cisco First Church won by a large majority and took home with them the district MYF banner—for the first time. Cisco Wesley church followed closely behind the leading contenders.

Rising Star won a dollar prize for the best pantomime skit.

Rev. C. A. (Chief) Warden, pastor of the Wesley Methodist church, Cisco, then took charge of the electoral presidings: Kenneth Boatman of the Wesley church, was elected to serve the one year term as district president. In his inaugural address he expressed his deepest appreciation to the members for heaping such an honor upon him and said "with God's help we'll make this district the best in the state." Joe Stamey, future ministerial student, was elected to serve the office as vice president, but declined to make any comments. However, his facial expressions were enough to convey his thoughts to the assembly. He is a resolute member of the First Methodist church of Cisco. Jane Huestis was elected by the assembly to serve as secretary-treasurer for the coming year. She too, is a member of the First Methodist church, Cisco. Jim Ewell, also of the First church, was elected to the position as publicity chairman.

**Memorial Service for Jerry Kirk.** Members of the Cross Plains Methodist church, hosts to the convention, presented a memorial service in the honor of their deceased member—Jerry Kirk, who died as the result of an unsuccessful appendicitis operation last January. A beautiful framed picture was given in his memory, to be hung in the church parliment.

Their meeting was both impressive and vivid in color—poems were realistically read, hymns sung—making even more the conference a success.

The Cisco First church will be the publishers of the district paper "The Cisco District High Lights" and the Cisco Wesley church will be the hosts to the fourth coming district meeting to be held in the latter part of June. Incidentally, the Breckenridge Methodist church accepted the challenge made by the First Methodist's soft-ball club to play baseball on the new field, sometime next week, or the near future.

President Kenneth Boatman then adjourned the meeting until the forthcoming date at Cisco.

## Funeral Held For Joe Hatton At Eastland Monday

Funeral services for Joe Hatton, who died early Saturday morning at Ranger hospital, were held in Eastland at 2 o'clock Monday afternoon. Burial was in Eastland cemetery.

Immediate survivors are his children: Frank Hatton, Monahan; Leo Hatton, Corpus Christi; Worth Hatton, Seminole; Mrs. Steve High, Eastland; Mrs. Olin Sellers, Albuquerque, N. M. He was preceded in death by his wife and one daughter.

Those attending the funeral from Cisco were Mr. and Mrs. Kelly Hatton, Mr. and Mrs. W. P. Caldwell, Ferga Caldwell, Mr. and Mrs. Reed Young, Mr. and Mrs. Ray Hatton, and others joining them here were Mr. and Mrs. Leo Hatton of Corpus Christi, Mr. and Mrs. W. Hatton of Sundown; Mrs. Adra Huffman of Breckenridge; Mrs. Clinton Stiles and son, Tony, of Ft. Worth, and Lt. and Mrs. D. C. Frost of Biloxi, Miss.

Deceased, a retired farmer, a member of a landmark family of Eastland county, was reared in the Corinth community and interment was made at the family burying ground there beside his wife and parents.

## WHAT'S DOING

Thursday, May 20.

Rotary Club hold "ladies night" at First Christian church.

Alpha Square Da Club meets at College at 8 p. m.

The Industrial Art Club will give a Fine Arts program at the 20th Century Club Room at 3 p. m. Thursday. Fred Baumgardner will be in charge.

Dr. Lee, City Health officer, will vaccinate pre-school children, six and seven years old, at his office any time Thursday.

## Rotarians to Hold Ladies Night Program

Rotarians will have a Ladies night program at the First Christian church Thursday night, 7:30, instead of the regular noonday luncheon. A musical and dramatic program will be used instead of a speaker, it was stated by J. J. Callaway and B. A. Butler, special committeemen.

The dramatics will be in charge of Mrs. James Moore and the theme will be the "Gay Nineties," while the Texas & Pacific male quartet of Dallas, will be present and bring special numbers.

A very entertaining program is promised to the wives and sweethearts of Rotarians—a special

feature that comes one time each year.

President Charley Graham will be in charge.

## TAKE DIRECT ACTION.

PLEASANT GROVE, Ill. (UP)—The citizens of this town got tired of waiting for authorities to improve their district school. A team of 17 families already has laid cement for the school's new basement and raised \$1,900 for construction work. While their menfolk do the heavy labor, the women plan ice cream socials and rummage sales to raise more money.

