per cent ready for the great 1949 edition of the Southwest's biggest and most exciting show, which will open Saturday for a 16 day run.

By the time the ten big gates to the fabulous 187-arre show grounds swing open Saturday morning, the last nail will be tamped down, the thousands of dollars in nickels and dimes will be neatly stacked for easy change, making and the first hamburgers will begin to sizzle on the Midway.

Last year a record 222,310 visitors poured through the gates on opening day. This year, with an enlarged Cotton Bowl seating more than 75,000 for the Texas-Oklahoma football classic and the largest, best-balanced show in history, the Fair should welcome at least a quarter of a million peope the very first day.

More than 2,000,000 people will attend the State Fair this year for a world's record in state fair attendance, officials expect.

Cattle, swine, horses, sheep and goats already are standing patiently, if a bit tensely, in their stalls as handlers groom them for the 10 livestock shows in which almost 4000 animals have been entered.

Kin Of Local Woman Killed In Auto Crash

Mrs. G N. Mahaney left Cisco Thursday for McCamey where she was called by the death of her nephew, Clemmons C. Barret, 54, who was killed in a highway crash near Crane late Tuesday. The body was being held in

McCamey funeral home await-

Still in a critical condition was Mrs. Barrett who was with Baker of Fort Worth, former her husband at the time of the accident. Investigating officers said the crash occured when Barrett was attempting to pass a car parked at the side of the road. The car pulled onto the pavement and in an atempt to avoid hitting it, Barrett crashed head-on with a pick-up driven by Mrs. John Webb of Crane.

Barret had been a resident of McCamey for 17 years and was an employee of Continental Oil Company. He is survived by his wife and three daughters. Also surviving are his mother

nd step mother. Mr. and Mrs. Ray Judia and Mrs. Ethel Berry left Tuesday night for McCamey to attend the services.

College Bulldogs tooks advant. age of two Wrangler miscues Thursday night at Chesley Field and converted them into touchdowns that spelled defeat for the locals in a thrill packed game that ended with the visitors on the long end of the 25-18 score. The game had no bearing on the north zone of the TJCAC race as Navarro is in the south zone.

Late in the first quarter a lateral from Quarterback Lonnie Crosby to Harold Sides gave the ball to the Bulldogs on the Wrangler 40 and a pass from Bill Reed to Wylie and a 20 yard sprint by Bill Hopson left the ball resting on the Wrangler 5yard line, from which Hopson scored. A pass from Crosby, intended for Owens, following the kickoff after the Bulldog score, backfired and was taken in by Don McLeod at the midfield stripe. Aided by beautiful blocking, the Navarro halfback went the entire distance to score.

The Wranglers received the plays, with Harold Sides doing opening kickoff and on power most of the ball carrying, worked the ball to the Bulldogs' seven where Crosby passed to Gorlyn Lee into the end zone for the first score of the game. Garner missed the uprights for the extra point. The locals kicked to the Bulldogs and the ball was taken by Reed on his own 20 and he ran back to the 46. From there Hopson and Reed worked the ball down to the five where Red Earl tiok a hand off from Reed and went over after being hit by two tacklers. The try for extra point was no good.

The second quarter was all Navarro. They scored the two touchdowns set up by the Wrah gler fumble and the intercepted pass and stopped up the holes in their forward and to hold the Wranglers out of scoring posi-

The Wranglers came to life in the third period and scored one touchdown and were resting on the Bulldogs 12 when the whistle blew. They held the visitors to one yard and literally tore up the field. They took the ball on the kickoff an their own five yard line and moved up to the Navarro 30 where they lost the ball on a fumble by Sides. Using an eight man line the Wrangelrs held and Navarro was forced to quick kick: The ball was taken on the 12 and the Wranglers were forced to punt to the Bulldogs who took the ball on their own 44. After a loss, they kicked to the Cisco 15 and Garner got back to the 32. From there the ball was worked down to the Bulldog 2, and Crosby scored. A line buck failed to produce the extra point.

After an exchange of punts, Moore, Wrangler Guard, intercepted a Navarro pass on the visitors 30 yard line. The quarter ended after the ball was worked to the Bulldog 12. From there Crosby passed to Garner for the score that tied the game.

Navarro scored the winning touchdown late in the fourth quarter after a fumble caused the Wranglers to kick from their own 11 yard line. The ball was taken on the Navarro 40 and worked to the two where Reed went on a sneak through cen-

ter. His try for point was good. Outstanding on offense for the Wranglers was Sides and Garner, with Varner coming in for several nice gains. In the line Spencer at end and Moore at guard were outstanding. Kite, Flood, Lee, Owens, Grigsby, Milsap, Spicer, Price, Kinard and others played a fast hard charging game and with sharp tackles staved off Navarro threats. For the visitors it was all Hopson, Reed and Earl.

AMERICANISM and CHRISTIANITY or COMMUNISM and ATHEISM ... which do you want? The inescapable challenge facing the Christian world today is COMMUNISM. COMMUNISM is OFFICIALLY ATHEIST. To destroy the American principle of FREEDOM of WORSHIP is the declared intention of this ANTI-AMERICANISM.

ABOUT twenty years ago the Comintern declared: "The ultimate aim of the Communist International is to replace world capitalist economy by a world system of Communism.... It will bury forever all mysticism, religion, and superstition." That anti-God declaration has never been challenged. In fact, it has strengthened its atheist principles to a point that has rarely been seen before in history. The Truth is, Communism cannot live with Christianity, because it is a religion unto itself, as much so as it is a system of politics and economics.

COMMUNISTS declare theirs is simply the "scientific" application of the teachings or history. They also say theirs is not only a "scientific" system but is the ONLY SYSTEM. Communists say Christianity is superstition. They refer to Christianity as something especially designed to capture the masses for exploitation by capitalist masters. Communists say "DOWN WITH THE CROSS WHICH IS THE SYMBOL OF FAITH FOR THE CHRISTIAN WORLD."... Therefore, Communism and Christianity become the two great rival Faiths of the Twentieth Century.

CHRISTIANITY believes one thing about the nature of man and his destiny, the nature of morality, the basis of ethics, and the nature of the Universe; COMMUNISM believes the exact opposite. CHRISTIANITY believes in the INDIVIDUAL and in the RIGHTS OF MAN. COMMUNISM believes the individual is the wholly owned SLAVE OF

THIS atheistic, materialistic, conspiracy threatens to engulf the whole world. Unless it is stopped our liberties, political, civil and religious rights, will go the way of the unfortunate nations which have already been crushed to earth behind the iron curtain of Moscow. If you believe in God and the Bible of the Lord God Almighty, won't you help hold high the CROSS. It is being threatened by Communist enemies. For the sake of all that is dear to you...attend your church and support her good work.
