The Gay Philosopher

By J. W. S.

THIS INTRODUCES the new deal in our efforts as a columnist. The above picture came to us with the following note:
"Dear Sir: Recently you advertised for a name for your column. I've read Texas newspapers a good many years — have even worked on a few. Amarillo has their 'Tactless Texan'; Fort Worth has their 'Home Townier'.
"Why can't we have 'The Gay Philosopher'?" The enclosed picture isn't original. I forget the guy's name who painted it. Anyhow he says if it looks as much like you as we imagine it does, you can use it. It's copyrighted. So don't try to sell it.
"So, as 'The Gay Philosopher', I salute you. Have a good time."
— H. T. R.

WE BELIEVE firmly that we're much handsomer than the picture. The guy in the picture probably doesn't have any more hair than we do. If he did, he wouldn't be wearing his hat. Anyhow, as pictures go, the GP is a pretty interesting-looking character. Moreover, we're wondering what H. T. R. looks like after seeing a sample of what he considers good pictures.

WE HAVE THE original picture which Mr. Shy Osborn is framing for us. And we will hang it on the wall for one and all to see and compare.

UNDER THE BIG remodeling program at the Daily Press office, we have a show window. And since we don't have anything in particular to display, we're going to invite the various Cisco area manufacturers to install, from time to time, displays of Cisco-made products. Who wants to be first?

WAS OUT TO the Country Club for the Calcutta Pool Friday night. It was a splendid barbecue and gathering of sportsmen throughout this region. The golf matches will be going full blast Sunday afternoon, so drop out if you like to watch good golfers.

WE WERE VERY interested in the talk the telephone man made at the Rotary luncheon Thursday. We were particularly impressed by his statement that when you shoot (in radar work) 50,000 watts of energy at the moon you get back on the radar screen only one billionth of one billionth of the original. While we were pondering over just how much this would be, he cleared it all up. It would amount to the same as the power that would hit 10 square feet of the earth when shot from the north star, he hastened to add.

Baptists Plan Service Sunday Night To Climax Successful Bible School

The First Baptist Church of Cisco will climax their greatest Vacation Bible School with a commencement service Sunday night at 7:45 o'clock.
The enrollment for the entire school reached the grand total of 216. This is by far the greatest enrollment of any Vacation Bible School in the history of the First Baptist Church. The enrollment of the departments was as follows: Beginners, 65; primaries, 59; juniors, 55; intermediates, 35; general officers, 2.
Seven boys and girls made profession of faith in Christ during the school. The commencement program will consist of a procession led by the American and Christian flags and the Bible bearer. Each department of the school will render a program of

CONCRETE WORK IS BEGUN FOR WATER RESERVOIR

City officials witnessed the pouring of the first concrete into the forms of the new storage basin Friday in construction activities on college hill. This was the first step toward the betterment of the water service for citizens of Cisco.
This huge storage basin, large enough to take care of the present needs and anticipated growth of the city, is the result of a long range program by officials to assure Cisco an adequate water supply at all times. A prominent water engineer was employed to study the local system and make recommendations for its improvement. At his suggestion, plans were drawn and the contract let for the building of the basin and the installation of new lines.
The contracting firm, in charge of the building, is co-operating in every way to get the new system in operation as soon as possible and hopes to turn the job over to the city within 45 days.

REV. AMOS W. MYERS.

Officials of the city expressed their appreciation to the citizens of Cisco for the manner in which they are co-operating in their request for the conservation of water. In a recent published article, the water department requested that houses with even numbers confine the watering of lawns, trees, flowers and shrubs to Mondays, Wednesdays and Fridays, while houses with odd numbers water on Tuesdays, Thursdays and Saturdays. Most citizens are co-operating but there are a few who still disregard the request, officials said.

