HEAVYWEIGHT EASTLAND TEAM IS WINNER OVER MIDGETS TUESDAY

A fast stepping group of Eastland Junior High School Dogies, big and tough enough to be full grown Mavericks, steam-rolled the scrappy, lightweight Cisco Junior High Midgets here Tuesday night at Chesley Field and emerged the winner by a 33-0 score.

There was just too much beef on the Eastland eleven for the bantam weight Midgets to get going on the ground.

Wet Fields Cause Harvest Delay

Wet Fields over most of the State delayed harvest of mature crops. In the southern High Plains, field work was resumed after only a short delay, but in most other areas work was interrupted until late in the week.

Soil moisture supplies were adequate to excessive in all areas except the northwestern Panhandle counties where rain would benefit wheat.

In central and north Texas, rains interrupted peanut harvest and caused heavy damage to hay and nuts still in windrows.

Field work in much of east Texas continued to be delayed by excessive moisture and further damage occurred to unharvested sweet potatoes, corn and peanuts.

Peanut harvest in west central Texas was in full swing.

Ranges and pastures continued supplying abundant feed in practically all parts of the state.

Rains late in the week in the Lower Valley counties will benefit the dry ranges in that area.

Winter weeds, rescue grass, and clovers made very good growth during the warm days following the general rains a week earlier.

Excessive, continued rains along the upper coast have made pastures very soggy.

Wheat pasture in the northwest was supplying very good feed particularly in the eastern Panhandle counties.

Mayor Proclaims Nov. 5 Poppy Day

Saturday, Nov. 5, was set aside as Poppy Day in Cisco in a proclamation issued today by Mayor G. C. Rosenthal. The proclamation urged all citizens to observe the day by wearing memorial poppies in honor of those who gave their lives in the two World Wars.

Whereas, a number of men of Cisco gave their lives in defense of the United States of America in World War I and World War II; and

Whereas, Memory of their service and sacrifice is a source of great inspiration to all citizens as our nation faces new difficulties and dangers; and

Whereas, This memory is kept bright by the annual wearing of memorial poppies in their honor and in honor of all other Americans who died in world war service;

Now, therefore, I, G. C. Rosenthal, Mayor of the City of Cisco, do hereby proclaim Saturday, Nov. 5, to be Poppy Day in the City of Cisco, and urge that all citizens observe the day by wearing the memorial poppy of The American Legion and The American Legion Auxiliary."

Mr. and Mrs. Claude C. Wild of Austin spent Thursday with his mother in Moran.

Injuries Plague Wranglers As They Prepare For Game

Putnam Carnival Is Big Success

The Putnam PTA Carnival at the school building there on October 28 was a success, according to reports from officers who thanked the merchants of Cisco for contributing to the affair.

Local merchants were asked to contribute to the "country store" which was sponsored by one of the rooms. That room took in over \$40 to add to the association fund.

Sportsmanship Is Program Topic For Lions Club

Members of the Cisco Lions Club considered football and good sportsmanship from the viewpoints of the school, the football players, the officials and the coaches at their regular weekly luncheon meeting Wednesday at the Hotel Victor.

Speaking for the schools, H. R. Garrett pointed out that the game is expensive business—that it costs more than \$100 to equip a player, and Cisco has more than 100 players on its teams.

George Olson, Cisco Junior College student, gave the view point of the students.

Rev. Chief Warden, local minister and football official, told Lions of the problems of the referee, pointing out that many fans never consider the fact that their own team can be wrong.

Speaking for the coaches, Jack Everett and Stormy Davis expressed appreciation for support of the fans. Both agreed that the players genuinely appreciate the presence of fans at all games, particularly out of town contests.

All of the speakers stressed the importance of good sportsmanship. Ralph Glenn was in charge of the program, and Charlie Burke presided over the meeting.

Tourist Business Increase Seen

AUSTIN, Nov. 2 — Texas can have a tourist business amounting to half a billion dollars in 1950.

The figure is estimated by General Ike Ashburn, publisher of Texas Parade magazine, in the November issue. The total was revised upward from a previous one.

Here is how the publisher arrived at his estimate: According to inquiries made by Texas Highway department information stations, tourists coming by automobile from other states left \$114,528,000 in Texas last year.

If intrastate automobile equalled that amount, the total would be more than \$229,000,000. Money spent by those who used means of travel other than the automobile certainly brought the 1948 total over \$300,000.

Ashburn pointed out that the state has a coast line of more than 500 miles long, a score of great inland lakes, the hills of Central West Texas, the Davis Mountains, Palo Duro Canyon, and many other attractions.

"No commonwealth has more to lure the traveller than Texas," he declared.

VFW TO MEET

Members of the VFW were urged to attend a meeting at the American Legion Hall at 8 p. m. Friday. Important business will be discussed. A barbecue has been planned and will be served at the meeting.

