The Gay Philosopher

By J. W. S.

SQUIRREL hunting is pretty good in this neighborhood, according to all reports. Comes a note from Mrs. Carrie Hull of near Cisco, who is well on the way toward living 100 years, to report that she has two pecan trees forty steps from her kitchen door.

"And I stand in or near the door," she says, "and have killed 19 squirrels. Get some at first or second shot. Use George's little 22 rifle. Some days get two squirrels. I have the best squirrel dog in the world. He just barks and looks for me to come out. I am a great grand mother now and our baby has five grand mothers."

TWO OF OUR town's organizations will have new leaders very soon. The American Legion will install Stanley Webb as commander, and the Cisco country club is on the verge of electing new officers. The club is having Leonard King's orchestra over for a dance this coming Saturday night.

IN TOWN FOR a few weeks is Mr. Jimmy Stolte of Michigan. He's one of Roy Davis' horse trading pals, except that now he's now in the cattle business. He has bought a bunch of calves and plans to feed them through the winter here. Stolte bought a bunch of Brahama calves. Some youngsters asked if they were sheep. "Yep, Spanish sheep," they were told.

DON'T BELIEVE we've reported to you that Mr. Davis recently took over another horse magazine that was consolidated with his Back In the Saddle. Some 20,000 copies of the magazine now go out of Cisco to the four corners each month.

OUR PRAISE for the fine announcing ability of Humble Oil's Mr. Kern Tips was applauded over at Moran the other day. Mrs. H. W. Gaston, wife of the Methodist minister there, is the sister of the football announcer.

IT'S ALL OUR fault that Mr. Zan Burroughs had to spend a whole half day the other day working in the yard. We couldn't accept his golfing invitation and Mrs. R. put him to work. We apologize. We couldn't go because we had to work in the yard.

Parents Urged To Attend Banquet

Thursday was set as the final day to make reservations for the West Ward PTA Fathers Night Banquet to be held at the First Christian Church on Monday night, November 21.

Each student of the school was given a slip of paper to take to his parents which were to return for reservations. In case the slip was lost the parents were asked to call Mrs. Bill Kendall, president, at 355 for the reservation.

The members were asked to bring a covered dish to the banquet and the price was set at \$1 per couple. In case the father cannot attend the mother may attend for 50 cents and a dish. An interesting program has been planned for the affair and all parents were urged to attend in order that a better parent-teacher-student relationship can be developed.

Proceeds will be used to buy window shades and pictures for rooms at the school. Spencer Lightfoot of Portland, Ore., and Mrs. Dennis Adams of Los Angeles, California left Tuesday for a visit with relatives in Fort Worth after spending the weekend in Cisco with the uncle and wife, Mr. and Mrs. E. Spencer.

Mr. and Mrs. Brady Morris and Wanda Jo, and Mr. and Mrs. Max Morris and Bobby, all of Glen Rose, were here over the weekend to attend the funeral and burial Monday of Mrs. Don McEachern.

HANDLESS PALS SHOW TRICKS—Harold Russell, who lost his hands during the war, shows little Tommy Herbert, in Cleveland, O., how to produce a tune out of a music box with the hooks which he made famous in a motion picture. Russell, present National Commander of the AMVETS, was in the Ohio city on business and met the tot who is just learning to use new hands.

Armistice Day Parade Plans Completed By Roundup Club

Final details for the Armistice Day parade, being sponsored by the Cisco Roundup Club, have been worked out, club officials reported today. Parade marshals are Carlton Holder and Carl Lamb.

The parade will form at Ave. D and 14th Street and begin at 10:30 a. m. It will be led by the Cisco Lobo Band. Following the band will be the motorized equipment of Battery A, 694th Field Artillery, local National Guard unit. All equipment of the unit will be used in the parade and the personnel will be in their new winter uniforms. The guard will be under the direction of Capt. O. O. Odum, commanding officer.

Lions Hear Talk On Reserve Corps

The past the organized Army Reserve Corps is playing in the nation's defense setup was outlined by Lieut. Bill Huffman in a talk for members of the Cisco Lions Club at noon today. Dizzy Dean was in charge of the program.

