

ELECTRICAL CONSTRUCTION FIRM MOVES TO CITY

30 TO 40 FAMILIES DUE TO MOVE TO CISCO TO WORK FOR COMPANY

Between 30 and 40 families will move to Cisco from Brownwood within the near future as the B-Line Construction Company of Oklahoma City, builders of electric power lines, moves its district headquarters here, it was reported today.

The B-Line company, which has a contract to build 248 miles of single phase 7200 volt lines for the Comanche County Electric Cooperative Association in this area, has taken a lease on the old Poe warehouse building in the 1100 block of Avenue D.

Negotiations for the building were completed late Thursday and the B-Line company began moving in today. Between 10 and 12 large trucks will operate out of the warehouse here.

Harold Kruson is manager of B-Line's district activities in this area. His company has been building lines out of Brownwood for some time.

F. J. Isham of Comanche, assistant manager of the REA Coop, said that B-Line's contract covered 248 miles of lines to be built in the area from Rising Star to Albany. These lines, he added, will provide electricity for rural residents of some 550 homes. Between six and eight months will be required to build these lines.

Isham added that the REA will let another contract around Feb. 1 for an additional 175 miles of power lines to be built mostly in the area north of Cisco. It was understood that the B-Line company would seek this contract, which would require some six months of construction work.

The Comanche REA setup, serving counties in this region, now has some 350 miles of lines in the

area business is handled by the coop's Eastland office, which serves a total of 550 miles of lines. Observers believed the B-Line company would work out of Cisco for at least a year. The large building, which contains some 20,000 square feet of space, will be adequate for storage of both trucks and supplies.

Suit Is Against Efficiency, A & P Company Charges

The Great Atlantic & Pacific Tea Co. charged Thursday that the current anti-trust suit against the company is really "a suit against efficiency and real competition."

The company announced its intention of running a series of advertisements telling about previous suits brought against the A&P by the anti-trust lawyers in which the charges were proven to be false.

"In case after case they made charges against A & P which were proven in court to be utterly without foundation," the ad stated.

Thursday's ad cited one such suit in which it was cleared of anti-trust charges of conspiracy to fix bread prices. Under the caption "The Washington Bread Case," the decision of Federal Judge Allen T. Goldsborough is quoted—"If you were to show this record to any experienced trial lawyer in the world, he would tell you there was not any evidence at all. . . . Honestly," he said, "I have never in my 40 years experience tried a case that was as absolutely devoid of evidence as this. This is the honest truth. I have never seen one like it."

"The real question involved in this suit is whether business men are going to be encouraged to do a better and more efficient job or whether we are going to let the anti-trust lawyers in Washington blow the whistle on anybody who gets big by giving the people the most for their money."

The food chain points out that it was forced to carry out its present newspaper campaign to protect its business against the charges which the anti-trust lawyers were making in press releases and in speeches and on the radio.

Farm And Ranch Work Lagging

Farm and ranch work was limited primarily to essential activities during the holiday week though some growers in Panhandle areas took advantage of the warm, open weather to complete final harvest of cotton. Harvest of citrus fruits and winter vegetables was fairly active, although interrupted by cloudy and misty weather.

Small grains in northwest Texas were still badly in need of general rains as widely scattered showers only partially relieved the droughty situation. Wheat was furnishing limited grazing in those areas some supplemental feeding was necessary. Light to heavy rains at the weekend provided additional moisture over much of central and east Texas and in the Edwards Plateau and Trans-Pecos areas. Oat fields for winter pasture in central and south Texas were in excellent condition.

Cloudy and misty weather prevailed over all winter vegetable areas during the holiday week with some sections receiving generous rains. A good volume of vegetables moved despite the disagreeable harvesting weather with most of the tonnage moving from the Rio Grande Valley.

Illness To Keep Kendrick Quartet From Convention

Illness of some of the members of the Kendrick Quartet will prevent the group from attending the annual Eastland County Singing Convention to be held at the Cisco Junior College auditorium Saturday night and Sunday.

The Stamps Ozark Quartet will attend the program, as was announced, and will entertain the group and participate in group singing.

On Tuesday night the Stamps Quartet will present a program at the Cisco High School auditorium under the sponsorship of the American Legion, with the proceeds being used to pay off the indebtedness of the hall. Admission prices have been set at 50 cents for adults and 25 cents for students.

Henry Carter, president of the Eastland County Singers, invited everyone in the area to attend the convention, which was expected to attract some 3,000 visitors.

