STATES' RIGHTERS OUSTED

Cheering Dallas County Democrats move into the convention at Fort Worth to take the seats vacated by States' Righters after the convention voted to oust them. This was typical of the jubilation of the delegates as they booted the departing States' Righters.

Lobo-Steer Game To Be Heard At Chesley Field

Local football fans who are unable to attend the Lobo-Big Spring game Friday night will have the opportunity of listening to it by way of static free FM broadcast, it was announced today.

A group of local businessmen have arranged to install an antenna and frequency modulation receiver at Chesley Field for the game and all fans who do not have the FM wave attachment on their personal radio sets were invited to be at the field at game time for the broadcast.

KRBCFM, the 46,000 watt frequency modulation station in Abilene, will broadcast the entire game starting at 8 o'clock Friday night, the station announced. A special leased wire has been set up from Big Spring to the KRBC FM studios in Abilene.

The Abilene station, using the recently developed static free frequency modulation type broadcasting, can be heard throughout the Cisco-Ranger-Eastland section with equal clarity day and night. It is found at 96.9 megacycles on the FM band.

Field Work Is Slowed By Rain, Crops Aided

The progress of field work was slowed down by fairly general rains in most areas of the State, but additional moisture and relief from high temperatures were beneficial to growing crops and pastures in the favored areas.

Cotton harvest was interrupted by showers in northeast and east-central Texas and by general over-saturation in the southern and north-central counties, except where halted by scattered showers. Insect and drought damage were reflected in lighter yields than earlier anticipated.

In the northern High Plains cotton was maturing in excellent condition and beginning to open. Prospects continued poor in the southern High Plains, however, as the extended drought remained unbroken except by widely scattered showers in limited areas.

Grain sorghums were heading out well and making excellent growth in the northern Panhandle area. Late sorghums in the Low Rolling Plains and southern High Plains were helped by scattered showers, but more general rains were needed. Harvest of early sorghums in north central and west-central counties was well past the peak with fair to good yields, but late plantings needed rains.

Fall range and pasture feed prospects were improved by the general rains over southern, coastal and most Plateau counties. Local showers over the northern half of the State will start grass but more rain is needed in most of that area to keep it growing. Range feed continued good in the northern Plains counties and was making good growth in upper coastal and some south central counties where rains came late in August.

Wrangler - HSU Yearling Game Opens 1948 Football Season

The 1948 football season will officially open in Cisco at 8 p.m. today when the Cisco Junior College Wranglers entertain the Hardin-Simmons University freshman team at Chesley Field.

Coach Al Milch of the Hardin-Simmons Yearlings is bringing a squad of 32 candidates to Cisco to attempt to win their first game of 1948 season. The team is the first Hardin-Simmons freshman team since 1941.

The 32 squad represents 25 high schools from four states and will include at least three former high school boys familiar in this area. They include Bobby Blair, fullback on the 1947 Eastland high school regional championship eleven; Bob Balch, tackle from Ranger; and Gene Offield, halfback from Breckenridge.

According to Milch the frosh should be strong defensively, but he warns, the adaptation of the Yearlings from high school to college football must be considered. The team boasts of three all-state players, including "Chick" Tiger, full blooded Indian who made the mythical eleven while playing with Altus, Oklahoma.

Coaches Everett and Davis will send their charges on to the field with an over all weight deficit of 20 pounds per man. The Yearling line will have a weight advantage of 15 pounds per man over the locals while the back field will average 22 pounds more per player.

The Wranglers have been busy during the first two weeks of drills and have spent much of the time in scrimmage. They traveled to Brownwood last week and participated in a scrimmage with the Howard-Payne college squad.

Returning from last year's great team are such stalwarts as Jack Leveridge, Doug Garner, Melvin Noble, Raymond Penn and J. M. Moore. Leveridge and Garner will bear the brunt of the backfield work along with Bill McGuire, a new comer who is playing in the fullback lot.

Noble, Penn and Moore, who were among the conference's most outstanding linemen last season, will be counted on to stop the heavier Abilene boys. They will be backed by Owens and Lee at the terminal posts; Millsap at center and Donald Price, 220 pounder from Brownfield, at the right tackle position.

