CISCO, TEXAS, SUNDAY, JUNE 6, 1948

NUMBER 148

PEOPLE and THINGS

By J. W. S.

WE HAD A very interesting visit the other afternoon with Mr. L. M. Cawley, superintendent of Lone Star Gas Company's compressor station northwest of town. The function of the station is primarily to maintain the gas pressure in all of Lone Star's lines west of Cisco and as far north as Snyder.

THE COMPANY IS now in the middle of an improvement program that will result in the installation of new equipment worth many hundreds of thousands of dollars. In addition to the gas pressuring business, they extract natural gasoline from the gas.

THEIR LARGEST engine is a 1000 horsepower job. It burns natural gas and to give you an idea about the size, its crankcase holds 350 gallons of oil. Your car only holds one gallon. They change oil once a year or so. The engine cost \$78,000 and it cost them \$1,250 just to get it hauled from Cisco to the plant.

THE STATION TAKES gas from the Cisco field, which includes some 60 to 75 wells. The improvement program will enable the company to supply its users west of Cisco with considerably more gas next winter. Their gasoline business is pretty big. They take from 8,000 to 12,000 gallons a day from the gas.

THIS PLANT IS one of the City of Cisco's largest water customers. They use some 1,200,000 gallons a month and have their own pipeline to transport it. They have a large pump at the lake to move the water.

LONE STAR HAS 77 employees at the station. Several of the workers live at the plant in attractive company-owned homes. Others live in Cisco and Moran.

MR. CAWLEY AND his crew really believe in gas. All their machinery burns gas. Their electricity is made by a gas engine. We took the matter up with Mr. E. L. Jackson, the district boss of the electric company, and he reports that his company also burns gas to make electricity. We're discussing an idea with Jay Garrett to make electricity with electricity. That would almost be perpetual motion, wouldn't it?

READING MR. Jack Scott's splendid paper, the Cross Plains Review, we now know what to do when you're feeling bad. A headline in this week's paper says: "— Is Better After Being Snake Bit." The story, of course, reported that a fellow was doing nicely after being treated for snake bite.

A GOODLY CROWD of local golfers were over Ranger way Friday to see the golf tournament qualifying rounds. And many of them stayed for the Calcutta pool. We heard reports that at least one Scotchman was in the group.

Community Center Gym Building Is Now Assured

If the thermometer erected in front of the West Texas Utilities Company at Main and Sixth at the beginning of the drive of the Community Center building for \$15,000, had not been damaged and taken down it would have been gradually mounting this week since the amount has been slowly climbing and stood yesterday morning at \$13,967.

The J. L. Black Salvage and Construction company of Cisco will begin dismantling the building at Del Rio this week, preparatory to bringing to Cisco and re-assembling on a lot owned by the Cisco School Board near Chesley Field.

The setup is complete and has an almost priceless maple floor, and when completed here will be perfect in almost every detail as a gymnasium and auditorium, with a seating capacity that should care

Open Season on "Lions" Declared By First National

The First National Bank volley ballers are going big-game hunting Monday night and already have visions of doing some tail-twisting and hanging a Lion hide in the bank safe-deposit trophy room. They have challenged the Lion's volley-ballers to a best-of-three contest at the regular ABC volley-ball session Monday night at the high school gym, at 7:30 p.m.

The First Nationals are banking heavily on counter-checking the biting attack of a snarling Lion outfit by the telling serves of its ace players Farrow and Robert White. This pair are sure to do some mighty fine spiking from good set-ups by McCracken, Lauderdale senior and junior, and Charles Spears.

Winning chances for the Lions will look mighty dark if the bankers use six-footer Willard White to team-up with Robert White. Growls from the Lion's den will become even louder if the bank plays spectacular-spiking Gene Damron. Both Willard and Gene have occasionally appeared on the bank squad. However, no matter who plays on the bank team, Ralph Glenn and Charlie Burke make a nucleus for a Lions' sextette that will be tough to tame.

All the winner of the Bankers-Lion contest has to do is play the Cisco Independents, who twice ran rough-shod over both the bank and another team several weeks ago. When informed that the bank was seeking the services of the independent's stand-out star, Glenn Tableman, a spokesman for the latter group intimated that the bank's chances of getting Glenn were as good as getting a known "rubber" check cashed at the bank. All in all, it appears that next Monday will be a banner night for ABC volley-ball, at which session a very high in players' attendance is predicted, that will top the season's record of 19.

To all 283 ABC Club members, a cordial invitation is extended by club president Charlie Burke, to come out Monday night at 7:30 and play or watch the games. There is ample room for a large crowd of spectators, and an evening of fun is promised all who attend. Every player will be given an opportunity to get into a game, he concluded.

Smiths Like Cisco As Logical Place For Reunion

The Smith families now in the second annual reunion at Lake Cisco are having a fine time with the children playing all over the hills and sampling the wading pool while the men find their chief pleasure in fishing in Cisco's big lake.

The family first came to Cisco in 1907 locating 7 miles north of town. Here they built a house which was home to the group until 1935 when the children began to go their separate ways. The mother moved to Fort Worth and the group tried to get together at least once each year but it was too far and in 1947 it was decided Cisco was the logical place and so here they came. It was so pleasant that they came again this year and every one of the family are here for the first time.

