

The Gay Philosopher

By J. W. S.

SEVERAL MEMBERS of the First Presbyterian Church have told us that this Sunday will be the last for Rev. and Mrs. Len Orr in Cisco. Rev. Orr, who has been the church's pastor this summer, leaves next week for Austin to resume his studies at the Presbyterian Seminary.

One member told us "we wish very much that we could keep Mr. and Mrs. Orr with us permanently, for they've done a wonderful job in our church."

One project that Rev. Orr directed was the overhauling program on the basement, which has been converted into a game room and meeting place for young people.

AN AD IN THE Thursday paper carried a list of grocery stores planning to close up Monday for Labor Day. Somehow the name of Yardley's Grocery was omitted.

We ran into J. D. Yardley of the grocery store the other day and he was telling us about a recent trip he and family enjoyed. They stopped in Arkansas, the old home country. J. D. reports seeing a score of fellows he went to school with. And everyone of them remarked, he says, that the Yardley hair is getting thin.

They went on to Nebraska to visit one of J. D.'s war-time shipmates. It was a fine vacation trip.

WE'VE HAD a number of compliments on the fine letter we printed Tuesday from Mrs. Robert C. Metcalf, daughter of Mr. and Mrs. Lee Leiske, who lives in the Panama Canal Zone. Mr. Charles S. Sandler called to say he enjoyed it and to report on receiving an interesting letter from Frank Leas, who is in the merchant marine.

The former Cisco man was in Saudi Arabia, and expected to be back in the states in three months or so. Mrs. Leas, who is the sister of Mrs. John Sledge of Cisco, is staying in Corpus Christi while her husband is at sea. He used to work for Mr. Sandler, and sent regards to old friends here.

DID YOU READ the column of farm news in The Press yesterday? It's a new monthly feature put out by the Agricultural Workers Association of the county. Members of the association include all federal agricultural workers, the county agent, and various agriculture teachers of the county, including the FFA, veterans and so forth. It was a most interesting report on their work.

MR. W. P. KNIGHT, who used to be a Yankee at Butler, Penna., tells us that the idea for producing No. 1 eggs hereabouts is good. But they go a step further in his old home country. They have egg auctions, where buyers bid for the eggs.

Putnam News

Lt. and Mrs. Henry Mundt and sons left Wednesday for Denver, Colorado for a visit with his mother and other relatives there. The Mundts have only recently returned from Frankfurt, Germany.

Mrs. J. A. Heyser of the Zion Hill community was a visitor in Putnam Saturday.

T. E. Hayden Sr. pioneer rancher north of Putnam has been seriously ill but was reported improved the past week.

A revival meeting began last Friday night August 25 and will continue through September 4. Rev. J. W. Chapman of Cross Plains is doing the preaching. Two services daily and good interest is reported. All are cordially invited to attend these services.

Mrs. T. C. Clark was dismissed from the hospital at Baird the past week and was reported doing nicely at present.

(Continued on page two)

Mrs. L. D. McIntire has returned to her home in Abilene after spending several days in Cisco with her daughter and husband, Mr. and Mrs. M. F. Underwood.

A WARRIOR TAKES A REST—General and Mrs. George C. Marshall relax on the porch of the Huron Mountain Club at Marquette, Mich., where they have been vacationing. Mostly, they spend their time reading, picnicking and canoeing, but the General has done some bass and trout fishing.

Health Agency Is Pleased as Gift Of Fleas Arrives

AUSTIN, Aug. 31.—You ordinarily consider a boxful of dead fleas as not very much of a gift.

But entomological workers—specialists who study insects which spread disease—in the Texas State Department of Health, recently were "thrilled" by a gift of Pacific Northwest fleas from Dr. C. Anderson Hubbard, formerly head of the Biology Department at Pacific University in Oregon. He has made similar gifts, collected during a lifetime of studying disease spreaders, to 20 of the world's outstanding institutions in biological sciences.

State Health Officer Geo. W. Cox, acknowledging the gift, said it was "something of a compliment" to be classed as a leader in biological studies along with the British Museum, Canada's National Museum, Brazil's Escola Nacional de Agronomia, the Parasitological Laboratory in Sevastopol, Russia, Pakistan's Malaria Institute, the American Museum of Natural History in New York, and "many others of equal prominence."

