Views of Damage Done by Ice Storm in Cisco

Upper left picture shows broken telephone poles along East 6th Street at Avenue A in Cisco. Upper right shows ice coated trees and broken utility lines. The picture was taken on West 13th St. The picture at the right shows extensive damage done to trees at the home of Mr. and Mrs. Wallace Smith at 1302 Avenue M.—Photos by Rogan and Burkman. Hundreds of linemen were busy today attempting to restore telephone and electrical service to all Cisco and surrounding area. It was estimated that more than 4,000 poles were down and 60,000 wires broken in the storm area. Rising Star was still without power at noon Friday and special crews were working day and night to aid the stricken city. City street department workers were clearing the streets of broken trees and limbs and scores of truck loads had been removed by noon Friday.

Lobo 'Queens' To Play Scranton At Local Gymnasium Saturday Night

The Cisco High School Lobo Queens will bring their cage battles to the home courts Saturday night when they take on a fast aggregation from Scranton at the Community Center Gymnasium beginning at 6:30 p. m. The game will be played prior to the Lobo-Scranton tilt and fans will see plenty of action.

The 'Queens' have been improving with each game and with added experience will bring their play up to the standard of teams floored by the local school in the 1920s. None of the girls had had previous experience when they donned their uniforms to begin work-outs this season as a part of a well rounded sports program instituted by school officials. They have developed into a well rounded team and are beginning to play like veterans.

They entered the Scranton tournament recently, and despite a one point loss to Moran in the opening game went on to thrill spectators in the consolation fight, losing to a fast Olden sextet in the finals.

The loss to Moran was a heart breaker. The Cisco lasses were ahead for most of the game, only to lose as a result of free throws in the closing minutes. They tangled with Strawn in the opening rounds of the consolation scrap and defeated them before losing to Olden in the finals.

Monte Lisenbee made the all-tournament team at a guard position and other team members received favorable comment from officials.

Saturday night's starters will

George Fox Enters Insurance Business

George Fox of Eastland has announced that he is now affiliated with the Paul Revere Health, Life and Accident Co., and is now attempting to begin his business in Eastland County.

Fox was county treasurer for two years before being forced to resign because of poor health. He recently completed an insurance training course to acquaint himself with all the details of selling insurance.

be much the same as the team Coach Gurney took to Scranton Lometa Achers, Nophlet Sheehan and Dorothy Harlow will be in at forward positions and Pansy Pippen, Ruby Hill and Minte Lisenbee will handle guard assignments. Dorothy Harlow will be playing in the position usually filled by Greta Kay who received an ankle sprain recently. Patsy Denton, Mary Hill and Jessie Warren will be held in readiness to enter the game when needed.

Mr. and Mrs. Goodner Bedford and son, George, came in from Alabama last Sunday and made a surprise visit to Mrs. Bedford's parents, Mr. and Mrs. F. D. Pierce. They were joined Sunday night by Miss Lucille Pierce of Wichita Falls. Olin Pierce of Odessa, the oldest son, was already here with his parents while transacting business in Cisco. Only one of their children, David Pierce of Fort Worth, could not be here with them on the happy occasion. The Bedfords left Thursday for Alabama, and Miss Lucille, who had been detained by the weather, returned to Wichita Falls.

Nine Year Old Girl From Carbon Is First To Give To 1949 March Of Dimes

A fourth grade student from Carbon was the first person in Eastland County to donate to the 1949 March of Dimes campaign, it was announced today by Joe Collins, county campaign director.

Wanda Jean Payne, who is 9 years old, started saving a dime a week in January, 1948, and each week, ten cents went into the savings. On January 1, 1949, she took her savings and made her donation to help in the fight against infantile paralysis.

The committee would like to have more Wanda Jeans in the county. This girl realized what was being done to fight the dread disease and resolved to have a part in waging the fight.

Mr. Collins announced that Friday was D-Day for the 1949 March of Dimes campaign and stressed the fact that the cost of the fight was mounting each year. The county committee was forced to ask the National Board for additional funds to take care

of the costs of treating Eastland County victims during the 1948 epidemic. The funds were advanced against the 1949 collection and the deficit must be made up before any funds remain in the county.

WANDA JEAN PAYNE

The committee asked that all citizens follow the example set by Wanda Jean, and participate in the program aimed at stamping out the dread disease.

Mrs. John W. Ducker, county Red Cross publicity chairman, announced today that March 1 has been designated as the day to begin the annual drive for the American Red Cross. She reported that local drive chairmen will be appointed at an early date and their names will be announced.

The national committee has set a quota of \$6000 for Eastland County, with Cisco, Eastland and Ranger asked to raise \$1,500 each. The remainder of the communities of the county will be asked to raise the balance.

Earl Conner, Jr., has been named chairman of the drive for the county and will announce the details soon.

