The Gay Philosopher

Copyright New York Graphic Society By J. W. S.

YESTERDAY'S mail brought an interesting letter from the fellow whom the government sued a few years back for paying his employees too much. His name is John G. Lincoln and he lives in Cleveland where he manufactures welding equipment. He says "you have been selected as one of some 20,000 leaders of America to receive, without cost or obligation on your part, the Lincoln Letter."

We're a little flattered to be regarded as a leader of America. Mr. Lincoln says his purpose in The Lincoln Letter, which he will issue monthly, is to spread economic enlightenment.

The fourth paragraph makes us feel even better. "I have taken the pains," he writes, "to find out you are a leader in your community and field of endeavor, an individual whose opinions command the respectful attention of his fellows and whose example influences their thinking." (This ought to impress our wife and a few of the fellows around town.)

We're looking forward to the second letter. Wouldn't you?

NOBODY CAN charge Mr. and Mrs. M. W. Cotton with being superstitious. They've just bought a house at 1300 West 13th Street. . . Mr. E. G. Danton, of the Firestone store, was a baseball pitcher for 11 years back in the good old days. . . Mr. and Mrs. Dago Huffmyer are home from enjoying a vacation in New Mexico. Hear they made part of the mountainous journey via mules.

CROWDS CONTINUE good at the softball games. The commercial league teams start their games every night at 8:45 p. m. The church teams quit at 8:40, regardless of the inning, in order to shorten the program.

COMES A letter from W. L. McCorkle who reports "I notice the pro and con on parking meters. I don't know the best solution, but I do know if you workers and merchants would stop parking all day we, your customers, could find ample room most of the time. If I have to pay to stop in front of your place of business I will turn my trade to Nimrod."

We're glad to get Mr. McCorkle's letter. We haven't expressed an opinion on the parking meter situation. We're of the "Let's wait and see" school. The history of the meters, however, indicates that Mr. McCorkle and others are going to like the meters. No city that installed them has ever taken them out permanently. "The meter people are so sure that people will like them that they're willing to sell them on a 'pay-us-out-of-the-receipts' basis."

Girls' Softball Team Loses Initial Game To Experienced Gorman Team

The newly formed girls' softball team dropped its first game of the season Friday night when they went to Gorman for an encounter with the seasoned team there. They returned on the short end of a 10-3 score. The team, under the management of L. A. Sublett, has been working out only a short time but plans to put in a strenuous week preparing for two games to be played here Friday and in Eastland Tuesday. The girls will travel to Eastland Tuesday to play a strong team from that city and will

play on the home grounds Friday when they meet Gorman in a return engagement. Manager Sublett invited all girls interested in playing softball to meet with the team at the junior High School practice field each evening, except Saturday or days of games, at 5 p. m.

The team is composed of Barbara Coffee, catcher, Melva Sublett, catcher, Jessie Warren and Sally Speegs, pitchers; Dorothy Sublett, first base; Susie Thackerson, second base; Patricia Borst, third base; Virgie Chambliss, shortstop; Betty Green, center field; Connie Miller, left field; Betty Hughes, left field and Dorothy Harlow, right field. Utility players are Darlene Sublett, Patsy Gryder and Janel Miller. The above three are used in any position where they are needed.

Local Man Held In County Jail

A 45-year-old Cisco man was taken to the Eastland County jail Friday after he had spent some time in the local jail on a disturbance charge.

He was placed in jail at Cisco and was charged in Justice Brown's court with "threatening the life of a human being," a felony complaint.

Bond was set at \$500.00 and an additional peace bond was set at \$1,000.

The charge grew out of an incident which allegedly occurred in Cisco Wednesday. Dawson allegedly broke down the door of a local residence and threatened the lives of the couple who resided there.

The case was bound over to the grand jury.

County Newsman Buys Mineral Wells Newspaper Plant

Frank A. Jones, veteran Eastland County newspaper man, recently purchased a Mineral Wells paper and has assumed the management, it was reported by Mrs. Jones Friday.

Jones left Eastland some time ago to manage the weekly newspaper, The Mineral Wells News. He purchased the paper from its present owner and will move his family soon.

Jones moved to Eastland in 1911 and has worked on the Eastland Record, the Eastland Chronicle and the Eastland Telegram.

Social Security Representative To Be Here Thursday

E. Glen McNatt, field representative of the Abilene office of the Social Security Administration, will be at the Post Office in Cisco at 2:00 p. m. on Thursday, June 30.

Persons wishing assistance with retirement claims or death claims under the Social Security Act should call at that time for necessary help and information.

