PEOPLE and THINGS

By J. W. S.
SOME DAYS BACK we kidded Mr. Roy Camfield, the Humble Pipe Line man who lives here and works 35 miles south of Cisco, about his fishing. And now we're ready to quit kidding and say definitely that he is one fisherman who knows the fishing business.

HE CAME BY late yesterday and invited us to accompany him and Mr. Austin Flint to the Lake Brownwood country near May, where Humble has a booster station. We arrived in time to put three trot lines. Baiting the hooks with perch, we decided that maybe we had ought to keep the bait, the perch were so big.

BUT IT TURNED out like we suspected it would. Roy knew what he was doing. A couple of hours later, we ran the lines and the catch was three small catfish—2-pounders. Around midnight, we went out again and the lines yielded a 20-pound catfish. Came dawn, and the three of us struck out for the lines again. This time, they contained two catfish. One weighed 13½ and the other 15½ pounds.

BESIDES THE FISH catching, we enjoyed touring the Humble pump station. The May station boasts the oil along from Ballinger to Comyn to the Gulf Coast. It's a pleasure to watch huge engines and machinery in operation. The Humble fellows do a splendid job of keeping things spic and span. The whole place speaks efficiency.

MR. CAMFIELD has worked for Humble for some 20 years and thinks his company is the best.

WE WROTE a piece recently regarding polio. Since that time we've learned that Eastland County has had two cases this last year. Let's all be cautious and prevent any more outbreaks.

A RECENT BUSINESS transaction resulted in Mr. Marshall Jones, the electrician, buying the interests of Mr. John Dunn in the local Maytag agency. The firm now is Jones and Sage. Mr. Jones, you know, moved back to Cisco early this year after being away for several years.

THANKS TO Mrs. Shy Osborn, we have a considerable bunch of flowers, tomatoes and the like planted at our house. She sent in the plants from her large supply. And the splendid rains were timely for the re-planting.

Joy Dean Laws, son of Mrs. Grady Laws, 305 West 10th street, Cisco, Texas, is one of the few students who will receive a vocational certificate for completion of 2000 hours of training to become a printer. Joy Dean has spent the entire two year training period at Commercial Printing Co., under Mr. F. E. Shepard, owner. This young man is receiving varied background in all phases of commercial printing work. Under the adequate training and supervision he has received, plus the diligent self application of the student, success is sure to be the reward.

JOY DEAN LAWS.

Joy Dean has been an active member of the local vocational industrial club for the two years he has been a member of the D. O. class. During the school years 1946-47 and 1947-48 he has been editor of the "D. O. Co-Op," school paper published by the D. O. class. He has served as president of the local V. I. C. for the past semester. He is the student who was largely responsible for such a successful steak fry.

Joy Dean will continue in printing as a life's work, using his present foundation as a printer to work his way through Cisco Jr. College.

Laws states that his D. O. training has been of great value and service to him; he expects greater dividends from his training in the future.

Eastland Chamber of Commerce Will Sponsor Barbecue For Dairy Group

The Eastland County Dairy Association met at 8 p. m. Tuesday night, May 25, 1948, in the county courthouse, Eastland and completed the election of officers and appointed the committeemen. Great and enthusiastic interest was shown in this new organization by the 110 dairymen and interested parties present. It was agreed that the association should meet the last Tuesday of each month at 8 p. m. in the county courtroom of Eastland, Texas. At present there are 52 members with a treasury of \$70.00 and many prospective members in view. "We are a young and growing organization and want every individual interested in dairying in the vicinity of Eastland county to become a member of our organization at the nominal fee of \$1.00," said Jack Wadsworth, reporter.