The Texas Health Department was the only health agency in the nation to benefit from the presentation. It's disease vector collection is reputedly one of the finest in the world. Dr. Cox says the entire assortment, including ticks and mites as fleas, is open to study by graduate and advanced undergraduate students in Texas colleges and universities.

Department entomological studies are described by Dr. Cox as a "determination of the specific types of insects of medical importance in the state, their distribution, seasonal abundance, and how they can best be controlled."

Department entomologists conducted a two year investigation of typhus fever in Lavaca County in 1944-46. Step by step, they traced out the process by which rodent fleas spread typhus from rat to human beings.

In 1949, they finished a study which showed bubonic plague—the Black Death of the Middle Ages—was infecting wild rodents in four South Plains counties in West Texas.

"Our entomologists are disease detectives," Dr. Cox says. "The fleas we have received as a gift from Dr. Hubbard will help them run down insect culprits," he concluded.

Baptist Brotherhood To Meet Tonight

The Brotherhood of the East Cisco Baptist Church will meet at 7:30 p. m. today, according to Roy Marcontel, president.

All men and boys were invited to be present to hear a visiting speaker and enjoy refreshments.

Lutheran School Begins Tuesday

Registration for pupils attending Grace Lutheran School will begin at 9 a. m. Tuesday, September 5. Classes will begin Wednesday, September 6, at 8:30.

It is requested that one parent accompany children who desire to register for the coming school term. Children who attend will be required to carry the normal requirements as laid down by the State of Texas, in addition to a course of instruction in basic Christian training.

Grace Lutheran School, privately owned and operated by Grace Lutheran Church, will begin its 19th year of Christian education this fall. The basic purpose of the school is to maintain a Christian environment for the more formative years of the child's training. Parents who are interested in a sound Christian program were invited to investigate the program presented by Grace Lutheran School, officials said.

PTA Makes Plans For Year At Thursday Meet

Plans for the coming year were discussed by officers of the West Ward Parent-Teacher Association at a meeting Thursday at the home of Mrs. Delmar Johnston, president.

All parents, both mothers and fathers, were asked to pay their P-T-A dues Tuesday at the school lunch room, or at least by October 15. The dues will be \$1 again this year.

It was reported that the P-T-A has purchased a new duplicating machine for the schools. A hand-washing machine for use by children as they enter the lunch room has also been purchased. It has an electric hand dryer.

The P-T-A will be in charge of concessions again this year at the home football games.

Roy Rogers Club To Be Started in City

The Palace Theater today announced that it will begin work on a Roy Rogers Club in the near future. And the first 500 youngsters who arrived at the theater Saturday to see "Bells of Coronado," will receive a free colored picture of Roy Rogers and his horse, Trigger.

Roy Rogers will appear before club members on the Palace screen weekly with a special message.

Mr. and Mrs. Guy R. Brogdon and children, Miss Betty and James Brogdon, accompanied by his sister, Mrs. F. J. Harrelson and daughter Sue, spent Thursday at Gorman where they visited their brother-in-law, Dr. Edward Blackwell, who is ill, and other members of the family. Dr. Blackwell was reported slightly improved.

Lutherans Plan Mission Festival Service Program

Rev. O. A. Horn of Abilene will conduct the Sunday morning Mission Festival services at Grace Lutheran Church at 11 o'clock. The text for the sermon will be Matthew 21:28, and the theme of the sermon will be "Go, Work Today in My Vineyard." The Altar services will be conducted by Pastor Lohmann of the Grace Church.

After the morning services, a basket dinner will be served on the grounds of the Grace Lutheran School by the Ladies' Missionary Society.

At 3 p. m. Pastor Seaver of the Christ Lutheran Church will deliver another message centered about the need of missionary effort on the part of the Christian world.

Proceeds from the collections taken at these services will be used to further missionary activities throughout the world, as well as in the boundaries of the state. All visitors and friends of Christian missionary activity will be welcome to attend either or both services and spend the day with the members of the Grace and Christ Lutheran churches.

