MEN 'SIT OUT' TEL AVIV AIR RAID

While the sound of the air raid siren wails through Tel Aviv, these two men, left, sit at a sidewalk cafe table, apparently decided to "sit this one out." The woman and children though, scurry for shelter from the Egyptian planes which have bombed the Israel city occasionally. (Photo by NEA-Aeme staff correspondent E. F. Ilani.)

Near Record Vote Indicated As Early Returns Come In

Early Reports Give Truman Wide Lead In Texas

Cisco and Eastland County voters were turning out in large numbers today to participate in the General Election and to decide a legal beer sales proposition. Reports from the larger boxes indicated that the total vote would top that of the first primary.

In Cisco more than 800 persons had cast ballots at the Fire Station box at 3 p.m. and voting was running heavier than expected at the East Ward School. Officials predicted that approximately 1,900 persons would vote in precinct 6 before polls close at 7 p.m. A total of 1469 votes were cast in the first primary.

Voting was somewhat slow due to the confusion caused by the large newspaper-size general election ballot. The confusion was due to the comparatively large numbers of persons who were "splitting the ticket."

A separate ballot was being used for the beer question.

Early reports from the state's larger cities indicated that Truman generally were going to the polls in record numbers. President Truman was reportedly receiving a wide lead in early returns. Lyndon Johnson, Democratic nominee for the Senate wasn't fairsing so well. Early reports indicated a "neck-and-neck" race.

An early report from Houston gave the Dixiecrat ticket a substantial lead. This trend wasn't general over the state, however, Houston, hometown of Republican Porter was giving him a huge majority in early returns.

As far as national returns go, it will probably be several days before the results are tabulated. Trends, however, were expected to be established before midnight.

ACCUSED OF BEATING SON TO DEATH

Mrs. George Brucks, right, 21, accused of beating to death her seven month old, tells Assistant District Attorney Adolph Alexander and Fred Henderson, center, that she hated boy babies. Los Angeles autopsy surgeons said the baby's battered body was covered with bruises but that preliminary examination did not show the primary cause of death.

The Gay Philosopher

By J. W. S.

A FELLER NEVER knows these days just what shape things are going to take when he comes down to town in the morning. For example, the other day Mr. Vernon Turner, the attorney, came to his office. It was a pretty day and he read his mail and checked over the newspapers.

THEN HE HAD to go to Eastland on a bit of business. So he stepped over to borrow friend Floyd Shepard's car. Sure, Shepard said, it's the blue Chevrolet out front. So Mr. Turner went out and got into the first blue Chevrolet he saw and drove over to Eastland.

MEANWHILE, Willie Rae Cotton and Andy Wisdom of the new seismograph crew in town, had completed some business transacting and went to where they'd left Cotton's car—a blue Chevrolet. It was gone!

THEY REPORTED it stolen to city police and a search began. After it wasn't turned up around town, they headed over to Eastland to report same to the Sheriff's office. As they were coming out of the sheriff's office, they saw their car. Sheriff Williams was summoned.

AT ABOUT THAT time, Mr. Turner finished two hours of the things that lawyers do when they go to the courthouse for two hours. And he started for the car. As he opened the door, he was stopped. Cotton wanted to know where he was going. And in a stolen car.

EXPLANATIONS followed. And everybody had a good laugh. What was the payoff was the fact that Turner was in the district attorney's office during all the time a widespread search was underway for the "thief."

HEARD A VERY complimentary remark about Cisco's sports teams out at Eastland last evening while the Midgets were playing the Eastland midgets. An Eastland man said: "We're always glad to play Cisco, for we always have a good, clean game. You people are the kind of opponents we like—win, lose or draw."

MET UP WITH an interesting fellow the other day. He was M. J. Kennamer, Dallas, the piano tuner who comes through here regularly. He's an expert at the job and tunes most of the pianos in West Texas. He was one of the few men who had an unlimited gasoline ration during the war, because of the big demand for his services.

Eastland Church Of Christ Holds Lectureship Week

The Eastland Church of Christ is holding a Lectureship Week at the church there. It was announced Monday. The series of lectures began Monday and will continue through Saturday night. Ministers of the surrounding congregations are participating in the program, with a different minister speaking each evening. Brooks Terry, local Church of Christ minister, will speak Friday evening, the announcement said. "Godliness" will be the topic of his talk. The lectures begin promptly at 7:30 p.m.

