

## Consolidation Of Area School Districts Proposed

### The Gay Philosopher

(Copyright New York Graphic Society) By J. W. S.

ENJOYED THE 7th annual banquet of the Moran Luncheon Club last Thursday night. Mr. Boyce House, who is known by one and all in Eastland County, was the principal speaker. And he did a splendid job. Claude Wilde of Austin, a native of the Moran country, pretty well described Boyce when he called him "the Will Rogers of Texas."

FOR GOOD COMMON horse sense and for genuine entertainment, we recommend Mr. House. He's the kind of fellow who sees humor in just about everything. He's always looking for the bright side of people and things.

HIS STORY OF two towns is pretty good. It tells us two cities that were founded in 1849. One was Fort Worth. The other was on the banks of a river in Central Texas. People have forgotten the name of the latter. The difference was leadership and people.

TALKING OF OIL in the Moran area, he told us of a well near there that was drilled in 1913 — and is still producing after 36 years. It's the oldest well in this country. It also mentioned the shallow wells in the area as being so shallow that men with peg legs were allowed to come on the leases.

THE DELICIOUS dinner was served by the Moran Campfire Girls. A musical entertainment was a ladies quartet composed of Mesdames R. L. Martin, Joe Allen, Paul Harper and Glen Cottle. If some of the local Lions or Rotarians are short on program material, suggest they invite the quartet over to Cisco.

L. L. WALKER, retiring president of the club, summed up the accomplishments, including water problems solved, a successful cleanup campaign, trades days, Boy Scouts organized and other projects.

BANKER FLOYD C. POOL, who is admired by one and all in the Moran area, was voted the city's first citizen. Master of ceremonies was B. A. Elliott. Banquet arrangements were made by R. E. Weber, Lee Weir and Mr. Walker.

CISCO WAS represented by Mr. and Mrs. P. H. Warrick, B. A. Butler, A. R. Westfall, Mr. and Mrs. Jay Garrett and Mr. and Mrs. Austin Flint.

### DISMISS MORNING SERVICES

Morning services of the Wesley Methodist Church will be dismissed today in order that members might attend Bishop W. C. Martin's address at the First Methodist Church at that hour, Rev. C. A. Warden, minister, announced.

The church Sunday school will be held at 9:45 a. m., as usual.

## American Red Cross Is At Work Rehabilitating Disaster Victims Over Wide Area in Texas, Oklahoma and Arkansas

The rebuilding of homes damaged or destroyed by week-end tornadoes in Oklahoma, Arkansas, Texas and Missouri is already under way as 16 American Red Cross chapters and 16 national Red Cross staff members begin interviews with 300 families whose homes were demolished or damaged, according to John C. Wilson of St. Louis, manager of the 16-state Midwestern Area.

Rebuilding in which the Red Cross will repair or repair homes whose owners are unable financially to do the work themselves, is being preceded by registrations for aid and interviews in which disaster and building experts plan the work on the basis of dwellings needed to restore the families to normal living, Wilson said. The rehabilitation work already under way in 2 Oklahoma, 10 Arkansas, and 4 Texas communities includes paying the costs of medical care for the injured who lack the resources to meet their own bills and the replacing of household furnishings under the same conditions, Wilson added.

Meantime, the March fund campaigns of Oklahoma, Arkansas, and Texas chapters have been seeking public contributions for just such purposes, the Red Cross area manager pointed out. "It is worth noting," he said, "that for the past four years the Red Cross has

been engaged almost continuously either in disaster emergency or rehabilitation work in Texas, Oklahoma, or Arkansas. Victims of the 1947 tornadoes near Woodward, Oklahoma, of the Texas City explosion almost two years ago, and of the 1947 Arkansas tornadoes who were unable to meet their expenses still are having medical care paid for by funds which the people give each March to the Red Cross. A preliminary allocation of \$100,000 has been set up for this work on behalf of last week's tornado victims. More money will be available from Red Cross disaster reserve funds, contributed by the public. The extent of our aid to these people is limited only by the generosity of the public which, even now, is being asked by almost 4,000 local chapters to contribute to Red Cross so that work like this can go on."

