CISCO, TEXAS, WEDNESDAY, OCTOBER 26, 1949

NUMBER 245

Ex-Student Pictured In Austin Newspaper

Officials of Cisco Junior College received a letter this week from Glenn Doggett, former member of the Alpha Delta Gamma, an honorary advertising fraternity, must sell, paint the signs and carry on the sidewalks for two hours.

A paragraph from his letter follows: "I have talked to nearly all of the Cisco students who have had two years at Cisco Junior College before they made the try at the University of Texas, and from what each of these students have said I have gathered that the two years spent at Cisco were well worth the time.

Each student seemed to be well established in college life before he arrived at the University and seemed to have little trouble in getting oriented, mainly because all his basic work was behind him, and that is where the students seem to get all fouled up with college life.

"I will say hello for Charles Adair, Robi Robinson, Jerry Mettall, Fred Steffey, Raymond Thomas, Pete Sherman and Linda Fee."

Desdamona Boy Wins Fair Award

"Butch," 875 pound fat, Short-horn calf exhibited by Joe Ben Koonce, Desdemona 4-H Club member, was awarded reserve champion of the Shorthorn Division at the State Fair, Dallas, last week, according to Ed Steele, assistant county agent, Eastland.

"Butch" was bred by young Koonce's father, B. O. Koonce, who has an outstanding herd of registered Shorthorn cattle. Koonce received 43c per pound at auction for Butch and received \$32.81 with a 3 per cent shrink. Joe Ben has been active in 4-H Club circles for the past 6 years, having fed out several Shorthorn calves during this period.

He won Grand Champion steer at the Eastland County Livestock show last March with "Frosty" another Koonce bred Shorthorn. He also received first prize in the County Sears show last September with his registered Duroc Jersey gilt that he won in the Sears Roebuck Pig Program.

At the present time Koonce is breeding out white Shorthorn calf which he is heading toward the Ft. Worth Fat Stock Show in January.

Guy Warden, son of Mr. and Mrs. T. E. Warden of Eastland also had a steer in the medium weight Herford class in Dallas.

MERCHANTS MEET

Some 50 local merchants will meet at the Chamber of Commerce Thursday at 3 p. m. to complete plans for the Appreciation Day Program which is scheduled to begin Saturday, November 5. At the meeting they will receive supplies to carry on the program for the day and will receive instructions for handling the details of the Day. All participating merchants were urged to attend the meeting.

DR. CLARK IMPROVED

The condition of Dr. F. E. Clark was reported slightly improved Wednesday. He has been critically ill since undergoing an operation in a Fort Worth hospital last week. Mrs. Clark is remaining in Fort Worth until Dr. Clark is out of danger.

Queens Split Two Game Series With Scranton At Local Gym Tuesday Night

The Cisco High School Lobo Queens won one and lost one in two games played at the Community gym Tuesday night with the girls basketball team from Scranton.

In the first game the "B" teams from Cisco and Scranton played to an exciting 18-14 finish with the local girls the winner. The score was even at the end of the first quarter when Cisco put on the steam to lead the rest of the way.

Dolores Johnson was high point player for the game with a total of nine. She was followed by Betty Green with five. Wylene Bint was in third place for Cisco with a four.

In at forwards for the Queens in the "B" game were Dolores Johnson, Wylene Bint and Betty Green. In at guards were Barbara McCauley, Mary Hill and Charlotte Smith, with Betty Keller going in as a substitute when McCauley fouled out.

In the second game the regular team from Cisco scored only twice in the first half to trail the visitors from Scranton by a score of 12-4, but came back strong in the second half to score ten points. The last half rally fell short of the necessary points needed to place them in the win column but kept the crowd in an uproar.

Cisco's inability to hit the bas-

ket on free throws cost them the game.

Roma Reese, Scranton's sharpshooting forward, was hitting a basket at all angles and ran up away high point honors. She was followed by Dorothy Harlow of Cisco with eight. Harlow was followed by Sue Grace of Scranton who had seven points. Pansy Phippen of Cisco had six.

