## Mineral Wells To Honor Officials At Big Party

MINERAL WELLS, Oct. 12 — Long renowned for its many kinds of celebrations, Texas is about to see something different—a party at which the guests of honor will be the officials of the State. The affair will be held in Mineral Wells on Oct. 23.

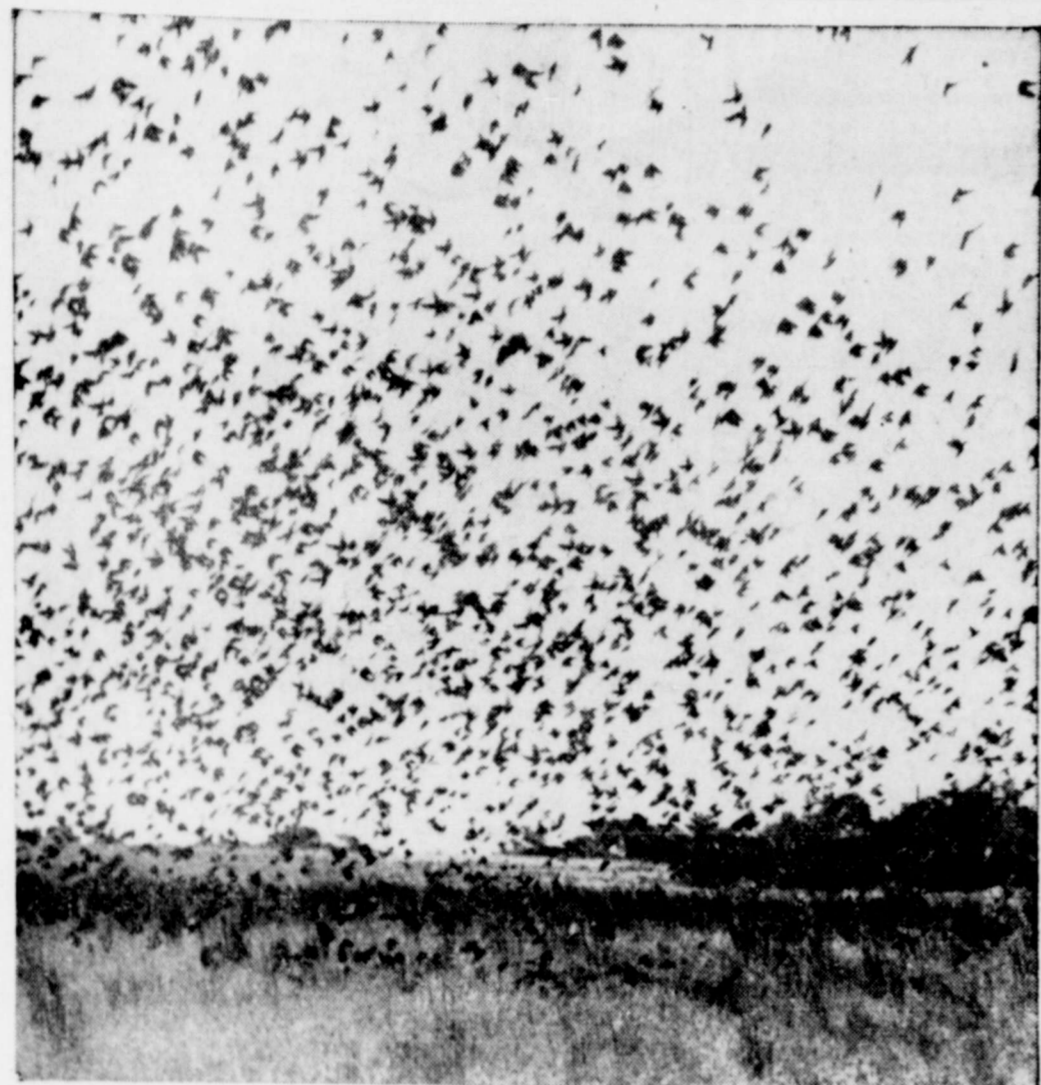

There have, of course, been innumerable celebrations where a single official or the heads of a single commission or department have been honored, but this is believed to be the first time that the State's officials, as a group, have been the guests of honor.

Invitations to attend are going out to some 2,000 men living in every part of Texas.

"This affair will be in the nature of an appreciation party," said Russell Whatley, Mineral Wells business man, one of the guests. "Our only purpose is to bestow recognition and thanks to the executives of our state government for the service they are rendering and in extending this recognition, we will encourage them to continue to give their very best efforts."

