

Baptists Launch Building Campaign

Plans Call For  
Early Erection Of  
Education Dept.

Officers and members of the First Baptist Church Sunday launched a drive to raise funds to begin an extensive building campaign which calls for the early erection of an educational building on the lots just west of the church building. The lots and houses were purchased over a year ago and the long range plans were approved. The two houses will be sold and moved from the lots and the building committee hopes to raise \$3,000 from the sale. The fund was started by the setting aside of \$3,779.20 of the church funds of the building. This was augmented by cash, bonds and pledges in the amount of \$5,303.56 Sunday when the plans were announced at the morning service of the church. They expect to spend approximately \$26,000 on the first part of the educational building, construction of which is expected to begin early in 1949. The ground floor of the building will be completed under the present plans and the second floor will be added when the demand arises. The foundation and walls will be constructed to take care of future additions. The plans call for the moving of the nursery, cradle roll and beginners departments to the building, and the rooms vacated will be used to give much needed space to other Bible School classes which are overcrowded. Four rooms of the new building will be used for the nursery and cradle roll department and will accommodate 60 in that age group. Two rooms accommodating 60 children will be used for the beginners. A completely furnished reception room will be a part of the new structure and will provide needed space for the mothers of the babies. Proper sanitation will be provided for each department and electrical bacteria killing lamps will be in stalled to further protect the babies in the nursery. The heating and cooling systems will be installed during the construction of the building, and will be so installed that complete safety to all in the building will be assured. The First Baptist Church recently adopted a budget for 1949 in the amount of \$33,300 to carry forward it's work. The funds for the construction of the educational building is in addition to the regular budget, which will be subscribed next Sunday.

Jaycees Sponsor  
Xmas Lighting And  
Offer Prizes

The local Junior Chamber of Commerce today reminded all residents of their Christmas lighting contest and urged as many as possible to participate in an effort to beautify the city during the holiday season. Prizes in the amounts of \$15, \$10, and \$5 will be given for first, second and third place winners, president Ronald Rhodes said and judges will be selected from neighboring cities to judge the winners.

Eighteen Year Old  
Youths Eligible  
For Marine Corp

The Marine Corps is still enlisting young men for a one year tour of duty, Master Sergeant William L. Poole, Marine Recruiter at the Eastland County Courthouse announced today. Quotas for regular 3 and 4 year enlistments are being filled early in the month but the regular Marine Corps still has some openings for eighteen year olds and ex-Marines. From 4 to 9 months of formal schooling are being offered to one year enlistees in the Marine Corps. Service school facilities and quotas in both ground and aviation fields have been increased to allow a high percentage of young men to receive specialist training. These young leathernecks will receive 10 weeks of basic training under the guidance of the best instructors in the Marine Corps, veteran non-commissioned officers especially trained for this work. Recruits then receive leave and upon return are assigned schools and duty as best suited to the inclination of the young leatherneck. Schools are available in nearly all the fields of civilian and military endeavor such as: Clerical, Engineer, Ordnance Repair, Automotive Repair, Supply Clerical, Photographic, Electronics, Aviation, and Cooking and Baking.

Gun Club Plans  
Annual Election

The Eastland County Gun and Rifle Club will elect new officers at a membership meeting at the American Legion Hut here Friday night at 7 o'clock, according to an announcement today. All members were urged to attend. Retiring officers are C. A. Carberry, president; Weidon Usery, vice-president; W. K. White, secretary; Shy Osborne, treasurer; Charles Cofer, range officer, and Gordon Strawn, instructor. Plans for the coming year's program also will be discussed.

Marines Offering  
Fingerprinting,  
Criminology Courses

The Marine Corps Institute is now offering a course in Criminology and Fingerprinting. More than a thousand Marines are already availing themselves of this course, Master Sergeant William L. Poole, Marine Recruiter at the Eastland County Courthouse announced today. The steady increase of identification bureaus in the United States, some 1370 in the last 25 years, no doubt keynotes the enthusiastic response of Marines to this field of study. An enlistment in the Regular Marine Corps would greatly add to one's experience as he will learn full details on proper guard duties, various weapons and human relationship with men as individuals or in large groups. This is excellent training for either military or civil police work. In addition to the Regular Marine Corps, there are many classes of the Marine Corps Reserve that are eligible for enrollment in the Marine Corps Institute. A visit to your local Marine Corps Recruiting Representative will furnish you with any information you may desire concerning enrollment in the Institute.