The guard play of Sally Speegle was little short of sensational and her fast floor work robbed Cisco of many scores. She was particularly good in taking the ball off the board and getting it to her forwards.

All the Cisco guards played their positions well and held the Scranton team to one of their lowest scores of the season.

Starting as forwards for Cisco were Harlow, Phippen and Eula Hildreth. At guards were Monte Iisenbee, Jessie Warren and Betty Keller. For Scranton, Sue Grace, Roma Reese and Charles Ingram started at forwards and Julia Wheatley, Sally Speegle and Jo Ann Morgan started at guard posts.

The Queens, under the direction of Coach Dorothy Shaver, showed much improvement since the last game and are pointing to conference competition in the spring.

Pearce Revival Draws Big Crowds

Large congregations, increasing in size each night, are hearing Dr. J. Stuart Pearce in a series of messages on the fundamentals of Christian religion as revealed in the scriptures at the First Presbyterian Church this week.

Members of all churches, and those without a church home, were cordially invited and urged to attend the services. A large group of visitors have been present each night. The services will continue through Sunday night.

Dr. Pearce, a former pastor of the church, spoke at the Lions Club at noon Wednesday.

Exam Set For Federal Position

The U. S. Civil Service Commission today announced an examination for filling Patent Adviser positions in Washington, D. C., and vicinity.

The positions to be filled pay yearly salaries ranging from \$3,727 to \$6,235. To qualify, applicants must have had either college study or scientific or technical experience in a field of physical science or in engineering, or a combination of such study and experience. In addition they must have had appropriate professional experience. No written test will be required.

Further information and application forms may be obtained from the Commission's local secretary, Sam B. King, located at Cisco Post Office.

HAVE NEW DAUGHTER

Mr. and Mrs. Alvin King of Brownfield announce the birth of a daughter in a Brownfield hospital Wednesday at 10 a. m. The baby weighed seven and one half pounds. Mrs. King is the former Ruth Cook, daughter of Mr. and Mrs. S. L. Cook of Cisco. Both Mr. and Mrs. King are graduates of Cisco High School.

Guests of Mrs. Gorum Pollard and her father, R. D. Vanderford over the past weekend were her sister and husband, Mr. and Mrs. B. B. Gregory of Dallas, and their brother, A. O. Vanderford and wife of Big Spring, and Mrs. Pollard's daughters and husbands, Mr. and Mrs. Jesse J. Butts and children, Vickey Beth and Jimmy of Holiday, Mr. and Mrs. Ben R. Townley and children, Dick and Josephine of Gorman, and her son and wife, Mr. and Mrs. Rex Pollard and children, David and Lyn, of Dallas.

The Leveridges have moved to 710 East 22nd in Humboldt, and the Dunning family will make their home at 1101 West 6th Street.

Club Youths To Begin Applying For Dairy Program Calves In November

Plans Completed For Youth Party

Plans for the citywide youth party sponsored by the Cisco Youth Christian Association were completed this week, it was announced. The party is scheduled for Monday night, October 31, at the American Legion Hall.

Mrs. Paul Weiser and Mrs. J. J. Porter will serve as sponsors and will attend the party along with other adults.

Games will be played and the time will be spent in play, telling of ghost stories, black magic, fortune telling and being entertained by the Mystic Caller.

Refreshments will be served to those attending the party and a good time was promised to all.

All high school and junior college students were invited to attend. Joe Stamey is president of the CYCA.

Girl Scout Week To Be Observed

National Girl Scout Week, beginning October 30, will be observed in Cisco by local troops by attending church in a group and displaying some of their work in a local business house show window.