H. B. Tanner, secretary of the Eastland Chamber of Commerce, challenged the Dairy Association to a free barbecue and social event to be held Monday, June 14, 1948, at 8:00 p. m., at the City Park of Eastland. The challenge was accepted without a dissenting vote and each member in the organization is urged to attend and bring their families. Those planning to attend this event are asked to please let one of the following men know by Thursday, June 10, 1948, either by telephone or by writing:

- Nimrod and Romney — R. B. Carmichael, general delivery, Cisco, Texas.
- Eastland — Jack Wadsworth, 708 S. Bassett St., Eastland, Texas.
- Gorman — C. D. Simmons, Box 215, Gorman, Texas.
- Ranger — Ranger Agricultural Committee, Ranger, Texas.
- Carbon — A. C. Justice, Route 1, Eastland, Texas.
- Desdemona — Jack Gray, Agricultural Instructor, Desdemona or Eastland, Texas.
- Rising Star — Perry Spenny, Rising Star, Texas.
- Cisco — A. Z. Myrick, Cisco, Texas.

"If anyone is unable to contact any of these men concerning attendance at the barbecue, you may contact H. B. Tanner of the Eastland Chamber of Commerce," Mr. Wadsworth said.

The primary purposes of the organization is to bring into this community improved dairying through the uses of artificial insemination and the testing of cattle for T. B. and Bangs disease together with records of milk production.

"O. D. Dillingham of the Banner Creameries brought forth the fact that we in this area have great possibilities to develop a very profitable milk shed through constant interest in improved dairying. The fact that we have relatively no limit to potential market centers as far as 200 miles away by the use of modern transportation was of great interest to those present.

Recently the First Baptist church purchased the Shelton property which is directly west of the church building. The church hopes sometime in the future to erect an educational building on this spot. The church gathered up last year over \$5,000 and put it in the building fund. There was no special offerings taken for this purpose. The church went over the budget enough month by month that they were able to take from the general fund and put in the building fund over \$5,000. The church now has \$6,900 in the building fund.

The church raised through the regular channels the first four Sundays of this month \$2,844.78, which means that we went \$844.78 over the budget the first four Sundays in this month. Therefore, the church can transfer \$600.00 from the regular fund into the building fund. When the church raises \$1,000 next Sunday we will have the desired \$5,500 to pay for the property the church has voted to purchase," the church spokesman said.

"The Sunday school is to raise \$750 of the \$1,000. Those who are not enrolled in the Sunday school are to raise \$250. The offerings are to be put in the regular Sunday school envelopes, since the church has voted for all the money raised next Sunday to go in the building fund. It will not be necessary for the envelopes to be marked anyway except as they are marked each Sunday," he said.

Below are the goals by departments for next Sunday:

ABC Soft-Ball Games Postponed Tonight, Friday

An unscheduled event occurred at ABC field Wednesday when old rain-maker Jupiter Pluvius paid one of his rare but welcome visits to this community. While he went to bat unannounced, he made a big hit with the district ranchers, stockmen, farmers and gardeners.

Today, ABC field is in excellent shape for a water-polo contest but its condition has necessitated postponing soft-ball games for both tonight and Friday, announced Soft-Ball Commissioner Mayor Edward Lee, this noon.

Revised schedules of both ABC league and non-league games include:

- Saturday: R. L. Boyd's tentative scheduled to play either Brownwood or Breckenridge at 8 p. m., depending on condition of field.
- Monday: Cisco Junior College versus Moran, at 8 p. m.
- Tuesday: Christians and First Baptists; Cisco Independents vs. R. L. Boyd's.
- Thursday: Methodist and East Baptists; West Texas Utilities vs. Cisco Junior College.
- Friday: Christians and Methodists; Scranton vs. R. L. Boyd's.

Last Tuesday night, saw the up-and-coming Co-Vets take the measure of the Scranton nine, by a score of 6 to 12. While the Methodists junior team is really going to town, the senior league team did not get very far with the First Baptists, who also won by a score of 6 to 2.