Mrs. Morgan Hostess To WMU Circle Two

Circle Two of the Women's Missionary Union of the First Baptist Church met Tuesday afternoon in the home of Mrs. D. A. Morgan with Mrs. C. S. Surles, chairman, presiding. Mrs. C. P. Cole, a visitor, was welcomed and gave the opening prayer by request.

Mrs. O. L. Mason gave a splendid devotion which was followed by a short business session. Minutes of the last meeting were heard and approved. Report was made that the assignment for the month, to furnish coats for a needy family, had been carried out. The missionary lesson from the book, "Japan's New Day," was then presented by Mrs. E. L. Jackson. The meeting was adjourned with prayer.

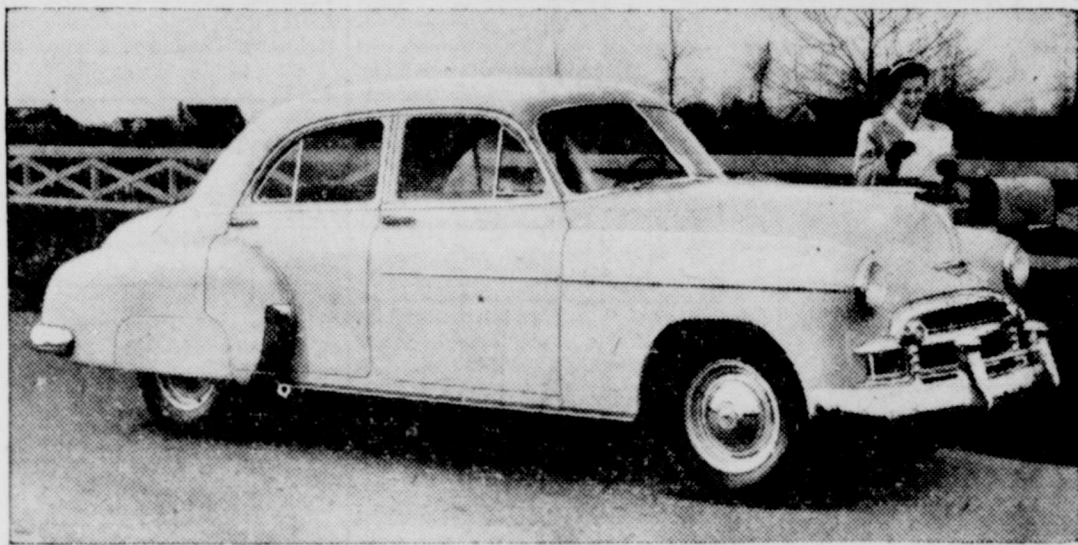

A social hour followed and refreshments were passed to Mrs. C. S. Surles, C. P. Cole, E. L. Jackson, C. A. Farquhar, C. A. Lassiter, W. J. Poe, A. F. Ashenurst, and D. A. Morgan.

Mr. and Mrs. T. C. Townsend and children have returned to Odessa after visiting here recently in the homes of Mr. and Mrs. W. J. Kelley and Mr. and Mrs. Luther Dunaway.

Mr. and Mrs. Wendall Surles and daughter, Carol Ann, of Dallas visited here during the holidays with his mother, Mrs. C. S. Surles and family.

A-G MOTOR CO. WILL SHOW NEW CHEVROLETS

Pictured above is one of the new 1950 model Chevrolet sedans that will be on display Saturday at A-G Motor Company showrooms here. The new models are equipped with the Power-glide transmission and other features. The local firm planned to show four models Saturday. An invitation was issued to the general public to attend the showing.

Cisco Leads In Traffic Deaths

Of the seven traffic fatalities in Eastland County during 1949 six of them were in and near Cisco, according to figures released by State Highway Patrol Oscar Avera.

Three of the fatalities occurred in the city limits of Cisco and three on rural roads south of town. The other fatality occurred on U. S. Highway 80 near Eastland.

During the past five years traffic fatalities have shown a marked decrease, according to Avera. The decrease came despite an increase in traffic. In 1945 there were 16 fatalities in the county and the 1949 figure represents more than 50 per cent drop.

During the first five days of the new year there have been no serious accidents reported.

Advertising Given Credit For Sales By Popcorn Prexy

Newspaper advertising was given the major portion of the credit in making Jolly Time Pop Corn "the most preferred popcorn in the world" by Howard C. Smith, president of the American Popcorn Co. He announced an extension of the company's advertising in the newspapers of all 48 states, Hawaii, and Canada for the year 1950.

"Our advertising in local newspapers is the back-bone of all Jolly Time sales promotion," Mr. Smith said. "Year after year, sales surveys show that in cities where Jolly Time Pop Corn is continually advertised, it is also first in sales. We ask for no better proof of the power of newspaper advertising than what is shown in our sales records."

