All the world of Fashion looks to New York's famed Fashion Academy as an authority on style. So it's no wonder Ford is proud to receive their medal as "Fashion Car of the Year" for the second straight year. Never before was a car honored by two Fashion Academy Awards in a row! Here's proof that Ford has

succeeded in bringing style to the low-price

field-that even far costlier cars can't match.

HAPPY ANNIVERSARY !- As part of the observance of the 70th anniversary of the Salvation Army in the U.S., a re-enactment of the landing of the first Salvationists in this country from England in 1880 is held in New York. Participants are dressed in costumes of that period. The first group came ashore in the Statue of Liberty boat and kneeled in prayer after landing safely.

WELL, IT'S A LIVING !- And not such a bad one, either, for the skull that Jean Palmer is polishing in Croydon, England, is only made of plastic. Jean is a technician with a firm that provides the skeletons for medical students. Plastic skulls are much cheaper than real ones, and much stronger.
