TRADE AT HOME

If you spend a dollar at home you have some hope of getting it back; if you don't, you just spend a dollar.

NUMBER 231

The Gay Philosopher

By J. W. S.

THE EARLY arrival of ducks at Lake Birnie and Lake Cisco may be an indication that they will be plentiful this year...

DID YOU HEAR the wild geese banking over Cisco last night? Several people heard them.

A LOT OF people have reported seeing swarms of the monarch butterflies, about which The Press had a story last Sunday.

THE FOOTBALL clock is scheduled to be in place at Chesley Field for the game Thursday night.

BACK FROM College Station and a junior college conference in Texas A&M College are Mr. and Mrs. L. Stamey and Mr. Carlos Turner.

A FIRE OF undetermined origin burned off a goodly number of acres of range land north of the Cisco Country Club yesterday.

OUR SCOUTS report that if you drop into the West Ward school these days with dirty hands, you can wash them the easy way.

The Fair expects its biggest throng of fun-seekers this weekend, and attendance is expected to push the 2,225,000 mark by the time the mammoth exposition ends Oct. 22.

The second week of the Fair will offer the maximum in entertainment and thrills. Orland Signal Vol. Sable—better known as Sensational Sable, the world's champion milk-producing cow—will be on exhibit at the fair all week.

On this day the 600,000 Methodists in Texas will get an opportunity to show loyalty and faith in their colleges by giving of their substance for the on-going of these institutions.

This Association is composed of the five Methodist Colleges, namely: Southern Methodist University—Dallas, Southwestern University—Georgetown, McMurry College—Abilene, Texas Wesleyan College—Fort Worth, and Lon Morris Junior College—Jacksonville.

These five schools are organized for a united approach to Methodists and friends under the Texas Methodist College Association, with a state-wide organization of laymen.

FOR GOOD USED CARS (Trade-ins on the new Olds) Olds Motor Company, Houston

THEY'RE PRISONERS OF THE REDS—Marching with heads bowed, American GIs captured during the opening weeks of the battle for South Korea are shown arriving at a camp near the North Korean capital of Pyongyang.

Fair Attendance Sets New Record

The 1950 State Fair of Texas racked up a whopping 321,082 attendance figure for the first two days of its Mid-Century Exposition...

The Chamber of Commerce of Eastland, Cisco and Rising Stars as well as the Southwestern Peanut Growers Association and Commissioners Court contributed the financial support to make the exhibit possible.

Farmer of the Week...

Rudolph Schaeffer's Dairy Shows Growth Despite Many Problems

During the past eight years, many Cisco shoppers have walked into grocery stores here to buy a quart of milk marked as "Rudolph Schaeffer's Grade A Raw Milk."

Just recently, Schaeffer has finished a beautiful rock veneer job on their spacious eight-room dwelling. Trimmed in brick, and built of native stone this is now one of the most beautiful farm homes in this area.

EASTLAND COUNTY PEANUTS ARE SHOWN IN BIG FAIR EXHIBIT

The Eastland County Peanut Exhibit at the State Fair in Dallas, viewed by thousands on opening day last Saturday, received the acclaim of fair officials...

The map on the background is drawn to the scale of one inch to one mile, giving highways, towns and peanut growing areas in the county. Other boards give the number of farms growing the nuts, principal towns of the county with several items about each.

Other firms whose aid made the exhibit possible were Texas Electric Service Co., Gorman

NORVELL IN HOSPITAL

L. B. Norvell, local groceryman and rancher, was in Graham Hospital this week for further treatment for an illness. He has received several blood transfusions and was not showing much improvement Wednesday, it was reported.

Memorial Plans Are Studied By Legion Committee

An American Legion Post committee met Tuesday to study plans for erecting a suitable marker in memory to Cisco area war veterans. The meeting was held at the office of Mayor G. C. Rosenthal.

Cost of the project, including a flag pole and landscaping, was estimated at from \$500 to \$1,000. The Legion Post will consider the committee's recommendations at an early meeting and will make plans for financing the project.

Members of the committee include Mr. Rosenthal, E. L. Jackson, Ronald Rhodes and Chairman Rex Moore.

