Local Home Ec. Teacher To Attend Fort Worth Meet

Mrs. R. E. Bradshaw, Home-making Teacher of Cisco High School will be among the approximately 800 Texas home-making teachers who will meet in Fort Worth, August 8-12, for a 5-day in-service training conference.

The purpose of the conference are designed to give teachers opportunity to understand ways homemaking education can contribute to home and family living; implications of new trends in developing a homemaking education program as a part of the total home and family life program; and new legislation affecting homemaking education in Texas; to become acquainted with techniques and sources materials; and to develop professional growth by participating in the conference, getting acquainted and exchanging ideas.

Outstanding feature of the first general session, Monday evening, August 8, will be an address by John Ben Shepard, Gladewater attorney, traveler and past president of the United States Chamber of Commerce.

Consultants well-known in the field of education will bring information on trends, techniques and methods. Dr. Muriel Brown Consulate in Family Life Education Service, U. S. Department of Education, will lead work sessions groups in "Teaching Family Relations Through Homemaking Education."

Dr. George H. Finck, sociologist and economist, will conduct work sessions on "What Happens to Individuals in His Groups." Dr. Finck is on the summer staff, School of Sociology and Economics, North Texas State College, Denton.

Familiar to most homemaking teachers throughout the state is Dr. Bernice Moore, Consultant in Home and Family Relations with the State Board for Vocational Education, Austin Public Schools and the Hogg Foundation for Mental Hygiene.

Civil Service To Hold Job Exam

The United States Civil Service Commission today announced a Librarian examination for filling positions in various Federal agencies in Washington, D. C., and vicinity. Salaries range from \$3,727 to \$6,235 a year.

Persons appointed from this examination will perform or direct the performance of work in Federal libraries involving one or more of the following professional library techniques: Acquisitions, cataloging, classification, reference, and bibliography. In some instances, they will have full administrative responsibility for the functions of a library and for the activities of the library staff.

Further information and application forms may be obtained from the Commission's Local Secretary, Sam B. King, located at Cisco Post Office.

HUMBLE OILERS ENTER PLAY-OFF FINALS IN WIN OVER KILOWATTS

The race for the City's Commercial League championship was whittled down last night at ABC Park when the booming bats of the Humble Oilers humbled the West Texas Kilowatts, 14-1.

Head Umpire Elbert Tipton waved the game to a close after Oilier catcher Jadies Callarman crossed the platter with the fourteenth and final run for the evening. Under provisions of ABC Club rules, a game is called after one of the two teams has advanced 13 runs ahead of the other. The game was stopped in the fifth inning.

With the West Texans and the First Gaptists eliminated, the playoff battle will be held between the Humble Oilers and the Cisco Night Schoolers Thursday night. The winners will represent Cisco in the ABC Second Annual Softball Tournament next week. Officially, the Scranton Plowboys hold the Commercial League championship, however, team representatives asked to enter Scranton as an independent club in the tourney.

The Oilers ran up a five run lead in the opening inning, and then retired the West Texans in their batting half in rapid fire order. For the Oilers in the big push, lead-off batter Turner struck the bases on an error. Strickland singled to left field, and Turner moved to third. With two on, Johnson tripled and brought in the first two runs.

After that, Johnson slipped home, Travis singled, and Leonard Burzenski concluded the scoring with a home run slap against the left field fences. He scored Johnson.

Don Johnson, who replaced Earl Cumba at the mound for last night's affair, faced seventeen batters, giving up two hits and permitting four to get on with free passes. Opposing pitcher was Eldon Callarman.

Boy Hurt In Fall From Tree Sunday

Seven-year-old Billy Dutton, nephew of Mr. and Mrs. W. P. Guinn, Humbletown, who has been visiting here, suffered a broken arm and bruises in a fall from a tree Sunday afternoon. The accident occurred near the Guinn home.

He was treated at Graham hospital and later, at the advice of the attending physician, the boys' parents took him to an Abilene hospital for a checkup. He is the son of Mr. and Mrs. Keith Dutton of Baytown. They left here Wednesday morning for Colorado Springs.