Allen Guinn, Mineral Wells businessman who is one of the guests, said, "Mineral Wells, we feel, is an appropriate location for such an affair because it is centrally located and easily accessible."

The occasion will begin at 5 p. m. with a get-together and refreshments in the water pavilion of the Baker Hotel. Barbecue will be served, buffet style, beginning at 6:30 p. m.

**OFF TO A WARMER CLIMATE**—This sky-covering flight of starlings, buzzing in for a landing near Collinsville, Ill., is heading for a winter climate where the temperature suits their clothes.

## Line - Up Change Strengthens Loboes For San Angelo Game

Coaches Jack Everett and Buck Overall will send their light Loboes onto the field Friday night against the strong San Angelo High School football team in San Angelo in the final game before entering into conference play on October 21.

The coaches hoped to gain little but experience for their squad in the game with the Tom Green County boys. The Loboes have shown steady improvement since the season began and barring injuries in the game Friday, should be able to give a good account of themselves in District competition.

The play of Doug Johnson, as

the under man in the T formation and at tailback in the single wing formation has been particularly encouraging. Johnson, a Sophomore, was outstanding in the Graham game, both on offense and defense. His passing arm is developing rapidly and will be used more in the future.

The game of James Waddell has been improved since he was shifted from his regular slot to

a guard position and McMurray showed great improvement in the Graham game. By utilizing Waddell, McMurray and Suggs as guards the coaches have strengthened the center of the forward wall and with the shifting of Porter from end to tackle have built up the weight in the center of the line.

Ervin Brunkenhoefer, Freshman has brought up from the "B" squad to a regular starter at an end position and played an outstanding game in his first appearance against the Graham Steers. McGowan, Sawyer and Brunkenhoefer alternate at the end posts.

Johnson, Harwell, Pippen, Callerman, Farley and Jackson will be called upon to fill backfield posts with Johnson and Harwell bearing the brunt of the running assignments. Jackson will be in at the blocking back slot in the single wing.

The Loboes play their next home game on November 4 when the Weatherford Kangaroos pay a visit to Chesley Field.

### Local Lions Have Educational Program

A program on the origin and ideals of Lionism was presented at the regular noon meeting of the Cisco Lions Club at the Victor Hotel Wednesday.

Lion W. H. LaRogue began the program by giving a short talk on why the club was organized and gave statistics showing the growth through the years.

Secretary E. G. Damron read the Code of Ethics and Norman Huston read some excerpts from the constitution and by-laws.

The program theme was in keeping with district governor's week, which is being observed this week throughout the district.

Visiting the club were Rev. Alton Ferril of Fort Worth and Lem Yeates of Cisco.

### SINGING PLANNED

The Eastland County Singing will be held Sunday at 2 p. m. at the Church of God, located at the corner of Lamar and Valley Streets in Eastland. The public has been invited to attend and take part in the singing.

The Word Demonstration Club members who went the council meeting in Eastland today included: Mrs. M. P. Farnsworth, Mrs. Cora Plumlee, Mrs. Roy Fenley, Mrs. Jess Youngblood, Mrs. J. E. Whisenant, Miss Willie Word, Mrs. D. L. Kisner and Mrs. I. D. Strawn.

### CROSS PLAINS GOBBLER TRIES TO BEAT THE AXE; SETTING ON NEST

CROSS PLAINS, Oct. 12 (Spl.) — Cross Plains men are wondering if actions of a turkey gobbler here are any indication of things to come.

The gobbler is setting on hen eggs at the Eddy Woods farm, three miles northwest of here. He was found 12 days ago perched atop three eggs and nesting as seriously as any hen.

Mrs. Woods who first noticed the odd-acting "Tom", has been observing his habits regularly since, and reports that the gobbler gets off the nest only a few minutes at a time, and then only for an hurried drink of water or quick feeding.

There is much speculation here as to whether or not the gobbler will "mother" the chicks if and when they hatch. The Cross Plains Review, weekly newspaper, is publishing latest bulletins from the nest.

## Wrangler Appreciation Day Begins With Big Pep Rally

### State Employees Day Set At Fair

Governor Allan Shivers has issued an official memorandum setting October 15, 1949 as "State Employees, Day" at the State Fair of Texas in Dallas, according to an announcement by Mr. W. P. Watts, Executive Director of the Texas Public Employees Association.

Governor Shivers stated in the memorandum that this day "was scheduled as State Employees' Day in order that these faithful servants will have an opportunity to partake of the cultural, educational, and recreational facilities of the State Fair of Texas."

