The Gay Philosopher

By J. W. S.

IF WE WERE a resident of England, we'd be pretty worried about the future. They're in the midst of an economic depression and, according to the newspapers, they're toying with plans to ask Uncle Sam for a \$5 billion dollar loan.

ANYONE WHO thinks the United States is in bad shape, with the 250 billion dollar debt, should study the English situation. While ours is a country full of resources, England is a tiny island - the center of a loose group of colonial possessions.

Uncle Sam has gone a long way with the British. There's a huge debt from World War I in the books. And, during World War II, lend-lease cost the United States 31 billion in England alone. The U. S. made the British a gift loan of nearly \$4 billion in 1946. And under the Marshall Plan, the British have received about \$6 billion, seven hundred million with more than 300 million allocated for the current year.

ENGLAND'S only hope for survival is to import raw materials and export finished products. They must import a large percentage of their food. In many ways, it looks like a losing battle.

TIME PASSES A lot faster than some of us think. For instance, in less than a month the footballs will start flying hereabouts. High schools begin training on August 15 this year. At this month, High School coaches Jack Everett and Buck Overall and College Coach Normy Davis will go to Beaumont for the annual coaching school.

SPEAKING OF Mr. Stormy Davis, he is probably demanding and getting new, respect around town. The other afternoon he scored an eagle two on the long No. 3 hole at the golf course. He got off a good drive that went nearly to the green. Then, his pitch shot went into the cup.

HEAR THAT Ranger's annual rodeo, which opened last night, is bigger and better.

STORED FOODS INCREASE

AUSTIN, July 21. - June food-storage holdings of Texas are totaled 13,073 pounds, an 8.5 per cent increase over June, 1948, the University of Texas Bureau of Business Research reported.

Other notable increases were in dried eggs, creamery butter, fluid cream, fresh vegetables and evaporated and condensed milk. Declines ranged from 10 per cent in frozen poultry to 53 per cent in hides and pelts.

EST COMPLETED

Completion of the Coe Oil Company's Ellenburger test on the Sawyer tract, five miles west of Cross Plains, was announced today. The well is the firm's second in the field, both of which are on the Sawyer and north extenders for the field.

CAR LOADING JUMPS

Austin, July 21. - Export of coastal cars unloaded in Texas in June totaled 20,326, a 10 per cent gain over June, 1948, the University of Texas Bureau of Business Research reported.

From Texas & Pacific Railway Topics: "Have you heard one about the minister who walked into a bar, ordered milk, by mistake was served a milk punch. After drinking it, he lifted his eyes to heaven and heard a say - 'Oh, Lord, what a cow!'"

Oklahoma Man To Head Moran Schools

MORAN, July 21. - At a meeting of the Moran Independent School Trustees recently, Derwood Y. McKinney of Lexington, Okla., was elected superintendent of Moran High School.

Mr. McKinney, age 40, comes highly recommended. His past four years were spent as superintendent of Lexington High. He holds B. S. and M. S. degrees from East Texas State Teachers College.

He will move his family to Moran next week, when Hugh W. Smith, who resigned to teach in Abilene High Schools, moves from the residence built by the school board for the superintendent. Mr. and Mrs. Hugh Smith resided in Moran five years and will be greatly missed.

Ex-Pioneer Students To Hold Reunion

The annual reunion of former students of the Pioneer Schools has been scheduled for August 18 at the Cross Plains Lakewood Country Club, W. L. Garrett of Abilene announced this week.

Some 100 ex-students were expected to attend, Garrett said. The reunion, held once a year, will get underway at 9:45 on the morning of the 18th and continue into the afternoon.

Officers elected at the gathering last year, who are now serving the ex-students association, are: Sam Browning, of Sweetwater, president; E. M. Curry, Pioneer, secretary; and Willis L. Garrett, Abilene, secretary.

