NUMBER 202

Eight Area Towns Represented At Auto Meeting

Representatives from eight West Texas cities, including Cisco, met at the Victor Hotel Thursday night for the regular monthly session of the Oil Belt Automobile Dealers' Association. W. A. (Cap) Williamson of San Antonio, manager of the Texas Automobile Dealers' Association, was the principal speaker for the evening. He was introduced by L. E. McGraw of Eastland, a member of the Oil Belt directorate, who served as Master of Ceremonies.

Following a dinner, Williamson told an audience of more than forty automobile dealers from Baird, Abilene, Coleman, Moran, Eastland, Ranger, Gorman, Breckenridge, and Cisco that the Texas Automobile Dealers' Association, "is seeking to establish better relationship between the dealers of the state." The speaker explained the automobile association's program and functions of operation. He said too many of the new car dealers today were not mindful of their responsibilities to the buying public. "This we intend to improve," he said.

J. W. Alderson of Lubbock, president of the Texas Automobile Dealers Association, spoke briefly before the group. He expressed hope that the Oil Belt organization would continue to develop.

Following his speech, the Oil Belt association elected Alderson and Williamson as honorary members.

The program was concluded with an address by R. E. Cox of San Antonio, a representative of the Prudential Life Insurance Company. Cisco automobile dealers present were Andy Anderson, Jack Anderson, Carl Lamb, Charles Graham and J. O. Barnhill.

Sgt. Pierce To Be Re-Buried Monday

The body of Sergeant Robert B. Pierce, son of M. H. Pierce of Cisco, will arrive here at 1:27 p. m. Monday for re-burial that day in the Nimrod Cemetery.

Sgt. Pierce was killed in action while serving with the U. S. Army forces during World War II. Funeral services with full military honors will be held at 2 p. m. at the graveside. Thomas Funeral Home will meet the body and will have charge of the arrangements.

Among the survivors are a brother, Hubert Pierce of Loraine and an aunt, Mrs. B. C. Ingram of Nimrod.

Improvements Being Made on Parking Lot

Extensive improvements are now underway at the First Baptist Church parking lot, located east of the building. Rev. Otis Strickland, pastor, reported today. Concrete curbing, which was expected to cost in the neighborhood of \$500, is being laid around the entire lot, Rev. Strickland said. Double drive-ways will be placed on the west and south sides.

In addition to the curbing project, the lot itself will be graded down and then bedded with gravel. J. W. Kilgore of Cisco is the contractor.

UNDERGOES OPERATION

Mrs. Jeff Gregory of Cisco was recovering today in an Abilene hospital after undergoing a major operation Wednesday. Her condition was described as satisfactory. Mr. Gregory is superintendent of the Halliburton Oil Well Cementing Company's Cisco district.

MCGOWAN TAKEN HOME

James McGowan, Cisco High School football player who was injured recently in practice and hospitalized for several days, is now doing nicely at the family home, according to reports. He is expected to be fully recovered in a few weeks.

OPENING UP—Bebe, the hippopotamus at a Chicago, Ill., zoo, opens her jaw real wide for keeper Eli Markmis. Markmis looks like he might be teasing Bebe, but from the size of that eating gap, the hippo looks deadly serious.

B-36 Bomber To Accompany Fort Worth Aerocade To Cisco Sunday

Word was received Thursday that a B-36 bomber will fly low over Cisco Sunday during the visit of the Air Activities Club from Consolidated-Vultee Aircraft Corporation. According to a message received by Mayor G. C. Rosenthal the huge six engine plane will circle the city between 10 and 11 a. m.

The members of the Air Activities Club will begin arriving in private planes at 8 a. m. Sunday and when the entire group comes in they will be taken by private cars to the Hotel Victor

for breakfast. Following the meal they will go to Lake Cisco where games and sports activities have been arranged. The party will be photographed by WBAP television camera for a spot on a future program and will possibly be accompanied by a photographer from Life Magazine.

More than 200 members were expected to be in the group that will visit Cisco. They will come in 60 private planes and in two large transports.

