Bill Tabor Wins In Abilene Boxing

Bill Tabor of Cisco gained the lightweight championship in the finals of the Abilene Golden Gloves Tournament Monday night by winning a three round decision over Johnny Marlett, Knights of Columbus of Abilene, contender.

The Tabor-Marlett slugfest was pronounced by a keyed-up crowd of more than 2,000 as the best of 19 bouts in the Rose Field House.

Ben White outpointed Wayne Hayes of Cisco Junior College for the middleweight crown and Bill Burk Hart won a TKO over Gene Milner of Cisco, who was obviously outclassed.

Tabor, slugging under the blue and white colors of Cisco Junior College, carried the fight to Marlett in the first round, throwing lefts and rights. The second round turned the other way as Marlett scampered back with Tabor on the defense. The third was fast and furious as both slugged with greater tempo than previously. At the bell's sound both fighters fell on each other's shoulders, and Tabor was pronounced the winner by a unanimous vote of the judges.

Tabor, high school senior here, will attend Hardin-Simmons University at Abilene at the completion of high school studies, it was learned Monday.

John James Haynie Sings In University Men's Glee Club

Urbana-Champaign, Ill., Feb. 2—Appearing in four special concerts next month with the Singing Illini of the University of Illinois will be John Haynie.

The famous men's glee club of 70 voices will be heard Feb. 7 in the Mt. Carmel High School auditorium; Feb. 8, Newman High School auditorium; Feb. 9, Decatur Masonic Temple auditorium; and Feb. 10, Peoria Central High School. All concerts will begin at 8 p. m.

These programs will include both secular and sacred music as well as special selections by soloists and a co-ed sextet.

Directed by Wilbur J. Hoel of the U. of I. School of Music, the Singing Illini have appeared at various state affairs. Recently they sang before Vice President Alben Barkley and Governor Adlai Stevenson at the Bloomington Association of Commerce annual dinner.

The singers broadcast regularly over WILL and WIUC, University radio station, and are in wide demand for appearances both on and off the campus. Fred Waring described the group recently as "one of the finest glee clubs I have ever heard."

Because of crowded classroom schedules, the Illinois singers are restricted to twice-weekly rehearsals. Yet they have attained an enviable reputation, and masterful direction.

Capt. and Mrs. Charles McDonnell and children are visiting in Cisco with her parents, Mr. and Mrs. Joe Coats, while Captain McDonnell is on a 30-day leave. He has been transferred to England and will report for duty there at the expiration of his leave.

Among Cisco members of the First Baptist WMU attending the School of instruction in Eastland Tuesday were Mesdames: W. F. Gardnhire, E. H. Cheves, W. L. Hussey, W. D. Hazel, Otis Strickland, W. F. Walker, Ina Pyle Martin, O. J. Russell, Leo Keelan, W. W. Sawyers, W. H. LaRoque and Miss Willie Frank Walker. The book, "Things We Should Know" was taught by a special worker, Mrs. T. C. Jester.

FIVE DIE IN HOTEL FIRE

Loboes In Jacket Territory Tonight For Second Game; Turner Urges Fans To Follow War Pack To Stephenville

Basketball fever is expected to reach an all-time high in sport circles around about once the Cisco Loboes, back from Brownwood after being smothered under, 65-39, invade the Stephenville Yellow Jackets' nest tonight.

Tonight's headliner will get underway with a slated B-squad match at 6:30 p. m., with the varsity battle following after the preliminaries. Carlos J. Turner, high school principal here, early Wednesday morning urged sports-minded Ciscoans to follow the Loboes to Stephenville. "Coach Overall's boys need the support of every loyal citizen here to boost them on to victory."

Aside from the Brownwood climax, Coach Buck Overall's basketweavers are still rejoicing over last week's sellout cleaning of Stephenville. Weatherford and Breckenridge.

Durwood Smith, angular and militant guard, is the center point of Overall's 5-prong offensive threat. Smith, second leading high point man in the district, gathered a total of 31 points in the Brownwood mix-up.

Donald Kent, who is the shortest man on the team, gained the Jacket's respect here Friday night after pulling of some un-

canny crisp shots and assisting Smith and Ray Rylee in lay-ups.

Dean McDaniels, another Lobo cager, is quite a show himself. His sharp and concealed passing, back and forth, is one factor district foes have learned not to overlook. And the kinney, blonde haired McDaniels is a wizard at foot work.

