Eastland County Recruiting Station Makes 1948 Quota

The Eastland US Army and US Air Force Recruiting Station obtained 100 per cent of the assigned enlistment quota for 1948.

About 73 per cent of the total were first enlistments for 1 to 6 years. A majority were for 3 years in the Army, after the Air Force cut its quota in July.

Since opening in December 1945, the station has accomplished the enlistment of over 500 young men in the Regular Army and Air Force. Eastland, Stephens, Shackelford, and Callahan Counties are served by the Eastland station.

The Eastland Recruiting Station is manned by S. Sgt. James Hendrick, who joined the organization in January 1946 and Sgt. Bob Collins, who re-enlisted and joined in February 1948.

Shook, now a senior student at Texas Tech in Lubbock, is a former graduate of Cisco High School and was a member of the "early 40's" reputed Lobo band. He was an outstanding snare drummer.

After his reunion with Corporal Carswell, who is home after serving three years with Army's medical corp, young Shook will return to Lubbock in time to meet Monday morning classes. He is the son of Mrs. Murle Shook.

Lobos in Brownwood Today to Play Initial Game in H-Payne Tournament

With a line of victories sheilded to the background, Cisco's high school cagers will move to Brownwood today to test a ramrodding Burkett High quintet in the elimination rounds of the annual basketball tournament of Howard Payne College.

Round one flights will commence play Thursday afternoon and will carry championship finals into Saturday. More than 16 teams have entered the post-holiday event, including quintets from Brownwood, Lubbock, Gainesville, Big Spring and others.

A squad of eight basketballers from here will compose Coach Buck Overall's traveling team which is scheduled to leave Cisco at 1:30 Thursday afternoon. Upon reaching the Howard Payne campus the Lobos will be allowed approximately two hours to warm-up before the tourney gets underway, officially.

Bright as their season has been thus far, the Lobos will go into the game with two strikes against them. The locals are matched with a team that knows no other sport better than basketball. Although Burkett is somewhat smaller in size than Cisco, its athletic department utilizes the training of basketball the year around.

Perhaps the most troubling factor hampering the Ciscoans at Brownwood will be the absence of their ring leader and backbone of the team—Durwood Smith. The towering forward, who is out with a bad knee, has been instrumental in winning many a contest that could otherwise have slipped the other way. And too, Hub Harwell will be on the sidelines because of illness.

In to replace the crippled starters Overall has given the nod to George Watts and Joe Ed Bacon. James Porter and Stan Sharp will be used as replacements.

Cisco, minus Smith, will not floor as tall a team as they have in previous games. Only three lettermen, Dean McDaniels, Ray Ryle and Donald Kent, will be in the starting lineup.

Twice daily workouts in the high school gym have given Coach Overall some time to iron out the bumps and work on defense.

Should the Lobos win the match over Burkett, the squad will return to Brownwood Friday afternoon to oppose the winners of Thursday night's match. "In our game against Burkett," said Overall, pessimistically, "we will have a very slim chance."

Local National Guard Officer Tells Rotarians Importance of Unit Here

Rain and Snow Aid Wheat And Pasture Prospects

Farm and ranch work came to a virtual standstill during the week as crop harvest neared completion and Christmas festivities took precedence. Exceptions were active harvest of winter vegetables and citrus fruits, necessary handling of livestock and regular farm chores. Small grains, winter cover crops, and gasses responded favorably to recent rains in Blackland and east Texas counties while moisture reserves in extreme northern Panhandle counties remained sufficient for fair progress of wheat. Moisture in the form of light rain and sleet received over the week end in the Trans-Pecos and western Plateau areas also improved prospects for winter weeds and grasses.

In the remainder of the State, particularly in the Low Rolling Plains and southern High Plains, the effects of the extended drought continued to become more critical. Growth of wheat in these dry areas was at a standstill and stands were being reduced. Furthermore, considerable quantities of dry seeded wheat were yet to be germinated and it was becoming likely that some of the intended acreage may not be seeded. Except for limited areas the entire State was badly in need of general rain.

