Due At Palace

Pictured is Cowboy Movie Actor Lash LaRue, who will be here in person for an appearance at the Palace Theater on Saturday. He will come to Cisco direct from Hollywood where he stars in western pictures.

Several Exams To Be Held By Civil Service Agency

The U. S. Civil Service Commission today announced examinations to fill the following positions: Engineer (various positions), \$4,600 and \$5,400 a year; agricultural marketing specialist and fishery marketing specialist, \$3,825 to \$6,800 a year; dairy and poultry inspector and grader, fresh fruits and vegetables inspector, and agricultural commodity market reporter, \$3,825 to \$6,400 a year.

The engineer positions are at the Wright-Patterson Air Force Base and the 362nd AF Specialized Depot, Dayton, Ohio. Most of the other Interior in Washington, D. C., and throughout the United States. Some positions in other agencies in Washington, D. C., and vicinity may also be filled.

Applicants for the engineer positions must have completed a 4-year college engineering course or have had 4 years of technical engineering experience, or a combination of such education and experience. In addition, they must have had at least 2 years of professional experience. Graduate study in engineering may be substituted for the experience required for the \$4,600 a year jobs and for part of the experience for those paying \$5,500 a year. No written tests will be given.

To qualify for agricultural marketing specialist, fishery, marketing specialist, dairy and poultry products inspector and grader, fresh fruits and vegetables inspector, and agricultural commodity market reporter, applicant must have had from 4 to 6 years of responsible and successful experience in appropriate marketing specialties and activities. Some substitution of education for experience is allowed. No written tests are required. The age limits, 18 to 62 years, will be waived for persons with veteran preference.

Full information application forms may be secured from the Commission's local secretary, Mr. Sam King, located at Cisco Post Office.

Mr. and Mrs. Roger Aude and family spent last weekend in Collinsville, visiting Mrs. Aude's family. They also attended the Texas-T. C. U. game.

WRANGLERS CONCLUDING PLANS FOR GAME WITH ODESSA ELEVEN

The Cisco Junior College Wranglers appeared in good spirits today as they completed plans for a conference game Friday night at 8 o'clock against the Wranglers of Odessa Junior College at Odessa.

The good spirits of players and coaches were due partly to the return of several men who have been out with injuries. The Wranglers had nine men out of commission when they played their last game here November 11. And one more man—Jimmy Payne—joined the nine during the game.

Gene Eddings, scat back, Speedy Leonard Grigsby and Center Gerald Watson are three top performers who will be back in uniform this week. Eddings had been out for about a month due to a shoulder injury. Grigsby had been suffering from the same trouble, and Watson had a bad ankle.

Several boys are still out, however. Payne, who dislocated a shoulder, appears through for the year. Gilbert Madison is also through for the season. He got his broken foot out of the cast Tuesday, but it would never be in shape to play again this year.

Jim Gray, the big tackle from Breckenridge, won't play this week. He has broken bones in one hand. Wayne Hays is out with a bad knee.

The strong Odessa team has one defeat against some seven victories this season. They operate from a single wing and double wing formations.

The Cisco eleven has spent a lot of time during the past week, seeking perfection in the passing department. Lonnie Crosby will call the signals this week, as well as handle the punting and most of the passing. Grigsby is due to help with the passing.

The probably starting backfield will include Crosby, A. V. Jones, Bob Huffmyer and Gene Eddings. Wayne McLean, who has broken thumb, will probably play part of the time.

Grigsby is due to start at end, along with Ken Mays. Starting tackles are expected to be Don Darr and Lee Kinard, with Bill Jeter and Alton Kite at guards. Watson will kick at center.

Coaches Scat Russell and Paul Moseley and their Wranglers plan to leave for Odessa at 8 a. m. Friday in a special bus. They expect to return home after the game.

Grace Lutherans Will Observe Thanksgiving

Pastor H. G. Lohrman of the Grace Lutheran Church announced Wednesday that the annual Thanksgiving services of the church would be held at 7:30 p. m. Thursday.

The students attending Grace Lutheran School will sing a pre-sermon Thanksgiving hymn and Pastor Lohrman will conduct the remainder of the services. The public was invited to attend.