If the Loboes are successful in overturning the Jackets tonight, the locals can be almost be assured of second place in the district, since Brownwood has already attained first place honors.

Injuries on the part of the war pack have been eliminated for the time and Hub Harwell and others have been pronounced fit for tonight's squabble. Overall as he did in the 3-game home stand, will be counting heavily on Kent and James Porter, a new find for Overall's part, at guard; Ray Rylee and Smith at forward; and McDaniels at center, to carry Cisco's bid for bigger stakes. Squadmen will make the trip.

ON COMMITTEE T. M. Collie of Eastland, member of the House of Representatives in Austin, has been named to the important Appropriations Committee in the House. It was announced from the capital on Tuesday.

Tentative Date For Annual Chamber Of Commerce Banquet Set Tuesday

Plans for the annual Chamber of Commerce dinner were discussed at a meeting of the Board of Directors Tuesday and a date was tentatively set for February 17, it was announced Wednesday by B. A. Butler manager.

The general banquet committee made its report and submitted names selected for work on the various sub-committees. The men were approved by the directors. The new committees will work out the details of the annual affair.

It was decided to make "Cisco Growing" the theme of the banquet — placing emphasis on new industry and business that has come to Cisco recently.

The banquet will be held in the dining room of the new Victor Hotel and since seating capacity will be limited it was de-ferred. The directors expressed regret that the wives would be unable to attend.

Committees appointed were as follows: General Committee — J. B. Pratt, chairman, N. C. Huston, and J. W. Sitton.

Membership and arrangement — Jack Lauderdale, chairman, C. W. Henry and E. L. Jackson. Program committee — Antor

White, chairman, N. C. Huston and O. L. Stamey.

Honor guests committee — J. B. Pratt, chairman, Charles Spears and J. J. Calloway.

Attendance committee — Troy Powell, chairman, Ronald Rhodes and A. R. Westfall.

Committees in charge of the entertainment for the annual livestock show reported that progress was being made and that Murray Cox, newsman and radio announcer, would be present on one of the days and is planning to broadcast from the grounds. Other entertainers have tentatively agreed to attend.

The directors read and passed a resolution expressing its appreciation for the work done by the late Charles J. Kleiner. The resolution which was sent to the Kleiner family, as follows:

RESOLUTION Almighty God, in His Infinite Wisdom, having called from this life Charles J. Kleiner, whose sterling character, council and civic spirit will be sorely missed.

Be It Resolved that the Board of Directors of this Chamber of Commerce extend to the bereaved family its condolence and express its appreciation of the great contributions of this good man to the growth and prosperity of his community and the welfare of the people among whom he lived. It is the conviction of this body that these contributions will remain as memories of good influence long after him.

It is directed that a copy of these resolutions be given the family, a copy furnished the press and the text thereof be spread upon the minutes of this organization.

Noted Humorist To Address Zone Six Lions Monday

Arthur (Art) F. Briese, humorist, writer and Public Relations Counsellor of Hot Springs, Arkansas will address members, ladies and guests of the Zone Six Lions Club annual dinner in the Tarleton College Dining Hall Monday evening, February

ARTHUR H. BRIESE

7th. His announced subject is "Skulduggery at the Old Crossroads."

Committeemen along his trail from coast to coast report much popping of buttons from the operations of this unusual speaker and entertainer. Some suggest that first aid be kept on hand for members of his audience who pass out from the effects of laughing gas.

Oven H. Ellis, President of the Stephenville Lions Club says that everyone he has asked about Briese immediately burst into such uncontrollable laughter that he has been unable to get a clear idea as to just how Art does it. Mr. Ellis promises, however, to have a bevy of beautiful seamstresses scattered among the diners replacing buttons as fast as they pop off. Also a few doctors ready to operate at the first pop of a button, in case of emergency, and ambulances at the door to rush any serious casualties to the hospital.

It looks like skulduggery at the old crossroads, and a record attendance is anticipated. Reservations should be made early as an overflow crowd will probably turn out for this unusual feature program.

The Ranger Club will have no meeting the week of February 7th and are furnishing two tickets to each of its members which should assure a large attendance from that Club.