Small grain pastures, clovers and rescue grass made good growth over most of the eastern half of the State early in the week as mild humid weather prevailed. However, colder weather that moved across the State on Christmas Eve checked growth of that much-needed new feed. Wheat pasture in the important Plains area was supplying only a limited amount of grazing and near-freezing temperatures in the northern counties and insufficient moisture in southern counties held new growth to a standstill. Light rain and sleet supplied moisture in most Trans-Pecos counties, but additional rain and warmer weather is needed to stimulate growth of winter weed and grass in that area. Dry grass was short over the entire State except in some extreme southern counties and some northern High Plains counties. Supplemental feeding of cottonseed cake and roughages was widespread.

Mrs. W. L. Hickey enjoyed Christmas visits of her two daughter and their families, who arrived to spend the holidays. The visitors were: Mr. and Mrs. R. E. Brautigan and small daughter, Carol of Dallas; Mr. and Mrs. W. B. Steinman and children Sonny and Sue of Henrietta; Mr. and Mrs. Joe Tullis were hosts to the group on Christmas day and other guests who were Mr. and Mrs. Merle Wiggs and daughter, Patsy of Cisco.

Mrs. Hickey is a sister to Mrs. Joe Tullis and has made her home with them for a number of years.

Rubdown For Sun Bowl Runner

Paseno was the only one of nine runners who finished the race. His enroute time was 45 hours. (NEA Telephoto.)

Captain O. O. Odum, commander of the (361st) National Guard artillery unit here addressed members of the Cisco Rotary Club at the noon-day luncheon Thursday held in the junior college cafeteria. Introduced by Leon Maner, Captain Odum emphasized, in a 39-minute talk, the importance of maintaining the National Guard unit in this city.

President J. E. Froctor, who presided over the luncheon, made several comments concerning the forthcoming January banquet before turning the program over to Rotarian speaker, J. J. Calaway who will be in charge of the approaching affair, it was announced.

Before entering the main phase of his talk "The New National Guard," Captain Odum, former B-17 pilot who survived after escaping from a German prison, discussed the growth and development of the local artillery unit since its charter in August.

"Enlistments are on a gradual increase," he said, "since the new draft act will be affecting now graduating seniors of high school. Most of our 41 enlistees are between the ages of 17 and 20 years, with few remaining above the average bracket."

He pointed out that the National Guard plays an important part in the preparedness program. It is the perfect plan for young boys who are attempting to continue their education in college. Later on, a Guardsman, if called upon, can skip over army previews and be in battle fitness in a short time, he explained.

Most interesting part of his speech the description of the 155 millimeter howitzer assigned to Cisco recently. The howitzer, capable of projecting a 6 inch shell one to nine miles, will be used for training purposes. Self propelled guns are on the list for the artillery, Rotarians learned.

He made a plea at the conclusion of his address for support from local organizations in boosting enlistments. The unit lacks some 45 guardsmen before full equipment can be issued. More than \$200,000 of equipment has been received so far and at the end of the year a payroll of \$35,000 will be paid out to guardsmen.

Visitors to Thursday's luncheon included F. B. Altman of Abilene and Claud Brown of Puley. Both are Rotarians.

PRESEBYTERIAN GROUP HAD EVENTFUL DAY

Ushering in the New Year, Juniors of First Presbyterian church enjoyed a pre-New Year party and celebration Tuesday on which they were chaperoned by their sponsor, Mrs. B. S. Huey. As the group is entering the "grown-up" stage they left in a body by train for Eastland, boarding the "Eagle" at 1:20. While on board they were courteously shown over the train in which all modern equipment has been installed. The radios were heard, the diner and on to the Pullman cars were inspected by the children who appreciated the opportunity to see the train.

When they arrived at Eastland they went into the park and ate their lunch. They made a trip to the court house after lunch where they took the elevator and went to the top of the building. They saw the notorious "Old Rip" while there. Going on to a nearby drug store, they were joined by two couples from Cisco Mr. and Mrs. Sutton Crofts and Mr. and Mrs. Bill Donohoe. Mr. Crofts was host to the group for refreshments after which they returned home rejoyicing a splendid and eventful life.

Those going with Ms. Huey on the trip were: Dot Crofts, Patsy Donohoe, Nan Earl Hill Diana Waters, Dash Crofts, Kenny Dietiker, Bob Garrett, Ted Waters Jr. and Ronny Qualls.

Word received by Mrs. Sam P. King, states that her sister, Mrs. Ruth Rhames who spent four months in Cisco while recovering from injuries received in a car wreck, is now able to be back at her work in Brenham. She expressed gratitude for many kind acts and invitations of Cisco people while she was here.
