MOURNERS PASS BENES BIER

Grief-stricken mourners pass the bier of former President Eduard Benes in Prague, before the public ceremonies were ended with rifle-carrying Communist Action Squads to prevent popular demonstrations. Benes will be buried on September 10 in the garden of his summer home, with only the immediate family "and a few other persons" attending. (NEA Telephoto).

Lobo Grid Fans Asked To Drive Slower To Games

Football fans following the Lobos to Cleburne tonight should be by the way of Weatherford, Eastland county highway patrolmen advised Thursday. With more than 44 High grid fans on the road, to and from the highways will be crowded with football fans, the patrolmen said. "The best way to get to the games and back home is for everybody to take it easy," the patrolmen warned. "Drive slower and more careful during the current season." Approximately 200 supporters of the high school team are expected to attend the opening game with Cleburne.

Local Woodmen To Meet on Sept. 14

All members of Cisco Camp No. 10 W.O.W. were urged to be present Tuesday evening, Sept. 14, at the W.O.W. Hall. The W.O.W. Camp of DeLeon, Texas, will be represented at the meeting. With them will be a number of candidates for initiation to the Forest of Woodcraft. The initiatory work will be put on by Cisco Camp W.O.W. All officers, the drill team captain, and all drill team members of the Cisco Camp No. 500 W.O.W. were especially urged to attend this meeting.

Army Needs Hobby Technicians For U.S. and Overseas

More than 20 positions are now available for hobby shop technicians in Japan, the Philippines, Alaska and the United States. The Department of the Army announced Wednesday. Yearly salary for these positions ranges from \$4,648 to \$5,508. Contracts are for two years. The Army offers food and lodging at reasonable rates plus liberal travel benefits and transportation to and from the overseas theater. Men are preferred for these positions; however, women between the ages of 25 and 50 will be considered. Techniques in photography, bookbinding, plastics, art, metal and applied arts and crafts should be familiar to the person applying. Applicants must fill out three copies of Federal Employment Form No. 57 which is available at post offices, civil service offices and personnel sections of military installations. Photographs of applicants are required, along with photographs of at least three of their projects. Applications should be forwarded to: Chief, Hobby Section, Army Recreational Service, Office, Chief of Special Services, Department of the Army, Second and Queens Sts., Washington, D.C.

Rev. Stuart Rohre Attends Synod At Kerrville

Rev. Stuart McC. Rohre returned Thursday from Kerrville where he attended a meeting of the Presbyterian Synod of Texas. The meeting which began on September 7 was attended by approximately 200 members. Mr. Rohre gave the following report on the meeting: The Texas Synod of the Presbyterian Church, U. S., voted Wednesday night to buy the MO Ranch, twenty-three miles west of Kerrville, for a conference center. The vote was 167 to 24 for the purchase of the ranch, owned by the heirs of the late Dan Moran, president of the Continental Oil Company. The vote was taken after over two hours of discussion. Critics of the \$650,000 is the asking price) was too high. The critics also said that sentimental reasons attached to them to present conference and summer outing headquarters at Westminister c n c a m p m e n t grounds here also. The vote to purchase the camp was that twenty-one trustees had several strings attached. One would be appointed to try to whittle down the price, and arrange a finance campaign to provide the money. The Rev. P. B. Hill of Hunt, Texas, retired minister and a former Texas Ranger captain, said the 6,571-acre ranch was big enough for a dream — "a Texas dream."

Basic Trainees Now Eligible For USAFI Courses

Washington has advised that the Army Regulations are being changed to authorize soldiers to enroll in USAFI courses while undergoing basic training. Lt. Col. Russell C. Hinote, Troop Information and Education Officer at Fourth Army Headquarters, announced today. Men in this category were not previously eligible. Col. Hinote said. He pointed out that the young soldiers would be entitled to apply for any of 318 academic and technical USAFI courses when they enter the Army. An initial charge of \$2 is made for the first course but successful completion of that course entitles the soldier to enroll for other courses without additional cost. Careful selection of USAFI courses can win high school, Junior college, or college credits, Hinote revealed. An Army-wide survey has revealed the most popular courses to be business education, English, foreign language, mathematics and trade subjects.