Loboes Rock Weatherford, 40-24; Durwood Smith Paces District 7AA

Coach Buck Overall's record bouncing Cisco Loboes turned in another basketball game for the books after completely running around the Weatherford Kangaroos, 40-24, here Saturday night at the City gymnasium.

The third largest attendance ever to assemble for a local high school "roundball" affair watched the lightning like thrusts of the cagey Loboes romp through their third straight district triumph in less than two weeks.

The Kangaroos, so far "Masters of the Cellar Race", were all fixed in material, in height and sharp shooting ability. David Brown, hefty guard, led the visitors in high point honors with a count of 6. In addition he was awarded 10 gift shots, but netted only 2.

In the first 16 minutes, Overall's crew relaxed both their defense and offense in their "all over the court" antics, and at the half the Kangaroos lagged behind the Ciscoans by a few spare points, 20-14.

After the 2-minute intermission, Durwood Smith, who had only 8 points, unleashed a basket of crisp shots and sparked the Loboes rebounding assault. At the close of hostilities, Smith, who is the district's second highest scorer, ran up a net of 21 points for the Golds. Sly Donald Kent came in second with 7.

It was Ray Rylee of Cisco who turned in impressive re-

sults at his position under the backboard, and much can be said in Dean McDaniels, Hub Harwell, back with the team after suffering a wrenched arm earlier in the season, and James Porter.

With the score standing 40-20 and with three minutes remaining in the game, Overall sent in the B-squad. Stan Sharpe, Joe Ed Bacon and Donald Watts were mainstays for the Lobo cubs, limiting the Kangaroos with only two field goals.

Saturday's win over the Kangaroos placed the Loboes into first place standing in the second round of play, according to statistics. Stephenville and Brownwood, previously undefeated, paced the district in the first section. Later Stephenville, champs of the Abilene Tournament some weeks back, fell victim of the Ciscoans in the district's most telling upset.

Mineral Wells will invade Cisco next Friday, and the Loboes will journey into Stephenville territory tonight.

Edwin Jackson has returned to his studies at Texas Tech after visiting his parents, Mr. and Mrs. E. L. Jackson during the mid-term holidays.

Mr. and Mrs. Wesley Smith were among the group going to Brownwood last night to attend the basketball game between Cisco and Brownwood high schools.

TWENTY FEET THICK

At Belmont, near Alliance, Nebraska, a Burlington Railway rotary plow backs up for another run at 15 to 20 foot snow drifts in an effort to clear the tracks. The plow, using its own power plus two steam engines, hits the drifts, then backed up for a new whack. Shoveling crews in foreground stand on packed drifts to scoop snow into the rotary when drifts are above 15 feet—ACME.

MRS CLYDE MAYNARD WAS COMPLIMENTED
A lovely shower was given recently at the American Legion Hall for Mrs. Clyde Maynard, the former Miss Betty Whitehead. Guests were greeted at the door by Miss Ann Yeager and directed to the table where Miss Doris Thomas presided at the bride's book. The guests next enjoyed several musical selections by Mrs. Randolph Lee Clark.

CREOMULSION for Coughs, Chest Colds, Bronchitis

After the program bride's cake and coffee were served from a table covered with a large bowl of white carnations. Tall white tapers in crystal holders flanked the sides of the centerpiece. Favors were tiny white parasols. Mrs. Jim Whitehead served the cake from the beautifully appointed table, and Mrs. H. G. Nunnally, sister of the bride, served coffee.

Mrs. Brooks Terry then made the presentation of the gifts which were opened by the bride assisted by her mother, Mrs. F. B. Whitehead, and the groom's mother, Mrs. Sam Maynard. Hostesses were Mrs. J. A. Krisell, Mrs. L. H. Qualls, Mrs. A. Z. Myrick, Mrs. Delmar Johnson, Mrs. Roy Huffmyer, Mrs. Bill Kendall, Mrs. Elsworth Harry McGee and Joe Hanagen, students of the University of Texas were holiday guests here of Mel Sandler in the home of his parents, Mr. and Mrs. Charles S. Hotbed Outside Window Handy and Inexpensive

Even the smallest garden can profit from a hot-bed in which plants can be started weeks earlier than seeds can be sown outdoors. The plants you grow cost a fraction of those purchased in the market.