Tommy Tipton who has been stationed at Fort Sam Houston, San Antonio, is spending the week end with his mother, Mrs. Carrie Tipton. He has been transferred to Shepard Field in Wichita Falls where he will be attached to the medical corps.

Also visiting his mother is Capt. Albert Tipton who is with the National Guard on maneuvers at Camp Hood, near Gatesville, Elberton, returning to Camp Monday.

Mr. and Mrs. S. E. Waters and sons Ronnie and Sammy of Pampa are spending their vacation in the home of his parents, Mr. and Mrs. George Waters. Mr. Waters is employed by the Humble Co. in Pampa.

Also visiting in the Waters home is their daughter Mrs. Lois Fay Bridges and children, George Ruben, Kindel and Helen Fay or Odessa.

More Than 500 Visitors Expected At Meetings To Be Held This Week

AN EMBARRASSMENT OF RICHES—These two little girls are crossing their fingers to retain their good luck. They are Leona Wasyl, left, and Dorothy Wagner, both of New York, who found \$550 in a can while playing near their homes. Leona now wants to buy her family a chicken farm, but Dorothy says she'll settle for a new television set and a car.

Independent Oil Men And 4-H Club Boys Hold Meetings Here This Week

Cisco will attract more than 500 visitors Monday, Tuesday and Wednesday when the West Central Texas Oil and Gas Association will hold its summer meeting at the Cisco Country Club; and 4-H Club boys from five county areas will hold their annual two day meeting beginning Monday.

Texas Farmers Increase Use Of Fertilizer

WASHINGTON, D. C. June 26 — Texas farmers are using larger amounts of fertilizer in the growing of their crops. Figures made available by the National Fertilizer Association show that an estimated 467,488 tons were consumed in the State last year as compared with 413,649 tons in the preceding year. The 1948 report shows an increase of about 13 percent over that in 1947 and an amazing 294 percent increase over the pre-war year 1940.

In the entire country, 1948 consumption topped the previous record year of 1947 by about 6 per cent, 15,956,289 tons as against 15,039,376 tons.

The 10-year record of uninterrupted increase in the level of fertilizer consumption is attributable to several factors. An important influence, of course, has been the desire of American farmers to increase their crop yields and their readiness to accept and apply scientific practices that will accomplish this end. Other factors include the declining reserve of plant feed in the soil; the realization that greater yields per acre can be produced from many crops; the greater requirements of new high-yielding crop varieties such as hybrid corn; and the recognition that pasture is a cash crop which should be fertilized.

On Monday and Tuesday more than 150 4-H Club members, their sponsors and their fathers, from Eastland, Stephens, Shackelford, Callahan and Palo Pinto Counties, will hold their annual meeting at Lake Cisco Park. This is an annual affair held soon after school is out each year.

The group will participate in athletic events and spend the two days enjoying the facilities of the park. County Agent Cooper will have charge of the meeting.

The Local independent oil operators, headed by L. A. Warren, R. L. Ponsler and Don Choate will act as hosts to the members of the West Central Texas group at their summer meeting Wednesday when questions pertaining to the independent operator will be discussed. The meeting will be highlighted by a barbecue to be held at the Country Club at 6:30 p. m. that day.

Prior to the barbecue directors will play golf and the members of the group will meet to study independent operator problems. The local Chamber of Commerce is cooperating with the oil men in bringing the entertainment. V. C. (Bud) Perini of Abilene is president of the association.

Fred Shields of San Antonio, President of the Independent Petroleum Association of America will be the principal speaker. Lt. Governor Alan Shivers and Attorney General Price Daniel are expected to attend as are members of the Railroad Commission and other state officials.

Cancer Control Goals Almost In Sight

HOUSTON (Special) — The cancer control goals of a previous generation are today almost within our grasp, J. Louis Neff, executive director of the Texas Division of the American Cancer Society, said today in a letter to cancer control leaders of the state, urging them to intensify their aid to the 1949 fund-raising campaign of the Society.

"We must not slacken the pace of cancer education, service, and research. Thirty-five years ago cancer was the seventh cause of death in our nation," he pointed out. "Today, it is the Number Two Killer. What will it be tomorrow, unless we intensify our cancer control work?"

Presbyterian Youth Encampment To Begin At Lake Cisco Monday

The annual encampment of the youth groups of the Mid-Texas Presbytery will get underway at the Presbyterian Encampment at Lake Cisco Monday when approximately 100

boys and girls between the ages of 11 and 15 and their sponsors meet for a week of camping.

The time will be spent in recreational and devotional activities under the supervision of

trained counselors and sponsors. Much time will be spent in crafts and sports and speakers from the area will take part in the instruction program.