15 Cisco Studes Enroll For Hardin-Simmons Classes

ABILENE, June 15. — Fifteen persons from Cisco are among the 1105 students enrolled for the first six weeks of summer school at Hardin-Simmons University this year. Alton B. Lee, registrar, has disclosed.
Cisco residents attending school are Evelyn Phippen, Norman Anderson, Jewel Leach, John Ledbetter, Mrs. C. J. Turner, Bonnie Jean Wilson, Howard L. DeShazo, Jr., Mrs. Lucy M. Weaver, Jack Everett, Mrs. Flora Mae Lee, Mrs. Lois Ferrell, Mrs. James T. Moore, Winnie W. Leech, and Mrs. H. R. Garrett.
The 1105 represents the largest summer enrollment in history. The current term will close July 10 with a second six weeks session scheduled to begin on July 12. A three weeks class will be held from August 20 through September 9.
Courses are being offered this summer at Hardin-Simmons in art, Bible, biology, business administration, chemistry, economics, education, English, French, government, history, journalism, mathematics, music, physics, physical education, sociology, Spanish and speech.
Approximately 150 of the 1105 students are doing graduate work while many are public school teachers finishing out their degrees. More than 200 are new students at Hardin-Simmons.

STUNT PILOT INJURED.
Elmo Bannister, stunt pilot who was scheduled to appear in an air show in Breckenridge Sunday, was injured in an airplane accident at Albany Friday and the show has been cancelled, according to information here Saturday.

The public has been invited to attend the service.

Club Plans Shoot

Members of the Eastland County Gun and Rifle Club will shoot small bore guns at the local range at 2:30 p. m. Sunday, it was announced Saturday, Jack Garrett and a 3-man team from Abilene attended last Sunday's session. The weekly shoots will be held each Sunday until further notice.

Christian Church To Begin Revival Meeting Sunday

Rev. Amos Myers, minister of the Christian Church in Breckenridge, will preach at the evangelistic meeting to be held in the First Christian Church of Cisco June 20 through 27. Services will be held each evening (except Saturday) at 8 o'clock.
Rev. Myers has been minister of the First Christian Church in Breckenridge for the past ten years and has been given a life-time call by that church. He has done evangelistic work in Texas and in Oklahoma. He has attended Johnson Bible College, Phillips University in Enid, Oklahoma, and Texas Christian University in Fort Worth and has received the B. A., the M. A., and the B. D. degrees. He has an outstanding record of civic leadership in the city of Breckenridge, where he is past-president of the Breckenridge Lions Club, on the board of directors of the Chamber of Commerce and is an active supporter of the Y. M. C. A.
"Brother Myers is a Bible scholar as well as a fine Christian gentleman. If you desire to hear good Bible preaching come and worship with us this week. The First Christian Church extends a most cordial welcome to the public of Cisco for any and all of these services," said Richard Crews, minister of the local church.

Methodist Bible School to Start

Plans for a vacation Bible School were announced Saturday by the First Methodist Church to begin Monday at 9 a. m. and to continue for two weeks. Classes will be formed for children from 4 to 14 years of age, and they will meet from 9 to 11 a. m. daily.
Mrs. R. L. Clinkscales is general superintendent with supervisors as follows: Mrs. U. Ussery, kindergarten; Mrs. C. Smith, primary; Mrs. J. B. McCanlies, junior, and Mrs. Robert Paschel, intermediate.
Other workers will include Mrs. Royce L. Boyd, Miss Patsy King, Mrs. Allen Withee, Mrs. Rex Polard, Miss Katherine Dragonis, Mrs. Gaines, Mrs. Joe Stamey, Mrs. Donovan, Mrs. Chesley Tipton and Mrs. Middiff.

Stribling Is In Charge of Revival

Rev. Frank Stribling of San Antonio is conducting a series of gospel meetings at the Pentecostal church located at 400 west 17th street.
The public has been invited to attend these services and hear Mr. Stribling deliver his messages. Services begin each evening at 8 o'clock.
Sunday morning services begin at the usual time with Sunday School beginning at 10 o'clock. Mr. and Mrs. J. E. Blackwell are local pastors for the congregation.

