Marines Plan To Notify Officers Of Their Status

The Marine Corps expects to notify by the first of the year practically all remaining volunteer reserve officers who will be mobilized by next June 30, the Corps Headquarters has announced. Each officer notified is to be told, if possible, the month in which he can expect to report for extended active duty. Marine Corps Headquarters announced that by Nov. 30, all enlisted volunteer reserves below the rank of sergeant and those above that rank who have been alerted under the present program will be mobilized. Certain staff non-commissioned officers of the volunteer reserve may be ordered up later to fill billets in critical fields.

Military Doctors Get Pay Increase

AUSTIN, Oct. 24 — Recently enacted legislation authorizes the payment of an additional \$100 monthly to doctors and dentists who are members of reserve components and non-reservist volunteers, when called to active military duty. Col. Oscar B. Abbott, Chief of the Texas Military District, stated here today. This law, known as Public Law No. 779 and approved Sept. 9, also provides for drafting of certain medical professional men. The doctor and dentist reservists will be entitled to this additional pay whether ordered in with or without their consent. The law further provides that members of the professions will not be required to register or be subject to induction as long as they maintain their status as a reservist. Doctors and dentists who are not members of a reserve component, but do not volunteer, but are inducted into military service will not be eligible to receive the additional compensation under this legislation, Col. Abbott said.

LOCAL MASONIC BODY IS HOST AT SCHOOL OF INSTRUCTION

The Cisco Commandery No. 47 K. T., was host to several similar Masonic bodies Thursday night, Oct. 19, as the 7th District of Texas held its school of instruction here. The school of instruction was opened by the Cisco body at 4 p. m. Following the school, those in attendance when to the Savoy Cafe where a steak supper was served to 72 members. After the supper, the group returned to the Masonic Hall where at 7:30 p. m. the Cisco Commandery opened its stated convalescence. After the regular business was disposed of, the meeting was turned over to Sir Knight, J. Marvin Pugh, grand sword bearer of the grand commandery, who had been assigned this district for the year. All of the grand officers present made instructive talks on the various workings of the commandery.

Civil Service To Hold Job Exams

The United States Civil Service today announced the following examinations: cartographic aid; engineering, cartographic, and statistical draftsman; and dental officer (intern). Grand officers of the Grand Commandery of Texas present included: H. B. Bryan, Lubbock; Victor C. Whitefield, Dallas; Harry B. Tuer, Dallas; J. Marvin Pugh, Beaumont; George I. Billingsley and Jack A. Fenton, Ft. Worth; Douglas E. Pounds, Lubbock; Harvey C. Byrd, Brownwood. Also in attendance from the several commanderies outside this district were Sir Knights Walter C. Douglas and Warren H. Garretson, Beaumont; Marvin Mabry, Fort Worth; Altus Sanson, Lubbock; W. E. Caldwell, Ky.; and a number of officers and members from commanderies at Brownwood, Abilene, Wichita Falls, Brady, Stamford, and Stephenville, as well as the Cisco body.

Three Local Girls Make Honor Roll

DENTON, Oct. 24 — Among the approximately 300 students at Texas State College for Women who maintained a "B" or better average during their last semester at the college are Misses Lillian Caldwell, Willena Jo Ann Scott, and Betty Sue Wagley, all of Cisco. One of the privileges of being named to the "B" average list is class attendance exemption.

Mr. and Mrs. Carroll Michael and daughter have returned to Cisco after making their home at Stamford for the past year and a half. Betty, the 13-year-old daughter, has entered school here. Mrs. Michael stated that their sons are in Arizona engaged in business.

Mrs. Wendall Russell of Snyder has arrived for a visit with her mother and her sister, Mrs. W. Paul Stephens, who is here from New Mexico visiting their mother, Mrs. J. E. Shelton, at the Mobley Hotel. She will also visit her husband's parents, Mr. and Mrs. O. J. Russell, while here. Mr. and Mrs. E. E. Green and Mrs. Roy Fenley visited Sunday with Mrs. E. H. Birnie, who is ill in a Ranger hospital.