In the three states affected (Turn to page 2)

Miss Cathryn Shepard joined some former college girl friends Friday on a trip to Austin for the weekend.

### SOME BRAG!

Proof positive that fish caught in Lake Cisco are something to brag about is Mrs. H. O. (Andy) Anderson's seven pound Bass, pictured above, which she recently snagged near the boat house. Mrs. Anderson, who is an ardent fisherman, caught the big one while fishing for crappie

### Elbert Tipton Is Trying Out With Abilene Blue Sox

Elbert Tipton, 21, son of Mrs. Carrie Tipton of Cisco is one of the leading candidates for the second base position on the Abilene Blue Sox professional baseball team, according to an announcement by Hayden (Stubby) Greer, manager.

Young Tipton is a graduate of Cisco High School and Cisco Junior College. During his four years in the local high school he was an outstanding athlete and has played on amateur and semi-pro baseball teams in Cisco and surrounding towns.

He has been working out with the Abilene team since they began their spring training program and immediately caught the eye of the manager, who was favorably impressed with his ability and hustle.

The Blue-Sox are scheduled to play the Goodfellow Army Air Force team from San Angelo Sunday and Tipton will probably see action at the second base slot.

### Seniors Set To Present Play

"Almost Eighteen," a three act comedy by Dana Thomas, distinguished writer, has been chosen for presentation on the stage of the Cisco High School auditorium Friday evening at 8 o'clock by the senior class.

Martha Whitaker and Paul Woods will be seen in the title roles, supported by a cast of nine actors. "Almost Eighteen" will be under the direction of Mrs. E. L. Hazlewood, high school teacher and department head.

### Election To Be Held At City Hall; Polls Will Open At 8 a. m.

Cisco citizens will go to the polls Tuesday to elect a new mayor and two members of the city commission. The three new officials will replace Edward Lee as mayor and George Downey and S. H. Nance as commissioners. The retiring officials are not seeking reelection.

Two candidates have filed for the mayor's office. They are G. C. Rosenthal, Humble Pipe Line Company official, and C. H. (Cliff) Jones, property owner and business man.

There are three candidates in the commission race: C. M. (Clint) Britain, former local policeman; Don Rupe, service station operator; and James P. McCracken, bank official.

A comparatively large vote has been forecast for the election.

Miss Naomi Schillings of Fort Worth has returned home after a visit here with her friends, Mrs. W. L. Harrell and Mrs. Onal Hawkins.

Mr. and Mrs. John Borders and son, Johnny, of Amarillo, are in the city visiting Mr. and Mrs. Homer Ferguson and Janet.

## April 1 Is More Than "April Fool's Day" To Local Couple; It Is Lucky

April 1 was more than April Fool's Day to Mr. and Mrs. Henry Anderson of Cisco for on the date of their birth. Both were born in Iowa—Mr. Anderson 81 years ago today and Mrs. Anderson a mere 77 years ago.

A quiet celebration in the home of their daughter and son-in-law, Mr. and Mrs. C. W. Henry, was planned for the 63rd wedding anniversary last December 3. The celebration, a dinner prepared by Mrs. Henry, was attended by the family and a few of their many friends.

"Life hasn't been a joke either," said Mrs. Anderson, "however, there's been a lot of satisfaction and fun in rearing five

## Huston and Smith Win Narrow Margin Victory As Record Number casts Votes

N. C. Huston and J. Wesley Smith were apparently elected to the board of trustees of the Cisco Independent School District in Saturday's election, according to returns released by Election Judge E. G. Damron after the polls closed.

The vote tally sheet showed returns as follows: N. C. Huston, 358, Stanley Webb, 333, J. Wesley Smith, 347, L. A. Hooker, 307, Dr. Alan Withee, 107.