Boyd Nine Wins Over West Texas Team, 19 - 0

An audience of more than the average number of softball fans witnessed the first defeat of the leading contenders for the City's commercial league title Friday night as West Texas Utilities lose to Royce L. Boyd's nine by a score of 19 to 0.
Slugging out and retiring in the first three innings with Boyd leading the Westex nine three counts; the "Lucky Nine" suddenly exerted a tremendous hitting power in the bottom of the fifth inning, crossing the home plate with six runs, three being runs slammed into deep fields by Strickland, McNeely and Park.
Without the support of absent fieldmen, the West Texas nine crumbled under the impact of the scoring. And with Boyd hitting hard and far in the last of the sixth with an additional ten runs, one being another home run by Cumba, Boyd catcher, even more hampering the "Kilowatts."
Anderson, Westex short stop, trying desperately to reverse the scores, connected and made a one base bagger, but froze on second at the top of the fifth. It was the only hit for the entire game for West Texas.
Heathington, star pitcher for Boyd, cut loose and played havoc with the West Texan's bats, averages, striking out nine players.

41 Students Are In Summer Class

Forty-one students are attending the summer session of Cisco High School where nine courses are being offered. They are, civics, American history, world history, algebra, geometry, general math and English I, II, III. Every class has seven or more members.
Four instructors are in charge, including Mrs. Chuck Van Horn, who teaches world history, geometry, and general math; H. R. Garrett, teaching algebra; Mrs. E. L. Hazlewood, teaching English, and C. J. Turner, teaching American history and civics.
Mr. Turner said that summer school students appear to be doing very well in their work. The summer session of eight weeks must cover the work of four and a half months. Classes begin at 7 a. m. and last until 1 p. m. Each class is an hour and a half long, and students go to school six days a week.
J. J. Pierce, the state public school inspector, checked the summer school and has found it in good order.
Aside from summer school, F. D. Baumgardner held classes in advanced music theory and general musicianship.

Oklahoman Will Preach Sunday

Rev. S. Thies of New York, Oklahoma, will be the guest speaker at the services of the Lutheran Church Sunday night, June 20 at 8 o'clock.
Accompanied by Mrs. Thies, he is here to perform the wedding ceremonies of his son, Fred Thies and Miss Verna Prang. The wedding ceremony will be held in the Lutheran church Monday at 7:30 p. m.
The public has been invited to attend church services Sunday and the wedding Monday evening.

110 GOLFERS COMPETING FOR HONORS IN ANNUAL CISCO TOURNAMENT

Playoff Necessary To Settle Medal Winner of Event

A total of 110 golfers were competing for honors in the 13th annual Cisco Country Club Golf Tournament as matched play began early Saturday. Semi-final and final rounds of the two-day event will be played Sunday.
John Lively of Mineral Wells became the tournament medalist after a playoff with J. T. O'Farmer of Hammett of Okra Saturday morning. The two men tied with 70s, two under par, in the qualifying round Friday, necessitating the playoff.
Both Lively and Hammett, considered by many as the tournament favorites, survived their opening rounds in the championship flight, which contained 16 players. Other first round survivors in this bracket were Jack Garrett, Jack McCreary, G. C. Osborne, Bud Cason, Dan Winters and Bill Dill.
All matches were 18 holes. Large galleries are expected to see the outstanding matches Sunday.
A large crowd turned out Friday night for the Calcutta pool and barbecue given by members of the Cisco club.
First round winners were:
Championship flight — John Lively, Mineral Wells; Jack Garrett, Plainview; Jack McCreary, Weatherford; J. T. Hammett, Eastland; and Dan Winters, Abilene.
First flight — not available.
Second flight — Chuck Abbott, May; Lester Strawn, Burkett; Bill Tate, De Leon; N. C. Huston, Cisco; R. L. Rominger, Brownwood; W. W. Milner, Cisco; Bert Jones, Jr., Breckenridge.
Third flight — Don White, Borger; Jim Harkrider, Eastland; D. J. Gorman, Cisco; Frank White, Breckenridge; Pete Nance, Cisco; J. T. Carter, Abilene.
Fourth flight — Charles Graham, Cisco; Mason Altman, Abilene; E. K. Henderson, Eastland; Dean Williams, Brownwood; Howell Sledge, Cisco; M. F. Underwood, Cisco; Jim Thornton, Breckenridge; Wad Thornton, Breckenridge.
Fifth flight — E. L. Norris, Ranger; Bill Mitcham, Cisco; F. R. Anderson, Cross Plains; Glen Boyd, Cisco; Jack Woods, Abilene; Bill Wilson, Breckenridge; W. C. Gardner, Cisco; Guy Morris, Cisco.
Sixth flight — Bob Latson, Cisco; Ed Pate, Brownwood, K. N. Greer, Cisco; Bill Philpott, Cisco; O. B. Edmundson, Rising Star; John Monoham, Breckenridge.
First round losers in the championship flight, who went into consolation, were: Punk Thornton, Cisco; Gene Damron, Cisco;

