Mrs. E. E. Lannon planned to accompany her daughter, Miss Betty Dean Lannon, on her return to Austin today. Miss Lannon, who is a student at the U. of Texas, spent the holidays here in the home of her parents, Mr. and Mrs. E. E. Lannon.

Mr. and Mrs. O. H. Doss had as guests in their home during the Christmas holidays their daughter and husband, Mr. and Mrs. James Burningham and sons, Jimmy and Joe, of Sweetwater; and their son and wife, Mr. and Mrs. W. E. Doss of Dallas.

DINING EN ROUTE—While being flown from California to a zoo in Holland, stewardess Bonnie Theurer sees that Floppy, a seal, gets a bite to eat. Traveling hasn't bothered his appetite.

First Year's Breeding Program Covered 569 Cows With 22 Calves

Former Cisco Woman Dies In Fort Worth

Funeral services for Mrs. Edith Bell Pierce of Fort Worth, formerly of Cisco, were held in Fort Worth Tuesday. Mrs. Pierce died in a Fort Worth Hospital Sunday after an illness of several years.

Mrs. Pierce moved to Fort Worth some ten years ago after living in Cisco and Putnam for many years. Before the death of Mr. Pierce in 1930 they lived in Putnam where he was night watchman. She was a member of the Church of Christ, and the Cisco Rebecca Lodge.

Survivors include two daughters, Mrs. Marie Baker, and Mrs. Jewell Johnson of Fort Worth; four sons, W. D. Hudson, L. W. Pierce and J. G. Pierce, all of Ft. Worth; and William Lawson of Irving; a stepson, Omen L. Pierce of Los Angeles and a stepdaughter, Mrs. Eunice Carr of Dallas.

Also surviving are a brother, a sister, eight grandchildren and two great-grandchildren.

New Officers For Knights Templar Are Installed

In services Thursday night of the Cisco Commandery of the Knights Templar for 1950 were installed. Sir Knight Wm Reagan and Sir Knight R. E. Grantham were installing officers acting for the Grand Commander and for the Grand Marshall of the Grand Commandery of Texas.

Officers installed were as follows:

Commander, Fred Erwin; Generalissimo, P. G. Berry; Captain General, Joe Britain; Prelate, George Boyd; Senior Warden, E. L. Laird; Junior Warden, A. J. Buchanan, Breckenridge; Treasurer, Heywood Cabiness; Recorder, G. R. Kilpatrick; Sword Bearer, C. S. Karkalits; Standard Bearer, Johnny Moore, Breckenridge; Warder, W. E. Dean; Sentinel, L. D. Wilson; Persian Guards, W. A. Harder, C. H. Hammett, and Homer T. Ferguson.

Plans were announced by Instructor Sir Knight R. E. Grantham for practice in drills and military tactics in preparation for annual inspection in February by officers representing the Grand Commandery of Texas.

PATROL PLANS SCHOOL

AUSTIN, Jan. 2 — According to Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, a replacement training school for the Texas Highway Patrol will begin at the Camp Mabry, Austin, headquarters of the department on Jan. 9.

1ST NAT'L in Cisco—Mbr. F. D. I. C.

The Gay Philosopher

By J. W. S.

A total of 22 calves from artificially bred cows had been dropped up to Jan. 1, according to Harry Crow, Carbon, breeding technician for the Eastland County Dairy Association, sponsoring the program.

Starting the artificial breeding program in the county on Feb. 8, 1949, Crow recently informed Eastland County Agent J. M. Cooper that a total of 569 cows had been bred. According to A. Z. Myrick, Cisco, president of the dairy association, the butterfat content and pounds of milk per dairy cow in the county will be materially increased in a few years.

The first artificially bred calf to be dropped in the county was on Nov. 6, and was from a cow belonging to S. G. Brown, Ranger.