The Cisco box gave Dr. P. M. Kirkuykendall a large majority over L. E. Clark in the race for trustee at large of the county school board. Kirkuykendall got 474 votes to 156 for Clark.

On Sunday morning he will speak at the First Methodist Church in Cisco with Rev. Oran Stephens, district superintendent; Dr. Claude P. Jones, minister of the First Methodist Church; and Rev. C. A. Warden, minister of Wesley Methodist Church, joining in the services.

The choir, under the direction of Miss Ella Andrus, will present a special anthem entitled; "Holy Art Thou," by Handel. Scripp Cluck will play special offertory violin music and will be accompanied by Miss Jane Huestis at the organ.

At three p. m. Bishop Martin will speak in the First Methodist Church at Eastland. This will be a District wide rally attended by the ministers and

## Vote On Joining Of Districts To Be Held April 18

At a meeting held March 25, the Eastland County School Board ordered an election to consolidate ten school districts that now are being served by the Cisco Independent School District. The election was ordered to be held in the nine districts surrounding Cisco and in the Cisco district on April 18.

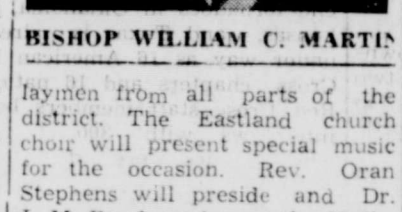

The election was ordered as a part of the county board's plan to group all school districts in the county that are not maintaining schools within their districts. The board is acting under Articles 2922-A and 2922-C of the State School Laws.

Since the proposed consolidation area will comprise more than 100 square miles an election must be held and if the majority of the electors or qualified voters in the areas favor the consolidation, the county board may proceed with plans.

The proposed district will consolidate nine inactive districts with the Cisco district. The nine who will vote on joining the Cisco district are: Cottonwood Common School District, No. 18; Sandy, No. 14; Blue Branch, No. 19; Friendship, No. 20; Romney, No. 42; Shady Grove, No. 15; Central, No. 1-A; Bedford, No. 50; and Grapevine, No. 52.

An official of the county board pointed out the advantages of the consolidation and said that by grouping the ten districts into one, it would lend more power to the district in obtaining better facilities for the schools serving the area and for the students represented.

## Bishop William C. Martin To Visit Cisco District Methodist Churches

BISHOP WILLIAM C. MARTIN

laymen from all parts of the district. The Eastland church choir will present special music for the occasion. Rev. Oran Stephens will preside and Dr. J. M. Bond, pastor of the Methodist Church of Eastland, will offer the invocation.

Sunday at 7:30 p. m. Bishop Martin will preach in the First Methodist Church at Breckenridge, and dedicate the memorial chimes recently installed in the church. Rev. W. V. Bane, the pastor, will be in charge of the service and Rev. Oran Stephens will present Bishop Martin.

In addition to being the resident Bishop of the Fort Worth-Dallas area of Methodist churches, an area extending from the Texas-Oklahoma boundary in the panhandle to Georgetown, Corsicana and Paris, he has been chosen by The Methodist Church at large to direct the total program of Methodism around the world for the next quadrennium.

The public was invited to hear Bishop Martin in any or all of these services.

## Dairy Association Appoints Four New Directors

Four new directors of the Eastland County Dairy Association were named by the group recently according to A. Z. Myrick, Cisco, president of the organization.

New directors named to serve until March 1, 1950 include Marshall Berry, Pleasant Hill; J. B. Eberhardt, Rising Star; Mack McCleskey, Eastland and Bernard Cambell of Carbon.

Directors retained for another year are O. D. Cunningham, Ranger; C. D. Simmons, Gorman; Lee Williamson, Olen; L. O. Swindle, Cisco, and D. F. Williamson of Morton Valley.