Economic Advisors

Dr. Edwin G. Nourse, Chairman of the Council of Economic Advisors, has been placed in charge of a project to combat inflation by President Truman. Dr. Nourse will head a group of cabinet members and devise a "definite program." This program is to be submitted to the 81st Congress. (NEA Photo)

Former Cisco Woman  
Called by Death

Word was received by relatives in Cisco and Eastland of the death of Mrs. Sammie Patterson Britton, wife of the late O. C. Britton, who passed away in Winston-Salem, N. C., on November 28, after lingering illness. Funeral was held in Winston-Salem and interment was in Cameron, N. C., beside her husband who preceded her in death several years. Surviving are her children, Mrs. O. L. Thomas of Winston-Salem, N. C.; and her sons, O. C. Britton Jr., of Durham, N. C., and Jack Britton of Long Beach, Calif. A brother, Judge B. W. Patterson, Eastland; two sisters, Mrs. W. E. Warren, Long Beach, Calif., and Mrs. C. S. Karkalits, Eastland. Deceased was born in Cisco, and was the youngest daughter of the late Mr. and Mrs. John F. Patterson. She grew to womanhood here and was married to O. C. Britton, founder of Britton Training School, while a student at Baylor University, Waco.

FOOTBALL FILM  
VIEWED BY STUDENTS

Students at Cisco Junior College reviewed the Texas Military College-CJC Wrangler football film today at the regular Wednesday hour assembly. The filming of the season's finale was made possible through the efforts of the college athletic department and Howard Rogan, student photographer.

At a time when China is in desperate straits and Madame Chiang was leaving San Francisco for Washington to plead the case of China; a painter at the Texas Engineering and Manufacturing Co.'s plant a Grand Prairie, Texas, puts the finishing touches on the Chinese Air Force "rising star" as one of the 95 P-51 Mustang Fighters is overhauled for shipment to China. The planes are flown from Randolph Field to the plant, are then overhauled and crated for shipment to China.—(NEA Telephoto).

Mrs. Harmon Spencer Auguste, socialite wife of a New York stock broker, points to the finger from which, she reported to police, she lost a \$22,000 diamond and platinum ring at the opening of the Metropolitan Opera in New York City.—(NEA Telephoto).

Sale of Christmas Seals to Fight  
Tuberculosis in Texas is Begun

The forty-second annual sale of Christmas Seals to finance the fight against tuberculosis has been opened in Texas and will continue through Christmas Day. The sale is conducted by the Texas Tuberculosis Association and its affiliated locals to finance a program of health education, case finding, research and other activities to meet the health needs of the community. In Texas during 1947 TB killed 2,744 people. This is 44 less than died of the same disease the previous year. Since 1940 the Texas death rate from TB has been decreasing at much more rapid pace than for the United States. The rate for the Nation is 20 per cent as compared with 31 per cent for Texas. This means that 2,200 Texans are living today because of tuberculosis controls. TB can be eliminated by public action, the association said, and the way to be assured of continued work is to participate in the sale of seals.

Summons Guardsmen  
For Meeting Here

Cisco National Guardsmen were urged today by Captain O. O. Odum, battery commander, to attend the regular Wednesday night meeting at the Cisco Junior College armory. Inspection and dismantled drills are to be discussed, the announcement stated. Boys reaching the age of 18 are still acceptable to the ranks of the National Guard and applications will be received at the local Chamber of Commerce. The meeting will begin at 7 o'clock.

The hunt is not a lottery. You don't have to buy anything to take part in it. All you have to do is obtain a ticket and be here between 6 and 9 p.m. Monday. To add Yuletide color to the situation, the city's Christmas lights and decorations will be turned on for the first time Monday night. Store windows will be trimmed in the Christmas theme, and a good time is planned for all.