Johnson City Has Put Up New Sign

JOHNSON CITY, June 19 (SpI) — For nearly a decade, the little town of Johnson City in the hills of Blanco county has proudly advertised itself on a ten by thirty foot sign at the city limits as:
"Johnson City—Home of World's Largest Rural Electrification System."
A few days ago the city fathers met, discussed the situation and decided to bring their advertisement up-to-date. So another line was added to the big sign:
"Home of Lyndon Johnson . . . for United States Senator."
"He Knows and Does the Work."

Vets Will Get Chance To Buy

Surplus government office equipment resulting from contraction of the War Assets Administration will be offered in a special sale to veterans at the Dal 6 warehouse of the Grand Prairie North American Aviation plant next Tuesday and Wednesday June 22 and 23, according to announcement of the regional WAA Customer Service Center.
Available at fixed prices will be approximately 100 filing cabinets, a lesser number of desks, tables, chairs and other furniture items, and a small quantity of used typewriters. Each veteran will be able to make selections for his own use in the initial offering, with any residue going to veteran dealers.
The warehouse, located at the west end of NAA plant B, must be completely cleared of WAA inventory to enable the Chance Vought Aircraft corporation to begin preparations for navy plane manufacture, so all sales will be made on a "cash and carry" basis. Property will be available for inspection and purchase from 9 a. m. to 4 p. m. on both sale days. Buyers will be required to submit accepted proof of honorable World War I services at time of purchase.

WAA Sale List Withdrawal Made

A cross-country clearance of war surplus materials in South Texas, for which buyers will assemble in San Antonio June 25, will suffer an inventory reduction of nearly \$200,000 due to emergency withdrawals in the past few days by national defense authorities, the War Assets Administration disclosed today.
The regional WAA office announced that a survey of sites involved, including three San Antonio locations, Chase Field, near Beeville, the Crystal City Internment Camp, Port Aransas Naval Installation and the Hondo Army Air Field, showed that pre-sale withdrawals have accounted for all but \$125,000 of an original \$325,000 offering. Veterans and other prospective purchasers are advised that approximately 100 of an original 175 good lots will be available for the sale, to go on inspection June 21 to June 24.
M. P. Riley, in charge of the disposal for the WAA's Grand Prairie location clearance branch, said that choice items such as air condition units, farm and construction machinery, office and automotive equipment, will therefore be in short supply and not of the best quality. Bidding will commence at 9:00 a. m. June 25 at San Antonio's Warehouse No. SAA-1.

