Local Grocerymen Attend Meeting

Shandlee McCracken and employees, J. C. Pelfrey and Guy Ferguson of the McCracken Grocery Farm Store were in Abilene today, to attend a meeting of the Retail Grocers Association at the Wooten Hotel for the purpose of discussing plans and for enlarging sales and giving better satisfaction to the customer. The group heard a speech by Alvin Starns, president of the Association, concerning latest stock arrangements, special displays and related items. A motion picture, "Strategies for Selling," was shown pointing out the importance of proper stock arrangement in today's successful modern food store. The meeting, built around the minute color film, which was produced in an average operating store, illustrates the way to win an "in and out" shopper in a "total store" customer. In all, the group learned about many new features of modern merchandising.

Sodium Fluoride Recommended For Swine Treatment

Hogs of any age may be wormed with sodium fluoride, which has been found to be one of the simplest drugs to use in eliminating large intestinal worms in swine, reported J. M. Cooper, Eastland County agent. The drug is not effective against other types of intestinal worms in swine except the large round worm, Cooper said in commenting on the use of sodium fluoride in worming pigs. Several farmers and stockraisers over the county have been using the drug with very good success, he said. Many successful hog raisers agree that all pigs should be wormed two weeks after weaning even though they show no outward signs of being wormy. Additional worming of pigs after the first one is generally not necessary, Cooper reported.

The dosage is one level teaspoonful of sodium fluoride mixed in a pound of dry or only slightly moistened feed for pigs up to 25 pounds in weight. The pigs not to receive any other feed for at least 12 hours except the medicated ration after being on half feed the previous day. For pigs 25 to 75 pounds in weight an additional pound of medicated feed is necessary each day. For larger hogs three treatments at 12 hour intervals is necessary. A small four-page leaflet giving the information in detail on worming pigs by this new method can be secured by calling or writing the County Agent's office in Eastland.

V. A. Answers Vet's Questions

The Veterans Administration recently released a group of questions and answers pertaining to problems confronting veterans. The release dealt with educational rights, disability, and other problems. They are as follows:
Q — I was honorably discharged from the U. S. Army in 1945 after three years of war service. How much time do I have to complete my education under the G. I. bill?
A — Your course of education under the G. I. bill must start by July 25, 1951, and must end by July 25, 1956, provided you do not exceed your period of eligibility.

Q — I have a service-connected disability which doesn't bother me too much at present. How long will I be eligible for admission to a hospital for this disability?
A — Hospitalization for a service-connected disability is available to you during your lifetime under present laws.