Midgets Lose In Game at Ranger

The Cisco Junior High School Midgets dropped a 13-0 decision to the Ranger Junior High School football team in Ranger Tuesday night. The Midgets played the best game of the season in holding a much heavier team to the two-touchdown margin.

Outstanding for the Midgets on defense were Marcos Gallegos, Freddy Anderson and Bill Miller, with Gallegos making almost 50% of the tackles from his position behind the line.

The Midgets were playing without the services of Freddy Hayes, center, and James Thorman, end, who were ill. Replacing Hayes was McMurry and in the place of Thorman was Jerry Weiser.

Disabled Vets To Sponsor Quartet

Disabled Veterans of Cisco will sponsor the Friendly Four Stamps Quartet in a program Saturday night, Oct. 21, at 8 p. m. at the College Auditorium, it was announced today.

WRANGLERS TO COMPLETE PLANS FOR MIDWESTERN GAME TODAY

The Cisco Junior College football machine is expected to show the home folks a considerably improved team when they meet the Midwestern University "B" team in a game here Thursday at 8 p. m.

Two weeks of uninterrupted practice and a good showing in a Saturday night victory at Corsicana have given the Wranglers new polish and helped the general physical condition of the players.

The Midwestern outfit has two victories in two starts this season. They turned back Decatur Junior College, 7-to-6, and won 8-to-0 over Ranger last week.

Civil Service To Hold Exams

Examinations were announced today by the United States Civil Service Commission for filling the following positions: Book binder (hand work); book binder (machine operations); and printer-hand compositor.

Huley Is Elected To Presidency Of Gas Association

D. A. Huley, president of the Lone Star Gas Company, Dallas, Tex., was elected president of the American Gas Association at the thirty-second annual conference of the Association in Atlantic City, N. J.

The American Gas Association is the trade association of the eight billion dollar gas industry and its membership comprises the leading gas utility companies, natural gas transmission companies, and gas appliance manufacturers in the United States and Canada.

WORK OF JUNIOR COLLEGES IS STUDIED AT STATE CONFERENCE

The seventh annual conference of Texas junior college executives opened at Texas A. and M. College Monday with a panel discussion led by Dr. Harold P. Rodes of the University of California at Los Angeles.

In leading the panel on "How can standards of achievement by students in lower division work be made to mean the same to junior and senior colleges?" he pointed out that "the senior colleges are concerned primarily with preparation of students for entrance into their chosen profession...

Other members of the panel were Dr. T. F. Mayo, head of the A. and M. College English Department; Pres. Ray L. Waller of Navarro College; W. L. Porter, head of the A. and M. mathematics department; and Director H. A. Hodges of Edinburg Regional College.

Also addressing the morning session were Dean John R. Bertrand of the A. and M. basic division, and C. N. Hielscher of the A. and M. engineering drawing department.

Separate meetings were held Tuesday, and the conference opened Tuesday afternoon with a general session and panel discussion.

UPON MY SOLE!—Wearing rubber shoes, 900 Guardsmen in London, England, filed into the new Chamber of the House of Commons to test the acoustics, ventilation and heating of the room.

Christian Church Names Committee

The congregation of the First Christian Church has elected a pupil committee to fill the vacancy in the pastorate of their church caused by the resignation of Rev. Maurice Swisher who was ordered to active duty with the U. S. Chaplain's Corps.

Mr. Swisher concluded his work with the local church last Sunday. He plans to attend a church convention in Oklahoma City this week before reporting to the Army next week.

The pupil committee is composed of Chairman L. A. Warren, Dick Lutterdale, Lonnie Shockley, Fred Steley and Bob Ellison.

Mr. and Mrs. Richard Allen plan to make a trip to Brownwood on Thursday.

Mrs. Smith Huestis and daughter, Miss Jane Huestis, visited Tuesday afternoon in Breckenridge.

President O. L. Stamey and Registrar C. J. Turner attended the meeting from Cisco Junior College.

President O. L. Stamey and Registrar C. J. Turner attended the meeting from Cisco Junior College.

President O. L. Stamey and Registrar C. J. Turner attended the meeting from Cisco Junior College.

Football Is Big Business

Texas high schools this year are fielding a record number of football teams for interscholastic competition. With 862 teams competing under the Interscholastic League, the total surpasses by six the 856 teams in 1941, until now the record year. The total is 17 above last year's 845, Dr. Rhea H. Williams, Interscholastic League director of athletics, revealed in announcing the new figures.

