The Gay Philosopher

IT IS PRETTY interesting to compare conditions of 15 years ago with the present. The other day Mr. Charles Sandler was cleaning out his office and found a file of Cisco Daily Press copies for January, 1934. And he showed it to a few friends, who also were very interested.

LOOKING THROUGH the file, we made the following notes: permanent waves (guaranteed) cost you \$1... All of the ads had NRA insignias in them... Grocery specials included: Apples, 2 dozen 25c; sugar, 17 lbs. 47c; pineapple, 3 cans 25c; pork sausage, 2 lbs. 25c; sliced bacon, lb. 17c; coffee, lb. 19c.

DRY GOODS prices in the ads included: men's suits, \$14.85 to \$24.85; men's shoes, \$2.95 to \$6.75; ladies coats, \$8.95 to \$22.50; and ladies wash dresses, \$1.45.

A DOUBLE PAGE greeting ad included pictures of the following Cisco men: J. C. King, J. T. Berry, B. A. Butler, W. H. LaRoque, Dr. Paul Wood, T. J. Dean, Mickey Carroll, A. D. Anderson, P. P. Sheppard, I. Moldave, Judge D. K. Scott, Howard D'Spain, Walter J. Leach, W. H. Craddock, Rev. E. S. James, H. L. Dyer, Jack Anderson, W. B. Statham, J. B. Hicks, J. E. Spencer, Lee Owen, Jack Elkins, S. H. Nance, L. E. Vaughn, O. J. Russell, H. A. Bible, J. B. Pratt, Leon Maaner, Wm. Reagan, H. C. Henderson, Pete Nance, Dr. Charles Hale, Pete Cooles, Roy Huffmyer, Dr. N. A. Brown, Herman M. Wood, Dr. Hubert Seale, Dr. W. P. Lee, J. A. Bearman, W. H. Kittrell, Sr., Dr. W. I. Ghormley, Charles Brown and J. R. Burnett.

MONEY WAS scarce in those days. A lot of news was devoted to the CWA and other relief and recovery agencies. The gold standard was giving way to silver. Babe Ruth was signing a fat contract. Clyde Barrow was on the prowl and officers were jumping him once in awhile. Bank deposits here were less than \$900,000.

Fire Department Thans Assisting With Convention

Fire Chief Andy Anderson and Secretary Bill Kendall thanked all local citizens who assisted the local fire department in any way of making the recent convention of the Mid-West Texas Firemen's Association a success.

Visiting firemen went away praising the town and the local department for the fine manner in which they were received and for way in which the convention was conducted.

They especially thanked Wydene Birt, Pearla Farley, Pearline Farley, Waddell Rains, the Cisco High School Lobo Band and the students of Cisco Junior College for their part in the success of the meeting.

The visitors expressed themselves as being highly pleased with the program and the entertainment by the above students.

Women's Bowling League interest Continues to Grow

So much interest has been shown in the new ladies handicap bowling league on Wednesday nights that the four teams in the future will consist of five girls instead of four as previously announced.

Since the last session it looks as though the teams are not planning to let one get ahead of the other. Premier Oil and Bearman and Flournoy tied everything up by taking two games each from White's Bowling Lanes and Vogue Cleaners, respectively.

The Premier Oil girls really took all high game honors with Ike Fonville bowling a 204 game and 505 series scratch while the men bowled a 967 game and a 2827 series including handicap.

Following are the individual handicap results:

Table with 2 columns: Name and Score. Includes sections for White's Bowling Lanes, Premier Oil, Bearman & Flournoy, and Vogue Cleaners.

Coal miners barricade the mine entrance at Montigny, France, to prevent any possibility of a back-to-work move. The coal strike touched off a wave of strikes, culminating in rioting at Mischeville steel works. Troops and security guards battled the mill workers who were reinforced by coal miners.—(NEA Radio-Telephoto).