National Guard and Naval planes will accompany the members and will participate in the air show the members plan to stage over the airport.

Mayor Rosenthal called upon local business men and citizens to be on hand Sunday to help with the welcoming program and to assist in the entertainment.

South Carolina Man to Speak To Presbyterians

Rev. James C. Johnson of Bishopville, South Carolina, will speak at the morning services of the First Presbyterian Church Sunday it was announced Friday.

Rev. Johnson was reared in Brownwood and prior to World War II was minister of the First Presbyterian Church in Ballinger.

He entered the services and after his discharge accepted the call to South Carolina. Rev. Johnson and his family are vacationing in Georgetown.

The local Church has been without a regular minister since the resignation of Rev. Rohre on September 1, but officials reported that the committee was considering the qualifications of applicants and that an announcement would be made soon as to the decision.

FACING CHARGES

Eastland County authorities were preparing charges of swindling by passing worthless checks today against George Bridges of De Leon. He was taken into custody Wednesday by sheriff's deputies. The complaint alleged that Bridges gave a worthless check to an Eastland service station. His bond was set at \$500.

Mr. and Mrs. J. J. Honea accompanied by their son and wife, Mr. and Mrs. Derwin Honea and Ross, spent Thursday in Fort Worth where they transacted business and visited Mr. and Mrs. Vernon Honea.

Local Rotary Club Votes To Assist In Eastland County Youth Dairy Program

Little Information Needed on Veterans Insurance Policies

Relatively little information is needed from applicants for the forthcoming dividend on National Service Life Insurance, according to Cisco American Legion officials.

Applicants filing for the N. S. L. I. should supply only their name, permanent mailing address, service serial number, branch of service, Veterans Administration claim number, exact date of birth and handwritten signature.

An application blank will be available for all Cisco veterans on Monday, August 29 at the post office building and American Legion hall.

After applications have been filed, the first lot of government checks were expected to be distributed in January.

Harvest Still Active In Texas

Generally open weather permitted active harvest of matured cotton, corn, sorghums, peanuts, hay and sweet potatoes. Final plowing of land preparation for small grain seedbeds was also being pushed to completion as seeding time approaches. Growing crops made good progress with soil moisture generally in amply supply except in some southern Low Rolling Plains counties where additional moisture would benefit late feed crops. Haying continued active.

Cotton developed rapidly during the week of warm weather as early fields neared maturity over the eastern half of the State. Harvest was almost completed in the Lower Valley, was beyond the peak in the Coastal Bend, and proceeded in full swing in southcentral Texas. Limited harvest was started in central, northcentral and eastern areas where picking was expected to become active around September 1. First bales were reported in Dawson, Jones, and Surry counties in West Texas.

Grain sorghums made good growth in the High Plains. Late sorghums in some Low Rolling Plains counties and fall seedlings in extreme south, Texas were in need of rain. Harvest was getting underway in southern counties of the High Plains and was continued in other areas. Some early peanuts were being dug in northern counties as threshing continued in the southern area.

Range and pasture feed continued generally plentiful in all areas except some extreme southern counties where dry feed is short. Over much of the State and particularly in the west and northwest, range feed is the best in many years. A heavy grass seed crop was being produced on many western ranges. Cattle continued to put on flesh.

Mexican Boy Is Critically Burned

Leopoldo Hernandez, 2, remained in a critical condition at Graham hospital today, suffering from burns he sustained in an accident Wednesday at the Huff Ranch northeast of Cisco.

Hospital attendants said the Mexican lad had received serious burns about the stomach, right arm and face. He was under close observation.

The accident occurred, according to witnesses, when the lad accidentally set fire to his clothing while playing with matches in the front yard of the ranch. His mother received slight burns when she ripped the flaming garments from the boy's body.

The boy's father works at the ranch.

FULL GLEAM AHEAD—Ann Blyth, Hollywood actress, certainly should gleam after a bath in this mechanized tub. The beautiful screen star was named "Miss Tinker's Dame for 1949" by the National Association of Inventors. She'll get her title at the organization's October convention in Los Angeles.