The coaches were cheered this week when Don Johnson, Cisco high school passing great, reported for practice. Johnson's accurate shots will be seen much during the season. He will not be likely to see action in tonight's fray.

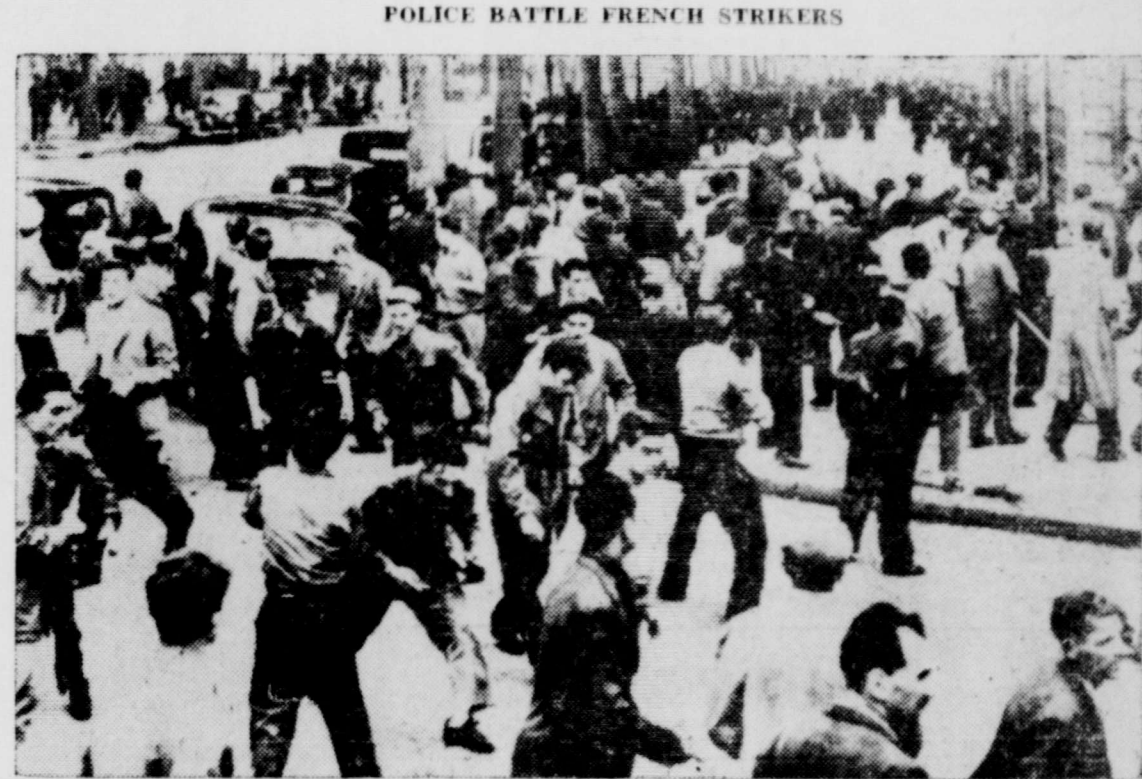

Adding color to the affair tonight will be the Lobo-Wrangler band which will furnish the music and the between-half activities. They will be dressed in their ranch uniforms of jeans, white shirts, boots and five gallon hats.

Mr. and Mrs. Ed Townsend of Nimrod visited in the home of Son Townsend and family in Eastland Sunday.

Mrs. John Leveridge and children of Bethel were trading in Cisco Saturday.

Mr. and Mrs. A. R. McElreath of Fort Worth were called to Abilene to the bedside of their daughter-in-law who is reported as very ill in her home.

J. W. Alvey and family of Lubbock visited in the home of his father, John Alvey in Cisco last week.

POLICE BATTLE FRENCH STRIKERS

Strikers armed with rocks and clubs battle the advancing array of police and mobile guards; background, in a riot in Paris, France; near the nationalized Sncma aircraft plant. Some 300 persons were injured and 13 required hospital treatment.

College Elects Four Cheer Leaders To Bolster Wranglers

With the Cisco Junior College Wranglers preparing to uncock their 1948 football campaign, more than 250 student followers elected four leaders to cheer the hard-hitting eleven into the upper brackets of the northern district.

