Everything In Readiness For Annual Lions Sweetheart Banquet Monday

Everything was in readiness Saturday for the annual Lions Club "Sweetheart" banquet, which is to be held in the dining room of the new Victor Hotel Monday night, according to Chas. Sandler, general banquet chairman.

The annual ladies night banquet for 1949 is going to be the best in many years, if advance reports are true. Rev. Leslie Seymour, former minister of the First Methodist Church and Club will be the speaker for the occasion and the program committee under the direction of Dr. C. E. Paul has promised many other entertaining features.

Rev. Richard Crews, minister of the First Christian Church, will serve as toastmaster and he is a "wiz" at keeping things rolling.

Mrs. Jack Anderson was placed in charge of the decorations

and has been working hard on getting things in readiness for the affair.

Jack Anderson, chairman of the ticket committee said that advance sales indicated that more than 100 members, their wives and guests would attend the gala event.

President A. R. Westfall urged every member of the club to attend the banquet with his wife or sweetheart and help make it success.

SPECIAL MEETING

PHILADELPHIA TRAFFIC JAM

Philadelphia has a traffic jam which can't be spread very thin. The traffic tie-up, as photographed from the city hall archway, looking north on Broad Street, has congested the whole city. The reason for the heavy traffic was a strike of Philadelphia transportation workers. — NEA.

Desdemona and Scranton remained undefeated following encounters Friday night and loomed the two powers to decide the championship of the annual Eastland County Girls Basketball tournament at the city gym.

The championship between the two teams was to be decided in a playoff scheduled for Saturday night with Cisco, who eliminated Carbon earlier in the day, contesting Olden in the consolation bracket.

In games Thursday, Desdemona beat Olden in the opening round by a score of 25-18. Gorman bested Morton Valley in a 27-15 scrap. At noon Friday, 600 fans saw Cisco fall 16-11 before the Rising Star contenders.

Scranton went into action in the afternoon and whipped Carbon, 33-21. Friday night, quarter final games were won by Desdemona and Scranton. Desdemona won, 18-12, and Scranton downed Rising Star, 30-28.

Monday night, the winner of the consolation bracket — Cisco or Olden — will take on the loser of Saturday's championship affair. At the conclusion of the tourney, medals will be presented to the first and second place champs and gold trophies to the runners-up. Judges will select a player from the eight contesting teams as the best all-around sportsman on the court.

School officials here were impressed and eyeing future events like the county tournament after a large audience responded to the event.

Coffee Ten Cents In Cisco Saturday For Polio Program

A cup of coffee cost you a dime in Cisco Saturday. But it was a good deal.

The ten cent coffee was the local cafes' way of helping out in the March of Dimes polio battle. Half the price of every cup of coffee sold Saturday was turned over to the committee.

A. R. Collier, Cisco campaign chairman, believed that Saturday's net returns from the coffee project would go a long way in helping raise the quota of \$1500.

Before Coffee Day opened, a total of \$730 had been counted and \$190 had been pledged, Mr. Collier said. The city still needed \$580 to reach the quota.

The March of Dimes campaign will end for Cisco Monday night and drive officials urged all persons who had not mailed in a contribution to do so Monday.

Cisco churches were expected to make donations Sunday, a spokesman for the Ministerial association said Saturday.

'Appreciation' To Be Theme Of Chamber Of Commerce Banquet

Wranglers Whipped By Ranger Quint Second Time, 44-41, In Game Here

Ranger Junior College's young 'uns' kept Coach Stormy Davis' shifting center offense in check Thursday night at city gymnasium and clasped a two-one triumph on the Cisco Junior College Wranglers.

The Rangers whipped the Ciscoans, 44-41, after staving off a last second thrust at the backboards. It was a revenge victory. Earlier, the Wranglers slipped past RJC, boosting the hosts out of their own tourney. However, Ranger split the series, and it was one all in a clash two weeks later.

Jimmy Cawley, guard, had the finest aim f or the evening, racking up a total of 21 points. At the opening, the Wranglers gave him little opportunity to sack up the ball. It took the Ranger star 11 minutes to score his first field goal.

