The Gay Philosopher

By J. W. S.

THE NEW PARKING meters raise one question. And that is: If you put in a nickel and leave before it's used up, are you wasting time?

The boys over at the Post Office tell us about a lady who arrived the other afternoon too late to send a money order. And her excuse was that she'd put a nickel in a parking meter and had had to stay until it was all used up.

ONE WAY YOU can save time is not to call the City Hall or Fire Station when a fire whistle blows. Leave the line open for firemen, who must call in to find out where they're needed. Let's all remember this.

WE'RE GLAD to report that Mr. Jesse Penn, who underwent a major operation over in Abilene the other day, is progressing and nicely. He has been pretty sick of late, but now is on the mend. And will probably be out and around very soon now.

THEY'RE ADVISING high school graduates, who are contemplating the world and wondering which way to turn, to be versatile — learn to do more than one thing well. That's a pretty good description of Rev. Chief Warden. Besides doing a good job in his pulpit, he is a substitute mail carrier who knows just about all the city and rural routes. He has done a good job in a variety of trades in the course of working his way through college. What is more, he knows his way around the golf course.

SPEAKING OF high school students, a lot of them know more than you think. For example, Mr. Bill Mitcham was showing his son, Billy, a .22 calibre pistol and then decided to show the lad how to shoot it. Mr. Bill fired a few practice shots with 50 per cent hits, which is pretty good shooting. Then Billy fired a few practice shots with 100 per cent hits.

Rain Needed In Some Areas To Mature Crops

Soil moisture was mostly adequate for crops, the principal exception being parts of the Low Rolling Plains and Edwards Plateau areas, where widely scattered showers brought only partial relief. Some eastern and southeastern counties were too wet for field activities and for effective control of cotton insects. Preparation of land for fall seeding of small grains continued with only slight delays.

Cotton prospects remained favorable as heavy fruiting continued. Weevils were present in considerable quantities over much of northcentral and east Texas, however, and boll worms still constitute a threat in south and southeast areas. The western half of the state was comparatively free of insects. With the exception of some westcentral counties and limited local areas, open weather was needed for best control of insects and proper development of plants. Harvest approached the half-way mark in the Lower Valley, and was well underway in the Coastal Bend. Limited harvest was started in upper coastal and southcentral counties.

Harvest of corn was underway in southern counties. Some late corn was further benefitted by rains over east and north Texas, but most of the crop has matured. Grain sorghum harvest continued in southcentral counties and was well underway in the southern Low Rolling Plains and adjacent counties where dry weather hastened maturity. The crop continued to develop favorably in north-central Texas. Peanut prospects were favorable in most sections. Some blight damage was reported in the southern peanut area where harvest is underway, but yields were generally good.

AN EASY HURDLE—Christopher Boy takes a hurdle easily as delighted youngsters watch at the Children's Heart Hospital in Philadelphia, Pa. The dog is owned by Russell H. Klipple of the Philadelphia Dog Training Club. The occasion was a party for young hospital patients whose birthdays occurred in May, June or July.

Steele Family Has First Annual Family Reunion

Relatives and friends gathered at the home of Mr. and Mrs. T. W. (Tom) Steel of the Amity community near Rising Star last Sunday to celebrate their first family reunion. A nice basket lunch was served at noon. The afternoon was spent in talking and in drinking cold drinks and everyone present seemed to enjoy the occasion.

They plan to have the reunion next year at Lake Cisco on the last Sunday in July.

The relatives present were Mr. and Mrs. T. W. Steel, Mr. and Mrs. M. E. Hosca and son Earl of Galveston; Mr. and Mrs. W. R. Steel and daughter Jimmie of Artesia, N. M.; Mrs. Jewett and daughter Carol of Fort Worth; Mrs. Roy Haynes and children, Lenille, Jeannie and James of Leoc Hill, N. M.; Mr. and Mrs. Earl Steel and daughter Earline of Cisco; Mr. and Mrs. Sam Steel and son Bennie of Walnut Spring; Mr. R. D. Steel of Brownwood; Mrs. O. T. Jarvis and son, Putter, of Brownwood; Mr. and Mrs. George Steel and children Charles and Karan of Rising Star; Mr. and Mrs. L. M. Petty of May; Mr. and Mrs. C. T. Steel of Cisco; Uncle Mit Kitchens of Abilene; Friends present who enjoyed the day with the Steels were Mr. and Mrs. G. T. Alford, Carbone; Mr. and Mrs. Earl Pringle Rising Star, and Mr. and Mrs. W. B. Nix of Cisco, Texas.