First Christians, First Baptists; CJC, Putnam To Play Here Tonight

The fourth place First Christians, returning to the scene after last Monday's 16-6 drubbing by the Methodists, will engage the versatile First Baptists tonight at ABC Park.

Putnam will move against the Cisco Night Schoolers, now tied for first with the Scranton Plowboys, in the second of tonight's twin bill. The Christian Baptist clash will get underway at 7:45.

While the Christians took a severe beating from the Methodists Monday, the Baptist Blue Sox again routed a persistent East Baptist nine in a 7-5 win Tuesday, it being their 20th victory for the season. Still the loop-leading team to beat, the Baptists will play host to the Coggin Avenue Baptists from Brownwood here tomorrow night. The visitors, in a meet there, rapped the local Baptists, 7-5.

In addition to the Brownwood - Cisco Baptist meet, the Cisco Night Schoolers play the Breckenridge Y. F. W. Tickets

ABC Club Begins Membership Drive At Breakfast Thursday; Goal Set At 200

A drive for additional members into the ABC Club here was launched in a kick-off meeting this morning at the Victor Hotel dining room. Some 26 volunteer workers reported.

M. F. Underwood, president of the organization, said afterwards that the club was seeking an additional enrollment of between 150 and 200 new members. A campaign in the business section and parts of the residential sections has been mapped out.

Teams of two workers, thirteen in all, started immediately after the kick-off and the drive for members will continue through Saturday and possibly into next week, Underwood said.

In the meeting, Underwood, who is the second president of the organization following its organization last year, said he believed the people of Cisco would fall into line with the program.

"The need for support is great," he said. "Such a club has numerous responsibilities during operations and assistance must come from those the club is benefiting."

Membership fees into the organization have been set at one dollar per year, \$5.50 for six months or \$10.00 a year, Underwood said. The fees are payable to Glen Boyd or Ronald Rhodes, club secretary and treasurer.

camp of the 4-H Club girls. Miss Jackson gave demonstrations on outdoor cookery.

The Arlan Watson family returned recently from a most interesting and educational trip of eight days in which they visited in Louisiana, Arkansas, Mississippi, Kentucky, Missouri, and Illinois. Some of the interesting places they visited were the Mammoth Cave in Kentucky, Civil War battleground at Vicksburg, Mississippi, and the Wycliff, Kentucky, buried city — a burying ground of the ancient peoples, reputedly an older race than the American Indian. The old burying ground is at the junction of the Ohio and Tennessee Rivers just above where they flow into the Mississippi River and only a few miles out of Cairo, Ill.

Son Ballard, son of Mr. and Mrs. Clyde Ballard of Abilene, and grandson of Mrs. Caroline Bennett, of Gorman, has been seriously ill for the better part of a week, and he is so serious now that there is little hope of recovery. An infection seems to have set up resulting from a broken arm and the boy is running temperatures of 106 and 107 and has been for almost

three days. Ruth Slaton is in Blackwell Sanitarium for observation of an infection which seems to be traveling up from one of her limbs to the rest of her body.

Mr. and Mrs. B. B. Brummet spent the weekend in Monahans. Friday E. Clyde Whitlock, with whom Sylvia Brummet has been studying violin for over a year, was in town from Fort Worth for a visit with the Brummetts.

Dr. and Mrs. J. B. Brandon have returned from San Antonio where the doctor spent 15 days in an Army Reserve training camp. Joe returned with his parents.

The Rev. Taylor Henly, pastor of the First Baptist Church, is in a week's revival at Hannah, a small town out of Leuders where Rev. Henly held a meeting earlier in the year, and where also, he was camp counselor for the boys' camp which was held two or three weeks ago.

Mr. and Mrs. Andy Boyd and son of Pecos visited in the home of her mother, Mrs. Sims and

other relatives in Gorman this weekend.

Mr. and Mrs. Lester McDonald from Artesia, New Mexico, are in town for a few days. They lived here until a few years ago. Mrs. McDonald is the former Frankie Neil, sister of Mrs. Martha Sutton.