At every soft-ball session, the first to arrive and the last to leave, it was learned

Junior High Students Are to Receive Diplomas at 3 o'Clock This Afternoon

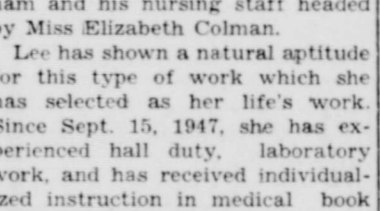

At 3 o'clock this afternoon 65 boys and girls, members of the Eighth grade of Grammar school, will be handed diplomas of graduation to the high school and will bid good bye to classmates who are left behind.

Parents of the group who attended last night's Baccalaureate sermon delivered by Rev. Stuart McC. Rohrer, say it was a splendid address and contained much good advice to these young people who are to begin taking on the ways of grownups as they enter high school.

The program this afternoon is to be one of self activities by the class members, themselves, even to the delivering of the diplomas, which are to be given by two members of the group.

E. L. Kent is school principal and Mrs. Truly Carter and Mrs. R. W. McCauley are sponsors of the eighth grade class.

Laboratory Technician

LEE BRUMBELLOW.

Lee Brumelow, daughter of Mr. and Mrs. E. Brumelow, 1210 Ave. A., Cisco, Texas, is completing her first year as a member of the diversified occupations class. Lee is training as a laboratory technician at Graham Sanitorium, local hospital. Miss Brumelow is receiving training in her chosen occupation under the skilled and adequate supervision of Dr. E. L. Graham and his nursing staff headed by Miss Elizabeth Colman.

Lee has shown a natural aptitude for this type of work which she has selected as her life's work. Since Sept. 15, 1947, she has experienced hall duty, laboratory work, and has received individualized instruction in medical book research.

This young lady has received a firm and varied foundation to be used for a life's calling in any branch of the medical field. Her present plans include entering Shannon Memorial Hospital, San Angelo, this fall and train to become a registered nurse. Later she wants to enter the field of laboratory work and psychiatric work.

She found her life's work through the training received under D. O. and feels her year has been spent to great advantage at Graham Hospital where she has received excellent training, in addition to the hour per day related class work which she has received in the D. O. classroom.

Lee is an active member of the Vocational Industrial Club, Cisco chapter, she is also Gossip Editor of the "D. O. Co-Op," school paper which is published by the D. O. Class.

Saddle To Be Prize For Best Quarter Horse

A handsome saddle will go to the grand champion quarter horse in the new performance class at the meeting of the American Quarter Horse Association in connection with the Texas Cowboy Reunion here July 2, 3, and 5, Roy Arledge, chairman, said this week. Other new prizes will also be offered.

The saddle will be presented by the American Quarter Horse Association. Two performances classes are being added to the quarter horse show this year for the first time when those entered in those classes will perform under saddle. Only the finals, with four animals competing, will be shown in the arena when grand champion and reserve champion will be named. This will probably be held on July 5, Mr. Arledge said. The same judges who judge the cutting horse contest will decide upon the winners in this new contest.

Of This and That at CHS

By JIM EWELL

Now that is only a matter of hours until the old school bell at Cisco-Hi— somewhat worn and aged—will ring for the last time for the graduating seniors. We, of this column, would like to set aside those little "odds and ends," tho' important, that we've collected to make up the contents of this column—such as the two girls from CHS going to Austin as representatives of the American Legion Auxiliary; the newly appointed annual staff for next year; the re-painting the "Lobo" ensign atop CHS; the "spit-balls" technicians we have at school and so many more "little cracker crumbs"—and devote this entire column's space, time and patience, consumed by the graduating seniors—Class of '48—whose approaching graduation is as noteworthy and majestic as the British withdrawal from Palestine last week.

Only The Stars Will Remember

As the pages of Immortal Time are turned back, we'd like to reminisce a bit and visualize those first days we entered the halls of CHS, bewildered and scared, and wondering if the seniors were as bad as we'd heard they were? That was in the fall of '44. Our first class president was Bill Bacon, a tall, lanky and friendly sort of fellow we liked. And Wilma Whitten, some-

what quiet and reserved, was elected to assist as vice president.