Dr. Williams commented that the squads in each of the five this 862 total is the largest number of teams competing in any state.

Approximately 24,750 young Texans are competing on these teams, Dr. Williams said, basing the figure on the average size of

Mrs. Kisner Hostess For October Meeting Of Alathean Class

Mrs. D. L. Kisner was hostess Monday evening when the Alathean class of the First Baptist Sunday school met in her home for the October business and social meeting. Members were cordially welcomed by the hostess who seated them in the living room for a period of conversation.

Mrs. Ray Judia, the new president, called the meeting to order by requesting all to join in the Lord's prayer. Mrs. Lewis Lee was next presented who gave a splendid devotion discussing "Little Things". Minutes read by Mrs. C. A. Lassiter were approved.

Mrs. Judia gave a brief outline of plans for the months ahead and named the following Group Captains: Group One, Mrs. Lee; Two, Mrs. J. R. McMurry; Three, Mrs. L. W. Tucker. Names of members were then drawn by the Group Captains. It was agreed by the class to fill a sunshine box for a member of the church who is ill.

Refreshment plates, carrying a hallow'en motif with doughnuts and a cup of hot chocolate over the 194A total. Conference A, with 220 schools and 7,455 football players is the second largest unit. Class A dropped off seven teams from the 1949 total of 227. Third largest in terms of teams engaged is the Six-Man Conference, with 167 schools and 2,570 players. This is the same number of teams which engaged in the League competition last year. Third largest in terms of boys coming out for football is Conference AA, with 79 teams but 3,525 players. This conference also lost in total membership, with six teams less than the 85 which played in the division last year.

and marshmallows was passed to the visitors. Mrs. Ethyle Berry, Miss Willie Frank Walker and associate members, Mrs. Myrtle Anderson, Mrs. Opal Blackstock, Mrs. Morgan, Mrs. Walker, and the members:

Mesdames W. M. Isehower, Brewer, J. G. Phillips, Ray Judia, J. R. McMurry, Leon McPherson, E. C. McClelland, L. W. Tucker, C. A. Lassiter, K. H. Richardson, Mittie M. Schlaepfer, Gorum Pollard, T. E. House, Lewis Lee, Miss Mary Sykes, and the hostess, Mrs. Kisner.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Wesleyan Guild Monday Night Mrs. C. H. Housh

Wesleyan Guild of the First church met Monday night in the home of Mrs. C. H. Housh for the business and social session.

Refreshments of open face sandwiches, doughnuts and coffee and favors of miniature lanterns, filled with capdies, were passed to the following: Mesdames W. W. Fewell, C. H. Hammett, W. L. Hussey, W. L. Pippen, R. H. Williams, J. L. Ricker, A. L. Thomas, M. F. Underwood, Miss Doris Joe Pyle; and a member in service, Mrs. Jay Warren; and the hostess, Mesdames Blair, Barron and Alvey.

Harvesters Class Meets Monday Night With Mrs. L. Alvey

The Harvesters Class of the First Baptist Sunday School met Monday evening in the nice farm home of Mr. and Mrs. Lawrence Alvey on Rt. 1. The Alvey house was made festive with decorations of fall flowers which were placed in attractive arrangement were Mrs. W. B. Blair and Mrs. Herman Barron.

Mrs. J. L. Ricker, class president, called the meeting to order for the devotion brought by Mrs. C. H. Hammett from the Book of 2nd Kings, Chapter 2. The devotion was followed with prayer by Mrs. M. F. Underwood.

At the business session minutes, read by Mrs. W. L. Hussey, were approved and the treasurer's report as well as others were made and routine affairs were transacted.

During the social hour secret pals were revealed and gifts were exchanged by the group.

Building For Peace Is Program Topic At Club Thursday

The First Industrial Arts Club met Thursday afternoon at the Federation club house for the regular meeting and program. Mrs. Ed. Aycock was hostess and Mrs. F. J. Borman, president, was in the chair. Two Club Women, Mrs. John Spier and Mrs. Leslie Seymour, were elected to membership. Announcement of the annual convention of Women's Federated Clubs of Texas, to be held in Fort Worth Nov. 13-16, was made.