Average Auto Dealer Will Receive Only 45 Cars During Six Months

The nation's 40,000 new car dealers will have an average of only 45 automobiles for the first six months of this year, according to an announcement made by the National Automobile Dealers Association Saturday. This was based on an estimated production of 1,800,000.
The statement pointed out that production this year has been on about the same level as during the seven years preceding Pearl Harbor. There were automobiles for all who wanted them then, but today there are orders for 6,000,000 cars on dealers' books that can not be delivered. This is enough to absorb the major part of the contemplated production for the next two years.
Motor vehicle owners of the country, however, through the expenditure of \$7,000,000,000 a year on repairs and replacement parts, are keeping so many old vehicles in service that the total number is now 3,000,000 higher than ever before.

Eastland County's booming oil business gave promise Saturday to surpass in activity the blustry days of the early 1920s as new locations were being staked and completions were being recorded.

A survey conducted by The Daily Press showed that 53 wells were in the process of drilling, more than half in the Cisco-Gorman areas of the county.
Most promising location in this Central Texas region at the week's end was the Lone Star Production Company's No. 1 C. J. Kleiner, a mile north of Cisco. A break in the pipe several days ago, caused largely by high gas pressure, delayed completion.
A squeeze job was completed and operators were expected to finish the well in the early future. Observers have described the well as "the most promising ever drilled in this part of the country." Conservative estimates indicate that the well will be good for more than 1,000 barrels per day with gas pressure in excess of 20,000 cubic feet daily. It is a Mississippi Lime producer.
Lone Star has staked location for an offset — their C. J. Kleiner No. 2, and drilling operations were expected to begin shortly.
Elsewhere in the area, Lone Star is rigging for drilling their No. 4 Kincaid 14 miles north of Cisco. Their Kincaid No. 5 has been staked also.
At Gorman, 16 wells were being drilled within a five mile radius of town. Many old leases are being re-developed.

Calling All Fathers.

Did you ever stand with your boy at dawn and watch wild ducks against a pale pink sky, Did you ever know the precious companionship of a camping trip with your own son—sleeping on blankets under the summer stars? How you live over in memory each happy hour and recall every glad cry of his boyish revelry, each fragment of a whistled tune. If he is still with you, go with him now before it is too late. War's cruel call may take him from you soon. Perhaps he's older and already in camp or overseas to risk his life to protect our commonwealth.

"Oh, Daddy, take me camping." "No, son, I'm too busy. Next week maybe." And weeks stretch into years until you've lost that laughing boy who has become a man. What business have you compared to training that boy in character, self-reliance, honor and the principles of citizenship? What means the counting-house or marketplace while your most priceless possession is at stake—bone of your bone and flesh of your flesh—and part of her whose heart's entwined with yours. Don't lose the fine privilege of making a friend of your son.

"Too busy!" Oh, bitter pangs of vain regret if you miss the chance of these few fleeting years! Happy is the father who can remember even a few times when he took his son to baseball games, on fishing trips, to the picture show, and in those intimate hours, won his confidence so that he came to his dad with every problem from a cut finger in boyhood to a wounded heart in his manhood.

It's your personal duty to train that boy to take his place in his community and state. You can't shift your job to the church, the school and the Boy Scouts, however valuable these services are. The biggest business you can possibly have, my friend, is to know the heart of your boy in true comradeship.—Hubert M. Harrison, in East Texas Magazine.

Speaking of Oil Booms—

... the increased lease activity in Eastland County has been a real break for several types of business. Abstractors as a general rule struggle along for years on bare existence with heavy overhead expense until something on the present order comes along. If it does, then everybody else is busy, too, sufficient help is not available and away goes our reputation for prompt service. So for the time being please file your orders a little ahead of anticipated needs.

Compounding Conscientious

To us, the compounding of pre-
scriptions is a public trust . . .
an essential health service to
the community . . . and as such
—an important function of our
store. To discharge this trust . . .
this service . . . faithfully,
we maintain a modern prescrip-
tion laboratory amply stocked
with the highest quality phar-
maceuticals and staffed by ex-
perienced registered pharma-
cists. That is why you can
bring your prescriptions to us
with the comforting assurance
that they will receive the pains-
taking care that is so essential
to your health.