Then came freshman week, the hour of judgement was, alas, upon us, and worst of all, the seniors were the judges! Mrs. Evelyn Bailly, Mr. F. M. Woods and Miss Olga Fay Ford were our first class sponsors.

Then that eventful day came—we were sophomores—. Now, as never before, we could hold our heads a little higher and act as if we knew what was going on—for now we were sophomores. However, in becoming sophomores, our class suffered a decline in our membership—as now we only had fifty-five classmates. Some just couldn't make it.

For that year, pretty and pert Francis Surles was elected to the presidency; Bill Bacon, this time, served our class as secretary-treasurer. Miss Denise Cummings and Miss Nellie Yunk were our class sponsors.

Our sophomore year, we were a little bit disappointed—the freshmen were having fun "Fish Week" and the junior and seniors were continually talking about the banquets, the fights, trips and the dances—it was a dull year indeed!

One Step Near Heaven

Alas, we were juniors. How proud we must have been in the fall of '46—for now we were one step nearer our goal. In that year we were the sponsors of the Coronation of King Lobo XIV, the sponsors of the Junior-Senior banquet and we were becoming known for our outstanding accomplishments—some of our

members played on the first team, others were making honors in the band and some had been selected to serve on Mrs. Irby's library staff. (An honor indeed).

Newcomer to our class, Don Whitaker, was elected president, Betty Dean Lennon, vice president and Jeanne Parkinson, secretary-treasurer. Not only were we proud of being juniors, but our class enrollment numbered sixty-seven, an all-time record. Our junior class sponsors were Mrs. "Chuck" Van Horn, Mr. Woods and Miss Doris Jo Pyle.

Mission Completed; We're Seniors

After completing three long and lean years of hard work and endurance towards eventual success, we were now mighty seniors at Cisco Hi. We held our heads up so high that we were considerably watching the bugs crawl over the ceiling. (We took some falls too—some junior took advantage of our dignity and left a foot in our path).

Arthur West was bestowed the honor of being elected class president and Don Whitaker as vice president. Wilma Whitten served as secretary-treasurer.

It was our senior year that we received our rings and how beautiful they looked to us. We were beginning to realize the fun it

Jester Forces Sweep Convention At Brownwood

BROWNWOOD, May 26.—Governor Jester's patchwork political machine faltered at times Tuesday but finally ran through the state Democratic convention for total victory.

The governor's margin was sometimes slim but always safe, and he came out with: Election of his choice, Wright

was being seniors—the special privileges we had—the senior trip, the Junior-Senior banquet, the senior play "Spring Fever," the Coronation and many other enjoyable events.

But now, as we close the book, we realize what a privilege, what an honor it is to be a graduate from ole' Cisco Hi. Our faces, in time, may be forgotten, but the accomplishments exploited, the honors achieved, will always remain in the "Hall of Fame," dear to those who have loved Cisco Hi as we have.

Morrow of Houston, for national committeeman.

Resolutions condemning President Truman's civil rights program, demanding state ownership of tidelands and calling for restoration of the two-thirds nominating rule in national conventions. An unrestricted delegation to the national convention in Philadelphia July 12.

A handpicked delegation to the presidential nominating convention.

Jester made his first appearance at the convention at 9:30 p. m. after directing his lieutenants from a near-by hotel room throughout the day.

As he spoke, the convention committee on delegates to the national

convention was liquidating all Truman group recommendations. Jester selections were substituted for eight of the 21 congressional district caucus recommendations. Delegates present from Cisco

were E. P. Crawford and daughter, Helen; Mrs. J. T. Anderson, W. J. Foxworth, Mr. and Mrs. J. M. Flournoy, Mrs. H. N. Lyle, Mrs.

L. H. McCrea, Sr., and Karl Armstrong.

5TH WALTHER LEAGUE BIRTHDAY BANQUET.