## Why Women hate Men

Psychoanalytical study has resulted in some amazing findings, but perhaps the most startling is the discovery that the majority of women hate men. Most women are inclined to deny this vehemently. It seems utterly ridiculous to them. How can a woman harbor hatred and resentment for a creature to whom she is so strongly attached? It is difficult for her to realize that this hatred for the male is so deep-rooted and of such long standing that many women are not aware of it — except fleeting intervals when it manifests itself in such violent form that it cannot be consciously repressed.

Authorities agree that this

## Top Cadets Will Be Lieutenants In Air Force

FORT SAM HOUSTON, Tex., May 19. (UP)—The top cadets of each aviation cadet graduating class henceforth will be appointed second lieutenants in the regular air force, the United States Air Force has announced.

Aviation cadet graduates regularly are commissioned second lieutenants in the USAF reserve and may qualify for regular air force commissions while on extended active duty.

Among the qualifications for a regular commission are possession of outstanding qualities of military leadership, high moral character and definite aptitude for the military service.

hatred has its basic cause in woman's fierce and deep-seated resentment of a male-dominated world. The fact that the deluding dogma of male superiority has been rammed down woman's throat since history's beginnings, and the fact that she has sought to repress and swallow this anger, has by no means changed the quality of the emotion — or its intensity. Instead, it is expressed in a multitude of perversities calculated to discomfit the opposite sex, all of which leads the average man to observe, philosophically, "You can't live with a woman and you can't live without her." — John E. Gibson and David H. Fink, M. D., in Your Life.

## Railroad Officials in White House Conference

Four railroad officials arrived at the White House in Washington, D. C., for a last conference in an attempt to head off the threatened railroad strike scheduled for May 11. Left to right are: William T. Farley, president of the Association of American Railroads; Daniel P. Loomis, representing the Western Roads; Charles D. Mackey, chairman of the Southeastern Railroad's Wage Committee; and Herbert A. Enoch, chief negotiator for the Eastern Roads. (NEA Telephoto).

## Old Clock Runs Unceasingly For Half Century

STAMFORD, Tex., May 19. (UP) A striking clock at the W. G.

Wienke home in Old Glory has been running steadily since the couple was married 50 years ago.

Besides picking out a good clock, the Wienkes also bought some China dishes 50 years ago. They're still in use.

A treasured possession of Mrs. Wienke is a white silk handkerchief with cutwork in each corner. She carried it at her wedding in Austin county in 1898.

## ANCIENT TOWN LIGHTS UP.

LAUGHLINGTOWN, Pa. — (UP) This 150-year-old community has emerged from the "dark" ages. Though the town observed the sesqui-centennial of its founding last June, street lights had never been erected. Completion of a lighting system finally has allowed residents to see what the community looks like after dark.

### APPROACHING RITES ANNOUNCED SATURDAY.

The engagement and approach-  
ing marriage of Miss Elizabeth  
Waters, daughter of Mr. and Mrs.  
David E. Waters of Cisco to Dale  
E. Howard of Dallas, son of Mr.  
and Mrs. O. L. Howard of DeLeon  
have been formally announced.  
Mrs. Corita Crist Owen was hostess  
for a tea on Saturday afternoon at  
her home, 3525 Bryn Mawr, Dal-  
las, announcing the engagement.

The couple will be married June  
20 in the First Presbyterian  
church, Cisco; on the date of her  
parents wedding anniversary. The  
bride-elect's attendants will be Miss  
Neil Orr of Lancaster, maid-of-  
honor; Mrs. George D. Lovett of  
Odessa, sister of Miss Waters, ma-  
tron of honor; Mrs. Lewis Gresham,  
sister of the bride-groom-to-be,  
Cisco's maid; Miss Diana Waters of  
Cisco, niece of Miss Waters and  
Miss Jean Owens will be Junior  
bride's maids.

Miss Waters is a graduate of  
Cisco high school; attended Daniel  
Baker College and Texas Univer-  
sity and received her degree from  
TSCW, Denton. Her fiancé was  
graduated from DeLeon high  
school. He received his Bachelor  
of Arts and his Bachelor of Science  
degrees from Howard-Payne Col-  
lege and his Master of Arts degree  
from the University of Texas. Mr.  
Howard is employed with the state  
department of education.