Named by secret ballot to bolster the morale of the local institution were Billie Hailey; Peggy Swartz; Carlene Moats and Frances Sures. Jerre Westfall who is a veteran in the talent of ear-splitting routines was elected by student vote to head the cheering section and act as head pep leader.

The yell leaders will be suited out in traditional blue and white uniforms. The girls will wear long pleated blue skirts with a white blouse and blue tie. The head leader will be clothed in a similar costume -- white shirt and blue slacks.

At 1:30 p. m. Thursday the yell leaders officially assumed their duties by leading the assembly in a pep rally held in the auditorium of the main building.

A college dance was to be held after the game at the college corner. Peggy Swartz and Billie Hailey, sponsors the dances, invited all fans of the Wrangler and Lobo football teams to join in the fun. No admission charges will be made.

Army Needs 100 Women Recreation Club Directors

More than 100 qualified women are needed as service club recreational directors in Korea and Japan, the Army's special services division in Washington has announced.

Staff positions are open overseas in Army service clubs, rest hotels, recreational camps and informational centers for experienced, college-trained female recreational

Workman Fatally Injured in Oil Field Accident Near Cisco Wednesday Night

Charlie Henry Rabbe Jr., 28, of Hamilton, Texas, died in a local hospital at 1:45 a.m. Thursday as a result of injuries received while working on an oil well approximately 17 miles north of Cisco.

The accident occurred at 7 p.m. when Rabbe was attempting to replace a light globe on the rig. While working with the light he came in contact with a power line and while fellow workmen

were shutting off the line he fell seven or eight feet to the floor of the rig, landing on his head. Workmen rushed to the nearest telephone and called for an ambulance which carried him to the hospital. It was believed that death resulted from the fall and not from the electrical shock.

He was born in Williams County on October 22, 1919. He is survived by his parents, Mr. and Mrs. C. H. Rabbe. Also surviving are two brothers, Walter and El-

bert of Hamilton and three sisters, Helen, Ida and Frances, all of Hamilton. The body was taken overland to a Thomas funeral coach in Hamilton where funeral services will be conducted.

The ambulance call caused an erroneous report that the Fred Manning Repressing plant had exploded injuring a number of employees and company officials and funeral home employees were kept busy with phone calls.

MRS. TOMMY PEE

WARREN-PEE NUPTIALS HELD HERE SUNDAY P.M.

Miss Margy Joan Warren, daughter of Mr. and Mrs. Jay Warren of Cisco became the bride of Tommy Pee (31 of 25) and Mrs. Mason Pee of Sweetwater in a ceremony held Sunday at 3:30 p.m. in the local Baptist church.

Rev. Otis Strickland, church pastor, officiated for the double ring nuptials as the couple stood before the altar banked with greenery with floor baskets of gladioli and wedding candelabra marking the sides.

Attending the bride as matron of honor was her sister, Mrs. John H. McGee of Fort Worth; and her maid of honor was Miss Earline Steele of Cisco. They wore pink net dresses with blue carnations.

The bride entered with her brother, Lt. Billy C. Collins of Salina, Kansas. She wore a traditional gown of white satin with long fitted sleeves ending in points over the wrists. Tiny self covered buttons were used down the back of the dress to the waist. The frock was fashioned with a draped peplum and fan bow in the back. The bride carried a Bible showered with a white gardenia and tuberoses with white satin streamers. Her shoulder length veil was fast-

ened to her hair by a tiara of seed pearls. For something Old she carried the white Bible awarded her by the First Baptist church for five years perfect attendance in Sunday school. "Something borrowed" was a strand of pearls borrowed from Mrs. H. C. Brown.

Jack King of Cisco served the bridegroom as best man and ushers were Ellis Carter of Sweetwater; John H. McGee of Fort Worth; Don Johnson and Jim Ewell of Cisco.

A reception was held in the parlor of the church immediately after the wedding. Mrs. Hugh C. Brown was in charge. The bride attendants served the tiered wedding cake which adorned the lace laid table. The first slice was cut by the bridal couple. Other table decorations were the lovely floral centerpiece and tapers. Punch was ladled to the guests by girls of the wedding party.

