### Wrangler Fund **Reaches \$92.00**

The fund started by the Cisco Daily Press for the purpose of replacing money lost by Cisco Junior College Wranglers in the theft from their dressing room recently has reached a total of \$92.00, but is still \$38.00 short of the goal, ,

Those wishing to help the boys were asked to contact one of the employees of the Press and make the contribution. Since most college boys need their money it is desired to complete the collection early this week.

SPEEDY SUPPER DISH

For an easy main dish on an especially busy day, try making a quick salmon casserole. Made with salmon, milk and eggs and topped with crispy flakes of cereal, this dish tastes and looks like twice the amount of time and work. Bake it in an attractive, easy-to-clean porcelain enameled pudding pan which can come right to the dining table for serving. Set the pan on a wooden platter for a charming effect.