Besides Brown, others who have had calves from artificially bred cows include: E. O. Bell, Eastland, 2 calves; J. C. Caraway, Carbon, one; Elzize Capers, Carbon, one; D. F. Rush, Carbon, two; Raymond Sprawls, Scranton, one; Homer Duncan, Carbon, one; L. R. Higginbottom, Kokomo, two; L. O. Swindle, Cisco, three; Bob Starr, Cisco, one; A. Z. Myrick, Cisco, two; Jerry Myrick, Cisco, one; and Marshall Berry, Peasant Hill, one calf.

The breeding service is available to anyone with one or more dairy cows within a radius of 30 miles from Carbon. The cost is \$6 for the first service with two repeat services free if necessary. Animals can be bred to either Jersey, Holstein, or Guernsey bulls.

Funeral Services For W. F. Brown Are Held Monday

Funeral services for William F. Brown, 64-year-old local oil man, were held at 4 p. m. Monday in the First Methodist Church with Dr. Claude P. Jones conducting the final rites.

Mr. Brown died at his home at 700 Ave. I at 1:30 p.m. Saturday following an illness of several weeks.

Mr. and Mrs. Brown had lived in Cisco for the past nine years, coming here from California. He had supervised the operation of his oil holdings in Eastland, Brown, and other Texas counties.

He was born in St. Joseph, Michigan, on Oct. 31, 1885, and had played professional and semi-pro baseball during his interesting lifetime.

Survivors include his wife, one son, and one daughter. The son, Jack L. Brown, lives in Odessa, and the daughter, Mrs. H. R. Brown, lives in El Paso. Also surviving is one grandchild.

Burial was in Oakwood Cemetery with Thomas Funeral Home in charge of the arrangements.

Pallbearers were J. T. Anderson, E. P. Crawford, Royce L. Boyd, Doc Isenhower, H. A. Bible, and W. P. Knight.

WE WERE GOING to suggest to the Lions Club that they appoint a committee to attend a Rotary Club meeting and scout Mr. Bob Elliott, seeing as how the Lions needed a new president. Understand Bob is making the Rotarians a fine leader. But we're a little late, for the directors of the Lions Club met this morning and made some arrangements.

Mr. Clyde Karkalits was elected vice-president to take the place of Charlie Burke, resigned. Charlie is leaving any day now for Sulphur Springs, Texas, to be Lone Star Gas Company's district manager there. It's a nice promotion for Charlie, otherwise the Lions probably wouldn't have approved the deal.

Jay Garrett, as has been announced, is moving to Quanah in a promotion by West Texas Utilities Company. He's the Lions Club president and is due to pull out this week-end.

An announcement on Charlie's transfer will be made in a day or so. All Cisco dislikes the idea of losing Charlie and his fine family. They've contributed a lot to the general welfare of our city.

In addition to electing a vice-president, the Lions directors appointed Dr. J. H. Denton to the board of directors.

COMES ANOTHER good report of Mr. Jim Ewell, who used to write pieces for our paper. He now is a reporter for the Abilene paper and his story on the big storm over there during the early fall was adjudged by his editors as Abilene's big story of 1949.

SEVERAL REQUESTS have come in for us to publish Mr. Roy Huffmyer's recipe for Divinity Candy. So we give it to you as follows:

Take 5 cups of sugar, 1 cup of karo, 1 cup of water, 5 egg whites, 1 tablespoon of vanilla, and 2 cups of pecans.

Boil the sugar, karo and water to hard crack state when tested in cold water (brittle enough to break when tapped hard against the sink.) Remove from fire and pour slowly over stiffly beaten egg whites while the mixer turns. Beat until stiff. Add the flavoring and nuts. When stiff enough to stand alone, spoon out on wax paper.

If your Divinity turns out as well as Mr. Huffmyer's we'll be glad to help you eat it.

We're thinking of adding Mr. Huffmyer to the staff of teachers when The Press holds another cooking school.