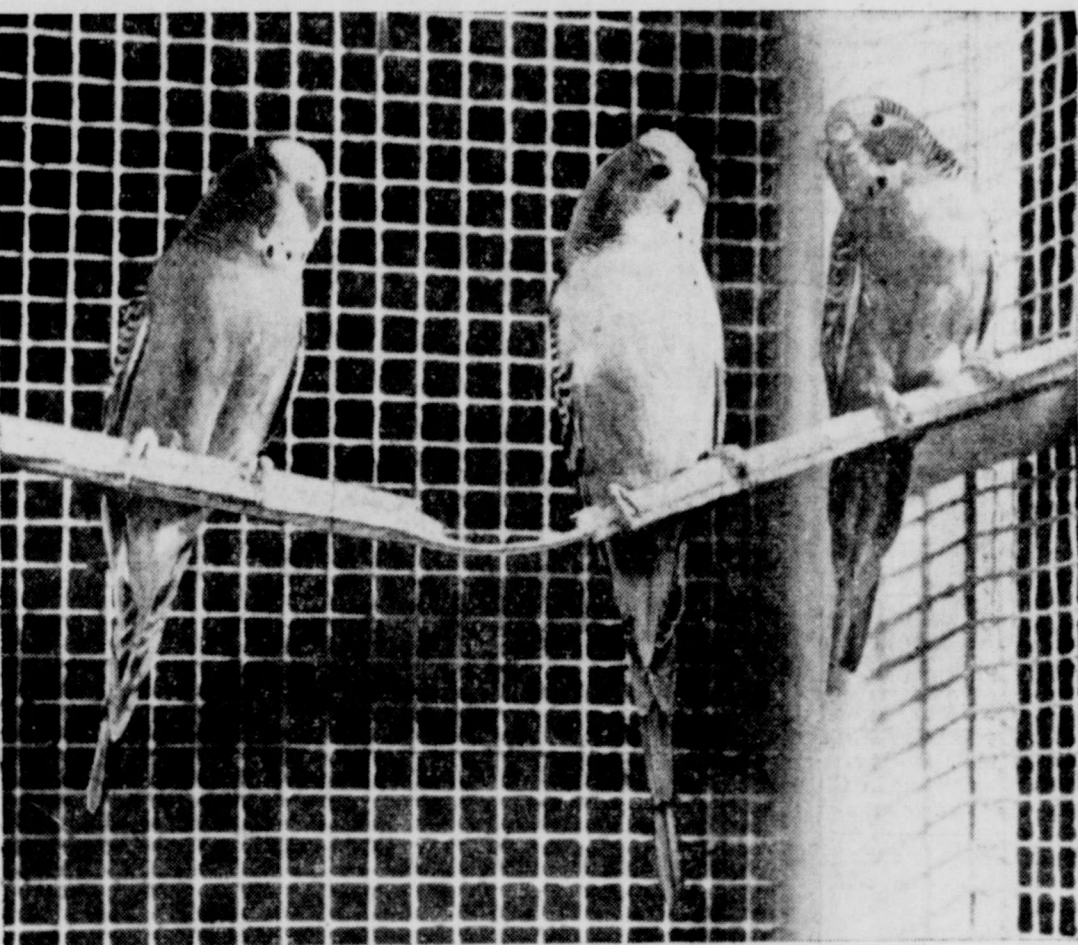

Q — I am a World War II veteran receiving compensation for a service-connected disability. If I take a part-time job, will my compensation be discontinued?
A — So long as your disability remains compensable, VA payments will be continued. The fact that you are employed does not bar payment of compensation for a service-connected condition.

Q — I am entitled to 4 years of education and training under the G. I. bill, and intend to take an on-farm training course. How long will I be permitted to take a course that will enable me to operate a farm of my own?
A — Your institutional on-farm training course may be only as long as, but no longer than, is necessary to meet your individual needs, provided it does not exceed your period of eligibility.

Garage Destroyed By Fire Wednesday Night

Firemen were called Wednesday at 8:15 p. m. to a fire in the alley between 1600 block of Ave. D and Ave. E. A garage was destroyed resulting in about \$400 loss. No automobile was in the garage at the time but a considerable amount of stored merchandise accounted for the major loss.

Scranton High School Boasts Good Record In Basketball This Season

The Scranton Basketball clubs have had a very successful season up to now and recently two of its teams entered tournaments at Rising Star and Putnam. Although they won neither of the tournaments the teams showed up well. On Friday last week the Scranton girls attended the Rising Star tournament. In their first game they defeated the May High School girls by a score of 34 to 23. In their second game Scranton was defeated by the very strong Denton team by a score of 34 to 23. Sally Speagle,

Lineman Injured In Fall From Pole

Joe Henry, 31, of Eastland, a Texas Electric Service Co. employee, received serious injuries Wednesday when he fell from a pole on a company high line a few miles west of Cisco. He was rushed to Graham hospital in a Thomas ambulance, where he received emergency treatment for a fractured right ankle and severe back injuries. Upon the advice of local physicians Henry was taken to Ft. Worth for examination and treatment. He made the trip in a Thomas ambulance.

Much Of State Needs Moisture

The soil moisture situation changed very little this week, with the northwest areas still very dry, and most other parts of the state having adequate to excessive moisture. Important High Plains wheat counties were badly in need of moisture, but wheat is dormant and for the most part not yet seriously damaged. Small grains in North Texas were making new growth under favorable moisture conditions and warm temperatures after being cut back by early January freezes. Some oats were killed, but most of the acreage is recovering.

Winter oats pastures in the south central and southern areas still furnished excellent grazing. Green bugs were doing some damage in Central Texas. Livestock continued to lose flesh over much of the state. Most farmers and ranchmen in the northwest were supplementing the limited wheat pasture with ground bundle feed or cake on dry grass. Wet fields and pastures in East Texas and along the upper coast were restricting full use of pasture feed. Supplemental feeding in most of that area continued. Oats in Central and Southcentral Texas, particularly the irrigated acreage, were supplying good to excellent grazing. Dry range feed was getting short in extreme southern counties.