Most economical in space, cost and upkeep, is a hot-bed built around a window opening from a heated basement, preferably a south window. In front of the window make a shallow excavation, about a foot deep. The size must be figured carefully, so that a frame set in this excavation can be covered by window or hot-bed sash. As in the case of other hot-beds, a glass substitute may be used on the sash, if desired.

Build a frame to fit in the excavation. The sides must slant sharply from a point above the window, almost to the ground. Fit the sash on this frame, using hinges at the top so the sash may easily be raised for ventilation. Earth may be banked around the frame to keep out the cold; and the sides should be as tight as possible to keep out the wind.

The frame may have to be caulked, where it joins the foundation to prevent drafts, otherwise it is built like the garden type, using a standard or odd size sash as you choose.

Heat is supplied to this bed by opening the basement window, and

Hotbed Built Into Basement Casement.

allowing the heated basement air to enter the bed. The window is left open at night, and may often be closed during the day, when the sun is shining on the bed. Hotbeds of this type have been tried and tested, and although they do not maintain temperatures as high as other kinds the heat will be more even, and the ventilation much better.

The main things to watch are temperature and drafts. Ventilation is necessary on warm days, and for very short periods on cooler days.

WOMEN'S COUNCIL ENJOYED SOCIAL HOUR AND BOOK REVIEW

Women's Council of First Christian church and a number of invited guests met Monday afternoon at 3 o'clock in the home of Mrs. W. J. Armstrong for a social meeting and book review following. Guests were met at the door by Mrs. Armstrong and Mrs. G. W. Troxell; and were directed by Mrs. James Flournoy and Mrs.

Rex Moore to the dining room for refreshments.

A Chinese theme was carried overations and appointments. The throughout the rooms in the delectable was covered with an imported Chinese lace cloth over red held as a centerpiece an antique Chinese tea set. Mrs. John E. Elkins poured tea and refreshment plates of sandwiches, cookies and mints were served. After the serving the guests went into an adjoining room where Mrs. Oscar Cliett was in charge of a lovely display of Chinese Art Work. Among the items displayed were linens, brass work, Jewelry, Jade neck beads and bracelet, fans, Chinese parasol, etc., which were interesting to all.

Mrs. Richard W. Crews presided at the "Witness" table where photos of American Missionaries of the Christian church now in China were shown. Chinese favors were pinned on each guest by Mrs. Fred Erwin, prior to being seated for the book review at 4 o'clock.

Mrs. Armstrong then presented Mrs. Willrue Logan, who gave a most interesting review of the book, "Pai-Lee's Precious Seed," by Mary Beck. The review was well given and the speaker made one thoroughly acquainted

with the one who carried the precious seed for nourishment of the body and for the spread of the Gospel.

After the review, Mrs. Armstrong, in a serious tone, told the

ladies that they would now hear an old Chinese piece of classical music played as a duet. Imagine the surprise of the audience when Mrs. James Flournoy and Mrs. James Latimer seated them-

selves at the piano and began playing "Chopsticks," causing much merriment.

The group was dismissed by all joining in the first verse of Psalm 67 as the missionary benediction. Those present were: Mesdames J. E. Elkins, J. S. Stockard, A. J. Ward, James Latimer, J. F. Alsop, Carl Lamb, Rex Moore, Gene Shockley Royce Eckels, Fred Erwin, H. H. Davis, R. W. Crews, Flem-

ing Waters, Forbes Wallace, G. W. Troxell, Ted Waters, Sam Kimmell, R. D. McDaniel, W. R. Huestis, Oscar Cliett, F. J. Bor-man, James Flournoy, Miss Alice Bacon, Mrs. Armstrong and four children, Jan Shockley Ann, Key and Lee Wallace.

Mr. and Mrs. Dudley Longacre of Abilene visited in the home of her parents, Mr. and Mrs. Roy Pippen, over the weekend.

Only with Gas DO YOU HAVE LIVE FLAME BROILING!

It's Smokeless

Perforated broiler grid drains grease off and away from the flame. From above, the live gas flame instantly and completely consumes grease vapors as they rise from the meat—an exclusive feature.

It's Faster

Only the live gas flame gives you instantaneous, searing temperatures. Eliminates broiler preheating time.

Tastes Better

Extra large burner spreads intense heat evenly over the entire broiler grid. The live gas flame sears... seals flavor in; then cooks meat uniformly done.