Ford To Build Trucks And Busses For Israel

Henry Ford II today said the Ford Motor Company will start immediate production of the approximately \$4,000,000 worth of trucks and busses which have been ordered from the Ford company for shipment to Israel.

Dr. Chain Weizmann, president of Israel, told Mr. Ford about the new state's acute transport problems at a New York luncheon conference in April when the President visited the United States.

At this luncheon Dr. Weizmann outlined the difficulties faced by Israel in this period of the new nation's existence. For this reason, Ford Motor Company is making a departure from its usual commercial policy on sales to foreign governments, Mr. Ford continued.

Caution Asked Of Car Drivers

AUSTIN, August 3. — Pointing out that August of 1948 was the most dangerous of the year for motorists, Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, appealed today to all drivers to exercise extreme caution in their driving this month.

Contributing factors toward August's high death rate, according to Garrison, is the fact that this month is a period of many vacation trips during which numerous people travel unfamiliar roads and devote too much attention to the scenery rather than their driving; too, August heat results in fatigue and induces drowsiness thus making this month the highest in vehicle accidents.

The Texas Department of Public Safety has set as its goal less than 1949 traffic deaths in 1949. If not more than 162 persons are killed this month it will mean a saving in human lives of 50 over the same period last year and this, alone, would effect a 21% reduction

Organized Reserve To Meet Wednesday

The 4311th Replacement Co. (Training) of the Army Organized Reserve will hold a regular semi-monthly meeting at Eastland Wednesday night, according to reports here.

The company has a strength of four officers and 31 men and has openings for some 20 men. Drills are held twice monthly with pay. Cisco members include 2nd Lieutenants Bill Huffman and Richard Allen.

An identical company will be organized in the near future.

WILL MEET TONIGHT

The regular Wednesday night meeting of the Battery A Red Devils, Texas National Guard, will be held at the College Hill armory at 7 p. m., it was announced today. Officers and guardsmen were asked to report in class C (fatigue) uniforms.

Mr. and Mrs. Carrel Smith and their two daughters, Mary Ann and Beth Smith spent the past weekend at Lampasas with their friends, Mr. and Mrs. K. C. Pritchett.

Book Describing Cisco Clay Deposits Released By T. U. Research Depts.

The Bureau of Economic Geology and the Research Laboratory in Ceramics, both research departments of the University of Texas, announce jointly the publication of a co-operative report entitled "Clay Deposits of the Cisco Group of North-Central Texas," by F. B. Plummer, H. B. Bradley, and F. K. Pence.

This is a report of 44 pages and is accompanied by 34 text figures and 8 plates. Cross sections of certain commercially important clays in north-central Texas are given, and the maps show extent of outcrop and principal exposures of Quaternary, and Craddock clays in Brown, Eastland, Stephens, and Young counties. The geology of the clay deposits is discussed by the late Mr. Plummer and Bradley, members of the staff of the Bureau of Economic Geology, and the ceramic technology of the clays is authored by Mr. Pence.

This report is University of Texas Publication 4915 and is available from either of the co-operating organizations at a sale price of \$1.00 per paper-bound copy. The report is not available cloth bound. Orders can be filled immediately. If remittance accompanies order, check or money order should be made payable to the department in which order is sent.

Dr. John Lonsdale, director of the Bureau of Economic Geology, addressed a letter to the Cisco Chamber of Commerce thanking the body for the assistance given the bureau in the field work for the study. A copy of the publication is being furnished the local Chamber of Commerce and will be kept in the office.

William Cearley Killed Instantly; Funeral Thursday

A nine-year-old boy died instantly and three persons were hospitalized as the result of a tragic two-car collision late Tuesday at the intersection of West 10th Street and Avenue L.

Dead was William Lee Cearley, son of Mrs. Pernicia Cearley, 508 Franklin Street, and William Wray Cearley of Colorado City. The boy was dead when he was removed from the wreckage after a wrecker was used in lifting one of the cars from his body. It was believed that the impact of the collision forced the door open and threw him partly out of the door. His head was crushed when the car overturned, pinning him in the door.