Those in attendance are Mr. and Mrs. O. T. Arnold and daughter, Evelyn, and Mrs. Ruth Burnam and son, Ronnie, all of Big Spring; Mr. and Mrs. T. A. Smith and daughter, Kay, Amarillo; Mr. and Mrs. Bill Smith and daughter, Sue, Cirus Christi; Mr. and Mrs. E. J. Brock and daughter, Ruth, Breckenridge; Mr. and Mrs. J. Darnell and sons, Toby and Gary, and Mr. and Mrs. Dutch McDonald and son, Freddy, Fort Worth; Mr. and Mrs. Wesley Smith and sons, Durward and Bill, and Jim Bob Surles, of

for most any kind of meeting expected in the near future. It should be ready for football games this fall, school authorities say.

Rev. A. A. Peacock Goes to Riverside Church; Rev. Claude P. Jones to Cisco

Several changes were made at the Methodist conference that concerns Cisco, the most important, regretted by many, was the transfer of the pastor Rev. Allen A. Peacock, to Riverside church in Fort Worth, replacing Rev. J. M. Bond, who goes to Eastland.

Rev. Claude P. Jones, pastor at Ranger comes to Cisco as pastor of the First Methodist church; Rev. C. A. Warden remains at Cisco at Wesley church and Rev. Oran Stephens remained as district superintendent.

Other names familiar to Cisco-

Peacocks Leave For Fort Worth Next Wednesday

Rev. Allen A. Peacock, pastor of the First Methodist church, has been transferred to the Riverside Methodist church in Ft. Worth and he and his wife will leave for their new home Wednesday it was understood.

The Riverside church is a pro-

REV. ALLEN A. PEACOCK

motion from the standpoint of church membership, since that church has a membership of some 1,300 or more, but the Peacocks will not have the fine, new parsonage that they have in Cisco, built during their three-year pastorate here.

Rev. Peacock will have charge of the 11 o'clock Communion service this morning, which will be his farewell service with the Cisco church.

Football Coach For Cisco High School Located

John L. Hansard, newly elected football coach for Cisco High School, for the coming fall season, has recently moved to Cisco and is located at 606 West Ninth St., now that he and his wife have solved the housing problem.

Coach and Mrs. Hansard are recent residents of Lockney, Okla. where he coached the local high school football team for the past two years. He is a graduate from Oklahoma A&M, lettering in football while attending the college.

In a statement from the coach Friday, he asked that all gridmen and "prospects" call by his home on Ninth St., sometime during the summer months, as he would desire meeting all boys interested in playing football the coming fall.

WOODMEN PICNIC

The Woodmen of the World Cisco Camp No. 500 and their families, and the Supreme Forest Woodmen Circle Cisco Camp No. 356 and their families will have a picnic

Kleiner No. 1 Gave Promise Saturday Of Best Well Ever Drilled in Area

Prospects for one of the best oil wells ever drilled in this section looked Saturday as Lone Star Production Company ran drill stem tests in the Mississippi Lime in their Charles J. Kleiner No. 1, one and a half miles north of Cisco.

A drill stem test in the Mississippi from 3,790 feet showed approximately 25,000,000 cubic feet of gas per day with an occasional head of oil. An earlier test from around 3,750 showed gas in a slightly less quantity.

ans is that of Roy Langston of Brownwood, who goes to Weatherford as district superintendent; Rev. Leslie Scymour of Ennis goes to first church at Hillsboro; C. O. Sugar goes to Meadowbrook; W. A. Flynn goes to St. Marks, while Frank L. Turner remains as evangelist of the Ft. Worth district.

Cisco District

District superintendent, Oran Stephens; Breckenridge, M. V. Bane; Bunyan, Donald Joe McCorthy; Burkett, J. W. Tickner; Caddo, J. M. Hays; Carbon, Oscar Faust; Cisco, First Church, Claude P. Jones; Wesley, C. A. Warden; Clairette, E. W. Holt; Cross Plains, J. U. McAfee; De Leon, C. D. Wooten; De Leon Circuit, R. L. Bowman; Desdemona, H. J. Sanders; Dublin, A. W. Franklin; Eastland, J. M. Bond; Eolian, to be supplied; Gorman, W. F. Smith; Olden, H. E. Dutton; Pioneer and Scranton, Ross Grace; Putnam, W. B. Swim; Ranger, Cecil Ellis; Rising Star, C. W. Pittman; district secretary missions, C. D. Wooten; district director evangelism, J. M. Bond.

Cisco Lutherans To Attend Confab At San Antonio

The Rev. G. T. Naumann, pastor of Grace Lutheran church and Mr. Fred Stroebel, lay delegate for the local congregation, will attend the twenty-ninth convention of the Texas District, Lutheran church, Missouri Synod in San Antonio June 7-11. The beautifully renovated church of St. Paul's Lutheran congregation in San Antonio, the Rev. Boland Wieders, pastor, will be host to the 400 convention delegates.

The Rev. E. A. Heckmann of Waco, president of the Texas district, will preside at all sessions. The Lutheran church, Missouri Synod will be represented by Dr. J. W. Behnken, for 27 years pastor of Trinity Lutheran church in Houston, and now president of the national body, which numbers almost 2,000,000 souls. Dr. Behnken will conduct the opening service Monday, June 7, delivering a sermon on the theme of the convention "Love One Another."

Feature essayist of the convention is Dr. Alfred M. Rehwinkel, professor of Church History at Concordia Theological Seminary in St. Louis, Missouri, who will speak on the subject "Love in the Church in This Last Age."