Rev. Lightfoot To Be in His Pulpit

Rev. E. H. Lightfoot, pastor, will speak in both services of First Methodist Church Sunday. In the 10:50 a. m. service, his subject will be "Christianity and the Working Man"—a Labor Day message.

Bill Lightfoot will sing "The Publican" by Vandewater.

The 8 p. m. service will hear the pastor discussing "Christian Certainty." Special music is being arranged. The Sacrament of the Lord's Supper will be celebrated at the 10:50 a. m. service and new members will be received in both services.

The Sunday School with C. J. Turner as superintendent begins a month of rally in attendance and organization Sunday. Mrs. H. L. Trentham has been added to the staff of the Intermediate Department. Mrs. Lightfoot will substitute for Mrs. Anderson in the high school department Sunday.

The Women's Society of Christian Service is sponsoring a reception to the Choir Wednesday at 7 p. m. honoring Mr. and Mrs. Robert Clinton. Mr. Clinton will direct his first rehearsal afterwards.

Edward Brown Jr., was expected to arrive today from Norman, Okla., for a visit with his parents, Judge and Mrs. Edward Brown and his wife's mother, Mrs. Allen. He has been a student at the University of Oklahoma the past two years and received his degree in Commencement exercises there this week.

Watch What You Shoot At, Warns Game Commission

AUSTIN, August 31 — Howard D. Dodgen, executive secretary of the Game, Fish & Oyster Commission, reports that an increasing number of sportsmen have expressed interest in curbing promiscuous shooting as the fall hunting season in Texas opened on September 1.

He said letters to his office indicated particular concern over possible harm to the immature quail crop. The general state quail season opens December 1. Meanwhile, the first major phase of the scattergun season opened September 1, when mourning doves in the north zone became legal game. The south zone season does not open until October 20.

Dodgen suggested that the trigger happy few who "shoot at everything that moves" cause law-abiding sportsmen to worry about the welfare of the species which are not yet legal game. He qualified this comment by pointing out that Texans are known for their good sportsmanship in the field and said that, as always, the overwhelming superiority of the genuine sportsman will have a strong bearing on restraining the irresponsible element.

The serious minded hunter, according to the executive secretary, is not interested in mixing up his targets. For example, when he flushes the inevitable covey of quail while hunting doves, he just watches and doesn't shoot. By the same token he doesn't shoot doves while hunting quail and neither will he bang away at squirrels and rabbits while stalking deer and turkey. It is not only bad hunting discipline, but often illegal as well.

One sportsman wrote the Game Department that he had an outlet for the uncontrolled shooting enthusiasm of the trigger happy types, as well as for responsible sportsmen for that matter. He suggested they "take up the slack" by cracking down on the thousands of house cats that have reverted to the primitive in Texas outdoors and prey on many species of bird life, as well as on small game generally.

COACH EVERETT ILL

Coach Jack Everett of Cisco High School has been confined to his home three days this week due to illness. The Lobo football team has been working out twice daily under Assistant Coach Buck Overall. Mr. Everett expected to be out in a day or two.

Choral Groups Plan Practice Sessions

Charles W. Jones, educational director of the First Baptist Church, announced today that the Junior and Elementary choirs will begin their practice the week of September 10. The words, music, and background of songs will be studied. The older groups will probably be instructed in directing, he stated.

The choirs will meet as follows: Tuesday, September 10, Angelic Choir (4- and 5-year-olds) 4 p. m. to 4:30.

Thursday, September 12, Cherub Choir (6-to-8-year-olds) 4 to 5 p. m.

Friday, September 13, Carol Choir (9-to-13-year-olds) 4 to 5 p. m.

The announcement of the choirs was made at this early date in order that those taking music will be able to arrange to have their lessons on other dates than those when their choir will meet. Also in order to remind the boys and girls of these times, Rev. Jones pointed out.

One Man Schools Slowly Passing

AUSTIN, Sept. 1 — Texas' Little Red Schoolhouses, although not yet extinct, are dwindling steadily, a recent study of the state's public school system revealed.

Some 30 per cent of the existing one-teacher schools have been replaced since 1920 through substantial school construction and modernization programs according to a report based on an analysis of a study by the U. S. Office of Education.