On July 6 the older group will arrive at the encampment grounds for an 8 day stay and their activities will be along the same line as the younger group. More than 100 members of youth organizations in the Presbytery and their sponsors and instructors will attend the meeting.

Since the encampment was built several years ago it has grown in popularity, not only among the church group but also as a favorite place for family reunions and a meeting place for other church groups.

The facilities have been booked solid through September 11, according to E. P. Crawford who is in charge of the booking.

This week end the family of Mrs. F. E. Clark will gather at the encampment grounds for their annual reunion and last weekend the family of Mrs. M. W. Oldam met there for their annual gathering. Many other reunions have been held and more are booked for the summer.

The place was designed for convenience and is the ideal place for gatherings; and plans passed at a recent meeting of the Mid-Texas Presbytery call for the raising of between \$25,000 and \$50,000 for the erection of new dormitories and the modernization of present facilities.

HARLINGEN GIRL WINS FIRST PLACE IN TWIRLING CONTESTS

Miss Nelda Rae Haberniet of Harlingen was awarded first place in the twirling contests which closed the Cisco Junior College Twirling School here Friday. The school was under the direction of Woody Woodward, former National twirling champion.

Bobbia Reynolds of Cisco was given the second place medal and received high praise for her work. The two girls were in the advanced group and were

A Division twirlers and majorettes.

Gloria Martin of Ennis won the honors in the intermediate group and second place in that division went to Ann Whitehorn of Odessa.

Dot Fisher of Colorado City won the medal in the beginners division.

The school, which began Monday, attracted 34 students from all over Texas and was declared to be the best ever staged here. The work was under the direction of Mr. Woodward and Fred Baumgardner. Jack Everett was in charge of the tumbling instruction.

Rev. Charles L. Graybeal, recently of the West Coast and now a member of the staff of Texas Christian University of Fort Worth, will be the guest speaker at the First Christian Church at both services today.

Nephew Of Local Man Is Buried

Sgt. William D. Slaughter, 19, nephew of W. J. Slaughter of Cisco, will be reburied in De Leon after services there at 4 p. m. Thursday in the First Methodist Church. The youth was killed May 7, 1944, over Germany, while on his third mission as a tail gunner on a B-17.

Before entering the service, he was a student at John Tarleton College. Survivors include his parents, Mr. and Mrs. W. P. Slaughter of De Leon; a sister, Mrs. Harold Sezik of Dubuque, Iowa, and a brother, A. L. Slaughter of Fort Worth.

Mr. And Mrs. J. G. Rupe, Sr., Have Golden Wedding Anniversary Celebration And Family Reunion

This week end will have a double significance for Mr. and Mrs. J. G. Rupe, Sr., of 710 West 13th who celebrated their golden wedding anniversary on Saturday and have all their children at home today for a family reunion.

On June 25, 1899, Miss Lena Hauck was married to J. G. Rupe at Buffalo, Texas. They came to Cisco in 1919 and have made their home here since that time. Mr. Rupe is a painting contractor and has been a painter and decorator since moving to Cisco 30 years ago.

He recently returned from a Dallas Hospital where he was taken to recover from a critical illness.

They had six children, all of whom are visiting their parents to have a part in the celebration. They are Mrs. J. B. Spearman of Richland Springs, Mrs. J. C. McGregor of Richland Springs, Mrs. Ed Brown, of McAllen, Mattie Grace Morris of Cisco, J. G. Rupe Jr., of Houston and John H. Rupe of Cisco.

An anniversary supper was served on the back lawn of the Rupe home Saturday night and a barbecue will be served at noon today in the back yard of the home. Mr. Spearman, Mrs. McGregor and daughter, Mr. Brown and three children and the daughter of Mrs. Morris also were present for the reunion Sunday.

Others attending the reunion are Mrs. Jessie Curry of El Paso, Mr. and Mrs. Chester Albright and Mrs. Rhetta Pickens of Buffalo, Mr. and Mrs. W. B. Hardeman and son of Clint, Bill Albright of Midland and Buster Pickens of Buffalo. Mrs. Curry, Mrs. Albright and Mrs. Pickens are sisters of Mrs. Rupe.

Railroads To Omit Objections In Large Law Suit

WASHINGTON, June 24— Counsel for the railroad defendants in reparations suits aggregating between two and three billion dollars today told the Interstate Commerce Commission "they would omit technical motions and objections at this time" because they prefer to meet head-on the charges which have been leveled against them by the Department of Justice.

"So much publicity has attended the filing and prosecution of these cases," said Kenneth F. Burgess of Chicago, railroad counsel at the opening of the hearing, "that we prefer to let those who make these claims have wide latitude in their effort to substantiate what we believe to be wholly unjustifiable and inequitable claims."