"The Fruits of the Spirit" will be the general heading of a series of sermons Rev. G. T. Naumann, pastor of Grace Lutheran church, will begin tonight. The topic to be "Love, the Fruit of the Spirit." The services begin at 8 o'clock. The public is cordially invited to attend. Our church is cool, our services are no longer than an hour, but above all we want you to hear the word of God which is able to save your soul and effectually works in those who believe.

at Lake Cisco on Friday, June 11th, at 7:30 p. m. celebrating the 76th birthday of Past-Consul Commander Walter C. Clements.

Sovereign Clements has been a faithful member of the Woodmen of the World Cisco Camp No. 500 for approximately 42 years, having served as Consul Commander for 18 years. Refreshments of ice cream and cake will be served.

It was understood that the well would go on through the Mississippi, which was topped some 200 feet higher than in neighboring wells, to the Erlenberger. There was still some 200 feet of Mississippi lime beyond the bottom of the hole.

Observers believed that the well would make a strong flowing oil well. Lone Star has a 74.8 acre lease, and if the well is completed as expected the company probably will drill another well within 90 days.

To the Voters of the 24th Senatorial District:

Early in January of this year I announced my candidacy for reelection to a second full term in the Texas Senate. I now want to take this opportunity to solicit the votes and influence of the citizens of this district in the July primary.

During my service as your Senator the Lieutenant Governor has seen fit to place me on a number of the most important committees in the Senate.

In addition to my regular assignments, I was appointed on the following special committees: The powerful Senate Investigating Committee; the Educational Investigating Committee, and the Joint Legislative Rural Aid Committee which supervises the distribution of Rural Aid to the various school districts of Texas qualifying to receive aid under the law.

I have tried earnestly to represent the people of the 24th Senatorial District as well as all of the people of Texas while serving on committees and when casting my vote on the Senate floor. I have never dodged an issue nor have I ever ridden the fence on any measure.

Since becoming a member of the Senate I have consistently opposed new taxes of any type. Our tax burden is too heavy now and when new taxes are needed to adequately finance our state government, they should come from sources other than an ad valorem or sales tax. I am unalterably opposed to a general sales tax.

I favor an Old Age Pension plan that is complete and satisfactory in order that the needy aged may be properly cared for.

I want a more suitable solution for paying teachers a living wage, which they must have if we expect to secure good teachers for the all-important job of training the youth of Texas. I favor distribution of school money by the State on an attendance basis, since there is no reason why \$55.00 per child, or any other amount should be sent to the school districts on the basis of a head count only whether the child attends school or not.

I will continue to fight to keep our tidelands for the school children of Texas.

I strongly favor an adequate Texas but I am opposed to forcing farmers to pay for their own farm to market roads by the abolition of the four cent gasoline refund law. The law allowing refunds to farmers on tractor-used gasoline should never be repealed and I shall continue to fight to see to it that it is never repealed.

There are many other matters vital to the welfare of our people which I would like to discuss but space will not permit. I hope to see as many voters as possible personally, but it will be impossible for me to see all of you. I therefore, take this method of soliciting your support in my campaign for a second full term in the Texas State Senate and I pledge you now that I shall always be found working diligently in the interest of the people of the District and of Texas. STAND PAT WITH PAT FOR A SECOND FULL TERM.

Sincerely yours, PAT BULLOCK, Colorado City, Texas

COMBINE BROKEN UP

KIRKNE, N. H. (AP)—When two burglars broke into a Keene garage they found another man inside already looting the garage. After a brief argument, the three men joined forces. All three later were captured by police.

More than 1,000 Wisconsin high school students have joined junior science academy clubs in the state.

Methodists Thrash Christians, 15-6; Boyd's Nine Swamps Scranton, 16-4

In the battle royal for the church league title, the First Methodist, eying another victory, after their recent victory over the East Baptists, overan the Christian nine, last night, as the final score in the fifth inning favored the Methodists 15-6, as Callerman, Porter and Cooper chopped another additional three points.

The Methodists at bat in the first inning, boosted the score four points as Harwell, Callerman, Porter and Cooper crossed home plate after being put to the bases by walks and error. At bottom half of the first inning, the Christians crossed home as Travis and Sharpe slipped in home from a walk on an infield error.

Noble, Methodist pitcher, smashed a homer in the top half of the second inning, after being struck out in the first. Still scoring for the Methodist's nine in the second inning, brought Callerman, Porter and Cooper, leading the Christians 8-2 in the top half of the second inning. In the bottom half of the second, Travis, Sharpe and Bill Bacon bolstered the Christian's score three points, as they crossed home with the aid of another infield error and walk.

Coming to bat in the first of the third inning, the Methodist's nine made no scores, when Rains and Smith were put out as they attempted home base; Noble striking out to pitcher, Rylee, outstanding left fielder for the

Westex To Play Breck's VFW Here Monday Night

West Texas Utilities, the ABC commercial-league leaders, will depend upon the hurling of their star pitcher Ed Pence to win Monday evening at 8 p.m. when the Reddy Kilowatts play the strong Breckenridge VFW nine in a seven-inning game that will give Cisco fans a chance to see how good the utilities group is when opposed to a good out-sideteam.

Last night's games saw Bill Kendall's over-17-years' Outlaws battle the First Baptist while the Co-Vets took on the Romney nine.