Firemen Free Lad With Finger In His Bike Chain

Six year old Don Hamilton, son of Mr. and Mrs. Aaron Hamilton, 704 E. 10th, had an exciting few moments at noon Monday when the entire Cisco Volunteer Fire Department answered a frantic call from his mother to help release his finger which had been caught in a bicycle that he had been working on. His finger became caught between the chain and sprocket as he was attempting to work the chain back into place. If he moved the sprocket either way the pain caused him to stop. After trying to help him, his mother called for aid and the entire fire department answered the call. With the aid of a pair of bolt cutters, Don, who was more scared than hurt, was released. He was so relieved that he forgot to ask for a ride on the big white fire truck.

Scranton Plans To Have Big Carnival

A Halloween Carnival has been planned for Friday night, Oct. 27, at the Scranton School, according to an announcement here today by Mrs. P. M. Ray, president of the P-TA, sponsoring organization. Games of bingo, a country store, a fish pond, a grab bag and other features are planned. Students will wear appropriate costumes.

Mrs. M. E. Fry and Mrs. John E. Petty and small daughters spent Sunday afternoon at Woodson visiting with Mrs. Fry's parents, Mr. and Mrs. J. N. Miller.

Mrs. Doss Pelfrey has returned from a pleasant vacation spent at McCarney with her daughter and husband, Mr. and Mrs. Bridges.

Mrs. John Elmore has returned to her home at Big Spring after spending the past few weeks in Cisco.

ROTARY DISTRICT GOVERNOR TO VISIT LOCAL CLUB WEDNESDAY

The Gay Philosopher

MRS. H. N. LYLE, who is president of the Legion Auxiliary's state department, will have another busy week this week. She goes to Amarillo on Thursday to meet the new Legion national commander and accompany his party on a days tour through the state. Then she is due in Austin Friday for an executive board meeting.

RAN INTO Mr. George Fee this morning and he was getting set for a trip with Mrs. Fee to the west coast. They're planning to drive to El Paso Wednesday where they will catch a plane for San Diego. They'll see son Pat, who is in the Navy there. They expect to be gone about a week.

AN INTERESTING idea was given us by pretty Miss Peggy Hailey, 7-year-old daughter of the Jack Haileys. Miss Peggy was viewing the gifts at a little friend's birthday party. "Do you know what I wish?" she sighed. "I wish every day was my birthday and Christmas."

CISCO IS GOING to have a teacher of tap and ballet dancing. Mrs. R. E. Helms, who is new in town, is going to meet anyone interested in lessons at the Legion Hall at 10 a. m. Thursday. She plans to teach students from 2 to 15 years old.

WE MADE A mistake in reporting on the new down marker for the football games. It was built by the boys at West Texas Utilities Co. in their spare time and given to the schools. They deserve a big hand from us all.

PASTOR LOHRMANN of the Lutheran Church is just back from a meeting of Reserve Army Chaplains. And he was given the impression that his stay in civilian clothes would probably be short. He has been here only a short while and is doing a splendid job for the church and community. If he is called up, Cisco will lose a valuable citizen.

MET REV. GRADY James, the new minister at the First Presbyterian Church. And he is enthusiastic about his job in Cisco. His family came here a month ago so the Jameses could start to school. Sunday was his first day in the Presbyterian pulpit.

SATURDAY AND Sunday were big days at the Presbyterian Encampment grounds at Lake Cisco Park. Sunday School superintendents from throughout the Mid-Texas Presbytery gathered there for a conference and program. They came Saturday afternoon and departed a day later.

A LOT of us are about ready to concede that SMU is the class of the conference and Cotton Bowl bound. There Saturday night game was one of the most interesting we've heard on the radio. Their game with Texas A & M College, another scrapping outfit, should be interesting for the fans and one of the best of the Southwest Conference season.