The synod also adopted a budget for the next year.

Funeral Services Conducted Friday For Allen Boone

Funeral services were conducted at the Thomas Funeral Chapel at 10 a.m. Friday for Allen W. Boone, 39, who was fatally injured in a traffic accident near Alpine Wednesday night. The services were conducted at the request of Mrs. Boone, widow, minister of the First Christian Church in Cisco. He was buried in Oakwood Cemetery with Rev. Stuart Rohre assisting. A full military service was held at the cemetery.

He was born in Weatherford on June 24, 1909 and moved to Cisco with his parents a few years later. He attended public schools here and was a member of the Cisco High School Lobos, playing in the late 1920s. Former teammates and school mates acted as pallbearers.

He had been a resident of Alpine for the past few years where he was a wholesale distributor. Funeral services were held in Alpine before the body was carried to Cisco. Thomas Funeral Home was in charge of the services in Cisco.

He is survived by his wife and two children, Danny Sue and Darrell Lee. Other survivors are his mother, Mrs. R. H. Boone of Cisco; two brothers, Howard Boone of Odessa and Daniel of Dayton, Texas and two sisters, Mrs. Robert Scott and Mrs. C. H. Grist, both of Cisco.

Pallbearers were Dudley Lee, George VanHorn, Hal Wagon, and Charles VanHorn of Cisco, Britt Pippin of Moran, Buford Carroll of Sweetwater and Leroy Purvis of Fort Worth.

Special Courses Offered to ORC And NG Officers

Eligible officers of the Reserve Corps and National Guard in the Fourth Army Area who desire to attend the first class of the special command and staff course should apply immediately. Gen. Thomas T. Handy, Fourth Army commander, announced Wednesday. The first of four such two-week sessions will begin at Ft. Sam Houston for 40 Texas officers on October 4th. The course is divided into three two-week phases to be presented during successive years. The second class will start on October 24th at Eagle Mountain Lake, Texas, for a mixed Texas and New Mexico group. Ft. Sill, Okla., will play host to the third session, for officers from Oklahoma and Arkansas, on Nov. 14th, and the final class will be held beginning Dec. 6th at Camp Leroy Johnson, La., for representatives of that state and Ark. Fourth Army plans to train a total of 200 students in this first phase. Of these, 120 will be members of the Officers' Reserve Corps and the other 80 will be National Guard officers. National Guardsmen may apply through their state adjutants general. Members of the ORC should send their applications through the senior instructor of their respective states. Applications should be submitted as soon as possible and, except for the first course, not later than one month before the course opens. Officers should apply for attendance at the course nearest their residences. To be eligible a man must be an officer of the active Reserve or a federally recognized National Guard unit. He must be physically qualified for general service and less than 51 years of age when the course opens. Besides having indicated potentiality for command or staff position on division level or higher, he must be sufficiently grounded in branch material basic and advanced course subjects. Equivalent wartime service will ordinarily be considered sufficient grounding. Heading the course will be Col. James Ware, ORC instructor in Dallas, assisted by Lt. Col. Leo B. Burkett, National Guard unit instructor in Temple, Texas. The school is being conducted for the primary purpose of educating officers of the Army's civilian components for the general and special staff positions to which they may fall heir.

Hardin-Simmons Freshmen to Play 5 Game Schedule

ABILENE, Sept. 10 — Five games are scheduled for the Hardin-Simmons freshman football team. Coach Al Milch announced this week. The opening game will be at Cisco with the Cisco Junior College Thursday, September 16. Other games scheduled: Sept. 24 — San Angelo College at San Angelo. Oct. 2 — Decatur Baptist at Abilene. Oct. 9 — West Texas freshmen at Canyon. Oct. 22 — Texas Tech freshmen at Lubbock.

DR. CLAUDE P. JONES, the Methodist minister, went in the right direction when he left Cisco for a fishing vacation. He dropped by to give us a report, in view of the fact that we had taken a fishing trip in the other direction.