Clyde Man Dies In Abilene Hospital

Marshall David Watson, Clyde truck farmer age 64, died Sunday morning October 23, in an Abilene hospital. He had been in the hospital for the past two weeks.

Funeral services were held Tuesday following at the Clyde Baptist church with burial in the Clyde cemetery. Mr. Watson was born in Corsicana July 17, 1885. He was married to Julia Alice Cook, September 3rd 1904.

Survivors include the widow, two sons, J. D. and O. B. Watson, both of Clyde; one daughter, Mrs. George Archer, of Abilene, 20 grandchildren; six great grandchildren, two sisters, Mrs. R. E. Masey and Mrs. Emily Parks, both of Clyde; one brother, J. O. Watson of Wichita, Kansas.

Mr. and Mrs. S. N. Poe of Cisco and Mr. and Mrs. B. B. Poe of Carbon visited Friday at Denton with their brother and wife, Mr. and Mrs. Paul Poe, former Ciscoans. They also enjoyed visiting with their nephew, Rev. Joe T. Poe of Corsicana, who was visiting his parents.

Mr. and Mrs. Jay Warren, 704 West 5th Street. He was a member of the graduating class of Cisco High School in the spring of 1947 and attended the Cisco Junior College that same year.

While in school he worked for Philpott Florist and attended school at night as a student of C. A. Shockey, where he learned the American International Code which is used in the Army and Navy and in camp courses.

With the aid of Mr. Shockey, he received an assignment to the radio school at Camp Gordon, Ga. He entered the school in August, 1948, and graduated on October 1, 1949. He finished with a high speed radio operator's rating.

He graduated from Mr. Shockey's school prior to entry into the Army in the American Morse Code and transferred to the American International Code before accepting the assignment to Camp Gordon.

Jay was a carrier boy for The Daily Press for a number of years before he entered college. Mr. Shockey stated that young Warren was a first class student who did all his radio work at night after attending college classes and working after school and said that he could be counted on to advance rapidly in his field.

Hooker Sponsoring Guessing Contest

Hooker's Jewelry Store will sponsor a public guessing contest. The public must guess the weight in carats of a huge stone which will be placed on display in their show window Friday.

The contest will open Friday and run until November 19. The winners will be announced on November 26. Entry blanks may be secured at the store. Everyone was invited to pick up a blank and enter the contest.

First prize in the contest will be a \$100 diamond ring. Second prize will be a \$50 watch and third prize will be a \$25 fountain pen and pencil set.

Mrs. H. N. Baldersee, Jr., has returned from Illinois where she was called by the illness of her mother.

Injuries still beset the Cisco Junior College Wranglers as they prepared this week to meet the Howard County Junior College Jayhawks at Chesley Field at 8 p. m. Saturday.

The Wranglers will enter the game without the services of Doug Garner, who pulled some ribs in the Hillsboro game on October 13. He has not played since that time. Other backs who are on the injured list but due to see some action are Varner, who has not been used much recently, and Ken Mays, quarterback, who is favoring bruised ribs. Sides will see some action despite a knee injury that has bothered him for the past few weeks.

In the line, Kinard still has a slight limp as the result of an ankle injury; Flood has a broken thumb; Kite has an injured hand; Spencer has a facial cut and Centers Millsap and Spicer are suffering with charley horses.

Some changes will be made in the starting lineup because of the injuries. Spencer and Lee will start at ends, Hill and Price are probable tackle starters and Arkansas Allen will team up with J. M. Moore at the guard posts. Millsap will be at his regular center post. In the backfield Mays will probably start at quarterback while Sides will be at fullback. Jeter and Varner will probably be in at halfback positions.

The crimson and grey clad Jayhawks from Big Spring boast a fine running attack spearheaded by 200 pound fullback Gordon Madison, who hits the line with extreme power. He is a hard man to stop as he bursts through the line. They alternate their attack with a slick passing game with B. B. Lee doing the throwing.

Coach John Dibrell shifts his attack from the T formation to a box, shifting into the box from the T. Dibrell is a former Big Spring High School coach.

The Cisco Junior College student body was working itself into a high pitch for the game Saturday night. A pep rally will be held at the school at 11 a. m. Friday and a downtown rally will be held at 3 p. m. Saturday. The Wrangler band will march through the city streets and stop at 7th and Ave. D at 3 p. m. for the rally. The rally will be directed by the pep leaders of the school. Everyone was invited to join in the activities.

Tillinghast Buys Bakery Building

O. J. Tillinghast of Cisco was the successful bidder at a public auction held early this week to sell the building at 616 Avenue D. The building was formerly occupied by the Cisco Pastry Shop and the Cisco Coffee Shop.

The price was reported to be about \$6,500. Mr. Tillinghast also owns the building next door in which he operates a grocery store.