Huffman, who is an active member of the Reserve Corps which meets regularly, told the club there is a possibility that a unit soon will be set up in Cisco and that openings would be available for some 30 or 40 men.

Lion President Jay Garrett appointed a committee composed of Jack Anderson, Maurice Swisher, Ted Waters and Charlie Burke to cooperate in making plans for an annual football banquet in December.

Lion Charles S. Sandler will be in charge of next week's program. Bob Ellison of Cisco was a visitor.

Reserve Unit For Cisco Possible

All men interested in forming an Organized Reserve Corps unit in Cisco were urged to meet at the American Legion Hall, Eastland, Thursday at 8 p. m.

The unit will be open to men now in the Reserve Corps and to men who served in the armed forces who wish to become members of Reserve units.

The members will receive a full day's pay for a two hour meeting each week with the amount being based on the national guard figure. In addition, they will receive retirement pay benefits and points to apply on their retirement.

Bill Huffman of Cisco is an officer in the Reserve unit and is public relations officer.

Mrs. Sam Kimmell who has been a patient in Graham hospital, was able to return to her home at 909 W. 14th St. Monday.

Miss Elizabeth Linebarger of Fort Worth spent the weekend here with her sister and husband, Mr. and Mrs. Grover Hastings of the Long Branch community.

will pay their respect by following her in the parade. The local Girl Scout unit will be represented in the parade with Troop No. 4, under the leadership of Mrs. Austin Flint, in the lead. Patricia Mayer, president, was appointed as flag bearer.

At the end of the parade will be the members of the Roundup club, mounted on horses. More than 50 riders were expected to participate. Anyone who has a horse to ride in the parade were invited to be at the starting point by 10:30 a. m. It was pointed out that the last section was not restricted to club members but was open to anyone who has a horse to ride.

Recruiting Jobs Open In Army

A number of vacancies exist for recruiting salesmen, for assignment to duty in the U. S. Army and U. S. Air Force, Texas recruiting district area, Staff Sgt. Charles H. Brannon, recruiting sergeant for the Eastland recruiting station, announced today.

These vacancies will be filled from applicants whose last previous service was in the Air Force, who possess the following prerequisites: Efficiency and character rating of excellent or higher; have performed a minimum of 3 years of service with a rank of grade four or above, last discharge being within the past three years; be qualified for general service; and be able to attain a minimum sales adaptability score of 190 on a test to be administered to otherwise qualified applicants.

Sgt. Brannon emphasized the fact that, since recruiting personnel are the sole representatives of the Army and Air Force in many localities all applicants accepted for enlistment for duty assignment in the recruiting service must be of the highest caliber. It has been the experience of the recruiting service, according to Sgt. Brannon, that a direct relationship exists between the appearance, bearing, and conduct of the recruiting salesman and the quality and quantity of recruits enlisted.

Applications will be accepted at the U. S. Army and U. S. Air Force Recruiting Station, located at Eastland, Sgt. Brannon concluded.

Mrs. J. R. Burnett attended a meeting of the County Board of Education at Eastland Monday.

Two Proposed Amendments To State Constitution Carry In General Elections Held Tuesday

Legion Auxiliary Maps Drive For New Members

Plans for a membership campaign to give the American Legion Auxiliary increased strength for its activities during the year ahead have been announced by Mrs. Gorum Pollard, Unit president. The campaign began Nov. 7 and will continue through Jan. 31, with enrollment of the Unit's 190 quota as its goal.

The campaign will be directed by Mrs. Charles Cofer, membership chairman of the Unit, assisted by her committee composed of Mrs. D. J. Gorman. Invitations to come into activities of the Auxiliary will be given to all eligible women in the city.

It is especially important for the wives, mothers, sisters and daughters of veterans of both World Wars to be members of the Auxiliary at this time," said Mrs. Cofer. "This is a critical time in the affairs of veterans, as well as of the nation, and the Auxiliary is working for the welfare of both. Every woman who joins gives us additional strength for service to the veterans and for our work in support of national security and Americanism."