Highway Patrol  
Training School  
Begins on Dec. 1

According to Colonel Homer Garrison, Jr., Director, Department of Public Safety, Austin, the fourth recruit training school of the Texas Highway Patrol, as authorized by the last Legislature, will start Dec. 1, 1948, with 83 students in attendance. One more recruit school will be held for approximately 20 or more men, beginning about April 1, 1949, and examinations for these positions will be given in February at the following District Offices of the Texas Highway Patrol: Austin, Abilene, Uvalde, Tyler and Fort Worth. The patrolmen for this final school will be chosen at the above places and later brought to Austin for training. Chief W. J. Elliott, Texas Highway Patrol, Austin, states that the qualifications for these recruit patrolmen positions are: must be between 21 and 35 years of age; must be at least five foot eight inches tall, without shoes, and must not weigh less than two pounds per inch of height no more than three and one-half; must be of excellent moral character; must be physically able to pass rigid examination; must have a high school education or the equivalent; and must have been a resident of the State of Texas for one year or more. He also states that he has a large number of applications now on file and that he will be glad to hear from those having the above qualifications who are interested in this type of work.

Job Advice Will  
Be Given in Talk

AUSTIN, Nov. 30.—Seniors at the University of Texas will have no worries about job-seeking if they follow some voluntary advice offered by experts. Paul W. Boynton, employment manager for Socony-Vacuum Oil Company will speak at the University December 16 on "Six Ways to Get a Job." He has had long and wide experience in recruitment of personnel, technical and non-technical, and has interviewed more than 75,000 individuals during his career. His talk is sponsored by the College of Engineering but will be open to all seniors and others interested in attending. Boynton's talk will be the second of that nature, Acting Dean Bryon E. Short said. The College of Engineering is trying to give graduating classes useful information on job-seeking and selection.

Organized Reserve  
Corps Units Will  
Pay For Training

AUSTIN, Dec. 1.—For the first time in the history of the United States Army, some Organized Reserve Corps units will receive pay for their training meetings. Colonel Oscar B. Abbott, senior Army instructor for the Organized Reserve in Texas, announced here today. All elements of the Organized Reserve that are in the 16 Division Striking Force, all units of the 90th "Texas Own" Infantry Division and the 22nd Armored Division will be paid for their training meetings which they have held or will hold in the period October 1st through December 31st, 1948. Higher headquarters has advised that there may be additional OR units added to the above named units during the period January 1st through March 31, 1949 if present estimate of expected expenditures of funds is substantiated. Each OR unit has been assigned a training category which allocates the number of training meetings that will be paid. There are also regulations where in an average of 60 percent of the assigned unit strength, both officers and enlisted men, must be present at training meeting authorized during each fiscal quarter for the officers to be eligible for pay. Enlisted men participating at the meeting will be paid regardless of the attendance percentage. "This is big news for the Reserves," Colonel Abbott said, "and it certainly marks a milestone in their organization. It is also a reward for the thousands of Reservists who have given their time, efforts, and patriotism to keep the reserves alive until this time."

DRUNKENNESS CHARGE  
FILED

City police are holding a San Antonio man today on charges of drunkenness in a public place who told officers he was an ex-Navy veteran. He was arrested by city officers Rube Calloway and James Schlepfer Tuesday night. City police are holding a San Antonio man today on charges of drunkenness in a public place who told officers he was an ex-Navy veteran. He was arrested by city officers Rube Calloway and James Schlepfer Tuesday night.

Prize List Growing For Treasure  
Hunt Scheduled Monday Night

Merchandise prizes worth several hundred dollars will go free to residents of the Cisco trade territory in the big Treasure Hunt next Monday night, according to a survey of plans for the big event. The Treasure Hunt will be a feature of an Open House at the city's retail stores in downtown Cisco from 6 to 9 p.m. Monday. In addition, old Santa Claus has notified civic leaders that he will make his first visit of the season to Cisco during the evening. Various stores are contributing gift items for the Treasure Hunt. These prizes are worth at least \$5 and will be on display in the store windows. All anyone has to do to enter the hunt is to obtain a numbered ticket from the Daily Press. Then, you look over the windows and try to find a number that matches the one on your ticket.

The Gay  
Philosopher

Copyright New York Graphic Society  
By J. W. S.