Although educators regard this as a significant index of statewide advancement, there are 1,200 one-teacher schools remaining in the state that continue to be an important means of providing the rudiments of education.

Geological Survey Needs Engineers

Applications may now be filed for the position of junior engineer (topographic), \$3,100 a year, in the Central Region, Topographic Division, of the U. S. Geological Survey, headquarters, Rolla, Missouri, according to a recent civil service bulletin.

Completed applications must be on file in the office of the Director, Ninth U. S. Civil Service Region, New Federal Bldg., St. Louis 1, Missouri, prior to the close of business on September 19, 1950. Full information regarding the examination requirements, and blanks, may be obtained from the Civil Service secretary at the post office in this city.

McELROY TEST IS BELOW 4,000 FEET; OUTCOME EXPECTED SOON

The McElroy Ranch Company's No. 1 Lela Latch, wildcat oil test just west of Cisco, was drilling at 4,015 feet at noon today and the outcome of the test was expected to be known in the near future.

According to reports, the drilling was in the Barnett formation, just above the Ellenberger lime. A drill stem test was run Thursday in the Mississippian where recovery was reported to be a small amount of gas and mud.

Oil men said the Ellenberger was running low in the area. As soon as drilling finishes, electric log surveys were to be run in the hole, seeking completion possibilities.

Life Expectation Shows Increase To High of 67.7

Expectation of life at birth among American wage earners and their families increased in 1949 to a new high of 67.7 years. This is based on the experience among the millions of industrial policyholders of a large life insurance company.

The 1949 figure represents a gain of one half year over that for 1948 and of fully five years over the 1939 figure. Average length of life is now about double that recorded among the insured during the period of 1879 to 1889.

Both sexes shared in the increase in expectation of life between 1948 and 1949, with gains slightly greater for females than for males.

"Females have consistently done better than males in adding to length of life," the statisticians report. "In consequence white girls at age five, for example, now have an advantage of 5.3 years in expectation of life over white males of the same age."

The improvement in longevity during recent decades has been substantially greater in the industrial population than in the population as a whole. In 1911-1912 the expectation of life at birth among the industrial policyholders was 6 1/2 years below that for the general population; at present, they are both on a par.

Miss Kathryn Shepard of Dallas was expected today for a visit with her parents, Mr. and Mrs. F. E. Sheppard, over the weekend and holiday.

Bill Lightfoot, a teacher in Schreiner Institute, is visiting his parents, Rev. and Mrs. E. H. Lightfoot, while on vacation.

Mr. and Mrs. Tom Scott and children Benny, Johnnie, and Rena Ann of Prineville, Oregon, visited here the past week with an aunt and uncle, Mr. and Mrs. J. M. Wilson and other relatives in Cisco.

'1951 Maid of Cotton' Contest To Open Sept. 8 for Southern Girls

MEMPHIS, Tenn., Sept. 1 — The 1951 Maid of Cotton contest will open September 8.

Announcement by the National Cotton Council reveals that King Cotton is seeking a new goodwill and fashion ambassador. The young lady who is selected from one of the 18 cotton-producing states will serve as the 13th representative of the American cotton industry. She will succeed Elizabeth McGee of Sparta, S. C.

The winner of this annual contest will make a 50,000-mile international tour. She will be presented with an all-cotton wardrobe created for her by the nation's foremost designers. During her six-months reign, she will deliver the cotton industry's official greetings to dignitaries throughout the nation and in foreign countries. The 1951 Maid of Cotton will visit several countries never before included on the cotton tour. They will be announced as soon as plans are completed.

Any girl who is between the ages of 19 and 25, who has never been married, who is at least five feet five inches tall and who was born in a cotton-producing state may enter. Judging is based on personality, background and appearance.

An earlier drill stem test in the Cadizo lime had produced a slight show.

Northeast of Cisco, Bankline Oil Company's No. 5 Briggs Owens was drilling at 3,207 feet — about 75 feet above the Lake sand formation from which wells in the field are producing. Upon completion of drilling, machinery will be moved to the location for Bankline's No. 7 Owens.