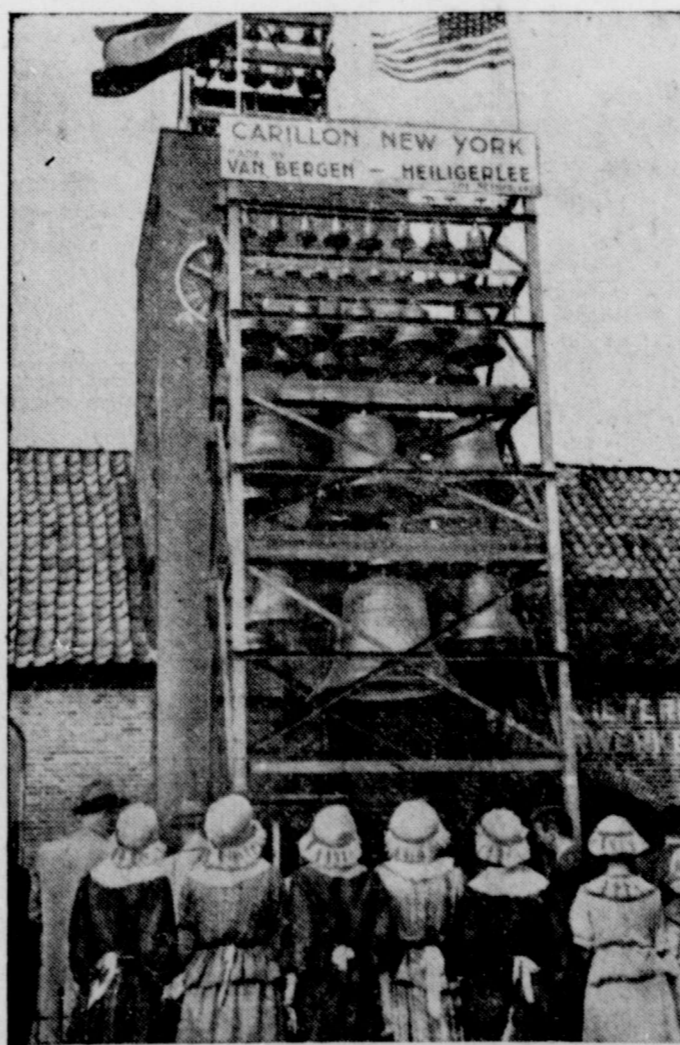

On Sunday, October 30, the troops with their leaders and assistant leaders will attend church in a body and will be recognized by the ministers.

On Monday, they will install a window at Cisco Gas Corporation building, displaying work done by the troops. The week is planned each year to honor the founder of girl scouting and the birthday of the founder falls in that week.