CISCO JOINS IN OBSERVANCE OF UNITED NATIONS EVENT

Cisco joined the various communities of the nation today in observance of United Nations Day -- an event that marks the anniversary of the founding of the United Nations organization. At 11:03 a. m., city school bells rang for five minutes and students observed five minutes of silent prayer. Bells rang all over the nation at the same time. A liberty bell was being dedicated in Berlin, Germany, at the identical hour. Local observance was in keeping with a proclamation issued by Mayor G. C. Rosenthal.

Phillips Will Seek Completion in Lime

A one-half mile northwest extension of the Lake sand Briggs Owens oil field, five miles northeast of Cisco, appeared certain today in the Cooper-Hemphill No. 1 Carlisle. A drill stem test in five feet of the Lake Sand, topped at 3,367 feet, produced gas in three and a half minutes and flowed oil over the derrick. Cooper-Hemphill then shutdown operations and set pipe to 3,367 feet -- on top of the Lake. Tanks were being built and rotary drilling equipment was being moved off today. The cement plug will be drilled and completion work started Thursday morning, Mr. Cooper reported. Plans call for completion without the hydraulic treatment, which has been used in most of the field's wells. The Carlisle well was drilled under contract by Hines, Borland and Gray Drilling Company of Wichita Falls. Bennett Drilling Company of Cisco will drill in the well with cable tools. The well is on an 80-acre tract due north of the Perdue tract. Cooper-Hemphill is expected to drill another of four possible locations on the tract in the immediate future.

He is one of the 201 Rotary District Governors who are supervising the activities of some 7,100 Rotary Clubs which have a membership of 342,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Cisco because they are based on the same general objectives -- developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding, peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and strength. During the fiscal year, for example, 293 new Rotary Clubs were organized in 36 countries of North and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

Time Not Set For McCarty Funeral

Final rites for Alfred Verner McCarty, 82, were pending Tuesday following his death shortly after noon Monday in a Brownwood convalescent home. Mr. McCarty had been ill for some three years and had been in the Brownwood home five months. He moved to Cisco seven years ago from Lubbock where he was a farmer-rancher. It was reported that services would be held in Cisco and in Lubbock.

Father of Local Man Dies Monday

W. H. McAnally, local manager for Southwestern Bell Telephone Co., left Monday for Fulton, Ky., where he was called by the death of his father. Mr. McAnally died in Fulton at 2 p. m. Monday following a long illness. Funeral services will be held in Fulton at 2 p. m. Wednesday. Mr. McAnally had made two trips to Fulton recently when his father became seriously ill.

NAVARRO TAKES RANGER

Navarro Junior College of Corsicana won a 6-to-0 decision over Ranger Junior College on a neutral field at Graham Saturday night. It was a non-conference game.

Phillips To Complete

According to reports today, the B. F. Phillips No. 1 V. M. Smith, three and a half miles northeast of Cisco, will seek completion in the Ranger lime where a drill stem test reportedly produced a good show of both oil and gas. An earlier test in the Lake sand also showed good completion possibilities. Location is in the northeast quarter of Section 60, Block 4, H&TC Survey.

Bankline Nears Lake

Bankline Oil Company's No. 6 A. V. Clark was drilling at 3,154 feet early today. Drilling was some 200 feet above the Lake sand. Elsewhere, Phillips No. 1 Sam Kimmel, a wildcat test ten miles northwest of Cisco, was drilling at 1,820 feet. South of Cisco in the Nimrod community, and near the Cisco-Rising Star highway, Oil Associates Inc. was drilling below 2,900 feet in their No. 1 Chambers, a wildcat deep test. This is understood to be a farmout deal from McElroy Ranch Company. Nine miles south of Cisco, the Elliott and Reed No. 1 W. D. Hopper, a wildcat deep test, was drilling at 1,215 feet.