Those eligible to be Auxiliary members are the wives, mothers, sisters and daughters of members of the American Legion, or of men who died in war service and of veterans who have died since discharge. Women who served in the armed forces in either World War are eligible to both Legion and Auxiliary membership.

Seranton Carnival Called Success

The Seranton Parent-Teacher Association sponsored a Halloween carnival on Friday night Oct. 28, which netted about \$185.

The P-TA expressed its appreciation to a large group of Cisco merchants whose contributions made the event a fine success.

The Seranton organization also expressed its appreciation to all the people in the community

SMALL VOTE CAST IN LOCAL BOXES; ALL PROPOSALS FAIL HERE; EIGHT SEEM LOST

With only a small per cent of the poll tax holders voting in two local boxes Tuesday, the final count showed that all ten of the proposed amendments to the Constitution of Texas failed to carry in Cisco.

Reports from the state as a whole it appeared that only two of the proposals would meet with victory when the final tabulations were in. The amendment to permit changes in district court procedure appeared to have sufficient votes to assure approval as did the proposal to set up rural fire prevention districts. The amendment providing a change in the lunacy trial methods was in the doubtful class with a close vote.

Suffering the worst defeat was the proposal to raise legislative salaries with annual sessions. Voting was running more than three to one against the issue which opponents said would result in greatly increased taxes.

Only 406 votes were cast in both Cisco boxes in one of the quietest elections in years. The West Cisco box counted 339 votes while the East Cisco box registered only 67.

Figures from the west box revealed that the county civil service proposal received 97 votes for and 234 against. The legislature mater trailed 296, while the hospital district plan lost 89 to 237. Some 96 persons voted in favor of repealing poll tax requirements and 242 voted against it as the health unit proposal failed, 66 to 266. The pension for county employees was defeated, 48 to 294; the district court change lost, 134 to 195; the rural fire prevention setup failed by 122 votes, the proposed change in lunacy hearings lost, 119 to 212, and the proposal to allow women to serve on juries went down, 98 to 236.

The trend in the state showed that all proposed changes that would possibly raise taxes lost by a wide majority.

Eastland Program Attended By Local Club Women

The Thursday Afternoon Club of Eastland celebrated American Art Week on November 3 with the 1920 Club of Ranger and the Twentieth Century Club of Cisco as guests. An art exhibit of 32 canvases was one of the features of the afternoon program.

All of the pictures were owned by club members and many of them were done by the members themselves. An exhibit of point-to-point art by Mrs. Ruth Horton, sister of Mrs. Frank Castleberry, a quilted Majolin and Royal Bohemian and Molsen China added to the interest of the afternoon. French Bisque figurines, exhibited by Mrs. James Horton, were in contrast to the modern Ceramics, made and exhibited by Jerry and Horace Horton.

The theme of the afternoon was Budding Signs of Genius. The guests were welcomed by Mrs. W. F. Davenport, president, and the program was introduced by Mrs. Earl Connor, Sr.

Mrs. A. B. Cornelius, composer and poet, played and sang a group of her own compositions. Her songs were melodious and she has the ability to create the proper mood for the lyrics and possesses a delightful contralto voice for interpretation.

Elsie Glenn, author and columnist, read from her unpublished book "Wilda Dragoo." Her descriptive style proves that one can paint with words and can create vivid and illuminating portraits.

Mrs. Horace Horton, whose ceramics have received national recognition, gave a discussion on the modern applied art.

The last number on the program was presented by Maifred Hale Cullen, who read an "Allegory." Mrs. Cullen is the author of two books and had written this poem especially for art week.

The tea table was a masterpiece of art, decorated with a fall arrangement of fruit and leaves. Copper and brass appointments and tall olive green candies welcomed the guests from Eastland County, who were served by Mrs. W. F. Davenport and Mrs. W. W. Linkenbarger.

The decorations and tea plate of sandwiches, candy and cookies, were arranged by the hostesses, Mrs. Frank Castleberry, Mrs. Frank Lovett, Mrs. Grady Pipkin, and Mrs. Dan Childress. Fall berries and chrysanthemums were used in profusion on the piano and through the room.