Farmer of the Week ...

Charles H. Wende, the founder of the Cedar Lane Farm on the Rising Star highway three and a half miles south of Cisco, celebrated his 73rd birthday Tuesday. Some 43 of these years spent on the farm on which he now lives.

The Cedar Lane Farm has come to be well known in this area because of the type of cattle and hogs that are raised there. Mr. Wende and his son, Bill who now operate the farm together, are high in their praise of their short horn milking type cattle because they are profitable for both dairy and beef purposes.

In addition to 30 head of short horn milking of cattle because spotted Poland China hogs. Recently 20 head of these hogs brought a good price. One of the hogs now on the Wende farm weighs over 800 pounds. So they are well sold on the spotted variety.

Advantages of the spotted Poland China hogs, according to Mr. Wende, are that it does not take as much to feed them as other hogs and they grow faster.

About 85 acres of the Cedar Lane Farm are used to raise grain for their livestock. Mr. Wende and his son have also leased 640 acres nearby on which they raise wheat, oats, and alfalfa. Nearly 500 bearing trees on these two farms add to the prosperity of the farm.

A passer-by cannot help but notice the beautiful rock houses

at the end of the lane which is lined with cedar trees. These houses include chicken houses, brooder houses, a garage, and the 14-room dwelling in which they live. There is also a big barn on the place in which they store hay and grain and house about \$10,000 worth of farm equipment. A tractor, a combine, a row binder, a one-man bailer, a drill, a plow and a truck all combine to make this one of the best equipped farms in Eastland County. Other conveniences are electricity, butane gas, running water and telephone.

What is the secret of building such a successful farm? Actually, there is no secret to it, says Mr. Wende. The main thing that has made this farm pay off is just old-fashioned hard work mixed with a little "elbow grease." His son, Bill Wende, points out that annual crops of vetch and rye have served to build up the soil at Cedar Lane.

Although everyone works hard on this farm, it seems that Bill does most of the work. Charles Wende's main occupation is fishing and raising rabbits, according to his son. A two acre lake on the place has yielded some pretty good sized fishes in years past, the largest being a 23 pound catfish.

Mr. Wende came to America from Germany when he was only five years old but even at that

early age, he used mighty good judgment because he came straight to Texas and settled in Eastland County (of course, his parents came along, too).

Before going to the farm, he worked on iron bridges for the MK&T railroad for 12 years.

In the past, he has also done a great deal of rock masonry, building such well-known landmarks as the Long Branch school house, the big barn on the Gordon Woods Ranch, and he and his sons built all of the buildings on their place.

Mr. and Mrs. Wende first met while attending church services in Dallas. Their friends and neighbors here know them as real Christian Americans. At present they attend Sunday worship services at the Christ Lutheran Church south of Cisco.

Mr. Wende says that in all probability he will spend the rest of his life at Cedar Lane Farm and his many friends in the area hope that he will have many more happy birthdays here and that he will like the cake that was baked for him this year by his daughter-in-law, Mrs. Bill Wende.

Besides Bill, Mr. and Mrs. Wende have three other children in Eastland County. Herbert C. Wende, the other son, is also a farmer. The two daughters are Mrs. Mac Rumley of Cisco and Mrs. Herman Schaefer, wife of a Nimrod farmer.

Presbyterian Camp Expansion Program Talked At Meet Here

Local Schools To Remain Closed Until Monday

The Cisco public schools and Cisco Junior College will be closed Thursday and Friday for the Thanksgiving holidays, it was announced by Superintendent Arlin Birt and President O. L. Stamey.

Students will return Monday and begin the final six weeks of the first semester. Report cards will be released Wednesday, November 29.

The Lutheran school was to close at 3 p. m. Wednesday and a party for all the students. They will return to classes Monday. Rev. H. G. Lohrman directs the work at the school.

Cisco Junior College students were to be dismissed at 2:30 p. m. and taken to Chesley Field where the sixth and seventh grade boys were to play a similar group from Rising Star in the final game of the season for the school.