County Democratic Chairman Urges Poll Tax Payments; Explains Law

Oscar Lyerla, chairman of the Democratic Executive Committee for Eastland County, Thursday issued a statement on the payment of poll taxes and urged all citizens to take the necessary steps to qualify for voting in the primary election to be held in July. His statement follows: "The poll tax law was not repealed and January 31, 1950, is the last day to pay your poll tax, in order for you to vote in this year's election. "All persons of voting age who were not 60 years of age before

Condition Of Polio Suspect Is Satisfactory

The condition of eleven-year-old Nancy Stroebel who is in the Tarrant County Polio Center under observation as a suspected case, was reported to be very satisfactory by specialists Thursday. She was taken to Fort Worth hospital Tuesday after local physicians diagnosed the case as a polio suspect. The child became ill Monday and an examination was made immediately. She is a fifth grade student in the Lutheran School and is the daughter of Mr. and Mrs. Alvin (Doc) Stroebel, who live just south of Cisco.

Prospect Good For Peas As Commercial Crop

Prospects for a commercial market for blackeyed and other varieties of peas were assured 150 Eastland County farmers by L. R. Barron, Athens, at a meeting in the Carbon High School auditorium Saturday afternoon. Barron explained that he had been buying peas in East and South Texas for a number of years, and saw no reason why farmers in Eastland County could not divert some of their acreage to the crop. He suggested that the peas be planted at the rate of 20 to 25 pounds per acre the latter part of April or the first part of May so that the harvest period would come in July and August. A cleaning plant is to be set up in the county and cleaned peas will be bought on a cash basis. The price is expected to be between four and six cents a pound for the cleaned blackeyed and cream peas. He informed the group that he would also be in the market for crowder, purple hill, and any other varieties of peas. Farmers may purchase the seed anywhere they desire. According to the count of those officiating at the meeting a total of 48 farmers signified their intention of planting 958 acres in the crop. Farmers who anticipate planting the peas for the market were asked to notify the county agent's office so that a record can be kept of the acreage involved.

Legion Auxiliary Will Hold Benefit

The American Legion Auxiliary announced today that a "42" canasta and bridge tournament will be held from 2 to 10 p. m. Saturday at the Legion Hall as a benefit for the March of Dimes polio campaign. The general public has been invited to attend and participate in the tourney.

The public is invited to attend, particularly the parents of the Cubs.

STATE RESTS CASE EARLY THURSDAY

The defense took over at 10 a. m. today in the murder trial of Mrs. Elva Moad of Cisco after the state rested its case shortly after the second day of the trial began in 91st District Court at Eastland. Mrs. Moad is charged with murder in the September 4, 1949, shooting of her husband, Emory E. Moad. Defense Attorney Earl Connor, Jr., told reporters that Mrs. Elva Moad would take the witness stand in her own defense "at the proper time." Prosecutors Elzo Been and Frank Sparks rested for the state after questioning one witness early Thursday. They used all day Wednesday and a 3-hour night session to present their case. The defense began by presenting Justice of the Peace W. E. Brown, who had previously testified. He told of the handling of the case shortly after the shooting. Former Constable R. C. Farmer was called to the stand to tell of an incident during the spring of 1947 when he said he was called to the Moad residence. He described Mrs. Moad's condition after an alleged fight. He added that no complaint ever was filed. Mrs. Lou Mendenhall of Cisco told of visiting Mrs. Elva Moad on one occasion when, she said, her husband "knocked her down." Mrs. Minnie Biggs of Elk City, Okla., sister of the defendant, told of her early childhood and of being here and witnessing the scene described by Mrs. Mendenhall. Benny R. Everett of Putnam told the jury that he was playing cards with Elva Moad, Norma Dale Lowery and Peggy Swartz at the Moad residence on the night of Aug. 31. He said they heard a scream outside and went out to see Mrs. Moad being knocked down. Everett was questioned regarding injuries sustained by the defendant, who was still on the stand when court adjourned for lunch. At the Wednesday night session, the state questioned W. R. Rainwater, Ranger insurance man who testified that Emory Moad had recently made Mrs. Elva Moad the beneficiary of his policy, instead of his estate. Roy Moad, brother of the deceased, testified regarding actions and movements of the night before the fatal shooting. Guy Morris of Cisco offered testimony regarding a statement made by Emory Moad after the shooting and identified pictures of the car taken after the shooting. Rev. C. S. Moad, father of the deceased, took the stand to tell the jury of a conference he had with his son on Sunday night after the shooting. First witness Wednesday afternoon was Mrs. Georgia Sharp of Breckenridge, who formerly lived in a house near the Moad residence, who told the jury that she heard several shots and looked out the window to see a woman holding a gun. She heard no conversations, she said, and couldn't identify the woman. Don Johnson of Cisco then took the stand. He said he was sitting in his father-in-law's house, listening to a radio, and he went out on the porch after hearing shots. He said he saw Mrs. Moad with a gun. Later, he said he saw Emory Moad raise up in the front seat of his car. He added that he went to the hospital with them. E. C. Forbes of Cisco testified that he heard the shots and went out on his nearby porch afterwards. He said he saw the gun in the hands of a woman "who looked like Mrs. Moad." Next, Mrs. Virgie Jeanette Chambliss of Midland, formerly of Cisco, who lived in a nearby apartment, testified that she heard the shots. She added that she saw blood on Emory Moad as the car drove away. On cross-examination, she told the jury she had heard a woman screaming during the night a few days before the shooting. Mrs. A. J. Olson, who lives just east of the Moad residence, said that she saw Mrs. Moad fire three shots at her husband. She said she saw Emory Moad flinch, as if he had been hit. She