During the entire first half, both teams rocked back and forth over the court. Just as the box scorers were marking up a field goal for the Rangers, cagers like Bobby Travis, who paced his teammates in high points with 9, would arch one of his specialties—a long, one handed shot into the net.

The battle kept on going in that manner until a few minutes of the mid-way portion of the game. Here, fouls cost the Wranglers, and the invaders edged away with a 27-22 half time lead.

As the end neared, the Wranglers' defense seemed to draw up. James Swanner, towering guard for Cisco, scattered several good plays for the RJC lads. Now that the defense was clicking, the offense took a slump. Wild throwing and bad passing enabled the Rangers to spurt out of reach as the clock showed three minutes of play, 37-29.

Joe Ford of RJC added to the bouncing score. He took a loose ball and raced to the opposite end of the court and sunk a twisting, under the basket shot.

In a man for man defense, Davis was able to check the Rangers as 51 seconds remained of the game. Leonard Grigsby, forward, placed several beautiful layups in the sack, and with 5 seconds left the game degenerated into a mad scramble. A free shot by Grigsby set the score, 44-41. And that ended the game.

The CJC varsity meets Temple there on Thursday night for the final chapters of the 1949 junior college basketball season.

Former Resident Dies, Funeral Plans Incomplete

Funeral arrangements were pending for Mack LeRoy Kennedy, 37, of Fort Worth, former Cisco and Putnam resident, who died enroute to a Fort Worth hospital Friday night after suffering a heart attack at his home at 2505 Bomar.

Kennedy, who was born in Putnam and lived in Cisco for a number of years before moving to Fort Worth with his family in 1932, was discharged from the Army two months ago after serving in the occupation forces in Germany. He was stationed in Europe during the war and after his discharge, re-enlisted for a second overseas tour of duty. He was an insurance salesman before entering the services.

Survivors include his wife; a daughter, Miss Darlene Kennedy; his parents, Mr. and Mrs. J. L. Kennedy of Fort Worth; a brother and a sister.

Brother Of Local Men Dies Saturday In Fort Worth

Word was received in Cisco Saturday of the death of Grady Wood, who died earlier in the day in a Fort Worth hospital. He was the brother of Charles Wood and Frank Wood of Cisco.

He was the owner of the Burnett Arms Hotel and the Grady Wood Trim Shop. He had lived in Fort Worth 30 years.

Mr. Wood was married to Miss Elma Russell in Fort Worth in 1917. His wife and one son, Earnest, who was associated with his father in operating the hotel, survive.

Funeral arrangements had not been completed Saturday afternoon.

Weatherford Boosts Loboes Out Of Fourth Place; Win By 40-33 Score

A revenge hungry pack of Weatherford Kangaroos showed their teeth in the waning minutes of the second half and nipped Coach Buck Overall's contesting Loboes, 40-33, there Friday night.

It was the last regularly scheduled conference game for the Cisco Loboes this year.

In district 7AAA levels, undefeated Brownwood won the right to the championship berth. Stephenville moved in second place and Mineral Wells outlasted both Cisco and Weatherford for third place in the top three honors.

Weatherford, clipping the Loboes Friday, advanced into fourth place and the war pack settled into fifth place. The Breckenridge Buckaroos, mighty warriors on the gridiron, are the cellar tenants this season, coming in sixth.

The Loboes seemed to have lost a portion of their fire in the Weatherford clash that was displayed in the Buckie meet earlier.

The elongated Durwood Smith vaulted away with scoring honors, bundling up a total of 16 points. James Elders of Weatherford swished close behind with a net of 15.

The Loboes had a slim marginal lead at the opening quarter's end. The game began slowly and evenly for both quints. Weatherford got off to a 4-1

Plans Complete For Annual Dinner

The theme of this year's annual banquet of the Cisco Chamber of Commerce, scheduled to be held on the night of Feb. 17 in the Victor Hotel dining room, is to be "Appreciation," according to President W. P. Guinn, who reported Saturday that all plans for the affair were being completed.

