The Gay Philosopher

By J. W. S.

OUR GOOD neighbors over at Breckenridge won the applause of just about everybody in Cisco the other night at the college football game.

The band went western, complete with a comedian, for a very novel performance. The Bucks have a fine band and we'll bet you that all Breckenridge is mighty proud.

DURING THE play, the Buck band joined the Cisco High band for joint playing. There were 110 pieces in the two bands and the music was very good.

FROM THE standpoint of a spectator, we believe that End Spencer of the Wranglers is one of the best defensive football players we've ever seen in junior college football.

ALL OF US here at The Press office are very proud indeed of Mr. Jim Ewell, Jr. He's a freshman student at Hardin-Simmons University.

LET'S HAVE a football game guessing contest. Let's all take next week's Southwest Conference games and see who can pick the most-and best winners.

WE'VE DECIDED that our six year old daughter is growing up. The other day she asked for some money. We forked over the usual two or three pennies.

A LOT OF compliments have come our way regarding the kindergarten that Mrs. Frank Clamplitt is conducting out at the East Ward School.

WONDER WHAT Mr. R. W. McCauley has up his sleeve? He had a sign on the door the other day that his place of business would be closed all day because he was "going to Abilene to see an exciting new product."

Legion Auxiliary To Initiate Members

An initiation meeting has been planned for Monday night by the America Legion Auxiliary at the Legion Hall. New members will be welcomed and initiated into the organization at that time.

NAME DIRECTORS

Six new directors will be installed on Oct. 18th by the Eastland Chamber of Commerce it was announced by H. J. Tanner, secretary.

New directors are: Theo Lamb, Pet Pearker, W. B. Harris, J. P. Kilgore, V. T. Seaberry and John Osborne, Sr.

The election was conducted by mail referendum.

PIGSKIN PLUNGE—This player got a sudden notion to go in for a dip during the University of Miami football practice at Miami, Fla. He hadn't planned it that way, however.

Advance Ticket Purchase For Dairy-Livestock Association Barbecue Urged

Breckenridge Meters Gross \$18,585.83

Those planning to attend the Eastland County Livestock and Dairy Association barbecue at the City Park in Eastland next Thursday night, October 20, at 6:30 o'clock, were urged to get their tickets as soon as conveniently possible.

Although tickets can be secured at the time of the barbecue, it is hoped that all who can will do so immediately, Clark reported.

Admittance to the barbecue this year will be by ticket for the first and the number of tickets sold prior to the barbecue will give the committee an idea as to how much food to prepare. Judge Clyde Grissom, Eastland is to be master of ceremonies for the program following the barbecue. Judge M. S. Long also of Eastland is in charge of the barbecue and music for the occasion. The loud speaker is to be furnished through the courtesy of Mr. and Mrs. Cecil Hollifield of the Firestone store in Eastland. E. R. Eudaly, Ft. Worth will speak to the group.

Officers and directors of the livestock association will be elected also during the program. The officers who have been nominated include Leslie Hagaman, Ranger, president; A. Z. Myrick, Cisco, vice president; C. M. McCain, treasurer and J. M. Cooper, secretary, both of Eastland.

Tickets can be obtained in Ranger from Leslie Hagaman, James Ratcliff and P. T. Smith. In Eastland they can be secured from Judge M. S. Long, C. M. McCain, George Lane, H. H. Durham, Waverly Massengale, Harold Courtney, Herb Tanner, Red Graha, M. D. Fox and Travis Wheat. Those in Cisco who have tickets available include A. V. Clark, Dr. J. H. Denton and C. M. Henry.

Merit Council Has Job Openings

The Merit System Council, which serves as a "clearing house" for positions in the Texas Employment Commission and the State Department of Public Welfare, will hold open competitive examinations on November 19, 1949, for a number of positions now open in both agencies, according to Chas. S. Gardiner, Director of the Merit System Council.

Positions to be filled by these agencies consist of Field Worker, Interviewer III, Stenographers, Clerk-Typist, Clerk IV, and Apprentice Clerk. Qualifications for these positions vary from high school graduation to college work and experience requirements.