Regular Medical Checkup Urged By Health Officer

AUSTIN, Jan. 26. — We do not all grow, develop, mature—nor do our organs degenerate—at the same rate, says Dr. Geo. W. Cox, State Health Officer. "Today, a man of 60 may be as young, vigorous and vital as the average man of 40. On the other hand, he may look and act like a man of 80, old, weak and miserable. A man of 60 may have a 40 year old heart, 50 year old kidneys and an 80 year old liver. "The physical changes which come with age alone are not entirely decline, either. Speed of reaction does diminish, but endurance increases in certain capacities. As speed declines, skill is increased with practice, and as strength declines, judgement increases. Automobile driving ability, for example, improves from 24 to 43 in the average individual and at 65 is superior to that of the 20's. "Normal human beings can grow mentally at any age. The worst of all old-age diseases is neglect. Many factors that help make a healthy, happy old age are (1) eating right; (2) regular physical examinations and (3) keeping physical and mentally active without overtaxing ourselves. There is a rapid growing branch of medicine, known as geriatrics, that specializes in disease and conditions of the aging. "Don't wait until you deteriorate—consult your physician now!"

Federal Income Tax Book Ready

According to an announcement made today by Ray L. Miller, regional director of the U. S. Department of Commerce, the new 1949 edition of the booklet, "Your Federal Income Tax," is by far the most popular government publication now being sold through his office. Miller said the demand for this booklet has been so heavy that the initial supply has been replenished several times, but he believes that the new supply just received by his office will be sufficient to fill all future requests. The booklet was prepared by the Bureau of Internal Revenue to help the average taxpayer solve his own problems. It covers the latest regulations, Bureau rulings, and court decisions, and explains the various deductions and exemptions which are applicable to most citizens who are required to file a tax return. Arrangements were made with the Superintendent of Documents, Washington, D. C., for distribution of the booklet through the 42 field offices of the Department of Commerce. In this area copies may be obtained from the U. S. Dept. of Commerce, 1114 Commerce St., Dallas, for 25 cents per copy. Remittance by mail should be made in coin, check, or money order made payable to the Treasurer of the United States.

A GRASS-ROOTS COUNTRY

The government of this nation is dominated by the small towns and the rural areas—not by the great city populations. That striking fact is developed in an analysis of the United States Congress published in the December issue of the American Press.

The analysis shows that 76 out of 96 Senators—79 per cent—are elected by rural majorities, and that 54 per cent of the Representatives represent more rural counties than urban counties. For the purpose of the study, a rural county was considered to be one in which there is no community with more than 10,000 population.

The small number of Senators who represent predominately urban constituencies mostly come from states with very small land areas and concentrated industry, such as Rhode Island and Connecticut.