Next week's official league schedule is listed below:

Tuesday — First Baptist vs. East Baptist at 7:30. Cisco Junior College vs. Cisco Independents at 9:00.

Thursday — Christians vs. East Baptists at 7:30. Co-Vets vs. West Texas Utilities at 9:00.

Friday — Make-up 7:30 Co-Vets vs. Scranton at 9:00. Co-Vets vs. P. L. Boyd.

Saturday night the R. L. Boyd's have scheduled a strong out-of-town nine for a game at ABC field. Complete information on this game will be given later in the week. Boyd's played at Gorman last night.

Blood Stained Garments Lead Law to Criminals Located in Fort Worth

The woman to whom the bloody, clothing belong that was found in a bar ditch near Dothan Friday has been located and she and a man friend have been apprehended and held in Fort Worth for officers in Kermit where the wounds which the clothing indicated were received. The two parties and clothing will be taken to Kermit.

The Eastland county sheriff's department was notified late Friday that a number of woman's apparel were found near Dothan on Highway 80.

The clothing, a woman's dress, slip and panties were blood stained and bore three distinct knife cuts, one slash cut and two stabs. A check of local hospitals was made for a woman who might have, received treatment for wounds, and finally it was discovered that a woman suiting the description was found to have been treated for wounds in a Fort Worth hospital Friday night. She had been treated for cuts on the right arm and right side.

When interviewed she finally admitted that she had received them in an assault to rob at Kermit Thursday evening. The assault victim was a trucker from Comanche County by the name of Spivey about 36 years of age. He had been stabbed. Deputy Sheriff Cecil (Cotton) Graham says crime doesn't pay since modern criminal detection methods always get their victims. It's hard to beat the law.

Christians, socked a home run into right field, bringing the score standing to 6-12 favoring the Methodist.

The Christians concluded the scoring in the fourth and fifth for their side. Score making two for the Methodist's, Callerman, Porter and Cooper, scooped another additional three points in the last inning of the game.

Travis, Christian pitcher, walked thirteen and struck out two. Noble, Methodist ball thrower, walked nine and struck out four. Friday night's results seriously threaten the Christian's stand in first place tie with the First Baptists.

In the Church League, Royce L. Boyd's local nine triumphed over Scranton, almost unmercifully, as McNeely, alternating pitcher to short stop, lead in the scoring.

In the top half of the first inning, Scranton forged in three runs to a bad start in the first inning. Boyd's Cozart, Harrelson, and Strickland batted out, with the out-of-town contenders leading 3-0 in the first inning.

Somewhat aroused by Scranton's quick take off into the lead, Boyd's nine came back into the game with 12 runs, two being home run smash hits into yonder fields, made by Harrelson, second base lines man, and Burzinski, catcher, tilting the score 12-3.

Scranton, in the top of the third inning, was not able to cope with the sudden tidal wave, made no runs, somewhat lessened by the scoring made by Boyd in the second inning. Scranton's scoring subsided in the fourth, fifth, sixth and seventh, after their last score being made by Pope.

However, with blood still in their eyes, Boyd marched back counts in the bottom half of the sixth inning. No scores were made from then on.

Cozart, McNeely and Cumba were the leading contenders for Boyd's in batting averages and pitching. Hutchins, Bob Boland and Shrader were outstanding players for Scranton.

Park and McNeely, alternating pitcher and short stop, walked four and struck five out for Boyd. Scranton's pitcher, Boland, walked three and struck out five.

Final score at the end of the seventh inning — 16 to 4 for the Boyd team.

CATS CHARM SNAKES? SUCH SEEMS LIKELY!

Most everyone has heard of snakes and cats charming birds, but a new twist to the "charming-powers" of both was being discussed in Cross Plains this week. It all came about as a result of a cat-snake engagement recently viewed by Mr. and Mrs. Claude Mayes at their home four miles Northeast of Cross Plains.

Driving into their garage one night last week, the couple noticed a house cat frolicking with an exotic playmate. Investigation revealed an apparently hypnotized copperhead being jostled about by the cat. Mr. Mayes grabbed a club and quickly ended the macabre pastime by smashing the reptile's head. — Cross Plains Review.

Several Men Burned At Pueblo Plant in Early Morning Fire

A spark fire in the cooling system of the Lone Star plant at Pueblo north of Cisco on the Moran highway Saturday morning injured several men who were treated for burns at Graham Sanitarium, but little damage was done to the plant, it was reported.

Dale Ellis was not treated at the hospital, but Willis O. Cherry, A. M. Parker and C. A. Timmon were treated for burns about the face and body but none seriously injured, it was announced at the sanitarium.

PLAYGROUND TIME SCHEDULE CHANGED

The attention of all lads over 7 who signed-up for, or contemplate joining ABC athletic-director "Stormy" Davis' summer playground activities program, is directed to a change in time of meeting. Heretofore, the boys met in the morning. Now, with vacation bible schools in session during morning hours, the boys are requested to come to ABC field at the new hours of 2:30 and 4:30 p.m., it was announced Saturday by ABC Club president Charlie Burke.

Ciscans to Take Part in Young People Rally

The Senior Youth Assembly of the Central Texas Conference of the Methodist Church will meet in Georgetown, Texas at Southwestern University, June 8-12 for leadership training. The Assembly theme will be "Jesus' Way—Our Way." The Assembly Hymn this year will be "Christ Life Our Code."