DONATIONS TO CITY FOGGING FUND CONTINUE TO MOUNT; MORE NEEDED

Donations to the city for the continued operation of the fogging machine reached \$225.50 today and officials expressed their thanks for the manner in which citizens had come to the support of the health department in the crisis which saw a possibility of curtailing the city wide spraying. Health department officials reported that additional aid was needed if day to day spraying was to continue. The operation costs the city approximately \$36 per day for materials and low finances were a threat to the health precaution.

Donations not previously reported are as follows: R. H. Cutting, \$5.00; W. F. Brown, \$10.00; Maggie Hood, \$2.00; Al Coats, \$1.00; Mrs. R. E. Coats, \$1.00; Roy Horn, \$3.00; A Satisfied Citizen, \$2.00; First National Bank, \$36.00; Glenna Moad, \$1.00; J. D. Lauderdale, \$2.00; Charles Spears, \$4.00; James McCracken, \$3.00; Reggis Henderson, \$1.00; L. Bohannon, \$1.00;

CAUTION URGED IN OUTDOOR FIRES AS BURNING GRASS KEEPS FIREMEN BUSY

Ciscoans were urged to use more caution in the burning of trash for the remainder of the summer months, due to excessive growth of grass and weeds, Fire Marshal C. R. Hightower said today.

Since the first of last month, Hightower said, City firemen have been answering as many as four to five grass fire alarms in one day. "These could have been prevented if more caution in burning trash and grass had been exercised," he said. "Too often, we find the fires have been left to die, later only to find it has developed into a spreading grass fire, necessitating the attention of the department."

In alarms Tuesday, he cited firemen used every available piece of equipment, except the hook and ladder truck, to extinguish two grass fires reported within twenty minutes of the other. Sections from the companies fighting the first fire had to be split and sent across town to the scene of the second alarm.

"We were fortunate that the second alarm wasn't a major fire as the equipment was scattered over the city at the time," Hightower said.

Hightower, in issuing the appeal, said most grass fires calling for firemen's attention, could have been avoided in the beginning. He blamed carelessness for a greater part of the blazes. To avoid threatening grass fires, he suggested, (1)

Stay with the fire, whether it be in the trash disposal can or in the open, (2) Wet down the area after the fire has burned down, until it is completely out, (3) A cover over the trash burning can should be used to guard against the fire's spreading. On a windy day, Hightower stated, outdoor fires should not be lit.

"The importance of observing these rules could mean the averting of a disaster," Hightower said. "The fire department is ready at all times to assist persons in need, but the expense and time should be used for major outbreaks rather than small fires that could be averted."

Legion Convention To Begin Friday

U. S. Attorney General Tom Clark will head the list of distinguished guests who will speak before the three day Department of Texas American Legion Convention in Fort Worth, Friday, August 5th through Sunday, August 7th.

Other speakers at the 31st Annual State Legion Convention will include Governor Allan Shivers; U. S. Senator Tom Connally; Perry Brown, National Commander of the American Legion; Dillard E. Lasseter, U. S. Farmers Home Administrator, and the State Senator Rodgers Kelly of Edinburg. Two Past National Commanders of the American Legion will also participate in the program. They are: Alvin M. Owsley of Texas and Harry Colmery of Kansas. On the opening program, Friday, August 7th, State Senator Rodgers Kelly and Farmers Home Administrator Lasseter are scheduled as the principal speakers. U. S. Senator Tom Connally will address the Convention on Saturday.

Attorney General Tom Clark is scheduled to address the Convention on Sunday, August 7th as well as Governor Shivers, who will attend the Convention as a regular delegate.

The 31st Annual Department of Texas Legion Convention will officially get under way at 9:30 o'clock, Friday, August 5th, when Clyde Thomas of Fort Worth, Convention Chairman, calls the three-day session to order. The Women's Auxiliary of the Legion will open its three day Convention.

The Forty and Eight, famed fun and honor society of the American Legion, will meet in Fort Worth a day prior to the regular meeting for a one day convention. This one day affair on Thursday, August 4th, will mark the 28th state-wide gathering of the Texas Forty and Eight group.

Owner Of Abandoned Automobile Sought

City police today sought information leading to the rightful ownership of a 1939 Hudson sedan found abandoned five miles west of Cisco Wednesday. Constable R. C. Farmer, who made an investigation, said the motor serial numbers had been filed down. The sedan had Michigan license plates.

The car has been turned over to the State Highway Department.

