ATTEND CHURCH

THE CHURCH NEEDS YOU _ YOU NEED THE CHURCH

THE age of the harnessing of God's minute atom by scientists is here. Its FOURTH birthday has been celebrated. The time for the genuine love of God to reign in the hearts of men must be here if civilization is to endure. When it becomes practical for the ingenuity of man, as is now the case, to concoct instruments of inconceivable power that rip the earth into canyons, lift and wreck "skyscrapers" more easily than a strong man can break a straw and with the heat of Hell burn to dust every object near the point of its eruption ... then, brother, it's time for all mankind to "GET ON SPEAKING TERMS WITH GOD."

THE whole world seems to be in constant fear of this terrific weapon. Nations seem to be at "loggerhead" . . . they do not trust each other. Their acts and sayings are questioned; their conclusions censored. They are in a race to avoid the calamity of the immortal phrase, "TOO FEW AND TOO LATE."

HRISTIANS must meet the challenge of the Atomic Age. The doctrine of BROTHERLY LOVE must prevail. This is an era when giants in the field of business and fabulously rich in the material wealth of the world are scattering their shekels in the interest of religion. The church must not be denied; help keep her good work going by attending the church of your choice regularly.

Misses Mary Francis and

Back in the Early 20's -

we started out abstracting pastland County land tit-Then as now, the abstract was a necessary part of every real estate or leasehold transaction. We learned early that an abstract was more than a bundle of pages with numbers on them. The lawyers knew, too, so did their clients. And we have built our business on the theory that if an abstract furnished complete, accurate and reliable information at reasonable cost, it met every requirement. In a nutshell, that's it!