Dry Weather Is Aid to Harvest Of Area Peanuts

Eastland County farmers, who are expected to pocket some \$3,500,000 from their 1950 peanut crop, had resumed the harvest today as fields were dry after last Thursday's rain. Very few peanuts were marketed Friday and Saturday due to the rain. The light rain was not expected to damage the crop. County PMA Administrator Emmet Powell has estimated that the county has about 42,000 acres in peanuts this year. Of this acreage, 24,000 acres were allotted under the support program of \$209 per ton for medium grade peanuts. About 8,000 to 10,000 acres were planted in excess of the quota to be sold on the peanut oil market. The price of these nuts was supported at \$170 a ton. Powell said the demand for these peanuts was good due to the unexpected high price of peanut oil. Farm leaders have estimated that the county's overall yield will be about 30 bushels per acre -- a near record yield. The harvest had proceeded with record speed until last Thursday's rain. Under good weather conditions, the harvest will be completed in a few weeks. Mr. and Mrs. Ben B. Williams and small son Blake of Brownwood spent the weekend here in the home of his parents, Mr. and Mrs. R. L. Williams, and with other relatives.

HEALTH INSURANCE IS NEXT

A good many people believe that health insurance in some form will be the next major legislative proposition for the American people to consider. In all probability it will be several years before Congress puts together the final plan, but it seems certain that public health is near the top of the agenda for action by our lawmakers.

"The issues involved in the debate are momentous," says a recent issue of Fortune Magazine. There is first of all the issue of whether a nation whose health and health services rank among the best in the world needs any major legislation at all."

Fortune sees the attempt to solve the problem of health by government initiative — as the administration proposes — as instituting "a more advanced step in the direction of state socialism than the American people have yet been willing to take."

Seven major bills have been introduced into Congress in an effort to answer this question, and other bills are expected. One of the proposals has approached the issue in a thorough manner on a national scale.

The Administration's bill which has as its basic principle a theory of compulsory insurance administered through governmental agencies. The other proposal, which Fortune considers remarkable, was offered by a group of progressive publicans who have defined a right to get health insurance without the threat of government control of medicine.

The Republican Plan provides for voluntary non-profit health insurance plans to be started in any community with federal assistance. It would cost those who in it a certain percentage of their salaries. The plans would make contracts with doctors and hospitals, leaving all free to choose without government interference.

By contract, the Administration would provide medical insurance to all by virtue of a 3 percent tax on all payrolls. If your doctor joins the plan, the government will pay him for his services on a kind of fee system. The American Medical Association has recently launched a campaign designed to sell Americans the idea that no such insurance program is needed. The example that England is offering under socialized medicine has convinced the AMA and a good many others that here is not the answer.

We are persuaded that some along the lines of the little-remembered Republican proposal may have considerable merit. His would appeal to persons of small income brackets, many whom simply can't afford the costs of a chronic illness or a serious operation.

The voluntary principles of the Republican plan appeals to many. It uses the facilities of the Surge-General, and State health services become a part of the overall management. With all its faults, admitted by

many doctors, American medicine under the free enterprise system is a source of pride and comfort. More than 65,000,000 Americans are now voluntarily covered by hospital insurance by the Blue Cross plan, originated in Texas.

If we must have national health insurance — call it "socialized medicine" if you prefer — let's examine the Republicans' voluntary plan closely before we accept anything.

Letters

Dear Sirs:

Since I had noticed a few articles concerning Christians and liars in your paper, I thought some of your readers might find something related to the enclosed article interesting.

Also some of my friends have been wondering where I am. I am in graduate school as a candidate for the M. A. degree in Christian Education at Wheaton College. The school is very outstanding in this and related fields.

The article I mention follows: The Rev. Clarence Rahn, Temple, Pa., told the biggest lie and was awarded the biggest cup and \$50 first prize at the second annual Pennsylvania Dutch Liars' Contest at Reinholds Memorial Park Saturday night. The Rev. Frank Ruth, also of Berks County and last year's first prize winner, won the second prize of \$25. Dr. Byron Horne, Lilitz, won the third prize of \$10.

Here is the lie that won first prize for Rev. Rahn: Cornelius Becker owned a very fine pointer dog. He went hunting one day with the dog, and at a dense thicket had an unusual experience. The dog pointed, Becker shot, and a beautiful male pheasant dropped dead. The dog immediately pointed again, Becker shot, another pheasant dropped. This was repeated eight times. Amazed at his dog's skill (not to mention his own luck in bringing down a pheasant with each shot), Becker investigated the thicket. The pointer was standing over a ground hog hole with his left foot over the hole. Becker then saw what had been happening. The dog had chased eight cock pheasants down the hole, then as Becker came up, he assumed the point, raised his left foot and out popped a pheasant. He repeated this eight times, and his master bagged eight pheasants.