State Farm Bureau Institute Meets At A & M College

The Texas Farm Bureau Institute held its first annual session at College Station, Texas, on July 24-29 with Texas A & M College as host. This meeting was sponsored by the Texas Farm Bureau Federation.

The purpose of the meeting was to help the people of Texas become more familiar with Farm Bureau work.

After registration at the YMCA building on Sunday the meeting opened Monday morning with the speaker, J. H. West, giving the history of the Texas Farm Bureau Federation, followed by R. G. Arnold, who spoke on the growth and development of the Farm Bureau of the South.

Then following Mr. Arnold's talk, classroom instruction was begun. The institute offered four basic subjects in the curriculum: Philosophy, and policies of the Farm Bureau, salesmanship, public speaking and membership acquisition and maintenance.

The faculty was composed of persons who have made an outstanding success in particular lines of Farm Bureau work or people whose training qualified them to make definite contribution to the Institute.

The Farm Bureau philosophy dealt with philosophy of building an organization to render the maximum service to agriculture by developing leadership, voluntary effort and a sound program that will contribute to the best solution of the economic, social and educational problems confronting agriculture and also be for the best interest of the nation as a whole.

Public speaking of course covered speaking and planning a speech, for effective presentation and gaining and holding attention of the audience. Salesmanship included an analysis of selling problems in Farm Bureau, together with practical application of fundamental principles of salesmanship that prove sound and effective.

The highlights of the Institute was the panel discussion on Friday, the subject of discussion being "Farm Bureau and Government Agricultural Agency Relationship."

Speakers taking part in the discussion were D. W. Williamson, vice chancellor, A&M College System; C. N. Shepardson, dean of the School of Agriculture and J. D. Prewitt, vice director Texas Extension Service. Others taking part were J. Walter Hammond, president of the Texas Farm Bureau Federation; Allan Kline, president of the American Farm Bureau Federation; Roger Fleming, director of the Washington, D. C. office, B. F. Vance, State PMA director, and others.

The Texas Farm Bureau Federation has 175 organized county units with a total membership of approximately 38,000, while the American Farm Bureau, of which TFBF is a member, is made up of 43 state federations and one in Puerto Rico, with a membership of 1,250,000.

Two members from Eastland county attended, namely Mr. and Mrs. John Love of the Alameda community, who reported a very profitable time spent in these sessions. Mrs. Love made a three minute speech before her class of public speaking. She was highly commended for her work in this.

It is the hope and aim of the present membership of Eastland County Farm Bureau that more people will become acquainted with the Farm Bureau work and avail themselves of some of the opportunities offered by it. Officers of the Eastland county group are: E. E. Blackwell, president, Mrs. John Love, secretary, and Mrs. R. L. Young, reporter.

Final Rites For William Lee Cearley Held Thursday At Nazarene Church

Funeral rites for William Lee Cearley, 9, who was killed instantly in a two car crash Tuesday afternoon, were to be held at the Nazarene Church at 3 p. m. today with Rev. Cecil Stowe, pastor, officiating. Burial will be in the Oakwood Cemetery.

The boy was killed when the car in which he was riding was in collision with a car being driven by Tommy Pennell, son

F. F. A. To Have Special Meeting Monday Night

The Cisco Chapter of the Future Farmers of America will have a special meeting at the Chamber of Commerce building at eight o'clock Monday night. The meeting is called by the chapter's new advisor, Gail D. Jones.

The purpose of the meeting is to discuss plans for the District F. F. A. Encampment to be held at the lake on Thursday and Friday, August 11 and 12.

All old members and prospective new members are urged to attend as it will be necessary to get the names of the boys who expect to attend the encampment.

Any boy who can not attend the meeting but would like to go to the encampment was asked to call the Chamber of Commerce and leave his name.

Webbs Are Being Held In Haskell

Arthur C. Webb of Abilene, concert violinist, and his wife, have been transferred to a Haskell County jail, where the pair, wanted in at least ten Texas cities for check swindling, have been indicted by a grand jury for several felony forgery counts.

Before their removal to the Haskell jail, the Webbs had been in a Seymour County jail since their arrest in a Cisco hotel by Eastland County officers last month.

According to reports, the Webbs were indicted by the Eastland County Grand Jury in their June session for six forgery charges. A total of ten or more Texas cities want the pair on forgery charges. They will be released to Eastland County for trial as soon as the Haskell and Baylor County trials are completed.