A potential report was filed for Bankline's No. 6 Briggs Owens. An 18-hour test, with a 20/64 choke, flowed oil at the rate of 100.6 barrels per day. Casing pressure was 300 pounds and tubing pressure was 150 pounds. The gas-oil ratio was 1,528 to 1.

Bankline has announced location for the No. 8 Briggs Owens, a west offset. Location is 330 feet from the north and west lines of Section 48, Block 4, H&TC Survey. Permit calls for a depth of 3,850 feet.

Crossman and Savage's No. 1 D. B. Perdue was being completed today after being killed Thursday to allow tubing to be run. Pressure had been too great, necessitating the action.

Gymnasium Fund Only \$800 Short Of \$10,000 Goal

The fund being raised by Cisco area citizens to help pay for the new gymnasium building was only \$868 short of the \$10,000 goal today according to figures at Secretary Clyde Karkalits' school business office.

Cash contributions have amounted to \$7,451, and pledges of \$1,741 remain to be paid. Several large contributions are still to be received before the drive ends. Civic leaders were confident that the \$10,000 goal would be reached.

UNDERGOES OPERATION

M. W. Cotton of Cisco, employed by Henson Construction Co., underwent an emergency operation Wednesday night in a hospital at Winters. His condition was reported to be satisfactory today. Mrs. Cotton was there with her husband.

Mr. and Mrs. A. F. Ashenbust of Cottage 2095, Humbletown, were transacting business Thursday in Fort Worth.

Mrs. A. Z. Myrick visited at Ranger Thursday with her sister, Miss Ennice Ciemmer and Mrs. Edwin George.

Mr. and Mrs. Myrick have moved to Fort Worth where he is employed at the Consolidated Vultee Company.

NO ENTRY—Red hordes won't cross the Nakdong River into territory still held by United Nations forces in Korea on this bridge. American demolition experts placed explosive charges at various points of the bridge and its approaches and blew it to pieces.

HIGHLIGHTS
Of Next Sunday's Lesson

By P. W. S.

Scripture: Matt. 16: 13-17; Lk. 22: 54-62; John 21: 15-17; Acts 2: 5.

The Sunday School lesson this week centers around the life of Simon Peter, a former fisherman who became a man of power. The Golden Text (Acts 5:29) reveals one reason for Peter's greatness: "Peter and the other apostles answered and said, We ought to obey God rather than man."

All truly great men of earth are those who refused to go with the crowd. Even today, we cannot help but admire those who "dare to be different." More than anything else, we appreciate those who stand by their convictions and when they make mistakes, are quick to correct those mistakes and make it right with both God and man. Simon Peter was a man with all of these attributes.

When others were saying that Jesus Christ was only a great prophet, Simon Peter was quick to speak up and make what we have come to know as the Great Confession, "Thou art the Christ, the Son of the living God."

We are sure that the most regretful time of his life was when he denied his Lord. But like every true disciple, Simon Peter repented his way to repentance and found that 1 John 1:9 was true for his life. Many a time after this occasion, the great apostle proved his love for Jesus by feeding His commandment, "Feed My sheep." (John 21:17).

Chapter two through five of Acts reveals how God used Simon Peter as a man of power at Pentecost. His life is an example of what God can do with any man who will surrender himself to Him to be used of the Holy Spirit.

PUZZLED PIGEONS—These two birds in Chicago have an idea something's wrong, but can't figure out how the egg they'd been hatching turned out to be a chicken. Their owner slipped a hen's egg into their nest.

Pastor to Begin Third Year At East Cisco Church

Paul Stephens will begin his third year as pastor of the East Cisco Baptist Church Sunday, it was announced today.

There have been 209 additions, 52 by profession of faith and baptism, during the past two years at the East Cisco church, according to Mrs. E. E. Green, church clerk.

Last year, the old auditorium of the church was enlarged and remodeled with several new Sunday School rooms added. In November, this structure was destroyed by fire.

The new building in which the congregation now worships was begun this year. The auditorium, with balcony and choir chairs, will seat some 500. When completed, Sunday School space in the old and new educational buildings will accommodate over 600. During the new associational year, the pastor and congregation hope to raise money to put a brick veneer on the outside of the new structure and also to

finish additional Sunday School rooms to take care of the church's growing Sunday School which has now reached an enrollment of 420.