The study shows further that 42 Senators and 132 Representatives have a weekly newspaper as their home town paper. It is then said: "All of those from rural areas depend on weekly newspapers as one of their chief barometers of the opinions of their constituents."

The point is that, in spite of the growth of the cities, this is still a grass-roots country. The people on the farms, in the villages,

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Luncheon Friday Enjoyed By Members Of Woodmen Circle

A covered dish luncheon was held last Friday by the Woodmen Circle at WOW hall. Mrs. Freda Fowler, district manager of Mineral Wells, and Mrs. Byrd, Captain of the Mineral Wells Drill team, were special guests. A nice meal was served at noon with members and guests seated at a long dining table.

After luncheon Mrs. Fowler

was presented for an inspirational talk and Mrs. Byrd gave an instructive lesson on drill team work.

Members present were: Mesdames J. P. McCanlies, R. Bollinger, D. R. Harper, A. B. Cooper, George Bailey, E. L. Wisdom, H. D. Lanham, C. B. Hill, Eva Skiles, Rhoda Burkett and L. B. Mayhew.

Presbyterian Women In General Meeting

The women of the First Presbyterian church met at 3 p. m. Tuesday at the church for a business and inspirational meeting. The meeting was called to order by Mrs. P. R. Warwick, president. Mrs. A. E. Jamison acted as secretary in the absence of Mrs. Wm. Rachel who is out of the city.

Mrs. S. E. Hittson had charge of the inspirational program which opened with group singing and prayer. An interesting lesson on foreign missions followed. The leader stressed gratitude for blessings; study; work; giving and going.

The business meeting was held at the close of the program. Routine business was transacted and treasurer's report was given by Mrs. N. A. Brown. Announcement was made that Mr. Andrew Allison, who has recently returned from China will be a guest speaker at the church at 7 p. m. next Sunday. An interesting program will be given after which the ladies of the church will serve refreshments. Members of the Methodist and Christian churches have been invited as special guests. The meeting adjourned with prayer by Mrs. Warwick.

Those present were: Mesdames J. G. Rupe, D. E. Waters, J. E. Coleman, W. Bogan Dunn, J. A. Jensen, J. J. Tableman, P. R. Warwick, S. E. Hittson, A. E. Jamison, R. C. Alexander, N. A. Brown, J. E. Stansell, F. J. Borman, B. S. Huey, Rudolph Kamon and Miss Willie Word.

Mrs. J. B. Popalio Was Circle Hostess

Mrs. J. B. Popalio was hostess when Circle One of First Baptist Women's Missionary Union met in her home Tuesday afternoon. The meeting was opened with prayer by Mrs. J. E. Burnham after which Mrs. W. W. Sawyers gave the devotion from fourth chapter of the Book of James.

Due to absence of Mrs. Roy Phippen who was ill, Mrs. J. B. Popalio presided as chairman. It was voted to purchase two pairs of Levi denim pants for boys of Buckner Orphans' home. Routine business was transacted, following which Mrs. Ina Pyle Martin brought an interesting lesson from the book "Japan's New Day."

A social hour was enjoyed at the close of the lesson and refreshments were passed to Mesdames R. D. Guthrie, Algie Skiles, Ina Pyle Martin, Jay Warren, W. W. Sawyers, W. Frank Walker, D. L. Kisner, J. B. Popalio and J. E. Burnham.

Gary L. Holdridge Was Honored With Nice Birthday Party

A birthday party honoring Gary Lynn Holdridge on his second birthday, was given on Saturday afternoon in the home of his parents, Mr. and Mrs. Carson Holdridge, at Apartment 6, College Hill.

Guests arrived at 2:30 and games were played by the little folk which were heartily enjoyed. Gifts were then opened by the honoree's mother and were displayed to the group. The little friends gathered around the table where the pretty pink and white birthday cake stood, topped by two lighted tapers, and watched as the honoree blew the candles out.

Mrs. Holdridge then cut the birthday cake which was served with hot chocolate and party mints to the following children: Gary Holdridge, Dana and Ricky Sidall, Shirley Page, Charlie and Kathy Phillips, Jane Jessup, Glenda and Judy Tarver, Bill and Mary Webb, Rudell Fleming, Butch Anderson, Kathy Leveridge, Coy Wayne Miller. Adults present were: Mmes. Bob Siddall, A. L. Tarver, J. B.