George Rupert, local baker, was the successful bidder on the fixtures.

Mr. Tillinghast stated that he had made no definite plans as to the use of the building.

The World Community Day program will be held Friday morning, Nov. 4 at 10 o'clock at the First Presbyterian church. Special organ music will be furnished by Mrs. S. E. Hittson beginning at 9:45. All women of the city are invited to be there.

Mrs. Dee Cobb of 200 West Eighteenth who has been confined to her bed with flu for the past three weeks, is reported slowly improving.

District Court Meets At Baird

The 42nd District Court opened in Baird Monday for Callahan county. Judge Black presiding. A Grand Jury was empaneled by Judge Black at the opening of the court which retired for their deliberations. They will not likely be in session over one or two days as it appears there is very little violations of the laws in Callahan county.

Considerable civil business is scheduled for the Baird court with very few criminal cases to be heard.

East Cisco Society Meets At Church

Women's Missionary Society of East Cisco Baptist church met Monday afternoon at the church for a Royal Service program. Mrs. H. H. Harrelson was in charge and opened the meeting with prayer by Mrs. Joe O. Harris, followed by group singing of "Send the Light." A short business session was held after which the meeting was turned to Mrs. B. F. Thomas, program chairman. The afternoon program on "Christ is the Answer to Pagan People" was then presented. Mrs. Paul Stephens gave the devotion in harmony with the topic and program parts were presented by Mesdames Carlton Holder, J. E. Shirley, Roy Little, B. F. Thomas, W. L. Lewis, Dryden, and J. O. Warren. The meeting was adjourned with prayer by Mrs. Lewis.

Attending were: Mesdames H. H. Harrelson, Carlton Holder, J. O. Harris, W. L. Lewis, J. T. Weaver, J. D. Hall, Roy Little, M. O. Ervin, Dryden, T. C. Smith, B. F. Thomas, J. J. Livingston, Paul Stephens, A. W. White and J. O. Warren.

John James Haynie In College Orchestra

URBANA-CHAMPAIGN, Ill., Nov. 3 — John J. Haynie, Cisco, is a member of the Sinfonietta of the University of Illinois which will make a three-day concert tour, Nov. 7 to 9, playing in Elgin, Batavia, Mooseheart, East Aurora, DeKalb, and Joliet. He plays in the trumpet section of the 36-piece orchestra.

Membership in the Sinfonietta is by invitation. John M. Kuypers, director of the U. of I. School of Music, is the conduc-

tor. The series of programs which will be given in high schools on the tour are educational in nature and are part of the University's music extension program.

Texas Pays Federal Taxes Of \$1,285,123,045

Texans handed over Uncle Sam more than a billion dollars in federal taxes last year and Uncle Sam that \$3,528,554.57 right back.

Payments of Federal taxes by residents of the Lone Star State totaled \$285,123,045. The various federal programs operating

in Texas with Federal money totaled \$352,855,457.

Out of the 48 states, Texas paid out the seventh largest amount in Federal Taxes. It was receiving one fourth most in federal funds.

These taxes and the grants in aid programs operated by the federal government were sharply criticized by minority leader of the house Joseph W. Martin of Massachusetts. As Congress adjourned recently, he deplored the way "the federal government is shipping the wealth of the states in Washington." "No state in the union gets a full dollar back out of the money sent to Washington," Martin said. "The brokerage charges of the bureaucracy in handling the money is terrific."

Mr. and Mrs. Chester Allen and daughter Lynda left Tuesday for their home at Buckeye,

New Mexico, after a pleasant weekend visit with their parents and Mr. and Mrs. C. L. Allen Sr.

All Negro Rodeo At Baird Nov. 5-6

An all-Negro rodeo, featuring top colored hands of the southwest, will be held in Baird Nov. 5th and 6th under the direction of the Callahan County Sheriff's Posse. Only afternoon performances will be held. Shows begin each afternoon at 2:30 p. m.

Entries have been received from more than a score of the nation's best colored cowboys, indicating keen competition in all events. Pitted against the negro punchers will be leading stock from the well known Lone Star Rañch Rodeo string owned by Robert Estis. Probably one of the most un-

48 lb. HEAVIER CALVES TO SELL...than on cake

The big difference was proved
 by Purina in a ranch feeding
 of 50 cows winter-fed on
 Purina Range Breeder Check-
 ers weaned 48-lb. heavier
 calves than 50 cows fed on
 cake. Both groups were fed
 exactly the same amount. The
 8 lbs. difference in weight
 per calf meant about \$9.60
 extra income per head.

Here's why Purina Checkers do the job—
 correct protein percent (not too high) ... more
 carbohydrates ... more calcium and other
 minerals ... more vitamin A. See us now for
 your winter feeding needs.