The organization is now completing plans for the annual dairy show to be held at the Firemans Field in Eastland on Friday, April 15, according to Myrick. The group is asking that anyone in Eastland County who wishes to show one or a dozen dairy animals to do so. The show is not limited to Jerseys as Guernseys and Holsteins may also be shown, it was stated. The animals to be exhibited in classification show must be on the grounds by 10 a. m. and will be released by 4 p. m.

No prior entry is necessary for any animal. A senior and a junior judging contest is to be held in connection with the show.

## MASONS TO MEET

Meeting of the Cisco Masonic Lodge will be held Monday night at 6:30 p. m., one hour earlier than the conventional time, A. L. Clark announced today. All Masons were urged to attend.

Mr. and Mrs. Ike Sanders and small daughter, Shirley, of Dallas, were scheduled to arrive Saturday for a weekend visit in the home of her mother, Mrs. W. E. McWhorter. They will be joined here Sunday by Mr. and Mrs. Sam Kennedy of Abilene who will spend the day with them.

It was not an April Fool's joke when Mr. and Mrs. Henry Anderson of Cisco sat down for a birthday Saturday celebrating their joint birthdays, because they shared April 1 as their birth date. The cake which they sliced did not have 158 candles on it — the number it would have taken for both of them — but it featured both their names.

most of the Red Cross rehabilitation work centers in Crowder in Oklahoma; Wheien Springs, England, Loanoke, Prairie County, Bulltown, Beedenville, Balch, Wynne in Arkansas; and Springtown and Desdemona in Texas where disaster workers have been assigned to aid home owners whose resources are insufficient to rebuild or repair their dwellings. These same workers will aid in replacing necessary household furnishings

## Deafened People May Now Hear Clearly

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing changes. The makers of Belton, Dept. 6, 1450 West 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. that, Wilson pointed out, make up a large and often unrecognized part of a family's needs. Some 80 Oklahoma, 105 Arkansas, and 29 Texas houses were completely destroyed and about 20 Oklahoma; 117 Arkansas, and 65 Texas homes damaged in the tornadoes.

These professional disaster workers, the Red Cross spokesman explained, are advisors to Oklahoma, Arkansas, and Texas chapters who, after giving emergency aid, are now setting up hometown committees who will advise them in determining amounts needed for rebuilding, medical care, occupational training, home repair, or household furnishings for those families affected by the storm. Awarus for any purpose, Wilson emphasized are made after planning with families involved and are outright gifts. No repayment of any kind is asked or expected, he said. Complete aid is given to those wiped out by the tornadoes and partial aid as needed is given to those whose insurance, savings, or credit is not sufficient to pay total rehabilitation costs, he explained.

"Red Cross help in rebuilding lives and homes after disaster can mean almost anything from a set of tools for a one-man carpenter business to a new home for a large family," Wilson said. "Such aid, for example, came to \$355,000 in Texas, \$15,000 in Arkansas, and \$152,000 in Oklahoma last year in post-disaster work that included payment of long-term medical bills, work training for those unable to resume their former occupations,

or new or repaired houses and outbuildings as well as other disaster-caused needs. The national staff workers now interviewing the stricken families plan with them and then present their needs to hometown committees who give individual and careful thought to recommending rehabilitation plans of the families."

The Red Cross manager commended volunteers of Oklahoma, Texas, and Arkansas chapters who gave emergency food, shelter, and medical care to the storm victims and gave assurance that both chapters' and national staff members would "stay on the job until the last family needing our help is back in its home and the last injured person is released as cured by his physician."

## ARMY'S PROGRESS WILL BE SHOWN IN GRAPHIC ART

An interesting feature of the Army Day observance, April 6, will be an exhibition of reproductions of paintings, photographs and prints depicting the history of the United States Army from its inception.

