### Back in Genesis, the 23rd Chapter —

there is recorded one of the early-day real estate transactions. Sarah had died at the age of 127, and Abraham bargained for and finally bought a field containing a cave for her last resting place. While there is no direct mention of an abstract, the evidence is clear that Abraham got a good title in the purchase. Time changes many things, for the better or worse, but the caution used by Abraham still prevails. The title was important then, it's more so now.

One by one, over the centuries, men and women have been opening the door to life's richest treasure.

This New Year thousands more will learn the combination that unlocks our God-given destiny.

The joy of purposeful living, the confidence of courageous believing, the power of divine help, belong to every man who can rightly turn the dial of life to its appointed goal.

And the combination has been ours through twenty centuries, ever since the day of Jesus Christ!

Turn first to faith-the hunger of the heart for spiritual truth. Then to love-the capacity for unselfish devotion to one another. Then to God-the Source of All that is eternally real.

The Church helps us master the combination. Its worship and instruction help us to turn the course of our lives.

THE CHURCH FOR ALL . . .

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (f) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