Mrs. Alice L. Cisco Soldier In France Re-Enlists In U. S. Army

PARIS, France, January 13—Private First Class John G. Honea, if Cisco, recently re-enlisted in the U. S. Army for a period of three years. Private Honea is currently assigned as an Honor Guard at Epinal temporary U. S. military cemetery in the Third Zone of the American Graves Registration Command, European Area, with headquarters at Nancy, France.

The Third Zone of the command is responsible in eastern France, Luxembourg, and Switzerland for the Army's searching and cemeterial operations, and its present program to return to the homeland those U. S. dead of World War II whose relatives so request. In this area were established 11 temporary U. S. World War II Military Cemeteries in which 48,795 American dead were formerly interred.

While carrying out the Army's program to return World War II dead, the Third Zone is assisting in the Command's initial mission of searching the former European Theater area for the remains of U. S. World War II dead buried in isolated graves — 4,913 of which were still undiscovered as of October 1, 1948.

Private Honea completed the parts clerk course at the Army Ordnance General Supply School at Esslingen, Germany, in March, 1947. He was first assigned with the 3204 quartermaster service company, Rheims, France, as a member of the Guard Detachment and remained with this unit until being reassigned as an Honor Guard at Epinal Cemetery in May, 1947.

Private Honea is the son of Mrs. Lora Honea, who resides in Cisco.

Final Rites For James M. Morris Held In Moran

One of the largest crowds ever to attend a funeral in Moran gathered at the Baptist Church at 2 p. m. Sunday to pay their last tribute to James Merilyn Morris, son of Mrs. J. R. Jacks of Abilene, who lost his life in the service in the European Theater.

The remains arrived in Cisco on Friday of last week and were taken to the home of an uncle, Mr. and Mrs. Albert Morris, by the Wylie Funeral Home of Moran, where the flag covered casket lay in state until the funeral Sunday.

Rev. Joe Allen of Merkel and H. H. Garrett of Abilene officiated. A quartet from the Abilene church sang. The church was banked by flowers from relatives and friends.

Pfc. Morris was born Feb. 17, 1924, at Colorado City, and later moved to Moran where he attended public schools. He enlisted in the army in March, 1943, and arrived overseas July 12, 1944. He was killed Dec. 21, 1944, at Bastogne, Belgium, while serving in the 35th Engineers.

Hundreds attended the re-burial in Moran cemetery where a military funeral service was held by the American Legion of Moran, E. F. Pettit Post No. 348.

Survivors include the mother, Mrs. Jacks, and one sister, Mrs. Mary Weir, Amarillo.

Palbearers were: Jimmy Mitchell, Manny Mitchell, Harold Jene Morris, Corky Morris, Gale B. Weir, and Grafton Bumpers.

Rotary Club Banquet Speaker Issues Plea For Informed Public Opinion In Combatting Spread of Communism

"An informed public opinion is the only way to make the United Nations succeed and to combat Communism," Grover Hart, prominent East Texas attorney and former member of the Texas Interscholastic League, told some 100 Rotarians, teachers and guests at the club's "Teacher Appreciation" banquet Thursday night at the College Cafeteria.

"One way to get these things before the American people is to begin at the very roots of civilization and teach them in the public schools everywhere," he continued. He explained that he had been asked to write a text book on the subject and that it was almost ready to go to press.

He said that the workings of the United Nations Assembly and its numerous duties and undertakings. He explained that the Charter was built around National Sovereignty and detailed the workings of what is commonly called the "veto power."

"Shall we expell Russia as a means of obtaining unity in the Assembly?" he asked the group, and went on to answer the question. He said that the expelling of Russia would defeat the purpose of the organization because it would kill all hopes of unity and world peace. "Had it not been for the squabbling of the delegates to the Assembly, and the letting off if steam in the meetings the world would now be engaged in the Third World War or lining up nations to fight the war," he said.

His talk was the feature of the program designed by Rotarians to pay tribute to the teachers of the community who sacrifice much in an effort to train the children to become better citizens and leaders.

Rotary President J. E. Proctor opened the meeting by welcoming the guests. He expressed the appreciation of the club for the work the public school teacher is doing. Dr. Claude P. Jones, minister of the First Methodist Church, delivered the invocation.

After dinner, which was served by Mrs. Clayton, manager of the College Cafeteria, Mr. Proctor called on Ernest Hittson to introduce a part of the program. He presented Miss Renabel Bible, who gave a vocal solo. She was accompanied by Miss Betty Brogdon. J. J. Calloway introduced the speaker.

Mr. and Mrs. C. A. Williams are visiting at Quanah with relatives where they have made a longer visit than they had planned due to the weather.

Why are the windows on this barn like U.S. Savings Bonds?

Way back, when your grandfather was still very young, Pennsylvania farmers were doing a very strange thing.

They were painting the windows of their cow barns with ornate scenes of meadows and fields--sometimes they would even paint lace curtains on the windows.