The exhibit will consist of 240 historical pictures tracing the history of the Army from the Revolutionary War to the present. This is done through reproductions of old paintings, engravings, prints, documents and photographs. The exhibit will include Paul Revere's engraving of the "Boston Massacre", Trumbull's painting of the "Surrender of Burgoyne", Currier and Ives prints, Remington's drawings of the pioneer west, a number of Brady's Civil War photographs, combat photographs of World Wars One and Two, facsimile of Washington's Oath of Allegiance and other giving a pictorial presentation of the Army from its beginning up to the present day. The exhibit will be circulated throughout the major cities of the United States.

## Back in the Early 20's —

... we started out abstracting Eastland County land titles. Then as now, the abstract was a necessary part of every real estate or leasehold transaction. We learned early that an abstract was more than a bundle of pages with numbers on them. The lawyers knew, too, so did their clients. And we have built our business on the theory that if an abstract furnished complete, accurate and reliable information at reasonable cost, it met every requirement. In a nutshell, that's it!

## A HOME YOU CAN BUILD

A WEEKLY SERIES OF HOUSE PLANS

THE CORNELL has a plan which calls for a combination living - dining room. This room combination separates the service area of the house from the bedroom wing. A third bedroom to the left of the entrance vestibule can be used as a den, office, workroom or rented out, if desired. This room is equipped with a large closet, and is accessible from both the front and side entrances.

The Cornell's modern kitchen is compactly arranged. There is ample space for a breakfast table under the high storage cabinets at the end of the room. The rear entrance hall leads to the bedroom, lavatory, kitchen.

It has a shallow cabinet for storage.

The Cornell's bedroom wing has two bedrooms, each provided with a wardrobe. The bathroom has a towel closet and there is a linen closet in the hall.

The exterior of The Cornell is finished with siding on frame construction. It has low roof lines and wide overhanging eaves. The garage is optional. The Cornell's plan has an area of 1,106 square feet, excluding the garage.

## Mrs. Harry Schaefer Hostess To SS Class

Harversers class of First Baptist Sunday School met Thursday in the home of Mrs. Harry Schaefer for the business and social meeting of the month. In absence of the class president, the meeting was called to order by Mrs. E. H. Cheves. Mrs. W. W. Fewell was presented for the splendid devotion which was closed with prayer by Mrs. M. F. Underwood. A special prayer was offered for the teacher, Mrs. C. P. Cole, who is ill. After the reports of the secretary and treasurer there was a general discussion by members and plans were made for weekly visitation. During the social hour Group One sponsored the program which was directed by Mrs. E. H. Cheves. Three shorts skits were presented which were very amusing. Refreshments were passed to a visitor, Mrs. O. W. Kean, and the following members: Meslames W. Z. Baum, E. H. Cheves, W. M. Collings, M. P. Farnsworth, W. W. Fewell, W. L. Hussey, R. R. Smith, M. F. Underwood and Harry Schaefer.

## Hooker - Dow Rites Held In Austin

Miss Jane Hooker, daughter of Mr. and Mrs. Ira Hooker of near Cisco became the bride of Orville Dow of Austin, son of Mr. and Mrs. C. E. Dow of Carrizosa, New Mexico, in a ring ceremony held Saturday, March 27, in Austin at Manor Methodist Church. Rev. Kaarling performed the ceremony at 7:30 in the evening. The bride wore a champagne color crepe dress trimmed with gold-colored beads; her corsage

was of white carnations and accessories were of black. She was attended by her sister-in-law, Mrs. Claude Hooker of Austin and her brother, Claude Hooker, served the bridegroom as best man. An informal reception in the church parsonage, followed the wedding and was attended by a few close friends and some of the immediate relatives. Those present from Cisco were Mrs. Ira Hooker and Mrs. Woodrow Nix, mother and sister of the bride. Mr. and Mrs. Dow will make their home in Austin where he is attached to the Army Air Force.

## Give it Room-

## it's ROADMASTER!

WHEN this sight greets you in your rear-view mirror—mister, better give over!

Overtaking you is just about the ablest performer on the road today—and wise drivers long ago learned the only thing to do with ROADMASTER is give it road room and a salute as it passes.