J. L. Collins, the father of Cecil Collins, judge of the Eastland Court of Civil Appeals, was admitted to Hendrick's Memorial Hospital in Abilene this week. His condition was reported as serious.

Thunderstorm Brings Additional Rain; Lightning Causes Damage

A thunderstorm which struck Cisco early Saturday morning added one-half inch of moisture to the already soaked ground and caused some lightning damage to Thornton Feed Mill and Cisco Lumber and Supply Company. The storm was accompanied by high winds and some hail.

The hail caused little damage in Cisco but was heavier west and north of town. Grain was damaged in the area between Moran and Putnam when rain and high wind beat some of it to the ground. Harvest was approximately 50 per cent complete.

The fruit belt south of town received a heavy rain and some hail but the damage was thought to be negligible. Row crops

TECH TO CLOSE JULY 4

LUBBOCK, June 26. — All offices will be closed and classes will be dismissed at Texas Technological College July 4 in observance of American Independence Day, Dr. E. N. Jones, vice-president, announces. This is the only legal holiday to be observed by the college during the first summer semester.

TO ENCAMPMENT

Some 12 members of the Junior G. A.'s of the First Baptist Church planned to leave early Sunday for Leuders to attend their annual encampment. The group was to be accompanied by Mrs. W. M. Collins, sponsor.

were benefited by the moisture and gardeners welcomed the fall.

Little water was added to Lake Cisco but additional rains were forecast and since the ground is soaked any additional rains which falls will cause the lake to rise. Lake Custodian Ray Judia reported the catch as just a few inches.

Lightning which accompanied the storm was believed responsible for a fire which broke out at the Thornton Feed Mill during the height of the storm. The fire caused an unestimated damage to the dust flume on the roof of the main building and to an electric motor which was mounted in the mill

room. Water damaged approximately 30 sacks of feed which were set afire by the lightning. Firemen were called to the scene three times before the smoldering feed was extinguished.

Slight damage was done at the Cisco Lumber and Supply Company, supposedly by lightning but firemen were not called to the scene.

Thunderstorms struck in many sections of Texas and caused a drop in temperatures everywhere except in the Laredo area where the mercury reached the 109 mark. Dallas was the cool spot of the day when the average was in the low 70's.

POLIOMYELITIS IN TEXAS

Polio is again causing concern in Texas. Already the infantile paralysis incidence rate is paralleling that of last year when a record total of 1,765 cases was reported. In 1948, polio epidemics affected 100 of the state's 254 counties, with the most severe outbreaks occurring in the Rio Grande Valley and along the Gulf. So far this year the cities of San Angelo and San Antonio have the hardest impact of the crippling disease.

Where will polio strike next? That is a question everyone asks and none can answer. But Texas is meeting this new challenge with all the vigor and enterprise at its command. Throughout the state communities are waging militant clean-up campaigns in an effort to stem the tide.

Will they succeed. Again

SEES THREAT TO U.S.

War-essential American jeweled watch industry is threatened by heavy imports from Switzerland which discourage healthy growth of domestic manufacture and thus endanger national security in case of another conflict, James G. Shennan (inset), president of Elgin National Watch Co., tells U.S. Senate committee at hearing on extension of trade agreements act. Asking "realistic duties" to equalize difference in movement costs resulting from Swiss labor rates which are 60 per cent lower than U.S. rates, Shennan cites figures for past 10 years (above). They show that imports captured bulk of U.S. market while the three exclusively American manufacturers of jeweled movements were engaged in vital war production.

state's own share of the March of Dimes had been exhausted. Already this year another \$200,000 has been sent here, together with huge quantities of emergency and scores of specially trained personnel.

But money isn't enough; caring for cases isn't enough. Preventing polio — that is the only

satisfactory solution to the problem. The National Foundation realizes this, and is spending the bulk of funds not used for medical care in the search for an answer. It would like to spend more, it would like to spend all its funds on research, but the fact is we must live with polio until it is conquered. We must care for its victims today.

What progress, people ask, is being made in polio research? Must we reckon in decades or even longer? The National says emphatically NO. In its annual report released this month, the Foundation declares that hope for victory over polio was never brighter. The most costly research project ever undertaken by the March of Dimes organization was launched last year to discover by 1951 how many viruses cause polio — a necessary preliminary step in developing a vaccine. There was cause for rejoicing, too, over the first sign of progress in cultivation of the virus outside living nervous tissue. Virus must be produced in adequate quantities before a vaccine can be prepared.