From 2 p. m. until 4 p. m. on October 15, there will be a special meeting held for state employees attending the State Fair from all sections of Texas at the Hall of State Building on the Fair Grounds in Dallas. A good representation of the various state employees is expected at the Fair on this special day" said Mr. Watts.

**CHEAPER BY THE DOZEN**—The Rojo family of Havana, Cuba, prepares to leave the New York International Airport for home after a tour of Europe. Representing three generations, there were 14 of them and they are said to be the largest family group ever to fly under an airline's family plan.

A rousing pep rally, which was strictly all student, was held at the Cisco Junior College auditorium at 11:30 a. m. Wednesday in preparation for the game with the Hillsboro Junior College Indians here Thursday night.

The program was in charge of the pep leaders of the school who led the group in yells and called on Coach Stormy Davis and school officials who made short talks. Some members of the Wrangler squad also spoke and indicated they were ready for the game.

Coach Davis was making sure that the team was prepared to meet their heavier opponents at game time. The week was spent in hard work on offensive plays and in setting a defensive pattern against the T-formation and spreads used by the visitors.

Davis expected the game to be one of the hardest scheduled this year. He was undecided as to his starting lineup.

The Hillsboro team is being picked to fight it out with the Navarro Junior College for the championship of their half of the Junior college circuit. Cisco is in the northern half of the conference and the game Thursday night will have no bearing on the official race.

Mayor Rosenthal has proclaimed Thursday as Wrangler Appreciation Day and called upon the citizens of Cisco to be at the game to show their appreciation for the honor and publicity the team has brought the city.

Breckenridge High School is to send its band for the game and the organization will join the Wrangler Band in the between-halves activities. Bands from other schools have been invited and were expected to be on hand. The Breckenridge football team was also invited and will attend the game. The largest crowd of the year was anticipated as fans were expecting the best game of the year.

Mrs. Edgar Altom and Mrs. Parks Poe of Eastland were visitors here Tuesday and attended the workers conference which was held in the First Baptist Church. Mrs. Altom is a daughter of Mr. and Mrs. W. J. Poe.

### EASTLAND COUNTY PEANUT EXHIBIT AT STATE FAIR GETS EXTENSIVE CARE

Peanuts growing in the Eastland county exhibit get just about the most attentive care of any display at the 64th State Fair of Texas.

The water that is sprinkled on them daily is hauled all the way from Eastland, according to George I. Lane, manager of the booth.

No even the prize livestock and poultry being shown at the State Fair get that kind of care, declared Lane who has been supervisor of the Farmer's Home Administration in Eastland county for 15 years.

The exhibit of peanut plants is thriving on its imported water as new leaders are appearing every day. There are both growing and harvested peanuts on display in the booth.

Sam Herring of the Flitwood community in Eastland county provided the harvested peanuts

and the growing peanut plants come from a field cultivated by J. W. Overstreet on the Knox Farm.

Others who were at the Eastland County booth Tuesday which was Eastland County Peanut Day included P. L. Crossley, county judge; J. M. Cooper, County Agent; Ed Steele, assistant county agent; Travis Wheat, farm representative of the Texas Electric Service Co., and Miss Rosie McCoy, home demonstration agent.

## E. R. Eudaly To Speak At Annual County Livestock Association Banquet

E. R. Eudaly of Ft. Worth, formerly Animal Husbandman of the A & M College Extension Service, will be the featured

speaker at the annual barbecue of the Eastland County Livestock Association and Dairy Association at the City Park here Thursday night, October 20th.

At a recent meeting of the Dairy Association, it was voted to have a joint meeting for the occasion with the two associations.

Judge M. S. Long, Eastland, has been named as program chairman and has been selected a large number of committeemen to help, it was said.

Admittance to the barbecue this year will be by ticket and a large crowd was expected to attend. It was hoped that as many as possible secure tickets by October 15 so as to know how many to prepare for, Judge Long said. Tickets can be obtained in Eastland from Judge Long, Geo. I. Lane, Travis Wheat, H. H. Durham, Harold Courtney, Ed Steele, Herb Tanner and M. D. Fox; at Cisco from Henry's Feed Store, Dr. J. H. Denton and A. V. Clark, and in Ranger from Leslie Hagaman. The tickets are \$1.00 each.

The barbecue will begin at 6:30 p. m. on that date.

Mrs. Randolph Lee Clark had as guests in her home today her sister-in-law, Mrs. M. D. Hassler, and her daughter and grand daughter, Mrs. Sue Rucker and Hannah Lane of Stephenville.

Mr. and Mrs. A. G. Becher have returned to their home at Overton after spending the week end in Cisco with their daughter and husband, Mr. and Mrs. John Popalio and two daughters.