Hospitalized were Richard Kleiner, 6, Stuart McC Rohre, Jr., 7, and Mrs. Pernicia Cearley, mother of the dead boy. Most seriously injured was the Kleiner boy, who remained in the hospital today suffering with a severe brain concussion, a broken arm and shock. Physicians reported that he was conscious today and in fair condition.

The drivers of the two cars involved were Mrs. Charles J. Kleiner and Tommy Pennell, 17-year-old son of Mr. and Mrs. Perry Pennell, 504 West 11th. The Pennells moved to Cisco recently from Fort Worth. Mrs. Kleiner was driving a late model Lincoln sedan and young Pennell was driving a 1939 model Chevrolet coupe. Both cars were damaged.

In the Kleiner car were the Cearley boy, Richard Kleiner, Stuart McC Rohre, Jr., Mrs. Kleiner and Mrs. Cearley, who is employed by Mrs. Kleiner. Pennell was alone at the time of the accident. The collision occurred when Mrs. Kleiner was taking Mrs. Cearley to her home in North Cisco. Both drivers reported that vision was obscured by heavy growth of weeds and bushes at the intersection. All occupants were treated for cuts, bruises and scratches. Mrs. Kleiner was released from the hospital after receiving emergency treatment. Mrs. Cearley and young Rohre were released after careful examination and treatment.

The wreck was investigated by local police and members of the State Highway Patrol.

Funeral services for the Cearley boy were set for 3 p. m. Thursday at the Nazarene Church with Rev. Cecil Stowe officiating. Burial will be in Oakwood with Thomas Funeral Home in charge of the arrangements.

He was born on June 7, 1940, and had lived here for the nine years of his life.

Survivors include his mother, Mrs. Pernicia Cearley of Cisco; his father, William Wray Cearley of Colorado City; one brother, Walter Fletcher, of Fort Worth; and two sisters, Wrayna Cearley and Sylvia Cearley, both of Cisco.

Pallbearers will be Floyd Rains, Doyle Mason, J. M. Lawrence, Grover Cleveland, H. R. Bridges and Roy Horn.

SON IS BORN JULY 24

Mr. and Mrs. Al Strasser of De Leon have announced the birth of a son, David Allen, in a Gorman hospital on July 24. The baby weighed four pounds and 15 ounces. Mrs. Strasser, the former Miss Lurline Poe, daughter of Mr. and Mrs. E. J. Poe, and son are reported to be doing nicely now in their home in De Leon.

Funeral Rites For David E. Waters Set For Thursday

Funeral services for David E. Waters, 71, who died late Tuesday in a government hospital in Waco, will be held at 2 p. m. Thursday at the First Presbyterian Church with Rev. Stuart McC. Rohre officiating.

Mr. Waters had been in ill health for a number of years and went to the Waco hospital several months ago. The body is due to arrive in Cisco at 1:27 a. m. Thursday. It will be received by Thomas Funeral Home, in charge of arrangements.

He was born in Terrell on December 3, 1877, and came to Cisco some 30 years ago.

Survivors include his wife, two daughters and nine sons. The daughters are Mrs. George D. Lovett, Odessa, and Mrs. E. Dale Howard, Austin. The sons are Fleming A. Waters and Ted Waters of Cisco, A. B. Waters of Los Angeles, R. E. Waters of Odessa, David E. Waters, Jr., of Sampson, Alabama, Marion A. Waters of Dallas, James H. Waters of Oakland, Calif., John F. Waters of Dallas, and Billy Waters of Odessa.

ANNUAL SOFTBALL TOURNAMENT WILL BE HELD HERE ON AUGUST 8-12

Dates for the City's Second Annual Softball Tournament were set for August 8 through 12 by directors of the ABC Club, sponsors, it was announced today.

Some twenty or more teams have been sent invitations, with the tournament committee acting on the first eight teams to send in applications. President Felton Underwood said. Teams likely to enter will include Eastland's King Tractor and King Ford, the Breckenridge V. F. W., Rising Star, Scranton, Moran, Ranger and Cisco's Commercial League play-off winner.

Glen Boyd, club secretary, has been appointed tournament chairman. H. O. (Andy) Anderson, ground attendant, said in the meeting which was held at the Victor Hotel, that "every

available source the club could round up would be used to put the field into top playing condition."