Presbyterians to Engage in Home Mission Service

The annual Home Mission study season for the Southern Presbyterian Church opened October 4, and will continue through Sunday, November 7. Dr. Frank S. Mead is the author of the main book Presbyterians are studying, "On Our Doorstep". It is said to be a challenging piece of literature, highly informative and wholly interesting.

Along with this, the Education Department of the Presbyterian Executive Committee of Home Missions, of which Rev. S. B. Lepsey is director, has made available to the Church an assortment of literature covering Assembly's Home Missions.

The Executive Committee asked that in this special season the Church be dedicated anew to the "Evangelistic and Extension Enterprise of the Church"... looking toward an enlarged and sustained Home Mission Advance.

Rev. Rohre stated that he hoped every member of the local Church would enter into this study season. His subject for the morning worship service will be "Faith's Victories." "Visitors are always welcome, and if you do not have a Church home you are cordially invited to attend the Presbyterian Church", he said.

Methodist Men's Brotherhood to Meet Tuesday

The Men's Brotherhood of the First Methodist Church will hold its fall meeting in the basement of the church building at 7 p. m. on October 12. Vice-President Sterling Drumwright will preside in the absence of President Jack Anderson.

Rev. Hayden Edwards, minister of the Polytechnic Methodist Church in Fort Worth will be the principal speaker. Rev. Edwards is said to be one of the outstanding speakers in Texas. He has spoken before many civic clubs over the nation. He is past state chaplain of Lions International and is president of the downtown Lions Club in Fort Worth.

Dr. Jones, minister of the First Methodist Church, extended an invitation to all friends to attend the meeting.

Mrs. Ross Griffith to Sing at Church of God Morning Service

Mrs. Ross Griffith will sing at the 11 a. m. services of the Church of God today, it was announced by Rev. C. S. Moad, local minister. She was chosen to sing "He Smiled On Me" and will be accompanied by Mrs. Carlton Holder.

Mrs. Griffith has sung at some of the local churches and her songs have been a source of enjoyment to listeners, the announcement said.

Special Buses to Take Visitors to Texas State Fair

It was announced Saturday that two special chartered buses were to be run to Dallas on October 17 for the Texas State Fair.

The buses will leave from the Union Bus Terminal at 6 a. m. on that day and will return that night, allowing passengers a full day to visit the show.

R. L. Jones, local manager for the bus companies stated that there were only a few reservations remaining and suggested those wishing to take advantage of the trip at a low round trip rate should call as early as possible.

COUPLES CLASS HAS MEETING

Twenty seven members of the "Couples Class" of the First Methodist Church met in the home of Mrs. Allan Withee early this week and combined business with pleasure.

Putting Tourney Planned by Cisco Country Club

Officials of the Cisco Country Club announced a putting tournament which is to be held at the club's putting course on next Wednesday night.

The tourney will get underway after the serving of sandwiches and drinks at 6 p. m. All local golfers, members and non-members, were invited to attend the feed and the play to follow.

This is just one of the events planned for the entertainment of local golfers. It was announced. Another scotch foursome is being planned for the near future, and details are being worked out on the citywide women's golf tournament which is being planned for the near future.

Mrs. K. N. Greer and Red Miller won first prize in the scotch foursome played at the club course last Wednesday. Mrs. C. M. Townsley and Chas. Graham took second honors. It was reported that Bill Mitcham also played.

After the play was over participants and non-playing members met at the club house for a basket lunch, card games and dancing.

RAIN! RAIN! MORE NEEDED

A slow rain which began falling at 9:30 a. m. Saturday had showered parched lawns and fall gardens in the Cisco area with 8 tenths of an inch of much needed moisture by 2 p. m.

The rain was the largest recorded for the past three months and was a boon to farmers who had "dusted" in small grains.

TOO MUCH MEXICO! Alert Ranger Eleven Hands Cisco Hi 12-6 Defeat; Bulldog Defense Holds

By JIM EWELL, Jr.