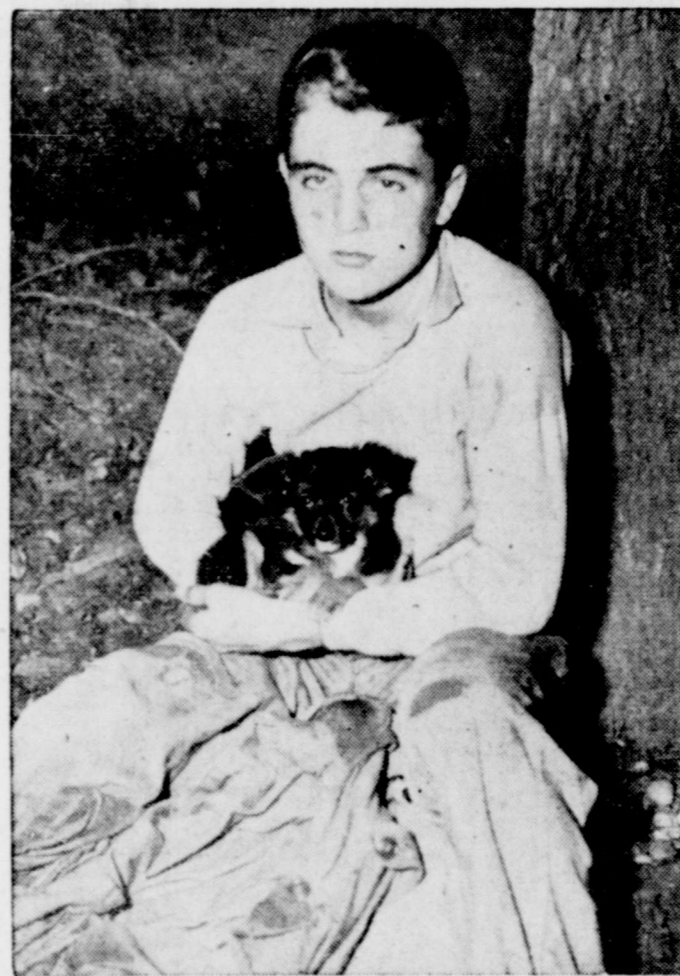

IS SERIOUSLY ILL

Mr. and Mrs. D. R. Harper left Cisco Wednesday for Port Arthur where they were called because of the serious illness of their daughter, Mrs. A. M. Jensen. Mrs. Jensen has been ill for several days and her parents were called when the illness became critical.

Mrs. R. D. Donham and three small children of Rising Star visited here today in the home of her parents, Mr. and Mrs. Guyle Greynolds Sr.

COMING FROM EUROPE—Girls in provincial costumes listen to the carillon of 40 bells in Heiligerlee, The Netherlands. The chimes were made in the local bell foundry there, but are destined for St. Martin's Church in New York.

FRIENDS FOR LIFE—Teddy, a mongrel puppy, was partially paralyzed by a fall and was to be put to death, but Danny Ryan, 14, of Erocklyn, N.Y., ran away with him. They were found two days later near Alpine, N.J., with only a can of soup for subsistence, but a vet has assured Danny that the dog can be cured.

Honor Rolls For Senior And Junior High Schools Are Announced Here

Some 85 high school and 18 junior high school students were named in the honor rolls of the two schools for the first six weeks of the 1949-50 school year, according to school officials.

Of the 85 high school students making the roll 27 were taking four subjects and made above 90 on all subjects. The remaining students were also taking four subjects and made above 85 on all four. Some of those in the second group made higher averages than those in the first group but on one subject fell below the 90 mark.

The junior high school students listed on the honor roll made a 90 or above on all subjects.

Those named on the honor roll for the high school with all

grades above 90 were as follows:

Freshmen — Irvin Brunkemhofer, Allyne Clark, Barbara Cousins, Bertie Mae Donham, Carrol Donohoe, Sara Ellis, Lo Anne Holder, Jean McClelland, Dorothy Rice, Dorothy Ann Sanders, Fred David Shockley, John Simmons, Ivadene Sublett, Annie Waters and H. L. Youngblood.

Sophomores — Geneva Bint, Wylene Bint, Joanna Blackwell, Johanna Chapman and Mary Ellen McCrea. Juniors — Jane Huestis, Patsy King, Bill Mitchell and Joe Stamey. Seniors — Scrippy Cluck, Anita Carlin, Mary Harper and Virginia Weiser.

Freshmen making the roll with an average of 85 or better were Yvonne Anderson, Mary Ann Bean, Gearld Bint, Wylene Cearley, H. L. Coats, Jerry Cowan, Mary Dryden, Bobby Estill, Don Farnsworth, Daniel Gray, Monte Gray, Wanda Hailey, Jerry Hastings, Marlyn Jackson, Bob Jones, Philbert Kendrick, Neota Moad, Max Poyner, Wayne Rumsey, Mary Scott, Della Stephenson, Nancy Lee Taylor, Raford Thames, Floyce Wooten.

Others on that list include Sophomores Bob Cleveland, Janet Ferguson, Phyllis Garcia, Hughes McCrary, Janell Miller, Barbara Schaefer, Nanette West, Mary Nell Whitten, Louise Wilson, Betty Hughes. Juniors — Joyce Fry, Richard Moore, Clem Newhaus, H. K. Neely, Darlene Parmer, Carlene Pence and GuRee Stowe.

Seniors — Renabel Bible, Lura Bess Cowan, Dorothy Garrett, Doris Jean Kirkland, Pierre Kendrick, John Farley, Franklin Leach, Frances Leopoles, Bernie Ann McCrea, Robert McMurry, James Porter, Mary Ellen Sanders, Mary Dell Stinson, Pat Tillery, Nada Wagley, and Vandel Weathers.