The directors, after some discussion, decided to place the admission fee at a minimum of 25c per person during the five days the tournament is staged.

The receipts, they added, will be used by the club to improve the field for next year, and to assist in financing the city's college and high school athletic program this fall.

Park attendants were instructed to make arrangements for extra seating facilities, Anderson said. In addition to the two bleachers, benches will be lined along both sides of the wire protective netting. Ample seating will be offered to tournament spectators.

The ABC Park playing field, built by the club last year, is known as one of the finest in this section of the state.

Prizes, totaling \$300.00, will be awarded the tournament victor, second place and third place winners. In addition, the winning team will be presented a trophy by the committee, Boyd said.

Dublin Rodeo To Be Held August 31 To September 3

The World's Championship Rodeo will again be shown in Dublin this year. The dates for the big show will be August 31, September 1-2-3, and all performances will be at night.

The nationally famous Hardin-Simmons Cowboy Band will again play for all four performances. There will be many other specialty acts, which will be interesting.

This rodeo is becoming more famous each year. The very best of contestants are available because they are in Dublin to catch the big special train for Madison Square Garden in New York City.

The Dublin Rodeo is called the Pre-Madison Square Garden, World's Championship Rodeo. It is the biggest and best of them all.

Cub Pack Will Meet To Issue Pins

A meeting of the Cub Pack will be held at 7:30 p. m. Friday at the First Presbyterian Church for the purpose of distributing cards and pins to 24 members who have paid their dues, Cubmaster Bill Huffman announced today.

All Cubs and prospective Cubs were urged to attend. The pack is open to all boys between the ages of 9 and 12 years.

TO CONDUCT MEETING

Dr. W. A. Todd, Howard Payne College faculty member, will conduct a revival meeting at the Bluff Branch Baptist Church beginning August 7 and continuing through the 14th.

A relative of Mr. and Mrs. O. J. Tillinghast and Mr. and Mrs. L. J. Leech of Cisco, Dr. Todd has delivered several sermons at the First Baptist Church during the past year.

ECONOMIC HIGHLIGHTS

When, in his inaugural address, President Truman called for a "bold new program" which would eventually banish "hunger, misery and despair" from the free nation's of the world, the repercussions were heard around the globe. The President spoke in highly generalized terms and gave no details. But it was clear to all that that was a tremendous concept, which require many years to accomplish even in small part, and that the problems and the costs would be incredibly vast and complex.

Since then, the program has been endlessly discussed, and

from all sides. Some experts, who are sympathetic with the President's humanitarian purpose, have come to view that the problems may be insoluble — and that even the desirability of the program is subject to grave doubt. One of these is William Vogt, the scientist whose challenging and controversial book, "Road to Survival," in which he dealt with the exhaustion of natural resources, caused something of a bombshell a year ago. Mr. Vogt considers the Truman program in an important article in the Saturday Evening Post of July 23, called "Let's Examine Our Santa Claus Complex."

Mr. Vogt points out that 1,500,000,000 people "with living standards far below ours are concentrated in the so-called undeveloped areas." A high percentage of them are illiterate. They know next to nothing of modern science. If we gave them tools and seed and other assistance there is no guarantee that the gifts would be properly used.

But even if this were to be overcome, there is far more to the problem than money and tools. Mr. Vogt believes that the undeveloped lands are "in-

trinsically poor and require far greater investment of capital, labor and management to produce a much smaller return than could be had in the United States." They lack good soils, usable timber — the most basic essentials of what we consider proper living standards.

Finally, if we should set out to remake much of the world in our own image, we will run

into a problem that might prove the most difficult of all — the faiths and traditions of proud peoples with cultures older than ours, who seem primitive in our eyes, but not in their own. Mr. Vogt says, "We bring down prices for standardizing."

YOU WHO OWN PROPERTY

... and have never filed the deed at the County Clerk's Office should do so at once for your own protection and safety. Especially is this true if you bought tax titles at sheriff's sale after June 23, 1947. On and after that date the redemption period does not start until the filing of the deed and the former owner in any event has two years to exercise his right of redemption. Any kind of recordable instruments should be filed promptly.