VISITING AND fishing in the deep south, he tells of a trip of Mobile, Alabama, where his party had unusually good luck, catching red fish galore. He termed the fishing trip as the most successful in a long career.

WANT TO MAKE pictures of the Cisco Junior College football team? They're going to observe picture making day between 3:30 and 4 p.m. next Wednesday when they dress up in their playing uniforms for a dress rehearsal for the season's opener. For 15 full minutes, Coach Jack Everett, Coach Stormy Davis and their boys will pose for pictures.

THE WRANGLERS didn't get over to Brownwood yesterday after all. The reason was: too much rain. The good people over there had a regular cloudburst. The football field was under water. So, they went over this afternoon to scrimmage the Howard Payne gridsters.

ONE OF THE big needs out at the Junior College is a dormitory for girls. Understand they had applications for enrollment from some 40 girls who wanted rooms this year. Wouldn't it be swell for the school and Cisco if something could be worked out to build a dorm?

BACK FROM THE youth religious meeting in Grand Rapids, Wis., are Mr. Pat Fee and Miss Rena Belle Bible. They didn't go together, but they ended at the same meeting. Both report highly instructive and interesting meetings.

Water Engineer Inspects Work On Cisco Reservoir

Hugh E. Box, engineer employed by the city for consultation on the local water facilities, was in Cisco Thursday checking on the construction of the new reservoir on college hill. He stated that all fittings and pipe needed for the completion of the project would definitely be shipped this week, and that work on the pump house would begin upon receipt of the required parts. The reservoir proper has been completed for several weeks and contractors have been waiting for pump fittings to finish the work. The excavation for the pump house has been made and upon receipt of the necessary parts the job will be wound up. The reservoir has a capacity of 1,000,000 gallons, and will be of sufficient size to assure all parts of the city an adequate supply of water at all times.

Lobos Leave In High Spirits To Renew Feud At Cleburne

Cisco's green but spirited Lobos donned their battle suits and went forth into enemy territory today for their first taste of action when they formally launch the 1948 gridiron race at Cleburne tonight on the Jackets' home grounds. And from all indications, Coach John Hansard's boys departed at 1 p.m. in high hopes of slapping another defeat in the Cleburne eleven's faces. Last year, the Lobos walked off the field with a 7 - 0 victory. A large delegation of Lobo followers are expected to make the cross country journey to the Johnson County seat in hopes of witnessing the Lobos repeat the story as in the past. Accompanying the 26 gridsters were Fred Bumgardner's 55 piece high school band, plus the six girl pep squad. Carrying the Hansard single wing breeze offensive attack will be laid on the shoulders of Robert Rendall, 155 pound back. Rendall's line ripping treks may get a lot of work tonight. Jim Cummen's light and forceful kicking foot, which showed up in training, may be called upon by the Lobos to set the Jackets back, if necessary. Also expected to see much action on the gridiron will be Ray Rylee and Durwood Smith at ends, Robert McMurray and Clarence Nobles at tackles, Norman Boggs and Paul Woods at guards and Rex Farley at center. George Watts, Eugene Milner and Russell Johnson, all letterman backs, will more than play their part in lugging the pigskin through the slots opened up by the Lobos' forward wall. The Cleburne Yellow Jackets, coached by Jerry Sadler, boast a much heavier scholboy eleven in experience and makeup. In as much as the Jackets tossed a 24-18 loss into the laps of Ft. Worth's Poly in a scrimmage session last week, it has more than cheered the aspects of an early win over the Lobos. Reserve squadmen making the trip to Cleburne with the CHS varsity eleven are: ends James McGowan, Dean McDaniel and Franklin Leach; tackles Don Mears, James Porter and Jimmie Waddell; guards Joe Bacon, J. C. Suggs, and Robert Jackson. Backs included are Herbert Harwell, Glen Yates, Neil Callerman, Stanley Sharpe, Roy Trapp and Donald Watts at the pivot post.