This season, newspaper advertising for Jolly Time Pop Corn will be the largest in history. This represents the largest advertising program scheduled for ANY packaged popcorn for home popping.

"We have increased our newspaper advertising each year," continued Mr. Smith, "and each year our sales have shown a corresponding increase. We are so firmly convinced of the effectiveness of newspaper advertising that there is much we would do before we would consider dropping our valuable newspaper advertising."

PLAN MEMBERSHIP DRIVE

Members of the Merchants Credit Association discussed plans for a membership drive at the regular monthly meeting Thursday night. Charles Graham is chairman of the committee. Regular reports of committee were heard. President George Boyd presided over the meeting.

Mr. and Mrs. Elmo Reay are expected to arrive from their home at Glendale, Arizona, for a visit with her mother, Mrs. Charles White and her aunts, Mrs. O. C. Lomax and Mrs. Bill Joyner.

Mrs. Leo Pressberg left today for her home at Alexandria, La., after spending the past month in Cisco with her brother and wife, Mayor and Mrs. G. C. Rosenthal.

Melvin G. Farmer Killed In Wreck

Melvin Farmer, a prominent citizen and former tax assessor of Callahan County was killed in an automobile wreck Tuesday night, after the car he was riding crashed into a bridge on highway 83 near Albany. Andrew Young, 56 driver of the car at last reports was in a serious condition at the Callahan County Hospital, with head injuries. The car was a 1949 Mercury, which was completely demolished.

Funeral services were held at 2 p. m. at Wylie Funeral Chapel in Baird before a large crowd of friends, who gathered to pay their last respects to a good man.

Rev. David Binkley, pastor of the Methodist church at Baird officiated. Mr. Farmer moved to Baird in 1898 to accept employment from the late T. E. Powell in the dry good business. He was married to the former Tillie Betcher, February 26, 1902. She died in 1935.

Mr. Farmer was a member of the Blue Lodge, the Woodmen of the World, Modern Woodmen and had been a member of the Methodist Church for 40 years. He was made secretary and treasurer of the church when it was first built.

Surviving him are: two sons, Howard Farmer, cashier of the Baird First National Bank and Fred Farmer of Irhan, one daughter, Mrs. M. V. Turner of Austin, one grand-daughter, Gladys Lucile Farmer of Iran and four brothers; E. C. of Austin, R. H. of Brownwood, O. B. of Ash Fork, Arizona, and U. L. Farmer of Springfield, Arizona.

Burial followed in the Ross Cemetery at Baird under the direction of the Wylie Funeral home, Putnam and Moran.

Queens Lose Opener In Scranton Tourney

In the opening rounds of the Scranton Invitation basketball tournament, being held there this weekend, the Lobo Queens lost their first game to the host Scranton girls by a score of 25 to 31. Dorothy Harlow and Anita Pingree tied for high point honors for the Queens with eight points each. Pansy Pippen was third with six.

Roma Reese scored 16 points for Scranton which was high for the game. The Queens play Moran tonight at 6:30 for the consolation.

Work of 'B' Band Members Praised By Director and School Officials

Band Director Paul Forgy and school officials issued a statement today praising the effort of the "B" band of Cisco High School for their work during the first four months of the current year.

Forgy was faced at the beginning of the school year with the problem of replacing graduating members of the "A" band and each year the problem will arise again. It is the responsibility of the band director to get that job done.

This year, Forgy was fortunate in that some untried band talent was made available for the opening. The players gave to their sections the support that made field appearances possible. With the exception of one member, the rhythm section, composed of Anna Ruth McCrary, bass drummer, Jane Flint, Bonnie Erwin and Nada Wagley, snare drummers, Lura Bess Cowan, bass drummer and cymbals and Patsy King on the bell lyra was made up of new players. Jane Huestis gave valuable aid later in the season on the snares. She and Nada Wagley are experienced on other instruments.

Patsy Gardenhire was able to handle some second flute parts on the Christmas program. Wanda Hailey made good progress on the

alto saxophone and Morris Hill, a senior and first year man, learned the marching routines well, and played the bass horn. All the above members, except seniors, will add greatly to the band next year.

Other members of the band who chose to play "B" music or who were truly beginners were Mary Harper, clarinet; Nancy Taylor and Glen Yates, mellophone; Barry Kendrick, cornet; Robert Forst, baritone sax; Van Calloway and Robert McMurry, trombone; Carol Donohue, Stanley Webb, Alvin Mayer, bass; Lucille McElhaney, string bass, and Dorothy Schlaepfer, a snare beginner. Frances Lanham plays both snare and bass and Hughes McCrary handles the bass. Philbert Kendricks plays the French horn.