Zan Burroughs Is Named President Of Country Club

Zan Burroughs, manager of the Cisco Peanut Company, was elected president of the Cisco Country Club at the annual stockholders meeting Tuesday night at the club. He succeeds W. C. Hogue, district superintendent of Humble Pipe Line Company here.

Mr. Burroughs took office immediately for one year. Other new officers are Charlie Graham, vice-president; and, W. C. McDaniel, secretary and treasurer, who was re-elected by acclamation.

New members of the board of directors are: Charlie Graham, Zan Burroughs, Jack Hailey, E. L. Jackson and Charles Cofer. Hold-over directors are W. C. Hogue, W. C. McDaniel, M. M. Taber, Dr. Chief Brown, J. W. Sittin and Sutton Crofts.

Prior to the election, Mr. Hogue conducted the annual meeting which included reading of the financial statement and other matters. He expressed his appreciation to the various committees for their support during the past year.

TREASURE HUNT PRIZE LIST IS STILL GROWING - GET READY!

Prizes continued to come in Wednesday for the third annual Cisco Treasure Hunt and opening of the Christmas Shopping Season scheduled to begin at 6:30 p. m. Monday, November 27. Some of the prizes not mentioned before are as follows:

Dean Drug Co., a Sheaffer fountain pen valued at \$8.75; Latson Construction Co., a whistnot shelf valued at \$10; B & K Bakery, a five pound fruit cake; Cisco Steam Laundry, \$5 in laundry service; Burton Lingo Lumber Co., a room of wallpaper-choice of any pattern in the house; Lewis Furniture Co., a bath room heater; White's Auto Store, a set of mud chains for passenger car;

Former Resident Called By Death

Funeral services for Mrs. Jessie Wynona Fowler of Fort Worth were to be held in Thomas Chapel at 2 p. m. Wednesday by Rev. James Ansley of Fort Worth and Rev. E. H. Lightfoot of Cisco. Mrs. Fowler died in Fort Worth Tuesday. For a number of years Mr. and Mrs. Fowler made their home in Cisco where he was an electrical contractor. At the time of her death she was living at 4931 Calmont in Fort Worth.

Services were to be held in Ft. Worth at 10 a. m. Wednesday and the body was to be brought overland in a Ray Crowder funeral coach for the services here and burial in Oakwood. The services were to be handled by the Fort Worth funeral home.

Mrs. Fowler is survived by her husband, a son, Commander Oliver N. Fowler with the United States Navy stationed at the Philadelphia Naval Base, a daughter, Miss Maxine Fowler of Ft. Worth a brother, Will McCain of Beaumont and a sister, Mrs. Everett Heffner of Houston.

Mrs. Fowler was a member of the First Methodist Church and was active in church work while living in Cisco. Mr. Fowler was prominent in Masonic work in Cisco and Fort Worth.

MORAN TO PLAY

The Moran High School Bulldogs are scheduled to meet the Pirates from Leuders in their last football game of the season at 2:30 p. m. Thursday at Moran. A large crowd has been indicated by the sale of advance tickets. Last Friday afternoon, the Moran team swamped the Strawn Greyhounds by a score of 33 to 6. The Bulldogs pushed across three touchdowns during the first half, and added one in each of the last two quarters. The win gave Moran three victories against three defeats for the season.

Trustees Vote To Recommend Plans At Winter Meet

An expansion program for the Presbyterian Encampment facilities at Lake Cisco was discussed by the Board of Trustees at an all-day meeting here Tuesday, according to an announcement today. The project will be recommended by the trustees at the annual Mid-Texas Presbyterian meeting in January.

The expansion project would include the building of a number of dormitories to house the large church, and other gatherings. Various Presbyterian groups meet at the camp each summer and it is rented out to others at times when the congregation is not using it.

Details of the program would be worked out if the Presbytery session approves the recommendations. More dormitory quarters has long been a need for the camp, a spokesman said.

The trustees met at the Presbyterian church here Tuesday. They attended a luncheon at the Victor Hotel Coffee Shop, and their afternoon program included a tour of inspection to the camp grounds.

Trustees here for the meeting included Robert W. Seipel, Fort Worth; E. P. Crawford, Cisco; Don Smith, Sweetwater; R. M. Wolfe, Abilene; James P. McCracken, Cisco; Robert Kannon, Fort Worth; Rev. Fred Tyler of Cisco; Rev. Winston R. Bryant, Fort Worth.