Rotary Club Hears Musical Program By Band Members

Rotarians were entertained at their regular luncheon Thursday at the college cafeteria with a musical program presented by the band director Fred Baumgardner and four of the Cisco High school band members. The program was in charge of Haywood (Doc) Cabaness. The program consisted of three clarinet solos and a cornet solo. Jo Ann Scott began the musical with a rendition of "Indian Love Call." She was followed by Coy. stal Smith who played "Grand Fantac." Elova Moad played a concert solo entitled "Summer Time" and Bobby Jean Dean ended the program with "Toy Land" played on her clarinet. Rotarian Jim Collins presented Charles Graham, immediate past-president, with the club's past-presidents pin. The club decided to sponsor the Junior Rotarians program again this year and voted to select boys from the high school and the college for the honor. Rotarian Dewey Davis from the Abilene club was the only visitor.

Section South And West of Cisco To Get Deep Tests

Early completion of the Alsabrook and Kemp No. 1 L. H. McCrea et al as a substantial producer in Cisco's new Mississippi lime oil field appeared in prospect today as oil began showing in increasing amounts during swabbing operations. Drilled to a total depth of 4,500 feet, more than 100 feet of the pay horizon was found. Early in the week, the casing was perforated from 4,011 to 4,016 feet and treated with 500 gallons of acid. Oil showed, but additional perforations made from 4,004 to 3,996 feet in an effort to obtain more gas pressure. After the second perforation, the formation was treated with 1,500 gallons of acid. Swabbing began late Thursday and was continuing today. The hole was being cleaned and oil was appearing in an increasing amount. The well, drilled on an 8.6-acre lease 1,200 feet northwest of the Lone Star No. 2 C. J. Kleiner, represents a substantial extension to the Kleiner field. New Wildcat Test Star Oil Co., Inc., Dallas, has announced plans to drill a 4,200-foot test six miles west of Cisco on the S. A. Huestis land. The project is located 2,173 feet from south and east lines of the BBB & C Survey. It is a mile southeast of Duhan. South of Cisco Ten miles south of Cisco, Thomas W. Doswell of Fort Worth has announced a Mississippi test as his No. 1 J. P. Mitcham Estate. It is located 330 feet from south and west lines of the northwest quarter of section 77, block 3, H & TC survey. Permits calls for a 3,900 foot test. The Hill Well Southeast of Cisco some two and a half miles, the Four M Oil Co. No. 1 S. H. Hill was to begin completion work today after cementing early in the week. Drilled to the Ellenburger where water was encountered, pipe was cemented in the Lake Sand. A good oil show had been encountered. Operators expected to perforate this section for a completion effort.

New Drive-in To Be Opened Soon

Cisco's new drive-in theater will be open for business within the next eight to ten days, it was announced by E. N. Greer, one of the owners who will be in charge of the show's operation. All preliminary construction work has been completed and the equipment arrived Thursday. An engineer will arrive in Cisco Saturday to begin installation of the projectors, sound equipment and individual speakers. The new theatre will be known as "Joy's Drive-In." It is located approximately three miles east of Cisco on U. S. Highway 80 and is jointly owned by Mr. Greer and J. N. Houch. Mr. Houch is one of the owners of the Palace theater here and owns a chain of theaters throughout the southwest.

Lobo Band Makes Marching Debut At Cleburne Game

After three months of rest the Cisco Lobo band will make its first marching appearance of the season tonight at Cleburne. After two weeks drill the band appears to be up to old standards. Drum Major Carole Pippin will lead the band through various military drills and marches at half time. Though many students graduated this spring, the band has been very fortunate in having ample replacements from the "B" band. The members will leave for Cleburne at 3:30 p.m. this afternoon. For notes and drafts use your BANK'S COLLECTION SERVICE First National Bank In Cisco Member F.D.I.C.

Men who wish to register Saturday under the peace time Selective Service Act were asked by officials to do so Saturday morning as the office will be closed in the afternoon.

## THE MEANING OF AMERICA

Herbert Hoover, in a talk made in the little town of West Branch, Iowa, where he was born, gave one of the finest expressions ever made of what this country stands for.