Jessup, Jack Leveridge, Barron Phillips, R. O. Fenley, and the hostess, Mrs. Holdridge.

Mrs. August Fricke Hostess To Society

Mrs. August Fricke was hostess to the Lutheran Ladies Aid which met Sunday afternoon in her home with Mrs. Paul Weiser presiding.

The opening devotion was given by pastor Lohrman reading verses from the sixth chapter of Matthew and closing with prayer. "Lutheran Women as Christians At Home" was the topic subject for discussion.

After the various committees gave their reports, the society discussed how to provide for the needs and comforts of Valpariso's A'Cappella choir which is coming to Cisco on February 7.

"So you are a Parent" is a leaflet to be sent to the parents of each new baby arriving in Cisco; this project being sponsored by the Society.

Twenty members, some visitors and children were present to enjoy the hospitality of the hostess, together with the friendly association of the members. Mrs. E. H. Reich was heartily welcomed as a new member.

The Society adjourned to meet with Mrs. Carl Stroebel in February.

Miss Earline Steel Is Hostess To Group Tuesday Evening

The Y. W. A. of the First Baptist Church met Tuesday evening January 24, in the home of Miss Earline Steel at 6:45 p. m. After a short business session, in which Miss Laura Bess Cowan and Miss Nada Wagley were elected president and vice-president, and it was voted to send one pair of pillow cases to Buckners Orphans Home.

An interesting program was presented by Jane Houston, Earline Steel, Laura Bess Cowan, Nada Wagley, and Sonya Sims. The theme of the program, "Do We Have What It Takes?" centered around Baptist Missions.

A nice refreshment plate of punch, cookies and candy was served to the following members: Sonya Sims, Nada Wagley, Laura Bess Cowan, Dorothy Butler, Jane Houston, and Earline Steel, hostess; Mrs. M. F. Underwood, Y. W. A. sponsor, and one visitor, Miss LaVelda Cagle.

Callahan County Buys \$241,486.50 In U. States Bonds

The people of Callahan County invested \$241,486.50 in U. S. Savings Bonds during 1949, according to the annual sales report received today by B. H. Freeland, county Savings Bonds chairman, from Nathan Adams of Dallas, state chairman. This compares with sales of \$209,402.75 for 1948.

Of the 1949 total, Series E, the so-called "people's bond" accounted for \$170,812.50, as compared with \$87,780.75 E bond sales in 1948. Series F and G sales were \$70,674.00 as compared with \$121,622.00 in 1948.

Total sales for the entire state were \$191,499,069, as compared with \$196,448,280 in 1948. Mr. Adams report said. This is a decline of 2.5 per cent. However Mr. Adams declared that sales last year were highly satisfactory in view of economic trends and because of a 3.9 per cent increase in the sale of E bonds, from \$139,591,216 in 1948 to \$145,114,738 in 1949. Series F and G bonds accounted for \$46,384,351 of the state's sales total last year.

Mr. Adams said that the people of Texas today hold more than \$1.5 billion in Savings Bonds, a substantial share of which are owned by citizens of this county. These savings, he added, give the community, as well as the individual owners, a high degree of financial stability.

Hardin-Simmons Offer New Courses

ABILENE — Persons who desire to take a course in extension work, or who desire to earn residence credit may enroll in Saturday classes which will be given at Hardin-Simmons university this spring, it has been announced by Prof. J. D. Osborne, head of the extension department. Classes will be organized at 10:30 o'clock Saturday morning, January 28 in 302 Abilene Hall.