BEING AMONG those who got nothing when we applied for tickets to the Cotton Bowl, we listened to three games on the radio yesterday — the Cotton, Sugar and Rose Bowls. Of the three announcers, we'd say that the best job was done by Mr. Kern Tips of the Cotton Bowl. Red Barber, CBS's big sports announcer, did a fair job in the Rose Bowl broadcast. And we'll bet you Jay Garrett could have done a much better job than did the announcer at the Sugar Bowl.

Wet Norther Due To Bring Freezing Rain Or Snow

Internationally Known a Cappella Choir To Be Here

The internationally-known Valparaiso University a cappella Choir of Valparaiso, Indiana, will be heard in a concert at Cisco High School Auditorium Tuesday February 7, Rev. H. Lohrmann, chairman of Cisco Lutheran Churches, sponsors of the local concert, announced today.

The choir, which enjoys wide recognition, through its concert appearances and network radio broadcasts, is under the direction of Richard Schoenbohm, formerly director at the International Music Camp, Interlochen, Mich. and at one time a member of the Chicago Civic Opera Company.

Numbering 75 voices, almost equally divided between men and women, the choir is composed of students from 20 different states. Its rendition of sacred chorals have been broadcast by transcription over Radio Luxemburg to all of Europe. The chorus also has appeared frequently on the international Lutheran Hour, including the singing of chorals in French for Lutheran Hour broadcasts in that country, and on every major U. S. network.

Report Given On Oil Production

The American Petroleum Institute estimates that the daily average production of crude oil and lease condensate for the week ended Dec. 24, 1949, was 4,995,450 barrels, of which 60,850 barrels were lease condensate mixed with crude oil losing its identity as such.

Reports received from refining companies indicate that the industry as a whole ran to stills on a Bureau of Mines basis approximately 5,482,000 barrels of crude oil daily and produced 18,045,000 barrels of gasoline; 2,525,000 barrels of kerosene; 7,335,000 barrels of distillate fuel oil and 8,046,000 barrels of residual fuel oil during the week; and had in storage 110,164,000 barrels of finished and unfinished gasoline; 21,017,000 barrels of kerosene; 78,662,000 barrels of distillate fuel oil and 61,647,000 barrels of residual fuel oil on Dec. 24, 1949.

BRAYING FOR SAFETY—Muffin, the puppet mule of British television fame, joins the anti-street accident campaign in London. Operated by Ann Hogarth, the children's favorite urged youngsters to be particularly careful while crossing streets. And if anyone can influence them, it should be the popular Muffin.

GETTING ACQUAINTED—R. Marlin Perkins, director of the Lincoln Park Zoo in Chicago, Ill., welcomes two new babies to his exhibit. At left is a one-year-old orang utan, Ling-Wong, who has become very friendly with Heinie II, the chimpanzee on the right. They are happy additions to the menagerie.

SCRANTON SCHOOL OPENS. CAGE TOURNEY IS SCHEDULED THERE

The Scranton schools opened for the new year on Monday morning and plans call for much activity during the remaining months of the 1949-50 year.

First on the program is the annual invitational Basketball Tournament which will begin at the gymnasium there Thursday. Some 16 teams from eight schools have entered teams in the play. There will be eight boys teams and eight girls teams on hand to begin play at 6:30 p. m. Thursday.

The Moran and Putnam girls will play the first game Thursday. Cisco has entered the tournament and the Cisco and Scranton girls will play Thursday night. Scranton boys and Moran boys will also play Thursday night.

Refreshments will be served to the visitors witnessing the play and everyone was invited.

Engraved trophies have arrived and will be awarded to the winner, runner-up and consolation winner in both boys and girls divisions.

Arch Bint Seeks Precinct No. 4 Commissioners Job

Arch Bint, who for a number of years has served Eastland County Precinct No. Four as commissioner, has announced his candidacy for an additional term in that office subject to the action of the Democratic primary in 1950.

Mr. Bint is a native of the Cisco area, living on Rt. 4 where he has operated a farm for many years.