Junior High Midgets To Begin 1949 Season With New Coach, Players

When Cisco's Junior High School Midget football team begins afternoon training after school is started, the squad of peppery youngsters will be guided by a full time instructor, Coach Bill Sledge.

A former P-38 fighter pilot with 15 missions to his credit in the South Pacific theater, Coach Sledge summoned the youngsters to their first meeting at Chesley Field Wednesday. At that time, the new mentor got his first glimpses of the 1949 edition of the Midget football team.

Measurements for new uniforms which the Midgets are to receive were taken and arrangements were being made to launch the training program soon.

This year, according to the 24-year-old coach, the Midgets have scheduled an eight game card with neighboring towns: Eastland, Ranger, Albany, Throckmorton and Rising Star.

The Midgets will open the season with an acute shortage of seasoned players. Nearly all of last year's first string has graduated into higher football. These include Bob Black, Sonny Bosworth, Jerry Cowan, Arthur (Boy) Gallagher, Andy Mosley, Erwin Allen Brunkenhofer and many more.

A raft of eager newcomers, however, is expected to offset the losses, Sledge has predicted. A large turnout, numbering close to 40 boys, has been promised, most of whom will come in from the fifth, sixth and seventh grades.

The Midgets plan to introduce their version of the Split-T. Fans and followers of the Midgets are again expecting the '49 team to par with those of the past decade.

Training will get underway at Cisco Junior High about September 8 and most of the drills will be held in the afternoon. The Midgets will undergo daily courses in bare fundamentals and numerous re-conditioning drills.

A former member of the Cowboy football team, Sledge is a native of Stamford. After his graduation in 1942, he enlisted as an Air Corp cadet in the Army Air Force. Later he was promoted to a lieutenant, attached with the 13th Air Force, 347th Fighter Group. He saw three and half years of service.

After his return from service in 1946, he enrolled at Hardin-Simmons, and graduated last spring. At the present, he is living in Bivens Hall at Cisco Junior College.

NAME OMITTED

Schools officials reported today that the name of Mrs. Alice McCanlies had been omitted from the list of teachers in the Thursday issue of The Press. Mrs. McCanlies will be one of the third grade teachers for the 1949-50 school year.

Mr. and Mrs. A. Sandhofer have as their guests, Joe Clark Spitzer who is visiting relatives in Texas while on leave from the U. S. Navy, being stationed in Honolulu; and J. F. Shrader and son John Arthur Shrader of Houston. The two last mentioned are son and grandson of the Sandhofers.

The local Rotary Club voted to sponsor at least one registered Jersey heifer in the Eastland County Youth Dairy Program after hearing A. Z. Myrick, president of the Eastland County Dairy Association, explain the workings and benefits of a proposed plan at the regular weekly luncheon meeting at the Victor Hotel dining room Thursday.

Mr. Myrick explained the plan showing the benefits to the communities as insurance against depression and as its economical value and cited instances in which the plan had worked in other Texas Counties. Rotarian B. A. Butler told of a recent trip to Johnson County and explained the value of the program as it was handled there.

Mr. Myrick appeared before the club at the invitation of Roscoe Ponsler, who was in charge of the program for the day.

In explaining the plan Mr. Myrick gave the regulations governing the given of the dairy cows to boys in the county. They are as follows:

1. The President of the Eastland County Dairy Association has appointed a committee to solicit the cooperation of civic and professional clubs, businesses and individuals to purchase high quality registered dairy heifers needed to start the program. Individual animals are not to cost more than \$200.00 a head. This committee will be expanded to include representatives from cooperating groups.

2. The heifers will be distributed equally among deserving FFA and 4-H Club boys by the committee with the assistance of the county agent and vocational agriculture teachers acting in an advisory capacity.

3. The committee will buy the heifers or appoint a committee to represent it in locating and purchasing the best registered dairy heifers available.

4. Boys receiving heifers will return the first registered heifer calf, or money to purchase a heifer approved by the committee, to the committee in charge to be redistributed thereupon equally among FFA and 4-H Club boys selected as outlined above. In the event that a heifer is not dropped by the end of

three years, the boy will be required to furnish a registered heifer calf approved by the committee.