Do the Pennsylvania Dutch liars compare with the Texans' tales? Sincerely DAVID A. METCALF Wheaton College

Progressive Class Enjoys Supper And Hallowe'en Party

The Progressive class of the First Methodist church school met in the basement of the church Thursday evening for a class supper and social hour following. The room was made gay with Hallowe'en suggestions and members were dressed in costumes appropriate to the holiday season.

A bounteous supper was served buffet style from the buffet table with members seated at the tables decorated with pumpkins and black and gold streamers; appointments also carrying out the Hallowe'en theme. After the meal had been heartily eaten a number of Hallowe'en games were played. Mr. and Mrs. Derward Morris received the prize for the most outstanding costumes.

Those participating in the nice supper and events following were: Messrs and Mesdames Carrel Smith and daughters Misses Mary Ann and Beth; Derward Morris and children, Mike and Melody; Wilson Smith and son; Jimmy Rachel and baby; Larry Shoemaker, James S. Duff and children; Scott Russell and children; C. B. Midkiff and family; Bob Isbell and daughter; Shy Osborn, Jack Pitzer and son; Miss Lela Latch, Mrs. A. C. Tipton and sons; Mrs. Roy Killingsworth and children; and visitors, Rev. and Mrs. E. H. Lightfoot and Mr. and Mrs. Vernon Honea.

Mrs. J. J. Livingston Is Hostess For Adult Union Social

Mrs. J. J. Livingston was hostess when the Adult Training Union of East Cisco Baptist church met October 17th for a business and social meeting in her home. Two visitors, Mrs. C. K. Roberts of Shallowater Texas and Mrs. Jicie Smith of Sandusky, Ohio, were welcomed.

J. D. Hall, president was in charge and held a devotional period preceding the business session. The devotion was presented by the hostess following which a short business session was held.

During the social hour several peppy games were directed by Mrs. J. E. Whisnant. Refreshments were served at the close of the social hour to:

Messrs. and Mesdames J. D. Hall, J. O. Warren, Elmo Hodnett, J. E. Whisnant, H. H. Har- elson and daughters, Melba and Lavon; Mrs. Daisey Helmick, Mrs. J. E. Shirley, Mrs. Con Gilmore, Mrs. Williams, Mrs. Don Rupe, Mrs. Guy Abbott and the hostess, Mrs. Livingston.

WMU Mission Study Institute To Be Held Here October 26th

The Women's Missionary Union of Cisco Baptist association will meet at the local First Baptist church Thursday, October 26, at which time a Mission Study Institute will be held. A covered dish luncheon will be served at noon and all members are requested to bring a dish to the church dining room.

A program will be presented as follows:

Devotional by Mrs. Graton Adams; Sunbeams: "Fetola" by Mrs. E. M. Pritchard; Special Music by Mrs. Van Martin; Juniors: "Zomba" by Mrs. Ralph E. Perkins.

The immediate program after the luncheon was as follows: "Listen to the Drums" by Mrs. C. A. Brawner; Y. W. A. and W. M. S.: "A Century in Nigeria" by Mrs. Van Martin; Special Music by Rev. and Mrs. Bell; and Film — "Advance in Africa."

SWEDISH—A Swedish designer models her tartan fall ensemble—a pleated plaid skirt and matching vestee, worn over a gold jersey blouse with high-collared neckline and bow-tied push-up sleeves, all closed with tiny gold buttons.