The following courses will be offered: Community Service, Choosing a Vocation, The New Testament in the Life of Today, The Methodist Youth Fellowship, Missions and World Friendship, The Stewardship of Life, Protestant Aid and Action, Recreation, Youth and Worship, Youth and Evangelism, What it Means to Be a Christian, and Work of the District and Subdistrict Officers of the Methodist Youth Fellowship.

The Assembly speaker will be Rev. Richard Irvin, of Clarksville, Texas. He will speak each night at 8:15 for the worship service. On Friday night the consecration service will be conducted at the First Methodist Church. This service is the highlight of the Assembly. This service will find many making Jesus' Way Their Way for the first time and many surrendering for the first time to Christ and fulltime service in His Church.

From the Cisco District this year two workers will go to assist in the Assembly, Rev. W. V. Bane of Breckenridge, and Rev. C. A. Warden of Wesley Methodist Church Cisco. Rev. Bane will teach a class on Missions and World Friendship and Rev. Warden will be Recreational Director after having served as Dean of boys for the past two years.

Sharley Joe Cooper, from Wesley church and Joe Stamey and Jane Huestis from First Methodist will be in attendance.

New Mattresses Demonstration At Home Supply Co.

Ray Langford, factory representative of the Englander Bed Manufacturing Company of Dallas, will be in Cisco at the Home Supply Company all day Monday to give demonstrations of Englander mattresses and box springs.

J. W. Slaughter, manager of Home Supply Co., invites the general public to attend the demonstration. Various feature of the nationally advertised mattresses will be explained and shown in the demonstration.

Several Men Burned At Pueblo Plant in Early Morning Fire

A spark fire in the cooling system of the Lone Star plant at Pueblo north of Cisco on the Moran highway Saturday morning injured several men who were treated for burns at Graham Sanitarium, but little damage was done to the plant, it was reported.

Dale Ellis was not treated at the hospital, but Willis O. Cherry, A. M. Parker and C. A. Timmon were treated for burns about the face and body but none seriously injured, it was announced at the sanitarium.

SUNDAY PEACE PLATE
Is a timbale a newcomer to your table? Then waste no time getting acquainted with it.
And put your timbale recipe in your recipe file for spring. For timbales are really thrifty main dish custards which take the place of meat and so help reduce demand for our shrinking meat supplies.
Today's timbale uses stewing hen—a moderate-priced buy in most markets.
Eggs and milk extend the chicken flavor. So you need use only the meat from the bony parts of the chicken—the back, wings, and neck. Then the breast and other meaty pieces are saved for another meal.

CHICKEN TIMBALES, CREAM GRAVY
1 tablespoon table fat
1 tablespoon flour
1 cup broth, or milk
2 eggs
Salt and pepper
1 tablespoon chopped parsley
1 cup chopped meat of chicken
1 cup soft bread crumbs
Make a sauce of the fat, flour and liquid. Add well beaten eggs, seasonings, chicken and bread crumbs. Pour into well-greased molds or omelet cups. Place cups in a pan of hot water and bake in a moderate oven (350°), about one half hour or until set in the center. Unmold and serve with a rich cream sauce. Serves 4.
Cream gravy adds flavor to parished potatoes and—as thrifty cooks know—helps reduce the servings of butter or other spreads.
And here's the whole of today's menu:
Chicken Timbales, Cream Gravy
Parsley Potatoes
New Peas
Prune-Apple Salad
Mint Sherbet
FOOD TIPS: Spring days turn into warm ones—and we're ready for cold desserts. And among our thriftiest frozen desserts are fruit ices.
Fruit ices can be low-cost if made from dried fruit and left-over canned fruit. Or use canned citrus fruit juices, now more plentiful and cheaper than a year ago.
For a tasty fruit ice, try mixing fruit flavors—a few cooked apricots, plus syrup from canned fruit. About the only "must" is lemon juice—just a bit. It gives tang.
Put fruit pieces through a potato ricer for best results in a fruit ice. Otherwise the fruit freezes to solid lumps. In sweetening, dissolve the sugar in a little hot water before adding—to avoid undissolved sugar in ice.

IMPROVE YOUR HOME

ARCHITECTS and builders often perform "miracles" in improving older homes.
And in these days when the demand for new homes is greater than the supply, many families are deciding not to move from their present homes. Instead, they are repairing, replanning, redecorating and bringing their homes up to date for far less than a new home would cost.

Practically any kind of property improvement can be financed on the FHA Pay-out-of-Income Plan. Repayment is made in convenient monthly installments suited to the borrower's income over periods up to 3 years. FHA rates are low—5% discount per \$100 per year. No down payment is required.
Why not let your architect or builder give you an estimate of the cost of the alterations needed? Then let us show you how you can finance the work on the FHA Plan.

WILL YOU GET THE JOB...if they look up your Credit Record

Employers nowadays often check with the local Credit Bureau before they hire a man for a responsible, high-salaried job.

They know that the man with a reputation for paying his bills promptly is a better prospect than one whose name is carried in the Credit Bureau records as "Slow Pay" or "Poor Pay." They know that the man who is conscientious in the discharge of obligations to his creditors is more likely to be conscientious in his obligations to his "Boss."

The man with a poor credit record usually has two strikes against him when he applies for a job that involves financial or management responsibilities.