Walther Leagues of six Lutheran churches over the district enjoyed a formal banquet last Saturday evening in the dining room of First Christian church. Guests began to arrive at 7 o'clock for the nice occasion which commemorated the fifty-fifth birthday of the international organization started by Walther. Eighty young people were in attendance and registered for the banquet from Sagerton, Albany, Abilene, Brownwood, and the two Lutheran churches of Cisco. The banquet menu consisted of apricot nectar, pineapple salad, boiled ham, string beans, new potatoes, tomatoes, iced tea hot rolls and dessert of ice cream and angel food cake.

Leland B. Lucksinger was the very able toastmaster. After the program, consisting mostly of musical numbers, the group participated in the traditional candle-lighting ceremony. William Backus read the scripture, Rev. G. T. Naumann offered the prayer and the local league president, Virginia Weiser gave a short talk. After the Cisco Grace Girls' Choir sang "Beautiful Savior," the first candle was lighted from the candle at the Cross and the light then being passed from one leaguer to the next in line until all had gotten

the symbolic light from the Cross. During the lighting of the candles the group sang the "Walther League Hymn." The banquet and program lasted until 11 o'clock.

Both services Sunday were directed toward youth. In the evening the young people, formally dressed, marched into the church to the strains of "Onward Christian Soldiers." A candle lighting ceremony again took place after which the youth of the church formed a recessional while singing the last verse of "Abide With Me."

WOMEN'S COUNCIL MET IN GENERAL MEETING.

Women's Council of First Christian church met May 25 at the church in regular business meeting and program. Following the call to worship Mrs. Edward Lee, council president, called the group to order, then turned the meeting over to Mrs. Benedict and members of Group One who gave the following program:

Song, "Jesus Paid It All;" prayer by Mrs. Lee; devotional, "Dearly Bought Liberty," Mrs. James Haynie who closed her talk with a prayer for peace. A dialogue "Our Co-Operative Tasks," Ella Gwen Waddell and Mrs. Benedict; solo "Whisper a Prayer," Mrs. Lonnie Shockley accompanied at the piano by Mrs. J. S. Mohley.

During the business meeting minutes were read and approved; roll call of groups made and correspondence read. Miss Marie Winston gave the financial report. A report of the nominating committee was read and the following officers were elected for the coming year: President, Mrs. Edward Lee; 1st vice president, Mrs. Sam Kimmell; 2nd vice president, Mrs. J. C. Fletcher; secretary, Mrs. Jas. Latimer; assistant-secretary, Mrs. Blake Stephens; treasurer, Miss Marie Winston; pianist, Mrs. James Flourney; World Call chairman,

Mrs. Willirue Logan. To close the meeting all members joined in repeating the missionary benediction. Twenty members were present.

MRS. J. E. SHIRLEY HOSTESS TO W. M. U.

Mrs. J. E. Shirley was hostess Monday afternoon when Women's Missionary Union of East Cisco Baptist church met in her home for regular business and social meeting. Mrs. Roy R. Little was in charge and opened the meeting with prayer by Mrs. J. O. Warren. The afternoon devotion was brought by Mrs. M. Slaughter at which she gave a fine discussion of "The Two Homes."

During the business session minutes of previous meeting were read by the hostess and were approved by the group; treasurer's report was given by Mrs. Ollie Hughes; and reports of committee chairmen were also heard. Mrs. Claud McBeth was elected as W.M.U. president to fill the place made vacant by resignation of Mrs. Green; Mrs. Truman Evans was elected to assist with the Sunbeams; Mrs. C. K. Roberts was elected as Intermediate Girls Auxiliary leader. The meeting was closed with prayer by Mrs. Carlton Holder.

The ladies then went in a body to the home of Mrs. R. E. McCord for a social event honoring her birthday.

MRS. R. E. MCCORD WAS HONORED ON BIRTHDAY.

Following the meeting in the home of Mrs. J. E. Shirley Monday afternoon members of East Cisco Women's Missionary Union went to the home of Mrs. R. E. McCord to pay her honor on her birthday.

Upon arrival at her home they found the honoree engaged in a meeting with the Royal Ambassador group; after greetings were exchanged the group began singing "Happy Birthday to You."