RANGER, Oct. 8.—The Ranger Hi Bulldogs, taunted with the cumulative desire for revenge, bulldozed two reluctant downfield drives to rock Coach John Hansard's CHS Lobos, 12 to 6, here Friday night at Bulldog Stadium. A near capacity crowd of approximately 3,000 people was on hand to see the hard-fought non-conference tussle.

Paced by the sensational line ripping sprints of Jimmie and Raymond Comancho, Bulldog scabbards, Ranger throttled off to a snappy send off in high gear. Four minutes deep in the game after the opening kickoff, with Lobo Paul Woods toting the ball, the Bulldogs drenched the home towners' forward line with unreeling ground gaining runs.

Once the Bulldogs had planted the ball on the Lobos' 7 yard marker, an aerial attack was employed to wind up their downfield efforts for the pay dirt reward. However, two plays later, fans saw the Lobos still firmly entrenched as a Russian veto, batting down Comancho's ever attempt to connect with his pass receivers. And it was here that the Lobos, with a sigh and a pat on the back, assumed the offensive's foretold duties, after the Bulldogs' thumping threats had bogged down with striking distance of the goal line. Durwood Smith, alternate end and back, propelled a 31 yard punt, tossing the Lobos out of the siege.

Near the end of the first quarter, the irrepressible Bob Rendall launched the all-out Lobo downfield court, bulging the line with short, but measurable jaunts. Within inches, five it was, of a second first down for the Lobos, Durwood Smith, on a precision handled double reverse, skirted around right end for 23 yards to cross the Bulldogs' goal line, untouched. A kicking attempt for extra point fell crazily to the side, incomplete.

Pas: Intercepted. Late of the second stanza, with Cisco operating from their own 20, Buddy Mamrich intercepted a Johnson to Smith pass and raced near the sidelines to the Lobos' 8 yard line, before he was smothered under. One play following the reverse, Cisco was penalized 5 yards for holding and the ball was set down on the three yard line, or just inside.

Here Raymond Comancho plowed head down to the one yard line and R. C. Smith powerhoused the Lobos' mid-section to run up the Bulldogs' second tally. The conversion was nullified. A startled partisan crowd saw the score board

New Producing Sand Found Northwest of Town By Lone Star

One of the county's most interesting wildcat oil tests—the Thos. D. Doswell No. 1 Mitcham—located ten miles south of Cisco, was drilling at 3,252 feet early Saturday and was reported to have had oil and gas shows in both the Caddo and Marble Falls formations.

The well is located in the southwest corner of the south 80 acres of the northwest quarter of section 77, block 3, H&TC survey, B. H. Grey is the drilling contractor.

Geologists said that the well is on a seismograph high and that formations generally are running some 130 feet higher than in dry tests drilling in the area during the past years. A mile north of the Doswell location, a gasser was drilled several years ago. It was plugged.

The drilling log showed the top of the Caddo as 2,736 feet and the base at 3,068 feet with oil and gas show from 3,036 to 3,053 feet. The Marble Falls was topped at 3,094 feet and the lower Marble Falls at 3,206 feet with an oil show at 3,231-52 feet.

Mr. Doswell, who lives in Dallas, was among the successful drillers in the county during the old oil boom days. He has 1,666-acre drilling block in the area of his well. He said that drilling would proceed to the Ellenburger.

The Rathke Oil Co. No. 1 will be drilled deeper with cable tools before a competition effort is begun, it was reported here Saturday. The well is located near Nimrod in southwest Eastland County. Pipe was cemented after a substantial oil spray was encountered last week in the Mississippi lime.

It was understood that the larger drill pipe would be removed before drilling is resumed.

New Production Sand Discovered

The opening of a new producing area was in prospect for the Cisco area with the announcement Saturday by The Lone Star Producing Co. of the discovery of a new prolific sand in their Brooks lease.

The sand, which is known as the Bond Sand, was discovered at 3,674 feet and extended to a depth of 3,683 feet. A drillstem test was run Friday and the strata was found to be rich in oil, and if better pay is not found in the Ellenburger or the Mississippi, the well will be completed in the new strata.