"America means for more than a continent bounded by two oceans," he said, "It is more than pride of military power, glory in war, or in victory. It means more than the vast expanse of farms, of great factories or mines, magnificent cities, or millions of automobiles and radios. It is more even than the traditions of the great tide westward from Europe which pioneered the conquest of a continent. It is more than our literature, our music, our poetry."

"The meaning of our word 'America' flows from one pure spring. The soul of our America is in its freedom of mind and spirit in man. Here alone are the open windows through which pours the sunlight of the human spirit. Here alone is human dignity not a dream, but an accomplishment."

Those who attempt to interpret the greatness of this country in purely material terms are blind to the basic truths. Other nations possess resources which are comparable to ours. We have no monopoly on intelligence, on knowledge, on energy, on the potential ability to create and build. But here, alone of the great powers of the modern world, we have maintained the right of the individual to do whatever he pleases within the framework of the law. We have said, in effect, that the man controls the state — and the state does not control the man.

The real American values are spiritual. All our other values, like all our wealth and power, stem from them alone. They have sustained us in every period of adversity, ranging from disastrous depressions to terrible wars. And in those values, based as they are upon the dignity and rights of man, we can find the real meaning of America.

## American Milking Shorthorn Society Establishes Independent Registry

The American Milking Shorthorn Society has recently set up its own independent registry office for Milking Shorthorn cattle. This was done upon the unanimous vote of the member breeders and, according to Secretary W. J. Hardy, because this branch of the Shorthorn breed had made such rapid growth in the past decade that it was felt to be in the best interests of the members to record and promote their cattle under independent direction.

This branch of the Shorthorn breed should not be confused with the Beef Type Shorthorn, although formerly all the registration work had been handled by the American Shorthorn Breeders' association. The new organization makes it debut with 8,000 member breeders who are highly enthused and full of plans for the future promotion of their chosen breed.

Mr. Keith King is the president—an active breeder who resides at Victoria, Ill. King also is one of the inspectors on selection of cattle for the forthcoming National Breed Show and Sale at Dallas, Tex., Oct. 18 and 19. This is perhaps the biggest feature among the many plans for promotion and is unique in the fact that it will be a show of "State Herds," something no other cattle breed has ever done. The first show of its kind was held at Kansas City last year and was highly successful.

In the picture is President King (in dark suit) looking over a likely prospect for the national event where these dual-purpose cattle will be showing for \$5,000 in premiums and which, after the showing, the best animals will be selected and sold at auction. The first annual meeting of the society will be held at this time also and more than 1,000 members and delegates are expected to be present.

Offices of the American Milking Shorthorn Society are located at 4122 S. Union Ave., Chicago 9, Ill.

It gauged 226 bbls. through a one-fourth inch choke.

Coast Oil No. 4 Della Graham is drilling at 1890 feet.

W. B. Johnson No. 5 Ireland Watson WOC at 2855 feet.

W. B. Johnson has dug the pits and is in the process of rigging up on their No. 6 Ireland Watson. Mr. Gilchrist who has just leased his office space in the Petroleum Building in Eastland will have his outfit in charge of drill operations.

Wrather, Penn and Walters

will acidize their No. 4 Dornay Thursday afternoon.

Commercial Production will acidize their No. 2 J. A. Hirst either Thursday afternoon or night.

J. R. Hunter No. 1 Blackwell acidized Wednesday afternoon using only 500 gallons of acid. The results were all right for the amount of acid used. The well is making 5 barrels per hour now and is capable of making much more, if they decide to increase the treatment.

## Library Positions Exams Announced By Civil Service

The U. S. Civil Service Commission today announced examinations for filling librarian positions at \$2,974 a year and secretary positions which pay from \$2,974 to \$3,727 a year. The positions to be filled are located in the various Federal agencies in Washington, D. C., and vicinity.

Applicants for the position of librarian must pass a written test. In addition, they must (a) have completed a full 4-year college course including or supplemented by 30 semester hours in library science; or (b) have had professional library training in a library school plus either college study or library experience; or (c) have had four years of successful and progressive experience in library work; or (d) have had any combination of the requirements given in A, B, and C. Applications will be accepted from students who expect to complete the required courses four months after the date of filing application.