In connection with his candidacy Mr. Bint issued the following statement: "To the citizens of Eastland County Precinct No. Four. I will be a candidate for reelection as your county commissioner subject to the action of the voters in the Democratic primaries next July.

"I am thankful to the people of the precinct for their generous support of me in past elections, and if you feel that my service in the past merits your further support I will deeply appreciate your vote and influence next July.

"If elected I will endeavor as I have always done, to give the people of the precinct and the county the best service I can. I will have no extended statement to make. I will make the race entirely on my record. Thank you."

Arch Bint
Candidate for Commissioner
of Precinct No. 4, Eastland Co.

Mrs. I. J. Davis had as visitors in her home the past week, J. Robertson of Fort Worth and his mother and sister, Mrs. Clara Robertson, and Mrs. Robert Blackburn of San Antonio; Miss Bobbie Tullos of Fort Worth, and Gordon Cooper of Eastland.

An end to the current "heat wave" was in sight Tuesday as a howling norther was rushing toward this West Texas area from the Panhandle and points north, bringing freezing temperatures, snow and freezing rain to the areas already in its grip.

The cold front, which had its origin in Siberia and Alaska, was due to reach Cisco sometime late Tuesday. It was scheduled to drop the mercury from the 70s to the lower 20s Tuesday night and Wednesday morning.

The United States Weather Bureau issued warnings to stockmen to protect livestock in the area and it advised the protection of exposed plumbing and auto radiators.

Freezing drizzle or rain was forecast for Cisco sometime Tuesday night or Wednesday and the State Department of Public Safety issued a warning on cautions use of the highways.

Late Monday night the front was along a line from Oklahoma to Kansas, lowering the temperatures 22 degrees in 10 minutes.

The temperature reached a high of 74 degrees in Cisco Monday, which is unusual for the first part of January. In 1949, a blue norther struck on January 4 and dropped the temperature to the low 20s. The remainder of the month was cold with freezing rain or snow. Utility and phone lines were down and damages ran high.

The temperature was expected to begin to climb again Thursday but weather forecasters were eyeing new fronts building up in the Arctic regions.

Records Show 1949 Rainfall Above Average For Cisco

Cisco and the surrounding area received a total of 34.28 inches of moisture during 1949, according to figures kept by T. E. Owens, local barber, who keeps tabs on the weather as a hobby. The figures were taken from government tested equipment kept at the home of Mr. Owens.

The 1949 fall was in excess of the normal fall as given by the United States weather bureau, which is recorded as 27.51 inches. It was far greater than the fall as measured for 1948, when only 13.70 inches was recorded.

The total for Many was the greater of any month during the year. Some 6.14 inches was recorded that month.

The rains came at advantageous times and assured farmers of one of the best crop years in some time. It left pastures in good shape and ranchers contemplate little feeding during the winter. For the past two winters they have been forced to feed regularly at considerable cost.

The fall for 1947 was measured at 20.76 and was considerably below the average.

Fall by months was measured as follows:

January	4.62
February	1.70
March	1.79
April	3.93
May	6.14
June	4.95
July	.68
August	3.97
September	1.05
October	3.95
November	trace
December	1.50
Total	34.28

Much of the moisture registered during January of 1949 was from snow and freezing rain. The season was exceptionally good because most of the moisture went into the ground.

Several feet of water were added to the supply at Lake Cisco. It was reported that sufficient water was caught during the year to assure Cisco of ample water for from two to three years.

Pvt. Carl Tabor has returned to his duties at Scott Air Force Base, Ill., after a holiday visit here with his mother, Mrs. Florence Tabor.

Mrs. Fay Bell and children, Betty Fay, Mary Louise, and Robert, of Fort Worth, spent Sunday and Monday with her parents, Mr. and Mrs. Ed Townsend of the Nimrod community.