The only other production in the Bond Sand for the county is found north of Eastland where a number of wells have been producing since the boom days of the early 1920s.

Lone Star expects to top the Mississippi in their No. A5 Kincaid late Sunday or early Monday. They were drilling at 3,536 late Saturday. They have made location on their C. J. Kleiner, B1, which is a semi-wildcat, located approximately two miles from present production. They have also cleared their location for the No. 2 G. W. Daniels which will be 933 feet from their No. 1 well on that lease.

Special Services At Methodist Church Sunday

Dr. Claud P. Jones, minister of the First Methodist Church, announced that there would be a special service at the church today with the members of the Church School. He will use as the topic for his talk at the service: "Objectives of Christian Education."

Fred Baumgarden will be the soloist at the mirning service. Dr. Jones will speak on "One Who Could" at the evening services using the theme "He Could But Would Not."

Tommy Holmes, Boston Braves' outfielder, is out at first base in the top of the first inning, for the third game of the World Series at Cleveland. Holmes hit to shortstop Lou Boudreau, whose throw to first baseman Eddie Robinson nipped Holmes.—(NEA Telephoto).

Is It Safe To Blow Your Top?

It's only human to get mad. But anger, like steam, has to have an outlet. Repressed anger is tricky and can affect you in many ways. It can make you feel fed up, fenced in, hurt, blue, cynical or depressed. Anger can also fly off at a tangent and hit some innocent bystander.

But one of the most dramatic findings of modern science is that anger bottled up and mixed with anxiety, resentment, frustration and bitterness can backfire and cause various physical difficulties. One of the strangest things about these effects of repressed anger is that the victim rarely associates his feelings with his illness, says Better Homes & Gardens magazine.

Here is what Dr. Daniel Blain, medical director of the American Psychiatric Association says: "If you don't valve off anger when the pressure is low, you're likely to accumulate so much that you'll blow your top at some later time when you will say or do more than the situation calls for, or is good for you."

Psychologists point out that there are safe and sane outlets for anger and ways of reacting so that nobody gets hurt. The first thing you should know is that anger is normal. The wise parent attacks not the anger, but the need of feeling angry. You can do this by talking it over with the child and reaching an understanding.

Emotions are part of reality. We should feel free to have them and be responsible or controlling them. Understanding makes it easier. As Henry Ward Beecher said, "A man who does not know how to be angry does not know how to be good."

The experts say we must suppress our anger and then, making no mistake about what we are really mad at, release it against some harmless object. Beating a rug, chopping wood, throwing rocks at a tin can—all are just what the doctor ordered for washing away anger, humiliation, and bitterness. Of course, the method must be individually satisfying and socially acceptable.

Army Wants 1,658 reserve Engineers

AUSTIN, Tex. Oct. 8. — The

Army wants 1,658 Reserve engineer officers to come back into uniform, according to information received from Fourth Army Headquarters by Colonel Oscar B. Abbott, Executive of the Texas Military District.

To fill vacancies in its commissioned ranks, the Corps of Engineers wants eight lieutenant colonels, 73 majors, and 1,577 junior officers. Tours of duty will be for a minimum of three years. The positions now open include

duty with troops, headquarters, ROTC, and post engineers. Further information and application blanks may be obtained

from the Organized Reserve Corps, Instructor's Office at Room 201, Federal Building, Waco, Texas.

"Here's a Statement Every Credit Buyer Should Consider Well"

With merchants operating small businesses, their customers' credit rating is judged by their paying habits rather than in the amount of money they spend with the merchant each month. . . . In many instances credit customers overlook the fact that the merchant must pay his wholesale accounts exactly on the date they are due or lose a possible discount.

Prompt payment of charge accounts creates a friendlier feeling and better understanding between customers and merchants. Pay bills in full when due, or see your creditor and make definite arrangements for their payment.