Routine business was transacted after which the president announced the program of "Building for Peace," in absence of Mrs. Bible. A splendid discussion of "World Labor Standards" was given by Mrs. J. B. Pratt.

Members present were: Mmes. Ed Aycock, F. J. Borman, Joe Clements, J. E. Coleman, H. H. Davis, R. E. Grantham, E. L. Jackson, L. J. Leech, Ruby Miller, Rex Moore, S. H. Nance, A. J. Olson, J. B. Pratt, E. J. Poe, J. J. Tableman, M. F. Underwood, Joe Wilson, and W. W. Wallace.

FARM NEWS

By The Hired Hand

Last Monday we drove across the line into Callahan County and discovered several of the most ideal farms we have seen anywhere. We judge that the reason these farms in Callahan County probably washed across the line.

Two of the first farms we visited are owned by two brothers of John W. McKinney, a recent choice for the "Farmer of the Week" column. From the looks of things, these brothers have been as successful on the farm as their Pleasant Hill kinsman.

We found the R. L. McKinney farm sowed in wheat and oats and well terraced to absorb maximum value from the rains. They also have 80 head of cattle, 19 hogs, and some chickens. Eggs from their farm are sold in several grocery stores in Putnam and Cisco.

James H. McKinney is also raising cattle, hogs and chickens. In addition to these, we noticed some fine looking turkeys and sheep on the place. A herd of sheep gathered beneath a large oak tree on the farm reminded us of several pictures we have seen of sheep—they were really "pretty as a picture."

James McKinney has some 200 acres in cultivation, planted in

oats, wheat and barley. Some beautiful pot plants on the porch gave evidence that Mrs. McKinney has helped to make this the ideal farm that it is.

Down the road a piece, we had a most interesting visit at the G. S. Pruet farm and ranch. The Pruets are really going into their ranching in a big way. They have over 300 head of cattle, mostly stocker cattle and registered Brahmas. They also have about a hundred head of pigs and hogs on the place. Mrs. Pruet told us that their cotton crop has not measured up to expectations this year, the two main reasons

being too much rain and too many weevils.

At the A. C. Roggenstien farm, we learned that the insects also did damage to their cotton this year. They are planning to plant some grains this fall. A large number of cattle and hogs help to make this another prosperous farm for that area.

While in Putnam, we dropped by Shackelford's big store there. Mr. Shackelford is hoping that the John Deere Company, for which he is an agent, will soon come to a settlement with their employees and put an end to the strike that has been going on for some three months.

FARM AND RANCH CHATTER

By LAYNE BEATY

It's not new to very many people that there is usually a better way to do something big than all of us know about.

It's a matter of finding out the tricks of the trade, or short cuts, to save time or money or do a better job or whatever it is we want to do.

But that is complicated by somebody always figuring out still a better way than anybody else ever heard of before, so we have to do our learning all over again.

You've heard about the fellow, of course, who said he wasn't farming half as good as he knew how.

The point of all this preamble is to mention that a good many of the livestock interests of Fort Worth have worked up a pretty interesting looking program of demonstrations with carcasses, and some talks by experts, about how to make more money out of raising livestock.

That means all kinds of livestock. There will, of course, be special attention to cattle, sheep and hogs.

There will be some discussion of the outlook for the livestock business during the coming year, and how come.

This event is set to come off on Thursday and Friday, Nov. 2 and 3, in Fort Worth's Will Rogers Memorial Coliseum where the annual livestock show is held.

Watch for the complete program. You'll find that it has something of interest to you.

The program is free, and everyone is invited — adults and students alike.

We feel it our duty to discuss pangola grass from time to time, since the Houston folks have stirred up so much interest in it.

The way it takes over the country in Florida, leads lots of folks to believe it will be the answer to some of our prayers here.

J. D. Hudgens is pretty well pleased with the pangola in his place in Wharton County.

But the chief of the experiment station in Florida where a lot of work was done to test pangola down there doesn't think it is liable to do as well north of the latitude which separates Florida from Georgia. That would cut out most of Texas north of Houston.

Nevertheless, a lot of it is being tried all the way from the Red River to the Rio Grande now and we should know next year how it works out.