Gardiner pointed out that application to take an examination must be made on an official application blank, which may be obtained from local offices or the Employment Commission and the Department of Public Welfare located throughout the State, or by writing the Merit System Council, 1000 San Antonio Street, Austin, Texas. The closing date for submission of applications is October 29, 1949 and applications postmarked after midnight on the closing date will not be considered, he added.

Youth Halloween Party Planned

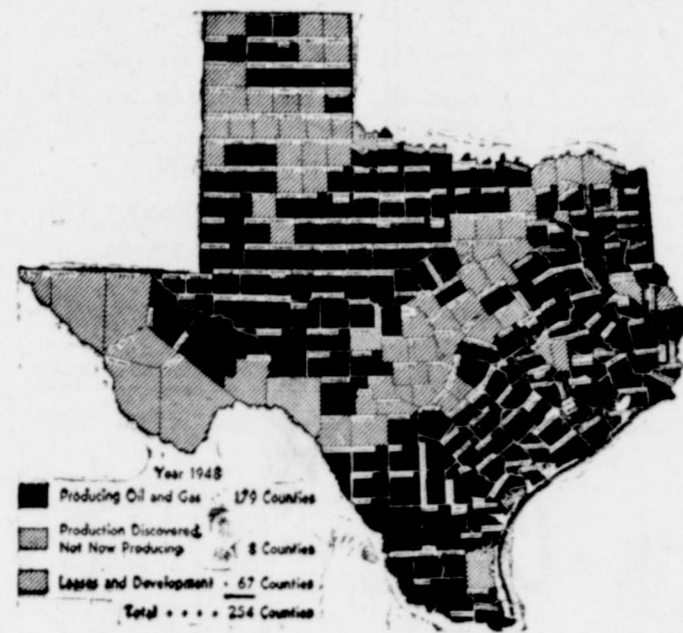

At a recent meeting of the Young People's Council of the Cisco Youth Christian Association it was decided to have a Halloween party on Monday night, October 31. The party will be open to all students of Cisco High School and Cisco Junior College.

Appropriate Halloween games will be played and refreshments will be served to those attending. Good, clean fun was assured those who attend. The place for the play party and the program will be announced later. Chaperons will be provided for the party.

Joe Stamey is president of the group which was organized several months ago by a group of local youths who plan a campaign to open a youth center in the city.

All students of the two city school systems were urged to attend the party.

Mrs. Charles Spears and small sons, Johnny and Brad, returned Thursday from a week's visit in Fort Worth with her parents, Mr. and Mrs. John W. Russell.

Girl Scout Troop Four Enjoys Cook-Out And Meeting At Lake Cisco Park Friday

Local Girl Scout Troop Four held its regular weekly meeting at the American Legion Hall on Thursday and made plans for a cook-out which was held at the Lake Cisco Park Friday.

Patricia Mayer, president, called the group to order and asked for the reading of the minutes. A report was given on the sale

of Christmas cards by the group and it was reported that the members had sold \$83 in cards at the time of the meeting.

Plans for the cook-out were discussed and it was decided to hold it Friday. The meeting was directed by Mrs. Austin Flint, leader, and Mrs. J. W. Sitton, assistant leader. Those present were Mary Jane Rendall, Anita Davies, Dot Crofts, Faye Redwine, Rose Marie Mashburn, Sandra Turknett, Kay Tabor, Beulah Jean Smith, Ja Ann Townsend, Frances Carr, Sharon Gary, Marnett Hart and Patricia Mayer.

The cook-out Friday was held at the Lake with all members except Kay Tabor present. The group met at the hut and went by car. Scouts were assigned to various duties and gathered the wood, built the fire, prepared and cooked the food, prepared the table, cleaned the camp and washed the dishes.

The food consisted of a one-pot meal of vegetables and meat cooked in coffee cans over the coals, buns and marshmallows. The cook-out was under the direction of Mrs. Frances Tarter, camp chairman of the Scout Council, Mrs. Flint, Mrs. Sitton and Mrs. Elsworth Mayer.

Guests included Dash Crofts and Judy and Jim Sitton.