For employers and their personnel managers are not usually willing to entrust important business affairs to those who cannot efficiently manage their personal affairs.

There is only one way to maintain a good credit record. That is to pay your bills when due. While it is, of course, costly and troublesome to your creditors when your payments are late, you are the big loser if your tardy payments spoil your credit record. For there's no telling when you may need credit to meet an emergency, or a good credit record to take advantage of a big opportunity.

Buy only what you can pay for—pay for it when it is due.

Ford Dealers See New Model Car At Abilene Thursday

Central Texas Ford dealers studied the new model to be shown by Nance Motor Company here June 18 at a meeting in Dallas last Thursday night. Attending from

Cisco were Charlie Graham and Gene Mansley.

Features of the new Ford were explained in detail and changes in service methods were outlined. Nance Motor Co. is making arrangements to conduct the new model show.

ABC Membership Just 17 Short Of 300 Goal

A check of secretary-treasurer Troy B. Powell's membership rolls of the ABC Club Thursday revealed the heartening news that Cisco's newest organization is within seventeen of its goal of 300, which figure was set last March when this recreational group was formed. While no con-

certed drive is planned for procuring the remaining members, it is believed that the goal will be reached prior to July first.

In its initial offering to Ciscoans, the club revived soft-ball as a sport, established two church leagues as well as a commercial one, and provided a completely equipped, lighted soft-ball field, one of the best in this section of the state. Volley-ball, too, has been re-established as a Cisco sports activity, with 24-team league about to enliven the volley-ball sessions, held weekly at the high school gym.

Other sports, plans soon to be announced, include tennis, swimming, and bowling. This past week saw the start of the ABC play-ground program for boys, with over 60 youths present last Wednesday morning to meet the newly-appointed ABC Club athletic-director, "Stormy" Davis, former Hardin-Simmons baseball and foot-ball star, and recently named assistant Junior College coach.

Any Cisco men, who have not been contacted regarding joining the ABC Club, can obtain complete information at any soft-ball game, or call at Powell's Cleaners, where Troy will be glad to supply whatever information is requested.

Andersons View New Trucks At Dallas Showing

A showing of new Chevrolet trucks and equipment was attended by A. D. Anderson and Jack Anderson of the A. G. Motor Company of Cisco at the state fair grounds in Dallas from Monday through Thursday of last week.

A feature of the show was the display of some 100 units designed especially for the new Chevrolet trucks. Several men interested in the trucks and equipment accompanied the Andersons to the show.

Don't's Listed on Child Labor By Labor Department

DALLAS, June 5.—Some of the important "don't's" for employers of minors during the summer vacation period were listed by William J. Rogers, regional director of the Wage and Hour and Public Contracts Divisions, U. S. Department of Labor, in the five Southwestern states. He advised employers subject to the Fair Labor Standards Act (Federal wage and hour law):

Don't permit children 14 and 15 years old to work more than

40 hours a week when school is not in session, or more than three hours a day and 18 hours a week when school is in session.

Don't permit children 14 and 15 years old to work between 7 p.m. and 7 a.m.

Don't permit children 14 and 15 years old to work in manufacturing, mining or processing occupations, including occupations requiring the performance of any duties in workrooms or work

places where goods are manufactured, mined or otherwise processed.

Don't permit children 14 and 17 years old to work in occupations held to be hazardous—in plants manufacturing explosives; as motor vehicle drivers or helpers; in coal mines; in logging or saw-mill occupations; around power-driven wood-working machinery; operating power-driven hoisting and in jobs where they are ex-

posed to radioactive substances. Don't forget to get employment and age certificates and keep them on file.

Don't forget to pay minor employees at least the minimum wage set by law, and time and a half for overtime after 40 hours in any workweek.

If the firm is working on a contract under the Walsh-Healey Act, be further advised: Don't hire boys under 16 years

or girls under 18 years to work on such contracts, or pay them less than the minimum wage and overtime.

Medical Test Proved This Great to Relieve MONTHLY FEMALE PAINS

Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, feel so nervous, weak, high-strung—at such times? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! In a recent medical test this proved remarkably helpful to women troubled this way. Any drugstore carries Lydia E. Pinkham's Vegetable Compound.

GOP Turn Thumbs Down on Low Cost Housing Program

WASHINGTON, D. C., June 5.—Although more than 12 million families, approximately one-third

of our population, is in immediate need of adequate housing, according to the latest figures available, the Republican leadership of the House has turned thumbs down on the Senate-approved plan for a government-financed public housing program, Representative Michael J. Kirwan (D., Ohio), asserted today.

The Taft-Ellender-Wagner long-range housing legislation approved by the Senate calls for the construction of 15,000,000 homes over a ten-year period—1,500,000 homes per year. It provides for the construction of 500,000 public housing units in the next five years. And that's the provision that the House Republican leadership has sworn to eliminate, the provision which provide immediate relief for those most in need of it, Kirwan said.

Except for the public housing provision, the Republican leaders in the House are in general accord with the Senate bill, he added. But on the proposition of the government financing the construction of houses for low-income families, the answer is a flat no, Kirwan asserted.

