Funeral services for W. B. Stovall were conducted in the First Baptist Church of Stanton on Wednesday, February 2nd. The body of the young World War II Veteran arrived in Stanton on Tuesday morning accompanied by a naval escort, Chief petty officer, Randall Reed of Fort Worth. Services were under the direction of T. R. Hawkins, Pastor of the First Baptist Church, J. B. cation, enlisted in the Naval Forces of the U. S. Upon his entrance into the service, he received his first training at San Diego, California, later transferring to Mare Island, then to Quantico, Virginia, where he received Parachute training in the Marine Corps.

A complete figure will not be available until next week, but it was estimated that 1948 payments were between 55 and 60 percent of the number paid for 1947.

Girl Scout Troop Assured For Cisco, Officers Named

Realizing the ever growing need for giving the youth of the community worthwhile projects on which to vent their energies, a group of civic minded townsmen began working a few weeks ago on the establishment of a Girl Scout organization for Cisco and have announced that they are now ready to present their program to the people.

A scout executive was contacted for assistance and came to Cisco. She appeared before the Lions Club and the Parent-Teacher Association to outline the requirements for the establishment of a group in Cisco. She assisted in forming the committees needed to work out the details of the program and arranged for an instruction school for the various committees.

Committee chairmen were named and officers were elected to form the groundwork for the program. Mrs. R. L. Clinkscales was appointed chairman of the Girl Scout Board. E. L. Jackson was named to head a finance committee. Other committee chairmen are as follows: membership and nomination, Austin Flint; program committee, Mrs. Jeff Gregory; public relations committee, Mrs. J. W. Sitton; camp committee, Mrs. Bethal Morgan; organization committee, Mrs. Lee Heltzel.

At the election of officers all officials of the group except the president were named. Mrs. T. E. Lisenbee was named vice-president, Mrs. Bill Kendall was elected secretary and A. E. McNeely was made treasurer. A president will be elected at the next meeting.

Most of the officers and committee chairmen went to Brownwood Friday to attend a training course in girl scouting and when they return scout leaders and troop committees will be named.

A professional scout will be in Cisco to assist in forming the various troops and groups. It is planned to have Girl Scouts, Brownies and if workers can be obtained and the demand is great enough, a troop of Pixies. The age of the child will determine which of the groups she can enter.

Parents were urged to encourage their daughters to take advantage of the valuable training they will obtain in becoming scouts.

SOMETHING NEW FOR FANS IN STORE SATURDAY NIGHT

The height of basketball fever will be reached here Saturday night at the City gymnasium at 7:30 when the Cisco Junior College boys dorm tenants carry out a threat against a similar quintet from the Vocational night school.

Procedure To Use In Cashing Checks And Drafts Discussed By Credit Body

Subjects of interest to all retailers and business men were discussed at the regular monthly meeting of the Merchants Credit Association held Thursday night. A bulletin from the Retail Merchants Association of Texas, with which the Cisco organization is affiliated, on "Recommended Procedures to Use in Cashing Checks and Drafts" was read, and this problem was discussed.

Two recent Texas Senate bills introduced in the 51st Texas Legislature now in session were read, and the secretary was authorized to wire the representatives from this district that the Cisco group has endorsed the measures. The meeting also voted to write Texas congressmen in support of a bill to repeal excise taxes on furs, cosmetics, jewelry, luggage and handbags.

Reprints of a speech by Nathan W. Shefferman, executive director of Labor Relations Associates of Chicago, entitled "Free Enterprise," were distributed to the members. President Nick Miller urged each member to read the copy and pass it on to someone else.

"We are all firmly convinced that this nation has become great through incentive of free enterprise," he said. "Still, we sometimes find it difficult to put this conviction in words or express our feelings as well as we'd like to and this reprint does this for us."

Members were complimented on the fine way they are cooperating in the curbing of pro-miscellaneous solicitations and rackets of various forms.

War Pack Stands Ready To Repulse Mineral Wells At City Gym Tonight

The Cisco Lobos will have more to gain than a mere 7-AA basketball game tonight when the war pack meets Mineral Wells at the City gymnasium at seven o'clock.

Tickets will be sold at the east entrance only, school officials said, and proceeds of the intake will be placed in the high school athletic fund.

At the beginning of the "family fess", the Lobos were routed out by Mineral Wells, 34-32, thus constituting one of the three setbacks for the war pack in the opening race, and Coach Buck Overall's crew have a bigger stake in tonight's clash than just the score, notably revenge.

It'll be a much improved Lobos quintet that will go onto the hardwood floors to engage the Mountaineers tonight since the Ciscoans have emerged one of the district's leading contenders.

That became evident when undefeated Stephenville went home nursing a 28-22 licking, and the Breckenridge Buckaroos learned a lesson, a 48-24 lesson. The mass assault by Overall's plugging team shattered the district setup and caused fence sitters to wake up and take notice.

In district levels, Mineral Wells invades Cisco tonight labled the underdogs, and a seasonal record of eight losses and 6 wins explains the reason. Mineral Wells has downed Cisco and Weather-

ford on two occasions, but gave up the blackboard to Stephenville twice and Brownwood.

Joe Brown, forward, for the Mountaineers is the stern of the invaders, netting a total of 55 points in conference squabbles. A teammate, Bill Harrell, forward, slides in second with 53. All together, the duo have a total of 268 points in 14 encounters.

Pitch Him a Strike

Copyright 1946 by
Williams Newspaper Features
Box 413, Fort Worth, Texas

DADDY, the count is on you... not the batter. You're not pitching him strikes. If he gets on base it will be a miracle. You are doing both the pitching and umpiring the game. Quite a novelty setup you have there daddy. How is that youngster to learn to play the game of life in GOLDEN RULE FASHION when his own daddy throws him nothing but 'balls' and calls 'em strikes? W-h-y, your son never will have a chance. You have set the pace daddy... blazed the trail of your own blood to a life of dishonesty, greed, and foul pay when you fail to put 'em over the plate.

YOUR church has a remedy for this sort of conduct. It upholds the better way of life through the teaching of God's word. The church aids you in establishing a principal... the GOLDEN RULE PRINCIPAL and to build a faith strong enough to play the game of life in strict GOLDEN RULE FASHION.

THE church is universal language... it's teachings will bring nations together and prepare the way for His kingdom to come on earth. Go to your church on Sunday and take a friend.

MISTER, WHICH WAY TO EASY STREET ?

WELL, THERE ARE A COUPLE of short cuts, but a lot of them pass through bad neighborhoods, and it's awfully easy to get lost.

But there's one route that's good and straight, and leads right where you want to go.

Here's how to get on it...

If you're employed by a firm, you can sign up on your company's Payroll Savings Plan. They'll see that you pile up bonds just as fast as you like.

You'll be surprised how easy and painless an operation it is—and you'll be amazed how soon you'll find yourself going along in the right direction.

Or, if you're not on a payroll, your bank has the equally simple Bond-A-Month Plan, that brings you a bond every month, charging the cost to your account.

Then, in just ten years, when your bonds pay you back four dollars for every three, you'll know that Easy Street isn't very far away. You can't miss it.

What's that? Oh... you're welcome.