OILERS TO MEET NIGHT SCHOOL IN ABC CLUB SOFTBALL FINALS TONIGHT

Softball will climb to a high pitch at ABC Park tonight when the Cisco Night Schoolers engage the Humble Oilers in a seven-inning game that will decide the city's representative in the Second Annual Softball Tournament next week.

Tonight's playoff finals will get underway shortly after 8 o'clock, and ample seating has been promised spectators.

The professional-like Humble Oilers gained the final berth play-off against the Schoolers by clipping the West Texas Utilities Kilowatts earlier in the week. Under the piloting of Troy Stewart, the Night Schoolers edged the contending First Baptist Blue Sox from the race, 12-8, to enter the finals. The game took place Monday.

As for both teams, Stewart is well aware of the fact that the Oilers will be waiting to pounce on the Schoolers at the first gifted opportunity. Not since the season was slated have the Oilers displayed such hitting power as they did in the

of Mr. and Mrs. Perry Pennell, new residents here. An obscured intersection was blamed for the tragedy.

In the other car, being driven by Mrs. Charles J. Kleiner, Richard Kleiner, 6, sustained a broken arm, shock and a brain concussion. Hospital attendants said this morning that he was "resting well." Stuart McC. Rohre, son of the First Presbyterian pastor here, was treated for cuts and bruises.

William Cearley was born June 7, 1940, in Cisco and lived here all his life.

Survivors include the mother, Mrs. Pernicia Cearley of Cisco; the father, W. W. Cearley of Colorado City; one brother, Walter Fletcher of Fort Worth; and two sisters, Wrayna and Sylvia Cearley, both of Cisco.

Pallbearers were Floyd Rains, Doyle Mason, J. M. Lawrence, Grover Cleveland, H. R. Bridges and Roy Horn.

Examination Of School Children Urged By Dr. Cox

AUSTIN, Aug. 4 — The month of September brings a return of school days, and thousands of Texas boys and girls will be returning to classrooms for the next nine months. Every one of these children, according to Dr. Geo. W. Cox, State Health Officer, should be as free as possible from all physical defects that can be corrected, and protected against other diseases which frequently spread through classrooms.

A complete medical and dental pre-school check-up is of the utmost importance in getting the child ready for school. Eyes, ears, nose, throat, and teeth should be carefully examined, and all remediable defects corrected or placed under treatment. Such defects can lead to and progress academically, socially, and emotionally.

Will Meet

Regular meeting of the Cisco Ladies Fire Auxiliary will be held at the station house Thursday at 7:30 p. m., Mrs. James Waddell president announced. Members of the unit were urged to attend.

FOR RENT — Nice bedroom for two men or boys. 1001 West 7th Street. Phone 889-J. 188

A crew of workmen from Abilene, under the direction of Bob Hastings, was in Cisco Thursday doing the preliminary work on the installation of the new street lighting system which was announced by the West Texas Utilities Company several months ago.

The crew of six men, with trucks and equipment, was digging the footings for the bases to be used in erecting the steel standards on Avenue D and West Eighth Street. The Utilities Company proposed to modernize the street lighting system and the proposal was accepted by the city commission in November of 1948. A shortage of material delayed the beginning of the program until recently.

The plan calls for the erection of steel standards on Avenue D from Third Street to Tenth Street and on Eighth Street from the viaduct through the 200 block west. Steel standards will also be erected in the 100 block of Sixth and Seventh Streets.

Wooden poles will be used on Avenue D from Tenth Street to the city limits and on U. S. Highway 90, or Eighth Street, from Beach Street in the east part of town to Front Street in the west part of town with the exception of the blocks in which steel posts will be erected.

Mounted on the standards will be pendant type fixtures utilizing six-foot steel upswep brackets mounted 28 feet from the ground. The units will be equipped with 6,000 to 10,000 lumen globes that will bathe the area in a soft efficient light. The new type lighting will have an overall efficiency of 75 per cent as compared with 39 per cent obtained under the present system.

The entire job will require some sixty days for completion. The erection of the standards will require six weeks and the installation of the required three way circuit will take approximately two weeks additional time.

The old decorative type standards will be removed when the new system is placed into operation.

Freeman Funeral Held At Church Of God Wednesday

Last rites for A. M. Freeman, 74, pioneer Cisco resident who died in the home of a daughter in Eastland Monday morning, were conducted Wednesday at the Church of God with Rev. W. T. Hallenback, Jr., pastor of the Eastland Church of God, assisted. Burial was in the Oakwood Cemetery with an Eastland funeral home in charge of arrangements.