In other polio research, it now appears "more than likely" that a simple test-tube method will soon be developed for the diagnosis of the disease, and that "considerable development" has been accomplished in providing new mechanical apparatus for the treatment of respiratory paralysis. March of Dimes research such as this

is going on in 88 of the nation's leading universities and hospitals, including several in Texas. True, no miracle drug, no golden bullet, no final answer has yet been uncovered, but already Texans have benefitted from this research. Techniques for treating bulbar polio, deadliest form of the disease, were developed through such research, and during this very month Texas lives have been saved in this way.

Until final victory is won it is the responsibility of every citizen to avoid hysteria and to observe these five precautions recommended by the National Foundation for safeguarding children from polio: AVOID CROWDS; avoid over-fatigue; avoid swimming in polluted water; avoid sudden chilling; and observe the golden rule of PERSONAL CLEANLINESS.

AND NEWS OF INTEREST TO WOMEN

DOROTHY JEAN ANDERSON BECOMES BRIDE OF WILLIAM H. HOFFMANN

Miss Dorothy Jean Anderson became the bride of William Hilton Hoffmann of Eastland, in a double ring ceremony read by Reverend Otis Strickland, in the First Baptist Church of Cisco, on Saturday evening, June 25, at eight o'clock.

The bride is the daughter of Mrs. Myrtle Anderson of Cisco, and the groom is the son of Mr. and Mrs. C. W. Hoffmann of Eastland.

The bride attended T. W. C. Texas University, and graduated from Texas Tech in June, 1948, with a degree in Home Home Economics. She taught in the Brownfield school system last year. She was a member of Sang Souci Social Club and the Home Ec. Club at Tech and a member of a business and literary club at T. W. C.

Hoffmann attended New Mexico Military Inst. and graduated from Texas Tech in June of this year. He spent three years in the U. S. Marine Corps. While in school he was a member of Block and Bridal, the Aggie Club, and was president of Kemas Fraternity and president of the Men's Interclub Council. He graduated with a degree in Animal Husbandry.

Miss Anderson was given in marriage by her brother, Eldon Anderson of Lubbock. Her gown of ivory satin was fashioned with a Victorian neckline, banded with pearls of graduated sizes. The bodice was long and fitted, and the deep yoke of illusion was outlined and embroidered with pearls. The long sleeves were finished with points over the hands. The full

skirt fell from a draped hipline and a small bustle into a long train. Her veil of bridal illusion fell finger-tip length from a winged coronet of seed pearls. The bride's bouquet was white gardenias showered with stephanotis and satin ribbons.

Her attendants were dressed in identical frocks of lime green taffeta with modified Queen Anne collars and softly draped full skirts. Mrs. Eldon Anderson, sister-in-law of the bride, was matron of honor, and Miss Catherine Sheuard was maid of honor. Other attendants were Mrs. Richard Vickers of Odessa, Mrs. Bryon Dennis of Abilene, Miss Marjorie Morehead of Floydada, and Miss Martha Harris of West. Their bouquets were of yellow gladioli arranged on fans of American Beauty lace and tied with matching bows of satin ribbon.

Mr. George Walls of Knox City served Mr. Hoffmann as best man. Other groomsmen were Jack Germany of Wichita Falls, Richard Vickers of Odessa, William Atwood of Graham, Pat Owens of Odessa, and Harold Everett of Eastland. C. W. Hoffmann, Jr., younger brother of the groom, was junior groomsmen.

The bride's mother was attired in soft ash-rose lace over taffeta. Her matching hat was with a Victorian neckline, banded with pearls of graduated sizes. Her long gloves were a deeper rose and her shoulder corsage was an orchid. The groom's mother wore gray lace over matching taffeta and gray elbow length gloves. Her flower was an or-

child. Pre-nuptial music was furnished by Miss Billie Jean Hall and Mrs. C. W. Langston of Dallas, violinists. They played "Always," "Clair de Lune," "Adoration," "Smiling Through," "Because." During the ceremony they played "Star Dust." Miss Mary Hoffman, sister of the groom, sang "Indian Love Call," "I Love You Truly," and "The Lord's Prayer." Miss Lovell Paul furnished the accompaniment and played the "Bridal March."

The Wedding vows were exchanged beneath an arch of huckleberry foliage and white gladioli. Cathedral tapers in seven branched candelabra and along the choir rail highlighted the tall baskets of gladioli and the huckleberry greenery over white which covered the chancel. Pews were marked with satin tied clusters of gladioli.