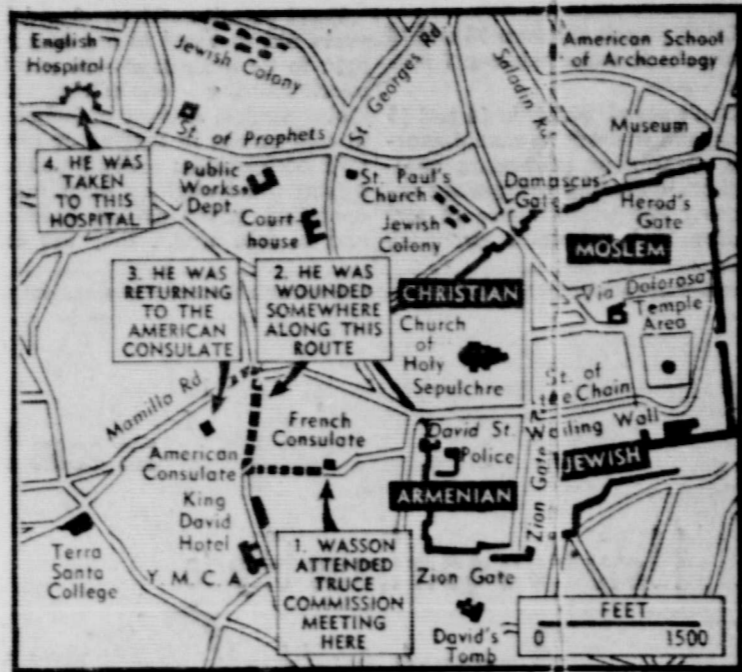

Nebraska spent \$127.52 per pupil in public elementary and secondary schools for 1944-45.

UNKLE HANK SEZ

TO FIND OUT WHAT KIND O' MAN A FELLER IS, JUST TAKE HIM ON A FEW DAYS CAMPIN' TRIP.

"We have sold Geo-Mineral for the last six months and it has been one of the best selling drug items we have ever handled"—say Porter Bros., pharmacists of Concord, N. C. "Users report amazing results in many instances, and we personally believe Geo-Mineral is a good medicine for purposes as indicated, and recommend it to sufferers who have tried other medicines with little if any results. They may discover that Geo-Mineral is what they have probably been needing and looking for — we unhesitatingly recommend it."

GEO-MINERAL is not a physic and does not interfere with the foods in the stomach. It cleans and purifies the intestines, thoroughly relieving gas, toxins, acids, and bloating. After these poisons are out of the system and the kidneys purified, we begin to feel the arthritis and rheumatism leaving, and Nature starting to complete the recovery.

100% Guaranteed!
WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

SICK!

STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS and such ailments as Headaches, Nervousness, Acids, Flatulency, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

Drugless Health
IF YOU ARE a sufferer of these ailments, try GEO-MINERAL. You may be astounded at the results. GEO-MINERAL comes from the earth—Nature's Laboratory. Contains NO alcohol, NO preservatives, NO oil, NO harmful drugs, NO dope—is NOT habit forming. Contains ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments—highly recommended by the medical profession.

GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. Lack of minerals in the blood causes anemia, headaches, nervousness. Minerals generate mental brilliancy, give sparkling eyes, red cheeks, fight disease, build up health.

Rich Red Blood
MEDICAL records show 68% of men and women over 35 suffer from nutritional iron anemia. When you feel nervous, dull, lazy, have dizzy spells, no ambition to work or play, a poor appetite, feel blue, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

Wonder Minerals
RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ill. People, on the advice of doctors, go to mineral springs to find cure, or relief. The most important of our people—including doctors and millionaires, go to mineral springs. They would not patronize regularly these springs without any benefit.

YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wondrous springs of Lourdes, France, and famous Thronion in ancient Greece where, according to legend Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

Amazing Results
GEO-MINERAL contains minerals found in the world's best springs. Watch the results a day or two after using it. The housecleaning it will do in your body, the poisons it will bring out. When you see this, do not get alarmed—thank Nature who created Geo-Mineral as a sign that the medicine is working on you, and realize its priceless value.

SOCIAL and CLUBS PHONE 77

MRS. AUSTIN FLINT WAS CLASS HOSTESS

Mrs. Austin Flint was hostess and Mrs. T. E. Lisenbee presided Thursday evening when members of the J.O.Y. class of First Baptist Sunday school met in the Flint home for business meeting. The meeting was called to order with prayer by the hostess and due to absence of the secretary, minutes were omitted.

It was decided to fill a sunshine box for Malla Qua Prickett who is convalescing in the family home from recent surgery. A free will offering was taken and a social meeting was planned at which the families of members will be invited guests. The social will be an ice cream supper and will be held in the cool back yard of the M. P. Farnsworth home. The meeting was closed with a prayer by Mrs. Farnsworth.

A nice refreshment plate was passed at the close of the meeting to Mrs. T. E. Lisenbee, Mrs. R. J. Gardner, Mrs. J. M. Jimmie, Mrs. W. L. Hussey, Mrs. M. P. Farnsworth and Mrs. Flint.

CISCO YOUNG MAN WEDS IN WACO SUNDAY

Miss Mary Helen Alexander, daughter of Mr. and Mrs. L. M. Alexander of Waco became the bride of Robert L. Clinkscapes, son of Dr. and Mrs. R. L. Clinkscapes, of Cisco in a ceremony held Sunday, May 30 in the Herrington Methodist church of Waco, Tex. C. Sessions performed the double ring ceremony as the couple stood before an altar decorated with two large urns of white maroon daisies and white tapers in wedding candelabra. Merle Alexander, brother of the bride, sang two vocal numbers accompanied at the organ by Miss Mary Edith Lloyd of Ballinger, a student at Baylor University.