5. Boys receiving heifers will be required to insure them at the purchase price until such boy has returned to the club a heifer or its equivalent. The cost of insurance must be paid to the administrative committee for a blanket policy by such boy according to plans worked out to make such protection available at the lowest possible rate.

6. The committee will reserve the right to take up any heifer that in the opinion of the committee is not being properly cared for and place the heifer with another boy.

7. Any boy moving out of the area will be required to return the heifer to the club or work out arrangements satisfactory to the committee.

8. Each boy must agree to breed his heifer at the proper age to a bull approved by the committee and recommended by his vocational agriculture teacher and county agent, and continue to do so until a heifer is returned to the club. It is further agreed that when the original animal becomes the absolute property of the boy such animal and progeny must be bred in the future in the same way under the same conditions as originally, and failure to do so will forfeit title in such animal to sponsors.

9. Every precaution must be taken by the boys receiving heifers to control diseases and parasites as recommended by the U. S. D. A.

10. The feeding and care of the heifers will be supervised by the vocational agriculture teacher and/or the county agent concerned.

11. Titles to the heifers placed originally with the boys will be retained by the sponsor until a heifer or her equivalent has been returned to the sponsor to be placed with another boy. The registration papers and transfer will be promptly furnished the then owner of the animal.

12. Boys wanting heifers will be required to sign an agreement, joined by their parents, to comply with the above regulations and to fill out application sheets furnished by the agriculture teacher or county agent to be used by the committee in selecting the boys to receive the heifers.

13. It is requested that two or more representatives of each club, or firm, or business or individual sponsor visits the boy at his home at least once a year.

14. Each boy receiving a heifer will be required to show his heifer in approved dairy shows of the county.

15. Heifers will be awarded as prizes on the basis of 20% for best essay showing knowledge and information on the subject and 80% upon his facilities and ability to successfully complete the demonstration. The committee reserves the right to talk to the contestants, to inspect them of boys to receive the heifers.

16. All heifers will be delivered into the hands of the boys selected on a date to be set and announced by the committee.

17. It is mutually understood and agreed that when the above mentioned conditions have been met, the ownership of the heifer passes to the boy.

18. The committee reserves the right to interpret the rules and regulations, and make such changes and corrections as will insure a smoother running program and its perpetuity. In no instance will a boy be deprived of the heifer awarded him if he complies with the rules and regulations in force at the time the heifer is awarded to him.

Visitors at the meeting included Rotarians H. C. Henderson, Ranger and J. C. Poe, Eastland. Other visitors were Joe Slicker and L. O. Swindle, Cisco and Harold Fry, and C. R. Fry of Abilene.

Nazarenes Will Install Officers Sunday Morning

New officers of the Nazarene Church will be installed at special services Sunday morning, August 28, it was announced by Rev. Cecil Stowe, who will begin his fourth year as local pastor. Officers for every department will be installed at the services.

A delegation from the local church returned recently from Plainview where they attended the annual District Assembly and Camp Meeting. Several hundred delegates attended the meeting to plan the work of the Abilene District and to elect officers and make preacher assignments. Rev. W. B. Walker was reelected as district superintendent.

Rev. Cecil Stowe was returned as pastor of the Cisco congregation for his fourth year.

Those attending from Cisco were Mr. and Mrs. Stowe, Mrs. Velma McCrary, Floyd Rains and Urma Ruth Jones.

WATERMELON FEAST

A watermelon feast and social gathering has been planned for members and guests of the Progressive Couples Class at the First Methodist Church at the Lake Cisco Park Friday evening.

The feast, which will begin at 7:30 p. m. is a part of the organization's monthly social program. Harry Gurney is president.

The services were held today at 4 p. m. A prominent resident of Fort Worth, Cleveland had been a close friend of Tompkins.

Women's Council Enjoys Program

The Women's Council of the First Christian church met Tuesday, August 23 at the church in a general meeting. Following the call to worship, Mrs. Fleming Waters introduced mem-

bers of Group Two who had charge of the program.