Receiving 150 guests at the tea  
were the honoree and hostess,  
mothers of the betrothed couple  
and the bridal attendants.  
Miss Mary Ann Mitchell, Mrs.  
Jack Bostick, Mrs. Sam Kenner-  
mer and Miss Marianne Waters,  
niece of the honoree, poured tea.

Assisting in the house party were  
Mrs. Louise Swor, Mrs. J. A. Lantz,  
Miss Katherine Counts of Dallas,  
and Mrs. J. P. Owen, Jr., of Over-  
ton; Mrs. Percy Warwick, Mrs. A.  
E. Jamison, Mrs. Charles Robarts  
and Diana Waters of Cisco.

## SPECIAL DEPUTIES

Specially deputized civilians of Kwangju, Korea, banded together to protect their homes and vital installations from acts of sabotage by Communist terrorists as Koreans in American occupied Korea went to the polls in their first Democratic election in History. Citizens are not allowed to own firearms, so they used improvised bamboo spears for their only weapons of defense. (NEA Telephoto).

## GREEK GUERRILLAS CAPTURED

One hundred and forty-one men, women and teen-age guerillas were captured by Greek Army forces in Gravia, Greece. The Greek Army has a spring offensive on to remove all threats to the Athens-Salonika rail line. These guerillas face court-martials and possible execution. (NEA Telephoto).

### Office for Food and Feed Conservation Suggests:

## A "PEACE PLATE" FOR TODAY

Save Wheat! Save Meat! Save the Peace!

### WEDNESDAY PEACE PLATE

This is the season for buying  
lamb—and whether your purchase  
goes easy on your food budget or  
gives it a bad wallop depends on  
the cut you buy. For in a large  
eastern city recently, lamb breast  
or shank cost only 15 cents a  
pound, less than a fourth the cost  
of rib chops—priced at 65 cents a  
pound.

The lean meat from the cheaper  
cuts is just as high in nutritive  
value as the lean meat from the  
chops. And while it is not as  
flavorful, it is good eating if  
prepared by a good cook.

Today's Peace Plate features  
breast of lamb, stuffed with sau-  
sage and braised, so that it comes  
to your table with that appetizing  
blending of flavors you get from  
sausage and lamb. It's an unusual  
combination, too, one that lends  
originality to your menus just as  
it saves you money.

**BREAST OF LAMB WITH  
SAUSAGE**  
1 1/2 pound breast of lamb  
1/2 pound sausage  
Flour, salt, pepper  
2 tablespoons drippings

**JAY GARRETT'S HOSTS  
FOR COFFEE SUNDAY.**

Following the church hour last  
Sunday evening Mr. and Mrs. Jay  
Garrett entertained a group of  
friends with a coffee honoring Miss  
Mayonne Lomax and Mac Harrel-  
son, whose engagement and ap-  
proaching marriage has been an-  
nounced. The house was beauti-  
fully decorated with seasonal cut  
flowers for the occasion and a pink  
and white theme, chosen colors of  
the bride-elect, was carried out.  
Guests were welcomed by the  
hosts and were directed to the din-  
ing room where Mrs. Bill Fields  
poured coffee from the silver ser-  
vice at an end of the lace covered  
dining table. A lovely arrange-  
ment of pink sweet peas centered  
the table from which streamers of  
pink ribbons extended. The huge

### MRS. FRANK AYCOCK HOSTESS TO CIRCLE.

Mrs. Frank Aycock was hostess  
when Young Women's afternoon  
circle of First Baptist Women's  
Missionary Union met in her home  
Tuesday afternoon for regular  
meeting. In the absence of the  
chairman the hostess presided and  
opened the meeting with prayer  
by Mrs. Truman Taylor.

A short business session was  
held and minutes of previous meet-  
ing were read by Mrs. Richard  
Turknett. Routine business affairs  
were transacted following which  
the meeting was turned to Mrs.  
M. F. Underwood who brought the  
afternoon lesson from the book,  
"Living Zestfully" by Dr. Clovis  
Chappell.
