# YOU CAN HAVE **PLENTY OF BUTANE ALL WINTER**

YOU HAVE ADEQUATE STORAGE

Will you be sure of having all the LP-Gas you will need this winter? Or will you be at the mercy of bad roads, bad weather and possible gas shortages? There is only one way in which your Butanc-Propane dealer can promise you all the gas you'll need and that is for you to have adequate storage now!
So if you want to enjoy all the advantages of gas next winter — without

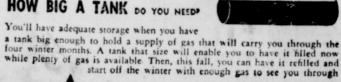

any empty-tank worries - let your dealer explain how you can be guaranteed of having dependable, year-round gas service. Write, phone or see him today.

#### HERE'S THE PICTURE

The refineries which produce LP-Gas (Eurane or Propane) have the same capacity all the year around. They produce the same amount of gas in the summer as they do in the winter. Yet there is four times as much gas used during the four winter months as there is during the other eigh That means LP-Gas produced in the summer mus be stored for use in the winter. The refineries have increased their storage facilities Your local dealer has increased his But that's still not enough! Even more gas must be stored