The program, which will be short and snappy, has been arranged and Mr. Guinn promised it would be just that — with the emphasis placed on the introduction of new business men of the city and thanking them for the trust that they placed in the town when they made their investments here.

"It will be strictly a matter of welcoming newcomers into our midst and showing our appreciation for the new enterprises that have come our way," he said. "We hope that we can, in a small way, show them the honor they are due."

Judge Charles S. Coombes, prominent West Texas attorney and capable after dinner speaker, has accepted an invitation to bring the address for the affair and officials were pleased with the prospects of bringing a speaker who is adept at combining wit and wisdom in his remarks for the annual meeting.

Visitors from Fort Worth, Abilene, Brownwood, Albany, Eastland, Ranger, Breckenridge, cities have notified officials of their intention to be present.

All local business men were invited and urged to attend and asked to buy tickets at the Chamber of Commerce or members of the committee before Tuesday morning in order to be assured of a seat and to let the committees know how many to prepare for. Tickets may be secured from A. R. Westfall, Ronald Rhodes, Troy Powell, and the chamber office.

Coaches' Association Furnishes Aid To Players Receiving Football Injuries

Every high school football player that has participated in any of the Texas High School Football Coaches Association's fourteen All-star football games will be glad to know that much of the money realized from them is being spent to furnish financial aid to the few Texas players who receive serious injuries on the gridiron.

The latest to benefit from the Association's benevolence is Juan Diaz of Three Rivers who is paralyzed as a result of a football injury received over a year ago. A last meeting of the THSCA Board of Directors, it voted to buy a wheelchair for him and appointed a committee composed of Grady Hester of Corpus Christi and Weldon Phillips of Harlingen to investigate his case. Hester and Phillips were empowered to send the boy to a clinic if they thought such action necessary.

Orbie Dee Jacobs, of Cisco, who was injured while playing under the late Weldon Chapman, has been receiving financial aid from the coaches for about ten years. In addition to subscribing to all the magazines that Jacob's represents, the Association has bought everything they can think of to add to his comfort. At this same meeting, the Board voted to continue his monthly check of thirty dollars and to purchase two \$1,000 Maturity Value Bonds which would be earmarked for him.

In addition to this direct aid, the Association carries life and permanent disability insurance on a maximum of forty players in each Texas high school whose coach is a member of the THSCA. Should Diaz become per-

manently disabled, he will become the first beneficiary of the policy the Association has been carrying for five years.

Members, their husbands and visitors were invited to attend the meeting and hear an address by W. R. Smith, prominent West Texas educator.

MRS. F. J. HARRELSON SURPRISED HONOREE AT BIRTHDAY DINNER

Mrs. F. J. Harrelson of 710 West Ninth Street was a surprised honoree Thursday, having given no special emphasis to the thought that the day was

her birthday. About ten thirty o'clock her sisters, Mrs. George Blackwell and Mrs. Edward Blackwell, arrived from Gorman to spend the day with her. They entered in a casual manner and accepted the chairs offered and conversed for a time. They thought Mrs. Harrelson who would soon want to prepare the noon meal would perhaps want to buy something "extra" for them. She didn't seem excited over their unexpected visit or the thought that she had out-of-town guests and would have to prepare more for the meal than usual. The visitors then arose and went to the car and came bringing in mysterious boxes and packages. The honoree soon discovered that they had brought a nice baked turkey with all the garnishings, cooked and ready to serve, with them. The table was spread and set for the Harrelsons, their guests and for their brother, Guy Brogdon.

Mrs. Brogdon and their children, Miss Betty Lou and James, who later arrived. A very sumptuous meal was enjoyed by the eleven relatives

26 Years of Continuous Service —
... is a long-time record for any business or profession to achieve. Some do it, but many others do not. Common with the experiences of our contemporaries we have witnessed good years mingled with the bad. Some booms and more busts. And always the inevitable failures and consolidations. But we are still here with a fully equipped abstract plant of state-wide reputation, a force of trained employees, and a long record of successful operation in this county.