The reception was held in the new home of the couple in Eastland. The three tiered cake, decorated with yellow roses and topped with a miniature bride and groom was served by Mrs. M. A. Hamby, aunt of the bride from San Angelo, and Miss Helen Hilton, aunt of the groom from Tyler. Punch was served by Mesdames Mitford Johnson of Waco, C. W. Langston of Dallas, Clifton McNeely of Pampa, and Miss Billie Jean Hall of Cisco.

Other members of the house party were Mrs. H. E. Skipper of Midland, Miss Marion Chambliss of Abilene, Miss Lovell Paul, Mesdames Truly Carter, Mac Stephens, Paul Poe, Barton Philpott, C. E. Paul, J. J. Porter, F. E. Shepard, E. L. Pugh all of Cisco, Mrs. Bryan Hilton of Coleman, Mrs. Young of Eastland, Mrs. Jack Germany of Wichita Falls, and Miss Emily Long of Eastland. Mrs. Arlon Hamby of San Angelo presided over the bride's registry.

For traveling Mrs. Hoffman wore a white Handmacher suit with ice blue accessories and an orchid corsage. After a few weeks' honeymoon Mr. and Mrs. Hoffmann will be at home at 708 South Dougherty in Eastland.

gle ring ceremony performed by the Methodist pastor of that city. Only a few relatives and friends of the couple were present at the wedding.

Rehearsal Dinner At Victor Hotel

Following rehearsal Friday evening at the First Baptist Church, Mrs. Myrtle Anderson was hostess to the Anderson-Hoffmann wedding party with a dinner at Hotel Victor. The table was centered with a pretty arrangement of yellow flowers and during the lovely four course dinner, a background of soft music was enjoyed.

Those present were Miss Dorothy Anderson, W. H. Hoffmann, Mr. and Mrs. W. C. Hoffmann, Miss Mary Hoffman, Mr. and Mrs. Eldon Anderson, Rev. and Mrs. Otis Strickland, Miss Helen Hilton, Mrs. M. A. Hamby, Mrs. H. E. Skipper, Mr. and Mrs. Richard Vickers, Mrs. Bryan Dennis, Miss Marjorie Morehead, Miss Cathryn Shepard, Pat Owens, Bill Atwood, Harold Everett, Mrs. Dub Langston, Miss Billie Jean Hall, Miss Lovell Paul, George Wall and Mrs. Myrtle Anderson.

Mrs. C. E. And Miss Lovell Paul Honor Bride - Elect

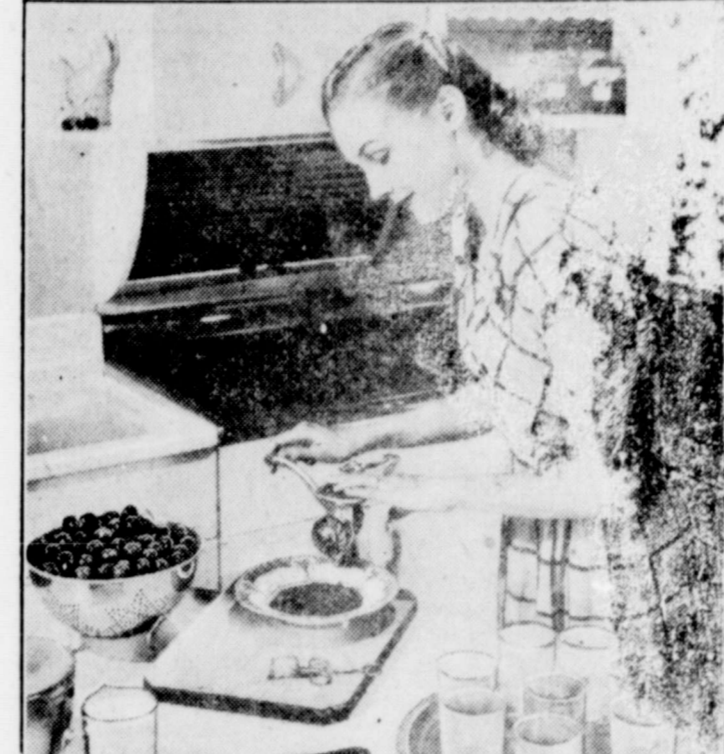

Mrs. C. E. Paul and daughter, Miss Lovell Jean Paul, entertained Thursday evening in their home in the honor of Dorothy Jean Anderson, bride-elect of Wm. C. Hoffmann of Eastland.

Guests were met by the hostesses and were directed to a table where Miss Cathryn Shepard presided at the registry. Games and contests were enjoyed, prizes going to Cathryn Shepard, Catherine Mae Parker and Marjorie Morehead; who, in turn, presented them to the bride-to-be. The honoree was presented with an Italian vase by the hostesses.