The boll weevil that crawled into the parking meter at Paris the other day (pushed or not) still hasn't anything on the famous horned frog that was reputedly found inside the cornerstone of the old courthouse at Eastland when that building was being razed a handful of years back, after a half century or so of standing.

There will continue to be doubt as to whether either the toad or the weevil entered his respective cloister under his own power, but considering the heavy population in Texas of both horned frogs and boll weevils, it could be that they place to park.

Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today —keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- General Federation of Women's Clubs
- American Farm Bureau Federation
- National Grange
- Veterans of Foreign Wars
- National Conference of Catholic Charities
- American Protestant Hospital Association
- American Legion
- National Association of Small Business Men
- United States Chamber of Commerce
- National Association of Retail Grocers
- National Retail Dry Goods Association
- American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudest security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

ONE NORTH LA SALLE STREET, CHICAGO, ILLINOIS

BRIEFLY TOLD PHONE 37

Mrs. A. B. Sandler of Oklahoma City and Mrs. Joseph Funk and small son, Marshall, of New Orleans visited here over the weekend with their mother, Mrs. M. E. Goldberg and Mr. and Mrs. C. S. Sander. The two ladies have returned to their homes, but Marshall Funk is remaining for a longer visit here.

Mrs. W. C. Brooks of Moran was transacting business Tuesday in Cisco.

Mr. and Mrs. L. W. Tucker spent Sunday in San Angelo where they were guests of his brother, M. C. Tucker, and family.

Curtis Boyd and small son, Lynn, left last night for their home at Big Spring after spending a two weeks' vacation in Cisco with his parents-in-law, Mr. and Mrs. Leon Cagle.

Miss Dorothy Grantz and her roommate, Miss Dorothy Rohre of Fort Worth, spent the weekend here with Miss Grantz' mother,

Mrs. Eula Grantz, in the home of her grandmother, Mrs. A. D. Estes. The young ladies are doing nurses' duty at Harris Memorial Hospital and are taking student work at TCU.

Rev. and Mrs. C. S. Moad and Mrs. Moad's brother, Alex Estein, Miss Glenna Moad, and Mrs. Leonard Bohanan and daughter Jeanene plan to go to Dallas Thursday to attend the Texas State Fair.

Mr. and Mrs. Drayton Lenz and son of Sweetwater spent the week end visiting his parents, Mr. and Mrs. H. A. Lenz and with Mrs. Lenz's relatives in Gorman.

Mr. and Mrs. Loy Williams and children of Ranger and Mr. and Mrs. Carl Kyle and family of Wink were visitors here Sunday. They were guests of their parents, Mr. and Mrs. George Bailey of 307 West 3rd.

Sgt. Ira G. Strawn of Fort Hood visited in Cisco over the weekend with Mrs. Strawn and his parents, Mr. and Mrs. I. D. Strawn.

Mr. and Mrs. Rufus Linebarger are the parents of a daughter, born Monday Oct. 9 in a Ranger hospital. The baby's weight was six pounds seven ounces at birth. Her name had not been announced.

Mrs. O. C. Lomax returned today from Fort Worth where she attended the funeral and burial of her husband's brother, John A. Lomax. While there she was a guest in the home of her sister-in-law, Mrs. W. L. Ingram at Lake Worth.

IT'S A REPEATER—A truck stands on a collapsed highway bridge near Shaw, Kans., after the span folded when the vehicle attempted a crossing. A few years ago, the opposite end of the bridge gave way under the weight of another vehicle.

Mrs. Stewart Slatton and two small children, Larry and Brenda Sue, visited relatives in Sweetwater a few days last week, returning to Cisco Saturday.

Mrs. I. D. Strawn, Mrs. W. C. Clements, Mrs. M. P. Farnsworth and Mrs. D. I. Graves attended the County Council of Home Demonstration Clubs at Eastland today.

Retail Merchants Ass'n

(Cisco's 1st. Cr. Bureau)

Member Nat'l Agency

L. Self, Sec.-Mgr.

A credit reporting bureau is not a Gestapo, nor the FBI, neither is it a promise of candy to be brought by Santa Claus. It is merely a convenient Clearing House for Credit information.

There has been a Credit reporting bureau in Cisco over thirty years.

The merchants of Cisco do NOT own a credit reporting office, according to the Assumed Name records.

This office sincerely appreciates your co-operation.