Reason is—ROADMASTER is something excitingly new in fine cars.

Big, yes—stretches a gorgeous eighteen feet, with all that such size means in comfort and inside stretch-out space.

But part and parcel of every one of its 4,400-odd pounds is the fastest footwork on the highway. Action is the key of every part, from its 150-hp Fireball power plant to the swift, silken, unbroken surge you get from Dynaflo Drive.

As a matter of fact, action's even invited by the price tag. By the pound, by the inch, by any yardstick you want to lay against it, it's the buy of the fine-car field.

For proof, just gather a few delivered prices on other cars and bring them around. We'll show you so much more for your dollar you'll waste no time getting an order in.

### BUICK alone has all these features

- Silk-smooth DYNAFLOW DRIVE
- FULL-VIEW VISION from enlarged glass area
- SWING-EASY DOORS and easy access
- "LIVING SPACE" INTERIORS with Deep-Cradle cushions
- Buoyant-riding QUADRIFLEX COIL SPRINGING
- Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS
- Cruise-Line VENTIPORTS
- Low-pressure tires on SAFETY-RIDE RIMS
- DUREX BEARINGS, main and connecting rods
- BODY BY FISHER

**Local Girls Win Vocal Honors At Abilene Meeting**

The Intermediate Sextet of the First Baptist Church in Cisco won the state championship in the singing contests held during the Texas Training Union Convention at Abilene last week, it was announced Saturday.

The group, composed of Mary Jeanette Poe and Barbara Schaefer, first sopranos; Carol Lee Pippen and Betty Wagley, second sopranos; and Charisie Laminack and Dorothy Butler, altos, was trained by Katherin Shepard. They were accompanied by Jane Flint.

Mrs. Austin Flint and Mrs. Harry Schaefer acted as chaperones for the girls and Rev. Otis was host at a dinner for the sextet members. Miss Earline Steel assisted them with their music and helped with the arrangements.

The girls were awarded ribbons for winning in their division. They competed with a number of musical groups from over the state and received the acclaim of the entire gathering.

The convention, for which 7,310 persons had registered, was adjourned at noon Saturday after selecting Beaumont as the convention city for 1950.

of a series in the State Bar program for Continuing Legal Education, have geared their subjects to fit the needs and interests of the lawyers in this region, Harrell said.

Opening the Institute at 3 p. m. will be Hrey Strassburger, prominent Dallas trial lawyer, who will speak on "Preparation and Trial of Negligence Cases."

A banquet in the Windsor Hotel at 6 p. m. will highlight the Institute. The Honorable R. G. Storey, Dallas, president of the State Bar, and the Southwestern Legal Foundation, will be the principal speaker.

Robert M. Turpin, Midland, State Bar director of the 16th Congressional District, will discuss "Common Problems of Oil and Gas Practice," following the banquet.

Supervising local arrangements are Ed. E. King, chairman, Tam Eplen and John N. Alvis. Registration fee, including the dinner is \$3, Mr. King announced.

Mr. and Mrs. James Shelton of Abilene are weekend visitors here in the homes of his mother, Mrs. W. C. Shelton, and wife's sisters, Mrs. J. E. Cofford and Mrs. James Keifer.

These are the people

THESE are the people who own your electric light and power company. Chances are you are one of this group, too.

They represent a cross-section of America — housewives, doctors, teachers — industrial workers, craftsmen, farmers — mechanics and milkmen. Yes, people from all walks of life have put their savings into companies like ours. They're direct owners

But there are countless indirect owners, too — many who don't know they have a stake

in the electric industry. They're people with life insurance policies and savings accounts. When banks and insurance companies accept your money, they must invest it wisely and productively. And because business-managed electric companies have a long record of successful service, much of that money is invested in utility securities.

So, you see, the electric industry is owned by the people it serves.