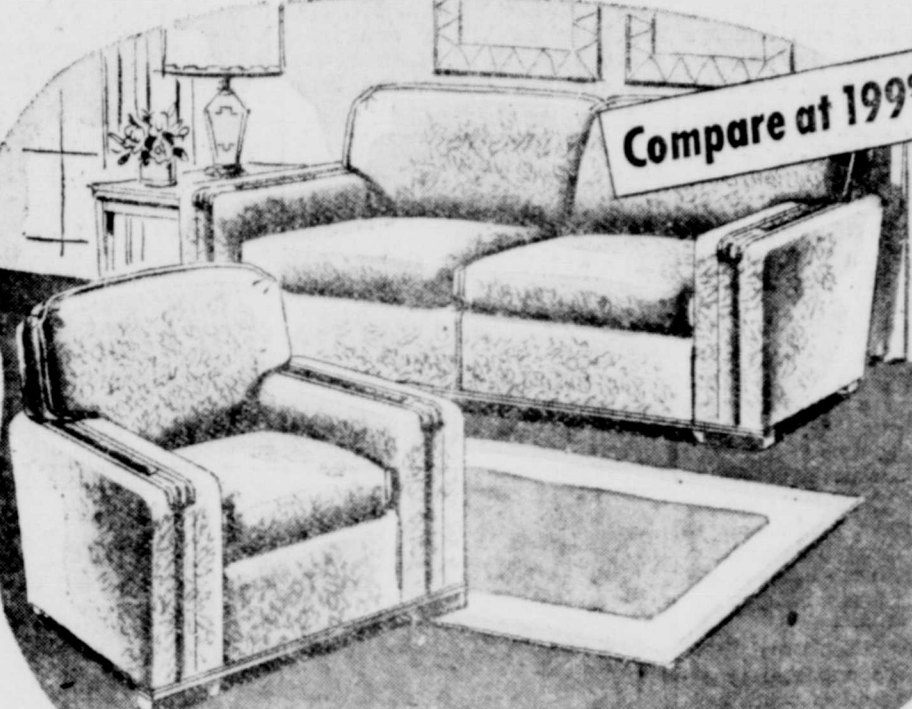

If there is sufficient demand, courses will be offered in any field. At present there have been requests for courses in art, business administration, Spanish, English, education, home economics, and history.

To meet the demand created by the passing of the recent Gilmer-Aiken bill and also to provide working persons with an opportunity for advanced study are the goals of the new classes. "These Saturday classes will not be for students registered in the regular term, but are definitely for the person who is unable to attend school during the day because of employment in other fields," Osborne stated.

Putnam Boys Judge in Grass Contest

Fourteen Callahan County 4-H boys judged in the first Grass and Plant judging contest sponsored by the Lower Clear Fork Soil Conservation District Supervisors. This contest was held in Albany in the County Court House on January 19. George

Crook, 4-H club boy from Euila, was the fourth high point man in the contest. He scored 345 points out of a possible 500. Crook along with R. G. Farmer, also from Euila 4-H, and Johnny Ingram, from the Putnam 4-H club, were the three high scoring boys from Callahan County and composed a team that placed fourth in the contest. First place was won by the Albany FFA team, second by the Shackelford County 4-H boys, third by the Breckenridge FFA, fourth by the Callahan 4-H boys, and fifth by the Moran FFA team.

There were a total of forty five boys who judged the fifty grasses and plants. Money to buy medals and banners for the three high individuals and teams was donated by the First National Bank of Baird, and banks from Moran, Albany, and Breckenridge.

The three high individual scorers from Callahan County will judge grasses at the Ft. Worth Fat Stock Show judging contest on January 28 at 2 p. m.

MOAD CASE — Continued from Page 1

told about overhearing telephone conversations.

Justice of the Peace W. E. Brown told about taking a statement from Emory Moad at Graham Hospital at 10 p. m. Sunday, Sept. 4, 1949, following the shooting earlier in the day. The statement, witnessed by three men, told of conversations with his wife leading up to his appearance at the house, that she pulled the gun from a sling in which she

carried one arm and shot him twice.

O. G. Lawson of Cisco testified that he heard the shots and went out to investigate. He told of seeing Mrs. Moad and Emory Moad.

Police Chief M. L. Perdue identified the gun. He said he took the defendant to the police station after the shooting and subsequent police action.

Allen Farley took the witness stand and identified the pistol as belonging to him. He said he kept it in a drawer at home. He said Mrs. Moad later told him she had taken it Sunday morning (Sept. 4, 1949).

Mrs. Mamie Culvert, mother-in-law of Roy Moad, brother of the deceased, was questioned about the appearance of Mrs. Elva Moad at her home in Cisco early on the morning of Sept. 4 and of

her knowledge of the movements and actions of principals prior to the shooting.

The afternoon session ended

with the state presenting an inventory of the personal effects of Emory Moad, showing that an insurance policy in the amount

of \$942 was payable to Mrs. Elva Moad.