MISS BETTY PASCHALL —SGT. EADS ARE WED.

Miss Betty Lee Paschall, daughter of Mrs. Bess Wilson, and Sgt. Carl L. Eads, son of Ace W. Eads were married June 3 in the chapel at Randolph Air Force base at 8 o'clock in the evening. The ceremony was performed by Chaplain W. E. Ferguson of Randolph Field. Miss Gloria Graham violinist, cousin of the bride of Cisco, furnished the music accompanied by Major Elser, organist of Randolph.

The chapel was beautifully decorated for the occasion with greenery, baskets of pink gladioluses and wedding candelabra. The bride who was dressed in a shell pink taffeta and lace dress, finger tips veil and gloves of lace, was given in marriage by her brother, Marion S. Paschall of Galveston. She carried a bouquet of sweetheart roses and orange blossoms centered with an orchid. The maid-of-honor, Miss Esta Mae Fisher, was dressed in orchid taffeta and carried a bouquet of pink roses. The bridesmaids, Miss Marjorie Moryl and Flo Zogheib, dressed in shades of fuchsia carried bouquets of pink roses. Kay Wilson of Cisco and Lannie Yoder of San Antonio, flower girls, were dressed in pink and carried pink roses. The bride's mother wore a blue crepe dress with matching accessories. Master Sgt. Charles E. Morris of Randolph Field served as best man and ushers were G. A. Yoder and Tommy Hill, both of San Antonio.

Immediately following the ceremony a reception was held at the home of Mr. and Mrs. F. L. Yoder, 125 Luther Drive, Abilene and aunt of the bride. The brides going away suit was of coco brown with matching accessories. After a short trip to Mexico the couple will be at home 250 Brahan, San Antonio.

Mrs. Eads is a graduate of Cisco high school and attended the Texas University, Galveston, Texas, two years. She has been employed at Randolph Field for the past four and one-half years. Sgt. Eads, a graduate of Dallas schools, is stationed at Randolph Field.

Out of town guests were Mesdames W. C. Shelton, E. L. Graham, Robert W. Mancill, Cassie Mobley and Miss Kay Wilson, all

of Cisco, Tex.; Mrs. Marry L. Edwards and son Bob of Houston, Texas; Mrs. M. D. Paschall, Dallas, Texas, and Mr. Layden Stroud, Dallas, and Emmett Graham of Cisco. Mrs. W. C. Shelton of Cisco and Mrs. M. D. Paschall of Dallas are grandmothers of the bride.

WATERS-HOWARD RITES AT HIGH NOON TODAY.

In a church wedding at the close of the worship service today Miss Elizabeth Waters, daughter of Mr. and Mrs. David E. Waters, will become the bride of Dale E. Howard of Austin, son of Mr. and Mrs. Oscar L. Howard of DeLeon. The double ring ceremony will be read at high noon in the First Presbyterian church of Cisco by the pastor, Rev. Stuart McC. Rohrer.

Potted caladiums and standing wrought iron baskets of gladioluses and daisies will decorate the church where wedding vows will be exchanged. Pink and blue satin ribbons will mark the aisle ways.

William E. Waters of Dallas will give his sister in marriage. She will wear a floor length wedding gown of white waffle pique designed with fitted bodice and short puffed sleeves; fingertip veil of imported illusion falling from a coronet of pleated illusion; white wrist mitts and linen opera pumps.

Her jewelry will be a strand of pearls — a gift of the bridegroom. She will carry a white Bible on which will be placed a white orchid corsage.

Matron of honor, Mrs. George Dare Lovett of Odessa, sister of the bride; the maid of honor, Miss Nell Orr of Dallas, bridesmaids, Mrs. Lewis Gresham of Glenrose, sister of the bridegroom; and Miss Marianna Waters of Dallas, niece of the bride will wear identical floor length gowns of silver and white striped chambray and will carry colonial pastel bouquets. The two junior bridesmaids, Miss Diana Waters of Cisco and Miss Jean Owen of Dallas will wear floor length white pique dresses and will carry pastel bouquets. The flower girls Nancy Lovett and Martha Ellen Waters will wear chambray, floor length dresses, replicas of the bride's attendants and will carry baskets of pastel flowers to scatter in the path of the bride.