Most of the members of the "B" band will be depended on to plug holes in the "A" band next year.

RESERVES WILL NOT MEET

The 902nd Replacement Company, U. S. Army Reserves, will not meet tonight for the regular training session, it was announced today. The meeting was cancelled because of the cold weather and lack of heat in the meeting hall.

The regular meeting will be held next week, it was announced.

Moran Delphian Club Holds Meeting

The Delphian Club of Moran held open house Jan. 3 at the First Baptist Church, with Mrs. Grover C. Johnson of Wichita Falls, member of the state board of directors, as guest speaker. Mrs. Johnson holds a life membership in the Texas Federation of Women's Clubs.

In the absence of the president, Mrs. Carl Lammus, the vice president, Mrs. Britt Pip-

pen, presided. The program was opened by welcome and individual recognition of out of town visitors and the Study Club of Moran. The group was led in singing "America" by Mrs. Laurence Martin, with Mrs. Garland Shelton at the piano. Invocation was given by Mrs. W. H. Bell. Mrs. Pippen introduced Mrs. J. D. Meredith, program leader, who introduced Mrs. Johnson, a very able speaker.

After the address the guests were invited to the basement for coffee. The table was laid with a handmade linen cloth appointed with silver coffee service, with tall tapering silver

candle holders and white candles. The centerpiece was of red and white carnations, which colors were carried out in the refreshments.

The following guests and members were present: Mr. and Mrs. Floyd C. Pool, Moran; Mrs. J. M. Townsend, Mrs. Tim Hamilton, Mrs. Everett Jones, Mrs. R. E. Weber, Mrs. Emma Cottle, Mrs. R. A. Elliott, Mrs. J. D. Meredith, Mrs. Britt Pippen, Mrs. Garland Shelton, Mrs. Ray Elliott, Mrs. W. H. Bell, Mrs. B. A. Elliott, and Mrs. E. W. Morris, all of Moran.

Mrs. Oscar Cliett Was Group Hostess

Group One of the Women's Council of the First Christian Church met Tuesday afternoon in the home of Mrs. Oscar Cliett for the regular meeting. Mrs. James Flournoy, Group leader, was in charge and opened the meeting with the devotional period, reading selected scriptures from the book of Matthew.

In place of the regular missionary lesson Mrs. J. E. Elkins was presented for a historical sketch of the Christian church in Texas 50 years ago.

The business session followed and minutes of the previous meeting were read by the secretary, Mrs. Edward Brown. Routine business was transacted, after which the meeting adjourned by the missionary benediction.

A social hour was then held and refreshments were passed to Mes. J. M. Flournoy, W. R.

Huestis, G. W. Troxell, Willrue Logan, A. L. Clark, J. E. Elkins, F. M. Hooks, Edward Brown, G. E. Berry, Oscar Cliett, and a visitor, Mrs. Maurice Swisher, wife of the church pastor.

TYPICAL of millions of young Americans is this young fisherman . . . healthy, energetic and craving action. Whether in the sandlot bull pen warming up for his chance to hold under control the bats of the opposing team, rounding up the herd on branding day at the ranch, or on the bank of a quiet river anxiously waiting for a "big un" to strike . . . he is young America! The blood in his veins is genuinely red. He welcomes a tattered hat and looks ambitiously for tomorrow to bring his portion of responsibility. His conception of morality is well grounded . . . he claims to be his brothers keeper. He fishes for men and his boyfriends on Sunday and takes to the river for scaley ones on week days.

HE is exactly like millions of other young Americans who had a christian home, parents who cared enough to help in planning his program . . . his life. His parents regularly took him to Sunday school. They NEVER SENT him. Don't neglect your youngster. Accompany him every Lords day to the church of your choice.

OUR NEW YEAR'S RESOLUTIONS
... are as simple and timely as they are sincere. We resolve again that better service to our customers will be foremost in our efforts and that we shall ever strive to add to the quality of the product we sell. We further resolve that property owners, both present and future, will be admonished from time to time that abstracts of title will not only save them money but will help to safeguard them against fraud and errors in real estate ownership.

Making Gas Service Dependable Requires Endless Preparations

For indoor comfort and health protection you face winter without fear. Automatically—or with a twist of your hand—your natural gas heating appliances flood your home with inviting warmth.

You store no fuel; make no preparations whatsoever. Nevertheless preparations are necessary. They go on day after day, the year around. So vital are these preparations that neither time, money, nor manpower is spared to make them.