The theme of the missionary lesson was "Our Work With Latin Americans." Mrs. Mobley program leader, presented Mrs. Jimenez and her two sons who prayed the Lord's Prayer in Spanish.

A splendid devotion "Within

the Family of God" was given by Mrs. Mobley, stressing the beauties of Nature. Miss Olga Faye Ford brought the missionary account of the Mexican Christian institute in San Antonio and the work there.

Ailene Clark and Mary Ann Henderson sang a duet which was much enjoyed by the Council. The final number on the program was a solo — "Evening Prayer", by Mrs. W. J. Armstrong.

Mrs. Waters, presided as business was transacted. Very good reports were heard from the various Groups. Reports were read by the treasurer and standing committees. Following the missionary benediction Group Two served refreshments. The Council room was appropriately decorated to carry out the Latin American theme and Mexican food was served on the refreshment plate.

Nineteen members and six guests enjoyed this interesting meeting.

Lydia Class Meets In Pollard Home

The Lydia Class of First Baptist Sunday school met August 19 for the August business and social meeting in the home of Mrs. G. Pollard with Mrs. Mack Stephens as co-hostess.

Mrs. F. D. Wright was in charge and presided over a short business session. Plans were made to assist a needy family; and routine business was transacted. A discussion about the

class work was heard after which a chain of prayer for the revival meeting closed the session.

During each month members having birthdays are remembered with a gift at the social meeting. Mrs. Pollard (the hostess) and Mrs. O. J. Russell who was away were the ones honored by the class at this meeting. The "Happy Birthday" song was sung by the group after which delicious fruit punch and homemade cookies were passed to the following:

The "next look" in cars

Announcing the NEW 1950 STUDEBAKER

The leader leads again! A breath-taking new car!

A dynamic new triumph of Studebaker's overwhelmingly popular new ideas on automobile designing! A 1950 Studebaker styled ahead—and engineered ahead—for years to come!

AMERICA expects the unexpected from Studebaker—and here it is—the "next look" in cars!

Dynamically new in form and substance, this is a truly inspired 1950 Studebaker.

Its styling is more distinctive than the "new look" that Studebaker originated three years ago.

This is a complete line of completely new 1950 Studebaker cars—paced by a sensationally advanced Studebaker Champion in the low price field.

Stop in for a look. New in eye appeal and new in

drive appeal, this breath-taking 1950 Studebaker is starting another Studebaker buying wave.

The 1950 Studebaker stands out in advancements!

A new longer Champion and Commander! A new longer special Land Cruiser sedan! • Self-stabilizing coil spring front wheel suspension • Higher compression Commander and Champion engines of increased horsepower • Wide-rim wheels and extra-low-pressure tires • Self-adjusting brakes • Symmetrically centered variable ratio steering • Over-size windows and windshield • "Black light" instrument panel dials • Wear-resisting Studebaker craftsmanship • Automatic hill holder (extra cost on Champion only) • Gas-saving automatic overdrive transmission, Studebaker Climatizer heating and ventilating, Studebaker-engineered Philco radio, available on all models at added cost.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

First Baptist WMS Meets At Church

Women's Missionary Society of the First Baptist church met Tuesday afternoon at the church for the Bible lesson and business meeting. The meeting was opened with group singing of "Make Me a Channel of Blessing" led by Mrs. R. D. Guthrie with Mrs. W. F. Walker at the piano. Prayer was offered by the pastor, Rev. Otis Strickland, at the close of the song, the Bible lesson from the Book of Matthew was also presented by the pastor.

The meeting was then turned to Mrs. W. V. Gardenhire who conducted a business session. In absence of Mrs. E. H. Cheeves, secretary, the minutes were read by Mrs. R. D. Guthrie, acting secretary. Treasurer's report was made by W. D. Hazel. The nominating committee made report which was accepted and the following officers were elected.