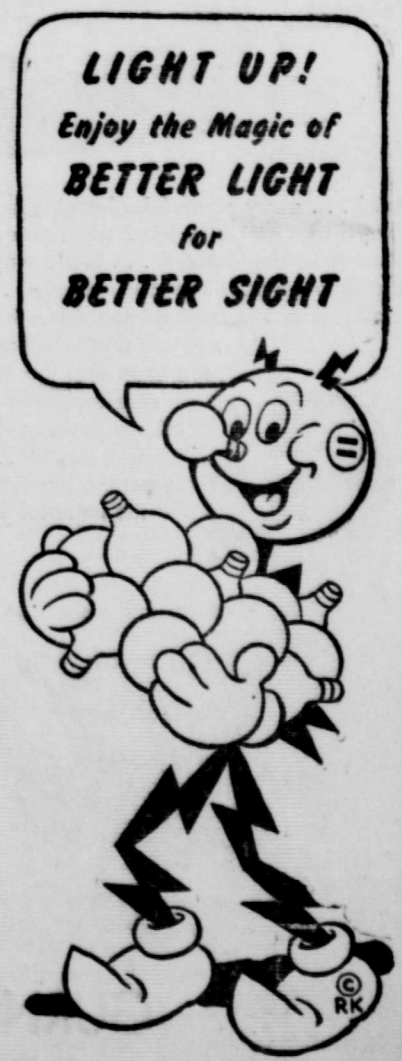

CONTINENTAL CASUAL—When men's designer, Sandy Pitofsky, arrived back in New York from Europe, his outfit reflected the trend of continental casual wear. The umbrella was from Paris, his bowler from London, plaid weskit from Scotland, tie from Rome.

Mr. and Mrs. Kite of Hamlin visited with their son Alton Kite Friday evening. Alton is a student at Cisco Junior College and a tackle on the Wrangler football team.

Don Whitaker and Stanley Sharp, students at North Texas State College, are here for visits with their parents, Mr. and Mrs. C. E. Whitaker and Mr. and Mrs. Buck Sharp.

Roger Aude has returned from Houston where he has been for the past ten days. He is in the employ of the Humble Pipe Line Co. as division engineer.

Mr. and Mrs. Thomas N. Hughston of Dallas were expected here for a weekend visit in the home of her parents, Dr. and Mrs. Paul M. Woods.

News was received in Cisco on Saturday night that Mrs. David Tyndall of San Antonio, wife of Dr. David Tyndall, former Cisco pastor, and mother of Mrs. Lonnie Shockley, had been hurt in a car wreck while riding with her brother and sister-in-law. It was thought at first that her injuries were not serious, but later information came that she was to undergo surgery there today. Mr. and Mrs. Lonnie Shockley and small daughter, Susan, left Monday night for San Antonio to be present at the operation. Mrs. Tyndall's many friends here will be hoping for a successful operation and a speedy recovery. Fred David and Lonnie Gene Shockley remained here with Mr. and Mrs. F. E. Shockley.

Mrs. W. D. Hazel visited in Dallas and Mesquite over the weekend where she was a guest of Miss Sylvia Hazel and Mrs. Bill Rathmel and family.

Mr. and Mrs. L. B. Mayhew went to Houston last weekend for a visit with their son, Sgt. Howard L. Mayhew, and family; and with their daughter and husband, Mr. and Mrs. Paul Jones and sons.

Mrs. W. A. Pippen and children Bill, James, and Mary Ann of Breckenridge visited here Sunday with her mother, Mrs. Richardson, and her aunt, Mrs. J. R. Burnett.

Among those from Cisco attending the funeral of Mr. Luther Hall which was held at Nimrod Church Sunday were Mr. and Mrs. W. H. Hall, Sr. and Mrs. C. P. Cole, Mr. and Mrs. Algie Skiles, Rev. C. W. Jones, Mr. and Mrs. Shobal Houston, Miss Jane Houston, Mrs. Guy J. Ward, Mr. and Mrs. Paul Price and Ronny, Mr. and Mrs. V. S. Johnston, all of Cisco; and Mr. and Mrs. Clifton Barron of Cross Plains.

Miss Pat Grist, a student at Arlington State College, spent the weekend here in the home of her parents, Mr. and Mrs. Fred Grist.