ON MAKING AN ATOMIC BOMB —

Do you want to know how to make an atomic bomb? In the December issue of Harper's Magazine, Dr. J. Arthur Campbell, assistant professor of chemistry at Oberlin College, who worked from 1943 on Manhattan Project research, tells you how, and in a very few pages.

However, don't get excited in the belief that Dr. Campbell has come out in a magazine of general circulation with the most "top secret" information conceivable. That he hasn't is the point of his article. For what he gives is an outline of a method, starting with the ore and ending with the explosion, which is known to physicists everywhere. The "secrets" of the bomb, he argues, are not in the method or the materials. Rather, to use his own words, they "are in the minds of thousands of men who have worked on the bomb project, the men who personally accomplish the myriad small steps leading to the final explosion." Later on, he offers this contribution to an extremely controversial question: "There is a very real question... whether further tightening of secrecy regulations will not merely result in the discovery of fewer secrets, and thus weaken, rather than strengthen, the security of the United States."

Recent events again have demonstrated how the A-Bomb is coloring our lives. Its dark shadow lies over the entire world, and how to make it is no secret.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Royal Ambassadors Hold Meeting Monday

The Royal Ambassador Group of the East Cisco Baptist Church met Monday afternoon in the home of their counsellor, Mrs. R. E. McCord, for the first meeting of the New Year. The pastor, Rev. Paul Stephens, was present and brought a splendid devotional based on Psalm 1 and gave an explanation of the true meaning of the six verses.

The hostess served light refreshments to the group after the devotional period. Games of ball filled the remaining hours of the afternoon. Those present were Max Farmer, Billy Joe Whaley, C. L. Thetford, Billy Morris, Leon McCrary, Willie Joe Reeves, Rev. Stephens and the hostess, Mrs. McCord.

S. O. Barnhills Hosts To Group of Relatives

Mr. and Mrs. S. O. Barnhill were hosts last week to a group of relatives among whom were their three sons and their families, Mr. and Mrs. N. W. Barnhill, and two daughters, Nancy and Linda; Mr. and Mrs. Carroll Barnhill and daughter, Jane Ann of

Pensacola, Florida, and Mr. and Mrs. Wayne Barnhill and two sons, Dennis and Ken, of Corpus Christi.

Mrs. Barnhill's brothers and families, Rev. and Mrs. J. B. Hibbert and daughter, Suzy, of Byers, Texas, Mr. and Mrs. E. Hibbert of Sherman, Mr. and Mrs. Calvin Hibbert and son, Jerry, of Snyder, Mr. and Mrs. Mack Thomas of Edcouch, Texas, and Mr. and Mrs. John McGill of Fort Worth, all of whom have now returned to their respective homes, were here for the occasion.

East Cisco Society Enjoys Meeting

Women's Missionary Union of East Cisco Baptist Church met Monday afternoon at the educational building of the church for the regular meeting and Bible study.

The meeting was called to order with prayer by the president, Mrs. H. H. Harrelson. Mrs. W. L. Lewis brought a discussion of the remaining chapters of the book, "A Vessel Unto Honor." The study for the year has been completed and the group is now ready to begin on the book for the New Year.

Following the lesson the Quarterly Report was made out and ready to be sent in. The meeting closed with prayer by Mrs. J. O. Warren.

Those present were: Meses. H. H. Harrelson, W. L. Lewis, J. E. Whisenant, J. O. Warren, J. E. Shirley, Ollie Hughes, Ray Reeves, and J. J. Livingston.

New Year's Dinner Enjoyed By Group In J. W. Sledge Home

Mr. and Mrs. J. W. Sledge enjoyed a reunion of their children and grand children in the home on New Year's Day. A lovely turkey dinner with all the garnishings was served at noon and a day of visitation and fellowship was enjoyed.