A resident of Cisco for more than 23 years, Freeman was born April 25, 1875 in Oklahoma. At an early age, he moved to Texas. In August 19, 1900, he was married to the former Miss Jessie L. Denton of Breckenridge. Four children were born to the union, with two daughters and one son preceding him in death.

Freeman had been in failing health for several years, with his condition becoming critical four months ago.

Survivors include his wife; a daughter, Mrs. Glenn Huddleston of Eastland; one brother, N. F. Freeman, San Angelo; two sisters, Mrs. Isaac Curry and Mrs. Norma Aleup, both of Russell, Okla.; three grandchildren, LaVon Huddleston, Abilene; Reese Huddleston, Eastland; and Mrs. Elvis Paschal, Ballinger; one great grandson, G. L. Huddleston, Jr., San Angelo.

Pallbearers were Guy Morris, Charlie Stanford, Harry Alkire, J. D. Yardley, John Roden and J. C. Pelfrey.

WMS Circle Three Meets At Church

Mrs. A. R. Day was hostess to Circle Three of First Baptist Women's Missionary Society which met Tuesday afternoon in the T. E. L. class room of the church.

Mrs. Leo Keelan, chairman, called the meeting to order with prayer by Mrs. O. L. Mason. Minutes of the last meeting and the treasurer's report were read by Mrs. M. P. Farnsworth after which a discussion of canning peaches for Buckner Orphan's Home was held. Mention was made and discussion held about providing a shower of food for an elderly person.

The lesson from the book "The Larger Stewardship," was presented by the hostess who is teacher for the circle. The meeting adjourned with prayer by Mrs. M. P. Farnsworth after which delicious refreshments were passed during the social hour.

The next meeting will be general session at the church August 9.

Circle Two Meets With Mrs. Lewis Lee

Mrs. Lewis Lee was hostess when Circle Two of First Baptist Women's Missionary Society met Tuesday afternoon in her home for the regular meeting. After prayer by Mrs. W. D. Hazel a short business session was conducted by the chairman, Mrs. W. P. Guinn. Minutes of the last meeting were read by Mrs. D. A. Morgan; and a report was given of donating the sum of \$3.00 to the Mission Daily Vacation Bible School. Announcement was made of Peaches to be canned this week in the church kitchen; all members who can do so are asked to help in this worthy task for Buckner Orphan's Home.

Mrs. Guinn brought a splen-

did lesson from the Book "The Larger Stewardship" after which the meeting adjourned with prayer by Mrs. M. F. Underwood.

Refreshments of delicious punch and home made cake were passed at the close of the social hour to Mrs. W. P. Guinn, Mrs. M. F. Underwood, Mrs. W. D. Hazel, Mrs. D. A. Morgan and Mrs. Lewis Lee.

Baptist Circle One At Church Tuesday

At the church meeting Tuesday afternoon of Circle One of the First Baptist WMS, it was decided to meet at the church Thursday morning and help can peaches for Buckner Orphan's Home. The material which had been purchased by the circle to make a gown for a local woman who is ill in the Ranger hospital, has been made up by Mrs. C. A. Lassiter and will be taken to her by members of the circle. Mrs. R. D. Guthrie presided over the business session and minutes of the last meeting, read by Mrs. Lassiter, were approved.

Mrs. Ina Pyle Martin brought an interesting lesson from the book "The Larger Stewardship," giving a discussion of chapter four. The meeting was adjourned with prayer.

Those present were Mrs. R. D. Guthrie, Mrs. E. H. Cheves, Mrs. Fred T. Grist, Mrs. C. A. Lassiter and Mrs. Ina Pyle Martin.

Council Group Three With Mrs. Winston

Group Three of the Women's Council of the First Christian Church met Tuesday afternoon in the home of Mrs. W. R. Winston with Mrs. Sam Kimmell presiding.

Mrs. James Latimer brought a splendid devotion discussing events recorded in the book of Acts concerning Paul turn-

ing from a persecutor to a Christian.

The lesson from the book, "Disciples of Christ," was ably given by Mrs. W. J. Armstrong. Mrs. Kimmell next conducted a short business session after which the meeting closed by all joining in the missionary benediction.

Refreshments of ice cream

and cake were passed during the social hour to Mrs. J. F. Benedict, Mrs. W. J. Armstrong, Mrs. J. K. DeArmond, Mrs. Sam Kimmell, Mrs. James Latimer, Mrs. A. J. Ward, Mrs. W. R. Winston and her daughter, Miss Marie Winston.