Simple, Quick and Perfect Are These Jams and Jellies of Today

By Frances Barton

What three old-fashioned ingredients did grandmother need for jelly making that we don't require today? They were time—trouble—and a good temper! Modern jelly makers whisk their material together, follow scientific instructions, and turn out a perfect product every time. It's as simple as that! These short-kill recipes have been thoroughly tested, and if you want to capture your share of the good things of the season, it's high time to start filling up that jelly cupboard.

Cherries are now on the market—and glasses of sweet spreads made by these recipes bring cheer to summer and winter meals alike. Not only are they easy to make, but very flattering to the reputation of the cook as well!

Cherry and Rhubarb Jam
3 cups prepared fruit
1 box powdered fruit pectin
4 cups sugar

To prepare the fruit. Stem and pit about 1 pound fully ripe sweet cherries. Chop fine. Slice thin or chop (do not peel) about 1/2 pound rhubarb. Combine fruits. Measure 3 cups into a large saucepan.

To make the jam. Measure sugar and set aside. Place saucepan holding fruit over high heat. Add powdered fruit pectin and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim, ladle quickly into glasses. Paraffin at once. Makes about 7 six-ounce glasses.

Cherry Jelly
(Using sweet cherries)
2 1/2 cups cherry juice
1/2 cup lemon juice
1/2 cup sugar
1 bottle fruit pectin

To prepare the juice. Stem (do not pit) about 3 1/2 pounds fully ripe sweet cherries and crush thoroughly. Add 1/2 cup water; bring to a boil and simmer, covered, 10 minutes. (For a stronger cherry flavor, add a few crushed cherry pits during simmering, or add 1/4 teaspoon almond extract before pouring jelly.)

Place in a jelly cloth or bag and squeeze out juice. Measure 2 1/2 cups juice into a large saucepan. Squeeze and strain juice from 4 medium-sized lemons. Measure 1/2 cup into saucepan with cherry juice.

To make the jelly. Add sugar to juices in saucepan and mix well. Place over high heat and bring to a full rolling boil and boil hard 1/2 minute, stirring constantly. Remove from heat, skim, pour quickly into glasses. Paraffin at once. Makes about 11 six-ounce glasses.

Refreshments of dainty sandwiches, decorated cake squares, lime ice and rosebud mints carried out the bride elect' chosen colors of yellow and Nile green.

Those present were: Miss Dorothy Anderson, Mrs. Myrtle Anderson, Mrs. C. W. Hoffman and Miss Mary C. Hoffman of Eastland; Miss Marjorie Morehead of Floydada; Mrs. Jimmie Jean Johnson of Waco; Mrs.

Catherine Mae Parker of Tulsa, Okla., Misses Cathryn Shepard, Carolyn Crofts, Betty Dean Lennon, Gene Grantham, Mary Philpott, Mrs. J. J. Porter, Lovell June and Mrs. Paul.

Mrs. Ada Wheeler Is Circle Hostess

Circle Five of the First Baptists Women's Missionary Society met Tuesday afternoon at the church with Mrs. Ada Wheeler as hostess. Mrs. O. J. Russell, the chairman, was in charge and conducted the business session where routine business was transacted. Minutes of the last meeting, read by Mrs. O. G. Lawson, were approved. Mrs. Ada Wheeler directed the lesson from the book "The Larger Stewardship."

Light refreshments were passed during the social hour to Mrs. O. J. Russell, Mrs. G. M. Beene, Mrs. O. G. Lawson, Mrs. W. J. Poe and the hostess, Mrs. Wheeler.

Mr. and Mrs. Chesley Tipton and sons, Danny and Tommy, left this week end for ten days vacation that will take them to Morenci, Arizona, and to Juarez, Mexico. Mr. Tipton is employed with Premier Oil Co.

Three Were Honored At Birthday Party

Mrs. J. A. Jensen was hostess Thursday evening in her home to the members of Goodwill Rebekah Lodge with a birthday party honoring three members, Mrs. Edith Rainbolt, Mrs. Dee Clements and Mrs. Ruth Bellinger, whose birthdays come during the month of June. Games were played during the evening and a gift from the Lodge was presented each honoree in a clever unique way.

During the serving of refreshments which consisted of sandwiches, ice cream and cake, the honorees were called into the dining room where on the table were three miniature birthday cakes awaiting them topped with burning candles. On each cake the name of each of the three ladies was written in pink icing.

Mississippian Is Honored On Visit To Refinery

June 13 was an exciting day for a Baptist pastor who brought his wife and son to Houston on a vacation from the little town of Bellefontaine, Mississippi — population 250. He had become king for a day as the twenty-thousandth visitor to attend a conducted tour of Humble & Refining Company's refinery.