Those with them were their son and wife, Mr. and Mrs. J. W. Sledge, Jr., of Eastland; their daughter and husband, Mr. and Mrs. V. M. Hagar, Jr., and small son also of Dallas; their son and wife, Mr. and Mrs. Bill Sledge and children, Billy, Bobby and Charlotte Ann of Byrds; Mr. and Mrs. G. L. Sledge and children, Larry and Dianne; and Mr. and Mrs. Howell Sledge and daughter, Pat, of Cisco.

Also here for a surprise visit was Mrs. Sledge's sister-in-law, Mrs. W. H. Coulter and daughter, Evelyn, of Brownwood.

New Year Watch Held By Group at Legion

A New Year Watch Party was enjoyed by members of the American Legion and Auxiliary who met at the Legion Hall Saturday evening to watch the old year, with all its blessings, joys and sorrows, out and welcome the coming of the New Year, with all its possibilities.

Games of forty-two, bridge and canasta were enjoyed during the evening and refreshments of coffee and tea and cookies were served at intervals throughout the evening.

Fifty members and guests were in attendance and enjoyed the event.

PRACTICE FOR EAST-WEST GAME—With the city hall in the background, in San Francisco, Calif., early arrivals of the East All-Star squad kick off the opening practice session. They're warming up for their game on December 31 with the West All-Stars.

OUR NEW YEAR'S RESOLUTION

... are as simple and timely as they are sincere. We resolve again that better service to our customers will be foremost in our efforts and that we shall ever strive to add to the quality of the product we sell. We further resolve that property owners, both present and future, will be admonished from time to time that abstracts of title winn not only save them money but will help to safeguard them against fraud and errors in real estate ownership.

No wonder they're calling them "TOP CHOICE FOR 'FIFTY'"

They're greater in power—higher in compression—a standout in styling—dreams to drive—and now there's a Buick beauty for 1950 to fit practically any budget

No, we just couldn't hold back the whole big Buick line for 1950.

They're too good-looking—too much fun to drive—too jam-packed with stepped-up, higher-compression, ready-to-ramble power—to be kept under cover.

So maybe you've already seen some 1950 Buicks on the highway.

Maybe you've noticed the extra "git up and travel" they have—glimsped the wide, curving windshields (one piece in most models)—noted, approvingly, that the typical Buick taper is now found in all Buick fenders.

Maybe you've even heard some things...

That there are more than a dozen-and-a-half models to choose from. That there are three power plants in the Buick line—all of higher compression, all stepped up in power.

That all models are big and roomy inside—some rear seats are better than a foot wider than before!—yet in every instance, shorter over-all, so easier to handle, park and garage.

Above all, maybe you've heard of exciting news on price...

That Dynaflo Drive, for instance—standard on ROADMASTER models, optional on all others—now costs 20% less than on 1949 models.

LOTS OF LUGGAGE SPACE, plus a high-fashion rear-end treatment, graces the Buick Roadmaster Sedan models for 1950. This is the ROADMASTER, and above is the SUPER version of this much-wanted 4-door, 6-passenger Sedan.

Phone your BUICK dealer for a demonstration—Right Now!

Muirhead Motor Company

EASTLAND, TEXAS

WHATEVER YOUR PRICE RANGE
"Better buy Buick"

When better automobiles are built BUICK will build them

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening

POWER NEWS WITH A REAL PUNCH!

Here's just one part of Buick's three-way power story for 1950—the brand-new F-263 valve-in-head straight-eight. Packing a wallop that makes the SUPER a stand-out performer of the season, here is still higher compression and still greater power in no greater over-all size. You'll get this new engine on all SUPER models, in 124 hp with Synchro-Mesh transmission, 128 hp with Dynaflo Drive.

That in the full line—SPECIAL, SUPER and ROADMASTER series—there is a Buick to fit practically every budget above the very lowest!

Pictured above is the 1950 SUPER 4-door Sedan, one of the new Buick body types for 1950. At your Buick dealer's are more actual models, the whole story on others.

Hadn't you better see him—right now—and see if you, too, don't find Buick "top choice for 1950"?