Ex officio members present were Rev. C. W. Williams, Fort Worth; Rev. Grady James, Cisco; Mrs. T. H. Willis, Abilene; and Miss Ruth Durham, Fort Worth.

Hooker's Big Sale Starts On Friday

L. A. Hooker, owner and manager of Hooker's Jewelry Store, announced Wednesday that he will hold his first big, store-wide sale event since he opened his business in Cisco in July, 1945, beginning on Friday morning. To assist him with the huge undertaking, Mr. Hooker has engaged the services of a widely known radio organization. The Thursday edition of The Daily Press will carry a double page ad announcing the details of the big special event.

When Mr. Hooker came to Cisco he stated that his plans were to operate a first line store with the best available prices and in living up to his promise he has succeeded where others possibly would have failed. During the five years here he has had to increase the size of his store and his stock inventory has grown steadily.

Mr. Hooker and his sales assistants advised the wise Christmas shopper to take advantage of the numerous bargains to be offered during the sale opening on Friday morning.

Pairings Given For Play In Golf Tourney At Club

Pairings for matched play in the annual Cisco Country Club women's golf tournament were announced today. Mrs. Pete Lincecum became the tournament medalist with an 85 for 18 holes.

Pro Bill Dill reported that the tournament committee has set Dec. 17 as the last day for matched play. The players were placed in two flights, as follows: Championship - Mrs. Pete Nance vs. Mrs. C. M. Townsley, Mrs. Reggie Henderson vs. Mrs. Jerry Locke, Mrs. Annie McGowan vs. Mrs. Gene Cotton, and Mrs. Ellen Sorles vs. Mrs. Jimmy Sledge.

First flight - Mrs. Jack Anderson vs. Mrs. Charles Cofer, Mrs. Ralph Glens vs. Mrs. Albert Hanson, Mrs. Zan Burroughs vs. Mrs. Lee Farleigh, and Mrs. Bill Burrows vs. Mrs. Paul Woods.

Matched play will begin Thursday.

Junior Midgets Take Rising Star Eleven, 34 To 0

In the post-season football game played in Rising Star at 2:30 p. m. Saturday the sixth and seventh grade boys of Cisco Junior High School played a 34-0 defeat on the Rising Star Junior High School team by scoring in every quarter. The local team was composed of members of the Midgets team and boys who had seen no previous action.

Early in the first quarter, Ben Lipsey skirted left end for five yards and a score after successive first downs had worked the ball to that position. Teddy Anderson ran the ball over for the extra point. The second score came early in the second quarter when Tommy Reynolds went over on a brilliant run from the fifteen. Again Teddy Anderson carried over for the extra point.

Late in the second quarter Reynolds again broke loose and scored from the 20 yard line. The try for point was good.

Early in the third quarter Buck Whitehead broke loose and behind beautiful blocking ran 60 yards to score. Benji Lipsey ran over the goal for the extra point. Tommy Reynolds scored the final touchdown from the five yard line to bring the count to 34-0. The try for point was no good.

Starting for the Cisco team were Howard Hamilton and Johnny Trigg at ends, George Page and Don Gray at tackles, Roger Lisenbee and Joe Wayne Farrow at guards, Jimmy Branton at center, Benji Lipsey at quarterback, Teddy Anderson at left half and Buck Whitehead at fullback.

Others playing for Cisco were John Carlie, Ed. Bernie, John McCannies, Roy Page, Herbie Gallegos, Jackie Reynolds, Wayland Yancy, Robert Fletcher, Jimmy Sublett, Dash Crofts, Charles Cross and Phillip Brown.

Plans call for playing the same team at Chesley Field Wednesday afternoon.