Scouters Map Winter Program At Monthly Pow-Wow Here Monday Night

In a monthly Scout Pow-Wow, more than 35 scouters of the Northern District of the Comanch Trail Council convened Monday night in the basement of the First Presbyterian Church where proposals centering around the opening date of winter camp and the site and date for the annual winter Scout Camp-oral were discussed.

The group unanimously voted to hold the scout's "get-together" program at Wild Canyons, three miles north of Ranger, beginning Nov. 26. Troops and cub packs from Ranger, Breckenridge, Carbon, Scranton, Eastland, Olden and Cisco were expected to send delegations of scouts.

As to opening date of winter camp held annually at the Council official camp, it was voted by members to hold the four day out-doors program one week following Christmas. Scoutmasters of the various groups represented at the meeting were instructed as to what camping equipment to bring for the 4-day stay; and were advised to prepare a menu as no meals are to be served during the camp activities.

Homer Tooter ask that Breckenridge by the next meeting place for the monthly Scouters' Pow-Wow, and it was voted to meet there January 3. Troop Committeemen heard reports from scoutmasters as to what each troop is atoning to the success of the Boy Scout program in Central and West Texas. Scoutmaster Homer Tompkins of Cisco told committeemen of plans to erect a permanent lodge for scouts of troop 36 and Charles Graham, scoutmaster of Troop 19, Cisco, reported his troop was making preparations to spend a week-end fishing and hiking at Earnest Littson's ranch, north of Cisco.

The Scouters were treated to a family style meal served by the ladies of the Presbyterian Church. Rev. Stuart McRohre acted as Toastmaster for the evening.

Scouters' present at the Pow-Wow included G. A. Reise and Bill Pope of Scranton; D. Masner, J. Arthur, Grady Slaughter, Frank Pellizzari and Homer Tooter of Breckenridge; W. B. Pinkins, J. F. Halloween Spooks Besiege Cisco, Police Report Orderly Evening

Downtown Cisco was the scene for hundreds of masquerading ghosts, gypsies, night raiders and funsters, in general who stormed into the business sector shortly after sun set in observance of day-early Halloween spirit.

The city was held in "siege" for more than seven hours by ghoulish dressed figures who marched up and down Avenue D, soaping plate glass windows, hollering, tooting horns and throwing confetti at unsuspecting bystanders who gawked in amazement at the "goings-on." Later on in the evening, barrels were rolled from behind stores and used in blockading the streets at various intersections.

Halloween parties in homes and churches and other places throughout the city held the attention of many celebrants. Center of Halloween attractions and headquarters for the celebrants was the Lions' Club and Cisco Junior College street carnival staged in the roped off 100 block of West Seventh. Parents of the funsters and on-lookers were entertained by games of bingo, shuffle board and other out-of-door attractions.

In the residential parts of the city, bands of disguised Halloween spooks stalked and prowled the neighborhoods seeking mischief and playing tricks on innocent "victims" caught in their fun raising antics. Many, going door to door playing "Tricks or Treat" were invited in and given assorted goodies already prepared by many of the city's good natured citizens. It was all in the observance of a day strictly devoted to the kids.

Left behind by the spooks' trail were a few broken flower pots, a number of cracked windows, overturned trash barrels, tree stumps, rocks and pipes in the middle of the streets, and a few missing lawn chairs. Early Sunday, several were found tied up on the high school flag pole. City police were kept on a 24-hour vigil, but no complaints of property being damaged or destroyed were reported. Several parties of spooks were told by pa-

Ex-Lobo Coach Elected President College of Mines

Announcement was made recently of the appointment of Dr. Wilson H. Elkins as president of Texas College of Mines in El Paso. Dr. Elkins will be remembered by Ciscoans as "Bull" Elkins, coach and athletic director of Cisco High School in 1932 and 1933.

Elkins was a football star at the University of Texas and a Rhodes Scholar. For the past ten years he had served as president of San Angelo Junior College. He will succeed Dr. D. M. Wiggins who resigned the presidency of the school to become president of Texas Tech at Lubbock.