The young couple will make their home in Sweetwater at 205 East Tenth street.

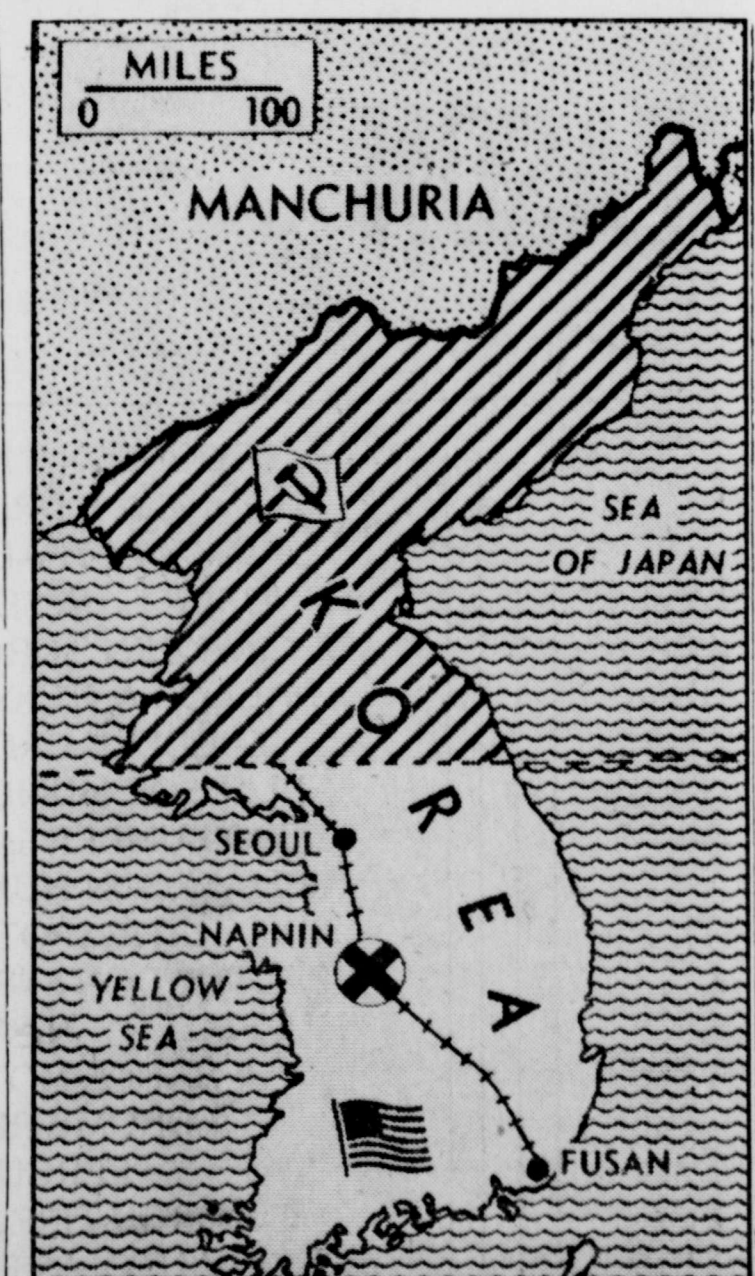

Mrs. Pee graduated from Cisco high school with the 1948 class. Mr. Pee graduated from Cisco high school in 1947 and attended John Tarleton College at Stephenville. He is now employed with Southwestern Bell Telephone Company at Sweetwater.

East Side Baptist Brotherhood To Meet Friday P. M.

Men of the East Cisco Baptist Church Brotherhood were urged to attend the brotherhood meeting at the church at 7:30 p.m. Friday.

After the meeting refreshments will be served to those who attend. The men were asked to bring their sons with them.

U. S. SOLDIERS KILLED IN TRAIN CRASH

The cross indicates where 30 American soldiers were killed and 80 injured in a train collision at Napkin, Korea. The troop train traveling from Eusan to Seoul was stopped for repairs when a second ploughed into its rear.

BRIEFLY TOLD

Rob Kamon left today for Austin where he will resume his student work at Texas University after spending the summer vacation in the home of his parents, Mr. and Mrs. Rudolph Kamon.