EVERY ONCE IN a while we read a story that makes us feel good—makes us realize there are some very fine people in all parts of this big world. Consider, for example, an Associated Press story that Mr. Shy Osborne handed us. It follows:

SEOUL, Nov. 25.—When Korean rebels seized Suncheon last month they executed many Loyalists. Among those shot were YMCA Secretary Sohn Tong-in, 24, and his younger brother, Sohn Tong-shin, 19. The latter was shot when he refused to leave the side of his condemned brother. When the Loyalists recaptured the city they condemned the ringleaders of the rebellion to be executed. Among those condemned was Ahn Tehei-sun, 24, a Communist accused of killing the two brothers. The father of the two Loyalists, the Rev. Sohn Ryang-won, interceded in Ahn's behalf, contending the young man did not know what he was doing when he joined the rebels. He asked that Ahn be placed in his home to take the place of his two sons.

WAA Completes  
Surplus Sales  
In Southwest

War Assets Administration today rang down the curtain on the largest merchandising program the Southwest has ever known, exactly on schedule. The five state region with headquarters at Grand Prairie, Texas, having sold approximately \$662,000,000 in two and a half years, is "out of business" as far as personal property is concerned. Col. Karl E. Wallace, regional director said. This \$662,000,000 represents original cost to the government. The disposal agency reported a return of 34 percent. This means, the regional director announced, that there will be no more "bargain" sales by the government of war surplus personal property within the jurisdiction of the Grand Prairie office. Remaining to be disposed of between now and February 28, when the disposal agency is scheduled to go out of existence is some \$500,000,000 in real property, surplus was plants of one type or another. Of this \$125,000,000 is on long-time lease. "We do not expect to make a clean sweep of the real property, but we do expect to dispose of a considerable portion in the time remaining," the regional director said. The disposal agency came into being on March 25, 1946. Since then the Grand Prairie office has disposed of the more than \$662,000,000 in surplus war goods not including real property.

BUCKS-SCOTS PLAY IN  
DALLAS FRIDAY

The Bi-district playoff between the Breckenridge Buckscops, winners of Dist. 9AA and the Highland Park Scotties will be staged at Dallas, Friday night. It was learned here today. Officials of both schools met here during the annual Thanksgiving Day battle between the Cisco Loboes and the Bucks to discuss plans for the forthcoming event. The Scotties are the winners of 8AA.

Army, Air Force Issue Call For Trained Nurses

AUSTIN, Dec. 1.—The Army and the Air Force has announced that they are short 3,800 nurses in military hospitals, Colonel Oscar B. Abbott, Senior Army Instructor for the Organized Reserves in Texas, announced here today.

The American Nurses Association is cooperating with the Army in stimulating the procurement of professional nurses on extended active duty.

The Army has asked the American Nurses Association, largest professional organization of nurses in the country, to prepare a plan for procuring nurses on a quota basis by states in order that no area in any part of the United States will be stripped of its nursing force.

Any professional nurse wishing to join the Army Nurse Corps will be required to serve a tour of duty of at least one year. She may request an extension of her time of service within the last six months of her tour of duty but she cannot reduce the time.

It was also announced that a 10-day refresher course will be given at the Air Evacuation School, Randolph Field, Texas, January 16-26 for graduate registered nurses under 35 who have had the flight nurse course.

Accepted applicants will be ordered to active duty for the

Civil Service Has Openings for Student Aides - Storekeepers

Examinations were announced today by the U. S. Civil Service Commission for filling positions as student aid (trainee) and storekeeper (general) in the Washington, D. C. area.

The Student Aid examination will be used for filling trainee positions, paying \$2,498 and \$2,724 a year, in the fields of engineering, chemistry, mathematics, metallurgy, physics, meteorology, and geology. Most of these positions are located in various Federal agencies in Washington; however, trainee positions in meteorology in the offices of the Weather Bureau are located in Washington and throughout the United States.

10-day period with full pay and allowances for the grade they hold in the Reserve Corps.

Uncle Sam Says

Your Uncle Sam wants to tell you about a Christmas gift you shouldn't be without. That's the gift of security, of confidence in your financial future, of that peace of mind that only comes when money's not a problem, but a blessing.