Those attending from Cisco included Mesdames C. H. Fee, J. T. Anderson, Alex Speers, Homer Slicker, J. E. Spencer, Charles C. Jones, C. R. Baugh, S. E. Hittson, H. Y. Wallace, M. L. King, L. H. McCrea, J. M. Flournoy, Barton Philpott and H. N. Lyle.

Lobo Queens Defeat Rising Star 45-26

The Cisco High School Lobo Queens came from behind in their game with the girls basketball team from Rising Star here Tuesday night to win by a score of 45-26.

They were trailing their opponents 10-4 at the end of the first quarter, but Queen Forward Dorothy Harlow found the basket and rang up goal after goal to put her team in the lead at the half, 17-13. The third quarter ended 30-20 in favor of the Queens.

The game was highlighted by the fine shooting of Harlow, who accounted for 39 of her team's

45 points, the fine team work of the other two forwards, Pansy Phippen and Eula Hildreth, who fed the ball to Harlow for the shots and the fancy work of the guards, who held their opponents under the goal for most of the game.

Harlow won high point honors with her 39. She made 17 field goals and five free tosses. Her accuracy was amazing as she sank shots from every angle. The other two forwards fed her the ball and she rang up the scores. Weaver of Rising Star was second with 13. Pansy Phippen accounted for five of Cisco's points and Hildreth made one.

The work of the guards was outstanding with Monte Lisenbee and Jessie Warren looking exceptionally good. Barbara McCauley was much improved and did a fine job as did Mary Hill, who substituted for McCauley and Lisenbee.

In the "B" game, which preceded the regular game, the locals were held to a 10-10 tie. Wynlene Bint of Cisco and Johnson of Rising Star tied for high point honors with six each. Patsy Denton and Dolores Johnson of Cisco each made two. Barbara Schaefer substituted at a forward post for the locals. Guards were Betty Green, Betty Keller, and Betty Hughes with Charlotte Smith substituting.

The largest crowd of the season was at the gym for the two games and the fast play kept the fans on their feet. The Queens go to Eastland Monday night for two games.

Mrs. Bessie Forgas and Bob Avery of Aspermont, sister and brother of Mrs. Don McEachern, and another brother, Jesse Avery of Colorado City; and a nephew, Wright McEachern of Brady who were called to Cisco by the death of Mr. Don McEachern have now returned to their respective homes.

L. L. Ward of Denver City visited in Cisco over the weekend with his uncle and aunt, Dr. and Mrs. N. T. Mulley.

Francis Urban Promoted by Lone Star Company

Francis Urban of Cisco was made production foreman for the Lone Star Producing and Developing Company in this central Texas area on November 1 to replace Ernest Sneed, who was transferred to Snyder in a similar capacity, according to an announcement today.

Mr. Sneed has assumed his duties in Snyder and will move his family as soon as the camp there has been completed. It was expected that the houses would be ready for occupancy about January 1. Mr. and Mrs. Urban and their three small daughters will move from their home in Hambleton to the Lone Star Camp near Eastland when the house is available.

Mr. Urban had been serving as assistant to Mr. Sneed in the local area. His assistants will be Wesley Franklin of Eastland and Aubrey Poyner of Cisco.

Mrs. Benny Nichols and children of Fort Worth are spending a few days here with her mother, Mrs. R. L. Jones, before leaving for their new home at Big Spring.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Mrs. J. E. Whisenant Is Club Hostess

Mrs. J. E. Whisenant was hostess when Word Home Demonstration club met Thursday afternoon in her home for the regular meeting. Roll call response was a Christmas gift suggestion. Mrs. Cora Plumlee

presided and opened the meeting by requesting all to give the club pledge in unison.

Minutes of the last meeting read by Miss Willie Word, were approved and final arrangements were made for Achievement Day. A gift display was planned and it was decided for members to go to Eastland in a body.