Seventh grade—Maurice Collins, Nixie Gregory, Neva Reddick, Kathleen Rich, Maryanna Smith, Franklin Myrick, Lonnie Shockley, Bill Smith, Sue Harrelson, and Carlene Holder.

Sixth grade — Harold Hammett, Patricia Mayer, Dot Crofts and Anita Davis.

November 1 has been set by the Eastland County Dairy Association and the Youth Dairy Program committee as the date to begin accepting applications from club boys for registered calves to be given to the boys under the provisions of the project.

Youths may secure the application blanks from County Agent J. M. Cooper or their vocational agriculture teacher.

Under the program the committee selects the most deserving youths who apply for the calves and awards them an animal. The cow must be bred to registered sires and the first heifer calf returned to the committee to perpetuate the program. The boy must care for the animal according to rules set by the committee and must allow inspection by the committee at any time.

When the boy returns a heifer calf to the committee the original animal becomes his property.

Up to Wednesday eleven calves had been purchased by Cisco and Eastland business and civic organizations for beginning the project and others had indicated that they would come into the project soon.

Eight Eastland donors and three from Cisco were listed as purchasing animals costing \$200 each. They were Lamb Motor Co., Muirhead Motor Co., King Motor Co., McGraw Motor Co., Eastland Chamber of Commerce, Eastland Rotary Club, Eastland National Bank and the Texas Electric Service Co., all of Eastland; the Cisco Rotary Club, the Cisco Chamber of Commerce and the First National Bank of Cisco. Other Cisco firms plan to donate calves, it was reported.

The Cisco Dairy Club was the first to ship an animal for the project.

It was hoped that at least 15 calves would be given away in the initial stage of the program and that others would follow as soon as the value of the plan is proven.

Social Security Card Warning Issued

Do not accept social security cards as identification in cashing checks. This warning was issued by Ralph T. Fisher, manager of the Social Security Administration, Abilene.

Noting that recently sheriffs of some counties have reported that a recurring wave of hot checks has hit their communities Fisher explained that a social security card is good only for Social Security Administration to credit wages to the name of and number shown on the card. These wages then form the basis for the federal government to pay retirement benefits to workers after they are 65 years old, and to the survivors of workers who die.

Social security cards also are used by state governments to credit wages and pay unemployment insurance to those who qualify. Fisher emphasized that the social security card is not good identification for any other purposes and definitely should not be accepted as identification in cashing checks.

HOLD RUMMAGE SALE

The ladies of the Cisco Country Club are holding a rummage sale this week and invited every one to attend the sale to take advantage of the many bargains. The sale is being held in the building formerly occupied by Poe and Skiles Grocery Company in the 500 block of Avenue D.

## New Lilies and New Ways To Plant Them This Fall

Japanese lily bulbs will be back in full supply this fall, and with them new American varieties, so that lily fanciers may choose from a list larger than ever before available, to plant for next summer's flowers.

Fall planting is best, because most lily bulbs available in the spring were dug the previous fall, and spent the winter in cold storage. It is much better for them to be in the soil of your garden, where they can start spring growth as soon as the frost has left.

Plant breeders in this country have been working on lilies, and offer several hybrid types, which are claimed to be more adaptable to garden environment than older varieties, which are species, or wild forms, gathered in their native homes, and transferred to gardens without change. Those which have survived and can be grown with reasonable care in average garden soil include:

L. candidum, the Madonna lily, formerly grown by florists as the Easter lily; L. regale, the royal lily, white with pink markings; L. speciosum, a Japanese variety of which two varieties are common, rubrum, white marked with rose, and album, all white; L. henryi, known as the yellow speciosum; L. tigrinum, var. splendens, the tiger lily; L. tenuifolium, the coral lily of Siberia; L. auratum, the Japanese gold-banded lily; L. elegans, showy Japanese lily, including red and yellow; L. testaceum, fragrant buff-colored flowers growing 3 feet high; L. martagon, purple flowers spotted with black.

