It's enough to take the starch out of you!

Makes you think your backbone's made of seaweed . . . this uncomfortable feeling that you're not saving any money for the future not getting ahead.

But why shake in your shoes when you think about not having the money you'll need in later life?

Start accumulating those U.S. Savings Bonds right now. They're the best little backbone stiffeners we know of!

There's nothing like a Bond in the hand to help you stand up and look the world in the eve. And you'll be clutching a fistful of them before you know it, if you enroll right now in your company's Payroll Plan.

That's the sure way to get hold of a batch of this starch for the spine!

And think of it - in ten years you get back four dollars for every three you invest . . . in the safest investment in the world today.

What's good for you is good for your country. too. Every Bond you buy helps keep our economic system on an even keel.