Pawela's First Operation Successful

Pawela Lamphere, 22-months-old, gives the doctor a critical eye as he examines her doll in a Chicago hospital. The baby underwent a first of a series of three operations to correct a rare bladder condition. The first operation was a complete success and doctors were "amazed" at the tot's rapid recovery. TO SERVE UNDER MONTGOMERY

These two French military leaders will head arms of Western Europe Forces under British Field Marshall Montgomery. Vice Admiral Robert Jaujard, left, Vice-Chief of French Naval Staff, will command the combined Navies. General Jean de Latre de Tassigny, right, Inspector General of French Army, will be the land commander.—(NEA Telephoto).

Surplus Chapels listed for sale

Twelve surplus chapels, among the last to be available in the southwest region, will go on sale to religious groups and other qualified claimants at two camp sites around October 11, the War Assets Administration announced today.

Nine of the chapels are located at Camp Shelby, Hattiesburg, Mississippi. Each is to be awarded for off-site use as a house of worship, shrine or memorial to World War II dead. Applications from federal agencies, state and local governments and non-profit institutions will be honored until 11 a. m. October 22.

Three chapels will be sold at Camp Grubeq near Muskogee, Oklahoma. Like the Camp Shelby structures, each is a mobilization type, frame constructed building. The three classes of qualified claimants will have until 11 a. m. October 26 to submit purchase applications. Nationally, the War Assets Administration announced that 642 surplus chapels have been awarded to date, 615 from army installations and 27 from navy properties.

Of the total 589 went to Catholic, Protestant and Hebrew congregations, affording them an estimated 185,000 seats. Most of the disposals, WAA said, occurred in the south and west sections of the country. Inspection of chapels to be sold at the two camp sites may be arranged with the WAA Facility Manager at each location or by contacting the awarding office, the Grand Prairie office of real property disposal, P. O. Box 6000, Dallas 4, Texas.

YOU CAN HAVE PLENTY OF BUTANE ALL WINTER IF YOU HAVE ADEQUATE STORAGE

Will you be sure of having all the LP-Gas you will need this winter? Or will you be at the mercy of bad roads, bad weather and possible gas shortages? There is only one way in which your Butane-Propane dealer can promise you all the gas you'll need and that is for you to have adequate storage now!

So if you want to enjoy all the advantages of gas next winter — without any empty-tank worries — let your dealer explain how you can be guaranteed of having dependable, year-round gas service. Write, phone or see him today.

HERE'S THE PICTURE
The rebuffers which produce LP-Gas (Butane or Propane) have the same capacity all the year around. They produce the same amount of gas in the summer as they do in the winter. Yet there is four times as much gas used during the four winter months as there is during the other eight. That means LP-Gas produced in the summer must be stored for use in the winter. The rebuffers have increased their storage facilities. Your local dealer has increased his. But that's still not enough! Even more gas must be stored.

HERE'S THE ANSWER
The only solution to this problem is for the folks who use LP-Gas to increase their storage facilities, too. That's the only possible way in which your dealer can assure you of having a dependable, year-round supply of LP-Gas. Remember — your storage tank is like the gas tank in your car. If it's too small you're always running out of gas. So play safe. Get set for winter by getting adequate storage NOW!

HOW BIG A TANK DO YOU NEED?

You'll have adequate storage when you have a tank big enough to hold a supply of gas that will carry you through the four winter months. A tank that size will enable you to have it refilled now while plenty of gas is available. Then, this fall, you can have it refilled and start off the winter with enough gas to see you through

GUTHRIE BOWEN RITES HELD SUNDAY, OCT. 3
The wedding of Betty Guthrie and Ben W. Bowden, M. D., was held at the First Baptist Church, Cisco, Tex., at three o'clock on the afternoon of Sunday, October 3rd, with Rev. Otis Strickland officiating in the impressive double ring ceremony. The bride's only attendant was her sister-in-law, Mrs. Lee F. Guthrie of Austin. The best man was Jeff Bowden of Wichita Falls, brother of the groom. Ushers

were Glenn Neill of Abilene and C. W. Guthrie of Cisco. Mrs. Troy Powell played the pre-nuptial music and accompanied Harry P. Shaefer in a violin solo and when he sang "Because," Mrs. Powell also played the traditional wedding marches. The church was beautifully decorated in large bronze chrysanthemums, ferns and floor baskets of fall flowers; members of the bridal party wore boutonnais and corsages in the bride's chosen colors of yellow and bronze.