All of this was done so that the cows inside the barn would be shut off from the bother and confusion of the outside world. They would see nothing but peace and contentment.

And it came to us that U.S. Savings Bonds are very much like these painted windows.

For Savings Bonds stand between you and financial worries. They assure you the peace and contentment of knowing that you have money on hand to meet future emergencies, hospital bills, and children's education.

And buying U.S. Savings Bonds is as easy as painting a barn window. For today, it can all be done automatically through your employer or local bank.

They do all the work for you. But it's you who collects the \$4 on every \$3 you invest in U.S. Savings Bonds. So right now, today--ask your employer or bank about the automatic way to buy U.S. Savings Bonds.

Automatic saving is sure saving--U.S. Savings Bonds

**CHARLES S. SANDLERS CELEBRATE SILVER WEDDING ANNIVERSARY**

On New Year's night Mr. and Mrs. Charles S. Sandler entertained a group of relatives and intimate friends at the Cisco Country Club, celebrating their 25th wedding anniversary. All attendants who took part in their wedding 25 years ago were present with the exception of one person. Pictures were made of those present who were in the bridal party of the original wedding, of the Goldberg family and of Mr. Sandler and his brothers. Guests were welcomed by a receiving line composed of Mr. and Mrs. Sandler; Mrs. M. E. Goldberg, mother of Mrs. Sandler; and the six sisters of Mrs. Sandler who are as follows: Mrs. A. B. Sandler, Mrs. Harry Shapiro, Mrs. Ralph Gillian, Mrs. Nyman Shablum, Mrs. L. B. Krupp, and Mrs. Joseph Funk. They were then directed to the table where Miss Joan Sandler, niece of the hosts presided at the guest book.

The hall was beautifully decorated for the occasion, carrying a silver and white theme. As the guests entered, they observed the huge fire-place emitting cheerful warmth and sending forth a beautiful glow which gave added radiance to the scene. The mantel above was banked with silver and white foliage interspersed with electric candles. Candelabra holding lighted candles were standing on either side of the fire-place. The two refreshment tables each held as a centerpiece a pretty arrangement of silver and white foliage placed on a reflector where the names of Mr. and Mrs. Sandler were inscribed. They first held the names, "Charles and Netta—1924"; the second table, holding a similar centerpiece and the names Charles and Netta—1949. Tall white tapers also on the reflector gave completeness to the centerpiece. Finger-tip refreshments were served.

Mel Sandler and his band from Texas University, The Mel-Tones, were present and furnished music throughout the evening. The first number An Anniversary Song, was dedicated to his parents.

Members of the group taking part in the original wedding in Sandler, Mrs. M. E. Goldberg, cluded the hosts, Mr. and Mrs. Sandler, Mrs. M. E. Goldberg, mother of Mrs. Sandler; Mr. and Mrs. A. B. ## We're Going to Church

AND A fine resolution it is! Worthy is it of our careful consideration! Every woman and every man in all this country will be a better citizen of his country and a better member of his community if he will follow this example.

THE Church speaks of God and of the eternal things; here serious people meet for the worship of the Highest and for giving thanks to the Giver of all good things to men. It is the symbol of man's preaching of soul for that which abides and for that which links the human with the divine. Just as the soil grows sour and barren if it gets no sunshine, if there is no sky above it, so the human heart must have its heaven if it is to keep sweet and rich and productive of good.

"WE'RE going to church" for our own sakes, because we want to live nearer to the ideal. There we shall have good fellowship with other souls that are questioning for the high and the holy and the true and the good. There we shall bow together before the God of forgiving grace and tell our sins, leaving them on the altar as in penitence we turn from them to walk the better way of good comradeship together. Repentance is a bath that cleanses the soul; consecration is the fire that warms and renews the soul; God is the Comrade and Friend and Saviour of every soul.

"WE'RE going to church" for the sake of the children we love and in high resolution that they shall be given the opportunity to live like the children of God; it is not enough for us to feed and clothe their bodies, for they are persons of eternal value, they are spirits akin to the Eternal God. Together we shall pray and worship; then we shall live helpfully and gloriously. "We're Going to Church!"

**WOW! What An ICE STORM!**

**CAUTION**  
Don't handle fallen wires or wires of any sort.  
Keep away from metal fences or clothes lines near fallen wires.  
These measures will help prevent accidents.

BOY!... Old Mother Nature certainly gave men a terrific beating. The ice storm broke stout wires as though they were strings and snapped sturdy poles as easily as match sticks. We had built strongly, but the excessive weight of ice was too much for even the best constructed lines.

But emergency crews of linemen hopped onto the job, and electric service is being restored as rapidly as humanly possible.

Those linemen are great fellows. They don't like these storms any more than you do—but when needed, they pitch in and work day and night to get your service going again.

They, and all the rest of us at your service company are sorry for interruptions of your electric service. We appreciate your patience and friendly understanding of our difficulties during the storm. Thanks and thanks again.