While in the university, Elkins was quarterback of the strong Longhorn football team, and lettered in basketball and track. He was elected to Phi Beta Kappa for scholarship, and was president of the Students Association.

He received his BA and MA degrees from the university and the B Litt and Ph D degrees from Oxford. He was awarded the Rhodes scholarship while coaching in Cisco, and upon completion of his work in England he returned to the University of Texas as instructor. In 1938 he became president of San Angelo Junior College.

Elkins is married and has two daughters. They have moved to El Paso where they will make their home.

Cisco's Mighty Midgets Defeat Eastland "Dogies" Monday Night

Coach "Pop" Garrett's Mighty Midgets from Cisco Grammar School unleashed a powerful driving attack that enabled them to rope, tie and brand the "Dogies" from Eastland Junior High School at the Eastland football stadium Monday night. When the smoke and dust had cleared away the score board read 12 for the Midgets and a big goose egg for the Eastland boys.

Eastland won the toss and chose to receive. Cisco elected to defend the north goal and with the wind to their backs kicked the Dogies who received the ball on their 20 yard line. In three successive thrusts at the Midget line they failed to gain a first and were forced to punt. On successive downs the Midgets worked the ball to the 28 yard line, and from there Cowan bulldozed his way across the double stripes. The try for extra point was stopped short of the goal.

Eastland threatened once in the first quarter when Hill returned a kick to the Midget eight yard line. Four tries failed to gain a yard and the Cisco team took over on downs. Late in the fourth quarter Eastland, who gained possession of the ball when the Midgets failed to make a first and were forced to punt, resorted to an aerial attack only to see it backfire. Hill passed to Meroney who received it on the Midget twelve yard line and ran it to the seven where a hard tackle forced the ball out of his hands. An alert Cisco team recovered. On the first down from scrimmage, Black, following fine interference, sidestepped through the clear to travel 93 yards to the enemy goal. The closest man to him when he crossed to score was some 15 yards back. The try for point after TD was again short of the goal. The game ended shortly after the sensational scoring sprint.

Hill was outstanding for the Eastland team. He carried his weight through the line with tremendous speed and drive. The entire Midget team played like veterans and held the Eastland boys to four first downs and 93 yards while they were piling up 10 firsts and 197 yards. The running of Black and Cowan and the blocking of Jones and Walker contributed much to the win and the fine work of the entire line held the Eastland boys at bay for the evening. The line charged fast and low; they threw vicious tackles and were

outstanding for the entire game. The line was made up of Reynolds and Brankenhofer at ends; Stone and Notgrass at tackles; Seabourne and Culpepper at guards and Moseley at center.

Hardin-Simmons Opens Four-Week Home Stand

ABILENE, Nov. 1—Hardin-Simmons Cowboys will open up a four-week home stand Saturday afternoon when they take on the highly-regarded Oklahoma City University Chiefs in Abilene City Park Stadium.

The Cowboys, who have played their first four 1948 games in four states, will be performing for the first time this season before a home crowd.

The powerful Chiefs will roll into town intent on pasting a victory on the Cowboys; to spoil the latter's home opening in the first four games the Chiefs walked away with victories over North Dakota, North Texas, Hardin and Youngstown.

The Cowboys, on the other hand, will be out to preserve a post-war perfect record at home. In nine home games, since resuming football in 1946, the Cowboys have registered nine victories, including wins over Texas Tech, Arizona, Kansas State and New Mexico.

Hardin-Simmons will again rely on the services of the ace Cowboy ground gainer Wilton (Hook) Davis, to lead the attack against the Chiefs. Davis, who led the nation's ball carriers with 1,173 yards from scrimmage in 1947, picked up 428 in the Cowboys' first three 1948 games, an average of 141 yards per game. The sophomore Cowboy halfback has traveled 1,04 miles in his first collegiate games.

Other stalwarts who are slated to help the Cowboy cause in their first home game of the 1948 season are All Conference selections Bob McChesney, end; Strawberry Rowan, tackle; and a second team all conference selection at tackle Leon (Speed) Cooper.

The Cowboys are scheduled to play three other home games in November: against West Texas November 11; Tempe State of Arizona, November 20; and Texas Tech in the Cowboys' homecoming contest, November 27.