## Lobo Queens Split Two Games With Scranton Girls There Tuesday Night

The Cisco High School Lobo Queens split two games with the girls basketball team of Scranton at the Scranton Gym, Tuesday night. The varsity squad dropped a 34-15 decision and the "B" team took their game by a score of 18-13.

Starting at forwards for the Queens in the regular game were Pansy Pippen, Dorothy Barlow and Monte Lisenbeck. At guard posts were Mary Hill, Barbara McCauley and Jessie Tarran.

For Scranton, Sue Grace, Roma Reese and Charisie Ingram started at forwards and Sally Beagle, Julia Wheatly and Jo Ann Morgan started at guards. Roma Reese was high point player for her team and for the game. The flashy Scranton forward rang the basket for a total of 21 points. Pansy Pippen won high point honors for the Queens with eight. She was closely followed by Dorothy Barlow with seven.

The Scranton team was outstanding in every position and their floor work under the basket left the Cisco guards bewildered. Wanda Reese and Betty Keller, substitutes at guard posts for the Queens, played outstanding while they were in.

Starting in the "B" game for the Queens were Dolores Johnson, Wylene Bint and Patsy Denton at forward and Wanda Reese, Betty Keller and Betty

Green at guards. Barbara Schaefer played as guard sub. The line-up for the Scranton "B" team was not available.

Gayle's swallowed a bobby pin!

When her two-year-old daughter swallowed a bobby pin late one evening, Mrs. Chenoweth rushed to the telephone — and this series of calls followed. She says that she wouldn't even try to guess what these calls were really worth to her. But she can tell you what her actual cost was—less than 2c each!

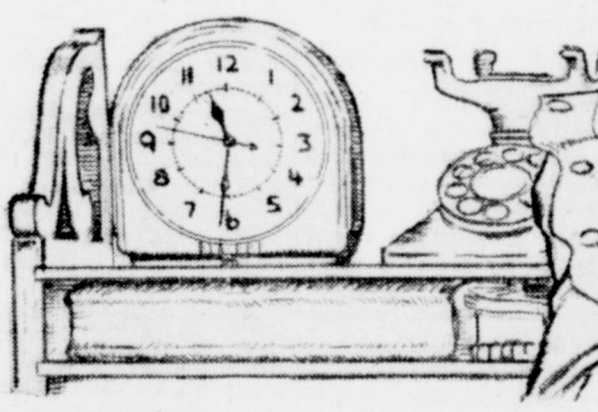

ed it against her monthly bill. "I never realized before," she reports, "how much the telephone helps me run our house, keep in touch with our friends and meet emergencies. It's a real bargain!" To Mrs. Chenoweth's verdict, may we add: We're doing our best to make your telephone service a real bargain today... and to keep it growing in value every year. Southwestern Bell Telephone Co.

Mrs. George Chenoweth 4454 S. Compton Avenue St. Louis 11, Missouri

Called Gayle's doctor. She's swallowed a bobby pin. But he isn't home!

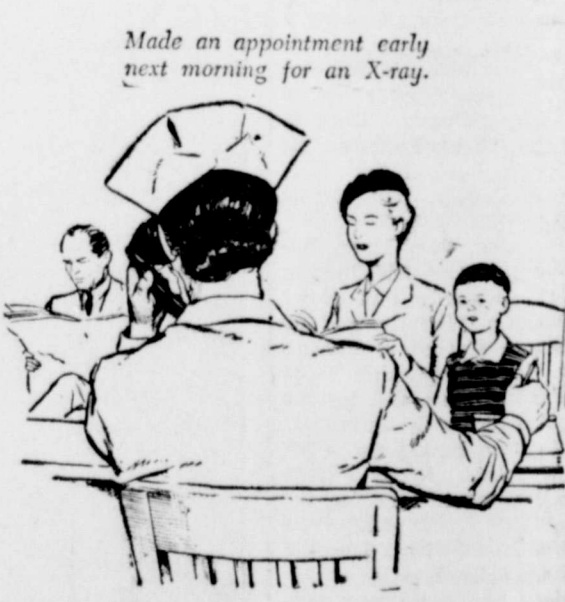

What else gives so much for so little?

Got our family doctor. Gayle's not choking, so no real danger!

Gayle's doctor called. We can relax, bring her in for X-ray in the morning.

Made an appointment early next morning for an X-ray.

Home from X-ray. Called my husband, George. Gayle's fine!

The phone rang the rest of the day—the family and friends calling to ask about Gayle. Made me feel good. Everyone's so nice!