Pastor Stephens will speak at all services of the church Sunday. His morning sermon topic will be "Keep Looking Up." In the evening, he will answer the question, "Will the H-Bomb Destroy the World?" when he speaks on the subject, "When the World's On Fire."

Mr. and Mrs. L. L. Hanks returned Tuesday from Midland where they have been visiting some of their children the past week. They live at 1300 Front street which they purchased for a home recently.

New Ranger Pastor Is Leading Revival at Pentecostal Church

Rev. J. Deffee, new pastor of the Pentecostal Church of Ranger, is doing the preaching in the revival meeting now in progress at the Cisco Pentecostal Church, according to Mrs. J. E. Blackwell, pastor.

Song services of the revival are being conducted by Rev. Ed Melugeon of Dallas. Rev. and Mrs. Melugeon also bring special musical numbers each evening.

The pastor said that good interest is being shown in the revival and that large crowds are attending. The meeting will continue at least one more week.

All members and friends of the Pentecostal Church were invited to attend these services scheduled for 8 p. m. each evening.

Nazarenes to Hear Visiting Minister

Rev. Harold McClain, until recently pastor of the Church of the Nazarene at Post, will fill the pulpit of the local Nazarene Church at both worship services Sunday, according to Rev. C. E. Stowe, pastor.

Rev. McClain is the son-in-law of Mr. and Mrs. Grover Cleveland, who live 10 miles northwest of Cisco.

Local Girls To Attend Bethany Penial College

Five young women from the Church of the Nazarene here will leave this weekend for Bethany, Okla., where they will enroll for the fall semester at the Bethany Penial College.

The girls, who are all members of the local congregation, are: Mary Ann Parmer, Mary Maud McQuary, Anna Ruth McQuary, Maxine Morris and Jo Ann Stowe. Accompanying them on the trip will be Rev. and Mrs. Cecil E. Stowe.

Revival Meeting To Begin Tonight At Wesley Methodist Church Here

The revival meeting at the Wesley Methodist Church will begin tonight and will continue through Sunday, September 10, according to Rev. C. A. Warden, pastor.

The evangelist for this series will be Rev. Jack Shelton, pastor of the Memorial Methodist Church of Weatherford. According to the local pastor, the Weatherford church has enjoyed phenomenal growth under the leadership of Rev. Shelton.

James Holdridge, a student at McMurry College in Abilene, will lead the song services and also direct a nightly young people's meeting previous to the main service at 8 p. m. The pianist will be Miss Phyllis Berry, a student at Cisco Junior College.

Monday through Friday of next week, morning services will be conducted at 10 a. m. The public was invited to attend the revival services.

First Baptists To Hear Jones

While the pulpit committee of the First Baptist Church are on the lookout for a new pastor, members of the congregation will hear messages by Rev. Charles W. Jones, educational director. Mr. Jones will speak at both worship services at the church Sunday.

The Churches Of Cisco Welcome You

They must not be left to DRIFT!

You would not think of putting children like these in an open boat, without rudder or oars, and letting them drift wherever wind and wave chose to carry them.

No, you're not that kind of a parent!

But let's look at life as your children will face it. Life is an open sea upon which today's young people must embark. The winds often will be strong and the waves will be high. Their voyage will be far safer if the rudder and oars of proper spiritual training have been given them.

Fifteen million boys and girls are growing up in homes that pay no attention to and have no part in the Church or in religious education. These children are drifting!

The Church makes life safer for young and old alike. It provides a program designed to serve humanity in countless ways. The truths it teaches are basic and everlasting. Can you afford not to be a part of it?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

John Betts Circle Meets Tuesday With Mrs. Woodrow Hitt

The Young Married Women of the Wesley Methodist Church met Tuesday afternoon in the home of Mrs. Woodrow Hitt for their regular meeting.

Mrs. James Parker was in charge of the business meeting in which the group selected a name for their circle. The name selected is "The John Betts" circle. Mr. and Mrs. John Betts are the Cisco District's missionaries to Brazil.