Fred Steffey, son of Mr. and Mrs. Fred Steffey Sr., returned to Austin Tuesday where he will be a student again this year at Texas University.

The friends of Mrs. R. C. Smith of Dickens, formerly of Cisco, will be interested to know that she has

returned to her home after undergoing major surgery at Crosbyton last week. She is reported improving nicely and is attended by her sister, Mrs. Ray Reeves.

Mr. and Mrs. Billy E. Britain of Abilene were guests Sunday of his parents, Mr. and Mrs. Joe Britain and his grandmother, Mrs. Chas. Teague. Also visiting in the Britain home was Ralph Reynolds of Ranger.

Mrs. E. D. Wright has returned to Cisco after spending the sum-

mer with her brother and wife, Mr. and Mrs. Edgar Butts at North Port, Washington; and with her sister-in-law, Mrs. Belle Naphys in Denver, Colorado.

Mr. and Mrs. E. L. Howard returned to their home in San Antonio Sunday after a few day's visit with relatives in Cisco.

Mr. and Mrs. D. L. Kiser, former residents of Cisco, now living at Clyde were transacting business in the city today and while here paid a visit to the Daily Press office.

Guests in the home of Mr. and Mrs. Brady Boggs over the past weekend were their daughter and husband, Mr. and Mrs. Paul Pryce and baby of Kermit; their son, and Sgt. Dowell Boggs of Camp Perrin, Sherman, Texas.

Mr. and Mrs. J. E. Shirley have returned from a delightful vacation trip on which they visited Mr. and Mrs. A. L. Burton at Loving, New Mexico and with Mr. and Mrs. Donald Kilgore at Crane.

While in New Mexico they made side trips to Cloud Croft, Ruidosa and other interesting points, returning by Carlsbad Cavern where they made a tour of that interesting place.

Word Home Demonstration club will meet Thursday afternoon at 2:30 at the home of Mrs. Jesse Youngblood at 1210 East Fourth street.

Bill Cummins, son of Mr. and Mrs. L. F. Mendenhall of Cisco, will re-enter East Texas State College this week and begin work on his Master's degree. He will make his home while in Commerce with his grand-father, Mr. Joan Knight.

Mr. and Mrs. L. F. Mendenhall are expecting their second. Mr. and Mrs. Ernest Bruma of Marietta, Ohio to arrive Thursday for a visit with them. The Mendenhalls enjoyed a visit with them and other friends and relatives in Ohio, recently.

Mr. and Mrs. Carl Daniel and his sister Miss Nannie Label,

were noon dinner guests here Sunday in the home of their sister, Mrs. Mattie Robinson.

Mr. and Mrs. Walter Ray, former Ciscoans now living in California, are here on visits with their sisters, Mrs. E. E. Daniel and Mrs. Littleton and other relatives. They will also visit their daughter in Houston while in Texas.

Mr. and Mrs. George P. Fee have returned from Austin where they accompanied their son, Pat Fee, who entered St. Edward's school there.

Mr. and Mrs. A. M. Farmer have returned from a vacation trip to the Northern and Eastern states. They visited their son Frank Farmer with the U.S. Navy in Washington, D.C., where the young man is attached to the Communications Center of the Potomac

YOUR AN EDUCATION

Retail Merchants Association

L. SELF, L. I. B. S. Sect'y

Merchants paying dues to any Credit Bureau, control that bureau; however, to own a Credit Bureau, the merchants would have to own the files, which would enable them to elect a new secretary at the end of one or two year periods.

When the files of a Credit Bureau are individually owned, as we understand they are in two instances in Cisco, the secretary cannot be changed other than by buying them out, or pushing them thru the window. Under such existing setups, it merely becomes a matter of inflating one individual's bank account, and deflating the other.

In having a Board of Directors, there is nothing to direct except something relative to money matters, and in soliciting memberships, it narrows down to the above statement.

A secretary has to spend money on their files whether they have one or ten members — it is expensive to operate an office, and it takes not only money, but loyalty, and cooperation on your part.

We appreciate our members, and we are here to serve you. Call us often.