## MRS. J. J. HUNTER HONORED BY CHILDREN

Honoring Mrs. J. J. Hunter of Midland who is spending the winter in Cisco with her daughter, Mrs. Raby Miller, her children and grandchildren assembled here Sunday for a family reunion which was held in the Miller home at 500 west Eighth street.

The house had been beautifully decorated for the occasion with flowers from the garden which were placed artistically about the rooms. On the mantel was a vase of rose buds in various hues; the piano held a bowl of pretty bronze chrysanthemums; and the dining table centerpiece was an arrangement of poinsettia mums and full blown yellow mums. In Mrs. Hunter's room was a large white vase filled with orchid mums and on her dresser stood an antique satin glass vase of pink and orchid snapdragons. The bed room adjoining held decorations of red and white chrysanthemums and bronze mums were used in other bed rooms.

Mrs. Hunter's children are Mrs. Mary Dohoney of Dallas;

## Parents Announce Approaching Rites

Mr. and Mrs. J. E. Norris of 609 west Ninth street announce the engagement and approaching marriage of their daughter, Louise, to Mr. William (Bill) C. Kerr of Midland. The wedding will take place on Friday, Dec. 31.

## WMS Reception Held in F. D. Wright Home

Honoring ladies of the church who have recently moved to Cisco, the Women's Missionary Society of First Baptist church met for a Fifth Tuesday social Tuesday evening in the home of Mrs. F. D. Wright. The house was made gay with lovely fall cut flowers and potted plants which had been placed in artistic arrangement about the rooms used for the occasion. Guests were met by Mrs. Wright, Mrs. W. V. Gardenhire

## FLAMES DESTROY YACHT

Just off shore from Atlantic City, N. J., flames pour from the \$125,000 yacht "Tennessee" owned by retired industrialist Henry G. Fownes of New York. A Coast Guard craft is towing. Six persons, including the owner were rescued when flames destroyed the ship following an engine room blast.—(NEA Telephoto).

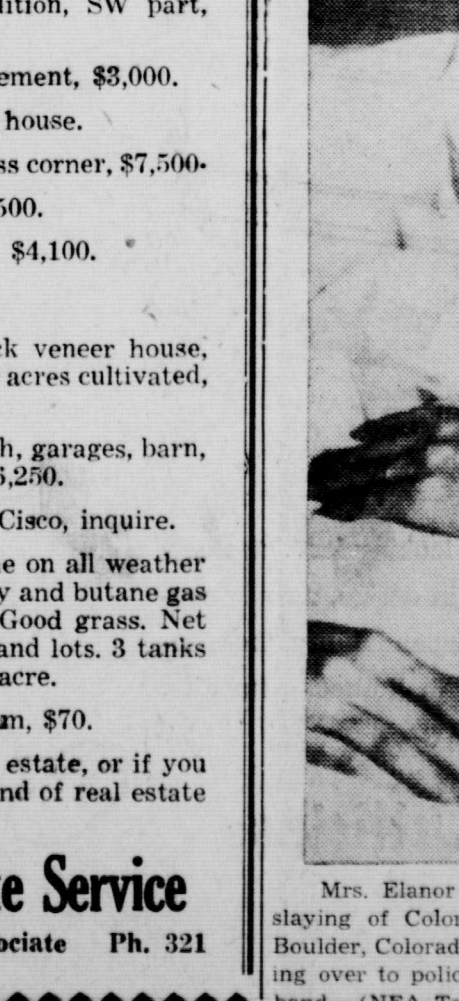

and Mrs. M. M. Tabor and were directed to the table where Mrs. Otis Strickland was in charge of the guest book. After registering their names the group was invited into the dining room for refreshments. A blue and white color scheme was carried out and the table, covered with Madera linen cloth, was centered with a beautiful arrangement of white chrysanthemums flanked with tall blue tapers in silver candle holders. All table appointments were of silver. Mrs. T. E. Lisenbee poured tea from a silver service at an end of the table; and a plate with sandwiches shaped as Christmas trees, cookies and mints was served to each

## 4-H Club Leadership Winners