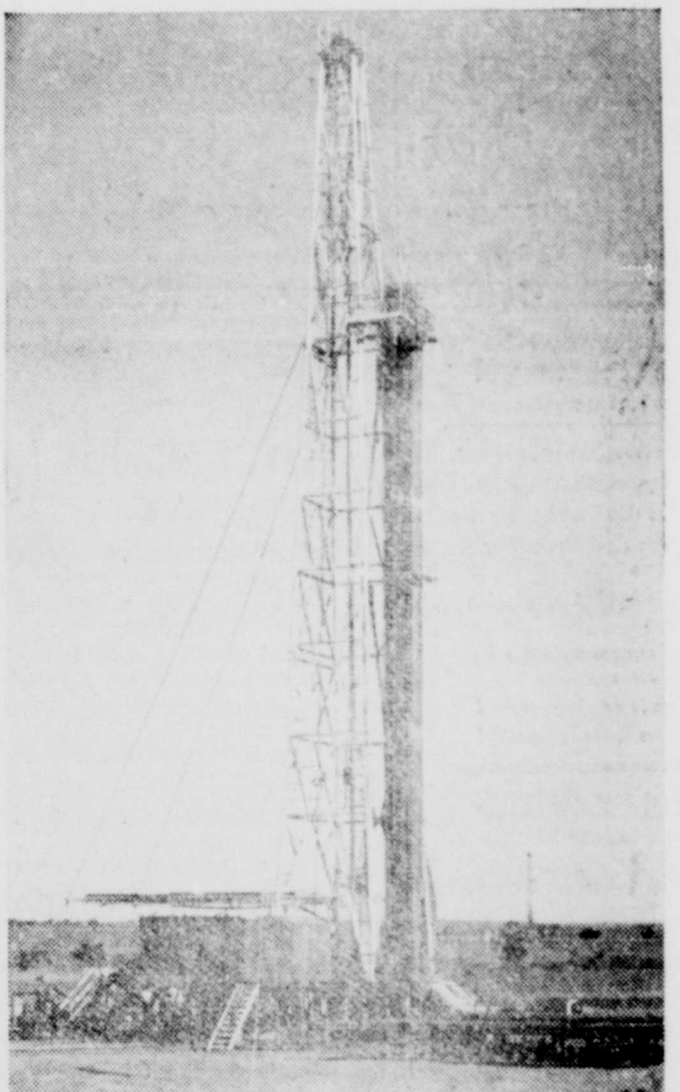

These pictures taken on Lone Star Gas System record a few of the daily happenings which make your gas service dependable, your comfort secure.

ONE OF SEVERAL NEW PIPELINES recently completed to keep gas service ahead of increasing demand. Since V-J Day, Lone Star has invested over \$100 per customer in new facilities to assure each a dependable supply of gas. Yet for a year around average of less than 15c per day, you enjoy carefree heating, silent refrigeration, automatic cooking and abundant hot water supply using Lone Star Gas Service.

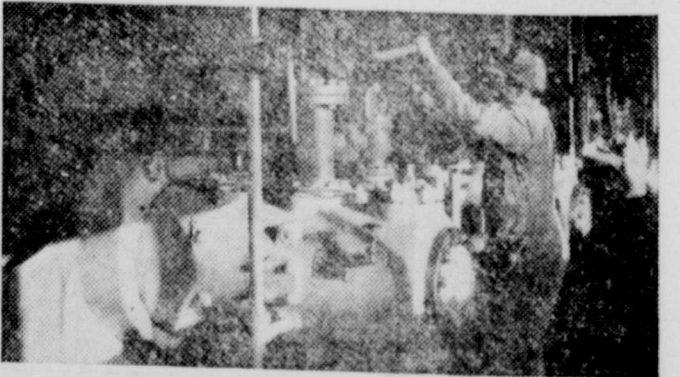

LONE STAR GEOLOGIST saves "core" from well being drilled for further study. "Core" reveals information vital to proper completion and operation of wells. This picture was taken on the rig at right, the night the well was successfully completed.

ROUND-THE-CLOCK drilling operations on this well were in their eighth week when this picture was taken. Months of painstaking, intensive work preceded the drilling. It has taken years of exploratory activity to obtain 1,140 wells (in over 100 gas-producing fields) that now supply you natural gas. Ceaselessly this continues.

BEHIND YOUR GAS SERVICE there is something to build, paint, or repair every day—oftentimes in remote places. Above, a crew cleans up debris around control valves which are part of a new compressor station.

COMPRESSORS ARE THE "HEART" of your gas service. Their beat sustains the flow of natural gas from fields to this city. Every summer Lone Star operators recondition every compressor so that when winter rolls around their beat will again be firm, strong and steady.