Church Plans For Victory Day At Rising Star

W. J. Herrington, finance chairman of the Rising Star Baptist building committee, announced recently that it had been determined that it would take \$10,000 in additional funds to finish and equip the new church which has been under construction for the past several months and is nearing completion. Mr. Herrington stated that Sunday, Nov. 12, had been set apart as "Victory Day" at which time he believed loyal members and friends of the church would come forward and provide the funds for the completion of the new edifice.

Arts Club Hears Musical Numbers And Book Review

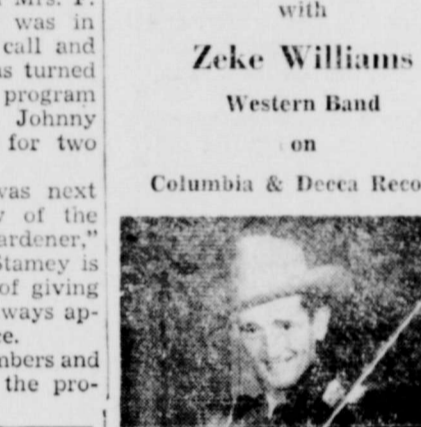

The First Industrial Arts Club met Thursday afternoon at the Club house for a book review and regular meeting. Mrs. E. L. Jackson was hostess and Mrs. F. J. Borman, president, was in charge. After the roll call and minutes, the meeting was turned to Mrs. Frank Bond, program leader, who presented Johnny Turner, music student, for two piano numbers. Mrs. O. L. Stamey was next presented for a review of the book, "The Spanish Gardener," by A. J. Cronin. Mrs. Stamey is not a novice in the art of giving a book review, and is always appreciated by her audience. Approximately 35 members and guests were present for the program.

The Rovin' Reporter

(questions folks suffer from aches in legs, a back, shoulders, stomach disturbances, indigestion, gas pains and a general run-down condition due to lack of Vitamins B₁, B₂, Iron and Niacin)

By RANDY DURAND

THE QUESTION

Do you take the new product HADACOL, which everyone is talking about, for deficiency of Vitamins B₁, B₂, Iron and Niacin? If so, what are the results?

THE ANSWERS

Henry Puckett, 218 South Commerce Street, Abilene, Texas: "I suffered from stomach distress and gas. I was unable to rest at night and couldn't get any relief. But since I've been taking HADACOL, I can eat anything I want and sleep like a log. Thanks to HADACOL."

Mrs. Nora Beshirs of 633 S. Knight, Wichita Falls, Texas: "I suffered from aching aches, pains and trouble sleeping. After taking HADACOL in 1949, I started sleeping like a baby and my appetite picked up and I started feeling fine. I want to tell all the people I can about HADACOL."

