and others having suggestions
were urged to return the let-
ter or leave their suggestions at

"The committee of which I
am chairman has been ap-

Guinn to develop such a pro-

the Board.

"We want your help and ad-

Missionary From
China To Speak
Christian Church

Miss Margaret Lawrence, mis-
sionary to China for the Chris-
tian Churches, will be the guest
speaker at the 11 a. m. services
at the First Christian Church
here Sunday, according to an
announcement by Rev. R. W.
Crowl, minister.

Miss Lawrence, missionary to
China since 1926 under the aus-
pices of the United Christian
Missionary Society for Disciples
of Christ, is spending this
year in the States on furlough.

At the close of the war, she
was in Chengtu, China, with the
refugees from the occupied ar-
ea. She was teaching in Gin-
ling College for women and aid-
ing in evangelistic services. As
soon as permission was granted
for return to Nanking, Miss
Lawrence secured transportation
there and since that time
has been working for the re-
building and rehabilitation of
that mission. This is her first
furlough to the United States
since the difficult trip to West
China in 1942 by boat and by
air "over the hump" from India.

Miss Lawrence, who was for-
merly stationed in Wuhu, has
been in Nanking since her first
turn to Eastern China in 1945,
where she has been working
with young people and adults in
the churches.

She is a graduate of Drake
University and has done special
work in social service in
Western Reserve University
and the Kennedy School of Mis-
sions, Hartford, Conn.

Rev. Crowl said: "We are
proud to have as our guest this
outstanding ambassador of
Christ and we cordially invite
everyone to meet with us Sun-
day and hear Miss Lawrence."

Tex. 4-H'ers Enroll
In National Frozen
Foods Program

Believe it or not—Texas boys
outnumbered girls 8 to 5 in win-
ning county honors in the 1948
National 4-H Frozen Foods aw-
ards program. But the girls
will have another chance to get
in the lead this year because
the Lone Star State will again
offer the program, according to
announcement of the National
Committee on Boys and Girls
Work. Number of sectional aw-
ards, and amount of scholar-
ships have been increased.

As an incentive for superior
records of achievement, Inter-
national Harvester provides
gold-titled medals of honor for
county winners and \$50 U. S.
Savings Bonds for state cham-
pions. Sectional awards of all-
expense trips to the 1949 National
4-H Club Congress have
been increased from four to
six, while the four national
Fowler McCormick scholarships
have been raised from \$200 to
\$300 each.

The 4-H frozen foods pro-
gram conducted under the di-
rection of the Cooperative Ex-
tension Service, is designed to
further stimulate interest in
farm-home economy. With the
help of County Extension agents
and local 4-H Club leaders,
members learn the use of the
freezing equipment and how
frozen foods can add variety to
the home-raised food supply.
They also develop skill in pre-
paring, packaging and freezing
meats, poultry, eggs, fish,
fruits, vegetables, baked goods
and other dishes.

cently from her mission work
in China and will speak at the
11 a. m. services of the First
Christian Church.

Fire Destroys
Trailer House

Fire completely destroyed a
one room trailer at 1699 Avenue
J early today, leaving two per-
sons temporarily homeless, city
firemen said.

It was believed by firemen,
who were summoned to the
scene about 8:15 a. m. that the
blaze was started by a smolder-
ing match tossed unknowingly
into a trash can. Flames rap-
idly engulfed the trailer house.

Mr. and Mrs. Ray Kinard re-
turned today from Sacramento,
Calif., where they were called by
the death of her father, Reginald
M. Jones.

ATTEND CHURCH

THE CHURCH NEEDS YOU — YOU NEED THE CHURCH

Now I lay me down...

From the twelfth century children have been learning to repeat this prayer of faith. Back of that are the other centuries when families quoted the 121st Psalm from which it was doubtless taken...

"Your Guardian will not slumber,
He will neither slumber nor sleep."

Precious lad with the dimpled cheeks, knowing so little what the world holds of joy and of sorrow, of foes and of friends, of sickness and of health, of defeat and of triumph. Perhaps he has mother and father now and every care for his happiness. Who knows what tomorrow holds for him? You and I may not be near to counsel and to encourage. What then?

Wise and thoughtful for all the years ahead were the parents who early introduced the lad to his eternal Friend and helped him to be at home in the Father's universe. Some day every boy and girl will have to stand alone; will there be strength from hidden springs, a sense of sustaining Power? Some day every woman and every man must make a choice between the high way and the low; will there be light that shines on the good path the soul should take?

Every child born into God's world has a right to know that God is Creator and Sovereign, that His will finally must prevail. Every girl and every boy has a right to be sure that the universe is friendly and that its basic principle is Love. Every living person has a right to trust and to faith and to hope. Every human being has a right to know that he is made in the image of God and eligible to a place in the divine Family. We are both animal and divine spirit; God breathed His own Spirit into man and he became a living Spirit, like unto God. Every child has a right to live reverently as in the continuing and blessed fellowship with the Highest; he has a right to the adult helpfulness that puts his feet in the Way of Life. Teach him to say, "Now I lay me down to sleep, I pray the Lord my soul to keep. If I should die before I wake, I pray the Lord my soul to take."

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that family and influence are showered with benedictions that stir character. In the church the ministerial and a stranger alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Back in the Early 20's —

... we started out abstracting Eastland County land titles. Then as now, the abstract was a necessary part of every real estate or leasehold transaction. We learned early that an abstract was more than a bundle of pages with numbers on them. The lawyers knew, too, so did their clients. And we have built our business on the theory that if an abstract furnished complete, accurate and reliable information at reasonable cost, it met every requirement. In a nutshell, that's it!