American growers question the wisdom of planting lily bulbs deeply. L. candidum and its hybrids should barely be covered with soil, they say. Others are best planted so that the soil above the bulb is no deeper than the bulb itself. Thus a bulb measuring four inches from top to bottom should have four inches of soil above it. If this is not deep enough, the roots will pull the bulb deeper; while a bulb planted too deep can never rise to the right level.

More important than depth is the location, however. Lilies need a porous, well drained soil, sunshine and lots of moisture. A southern slope is ideal. Plant the bulbs upright, otherwise the stem may be weak. American growers also are in agreement that the old idea that lilies should not be fed with commercial plant food is obsolete. They respond well to modern commercial preparations, and show no injury, provided it is used with the usual precautions. In preparing a bed or border for lilies, spade under a complete balanced plant food, using 4 pounds for 100 square feet. In planting bulbs singly, mix a teaspoonful of plant food with soil at the bottom of the hole, and cover it with an inch of fresh soil before setting the bulb.

## Dr. Floyd Chaffin Is Guest Speaker At Church Banquet

Dr. Floyd Chaffin of Fort Worth was the invited guest speaker at the banquet Thursday evening at the First Baptist Church. He is well known in this section, having been the popular pastor of the Coleman Baptist church before going to Fort Worth. He was serving as pastor there before going to the Executive Board recently where he is employed as Assistant Secretary. He gave a most inspirational address on "Tithing" after being introduced by Rev. Otis Strickland, pastor of the local First Baptist Church.

The occasion for the message was the Budget Banquet, where special information was to be presented, concerning subscriptions to the church budget. The banquet hall was decorated with flowers and with banners carrying out the theme "Four hundred in Nineteen-fifty" which is the goal of the church.

At the conclusion of his message, Dr. Chaffin showed some slides of the Enrollment Campaign and Subscribing to the Budget at the Polytechnic Baptist Church, Ft. Worth, where he was Pastor. Then he presented a motion picture concerning tithing.

Other after dinner speakers were Rev. Otis Strickland, Mr. F. E. Shepard, Mrs. Truly Carter and Truman Taylor. Special music by Charles W. Jones, Educational director of the church, with Mrs. Truman Taylor at the piano. F. E. Shepard was Master of Ceremonies for the banquet.

Approximately 85 members of the church were present at the splendid affair.

## Mrs. G. B. Langston Is Circle Hostess

Mrs. G. B. Langston was hostess when Circle Five of the First Baptist WMS met recently in her home for the regular meeting. Mrs. Leo Keelan presided and the meeting was called to order with prayer by Mrs. E. C. Duncan; after which the devotion from the fifth chapter of the book of Job, verses 6-17, was presented by Mrs. J. R. Burnett.

A short business session was held and members voted to assist with the budget banquet at the church Thursday evening. A free will offering was taken and minutes of the last meeting were read by Mrs. Fred T. Grist. The meeting then turned to Mrs. Day who brought the lesson from the Mission book, "Japan's New Day." The meeting was adjourned with prayer by Mrs. G. M. Beene.

Refreshments were passed during the social hour which followed to Mrs. A. R. Day, Mrs. E. C. Duncan, Mrs. Leo Keelan, Mrs. W. M. Isenhower, Mrs. O. T. Murton, Mrs. J. R. Burnett, Mrs. G. M. Beene, Mrs. O. G. Lawson, Mrs. Fred Grist and the hostess, Mrs. Langston.

## Socialized Medicine Discussed Friday At Club Meeting

Cisco Child Study Club met Friday afternoon at the Federation club house with Mrs. J. H. Denton, president, in charge and Mrs. M. W. Kring as afternoon hostess. Mrs. Richard Donovan, program chairman, was presented who introduced Dr. E. E. Ady, guest speaker, who gave a splendid talk on "Socialized Medicine."