Rev. J. V. Wilson, his wife and son, Joe Hood Wilson, were visiting San Jacinto Battleground and the Battleship Texas as when they and other visitors were invited to attend the afternoon tour of the refinery.

As the tour guide began the regular orientation lecture in the Community House at Baytown, he thumbed through the 29 guest registration cards for the day and announced that Reverend Wilson was the twenty-thousandth visitor to the refinery since conducted tours were inaugurated July 15, 1938. Among the 20,000 visitors were 8,900 students from 145 Texas schools who toured Baytown refinery as a special school activity. These student tours are discontinued for the summer, but the regular public tours are conducted daily, including Saturday and Sunday at 2:00 p. m. Immediately following the

70-minute bus tour of principal refining units and the synthetic rubber plants, Reverend Wilson and the entire group were guests at a party held in the pastor's honor. As a memento

of the occasion, he was presented a hand-tooled silver buckle. His son received a calfskin wallet; and Mrs. Wilson received a corsage.

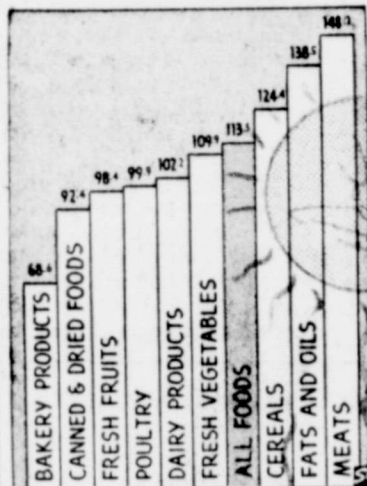

"This has certainly been a wonderful day," the jovial pastor exclaimed. "Sure wish I had known all this was going to happen, though. I would have dressed up and put on a coat and tie."

Bakery Products Best Food Buy

The cost of bakery products to homemakers has increased less since pre-war than any other major category of food, according to this chart which shows food cost increases between 1939-40 and 1947-48.

The price of bakery goods has risen only 68.6 per cent, compared with the average for all foods of 113.5 per cent. Best buy, next to bakery foods, is canned and dried foods, according to the chart, with fresh fruits in third place.

The chart is based on information from the U.S. Bureau of Labor Statistics.

WATCH YOUR DOLLARS

There's an old saying that if you spend a dollar at home you have a chance of getting it back; but if you spend it away from you, you've just spent a dollar.

There is more truth than poetry to that statement. What would your home town be like if everybody traded elsewhere. It would be pretty sad, wouldn't it? Who would provide jobs? Who would pay the taxes that help operate your city and schools?

Trading at home is a pretty important proposition.

Your home town merchants and professional men are the only men of their class in the country who really care about you.

Alathean Sunday School Class Met At Mrs. Morgan's

The Alathean class of First Baptist Sunday School held the regular business and social meeting in the home of Mrs. D. A. Morgan, Thursday evening at 8. Upon arrival, guests were invited to the cool back yard which was lighted for the occasion and where seats were arranged for the class meeting.

Mrs. Roy Pippen class president called the meeting to order and welcomed Mrs. R. W. Warren of Lyle; and Mrs. T. B. Rutherford of Terrell, sister-in-law of the hostess. Mrs. L. W. Tucker read as a scripture devotion the entire Fourteenth chapter of the Book of John, after which Mrs. E. C. Moorman led the group in prayer. The business session was next conducted by Mrs. Pippen.

Due to the absence of the secretary, Mrs. J. G. Philips, minutes of the last meeting were omitted. The class decided to pay the board and dues of two children for a week each at Lueders encampment. Reports of sickness in the homes of some of the members was mentioned; and other routine business was transacted. Names of un-enlisted women who are eligible to the class were read by the president and members were requested to contact them. The business meeting was adjourned with prayer and a social hour was held. A few interesting games were played and a nice sandwich plate with olives and

a cup of delicious punch was passed to Mesdames L. W. Tucker, E. C. Moorman, Jay Warren, T. B. Rutherford, T. E. House, Kate Richardson, H. N. Lyle, R. W. Warren, L. J. Schaeffer, Leo Keelan, Roy Pippen, Miss Mary Sykes and the Hostesses, Mrs. D. A. Morgan.

Luncheon Honored Bride - Elect, Miss Dorothy Anderson

Mrs. F. D. Wright was hostess Wednesday with a luncheon at 1 o'clock honoring Miss Dorothy Jean Anderson, bride elect of W. C. Hoffmann of Eastland.