Mrs. D. E. Waters, mother of the bride will wear a light blue dotted swiss dress with corsage of pink carnations; Mrs. Oscar L. Howard, the bridegroom's mother, will wear

of Cisco, Tex.; Mrs. Marry L. Edwards and son Bob of Houston, Texas; Mrs. M. D. Paschall, Dallas, Texas, and Mr. Layden Stroud, Dallas, and Emmett Graham of Cisco. Mrs. W. C. Shelton of Cisco and Mrs. M. D. Paschall of Dallas are grandmothers of the bride.

SICK!

STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS

and such complaints as Headaches, Nervousness, Acids, Poisons, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

Drugless Health!

*NO MATTER how long you have been suffering from stomach, kidney and rheumatic distress, and what drugs you have tried before, you can, now, hope for relief if you take GEO-MINERAL. With your eyes SEE the results seven days after you start taking it.

DRUGGISTS, Chemists cannot make GEO-MINERAL. It comes from the earth—Nature's laboratory. Contains NO dope, NO alcohol, NO oil, ONLY Nature's minerals—the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments.

Wonder Minerals

FOR THOUSANDS of years sufferers, on advice of doctors, go to mineral springs to get cure, or relief. The late President Roosevelt used to go to Mineral Springs in Georgia. He was helped or would not have gone there twice a year.

WE HAVE all heard of the miraculous springs of Lourdes, France, and famous Thronion in ancient Greece, where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

IF YOU ARE a sufferer, and can not go to the mineral springs, try GEO-MINERAL, which contains a blend of the same minerals that can be found at the world's best springs. The minerals in it may work miracles.

Amazing Results

WATCH your eliminations from your bowels two or three days after you start using GEO-MINERAL. The waste black as coal, will break away and you will SEE it! Also examine your urine. You may see impurities — poisonous waste — coming out of your kidneys, and feel the relief. Be sure to watch for all this to realize its priceless value.

GEO-MINERAL is not a physic, and does not interfere with the foods in the intestines. It gets down to the root, cleaning and purifying, throwing away poisons—gas, toxins and bloating. Not like physics, oils and cathartics do, but in a natural, harmless, safe way.

WHEN the poisons are out of the system, and the kidneys are pure, when the gas, acids and toxins that cause acid condition in the blood, are gone, we begin to feel the rheumatism and arthritis leaving us, and Nature starting to complete the recovery.

Our Guarantee

WE URGE you to try GEO-MINERAL. Come to this drug store NOW and get one bottle. Use it for one week. If you are not 100 per cent satisfied, we will refund your money in full. **TRY IT!** It may be the remedy you NEED! ... and making the best investment for your health. It may do wonders for you — make you feel, eat, sleep, work and enjoy life better.

He Used to Hide Out when his creditors came

He was way behind with his bills—couldn't seem to catch up. So he took what he thought was the easy way out—dodging his creditors, avoiding a reckoning day.

Then, realizing one day that he was losing the respectable reputation he formerly enjoyed, he mustered the courage to talk things over with his creditors. And he was relieved to find that it was not the ordeal he thought it would be.

In many cases, as in this one, people who cannot immediately pay their bills will find friendly counsel and cooperation from the Credit Manager, and from the local Credit Bureau Manager. These credit executives are interested in helping people to understand the sound use of credit, and glad to show them how to establish and maintain a good credit record.

If you're behind in your bills—and thus jeopardizing your credit privilege, see your creditors or the Credit Bureau Manager. They will help you straighten out your credit problems without embarrassment, annoyance and loss of "face." If temporarily distressed and unable to pay your bills in full, dodging your creditors won't help. Call on them and talk it over.