HIGH BLOOD PRESSURE

Hardening of Arteries, Pains In Left Arm And Side

Elmer G. Johnson, President of Harlingen State Bank, Harlingen, Texas, writes on Feb. 20, 1948: "Please send another bottle of Garlex Liquid Garlic, also send a bottle to my sister-in-law, Mrs. Hulda C. Dutton, 45 Atwater Terrace, Springfield, Mass. "I have some good reports to make on the effectiveness of Garlex used. Mr. Turner, Texaco dealer here, has taken two bottles and is much better, his blood pressure down about 60 points. Mrs. W. F. Nelson, San Benito, who was in bad shape, is also very much better and her blood pressure down considerable. This Garlex works, and you are doing a fine job of producing it for the benefit of those suffering from high blood pressure or heart trouble."

Hundreds of other testimonials of similar nature.

Seeing is believing

no other range is as fast or as efficient as a modern gas range

Speed you can see. Bring 1/2-inch of water to a boil. Add vegetables and cover. Time required—two to three minutes! Turn burner to simmer speed which completes cooking.

Warm up a gas burner? You don't have to! The second it's on, it's at maximum heat. No other range can be fast as gas. Or as efficient. The flame gives tailored heat—fits itself to any size or shape pan. Less waste heat.

With a single oven range, only if it is gas can you bake and broil at the same time. You can bake rolls, potatoes and a casserole dish while you broil meat in the separate broiler.

"Claims" of speed don't mean a thing. But seeing is believing. Here you see why gas is fastest and most efficient—why 96 out of 100 women in this area cook with gas.

If your range has seen its best days, now is a good time to get a modern gas range. They cost less. They operate for less than 1/4 the cost of non-flame ranges. Gas burners last a lifetime; don't burn out. No special, expensive utensils are needed. No costly installation charge is added to the purchase price. Buy a modern gas range.

On display and sale almost everywhere

AND NEWS OF INTEREST TO WOMEN

Helen Watson Bride Of Large Nov. 17

Mrs. Dean Large were married at the home of Mrs. J. J. Davis on Friday, Nov. 17, by the Reverend of the Church of Christ of the home of Mrs. J. J. Davis. The bride is the former Miss Watson, daughter of Mr. R. T. Watson of Cottonwood. The ceremony was attended by immediate families.

Episcopalian Circle At Church

Two of the First Presbyterian Church met Tuesday at the home of Mrs. Alex Spears presiding. Mrs. W. C. Clements, Mrs. Cheves presided over the business session. The minutes were read and approved. The devotional was brought by Mrs. Roy Morrison. The lesson, from the Mission book, "Century in Nigeria," was brought by Mrs. C. H. Hammett. Mrs. R. B. Farley closed the session with prayer.

about the American Bible Society, organized in 1816. Mrs. W. Wallace continued the discussion by reiterating that there were 25 million Bibles in circulation in the world in 1949.

The meeting was concluded with the "Lord's Prayer." Those present were: Mesdames W. W. Wallace, C. H. Fee, Alex Spears, Rudolph Kamon, and R. W. Seipel, of Ft. Worth, guests of Mrs. Rudolph Kamon.

Morning Circle Has Meeting On Tuesday

Morning circle, number six, of the First Baptist Church met in the home of Mrs. J. J. Davis on Tuesday. The meeting was called to order by prayer delivered by Mrs. W. C. Clements. Mrs. Cheves presided over the business session. The minutes were read and approved. The devotional was brought by Mrs. Roy Morrison. The lesson, from the Mission book, "Century in Nigeria," was brought by Mrs. C. H. Hammett. Mrs. R. B. Farley closed the session with prayer.

Refreshments were served to the following: Mesdames E. H. Cheves, W. C. Clements, A. B.

FARM NEWS

By The Hired Hand

Now that harvest time is almost over, we are finding it hard to catch the farmers of this area at home in the evening. Driving through the Romney and Pleasant Hill communities Tuesday evening, we especially wanted to see Troy Lamb, Robert Hageman, Roy Tucker, and Frank Wood — and every last one of them were gone from home or, at least, all of the lights were turned out in the house and it was too early to be asleep. But we saw some others who we wanted to see and we have some interesting bits of news from them.

We found T. L. (Smokey) Hale at home having a big time with his twin boys and seemingly enjoying a good rest from some hard work during past weeks. This year, he harvested 2,135 bushels of peanuts off of 75 acres. He has also just finished combining maize. He plans to sow his land in rye if it rains any time soon.