A short business session was held and a new member, Mrs. Lem Yeates, was welcomed. Minutes and membership roll were read by Mrs. Jo Latson. Routine business was transacted following which the meeting was adjourned.

A social hour was enjoyed after the meeting and refreshments of cakes and cookies were served by the hostess, Mrs. Kring, to the following: Mesdames Don Choate, J. H.

# The car that likes to be compared!

# PLYMOUTH

Great Value is built into every beautiful inch of the new Plymouth. For the positive proof—compare! Put this greatest Plymouth ever built up against the other cars—feature for feature, dollar for dollar, mile for mile!

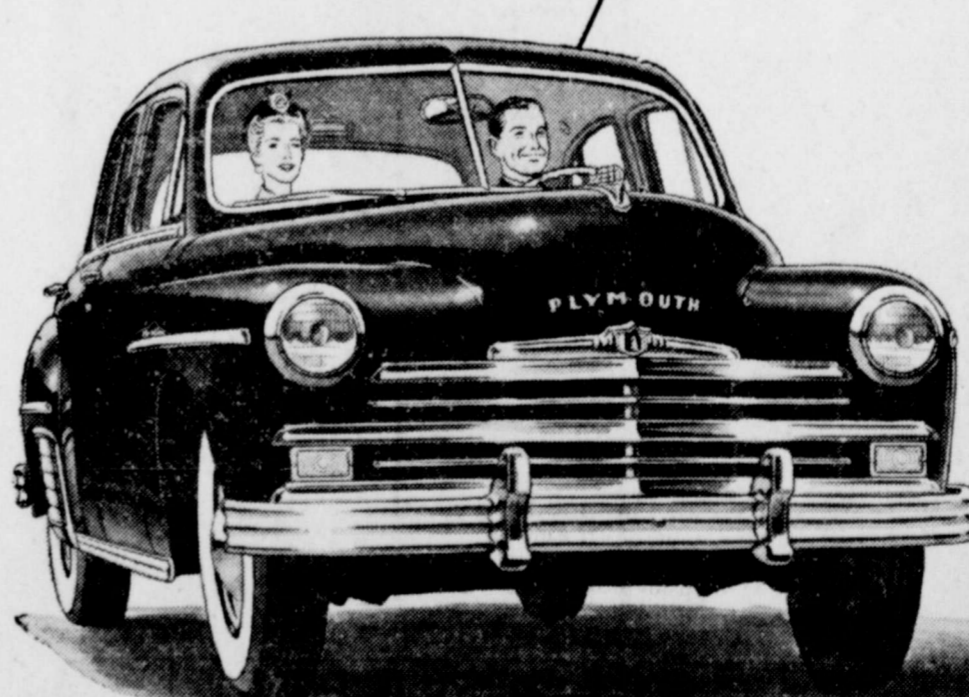

Look at all three of the leading low-priced cars. Plymouth — and only Plymouth — has the famous Air Pillow Ride — now smoother than ever.

The new, more powerful Plymouth engine has a compression ratio of 7 to 1 — low-priced car "A" has 6.8 to 1 — low-priced car "B" has 6.6 to 1. You get greater performance because Plymouth's higher compression squeezes more power out of every drop of gas.

Plymouth is the only low-priced car with the spectacular new double safety feature — Safety-Rim Wheels with Safe-Guard Hydraulic Brakes. Patented retaining humps hold the tire straight on the rim in the event of a blowout. Powerful brakes give quick, safe, accurate stops, without grabbing or biting.

These are just some of the reasons why the new Plymouth is the car that likes to be compared — not just to other low-priced cars—but even to cars costing hundreds of dollars more!

Visit your Plymouth dealer who will be glad to arrange a demonstration ride.

White sidewall tires, chrome wheel covers and rear fender scuff guards optional at extra cost.

Of 22 quality features found in high-priced cars—the new Plymouth has 21... low-priced car "A" has 13... low-priced car "B" has 4. That's why the Plymouth today—more than ever before—is the low-priced car most like high-priced cars!