The bride was given in marriage by her father. She wore a traditional wedding gown of white satin and lace; and a finger tip veil of illusion which fell from a bando of orange blossoms. Her dress was designed with a lace bodice and a sheer yoke trimmed at the neckline with

beading; and long sleeves which came to points over her hands. She carried a bouquet of stephanotis centered with a white orchid.

MRS. R. L. CLINKSCAPES

SHOWER COMPLETED MRS. WAYNE WALLACE

Mrs. A. L. Wagley, Mrs. J. W. Hammons and Mrs. Don Shirr were co-hostesses Friday afternoon when they honored Mrs. Wayne Wallace with a Pink and Blue shower.

After arrival of guests a period of games and conversation was enjoyed before the honoree was escorted into the dining room where a beautiful decorated umbrella signalled the shower of lovely gifts in the pink and blue bazaar; which was presented to her.

Guests were then served a refreshment plate of sandwiches, cookies, olives and mints with tea; and plate favors were a tiny pink or blue umbrella. Those present and sending gifts were: Mrs. Fred Coulter, Mrs. Vivian Donovan, Mrs. Sid Mahaney, Mrs. Delmar Childers, Mrs. Bee Cearley, Mrs. Bill Scarlett, Mrs. Marshall Wallace, Mrs. A. B. Byrd, Mrs. Jesse H. Reynolds, Mrs. Henson Wagley, Mrs. Clifford Leard, Mrs. A. L. Wagley, Mrs. Clyde Mancill, Mrs. Virgil Wagley, Mrs. J. M. Childers, Mrs. C. Barker, Mrs. Hu Nelms, Mrs. Joe Gallagher, Mrs. Don Shirr, Mrs. R. J. Young and Mrs. H. N. Reid.

MRS. BEN KRAUSKOPF TO PRESENT PUPILS

Mrs. Ben Krauskopf will present her violin, piano and accordion pupils in recital Monday and Tuesday evenings, June 7th and 8th at eight o'clock in the auditorium of the First Baptist Church. The programs will consist of solos and ensemble numbers.

Pupils appearing in solos or Monday evening will be: Linda Curry, Don Cowley, Carlyle Strickland, Rose Marie Mashburn, Emmalee Heltzel, Bill Smith, Coleman Alsop, Carlene Holder, Melba Coker, Mary Ellen Sanders, Reford Schmittow, Norma Sue Schaefer, Geneva Bint, Wylene Bint, Dixie Mears, Joanna Blackwell, Pearla and Pearlene Farley, Durward Smith and Betty Williams (Putnam).

Pupils playing solos on Tuesday evening are: Rita Sue Burroughs, Linda Bennie, Oma Dale Shelton (Moran), Donnic Johnson, Melba Ray Harrelson, Earline Steel, Dorothy Ann Sanders, Lo Anna Holder, Anna Belle Waters, Geraldine Schmittow, Patsy Weir (Moran), Dorothy Schaefer, Pearla and Pearlene Farley, Bill Bennie and Sue Harrelson.

The public is invited to attend.

Merle Alexander served the bridegroom as best man and ushers were Dan Dudley and Calvin Reeves.

Janet Lee Horsman of Dallas, cousin of the bridegroom was flower girl, wearing a dress of white satin and lace designed like the bride's gown. A reception in the home of Mr. and Mrs. T. J. Conway followed the ceremony.

For her wedding trip the bride wore an aqua linen dress with white accessories and orchid corsage. When the couple returns from their trip they will make their home in Cisco.

The bride is a graduate of Waco High School and attended college at Texas University for three years.

Mr. Clinkscapes is a graduate of Waco High School served during the war with the Navy and has been attending Baylor University where he was a member of the Golden Wave Band. He plans to re-enter Baylor in the fall.

Englander

MATTRESSES AND BOX SPRINGS

Englander Mattresses give you the sound, refreshing sleep at night that makes you more alive by day.

For those 16 hours of vigorous, vital living, you need 8 hours of complete and restful relaxation. And the key to sound, relaxing sleep is your mattress. No matter what type of luxurious comfort your body required, you'll find it in one of the Englander mattresses here... the nationally advertised mattresses built for full and restful support.

Englander mattress

BODYGUARD — Basis for its luxurious comfort is the tempered steel inner springs unit — hundreds and hundreds of resilient coils. Soft, cotton felt, layer on layer, forms the upholstery. Taped edges and reinforced border on the handsome cover.

\$49.75

Box springs to match

Englander mattress

FEATHEREST — This beautiful mattress has a full upholstery of fleecy, buoyant cotton felt. Sisal-insulated. Tempered steel inner spring unit, for yielding but firm support. Sag-resistant construction. Your choice of full or twin sizes.

\$39.75

Box springs to match

Englander mattress

DUROBILT — Just what its name implies — built for long and satisfactory service. Plus the easy, restful comfort of the tempered steel inner spring unit. Upholstery — button-tufted fleecy cotton felt in deep, luxurious layers.

\$29.75

Box springs to match

Englander bedspring

BLUE DIAMOND — The Englander Diamond formation of coils is exclusive. It means greater support and buoyancy. Each coil operates independently due to a patented method of connecting them. Truly America's foremost luxurious bed spring.