Martin Reich is also through with his work for the fall except for the planting of some barley (providing it rains). He also pulled in a big crop of peanuts this year. Some 30 head of Herefords are on the Reich farm. Last year, there were 100 head of hogs on this farm but at present there are only 30.

While visiting with Martin, we renewed acquaintances with his brother, Ernest, another successful

Hagan reported that he finished his harvest Tuesday.

Several years ago John McKinney had over 100 head of hogs to die on his farm. He told his wife, "A guy always finds something right where he loses it — I'm going in the hog business to make back what I lost." And he did just exactly that and is now recognized as one of the most successful hog raisers in this area.

Mr. McKinney has most of his land sowed in oats and alfalfa but he's afraid it's all going to blow away unless it rains real soon.

It's a wise man who knows

TAIL OF WOE — Priscilla Wheeler, of Houston, Tex. seems to have her pooch pal Spot, just where she wants him. Spot looks temporarily resigned to his fate for he probably knows the game will end some time soon.

Coper, R. B. Farley, C. H. Hammett, R. R. Jones, Roy Morrison, C. W. Reed, and the hostess, I. J. Davis.

Progressive Class Has Buffet Supper

The Progressive Class of the First Methodist Church met November 18th for their monthly covered dish supper.

Shy Osborn gave the invitation at the Buffet supper. The table was embellished with autumn leaves and miniature turkeys to convey a holiday atmosphere.

A short business meeting followed the buffet. Those attending the supper were as follows: Mr. and Mrs. Carl Smith, Mr. and Mrs. James Duff, Mr. and Mrs. Chesley Tipton, Mr. and Mrs. Derwood Morris, Mr. and Mrs. W. W. Smith, Mr. and Mrs. Bob Isbell, Mr. and Mrs. Jack Pitzer, Mrs. S. A. Chambliss, Miss Lela Latch, Mrs. John Leveridge, Mr. and Mrs. O. O. Odom, Mr. and Mrs. Blair Clark, Mr. and Mrs. Roy Killingsworth, Mr. and Mrs. C. B. Midkiff, Mr. and Mrs. Marshall Jones, and Mr. and Mrs. Shy Osborn. Guests from Ohio were Mr. and Mrs. Norval Limbert.

Take your family to Sunday School and church every Sunday.

The Magic Valley of Fabulous Texas. The Lower Rio Grande is a land of beauty, contrast and everlasting sunshine. Its almost palm tree is 500 miles farther south than Los Angeles. Miles farther south than Miami. The silvery Rio Grande that flows through its center presents on one bank a lush paradise of Groves, lakes and tropical vegetation; on the other bank the Old Mexico with all the charm and gaiety of a foreign land — an inexpensive land where the warm winter sun paints a picture on the Oranges, Tangerines and famous Texas Ruby Red fruit.

which side his bread is buttered on. But it's even a wiser one who can tell these days whether it's really butter. Unless, of course, he sees where it comes from, notes the package, or the triangular paty of margarine.

We like to think we can detect a difference in the taste, and usually are confident we can. But something in differentiating between high quality products of both types, even experts have been fooled.

Down here in the cotton country we haven't had near the excitement over the question of a tax and regulations on margarine as up north in the nation's so-called dairy land.

We have a lot of milk cows here and some of the finest in the country too. But our average milk production isn't what it is some of the northern states, and so the butter interests were more adamant about the growing popularity of margarine and the fact that lots of the time people didn't know what they were eating.

The dairy interests, which have one of the most powerful lobbies in Washington, and the margarine interests have noted that since the margarine tax repeal last year, the fight has moved from congress to state legislature.

Some of the more imaginary of the "super science" comic books the kids read nowadays talk about the U. S. colonizing some of the other planets.

It's a good idea if we can manage to stake out a claim on one with abundant rich soil.

The way we are depleting the natural resources of this sphere we'll be needing a new frontier before long.

Wonder how a cotton farmer on Mars might feel about ninety percent of parity?

If you are planning to build a barn or shed, don't build it like Grandpa did. There are some

later plans for farm buildings which will help you save steps, save labor, and probably save hay and feed.