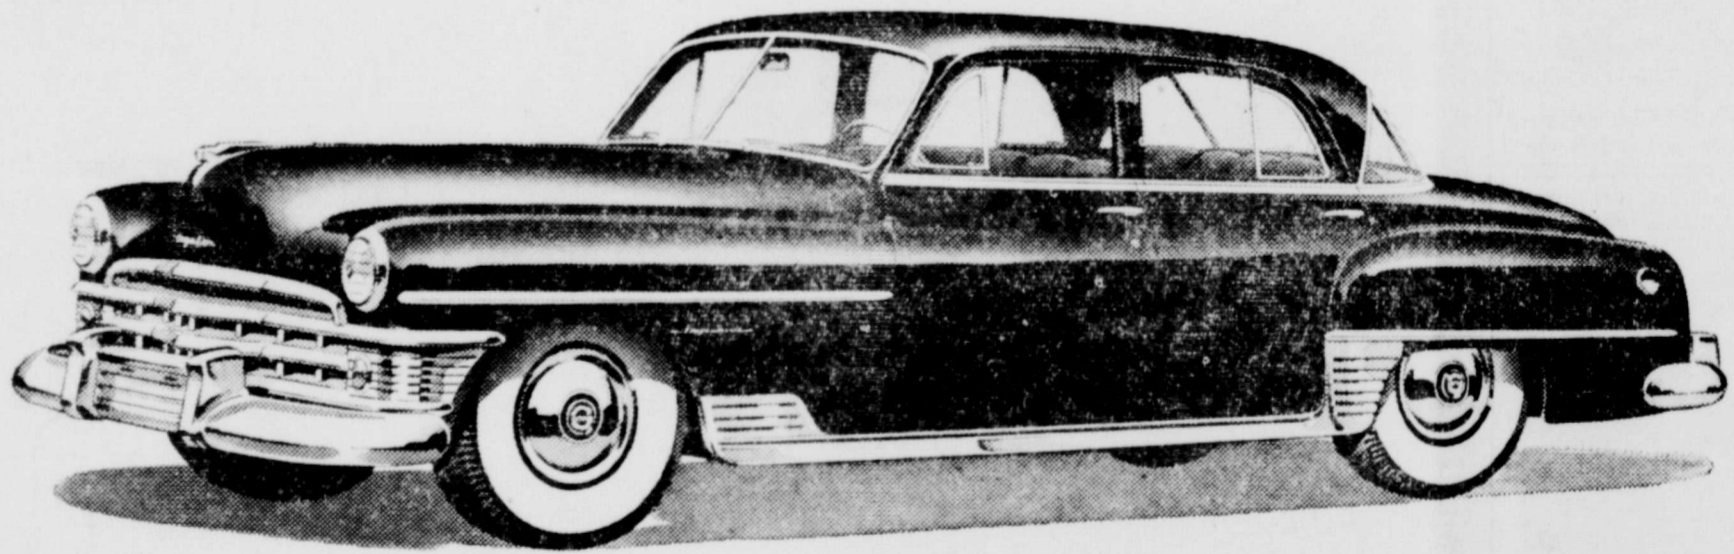

Mr. Don Lloyd, 2705 West Street, Austin, Texas: "The job of a newspaper district route man is a strenuous one, involving lifting many large bundles of newspapers. Before taking HADACOL, I suffered from aches and pains which made my duties a painful task. After several bottles of HADACOL, all pain disappeared. I feel better in every way."

Mrs. Joe Bukowski, 921 Sanborn, Ottumwa, Iowa: "Before I started to take HADACOL, it was impossible for me to do my housework. I was weak, didn't sleep well, and lacked an appetite. But after taking HADACOL, I now can do all my housework and have a good appetite. I'm really 100% better since taking HADACOL."

NOTE: You can get this wonderful new HADACOL at any drug store in this locality. HADACOL is effective because it doesn't just give symptomatic relief—HADACOL gives the REAL CAUSE of aches and pains in arms, legs, shoulders, back, stomach distress and a general run-down condition when due to lack of Vitamins B₁, B₂, Iron and Niacin in your system. Costs only a small amount per day. Trial size only \$1.25. Large family or hospital size, \$3.00.

Imperial... in every sense of the word!

Imperial... every powerful, gleaming inch of it. Imperial... it is the only word that comes to mind when you see the luxurious fabrics and appointments inside. Imperial... is the way you feel as individual motors raise and lower your windows. Imperial... is the only word that describes your command of the road as you drive. Imperial by Chrysler is the wholly new car that is setting a new goal for every family with the taste and the experience in motor cars to recognize unrivaled built-in value all the way through. It is the first car in America to make no compromise with quality... the only car to consider if you want the finest. We'll welcome an opportunity to let the Imperial prove it.

- See it—drive it... there's built-in value all the way through!
- Chrysler's Advantages in Comfort and Safety**
 - Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops.
 - Easy-Lock Parking Brake—holds car on any hill. Electrically Operated Windshield Wipers—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds. Double-Whiplash Arm Rest—for arm chair comfort.
 - Advantages of Chrysler's Fluid Drive**
 - Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.
 - Advantages of Chrysler's High Compression Spitfire Engine!**
 - Waterproof Ignition—prevents stalling in rain or high water!
 - Chemically Treated Cylinder Walls—for greater wear. Floating Power—helps eliminate vibration. Superfinished Parts—reduces friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean longer!
