Customers' Corner

Because they want your A&P to become a better place to shop, our loyal employees are never completely satisfied with the job they are doing.

That is why all of us at A&P are constantly checking up on ourselves to be sure of three things:

Our prices are right. Our quality is high. Our service is good.

Will you help the men and women in your A&P by letting us know how we rate on these points? Please write:

to build up an abstract plant to the point where it is considered safe to offer title information to the public for sale. The public generally does not realize this, but some do. If an abstract comes from a plant with adequate facilities, an established reputation and sufficient financial responsibility to protect the customer, it should be safe. The best title attorneys steadfastly refuse to render an opinion on an abstract which they believe to be sub-standard, and