Actually, so many things are being learned so fast about never efficiency in farm operation that it makes little sense to build one that can't be remodeled, moved, or altered for changing needs. Plenty of suggested plans for farm buildings are available in count agent's offices and other places.

We have just received a copy of the 1951 Farmer's Almanac for 1951, its 159th year of continuous publication which looks just like the first issues except for a few half tone pictures inside. There is also an explanation of parity prices.

Don't carry your deer slung over your radiator, say the meat experts. That's about the hottest place you could put it on the way home from a hunting trip. The rear trunk of the car is likely to be better.

And don't shoot one of your fellow hunters or some farmers cows.

RETURN HOME HERE

Mrs. John Preston and infant son, Wayne Allen, were brought home this week from a Ranger hospital. The boy was born in Ranger on November 15, weighing seven pounds. Both Mrs. Preston and the baby were reported as doing fine. Mr. Preston is employed at Glenn's Furniture Co.

This Winter

WINTER can upset the performance of your car. Chilling blasts can slow your starts... cut down your power. Corrosive combustion acids—increased by cold-weather driving—cause extra engine wear and so reduce gasoline mileage.

Now... at last... you can cushion your engine against winter wear... by protecting it with the winter grade of new Conoco Super Motor Oil.

get
Super Protection!

CHANGE NOW to new Conoco Super Motor Oil... proved by two winters' testing in the sub-zero cold of the Colorado and Montana mountains... to be the great new winter wear-fighter! Conoco Super Motor Oil safely gathers up acids and harmful moisture... flushes them out of your engine when you drain! New Conoco Super OIL-PLATES your engine... fights winter-rust, inhibits corrosion, reduces sludge!

Get flying starts... fast pickup... full power! Keep that new-car gasoline mileage! Drain and refill with the winter grade of new Conoco Super Motor Oil... at Your Mileage Merchant's... right away!

Upset?
Don't fret!

Mrs. Zan Burroughs and children plan to spend the Thanksgiving holiday with her family at Plainview.

DO YOU HATE HOT FLUSHES?

Do you suffer from hot flushes, nervous tension, upset emotions—due to functional 'change of life' (38 to 52 years)—that period when fertility ebbs away, when symptoms of this nature may often betray your age? Start taking Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. No other medicine of this type for women has such a long record of success. Taken regularly, Pinkham's Compound helps build up resistance against such middle-age distress. A great medicine made especially for women. *The woman's friend!* NOTE: Or you may prefer Lydia E. Pinkham's TABLETS with added iron.

Mrs. Flavia C. Kaufman, 2436 70th Ave., Baton Rouge, Louisiana, says she is a full time job keeping tabs on her little granddaughter, Mildred Gore, but it is a job she thoroughly enjoys. Yes, everything in life for her these days is enjoyable—because she has at last found her secret of feeling better. She now takes HADACOL regularly because she was suffering from a deficiency of Vitamins B1, B2, Niacin, and Iron.

Here is Mrs. Kaufman's statement: "I have been taking HADACOL for over a year. Before I started taking HADACOL I was terribly nervous and upset all the time. I was underweight and just couldn't eat at all. My appetite was so lax that I ate irregularly at all hours of the day. Then I started taking HADACOL. After the third bottle I felt 100% better. I have gained weight, my appetite is tremendous and, best of all, I sleep well nights and my nerves are steady as can be."

HADACOL is that wonderful new preparation—promising blessed relief for your indigestion, stomach disturbances (gas, heartburn, sour "risings" after meals), as well as that general run-down condition, and nagging aches and pains, if due to a lack of Vitamins B-1, B2, Iron and Niacin in your system.

HADACOL is so amazingly successful because if your system lacks Vitamins B1, B2, Iron and Niacin it acts directly to relieve this deficiency—the real cause of your trouble. That's the kind of product you want—the kind you should buy—the kind you should start taking immediately.

Only One Genuine HADACOL. Don't go through life suffering those nagging aches and pains if caused by such deficiencies when relief may be as close at hand as the nearest drugstore for sufferers from these deficiencies. Buy HADACOL today. Trial size bottle only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes. There's only one true and genuine HADACOL. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. Copyright, 1950, The LeBlanc Corp.