To qualify for the secretary positions, applicants must pass written tests. In addition, they must have had 3 or 4 years of appropriate experience.

Applications for the Librarian examination will be accepted until further notice by the U. S. Civil Service Commission, Washington 25, D. C. Applications for Secretary must be on file with the Commission's Washington office not later than September 22, 1943. Information and application forms may be secured from the Commission.

L. SELF, L. L. B. S. Sect'y  
Merchants paying dues to any Credit Bureau, control that bureau; however, to own a Credit Bureau, the merchants would have to own the files, which would enable them to elect a new secretary at the end of one or two year periods.

When the files of a Credit Bureau are individually owned, as we understand they are in two instances in Cisco, the secretary cannot be changed other than by buying them out, or pushing them thru the window. Under such existing set-ups, it merely becomes a matter of inflating one individual's bank account, and deflating the other.

In having a Board of Directors, there is nothing to direct except something relative to money matters, and in soliciting memberships, it narrows down to the above statement.

A secretary has to spend money on their files whether they have one or ten members — it is expensive to operate an office, and it takes not only money, but loyalty, and cooperation on your part.

We appreciate our members, and we are here to serve you. Call us often.

### COUNCIL GROUP FOUR WITH MRS. LAUDERDALE

Mrs. J. D. Lauderdale was hostess when Group Four of Women's Council of First Christian Church met in her home Tuesday afternoon for regular meeting. Mrs. W. R. Huestis presided and opened the meeting with prayer by Mrs. C. R. West.

Mrs. James Latimer brought an interesting devotion based on the eleventh and twelfth chapters of the Book of Matthew; and Mrs. W. J. Armstrong gave the missionary lesson at which she told of the work being accomplished for Christian Education in Hawaii.

A short business session was conducted by Mrs. Huestis with minutes of last meeting read and approved. Members decided to send cards to sick persons and shut-ins, and other routine business was transacted. The meeting closed by all joining in repeating the missionary benediction.

Refreshments were passed during the social hour which followed to visitors, Mrs. Jack Lauderdale and baby; Miss Marie Winston, Mrs. Edward Lee; and Mrs. C. B. Powell, Mrs. W. R. Huestis, Mrs. W. J. Armstrong, Mrs. W. R. Winston, Mrs. James Latimer, Mrs. C. R. West, Mrs. Sam Kinnell and the hostess, Mrs. J. D. Lauderdale.

### VISITATION HELD THURSDAY MORNING

The Thursday morning visitation of First Baptist Church was held Thursday, with visitors meeting at the church promptly at 9:30. Mrs. Leo Keelan brought the morning devotion.

It was decided to have a covered dish luncheon at the church once each month. A representative is needed to visit from each department of the church. All members of the church and Sunday School who can take part in the visitation are invited to meet promptly at 9:30 and participate in the worthy task.

Those meeting Thursday morning were: Rev. and Mrs. Otis Strickland, Mrs. W. P. Guinn, Mrs. E. L. Jackson, Mrs. A. R. Day, Mrs. W. F. Walker, Mrs. Austin Flint, Mrs. Harry Schaefer and Mrs. C. W. Reed.

## A Buffalo Going Into the Oil Business

PORT ARTHUR, TEXAS—Passing the camera like a black streak, this young buffalo bull charges from an unloading chute into grounds of the Gulf Oil refinery. He is one of six bison "employed"—probably for the first time in oil industry history—to crop grass around tanks and pipelines. These one-time "kings of the prairie," along with 100 odd Brahma cattle, cows and horses, are being pastured for neighboring ranchers on refinery property, where they save many thousands of dollars in grass cutting bills. But they make risky charges for any but experienced cowhands like B. V. "Bart" Ownby, mounted.

## First Wax Polishing In 500 Years

ST. AUGUSTINE, FLA.—Look at the shine on the shell of this 500-year-old Galapagos Island tortoise. It's the first cleaning and polishing the old boy has received in his lifetime. Note the dull shells in the foreground as contrasted to the one which has been polished with liquid wax. These tortoises are believed to be the oldest in the world. The Galapagos tortoises are desert dwellers in their native islands and do not care for water.