President, Mrs. W. V. Gardenhire; secretary, Mrs. W. W. Sawyers; treasurer, Mrs. W. D. Hazel; Young People's leader, Mrs. Grady Laws. Announcement was next made of the annual meeting of Cisco Baptist association which is scheduled to meet here in September. Committees were appointed as follows: Table, Circles One and Four; Table clearing, Circles Two and Three; decorations, Circles Five and Six; Registration, Circle Seven, Drinks, Circle Nine. A discussion of the division into new circles, to be made in October, was heard after which the meeting was adjourned with prayer by Mrs. W. D. Hazel.

Those present were: Mesdames W. V. Gardenhire, M. P. Farnsworth, M. F. Underwood, E. C. McClelland, C. A. Lassiter, W. F. Walker, Algie Skiles, R. D. Guthrie, Eula Grantz, E. L. Jackson, O. L. Mason, W. W. Sawyers.

Bill Hubers Are Honored Wednesday In Weiser Home

Mr. and Mrs. O. J. Weiser entertained a number of guests in their home south of the city on Wednesday evening, honoring Mr. and Mrs. Bill Huber, who were married August 13. After guests were welcomed they were seated in the flower bedecked living room and the spacious front porch while a program of vocal music was presented by Misses Ann Zander, Elaine Ziehr, Ruth Lanham and Virginia Weiser. The program consisted of appropriate love songs and a reading by Miss Weiser.

The honorees then opened the large selection of gifts and passed them for inspection of all present.

The group was invited into the dining room where refreshments of punch, cakes and mints were served. The punch bowl was presided over by Mrs. Carl Stroebel.

The guests included Messrs. and Mesdames Bill Huber, honorees, A. O. Lenz, Alex Zander, W. J. Prange, Carl Stroebel, R. H. Dunning, Paul Weiser, Ed Wende, Ernest Reich, Robert Hintz, Johnny Gerhardt, Frank Ziehr, Floyd Reich, Alvin Wende, O. P. Weiser, F. Uhrmann, Messrs. Erwin Witt and Ben Wende, Rev. and Mrs. G. A. Obenhaus, Mrs. A. Strobel, Mrs. Marie Fricke, Mrs. Clara Huber, Mrs. E. Payne, Mrs. W. J. Tarver, Lloyd Bisbee, Paul Wende, Misses Virginia Weiser, Ann Zander, Ruth Lanham, Elaine Ziehr, Ella and Emmy Lou Huber and about 20 children.

Gifts were sent by Messrs. and Mesdames M. Miller, Max Witt, John Gerhardt, Yates and Jim; Mrs. S. C. Bisbee, Betty Bisbee, Mrs. Bertie Ziehr, Mrs. Paul Wende, and Misses Mildred Huber and Norman Prange.

CISCO ICE Company

ATTEND CHURCH

THE CHURCH NEEDS YOU — YOU NEED THE CHURCH

"JESUS shall reign where e'er the sun does his successive journeys run." That is the radiant faith of every true Christian. We are sure of the world's need of the light that flows from the sacred page and from the candles that we have lighted before Him who is the Light of the world. We are equally confident that our Christ has what a needy world must have for its health and its salvation. The needy world and the adequate Lord must be brought together; wherever He has been preached men have called the message 'Good News' and darkened places have become bright with promise and with assurance of final redemption.

BUT who is to win the world for Christ? Will He not draw all men to himself if He is but lifted up? And how can that be done? Of course the preachers must do their part and missionaries must be trained to travel every sea in His service. The air ships must become bearers of the Eternal Word, the Bread of Life, even as they are chartered to carry the products of human industry. They link nation to nation and continent to continent for the commerce of the spirit as well as for the spreading of human goods. That means that you and I shall become the everyday ambassadors of the Gospel, that every ship whether of the sea or of the air, on which we travel shall be pressed into the service of the Lord of Life. In other words, we must have done with the old slogan, 'Let George do it.' Every land is a missionary land and every Christian must become responsible for the spreading of the Gospel. The early Christians carried the news of God's love and grace wherever they traveled around the earth; Paul and Barnabas were but two of a mighty company who were sent out by the Spirit of God. Let your light shine! Go to Church regularly.

YOU IN THE CHURCH THE CHURCH IN YOU
Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statisticians today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.