Local Drug Firm Wins High Honor

Leamore Pharmacy of Cisco recently won National recognition when a picture of their show window appeared in two of the leading drug magazines of the Nation.

The picture appeared in the American Druggist and the Drug Topics magazines, with distribution in the 48 states. The honor was the result of a contest staged by Holiday Magazine stressing holiday needs. Over 1,300 chain and independent stores.

The store is owned by Joe Lee Moore and Dudley Lee. The prize winning window was decorated by Mrs. Ethel Berry, an employee of the local concern.

Eastland Burglary Loot Recovered

Most of the loot taken in a burglary of the Panna Hardware and Lumber Company in Eastland last Saturday night was found by passerbys Thursday afternoon in a hiding place under the Grapevine schoolhouse, Southwest of Eastland.

Two rifles, two shotguns, a quantity of ammunition and two hunting knives were recovered. Two pistols and approximately \$30 in change is still missing.

No arrests have been made in the burglary.

For the first 15 minutes Friday night at San Angelo, Cisco High School's lightweight Loboes matched the heavier Angelo Bobcats, block for block and score at a time, but the weight and experience of the heavier opponents began to tell and the scrapping locals went down to a 70-7 defeat.

Outweighed 25 pounds per man, the Loboes ran all over the field during the first quarter and the first few minutes of the second period. San Angelo scored one in the first and the Loboes came back early in the second and tied the score. Doug Johnson scored Cisco's lone tally and was the offensive star for the local team.

Coaches Everett and Overall expressed gratitude at the improved running game and the blocking of the Loboes and promised fans a good brand of football when the district play opens with Stephenville Friday night.

Several times a Lobo runner was loose in the San Angelo backfield and heading for pay dirt only to be dragged down from behind by speedy San Angelo secondary defenders.

The Bobcats started the game with a mixture of first and second string players but after the Loboes scored, ran in their entire starting team to wear down their lighter opponents.

Rowland was the offensive star for the Bobcats while he was in the game. He is one of the fastest boys in the state and is being heralded for an all-state post.

Barring injuries this week, the Loboes should be in top form for Stephenville there Friday night and picked to give a good account of themselves. Coaches Everett and Overall were to spend the week perfecting their running play and blocking assignments.

Mrs. M. Whitehead Honored on Birthday

Mrs. Millie Whitehead was honored recently on her 74th birthday by members of her family who met in the home of her son, L. R. Whitehead, at 8 p. m. Tuesday to pay her a surprise honor. The house was decorated with lovely cut flowers and a beautifully decorated tiered cake was brought by relatives and placed on the table, flanked by tall burning candles in crystal holders. Pictures were made of representatives of four generations and also of the group.

A nice array of gifts was piled high on a decorated wagon that was brought in and placed before the honoree by Jackie Jean Hunt, Neva and Dalton Whitehead, grandchildren of Mrs. Whitehead. A pretty bouquet of pink roses was sent to the honoree by Joe Johnson, a former neighbor and friend of the family.

GET Big CALF CROPS

Help build up YOUR COWS with **PURINA RANGE CHECKERS** ... a quality range supplement

Yes, many cattlemen get 90% calf crops—some almost 100%—by feeding Purina Range Checkers for 3 to 5 months during the winter. And their calves are usually enough bigger in size to more than pay the cost of the feed. All this is made possible because the cows are usually brought through the winter in better condition on Purina Range Checkers.

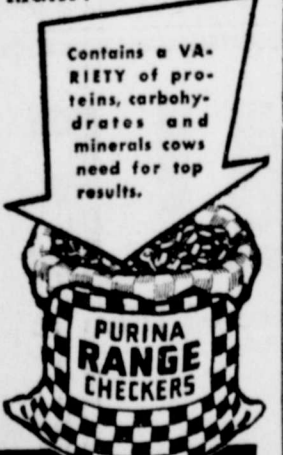

Why? Because Range Checkers contain 3 kinds of proteins—cottonseed, linseed and soybean oil meal... plus minerals, and molasses—a fine conditioner.

So, before you buy or book feed, ask us about Range Checkers. IT'S PRICED RIGHT!