Women's Missionary Society met in her home for the final session of the fiscal year. Mrs. Jimmie Gee presided and opened the meeting with prayer by Mrs. G. M. Beene.

Minutes were read by Mrs. Beene and the work of the Circle for the past year was reviewed. It was decided to give a donation of \$300 to Buckner Orphans' Home to purchase overalls for boys. The money that remains in the treasury will be given to a ministerial student. Mrs. C. S. Surles brought the Bible lesson from the Book of James, after which the meeting was closed with prayer by Mrs. Surles.

A social hour followed during which the hostess passed a parting gift of a knitted dish cloth to members. Refreshments of ice cream and cake were served to the following: Mrs. Jimmie Gee, Mrs. C. S. Surles, Mrs. M. M. Tabor, Mrs. A. F. Ashenburt, Mrs. W. H. LaRoque, Mrs. J. B. Hammett, Mrs. G. M. Beene and the hostess, Mrs. Morgan.

## BAPTIST CIRCLE FOUR AT CHURCH TUESDAY

Circle Four of First Baptist Women's Missionary Union met in the last meeting of the church year at the church Tuesday afternoon. Mrs. J. B. Papolio presided and opened the meeting with prayer after which minutes were read by Mrs. C. A. Farquhar.

Routine affairs and old business was transacted and the Circle voted to send a cash offering to Buckner Orphan's Home to purchase overalls for the boys. The Circle also voted to make a cash gift to a ministerial student.

The meeting was then turned to Mrs. Ina Pyle Martin, Bible teacher, who brought a splendid lesson of "Faith" from the eleventh chapter of the Book of Hebrews, after which the meeting was closed with prayer.

Those present were: Mrs. J. B. Papolio, Mrs. C. A. Farquhar, Mrs.

# Bowling Results...

Van Gardenhire's Gas was too potent for the West Texas Utilities bowling team Wednesday night as the Gardenhire quintet rolled on to a 3 point win.

The Hassen Dry Goods five were equally effective in downing the Cisco Lumber & Supply kegglers by the same margin of victory.

The Gardenhire crew was materially aided in victory by Sach Henson's 217 and Lee McDonald's 204.

The bowling schedule will revert to Monday and Tuesday nights of next week.

# Retonga Greatest Event Of His Life

Could Hardly Bear Aches And Pains in Muscles And Hips. Also Suffered Tortures From Bloating And Constipation. Feels Fine Now; Hails Retonga

"I felt better the very first day that I started taking Retonga," gratefully states Mr. Robert H. Ely, widely-known resident of 2806 Runnels St., Ft. Worth, Tex. "I suffered torment from aches and pains in my muscles and hips," continues Mr. Ely. "In fact, it reached the point where I could hardly get along, even with the aid of crutches. I dreaded for night to come, for I knew that I would be lucky if I got just a few cat-naps. After nearly every meal I would have that full, bloated feeling in my stomach. I had to use strong laxatives continually and I lost so much weight I was beginning to look like a skeleton. "The relief Retonga brought me was one of the greatest events of my life. Within a short while the aches and pains let up and I began to go as I pleased. I sleep good, eat heartily without bad after effects, no longer use strong laxatives, and I have regained 15 pounds. My friends all ask me what I have been doing to look so much better and only one word gives them the answer — Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You can get Retonga at DEAN DRUG STORE. — Adv.

IN GRAPEVINE COMMUNITY

At School House 4 miles East of Cisco and 2 miles South. Time, September 10th through September 19th. Evening Services at 8 p.m. Everyone Welcome.

Before you say "Yes" — to a suggestion by the seller or his agent that you buy the place without an abstract better consider the pickle you would be in if later the title proved to be faulty and you could neither sell nor borrow money on the investment you had made. Abstracts, if properly prepared, reveal the condition of the title as well as locate the property, and are considered to be indispensable in every real estate transaction by good business men everywhere!
