## The Gay Philosopher

GOT THE WORD on officiating football games last night. Rev. Chief Warden, the Wesley Methodist pastor, was in the press box and he is fairly active as an official. He referees a game at Moran tonight.

The interscholastic league prescribes the rules and pay scales for referees. The minimum pay for an official is \$7.50 and mileage pay to the town where he works. The pay of game officials goes up with the size of the crowd. If you have a \$200 gate, they get paid \$10. A \$500 gate gets the referee \$15. Understand the top is \$25 for high schools, unless maybe you get into the state playoff.

## Gas Station Man's Neuritis Pains Leave Completely After First 3 Bottles Of Hadacol

Father helped, too, who also had deficiencies of Vitamins B1, B2, Iron and Niacin.

Wesley Scallions, energetic young gas station attendant in Peoria, Illinois, tells how HADA-COL keeps him on the job feeling fine. Wesley Scallions has this to report:

took HADACOL upon the advice of my father who has taken it regularly for some time. He could not eat, was unable to get around, lost sleep and was generally run-down. My brother who is a doctor recommended HADACOL to Dad. Since taking HADACOL, Dad has been feel-ing like a different man; he now has a hearty appetite, sleeps well and gets around once again on his own.

"I have had neuritis pains in my right arm and legs. Due to this condition I lost many days of work until I started to take HADACOL. After my first three bottles the pains left me completely and now I work every day and overtime also, without having any pains. I am a gas attendant and need full use of both arms and legs in my line of work. Thanks to HADACOL I can now perform my job sat-isfactorily and feel fine."