## Mrs Randolph Lee Clark Is Selected Honor Aggie Mother Of Texas A & M

Mrs. Randolph Lee Clark of Cisco, who was runner-up in the recent contest for the selection of Texas Mother of 1949, has been selected for further honors, it was learned here this week, when she was selected as "Honor Aggie Mother of the Day" to be honored by the Cadets of A & M College on Mother's Day at their annual Mother's Day Program at College Station.

In announcing that Mrs. Clark had been selected for the honor, James D. Whitley, Chairman of the Mother's Day program Committee of the college wrote: "The Mother's Day Program Committee feels honored to have Mrs. Randolph Lee Clark as an honor guest on May 8, 1949, Mother's Day."

She is truly a Texas Mother and without a doubt a great American woman. If I may say so, she is also an ideal Aggie

Mother."

"It has been the practice in past years to choose a mother to be honored on Mother's Day and the one chosen is known as 'Honor Aggie Mother of the Day.' As Honor Mother, Mrs. Clark will be in the reviewing stand during the parade Sunday. After the parade she will be presented to the student body at the Guion Hall Mother's Day. "We know," Whitley concluded, "that we represent the entire student body when we say we are honored that Mrs. Randolph Lee Clark is to be our 'Honor Aggie Mother of the Day' because she is truly a great mother."

Mrs. Clark, who is the mother of nine children — two sons and seven daughters — has one grandson who is a graduate of Texas A & M and two who are students there now. Clifford Deaton will graduate this spring and Lee Stiles is a sophomore.

Young Stiles is a member of the Aggie Band and the Singing Cadets.

John Stiles, Jr., who is a graduate of the school, finished with honors and was one of three of his class who were awarded First Lieutenant ratings and was permitted to wear his insignia at the graduation exercises.

Mrs. Clark lives at 709 West 9th Street. She is one of Texas' best known musicians and at the age of 73 continues her work in that field by teaching music. She is an ardent church worker and active in local church work.

## Ruth Class Has Tacky Party Supper

The Ruth Class of First Baptist Sunday School met at the church Friday evening for a Tacky party and a Box supper with Mrs. Ralph Rider, program chairman, directing. Upon arrival of guests they were given cards on which a verse was inscribed. A number of fun games were played in which all joined. The "Tacky" costumes

provoked much merriment. At the close of the games the decorated boxes which were filled with an appetizing lunch, were brought in and snatched by verses on the cards which by verses on the cards which son. Hot coffee was also served.

These present were Messrs. and Mesdames Cliff Presslar, Elmer Fleming, Roger Aude, Howard Turner, Revis Gregg, John McGuire, Eck Cowley,

## High Blood Pressure

### HARDENING OF ARTERIES, PAINS IN LEFT ARM AND SIDE—

Elmer G. Johnson, President of Harlingen State Bank, Harlingen, Texas, writes on Feb. 20, 1948:

"Please send another bottle of Liquid Garlic, also send a bottle to my sister-in-law, Mrs. Hulda C. Dutton, 45 Atwater Terrace, Springfield, Mass.

"I have some good reports to make on the effectiveness of garlic used. Mr. Turner, Texaco dealer here has taken two bottles and is much better, his blood pressure down about 60 points. Mrs. W. F. Nelson of San Benito, who was in bad shape, is also very much better and her blood pressure down considerably. This Garlic works, and you are doing a fine job of producing it for the benefit of those suffering from high blood pressure."

# This is no way to bring home the BACON!

Good intentions don't make a good savings plan. What's the smart way to save? A way that's—

1. Regular
2. Convenient
3. Dependable
4. Automatic

You can get this foolproof combination by investing in U. S. Savings Bonds. Either of these two ways:

Join your company's Payroll Savings Plan... or join your bank's Bond-A-Month Plan.

Then sit back and watch your dollars make pigs of themselves, fattening up at the rate of four for every three you put in, every ten years.

That's one sure way to bring home the bacon some day. And by bacon we mean the things you dream about for the future: a home, a business, a college education, and freedom from worry.

Go reserve a slice of that for yourself... TODAY!
