A gay and warm-hearted Yuletide is promised on the 1949 Christmas cards. Scenes children skating, sledding, and juvenile pranks bedeck the sprightly greetings. One card's in the shape of a barrel-to wear after you pay your Christmas bills! While novelty greetings are in heavy demand, religious Christmas cards also have shot forward in popularity. Publishers estimate that 1,600,000,000 Yule cards will brighten the nation's holiday mail-about 100,000,000 more good wishes than last year.