Mrs. W. C. Clements brought the lesson on "Making and Decorating Christmas Cookies." Members then went into the kitchen of the hostess and took part in demonstrating the

SUNFLOWER KING GOES 17 FEET

A 17-foot giant sunflower is the prize winning result of a competitive home garden project launched last Spring by employees in the Canton Division of The Timken Roller Bearing Company. Thirty-two families entered the contest and were given identical packets of seeds with instructions to plant the seeds and sit tight.

This Fall when the claims were all in the committee named Clarence Hammen as official winner with a sunflower that reached skyward to the height of 17 feet, had a base diameter of three inches and flowers of 12-inch diameter. In the same garden were dwarfs of 12 and 13 feet.

The champion had this to say about the project, "This was a new experience for the family. Next year, my wife and four sons will join me in producing some really big ones. Utility poles, sky hooks and pulleys will enable us to make Jack and his beanstalk a real fairy tale."

Mrs. Lucille Litton Hostess To Circle

Mrs. Lucille Litton was hostess when Circle Nine of the WMU of the First Baptist church met in her home Tuesday afternoon.

After prayer led by Carlene Kent the routine business was attended to. This month's assignment is to supply staple groceries to a needy person. It was decided that each one should bring some type of canned goods next time.

The first two chapters of our study book, "Japan's New Day," were thoroughly discussed by a special guest Mrs. Margaret Jones. She brought to

the members' attention the many needs of the Japanese people, their lack of food and clothing and such minor items as soap. And she pointed out how America can help save the Japanese from falling into the hands of Communists, by sending missionaries to spread Christianity throughout Japan. Evelyn Taylor led closing prayer.

The following members answered roll call with a scripture verse: Mmes. Mary McClure, Sarah Parks, Evelyn Taylor, Carlene Kent, Mary Odell, Lucille Litton, Dorothy Kennedy, and three guests, Mrs. Lula Faye Taylor, Mrs. Joyce Jenkins, and Mrs. Margaret Jones.

The hostess served delicious

refreshments of pineapple chiffon cake and Coca Cola.

WCS Circle One Meets For Luncheon In W. Z. Latch Home

Members of Circle One of the First Methodist Women's Society of Christian Service assembled in the home of Mrs. W. Z. Latch at 1 p. m. Tuesday for a covered dish luncheon and regular meeting following. The house was made gay with decorations of autumn cut flowers and the table from which the meal was served buffet style held an appropriate centerpiece of a pumpkin sur-

rounded by fruits and vegetables. The centerpiece was encircled with autumn leaves. Guests were seated at the dining table and members at quartet tables while eating. Invocation was offered by Mrs. Latch.

Following luncheon Mrs. J. T. Fields, Circle chairman, called the members to order for the meeting and presented Mrs. S. H. Nance, program chairman, who announced the splendid program. Mrs. John Stertzer offered the opening prayer following which Mrs. William Joyner gave the devotion discussing "God's Peace." Talks on the lesson topic, "Japan Begins Again" were given by Mmes. S. H. Nance, J. T. Fields, Crigler Paschall, B. J. Osborn, and Carrel Smith.

During the business session minutes, read by Mrs. C. E. Hailey, were approved and treasurer's report was given by Mrs. William Joyner. It was voted to meet on Dec. 20, the third Tuesday, with all circles of the Society for a covered dish luncheon. The next meeting in the homes will be held with Mrs. C. E. Hailey as hostess on Dec. 13.

Those present were four visitors, Mrs. A. A. Harwell, Mrs. Joe Lovelady, Mrs. George E. Davis, and Mrs. George Winston; and Mmes. J. T. Fields, Hugh V. Smith, J. W. Slaughter, Tom Stark, Wm. Joyner, B. J. Osborn, R. S. Elliott, R. V. Rendall, W. Z. Latch, S. H. Nance, S. H. McCullies, Carrel

AUTO OPINIONS

Is She Naughty

And hard to control? Does she wander and-or pull to one side of the highway? To drive such a car is not only very trying but downright dangerous. Why risk a serious accident? Why be continually worried and fatigued? Come in and see us. You can relax behind the wheel and enjoy yourself after we've aimed the steering and front end of your car.