The bride was given in marriage by her brother, Lee E. Guthrie of Austin. She wore a street length gown of palmont satin and a large picture hat of the same material, cocoa brown sandals, and carried a white Bible on which rested a cream dahlia in a nest of gold and green. Mrs. Lee Guthrie wore a draped crepe gown of elephant skin gray. Mrs. Beatrice Guthrie, mother of the bride, wore a green crepe dress and Mrs. J. O. Bowden, mother of the groom, wore a blue crepe dress.

Immediately following the wedding a reception was held in the home of Mr. and Mrs. R. W. Mancill at 309 West Fifth Street. In the receiving line were Mrs. Mancill, Mrs. Beatrice Guthrie, mother of the bride, the bride and groom, and Mrs. C. A. Farquhar, grandmother of the bride.

Miss Frances Holt of Carthage presided at the guest book. Mrs. Robert Morgan of Dallas ladeled punch, and Mrs. George H. Smith of Wichita Falls served the cake. The cake was a beautiful three-tiered wedding cake, elaborately decorated in the bride's chosen colors and topped with a small bride and groom. Miss Ruth Eulitt of Dallas and Miss Betty Duke of San Angelo assisted in serving.

During the reception the bride slipped away, changed into her going away suit of brown faille, and amid a shower of rice escaped with her husband to their car and took off for parts unknown. The young couple will live in Shreveport, Louisiana, where he is serving his internship in Shreveport Charity Hospital.

Approximately 150 guests attended the wedding and a reception. Out-of-town guests present were:

PRE-NUP TIAL SHOWER HONORS BRIDE ELECT
Mrs. Claude Tucker, Mrs. Marshall Ivie, Mrs. Carlton Holder, Mrs. V. H. Bosworth, Mrs. Claude McBeth, Mrs. Don Rupe, Mrs. J. D. Hall, Mrs. Paul Stephens, Mrs. A. W. White, Mrs. B. F. Thomas, Mrs. J. O. Warren and Mrs. J. E. Whisenant were hostesses Tuesday evening for a miscellaneous shower honoring Miss Jean Harrelson, bride-elect of Chester L. Allen whose engagement and approaching marriage were recently announced.

The shower was held in the educational building of East Cisco Baptist Church. Beautiful cut flowers were distributed about the room. A corsage of white roses was worn by the bride-elect and corsages of red roses were worn by Mrs. Harrelson, mother of the honoree and Mrs. Allen, mother of the groom-to-be.

Welcoming the guests were Mrs. Carson Holdridge, Miss Jean Harrelson, Mrs. Herman Harrelson, Mrs. Chester Allen. Miniature wedding rings were pinned on each guest by Mrs. Claude Tucker and Mrs. Marshall Ivie. Following general introductions

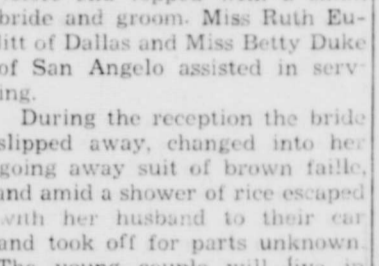

the guests were shown into the dining room where they were served punch, poured by Miss Wanda Hitchcock, and plates of individual cakes and mints by Mrs. Mac Harrelson. The table was colorfully decorated with a centerpiece of autumn flowers in various hues.

Guests were then seated around the gift laden table and watched as the honoree opened each package and passed her gifts for inspection. Mrs. Carson Holdridge presided at the bride's book which was signed by the many friends present. A number of gifts were also sent by others who were unable to attend.

Approximately 75 people were in attendance at the nice affair.
