play a trick on the folks wno are accustomed to fall under his romantic spell when he hides his face from sky gazers for some five hours tonight. Watcher. will see his face steadily dim then go out of sight completely in the year's first total eclipse.

The eclipse will begin shortly after 7:30 p. m. Tuesday and end near midnight, according to officials of the Texas Astrono mical Research Society. The moon revolves around the

earth in a little more than 27 days, according to scientists. At certain times of the year, the earth comes between the sur and the moon and cuts the moon off from the sun's rays and causes the eclipse.

The weather man has promis ed clear skies tonight and the eclipse should be readily seen by those who wish to observe its

# New School Board **Installed Monday**

Norman C. Huston and Wes ley Smith, newly elected mem bers to the board of the Cisco were sworn in at a meeting of the board Monday. The two were elected in the election

G. R. Nance was re-elected to serve as president of elected vice-president. N. Huston was elected secretary and Clyde Karkalits was reelected tax assessor - collector and financial secretary.

Ferguson succeeds Billy stis as vice-president and Huston takes the place of F. E. Shepard as secretary. Huestis and Shepard were not candidates for re-election.

# Jester Will Be **Bond Program Barquet Host**

AUSTIN, April 12, - Governor Beauford H. Jester will be host at a dinner in Houston on Tuesday, April 19, honoring the volunteer workers of 1949 in the U.S. Savings bond program

for Texas. The Governor, who is nonorary chairman for Savings Bonds activities in Texas, said he had mailed invitations to a list of Drilling Company to J. 650 program leaders. The list King, release of oil and gas was provided by the U.S. Savings Bonds Division of the Treasury Department and incluulwell Kennedy to Fred M. ded county Savings Bonds chairng, oil and gas lease. Ace men and committeemen in all of Texas' 254 counties.

Speakers will be Governor Jester and Colonel Alvin M. Owsley of Dallas, former national commander of the American Legion and former ambassador to Ireland, Denmark and Romania. Nathan Adams of Dallas, chairman of the Treas-Monnigs Dry Goods Co | ury Department's Advisory Committee for Texas, will preside. The Governor said that this and similar dinners are being held in each of the 48 states on April 19 to acquaint local volunteer organizations with the objectives of the "Opportunity assignment of oli and gas Drive" which will be conducted J. C. Nugent to Einer May 16 through June 30 to warranty deed. H. A. stimulate the sale of Savings ols to E. C. Johnson, oil Bonds. The date is Patriots gas lease. W. D. R. Owen. ## Out Here In the Great Southwest -

visitors from other states sometimes marvel at the bigness of our way of doing things. And, too, it is a constant source of pride to our own people when they look about them and witness, among other things the magnitude of some of our business institutions and their capacity to render service. Here in Eastland County we are proud of our title plant and along with a host of others we think it's the best in the Southwest.

EARL BENDER & COMPANY

SAY ABOUT YOU

(Abstracting Since 1923)

schools, but we believe that one | Independent School Districts should stand by his word and do what he says he will do.

At the present time, we be ieve that we are paying a just portion of the school taxes. W. believe that our independent district's combined property valuation, results in us paying as nuch or more school taxes as he average school taxes of a citizen of Cisco.

We do not object to our pre sent tax rate, but in view of the history of the rendition pro cess of the Cisco School Distict, we believe that the rendiions on our property would be oubled, resulting in us having pay double our present school taxes, if we should enter into onsolidation with the Cisco School District.

We call upon other Indepen dent School Districts involved in this coming election, to rise up in protest and help us de

at this consolidation. We realize that with air of the citizens of Cisco against us, we cannot win this election, so we would allow one district to vote call upon all of the citizens of Cisco, who believe in fair play to rise up en mass and help u: retain our present status of

WILLARD EXIDE You Pick Up the Phone --- We Pick Up the Car 509 EAST 8th.

It was a tough job

. but we licked it!

In the first quarter of last year, the oil industry was hard pressed to supply you with all the petroleum products you needed. You were asking us to furnish the staggering total of 6,317,000 barrels of oil daily: for transportation, for heating, for industrial fuel. And the oil companies were just keeping even with you,

Now, a year later, there's a different picture. The industry is not only able to supply you with the oil you need for your daily use, but it has developed a comfortable margin of spare capacity. The industry has licked last year's fears of an oil shortage.

> Every section of the industry shared in the extra effort needed to supply your heavy demand. In 1948, 39,000 new wells added 2 billion barrels of proved reserves and 350,000 barrels daily to the U. S. capacity to supply crude oil; pipe line companies pumped an unprecedented quantity of oil and finished products through their lines; and refinery runs increased by 470,000 harrels daily.

> The oil industry is breathing easier, and so should you. There's enough, now, to meet your demand, with a more satisfactory margin for emergencies.... It was a tough job, meeting the increased demand of 1947-48, a job made tougher by an unusually severe winter in the East; but the oil industry approached it with a confidence justified by your confidence in American industry's ability to do a job. And the successful completion of this job again demonstrated that the American competitive system operates quickly and efficiently in a time of national need.

HUMBLE OIL & REFINING CO.

In 1948, Humble Pipe Line Company transported 763,000 barrels of oil daily through its 4000-mile system of pipe lines. This was an increase of 75,000 barrels daily over 1947.

In 1948, Humble exploratory wells

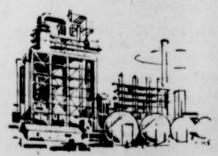

were drilled in every section of the

Southwest. This well, drilled in St. Mar-

tin's Parish, Louisiana, discovered the

Duck Lake oil field, one of the impor-

tant Louisiana discoveries of the year

In 1947, Humble's Baytown refinery exceeded its wartime production record by processing 228,300 barrels of oil a day. By the end of 1948, Baytown refinery was processing a daily average of 250, 000 barrels. Baytown's production of finished petroleum products in 1948 ex-ceeded 1947 production by 10%.