A Spiritual Life program was presented by Miss Phyllis Berry who has recently returned from Mount Sequayah near Fayetteville, Arkansas, where she attended an encampment for young Christian workers from all over the United States. Miss Berry spoke on "Expect great things and obtain great things".

The meeting was closed with the group standing and holding a Prayer circle. The members then divided into groups of two and visited those whom we hope will soon become members of the circle.

Those present were Miss Phyllis Berry, Miss Mary Carolyn Berry, Mrs. Paul Mosley, Mrs. Stewart Slatton, Mrs. C. A. Warden, Mrs. Joe Sublett, Mrs. James Parker, Mrs. Coy Miller, Mrs. Robert White, and the hostess Mrs. Woodrow Hitt.

Founders Day Supper Enjoyed by OES Group Tuesday Evening

On Tuesday evening members of Cisco Chapter 461, Order of Eastern Star, started to Lake Cisco where they were planning to have a picnic supper honoring Robert Morris, Founder of Eastern Star. Just about that time a dark cloud appeared and it seemed that a heavy rain would soon be falling.

While the group was trying to decide what to do, Mr. and Mrs. W. W. Fewell invited the picnicers to their home at 1206 Ave. L., to spread the supper and remain for a Founder's day program.

The invitation was accepted and soon the baskets were being opened and the picnic supper spread on the large table in the dining room. The bounteous meal was served buffet style from the table with guest seated at quartet tables while eating.

After the supper had been enjoyed by the group, a program in the form of a Questionnaire was directed by Mrs. Fewell. The questions were concerning the life and work of Robert Morris and brought out many interesting facts appropriate for the occasion.

Those enjoying the hospitality of the Fewells and their well appointed home included: Mr. and Mrs. T. E. Lisenbee and children, Roger and Joan; Mr. and Mrs. Richard Turknett and Sandra; Mr. and Mrs. Roy Little and

children Sharon and Roy Glen; Mrs. Ira J. Dobbins; Mrs. W. B. Dobbins and Mrs. Fred Johnson and son, Dickie; Mr. and Mrs. J. D. Browning, Mr. and Mrs. J. O. Brown, Mr. and Mrs. Jesse Youniblood, Dr. and Mrs. N. A. Brown, Mrs. Roberta Daugherty, Mr. and Mrs. W. E. Dean and the host and hostess, Mr. and Mrs. W. W. Fewell.

Coffee Honors Two In O. L. Lee Home Thursday Morning

The Bethany and Ruth Sunday School classes of the First Baptist Church gave a coffee Thursday morning at the home of Mrs. O. L. Lee, President of the Bethany Class, honoring Mrs. S. E. Cearley, former Bethany Class member and now teacher of the Ruth Class, who will soon be moving to Decatur, Texas; and Mrs. M. W. Kring of Abilene, also former member of the Bethany Class.

The Lee home was attractively decorated with summer flowers, and the dining room table was laid with a lace cloth and silver appointments. Coffee was pour-

It Was an Error in Judgment

... when the rejected candidate was led to believe that he had his race in the bag because every voter he met told him so. And about as disillusioned is the person who is convinced that an abstract is a lot of extra expense. There's another error in judgment. He stands to lose more, perhaps, than the candidate who lost the election. A winner always insists on an abstract when he buys real estate, and you can't beat that for good judgment.

RECIPE OF THE WEEK

By Mary Lee Taylor

Meat and Egg Scallop

2 cups diced lunch meat 1/2 cup Pet Milk
2 sliced, hard-cooked eggs 1 1/2 teaspoons grated onion (can omit)
1 can condensed cream of chicken soup 1/4 teaspoon dry mustard
1 cup grated American cheese

Put meat in bottom of a greased, shallow 1 1/2-qt. baking dish. Cover with sliced eggs. Mix soup, milk, onion, mustard and pepper until smooth. Pour over eggs in baking dish. Arrange cheese on top. Bake in moderately slow oven (350°) about 20 min., or until bubbly hot and cheese is melted. Serve hot from the baking dish. Makes 4 servings.

You Will Need:
Pet Milk, Condensed Cream of Chicken Soup, Lunch Meat, American Cheese, Eggs and Dry Mustard.
